## Chapter 15

At about 1.00PM in the afternoon, Jean came back with a sullen face. Tyler was playing a game, and upon seeing his mother, he asked casually, "Mom, who made you angry this time?" Jean threw her bag on the sofa and sat down angrily. "It's all that damn Sonia's fault!" "Who?" Tyler quickly put down the game console and came over. "Mom, did you go to see her?" "Why would I meet her on purpose? I met her at the luxury brand square a while back. She and her two lovers ganged up and bullied me. I don't know what they did, but when I went shopping with my friends today, the security didn't let me in and said that I had been blacklisted!" Jean almost broke her teeth in anger as she continued angrily, "There were five to six other ladies in total, and they let everyone else in except for me! How preposterous! You didn't get to see the way the others looked at me, as if I was some inferior person. Gah! I hate that b\*tch, Sonia, so much!" Perhaps because her voice was too loud, Toby and Tina came down together. "What's wrong?" Toby fastened the buttons on his wrists; he looked very dapper in his blue-gray shirt. Tina was also well dressed. She was in a pure white skirt, making her look gentle as a lily. Jean briefly told him the matter again. Toby frowned slightly. "I've already divorced her, so you shouldn't provoke her for no reason." Sonia was not as simple as people thought. He knew the character of his mother very well, and he only reminded her so she would stay away from trouble in the future. Hearing this, Jean became more upset and curled her lips. "She was the one who provoked me first, okay?" She paused. Seeing the two of them about to head out, she quickly looked at Tina and asked with a smile, "Tina, where are you going?" Tina smiled slightly. "I heard that Old Mrs. Fuller got sick, so I wanted to go and pay her a visit." Jean rolled her eyes. "So what if she's sick? Why even visit her? I mean—" "Mom." Toby interrupted her with a deep gaze, obviously displeased. "She is my grandmother." Jean knew that her son didn't like her saying bad things about Rose, so she didn't dare to continue speaking and laughed dismissively instead. "Then the both of you should come back soon. I'll get the servant to make Tina's favorite soup to revitalize her body." Tina thanked her and went out with Toby. After all, Sonia was the only person who had taken care of Rose, and she had developed a strong relationship with her throughout the years. Although Tina had her grandson's heart, it couldn't match Sonia's position in her heart. Evidently, Toby saw the old lady's estrangement from Tina when they arrived. He knew the reason, but he still brought Tina over. It was nothing more than to let Tina get acquainted with the old lady. After all, Tina was his future wife. "Grandma, here are some nutritional supplements I specially prepared for you. Please accept it." Tina behaved like a well-knowing lady, as if her every move was designed to be perfect. The old lady was lying on her side on the chaise longue, her expression unreadable. "It's too early to call me 'grandma', and you shall only call me that after you get married. Also, I'm old and weak, so I don't dare to drink just anything gifted by others. You should take it back." Tina was a little embarrassed, and she was biting her lip while looking at the man beside her, as if crying for help. Seeing that, Toby helped her out. "Grandma, this is Tina's kind gesture." After all, Rose was someone who had been through a lot in life. She took one glance at Tina, and she immediately knew what she was thinking.

“Well, she is indeed thoughtful—to the point she forced my granddaughter-in-law out.”

Tina could no longer maintain the smile on her face; she lowered her head and wept.

Toby frowned slightly and expressed dissatisfaction with Rose’s behavior. “Grandma, Tina is just being thoughtful, and she’s always been concerned about your health. Besides,

she is the woman I love. Even if you are angry with me, just take it out on me.”

The expression on Rose’s face was faint as she did not reply.

Seeing that, Toby took Tina’s hand, stood up, and said to Rose, “It’s getting late. Rest well, Grandma. We don’t want to take up too much of your time.”

The two left after being there for less than ten minutes.

After they were gone, Mary walked up to Rose and sighed, “Madam, why did you do that? You didn’t have to be angry at Mr. Fuller over some bystander.”

The old lady stroked the jade bracelet on her wrist. “The girl of the Gray family is not any ordinary bystander.

Don't you see? Toby is going against

me for her sake."

Mary helped her tuck the quilt as she listened tentatively. "How can it be? Mr. Fuller respects you the most."

Rose only smiled and remained silent,

Save for several senior figures on the board of directors of Paradigm Co., others did not know that Sonia had become the largest shareholder, and the fact that she held the decision making power and had decisively

signed a contract with Zane.

