

Bully Love 144

Chapter 144

Man To Man

JUDE POV

I should give them their privacy. They haven't really had any since I've arrived and have included me in everything. Lil' D insisted that I stay with them instead of getting a hotel, which I'm grateful for. So, yeah, I should maybe go for a jog or something, but then my friend requests my help with his little sub, and you know damn well that I can't pass that up.

When he bends her over the couch, my cock stirs as I hold her down, keeping her from moving. This kind of shit gets my dick hard every fucking time. She's loving every minute of it herself if the little smile that she has on her face tells me any thing. Even without me sticking my dick in her, I'm enjoying watching my friend take her from behind as I hold her down

for him.

When he spits on her to help lube her up, I almost cream my pants. I never knew I would like this sort of thing until I met innocent Ella, now, I think it's my favorite role play; holding her down while her Dom fucks her hard.

"Oh God, Sir...please!" she pleads from below.

"Please what?"

"Please let me come."

I grin at my friend's next words, "You're such a greedy slut. You just came for the delivery guy and now you want to come again? Tell you what, how about you let that cunt of

yours ride my cock in reverse and give Master Jude the same blow job you gave me in the school parking lot."

"Oh yes, Master!"

I don't really hear much of anything else as surprise takes hold. I mean, he's let her suck my cock before as he's fucked her, but he seems to be doing it more and more. When I finally come back to my senses it's to him telling her to lower herself down, and so I jump in with my offer to help. I want to see what it's like to impale Precious on a cock, because I find it fucking hot as fuck!

"Actually, can I do the honors?"

My friend shrugs, "Why not..."

Grabbing Ella at the back of her thighs and lifting her as she faces me, she holds onto my bulging biceps as I place her over Lil' D's cock. Not being able to see anything below, I glance at him, "We good, bro?"

"Oh yeah, push her all the way down."

I do just that as he lines himself up to her hole. It feels a little weird but I'm loving her little gasps as I push her all the way down, "There we go, sweet girl, Master Jude's got you. Now fuck that cock as though it's your very last fuck."

I love the little nickname I've chosen for her. Beth would never allow me to give her another name, so that's why she doesn't have one. I shouldn't even give Ella one because she isn't mine, but it's just so hard not to, especially when she is so sweet; it's befitting.

as she places her hands on his knees, squeezing her tits together in the process, but she's still wearing her shirt, so I can't enjoy them as much. As if he can read my mind, Lil' D pulls off her shirt, giving

I grab hold of his shoulder, "Hey, listen to me Lil' D," I wait until he looks me straight in the eyes, "There is nothing fucked up about you thinking that. Not in the lifestyle we are in, and hell, even those not in this lifestyle still share their women. If anything, I am truly honored that you trust me enough to be with you and your girl."

"You are?"

Inod, "Yes. I've never had a friend like you Jace, and I'm glad that you view me as you do, but how does Ella feel about it? I know she's made comments about not wanting another cock in her...only yours."

My friend grins a bit deviously if you ask me, "Oh, I know she would love to try your cock out for size."

I throw my head back and laugh at how he words it, "Oh, would she now? And why would you say that?"

"Because Ella and I tell each other everything. Even though she would love to see what kind of lover you are, she will not go there unless she has my permission."

"Lil' D..."

He holds his hand up, cutting me off, "I'm not saying that I'm for sure there yet, but I'm thinking maybe in the near future, possibly."

"I respect your decision no matter what you decide, but just know, that as much as I would love to fuck your girl, I think I need to straighten out my own relationship first. It's one thing to let her suck my cock, but after what Beth had brought up the last time we talked, I don't want to take it that far without Beth being okay with it."

Lil' D gives me his shit-eating grin, "So, what you're saying is that I shouldn't tempt you with it beforehand?"

"Yes, if you are truly my friend then you will not be evil like that."

"Okay, okay," he eyes me, "Is it the same for anal sex? You're refraining from fucking my girl in her tight little ass as well?"

"ARGH! You're killing me Lil D!" | growl and moan at the same time.

Holding up his hands, he laughs, "Okay, my bad! No fucking Ella's pussy or ass until further notice...got it!"

"I never said anything about not shoving my cock right up your ass...and it's going to happen if you continue to tease me!"

The kid flinches and covers his jean-clad ass, "Okay, shutting up now!"

| slap him on the back, chuckling, "I'm glad we could have this man-to-man talk. Now, let's go plug your girl's ass up and

cage her, so we can talk a little business, how's that sound?"

Smirking at me, he nods, "Sounds fucking perfect."
