Chapter 254 I Also Want To Taste I

Ryan didn't give her any chance to reject as he tore open her nightgown and directly went into her.

He missed her!

He missed her so much!

She was pregnant before. Although they still had sex during that time, Ryan didn't dare to work hard, as he was afraid of hurting the babies. After that, all the things happened one after another and it became impossible for them to be intimate.

He was also a normal man with normal sexual desires. He had been restraining for too long. But now, when the beauty was right beside him, he didn't want to restrain himself more.

Before meeting Elena, he didn't believe in this love making concept and sexual desires. But everything changed after marrying her. He found himself becoming more and more greedy for her love and body.

And now that he finally got the chance, he wouldn't let her off so easily.

In the silent night, two people's rapid breaths could be heard from the bathroom.

Elena's hands were tightly clenched against the wall. Her whole body was covered with tense sweat and her eyes were misty with a layer of fog in it as she faced the sever attacks of the man.

It was useless to punch him and he didn't dare to cry out loud afraid of waking up the babies.

So the only thing she could do was to let him do whatever he wanted...

Their fight lasted for a long time.

No matter how much she begged for mercy, Ryan didn't let her go. She seemed to be no match for Ryan in this field.

In the end, Elena couldn't help but leaned in his arms and closed her eyes feeling exhausted.

Finally after being satisfied, Ryan held her and took a shower with her.

"What do you think?" Elena glared at him.

While applying shower gel on her, he saw that she was silent and asked with a smile, "Are you tired?"

,

This shameless man! He even dared to ask her if she was tired? Couldn't he tell if she was tired or not looking at her face?

Elena couldn't help but punch his chest after that. Ryan held her fist and slightly kissed her hand. "Seems like you want more..."

As he spoke, he again moved his hands towards her legs.

Elena immediately slapped away his shameless hands and buried her head in his chest. "I am tired."

Ryan laughed out loud looking at her expression. He was really happy today. Elena had not seen him like this for a long time.

Elena tilted her head and looked at the man's happy expression. She couldn't help but tiptoed and kissed his face, "I wish you

Ryan was surprised by the sudden kiss. Then he raised his brows and became super shameless again. "Then warm my bed every

Ryan was speechless, "This child has no conscience." He had coaxed him for so long but it did not work, but this little fellow stopped crying after Elena hugged him for a while.

"The child is hungry." Looking at Ryan aggrieved face, Elena smiled. She then sat on the sofa and lifted her clothes to feed the baby.

Elena's face turned red when she noticed where he was looking. She could not help but ask, "What are you doing?"

Ryan saw this and quickly followed Elena to sit on the sofa. His eyes fell on the child's breast milk.

"The milk smells sweet."

However, Ryan didn't care about her expression as he kept staring at her breast. He then turned to Elena, "Look how he is

This shameless man! He was even eyeing on the child's food?

"Ryan." Elena looked embarrassed. Why did this man have to say something like this?

"Do you know what you are saying right now?" Elena was totally speechless by his words.

It's not like I haven't touched that before. I have touched them, felt them and even kissed them hundreds of times."

After that he leaned near to Elena's ears and whispered, "Did you forget what things I have done to you, both before and last night. My marks are still there..."

Ryan lifted his eyes from her breast and looked at her face. Looking at her angry eyes, he narrowed his eyes and snorted, "What?

As he spoke, he licked her neck passionately.

As soon as she felt the warmth, Elena trembled. She was so embarrassed that even her neck turned red. How can he talk so

shamelessly? She pursed her lips tightly and glared at him.

Ryan laughed out loud. He knew if he teased her anymore, she would definitely blow up. It had been a long time since they had

Ryan kissed Elena on the forehead and left.

"Okay." Elena answered.

When he arrived downstairs, Ryan instructed the servants to prepare some healthy and nutritious food and send them to Elena's

room. It was already hard for a woman to take care of a child, not to mention that Elena had to take care of two.