Zane was a potential business partner.

Although he was not as successful as

Toby was now, he was not any worse,

and his future was limitless.

With Carl and Charles around her,

everything was developing in a good

direction.

But what Charles expected had finally

happened.

The trending page was full of videos of

a blue Audi car crashing into Tina, and

the comments below were a series of

insidious and sinister scoldings.

Tina became a veritable victim in their

comments, and Toby had become the

one who was played by Sonia, his ex

wife.

The topic spread like wildfire, and if it

continued, the police would come knocking at their door in no time.

The board of directors in Paradigm Co.

quickly called Sonia, saying that this

matter had a great impact on the

company, and if it was not dealt with

as soon as possible, it might affect the

company's business prospects.

Charles sneered, "What a group of old

foxes. The fact that my baby is the shareholder hasn't been announced at

all, so how can it hurt the company's

profits? They're all just scaring her and

jumping on the chance to crush her."

Carl had been staring at the picture on the hot search, frowning. "Professionals would know that the

video was altered. The problem is that there is too much public opinion, and the public's sight is blinded."

Thinking that Toby was so shameless as to upload a fake video, Charles mocked, "Baby, were you blind to have fallen in love with such a black-hearted

guy? I think he and that fake b'ich,

Tina, are meant to be together. They're

both a\*sholes anyway."

Sonia stared at the video without any

expression and slowly lowered her

eyes.

Charles thought that his words had irritated her, so he touched his nose with guilt. "Ahem, ahem... I didn't mean to taunt you. I'm just glad that you opened your eyes early, and we were prepared early by having the real video in hand."

Sonia raised her head and met with

Carl's worried expression, whereupon she slightly raised the corners of her lips. "Well, Toby can divorce me for Tina; what else can't he do for her? I'm not surprised."

Charles suddenly became excited.

"Anyway, now that we have the real video, should I send it out for clarification right away? So that we can slap them in the face!"

"Wait." Sonia had another plan for this.

Raising her eyebrows at Charles, she said, "Tomorrow is the 1st. I heard you said that the Gray family was going to hold a banquet for Tina to celebrate her recovery, right?"

"Yeah. Are you going?"

She smiled. "Not only am I going, I'll also be bearing a big gift."

Charles and Carl seemed to have realized something and smiled at each other.

Chapter 17

Meanwhile, at the Fuller Residence, Toby frowned as he stared at the topic that was currently trending.

Standing beside him, Tom was trembling. "President Fuller, I didn't do it. Someone must have leaked it on purpose. Do you need me to get someone to stop it from trending?"

"There's no need for that." Toby pursed

his lips as indescribable emotions

flashed across his eyes. "The Gray

Family must be behind this."

Tom understood what he meant.

*The Gray Family must have deliberately*

*leaked the video to suppress Sonia. If*

*President Fuller helped to stop it from Trending, the Gray Family would be unhappy. He wouldn't want to offend his future father-in-law because of Sonia.*

"Then, this matter"

"Don't worry about it." Toby turned off

his phone, then raised his head and asked, "Has the Ocean's Heart arrived?"

Tom nodded. "It arrived yesterday. As

per your order, Miss Gray's name is engraved on it."

"Okay. You can leave now."

Toby lowered his head and massaged

his temples, then his eyes skimmed over the red divorce certificate in the trash can, and his head began to hurt even more.

Triforce Enterprise had a good reputation in Seafield. The Gray Family mostly invited upper-class people to the banquet they held for their daughter, so it was only natural that there were opportunities to curry favor with the rich and powerful as well as get to know their daughters.

Titus and his wife wandered through the crowd with smiles on their faces.

He was a refined middle-aged man with a beard, while his wife exuded a chilly demeanor, much like the typical Lady of a rich family

The sound of a piano being played slowly rang out.

The crowd looked over and saw that

Tina looked fresh and refined in a green dress, and she was sitting elegantly and calmly while playing the piano. Her body seemed to be glowing, attracting everyone's attention.

After the song was finished, Toby walked over from the crowd and took Tina's hand. It wouldn't be an exaggeration to say that they looked

like a golden couple.

Titus smiled and said, "Thank you all for taking time out of your busy schedules to attend our banquet. In addition to celebrating Tina's recovery, another major announcement will be made today."

