

Bully Love 140

Chapter 140

Surprises All Around

JUDE POV

I'm such an asshole sometimes, I think to myself as I watch Beth clean my cock off after fucking our pet. I've never made her do something like this, and to tell you the truth, I thought she would safe word for sure. I am just so irritated by her attitude lately and I'm not sure what to do about it. I love the shit out of this woman, we are good together, at least we were until now. She's never been one to be jealous of another woman that I scene with or fuck for that matter, so why is she starting to let the little green monster show up now?

I pull her off my cock and place her in my lap, "What's going on, Beth? What's with the attitude lately?"

"I don't know what you're talking about, Master."

"Don't lie to me, Beth. I haven't had to punish you in a long time, and suddenly, I'm about to do it twice in one night." I grab her chin when she goes to look away, "Tell me what's going through that head of yours."

She hesitates for a moment, "Will you leave me for Precious?"

Her question confuses me, "Why would you think that? love you and Precious belongs to Master Jace."

"I know, but the way you look at her and the hunger I see in your eyes when you want to fuck her, but can't," she sinks her teeth into her bottom lip briefly, "It just seems like you

have more feelings for her than just friends, Master."

I close my eyes. I didn't think I was showing any of that; I thought I've been hiding it well. I should have known that Beth would notice it, that's how entwined we are to each other. I've never lied to Beth, so what I say next sends a stabbing pain through my heart.

"I just think she would be a good fuck, because she looks so innocent. I want to know what all the hype is, that's all, baby. I love only you."

I know I need to keep my feelings for Ella to myself, because she belongs to Jace, and I won't do him dirty like that. Fuck yeah, I'll play with his girl if he allows it, but that's all it will ever be. I don't deserve a girl like Ella anyway; my past is too dark, and my future doesn't look much better. Beth and I are made from the same kind of cloth; we've both had shitty upbringings with shitty parents and didn't realize we were even looking for love until we found each other. The only difference between us is that she was still a good girl when I had met her.

We were both at a friend's birthday party, and I couldn't take my eyes off her. My friend told me to stay away from her because she was a prude, but that only made me want her more. I took my friend's warning as a dare and walked up to her. We talked for most of the night, and wouldn't you know, I was the lucky son of a bitch who got her V-card. It was like her pussy was a magical pussy, and I couldn't get enough of it. It wasn't long after that I brought her into my world of fucked up, A.K.A, the lifestyle, and

wouldn't you know, she was a pro at it. Most of the innocent types are. Take Ella for example. It didn't take her long at all to adjust, but she has the innocent look that goes along with it, hence why so many Dominants

"Nothing special, just a little treat that Precious offered me. Although, she did come without permission, so I had to forgo the pain I had planned on giving her aching body. Now, I'm having my fun."

"Nice," I fist bump him on my way to the other side so I can greet Ella, "Do you mind?"

"I think we have passed the point of you having to ask." He chuckles.

"Sorry baby, but I'm all the way in now. I will take it slow just like last time until the greedy cunt is ready to take it good." Jace's voice is soothing, trying to comfort his girl.

She blinks her eyes a few times and then they focus on me before closing once again, "Hey, look at me Precious," | wait until our eyes meet, "Keep those pretty blues on me, okay? If it gets to be too much, don't be afraid to say your safe word."

She nods and smiles, "Okay."

My cock is hardening by the minute, and it doesn't matter that I'm trying my hardest to put all my attention on helping to comfort Precious; the look on her face isn't making it easy. The little whimpers coming from her mouth that is now in a big o shape as Jace starts taking her harder breaks my resolve and I'm now sporting a full-on boner, but I still don't act on it.

"That's it pretty girl, you're taking it really well, just like a good girl should." I praise her over and over.

I reach below and play with her nipples just to give her something else to think about while Jace's thrusts become harder. She makes for a beautiful sight like this, and I am really wishing that my Beth wash here. I'm going to be taking a cold shower here quick like if Jace doesn't finish soon.

"Oh God...I'm so full! Please....oh...oh...oh!"

I stand up prepared to head out of the room so I can find that cold shower, but Jace stops me, “Why don’t you do me a solid and plug that mouth of hers up for me. I don’t need the neighbors hearing my girl when she comes.”

I grin and glance down at Ella. As much as I would love to shove my cock in that pretty little mouth, I won’t do it if she doesn’t want me to, “Is that what you want, Precious? Do you want me to plug the last hole up with my cock?”

I notice her look at my crotch and lick her lips, “Yes, Mas ter Jude, please!” Nobody has got to tell me twice and as much as her face lights up at the thought of getting my cock, who am I to deny her?
