

## Break Up 46

### Chapter 46 Useless Opportunity?

At nine in the evening, after eating and drinking his fill, he returned to Lin Xi's residence.

At this moment, the car was being driven by a designated driver, and Han Jiarui's face was flushed.

On the other hand, Lin Xi was even more drunk. She was happy tonight, so she had a few more to drink. However, she was not good at drinking and quickly became drunk.

The only sober person was Chen Che. Because he still needed to go to work, he did not dare to drink.

"I'll leave Lin Xi to you. Don't bully her," Han Jiarui instructed.

"Don't worry, be careful too." With that, Chen Che hurriedly carried Lin Xi on his back.

Seeing the car leave, Chen Che carried Lin Xi upstairs.

At this moment, Lin Xi said, "I can walk by myself. Put me down. Don't delay your work."

"How can I be at ease when you're like this? It's fine. There's still time." As he spoke, Chen Che was pushed through the door by Lin Xi.

He was followed closely by the VJ behind.

Seeing this, the netizens couldn't help but think that theoretically speaking, Han Jiarui had helped Chen Che tonight. Then were the two of them going to live together tonight?

Under the anticipation of the netizens, the camera followed Chen Che and quickly entered Lin Xi's house.

This was a standard two-bedroom apartment. Although it was not big, it was very neat. This was also Chen Che's first time here.

After entering the bedroom, Chen Che slowly placed Lin Xi on the bed.

At this moment, as the camera moved, the netizens discovered a very touching scene.

On the bedside table was the doll Chen Che had made last time and sealed with a transparent outer frame. It was enough to show how much Lin Xi cherished this item.

Not only that, but there was a huge photo hanging on the wall beside the bed. It was a photo of Chen Che and Lin Xi.

It was unknown when the photo was taken, but their faces were slightly immature. Moreover, after enlarging and processing, their outlines were a little blurry.

Chen Che had collected all these years' worth of memories. Lin Xi had long treated Chen Che as her partner.

This two-way love was finally realized. How could it not be sweet?

After a moment of silence, the netizens farmed: [So this is love!]

At this moment, Chen Che was also staring at the photo. He was also touched by Lin Xi's deep love.

At this moment, Lin Xi, who was lying on the bed, moved. She looked like she was about to vomit.

Chen Che came back to his senses and hurriedly ran to the bathroom to get a bucket.

After Lin Xi finished vomiting, Chen Che went to make honey water for her and wiped her face with a wet towel. He took care of her meticulously.

After a while, Lin Xi's expression finally improved.

Looking at the time, Chen Che leaned into Lin Xi's ear and said softly, "Darling, rest well and have a good dream. I'm going to work to earn money."

Sensing something, Lin Xi hurriedly grabbed Chen Che's hand. "Don't leave. Stay here with me, okay?"

"Stop fooling around. The live broadcast hasn't ended yet," Chen Che reminded.

"I don't care. I just want you to accompany me," Lin Xi said coquettishly.

At this moment, Lin Xi looked very charming. Coupled with her coquettish tone, she was really captivating.

When the netizens saw that a good show was about to unfold, they instantly erupted.

[Why are you working? Accompany her!]

[How can you miss such a good opportunity?]

[What's done is done!]

However, just as the netizens were discussing, Chen Che did not change his mind. He gently kissed Lin Xi and stood up.

"Good night. I'll see you tomorrow."

With that, Chen Che left with the VJ.

Lin Xi did not react again. With a sweet smile on her face, she had already fallen asleep.

Seeing Chen Che leave just like that, the netizens sighed.

[This Old Scrooge Chen is so stingy. He's useless even if I give him a chance!]

[This is called taking responsibility. It's immoral to take advantage of the situation!]

[That's not true. Old Scrooge Chen is just timid. Lin Xi clearly hinted at him!]

In the past, netizens could not wait for Chen Che to leave quickly and not taint their goddess.

But now, most netizens supported Chen Che staying and looked forward to the two of them living together. They were even more anxious than Chen Che.

However, Chen Che's actions disappointed the netizens again.

However, Chen Che's upright actions attracted another wave of female fans. They admired Chen Che's personality.

...

The next day, at seven in the morning.

Lin Xi woke up from her sleep. Although she was drunk last night, she did not black out.

Recalling some of the details, she couldn't help but blush and mutter, "Did I make a fool of myself in front of the camera?"

Thinking of this, Lin Xi hurriedly got up and packed up, anxious to see Chen Che.

Half an hour later, the two of them met in front of the public toilet.

Seeing that Lin Xi had recovered, Chen Che smiled and said, "You're not allowed to drink so much in the future. Seeing how uncomfortable you were last night, my heart aches."

"Got it." Lin Xi nodded and asked, "I... Did I ask you to stay last night, and in front of the camera?"

"That's right. The entire Internet saw it. Someone even edited and released that video. You can go take a look." Chen Che grinned.

Lin Xi's face instantly turned red. "Aiyo, how embarrassing. Really, how can you let VJ follow you?"

"If he insists on following, what can I do?" Chen Che shrugged.

"Hmph, you clearly did it on purpose." Lin Xi pouted.

"No way," Chen Che denied.

In fact, he did it on purpose. The reason why he did this was because he did not want others to make wild guesses.

Moreover, on the surface, there were supportive voices in the live-stream, but if they really lived together last night, someone would definitely say that he was taking advantage of her.

Therefore, it was better to avoid trouble.

More importantly, before he obtained the system's revenue, he had to prioritize earning money.

Looking at Lin Xi's shy expression, Chen Che suddenly remembered the photo. Then, he smiled and said, "By the way, when was the photo taken on the bedside wall? Why don't I remember?"

"High school, during a sports meet," Lin Xi replied. The next second, her eyes widened. "Oh my god, this was exposed too?"

"That's right. I saw everything." Chen Che smiled.

Lin Xi covered her face with both hands. "Aiyo, this is too embarrassing. Will people think that I've been planning this for a long time?"

Chen Che chuckled. "You're thinking too much. The netizens are very touched by your deep love. As do I."

“Really?” Lin Xi put down her hand in disbelief.

“Of course it’s true.” Chen Che smiled and continued, “Don’t worry, that photo will soon become our wedding photo! At that time, we must take a beautiful photo!”

“Yes.” Lin Xi nodded shyly.

At 8:30 in the morning, Lin Xi arrived at the company.

Seeing that Han Jiarui was making tea in the office, Lin Xi hurriedly walked forward and complained, “It’s all your fault. You insisted that I drink more. I was so embarrassed last night.”

Han Jiarui chuckled. “Who knew that your alcohol tolerance was so bad? Besides, how is this embarrassing?”

“Besides, we’ve also managed to test Chen Che’s character. This kid is quite upright. Looking at how carefully he takes care of you, it’s really enviable.”

Without waiting for Lin Xi to speak, Han Jiarui changed the topic. “Alright, let’s talk about serious matters. The latest batch of clothes has been completed.”

“You can relax now, but I have to go out and work again.”

Lin Xi frowned and did not respond. She looked thoughtful.