He swept his gaze over the crowd before it finally landed on Toby. "I'd like to announce that Toby Fuller, the president of the Fuller Group, is going to be my son-in-law."

As soon as he finished, there was an uproar from the crowd.

Everyone was aware of Toby's divorce, because the news had spread like wildfire. Now that he was revealed to be the future son-in-law of the Gray family, the crowd recalled the video that was yesterday's trending topic. They couldn't help but exclaim in awe.

To be well matched in social status was truly important for a couple.

Toby appeared handsome and brilliant, looking like a perfect and beautiful match with Tina, who was similarly gentle and elegant.

He took out a golden brocade box,  
opened it, then got down on one knee

**SJELUN TUEE**

in front of Tina

His actions spoke for itself.

Surprised, Tina covered her mouth in  
disbelief

At this moment, the man said, "Tina,  
will you,"

Suddenly, an untimely laugh  
interrupted Toby.

"I'm sorry I'm late, everyone."

*That voice...*

As complex emotions flashed across  
his eyes, Toby twisted his head to take  
a look.

All dressed up to look charming and  
enchanted, Sonia appeared, followed by Charles and Carl.

Everyone was surprised to see her,  
because all of the people present knew  
that she was Toby's ex-wife.

*The fact that she's showing up at this*

*Very moment.*

Seeing that her son's happy moment was being interrupted, Jean suddenly stepped forth and pointed at Sonia before snapping, "Who let you in? Get out!"

Charles folded his arms across his

Gray's banquet

Titus stopped Jean from saying

anything more, then looked at Sonia,

He was a wily old bird, so naturally, he

wouldn't be impulsive, but his smile

had considerably faded, "Although I

didn't send you an invitation, you're still,

a guest, so the Gray Family welcomes

you."

"She's the one who caused my

daughter's car accident?"

The moment Julia laid eyes on Sonia,

she experienced a strange feeling, but

11111 she experienced a strange feeling, but she couldn't pinpoint what felt strange.

Then, she remembered that this person almost killed Tina.

Julia's face hardened, and she

disposed of all courtesy. "Miss Reed, I've not settled the score from six years

ago with you, so how dare you show up

at my house!"

Chapter 18

Everyone in her surroundings was intrigued, but Sonia turned a blind eye to it all

With an enigmatic smile, she glanced

at Toby, who was down on one knee,

Then, she looked at Julia and said

listlessly. "First of all, I'm sorry that I

came here uninvited. Secondly, who can confirm that the video that's

trending is real? You want to settle the

score from six years ago with me? I've

truly been wrongly accused."

As she spoke, her gaze landed on Tina.

Tina's face paled, and she quickly hid behind Toby

When everyone saw this, they began

berating Sonia

"This woman has a lot of guts. She ran

into her car six years ago, yet she still

has the audacity to come to the

banquet!"

"Exactly. Look. Miss Gray is so

frightened. She's really overstepping."

Julia noticed how scared her beloved daughter was, but she wasn't in the mood to have nonsensical banter with Sonia. "What a sharp-tongued girl. Since you said you were wrongly accused, then go and explain to the police."

Julia was about to make a phone call when Toby stopped her.

The man, who had been silent for a long time, finally spoke. "Sonia, you shouldn't be here."

Is he *trying to intimidate me?*

Sonia grinned without caring what others thought. Raising her eyebrows, she said somewhat sarcastically, "Then, where should I go? President Fuller, at any rate, we'd been married for six years. Although you weren't very good to me, I never did anything to betray you, so how could you post a fake video on the Internet to slander me? Do you so desperately want me to die?"

Toby's eyelids twitched, and his grip on the brocade box tightened slightly.

Tom was about to explain on behalf of his boss when Toby cut in.

Fixing her with a profound gaze, he answered, "Tina won't look into the matter, so you should stop acting like this."

Sonia felt as if she had just heard the biggest joke. "Are you kidding me?"

She glanced at all of them, then took her time taking a seat. "Carl, show them the gift I'm giving to Miss Gray."

As everyone watched in surprise, Carl played the video on the projector on the wall screen.

The crowd was seeing a different scene from the one in the trending video.

At this moment. Titus spoke, and his eyes turned a little gloomy. "Miss Reed, how can you prove this is real? Now that technology is so advanced, everything can be faked."

Sonia already expected him to say that.

so she shot Carl a glance.

He made a call, and in no time, a person got out of the car at the entrance.

