Chapter 361 Melissa Truly Has a Strong Taste

Monica's voice was choked with tears, and her eyes were so teary that they were bloodshot. At this moment, she looked highly helter-skelter.

When Veronica first met her, she was still an intellectual and graceful, beautiful woman. However, she did not expect Monica to end up in such a miserable state after not seeing her for half a month.

Indeed, Melissa had certain special hobbies; she liked these videos and even enjoyed collecting them.

However, the security on her phone was nigh unbreakable; that was why she was so bold as to download them to her phone for future perusal. She even made sure to lock the photos and videos in her phone's gallery with a password. That way, outsiders had no chance to view them at all.

Therefore, she didn't expect that her videos would be leaked after clicking the link sent by Veronica.

As Veronica listened to the howl from the other end of the phone, the corner of her rosy lips curled into vindictive satisfaction, and the illusion of the sword of Damocles she felt brushing against her nape dissipated.

Tiffany took a shower in the bathroom and walked out wrapped in a bathrobe after a long while.

Hendrey smoked a cigarette as he stood in front of the French window when she came out of the shower. Tiffany glanced at the brand new set of clothes on the bed.

Her eyes flashed slightly, and she said softly, "Hendrey, you mustn't look, okay?" The man couldn't help his instinctive reaction to turn around when he heard her voice and saw Tiffany wearing a bathrobe. She was barefaced, and her long hair was down to her shoulders, revealing her white swan-like neck and

delicate and alluring collarbones. Coupled with her erect nipples due to the chill, she was a true beauty desired by all.

In other words, at least three people with a height of nearly 5'11" are visiting Master Crayson. But it's the 23rd of December in the Gregorian calendar, which is the day before Christmas Eve. Who will come here?

The most significant part is that the shoe prints look new, and Master Crayson isn't here either. Where could he go? Therefore, she got up and followed those shoe prints all the way back. She found herself at the other end of the back mountain as she walked.

Just when Veronica was puzzled and looked around, she abruptly discovered several people standing together in the woods behind the mountain.

Startled, Veronica immediately squatted down and looked at them from a distance.

When Veronica saw the people who showed up at the front door, she was stunned. Shouldn’t he already be abroad? “Why are you here?” She simply asked coldly, and there was not much of a happy look on her face.

“Hey, Veronica. Merry Christmas!” Like always, the talkative Skyler warmly greeted her. When Caleb saw Veronica, he just greeted her by nodding slightly.

As for Miguel, he kept his composure. “Merry Christmas. Sorry for the abrupt intrusion as we come here without notice.”

Matthew stared at her with mixed emotions as he stood before Veronica bearing gifts. After a while, only then did he speak, “I’m here to see Mr. and Mrs. Murphy.”

Chapter 367 Matthew and Company Visiting for Christmas

Then, Veronica sent presents to all the employees. In an hour, she spent 50,000 on the presents.
Although Veronica was reluctant to spend 50,000 on presents, she wanted this Christmas to be merry.

"Wake up, you lazy lump!" Daniella tried to wake Veronica multiple times in the morning. In the end,
Daniella took a feather duster, pointed at Veronica, and growled, "Wake up now! It's Christmas. Wake
up to have the quiche!"

There were different customs in different places. In Bloomstead, it was customary to have dinner on
Christmas Eve and eat quiche for Christmas.

When Veronica saw Daniella was getting angry, she jumped up from the bed and said, "Mom, don't be
angry. I'm awake!"

If Mom maintains her usual attitude, it means Matthew and his company aren't here. If they are here,
she won't be angry. Instead, she will sit on the bed with me and nag.

After Veronica got dressed, she reached out to Daniella. "Merry Christmas, Mom! Any presents for me? I
want a present."

Veronica happily smiled, much like a child. She could buy herself anything. However, she was just a child
before her parents. They would be happy instead if she asked them for a Christmas present.

With an icy expression, Daniella used the feather duster to softly smack Veronica's head. "You don't do
anything special for me but still dare to ask me for a present?"

Although Daniella nagged, she lifted her apron. She then took out a small present she had prepared and
handed it to Veronica. Smiling, she muttered, "Here, take it. The only thing you keep thinking about
every year is presents."

"Yay! Long live your majesty!" Veronica chuckled brightly.

Seeing Veronica smiling happily, Daniella was happy too.

As they laughed, Daniella suddenly thought of what happened last night. So, she sat on the bed and asked worriedly, "Roni, did you drive Matthew and the rest away yesterday?"

"I think so."

Behind Skyler, Caleb looked at Miguel as they smiled helplessly. Then, they walked up and greeted, “Mr. Crayson, Mr. and Mrs. Murphy, Merry Christmas.” They said simultaneously.

“Yes, Merry Christmas!” Tony was hospitable, and he quickly put them in their seats. “Come on, have a seat. We haven’t had breakfast yet. Let’s eat together.”

Every Christmas, the family would bake a lot of quiche, so there was no need to worry about not having enough of them.

When Daniella heard Tony say that, she could only comply. “Let’s have a seat. There’s still quiche in the kitchen.”

“Come on, take a seat. It’s more lively this way.”

Crayson urged the visitors to take a seat too.

Veronica glanced at Matthew. She saw he kept talking to Crayson and Tony, completely ignoring her.

Matthew’s easy-going appearance was completely different from his usual noble self. He looked friendlier this way.

“Then, we won’t hold back.” Skyler laughed. He then moved a chair and sat down without a second thought.

Caleb nodded at Veronica. “Merry Christmas.”

“Merry Christmas.” Miguel bowed at her.

No one could be rude to someone polite.

So, Veronica didn’t embarrass them. She just nodded and smiled. “Merry Christmas. Please have a seat. I’ll bake more quiche for you.”

“Okay. Roni—Veronica, Mrs. Murphy’s quiche is delicious. It tastes like the ones from my childhood. Can you ask her to make more?”

Skyler was outgoing. However, he could only call her Roni in private and not in public.

As soon as Skyler finished speaking, Matthew, who was sitting next to him, silently raised his foot and stepped on Skyler’s foot to make him restrain himself.

Chapter 369 Lovey-Dovey

Although Veronica saw the woman once, she could clearly remember her face. “I don’t know what you are talking about.” Veronica glanced elsewhere and avoided Matthew’s question.

“She is Olivia Reyes, a friend of Skyler and I,” Matthew stood before Veronica and explained. Am I really explaining things?

It’s been years since I patiently explained my actions to someone. “You are angry because you care about me, right?”

Matthew realized Veronica was in a bad mood. Before he returned to Destor, he had received Skyler’s call.

On the phone, Skyler explained to Matthew about the situation in the hospital that day.

Matthew immediately realized that was the reason Veronica rejected his calls.

“I’m not.” Veronica frowned. “Don’t think highly of yourself.”

However, Matthew couldn’t help laughing. “Your expression says it all.”

“That’s ridiculous.”

Veronica took the poker and swept some firewood in Matthew’s direction. She coldly snorted. “I just don’t think we are compatible. That’s all.”

Matthew looked at the hay leaves on the black leather shoes and revealed a small smile. “We will talk about that after three months. I’ll repeat myself—Olivia and I are just friends, and will always be friends.”

Although Matthew was unhappy because Veronica had ignored him for days, he understood that she was jealous.

As such, his mood instantly improved.

It’s worth putting down the big project in Castron and making a trip back.

Veronica lowered her head. She held a poker in her hand and poked at the dry grass on the ground, not saying anything.
