

Break Up 7

Chapter 7

This Is My Girlfriend

Under everyone's gaze, Chen Che answered without hesitation, "No need."

These two words were powerful. Not only did they represent determination, but they also moved Lin Xi's heart.

Upstairs, Lin Xi smiled. "I knew you wouldn't compromise."

In reality, was Chen Che tempted?

The answer was yes, he was tempted!

If \$100,000 was deposited into the system, it would be \$10 billion a year later!

However, although he was moved, how could Chen Che betray love?

Besides, he believed that he could also earn \$100,000.

Not only that, but the man in the suit was clearly up to no good. Even if he agreed, would he really pay?

If he gave up on Lin Xi in front of the entire internet for \$100,000, there was a high chance that he would lose everything!

With Chen Che's decisive rejection, the live-stream was filled with curses. They did not expect that \$100,000 would not move Chen Che.

However, someone quickly came forward to analyze. They felt that Chen Che did not dare to agree in front of the camera, so he rejected it.

Hearing this, everyone agreed unanimously.

If the netizens could think of it, how could the man in the suit not think of it?

After a moment of silence, the man in the suit smiled. "Bro, are you still lying to yourself? Why don't you stop filming now and let's talk somewhere else?"

Chen Che pushed the man in the suit away impatiently. "You call me brother so casually. Do I know you very well?"

"Not to mention a \$100,000, even if it's \$1 million or \$10 million, I still won't agree."

"My relationship with Lin Xi is pure. How can a mediocre person like you understand?"

"You're calling me a clown? Aren't you a clown now that you're trying so hard to sow discord? I don't know how to show off with a few lousy dollars."

As soon as he finished speaking, the man in the suit was speechless. He stood there with a red face.

The onlookers also admired him. In their opinion, whether Chen Che was faking it or not, at least his words were manly enough!

The initial suspicion in the live-stream was also broken. For a moment, there was nothing to say.

Not only that, because of Chen Che's attitude, he attracted another wave of supporters.

After a while, the man in the suit finally came back to his senses. He was furious.

He originally wanted to embarrass Chen Che, but why was he left at a disadvantage?

"Chen Che! You're really shameless. Do you believe your own words?"

"Don't you know how the live-stream is scolding you? Don't you know how others are talking about Lin Xi behind her back?"

"If you're a man, you should back off!"

At this moment, Lin Xi walked out of the building angrily.

"Jiang Zijun, have you had enough!"

Seeing Lin Xi come out, the man in the suit hurriedly welcomed her with a smile. "You're off work. Don't be angry. I'm just telling the truth."

"By the way, by the way, you're free tonight, aren't you? Dinner and a movie?"

Without waiting for Lin Xi to respond, Chen Che walked forward and hugged her. "This is my girlfriend. Please stay away from her!"

"You can laugh at me all you want, but you can't have any ideas about her. If there's a next time, don't blame me for being rude!"

With that, Chen Che left with Lin Xi.

Lin Xi could not help but blush when Chen Che suddenly hugged her in public. Her heart raced and she felt even more secure.

At this moment, the live broadcast room was also in an uproar. Many female netizens praised Chen Che for his boyfriend skills!

After being at a disadvantage one after another, the man in the suit was furious. He shouted without caring about his image, "Lin Xi! This pauper won't give you happiness! Why do you have to suffer?!"

"Moreover, I can guarantee that you will definitely regret it! What he can give you will only embarrass you continuously!"

Upon hearing this, Lin Xi stopped in her tracks. She turned around and said firmly, "I won't regret it. We will always be happy!"

"I also believe that Chen Che's poverty is only temporary. He will prove it to you sooner or later! As for your so-called embarrassment, I don't care at all!"

"Chen Che, let's go!"

Lin Xi did not dawdle any longer and left with Chen Che.

Chen Che's heart was extremely warm. What reason did he have to not love such a woman? What reason did he have to abandon her?

A year later, if he didn't give this woman endless happiness, he would be sorry for what he said today!

Chen Che and Lin Xi were protecting each other. This wave of fodder made the netizens in the live-stream cry with envy.

The male netizen crazily typed: [Where can I find such a girlfriend? Please give me one!]

The female netizen sent a tearful emoji and commented: [It's over. I believe in love again!]

Seeing the two of them leave, the man in the suit did not stay any longer and rushed out of the crowd angrily.

The sun was setting.

The busy work day came to an end, and the wonderful nightlife began.

The Wan family's house was brightly lit, and the restaurants were bustling with activity. After the meal, the army on foot and the square dance also stepped onto the stage. It was lively.

Chen Che and Lin Xi held hands and did not speak. They cherished this happy time and their faces were filled with happy smiles.

Just like that, the two of them unknowingly arrived at the park.

The 100,000 people in the live-stream were also accompanying him. They were unwilling to leave because they were waiting for the main event.

"Are you tired? Why don't you take a break there?" Chen Che pointed to a bench not far away.

"Alright." Lin Xi nodded.

Sitting on the bench, Lin Xi smiled and said, "This scene always appears in my dreams. I didn't expect it to become real."

"In that case, you've been planning this for a long time," Chen Che teased.

Lin Xi snorted. "Aren't you the same? You're even praying for the God of Love and Marriage's protection. Aren't you childish?"

"As long as I succeed, it won't be childish." Chen Che laughed and continued, "Speaking of which, eating instant noodles and picking up clothes, am I embarrassing you by being so poor?"

"No, don't mind what Jiang Zijun said. If I disliked you, I wouldn't be with you."

"Besides, the noodles you cooked this morning are really delicious. It's the best noodles I've ever eaten in my life."

"As for picking up clothes, I don't think there's anything wrong with what you said. You don't steal or rob. You use resources. That's very good."

"There's a saying that only through hardship can one rise above others. You'll definitely be rich."

After hearing this, Chen Che's heart warmed again. Lin Xi's understanding really touched him.

If Chen Che was like this, there was no need to mention the live broadcast room. The screen was filled with envious expressions.

Seeing that Chen Che did not speak, Lin Xi changed the topic. "By the way, Chen Che, why do I feel that you've changed? I had this feeling this morning."

"What changed?" Chen Che asked instead of answering.

Lin Xi frowned. "I can't explain it clearly. Perhaps you became more cheerful?"

Of course, Chen Che could not expose the fact that he had transmigrated. He grinned and said, "A lover will eventually be together. Of course I'm cheerful. Moreover, you've changed."

"Me? What have I become?" Lin Xi was puzzled.

"You're becoming more and more beautiful. I like you more and more." Chen Che chuckled.

"I hate you. You're so glib-tongued." Lin Xi's face instantly turned red at the sudden corny words of love. Although she said that she hated him, she was already overjoyed.

The live broadcast room was immediately in an uproar. In the eyes of the male compatriots, Chen Che had started to curry favor, indicating that he was about to start the final cohabitation plan!
