

## Break Up 28

### Chapter 28

An Ugly Doll?

Looking at Lin Xi, Chen Che instantly guessed what she was thinking.

Holding Lin Xi's hand, Chen Che smiled and said, "Don't worry. Even if my gift can't move the entire Internet, it won't be scolded."

Hearing this, Lin Xi became even more curious like the netizens.

As he spoke, Fang Weixun had already stood up to explain. Chen Che and Lin Xi hurriedly looked over.

The other party was their direct competition. Chen Che's thoughts were very simple. Even if he could not take the lead in the group of ten, he had to win against Fang Weixun!

Under everyone's gaze, Fang Weixun first confessed his love before taking out a pair of crystal shoes.

"Everyone knows that Huihui is a model. Her dream is to walk on the international stage."

"I asked an international master to make this pair of crystal shoes. Our names are printed on them."

After a pause, Fang Weixun looked at Zheng Hui. "This pair of shoes not only bears my love for you, but it also symbolizes my wishes for you to realize your dream as soon as possible. I hope you will like it."

Zheng Hui nodded in satisfaction. "Wow, I like it so much. And these crystal shoes are so beautiful. Thank you, darling!"

Fang Weixun turned to look at Chen Che and revealed a smug smile, as if to say, "Can you beat this?"

Seeing this, Chen Che's heart was very calm. From the last time they met, he had already treated Fang Weixun as a clown and would not be angry with him at all.

Just as Chen Che thought it was time for him to go on stage, the comments in the live broadcast room suddenly changed.

[Made by an international master? Would you die if you didn't brag?]

[That's right. You can lie to your girlfriend, but you still want to lie to us?]

[How is this a crystal shoe? It's clearly a glass product processed by a certain Wu Company. Without engraving, it's \$50, \$60 with engraving!]

[Tsk tsk tsk, it's too f\*cking embarrassing. It's currently the worst group!]

[How can you say that? In other words, if you tell the truth, nobody will scold you!]

...

When this scene appeared, Fang Weixun's smile instantly disappeared. His face turned red, and he wished he could find a hole to hide in.

Zheng Hui, who was originally quite touched, also darkened her face and slammed the table angrily. “Fang Weixun! You’ve had a day to prepare and this is what you’ve prepared! Are you not embarrassed enough?”

Fang Weixun gulped. “Darling, don’t be angry. I do want to find a master to forge it for you, but the time is too tight. I can only do this.”

“Don’t worry, I’ll make up for it later.”

Zheng Hui’s eyes widened. “But can you make up for the loss of face? I’m really disappointed in you!”

Seeing this, the host hurriedly helped to smooth things over. “Miss Zheng, don’t be so angry. The gift is light, but the meaning and feelings are heavy. Although the item is fake, Mr. Fang’s words just now were very sincere and he’s sincere towards you. That’s enough.”

“Yes, yes, yes. I really hope that you can fulfill your dream,” Fang Weixun said.

At this moment, it was a live broadcast. For the sake of her image, Zheng Hui could only suppress her anger and did not say anything else.

Seeing this, Fang Wei quickly sat back down weakly. He did not want to be scolded anymore. He quickly thought of something and said, “Don’t think that I’m the worst. There’s still a group that hasn’t appeared.”

After he said that, the netizens’ attention was instantly diverted. They thought to themselves that after thousands of comments, it was finally Chen Che’s turn!

[That’s right, there’s also Chen Che, this pauper!]

[Hurry up and let him go up on stage. I’ve been waiting for a day!]

[Yeah, I’m looking forward to seeing what he’s going to do!]

Seeing that his plan had succeeded, Fang Weixun looked at Chen Che gloatingly. “Perform well. Don’t disappoint everyone.”

In his opinion, even if the crystal shoes were fake, it would still cost \$60. Chen Che, who had always been stingy, probably couldn’t even bear to spend \$6, right?

Therefore, with Chen Che to take the last place, what was there to be afraid of?

As long as Chen Che appeared, he would definitely attract the curses away!

At this moment, the host also said, “Looks like everyone has high expectations for the last group. Then, let’s invite Team 7 to appear!”

When Chen Che heard this, he slowly stood up from his seat.

The netizens in front of the screen widened their eyes, afraid that they would miss anything exciting.

The contestants at the scene also stared intently. They also knew that Chen Che had mobilized and gotten a lot of popularity and support during the day and were very curious about what the next gift would be.

Lin Xi was also filled with anticipation and nervousness. Her palms were covered in sweat.

Under everyone's gaze, Chen Che opened his pocket and carefully took out the item. It was actually a handmade doll!

However, the doll's design was unsatisfactory!

It was no exaggeration to say that it was as ugly as it could get!

The head was an eraser, the hair was a colorful rope, the body was a razor, and the arm was a pencil...

All in all, he had forcefully pieced together unrelated things.

After being stunned for a few seconds, the contestants present revealed disdainful expressions. They knew that Chen Che would not be able to take out anything valuable!

Fang Weixun did not care about his image. He pointed at the doll and laughed. "If mine was embarrassing, would you still have the cheek to look at this lousy thing?"

"Chen Che, Chen Che, did you pick up trash to make it? I mean, can you spend \$20 to buy one? You're really too f\*cking funny!"

At this moment, the live-stream exploded.

[What the f\*ck! I've been waiting all day and this is what you're showing me?]

[Previously, you said that it was of extraordinary significance, but in the end, it's just a broken doll?]

[This pauper is as expected. I'm really stupid. What's there to look forward to?]

[That's right, that's right. There's no need to introduce him. Hurry up and make him leave. He's the worst!]

[I thought Fang Weixun was shameless enough. I almost forgot that there was still Chen Che!]

[What is the production team thinking? Why do they have to be the last? It's really disgusting!]

...

Seeing the disdain of the crowd and the scolding on the Internet, Chen Che's expression remained unchanged because he had already expected this.

Furthermore, no one noticed that Lin Xi was not disappointed. She stared fixedly at the doll with tears in her eyes.

Luo Yuelin, who was the first to end, also showed her impatience at this moment. She said coldly, "I think this event can end now. Hurry up and let everyone vote."

"After being affected by him, won't we lose the attention of the viewers?"

"I agree!" Fang Weixun quickly raised his hands in agreement.

Although the host was also very disappointed, due to his status and professionalism, he quickly smiled and said, "Everyone, calm down. Mr. Chen's gift should have a deeper meaning. Let's hear what he has to say."

“Mr. Chen, please explain to everyone!”

Chen Che nodded and said unhurriedly, “The doll doesn’t look good, but it carries my love and Lin Xi’s memories.”

“Although the value of this gift can’t exceed the other groups, it’s priceless for Lin Xi and me!”

“Tsk.”

Upon hearing this, Fang Weixun, Luo Yuelin, and a few others let out disdainful voices.

The live broadcast room was filled with boos. They shouted for Chen Che to come down and quickly put away the ugly doll!
