

Break Up 11

Chapter 11

Sudden Bonus

Hearing the shout, Chen Che quickly turned around.

“Lin Xi? Why are you here so early?”

“You still have the cheek to ask me? Didn’t you say that you have a place to stay? Is it here?” Lin Xi pointed at the cold stone bench.

Chen Che chuckled. “Aiya, I’m young and strong. It doesn’t matter where I sleep.”

Lin Xi pouted. “But you lied to me. You even said that you’re a dog if you lie to me.”

“Woof woof.” Chen Che hurriedly barked like a dog, still smiling.

“I really admire you.” Lin Xi was also amused. As the saying went, one should not slap a smiling person. Since it had already come to this, what else could she do?

Seeing that Lin Xi had calmed down, Chen Che stroked the hair by her ear. “You don’t look so good. Did you not sleep well last night?”

“No, maybe I woke up too early.” Lin Xi smiled. She didn’t want Chen Che to worry, so she denied it.

“Oh right, hurry up and eat breakfast to nourish your body. You’ll catch a cold if you sleep here for a night.”

As she spoke, Lin Xi placed the breakfast on the stone bench.

“Okay.” Chen Che did not refuse this time. After all, she had already bought it. He could not throw it away, right?

Opening the bag, the breakfast could be said to be a feast.

“Have a few mouthfuls of porridge to warm up first. There are also your favorite buns and seaweed kelp here,” Lin Xi introduced carefully.

Chen Che was extremely touched. No one had ever cared about him so much.

“Wow, this porridge is so delicious. Thank you, darling. It really has the power of love. It’s really different.” Chen Che praised as he drank.

“You only know how to joke.” Lin Xi smiled sweetly and continued, “I even specially asked the shopkeeper to add wolfberries and honey to the porridge. This way, you’ll have the strength to work today.”

Chen Che rolled his eyes and teased, “Add wolfberry? Do you want me to have strength at work or for something else?”

Lin Xi was stunned at first, but in the next second, she understood what he meant. Her face instantly turned red. “That’s not proper. This is a live broadcast.”

“What’s there to be afraid of?” Chen Che grinned. “By the way, you haven’t eaten, right? Let’s share. I can’t finish it anyway.”

As he spoke, Chen Che fed Lin Xi the porridge.

Lin Xi didn’t refuse. She liked this feeling very much.

Just like that, the two of them chatted and laughed as they finished their breakfast.

The netizens who had woken up early to watch the live broadcast could not help but complain: [F*ck, they actually let this dog food last so long so early in the morning!]

...

After breakfast, the two of them went to their respective companies.

As soon as he entered, Chen Che was surrounded by a few colleagues.

“Not bad, Little Chen. I only found out when I got home last night that you’ve become an internet celebrity!”

“That’s right. How did you get the goddess? We’re still single. Can you teach us some experience?”

Chen Che scratched his head. “Don’t tease me. I’m not an internet celebrity, nor do I have any experience. It’s my blessing that Lin Xi doesn’t despise me.”

“There’s nothing wrong with that. Lin Xi is really a good girl. You have to cherish her.” A slightly older man took over.

After a pause, he continued, “By the way, my wife complained last night that I didn’t buy her a bag. She said that I didn’t love her enough and that I was stingy.”

“I said that love shouldn’t be based on money, so I started talking about you. I thought she would understand, but guess what happened?”

The few of them stared at the man, waiting for him to continue.

The man sighed helplessly. “In the end, she went off on me and Little Chen!”

“Haha...”

After hearing this, the few of them burst into laughter.

After the laughter, the new day’s work began.

There was nothing unexpected about Chen Che’s work. All the procedures were exactly the same as yesterday.

However, he received more paper shells today.

When he returned to the company, it was already past two in the afternoon. Chen Che had to pick Lin Xi up from work again.

At this moment, the supervisor called out to Chen Che, “Little Chen, come to my office.”

Chen Che entered the office nervously, wondering if he had done anything wrong. Or was the company afraid of the live broadcast affecting their work?

However, Chen Che was obviously over-thinking. The supervisor took out an envelope with a smile.

“Here’s \$1,000, it’s your bonus.”

“Bonus?” Chen Che was stunned. \$1,000 after 10,000 times the interest is \$10,000,000. It could be said that this was a sudden huge sum of money.

Looking at Chen Che’s expression, the supervisor smiled and said, “What are you waiting for? Hurry up and put it away. This is the quarterly reward that good-performing employees deserve.”

“Thank you, Supervisor!” Hearing this, Chen Che quickly put it away.

Seeing that Chen Che had accepted the money, the supervisor spoke again, “Well... there have been a lot of goods recently and we still need to recruit some people. If you have any relatives or friends who want to come, you can introduce them.”

Chen Che was about to agree when he suddenly understood something.

Did the supervisor want to use the free live broadcast to advertise and recruit people?

“Fortunately, I’m quite experienced in the ways of the world.”

After muttering to himself, Chen Che looked at the camera and said, “My friends in Jiangshi City, if you want to find a job, you’re welcome to join us here.”

“Not only is the work environment friendly, and our benefits are also very good.”

After saying that, Chen Che looked at the supervisor. “Supervisor, I’ll leave first?”

“Go. Hurry up and pick up your girlfriend from work.” The supervisor’s smile deepened. His eyes were filled with admiration as if he was saying, “Kid, you’ve walked a wide path. You’re worth nurturing!”

Seeing that the supervisor was satisfied, Chen Che left happily.

After leaving the company, Chen Che first went to the side to deposit the money.

After receiving the money, he did not hesitate to deposit it into the cash return basin.

In addition to the 1,000 dollars from before, there were now 2,000 dollars here. The number had also changed to $2,000 \times 10,000 = 20,000,000$.

In just two days, the amount had reached \$20 million. Chen Che was very satisfied, and his desire to earn money increased.

Just like yesterday, when Chen Che arrived at Lin Xi’s company, it was time to get off work.

Fortunately, he did not encounter that annoying fellow today.

Not long after, Lin Xi walked out of the building. At this moment, she was wearing a white short-sleeved shirt and a light blue dress.

Even so, it could not hide her perfect figure and long legs.

Moreover, she did not tie her hair into a ponytail. Instead, she changed it into a shawl. Coupled with her beautiful face, this outfit was simply the ceiling of pure desire!

Chen Che could not help but swallow his saliva when he saw this, let alone others.

At this moment, the live broadcast room was in an uproar. It was extremely beautiful!

“How was your work today? Did it go smoothly?” Lin Xi asked gently as she came to Chen Che’s side.

Chen Che smiled and said, “Of course it went smoothly. Are you hungry?”

Lin Xi nodded. “I’m a little hungry after hearing your question.”

“Then let’s go eat first. Let’s be extravagant tonight. We must eat something good!” As he spoke, Chen Che pulled Lin Xi’s hand and left.

Seeing this, the live-stream immediately started discussing.

[Heavens, this pauper is finally enlightened. He just received \$1,000 bonus money. This time, he finally doesn’t have to eat buns and eat instant noodles!]

[Don’t say it too early. Based on this guy’s personality, it might be another mystery!]

[That’s impossible, right? If she still eats buns tonight, that would be too lousy!]

[That’s right. Even if you don’t want to spend all \$1,000, it’s not a problem to spend \$200 for a meal!]
