

Chapter 156 Ryan Descended From The Sky

Elena was shocked after hearing his words. After a while, she shook her head and took a step back.

“Even if I don’t marry Ryan, with your Monor Family’s has high standards, how could you take a fancy to me? You have your Amara, so please don’t come and mess with my life. What I do has nothing to do with you.”

Elena did not expect Roman to say such words. Fortunately, there was no one else. If Ryan knew about it, the relationship between the brothers would become even more tense.

“Ryan is just a cripple. What can you do by following him? You will be a widow for rest of your life. You might as well divorce him and marry me.”

Roman said bluntly. He did not care that Mrs. Baker was still there.

“Shut your mouth. Ryan is my husband. I will not allow anyone to insult him. I think you are drunk. I will treat nothing happened just now. So leave immediately. You are not welcome here.”

Elena only wanted to chase him out. No matter what his purpose was, she could not let him continue to go crazy here.

Hearing her words, Roman was so angry that, he laughed. Instead of going out, he took a step forward and came in front of Elena.

“Ryan, that piece of trash, has nothing in his hands. He has no power and nobody is supporting him. So why are you so possessive towards him? What does he have that I don’t have? At least I have a pair of legs that can walk properly while holding your hand, but that bastard doesn’t even have this.”

“I told you to shut up. You don’t have the right to judge my husband. Get lost! Get lost immediately!”

Veins propped out of Elena’s forehead. She was so angry that she trembled. She really wanted to slap his man to death.

Mrs. Baker was Ryan’s man. If she knew, then Ryan would know in no time. She had to chase Roman out immediately. Elena did not want Ryan to misunderstand.

Hearing Roman’s words, Mrs. Baker was so shocked that her mouth was wide open. She couldn’t believe Roman to lower himself to this level. He had already snatched everything single thing from Ryan.

Now that after so many years Ryan finally found his happiness in Elena, he even wanted to snatch her from Ryan?

Roman looked at the woman who was burning with anger blankly. He had never thought that he would suddenly fall in love with this woman. In the past, he had thought that she was a little ambitious. She was just a woman that the Lewis family didn’t want.

Now it seemed like this woman was much stronger than Amara. He began to doubt his choice.

“Big Brother, it’s so late. Are you here to care about my wife?”

At this time a voice suddenly came from the door, following that a man in the wheelchair pushed the door open.

When Ryan saw at the scene in front of him, he went straight to Elena’s side.

Elena, who was burning with anger a moment ago, suddenly lit up when she saw him. She did not expect Ryan to come. She smiled happily, “Why are you back?”

Ryan smiled faintly and held her hand. “I came back after I finished dealing with the matters over there. I went home but none of you were at home. So you guys must be at the company. That’s why I came over. But I didn’t expect to see such a scene.”

“Why didn’t you say so in advance? I could have prepared some food for you.” Seeing Ryan running around, Elena felt her heart ache.

Ryan smiled, “If I told you earlier that I am coming back, would you be surprised? I wanted to surprise you.”

Both of them hadn’t seen other for many days, so when they met again, they began to talk happily. But they totally ignored the man who was looking at them angrily in the front.

Looking at the two of them showing off their affection, Roman could not stand it anymore.

“Ryan, you are finally back. There are so many problems in the financial report. Don’t you want to say something? Leaving Elena here to wipe your butt is really good.”

“I believe that Big Brother is very clear about where the money went, so no matter how hard we investigate, we will not be able to find it. Elena doesn’t need to continue investigating. I will make a financial report for you myself.”

After saying that, Ryan pulled Elena’s hand. “How many times I told you not to work overtime. You’re exhausted. Let’s go home.”

The two of them did not care about Roman still standing there and walked out while holding hands.

Roman looked at the smile on Elena’s face that he had never seen before. Then he angrily threw everything on the table. “Ryan, wait for me. I will make you look good.”

Ryan and Elena got into the car. After sitting properly, Elena looked at him and said carefully, “Actually, I…”

“You don’t need to explain. I heard what you said, when I came to find you. I originally thought that Amara could satisfy all of his needs. But I didn’t expect that she would still target you.”

Ryan had already noticed it a long time ago. It was just that this woman was stupid and couldn’t feel it.

“I also didn’t expect it to be like this. I thought it would be easier to read the information in the company. If I had known earlier, I wouldn’t have worked overtime in the company.” Elena felt very guilty. She was afraid that Ryan would think too much.

“Alright. Alright. I believe you. If the two of us don’t trust each other, how could it last?” He knew very well what kind of person Elena was, so he did not think in that direction at all. This girl was just too careful.

“Just now, when you told Roman that you had prepared these financial statements, they would alert. They must have taken precautions now.”

Elena was a little worried. They had a big fight just now. Those shareholders would not stand on Ryan’s side.

“Don’t worry. Everything is under my control.”

Elena looked at Ryan who was not worried at all. She did not know what kind of puzzle he was playing.

After returning the home, just as they stepped into their room, Ryan pulled Elena into his arms and buried his head in her neck.

He was there when Roman barged into the office and heard their conversation from the beginning.

No man in the world would like if someone was coveting his woman. If he didn’t sit in the wheelchair at that moment, he would definitely had beat Roman to death.

“Are you angry?” Although Ryan said that they should trust each other, Elena was still worried in her heart. After all it was not a small matter that could be avoided by some sentences. She herself could not believe that Roman had this type of feelings for her.

If the Lewis Family knew about this… She was afraid even her dead body could not be found by anybody.

“Ryan, actually I…” The rest of Elena’s words were stopped by Ryan’s kiss.

He kissed her forcefully, not leaving a chance to retrieve and his hands moved around her body.

After all it was more than two weeks since they last saw each other. Now his beautiful wife was finally in his arms, did he want to restrain anymore?

“I haven’t taken a shower…” Elena’s face was flushed red, as she gave him a shy look.

Ryan laughed. “I haven’t taken either. Let’s take a shower together.”

After saying that, he started his wheelchair, as he carried her into the bathroom.
