

Chapter 4

I'm not sure if what I feel right now is normal. My heart is beating so fast that I think it's going to explode.

"Friend are you okay?"

I looked at Yelle and just nodded. I can't utter a word because of what I am feeling now.

We went out of the car. I saw my parent waiting for me.

"You're so beautiful my child." My mom said with admiration.

Her eyes look teary. She touched my face and hug me. I suddenly feel warmth in my heart. This is the first time that my mom did this.

I hug her back.

After that, my dad also gave me a warm hug.

"My princess will now be a queen. Are you ready my princess?" my dad said so ly.

I find it so weird. My parents never did this thing to me. They act as if they care and love me.

My wedding finally started.

When the door of the church open for me to walk, I saw my parents waiting for me in the side.

When I reach them, my dad offers his hand to me. I accept it and started to walk with my parents.

(Music)

Come and lay here beside me
I'll tell you how I feel

As I walk to the altar, my heart starts to race again.

(Music)

There's a secret inside me
I'm ready to reveal
To have you close, embrace your heart
With my love over and over
These are things that I promise
My promise to you

Almost all the people in the church are looking at us.

They all look happy as they watch me walking.

(Music)

For all of my life
You are the one,
I will love you faithfully forever

As I'm coming close to the altar, I finally saw my other half.

(Music)

All of my life
you are the one
I'll give to you my greatest love
For all of my life.

He looked so handsome in his suit.

Beside him is Brent, his best man.

He is smiling at me.

(Music)

Let me lay down beside you
There's something you should know

I smile at him too.

(Music)

I pray that you decide to
Open your heart and let me show
Enchanted worlds of fairy tales
A wonderland of love

I don't know what happens to me, the moment that I saw him waiting for me at the altar, I feel like the people in this church disappear. It's as if we are the only people in this place.

(Music)

These are things that I promise
My promise to you

When we reach him, my heart beats crazily again.

(Music)

For all of my life

My mom and dad kiss me. My dad slowly gave my hand to Maru.

(Music)

You are the one,
I will love you faithfully forever

Maru so ly holds my hand.

"Take care of my princess. Treat her as your Queen." My dad told him.

I found myself smiling while hearing my dad said that to him.

(Music)

All of my life
you are the one
I'll give to you my greatest love
For all of my life

"I will Uncle." He said to dad while looking at me.

(Music)

You are the one,
I will love you faithfully forever

"Ready my Queen?" I smile and nodded.

(Music)

For all of my life
you are the one
I'll give to you my greatest love
For all of my life.
