

Break Up 38

Chapter 38

Who Did It?

Looking at the charming woman walking towards him, Chen Che did not have any crooked thoughts. Instead, he subconsciously moved aside.

The reason was very simple. During this period of time, he had seen many women like this. Some of them were specialized in scamming.

Many people were tempted by lust and ended up being scammed badly.

Chen Che wanted to walk around her, but what he was afraid of came true. The woman actually took the initiative to greet him. "Handsome, help me!"

"I'm sorry, I'm in a hurry to go home," Chen Che replied and was about to leave.

"How can a woman like me do anything to you? Please help me. My house is just in front. I really can't walk anymore."

"It's so late. It's not safe for a girl like me. Can you help me?"

With that, the girl slumped to the ground.

Chen Che really did not want to care, but looking at the woman's appearance, he could not bear it.

After thinking about it, Chen Che said, "Why don't you give me your family's number and I'll get them to pick you up?"

"I'm here to work. I'm unfamiliar with this place. How can I have a family?"

"It wasn't easy for me to find a job, but my colleagues bullied me. They forced me to drink a lot tonight and then let me come back alone. Boohoo..."

The woman started to cry as she spoke.

After hearing these words, Chen Che's heart softened. When he first came to Jiangshi City, he also felt very helpless when he encountered difficulties.

Looking around, Chen Che cautiously walked in front of the woman. "Is your house really just in front?"

"It's true. It's in that alleyway." The woman raised her hand and pointed.

Seeing that it was only a hundred meters away, Chen Che hesitated again and again before saying, "Alright, I'll send you back. Don't trick me."

"Look at what you're saying. I'm not a bad person," the woman replied.

Chen Che did not think too much and hurriedly helped the woman up.

A few minutes later, Chen Che finally sent the woman to her destination.

“Alright, hurry up and go upstairs,” Chen Che said.

The woman hurriedly grabbed Chen Che’s hand. “Thank you, handsome. Go upstairs and rest.”

“No need. Goodbye.” Looking at the woman’s charming appearance, Chen Che quickly retracted his hand and quickly left.

When he was far away from the intersection and saw that no danger was coming, Chen Che heaved a sigh of relief.

He thought to himself that he was overthinking. This could be considered helping others.

However, just as he relaxed, the drunk woman had already changed her appearance and looked very sober.

Soon, a man walked out from the side with a camera in his hand.

“Did you get it?” the woman asked.

The man nodded. “We got it. Let’s go.”

An hour later, Chen Che returned to his residence. He first deposited the money into the system, then happily fell asleep.

Little did he know that posts had already exploded on the Internet.

[Chen Che was filmed going on a date in the middle of the night. Letting down the goddess’s deep love!]

[A popular man in love is lonely. He actually met his lover in private?]

[The acting is finally over. He has a wife!]

...

All kinds of posts filled with gimmicks covered the sky and earth. When they were clicked on, they were all scenes of Chen Che helping the woman walk.

As these posts appeared, the Internet exploded.

The comments section of Lin Xi’s personal account and the backstage of the live-stream were even more scathing.

However, Chen Che and Lin Xi were still asleep and did not know what was going on online.

Early in the morning.

Chen Che woke up on time and rushed to the park to pick up the trash. He still did not have time to look at his phone.

At this moment, the incident had been brewing for a few hours. Many anti-fans were leading the way, saying that Chen Che would not come out. This was a tacit agreement.

At 6:30 in the morning, the phone rang and woke Lin Xi up.

“What’s wrong, Jiarui? Why are you calling so early?”

“You still have the mood to ask? Hurry up and go to the live-stream platform to take a look. If you don’t handle this matter well, your image will collapse again!”

Lin Xi instantly sobered up. After hanging up, she hurriedly logged onto the platform.

Looking at the large number of comments, Lin Xi was dumbfounded for a moment. She thought to herself, How did things change overnight?

Soon, she saw the relevant video and finally understood the reason.

She believed that Chen Che would not betray her. This must be another rumor!

Moreover, Chen Che did not call at this time, which meant that Chen Che still did not know!

Not daring to think too much, Lin Xi hurriedly got up and put on her clothes. She didn’t even bother to wash up and rushed out the door.

Not long after, Lin Xi found Chen Che in the park.

Chen Che had just sold the trash and was happy to make money.

“Chen Che!”

Lin Xi called out and quickly ran forward.

Chen Che frowned. He did not expect Lin Xi to come so early. Looking at Lin Xi again, he knew that something had happened!

“What happened?”

“As expected, you still don’t know. Take a look for yourself.” Lin Xi handed the phone to Chen Che.

Looking at the posts one after another, Chen Che’s expression gradually darkened. “Bastard! I’ve been on guard again and again, but I’ve still been tricked!”

“What’s going on?” Lin Xi asked.

Chen Che did not waste any time and quickly recounted what happened last night.

After knowing the whole story, Lin Xi frowned. “Looks like someone did it on purpose.”

“Why would anyone frame me out of nowhere?” Chen Che clenched his fists and cursed the other party’s entire family in his heart.

Soon, Chen Che thought of something and said, “I know. It must be the contestants. Our two consecutive victories have caused jealousy. We’ve also gained a lot of fans in the past two days, so they can’t bear to see us doing well.”

“Let’s go look for the production team now. Didn’t you say that you’re not allowed to play tricks behind their backs?”

Lin Xi sighed. “We don’t even know who did it. What’s the use of going to the production team? What’s more important now is how to prove our innocence.”

“Don’t worry. You can go back first. I’ll go to that intersection and wait. Just find that woman.” With that, Chen Che was about to leave.

“Save it. Since the other party did it on purpose, it’s impossible for you to find her.” Lin Xi smiled bitterly.

Chen Che gritted his teeth in anger. “Then what should I do? It’s useless even if I prove it myself. Are we going to let them spout nonsense?”

Looking at Chen Che, Lin Xi comforted him, “Don’t worry, there must be a way.”

“How about this? If you have to go to work, go to work. I’ll go find Jiarui and see if her media friends can help.”

Chen Che nodded. “Alright, call me if you need me to do anything.”

“Okay, got it.” Lin Xi didn’t say anything else and turned to leave.

After Lin Xi left, Chen Che hammered the bench to vent the anger in his heart.

He thought to himself, I shouldn’t have been so soft-hearted!

At the same time, Luo Yuelin was lying in the villa.

Watching everything online unfold and how Team 7’s stats were sliding down, she revealed a smug smile.

“You’re still too inexperienced to fight me. Let’s see how you’re going to clear yourselves this time.”

...

Because of this, Chen Che found it difficult to focus. He almost got into a car accident during the delivery during the day.

After persevering bitterly, he finally finished his work at one in the afternoon.

There was still no news from Lin Xi, which made Chen Che even more anxious.

Just as Chen Che was about to call Lin Xi to ask, an unknown number suddenly called...
