

## Break Up 33

### Chapter 33

Tacit Challenge

In the evening.

After a day of work, Chen Che and Lin Xi came to the broadcast station building again.

Tonight, the production team organized another event. The theme was a challenge to couples' tacit understanding.

Regarding this topic, the two of them were very confident. After all, the two of them were childhood sweethearts. Not only did they understand each other very well, they had long formed an extremely high tacit understanding.

When they arrived at the tenth floor, only a few couples had arrived. In order to win tonight, they had sharpened their guns at the last minute and were simulating the production team asking each other questions.

Seeing this, Chen Che and Lin Xi looked at each other and smiled. They casually found a corner and sat down.

"Are you tired from work today?" Lin Xi asked.

"I'm not tired. When I think of you, my entire body is filled with strength." Chen Che raised his arm to show off his biceps.

Lin Xi covered her mouth and smiled. "You're such a sweet talker. In a few months, I'll be diabetic."

Without waiting for Chen Che to speak, Lin Xi took out a small item from her bag. It looked like lipstick.

"This is for you."

"What is this?" Chen Che took it curiously.

"Delivery work is exposed to the elements every day. I think your hands are too rough. I asked a friend to buy this hand cream. I heard that it's very effective in moisturising hands."

"Try to use it first. If it's effective, I'll buy it for you later."

Lin Xi had a sweet smile on her face. She knew how to dote on people.

"Aiya, why waste this money? It's okay for a man to have rough hands. Go and return it." As he spoke, Chen Che returned the hand cream to Lin Xi.

Lin Xi frowned and grabbed Chen Che's hand. "It's fine to be rough, but aren't you too rough? In my father's words, you're almost a washboard."

Chen Che flipped his hands up and down. "It can't be that exaggerated, right?"

“Why not? Bring your hand over. I’ll try applying it on you now.” Lin Xi forcefully pulled Chen Che’s hand and gently wiped it.

Seeing how attentive Lin Xi was, Chen Che’s heart warmed. He smiled evilly and said, “You’re right. Your skin is soft and tender. You really can’t withstand my rough hands.”

Glancing at Chen Che, Lin Xi’s face instantly turned red. “What are you talking about? The netizens are all watching.”

Chen Che scratched his head and said innocently, “What’s wrong? I meant touching your face. What are you thinking?”

“Annoying.” Lin Xi bashfully hit Chen Che.

They were already adults. Chen Che clearly didn’t mean that just now. How could she not know?

Chen Che chuckled and did not say anything else.

[F\*ck, I was caught off guard while driving!]

[Chen Che is clearly up to no good. Goddess, you must not let him succeed!]

[You cannot taint the goddess. I won’t allow it!]

[Haha, it’s useless even if you don’t allow it. After such a long time, they’re obviously inseparable!]

[Sigh, the hatred of snatching my wife... Wuwuwu...]

[Speaking of which, others are practicing to win, but they’re still showing off their love here?]

[It means that he’s confident!]

[Sigh, such a poor and stingy person can have such a gentle wife. Why don’t I have one? How infuriating!]

[Why don’t you ask Chen Che for advice? Haha...]

Amidst the heated discussions of the netizens, Chen Che and Lin Xi were still flirting with each other. It was enviable.

In the past month, their love had also gained more true fans. They had edited and released their love scenes on their own, attracting a lot of traffic.

The netizens’ actions also made Chen Che and Lin Xi very grateful.

Lin Xi would often do a lottery on her personal account to express her gratitude.

Half an hour later, the contestants from each group arrived one after another. Just like last time, Luo Yuelin was the last to arrive. She enjoyed stealing the limelight.

After a while, the host also entered and called everyone to their seats with a smile.

In order to make it easier for netizens to watch, the big screen lit up and sent the live-streams of the ten groups of contestants to a channel.

At this moment, the comments were rolling crazily. The netizens cheered for their favorite contestants.

Clearing his throat, the host said, "Welcome to this place again. I'm sure everyone knows the theme today, so I won't introduce it further."

"This theme will be divided into two segments. The first segment will test the tacit understanding between couples."

"Everyone, please look here!"

The camera followed, and the host tore open the first panel beside him.

The title was: "How much do you know about him/her?"

"This is the first segment of today. The production team has already selected three questions based on the votes of the netizens. They will ask everyone questions later!"

"In addition, considering that everyone has worked hard, the production team has prepared a free dinner today. After the first segment, everyone can go to the restaurant to enjoy themselves."

When he heard that it was free, Chen Che was overjoyed. He thought to himself that he did not have to worry about spending a lot of money on dinner this time.

"Lastly, I would like to thank Daxiang Jewelry for their strong support for this event. The event's final reward will also be provided by Daxiang Jewelry. It's a coupon worth 1,000 dollars!"

Chen Che could not help but feel a little disappointed with this reward. He thought to himself, "What's the use of coupons? Isn't it more practical to give cash directly?"

After the opening speech, the host said with a smile, "Alright, let's officially begin this event!"

"In order to avoid cheating, female guests, please go on stage to answer the questions. Male guests, stay in your original positions."

"After the three questions, the three groups with the highest accuracy will enter the next round and compete for the final winner!"

"Do you understand?"

Everyone nodded in agreement.

"Alright, please move to the front of the stage. Staff, please distribute the question board!"

Soon, all the female guests sat at the front. This was the first time the ten of them had gathered together like this.

Because the participants were all beauties, the ten of them were lined up in a row. It was really eye-catching, and their appearances had their own merits.

But in Chen Che's eyes, Lin Xi was the most beautiful!

In reality, Lin Xi's beauty was indeed outstanding. Even among this group of beauties, she was still eye-catching.

[Goddess Lin Xi is the most beautiful. I love you!]

[As expected of a goddess. She's too charming!]

[Poor Chen Che, how is he worthy of her?]

[That's right, that's right. How f\*cking hateful!]

...

At this moment, the live-stream was also in an uproar. Lin Xi's cheers were extremely loud.

At the same time, there was a saying that every time Lin Xi appeared, Chen Che would definitely be scolded!

Seeing that the limelight had been stolen by Lin Xi, the other female guests did not look too good, especially Luo Yuelin. Her face was gloomy, as if someone owed her money.

After a short wait, the host returned to the stage with a question card.

"Alright, let's start answering the questions now. First, let's ask the male guest!"

"First question, what's your girlfriend's favorite fruit?"

"While the male guests are answering, the female guests should also write the correct answer on the question board!"

"Second question, what's your girlfriend's favorite color?"

"Third question, this is tricky. What's the size of the girlfriend's foot?"