Most of the people know the person  
who just came out. He was a well  
known computer technologist in  
Seafield.

His words were more reliable than  
anyone else's.

"I can testify that Miss Reed's video is  
genuine, and that the video circulating  
on the Internet has been edited."

As soon as he made this remark,  
everyone's expressions changed. Toby,  
in particular, was simply dumbfounded.

Still gloomy, he asked, "Sonia, are you done making a scene?"

Crossing his arms across his chest, Charles sneered, "T'll say, Toby, you're really quite pitiful. Someone took you as a fool and deceived you! Let's not talk about the video. About the car accident that year, you just needed to be more dedicated and look for the

initial case officer to check, then you  
would've been able to know the truth."

Toby's expression was extremely cold,

and he fixed his pair of emotionless

eyes on Tina. Something strange was raging behind his eyes, making him look extremely dangerous.

Tina panicked.

She didn't expect that Sonia would  
come up with evidence!

She shook her head, fear evident in her eyes. L. I didn't lie to you, Toby... !

didn't... Listen to me..."

Her current explanations were too

weak

With the truth presented before their

very eyes, everything she said was

useless!

Upon seeing this, Charles could finally

work out his anger as he sniggered. "Toby, there's one more thing you may

not understand. During the several

years when Tina was in a coma, my

baby had been going to the hospital to

give her blood. If she deliberately knocked into Tina, why would Sonia keep on transfusing blood to her? She did it for you. It's pathetic that you, a man who thinks he's very smart, are actually bloody blind!"

Chapter 19

count with one hand the number of times we conversed every day. All you see is Miss Gray, and no one else."

She used to go to the hospital daily to take care of Tina, She knew how her

marriage to Toby came about, and she

knew who Toby truly wanted, so she wanted to use the excuse of looking after Tina to make him see more of

her.

Nevertheless, for the past six years, all she got from Toby was indifference.

Hearing this, Toby re-examined the red lipped Sonia, who was dressed in a black dress and exuding a slightly cold demeanor. He found that this version

As soon as Charles spoke, the sound of the guests taking in sharp breaths could be heard. Everyone was shocked as their gaze fell on Tina, then Sonia.

The expert has *confirmed that the video is real, so if Charles is telling the truth.*

Toby was caught by surprise as well.

He looked at the woman standing in front of him, then his eyes darkened, and he asked, "Sonia, why didn't you tell me?"

"Would you have believed me if I told you?" Sonia retorted in a slightly sarcastic tone. "President Fuller, we were married for six years, yet I can't see the difference between the woman of her and the virtuous woman who used to wait for him to come home seemed like two different people.

He then remembered that before the

two of them got divorced, he and Sonia rarely talked. He never asked about her day or about her friends.

*It seems like I never really got to know*

her.

The two of them only exchanged a

couple of remarks, then Toby said

nothing else. Beside him, Tina was

keenly aware that the man's heart had softened, and he seemed to want to defend Sonia.

Tina quickly swept her gaze across the

of me for the past few years. This is a gift my father gave me last time. Now, I'm giving it to you as a thank-you gift."

When the jewelry box was opened, a

crown embedded with diamonds on the black velvet shimmered under the

light.

"H-Isn't this the crown Princess Lilith

wore during her wedding?"

"President Gray really spoils his

daughter!"

Among the guests, those who were fond of jewelry recognized the crown,

and they all exclaimed that although it was incomparable to the Ocean's

questis, then she fiercely gritted her teeth and took a step forward before

bowing to Sonia

"Miss Reed, I didn't expect that all

these years, you'd been constantly going to the hospital to donate blood to me. You've been so kind to me..."

Tina choked, her eyes gradually turning

red as she bowed to Sonia once more.

"I'm sorry..."

When she looked up, she cast a meaningful glance at the crowd, then continued apologizing to Sonia. "I'm sorry about the video. My father loves me too much, and a mistake was made during the investigation that caused us to think that you were the one who crashed into me."

"Miss Gray, you don't have to be so

courteous. I'm two months younger than you." Sonia didn't appreciate her apology, and she even calmly shot Toby a look

It turned out that Tina's father was the one who leaked the video. At first, Sonia thought Toby was the one brutally attacking her.

Tina lowered her head and pursed her pale red lips.

In no time, Tina saw the jewelry box the servant brought over. After retrieving it, she handed it to Sonia.

"Miss Reed, thank you for taking care

Heart, it was extremely luxurious, and they lamented how much Titus loved his daughter.

When Titus saw the crown, his

expression changed,

But, he knew why his daughter was

giving this piece of jewelry to Sonia. Stepping forward with a cold expression, he said to Sonia in a

considerably pleasant tone, "Regarding

the video, I'd wrongly accused you,

Miss Reed. Thank you for taking care

of my daughter. Please accept this piece of jewelry!"

Sonia stood with her legs slightly

parted, and she took one sweeping

glance at the crown full of diamonds,

but she showed no intention of taking

it from Tina's hands,

Seeing that she wasn't accepting it,

Tina stated, "When Princess Lilith got

married, she asked a designer from Van Cleef & Arpels to design it. Many

years ago, my father got it at the

Sotheby's auction house for 60

million."

As she continued, her voice dropped. "This is also my favorite piece of jewelry. I really want to thank you, Miss Reed. That's why I'm giving it to you."

The guests could hear how bad Tina felt, and they could see that Sonia

Sonia was the one in the wrong,

causing Toby to frown when he heard

them.

"Toby." Tina looked back at Toby and whispered. "I really didn't know about Miss Reed donating blood to me at the

hospital. Believe me. Help me persuade Miss Reed and get her to accept my thank-you gift."

Looking at her frail frame and pale lips,

Toby felt mildly distressed.

"Sonia, both Tina and Mr. Gray have

apologized to you," Toby said in his

deep voice. "The thank-you gift that

Tina is giving you is worth a lot, so just

take it \*

wasn't accepting the jewelry. Her posture was arrogant, as if she was

Waging a war

"Sonia, don't be unreasonable. Miss Gray has already apologized."

"That's right. Mr. Gray was just eager to

protect his daughter, which was why he

made such a careless mistake. And

hasn't he apologized to you?"

"Miss Gray is giving you her precious

jewelry as a thank-you gift, yet you're

not accepting it. What else do you

want?"

When the guests spoke, their remarks

were harsher than the next. It was as if

take it.”

Sonia knew that no matter how innocent she was, Toby would still stand by Tina’s side.

But, when she heard him say that, her hand around her arm tightened fiercely. and her heart was in such immense pain that it felt like it was being pierced by needles.

It was simply ridiculous that she loved a man like him for eight years!

When Charles, who was watching the scene unfold from the sidelines, saw that Toby was bullying Sonia, he became furious and wanted to rush toward him. “Toby, you f\*cking”

After passing his gaze over her bright face, he asked in a deep voice, “What else do you want?”

“I want the thing in your hand-the Ocean’s Heart.” Sonia pointed to the jewelry box he was holding in his hand, looking completely serious.

“No,” Tina interrupted Sonia. In a dejected and aggrieved manner, she said, “Miss Reed, I know you’re upset with me because of the video. You can have the jewelry in my collection, but not the Ocean’s Heart. This is the

necklace Toby proposed to me with..."

The guests were angry and dissatisfied as well. "That's right! Sonia, you're "Charles." Sonia stretched out her hand to stop him.

After spending the entire night out, she was a little tired. Just as she was about to tell Charles that they should leave, she caught sight of the smug smile on Tina's face from the corner of her eye.

*That's right. I'm here today to get revenge, not to save them from humiliation*

After swallowing her words, Sonia pressed Charles's hand, and her eyes grew slightly cold. "I'll handle this."

In her high heels, she turned around to face Tina

Caught off guard by Sonia's actions, Tina put away the smile on her face in a panic, then she handed over the jewelry box again.

"Miss Gray, for the past few years, I'd been going to the hospital to donate blood to you, so my body is very weak now," Sonia said while brushing her

fingers over the crown full of diamonds. "Thanking me with this crown isn't really enough, is it?"

Sonia looked toward Toby, then asked with a smile, "President Fuller, what do you think?"

crossing a line, Miss Gray is giving you such an expensive crown, yet you still want the Ocean's Heart

"Are you dissatisfied because

President Fuller divorced you, so you're deliberately retaliating against him?"

Turning a deaf ear to the insults they were throwing at her, Sonia looked at Toby. "President Fuller, don't you love Miss Gray very much? Miss Gray, *you're* the one who wants to thank me, so why are you refusing to give me the thank-you gift?"
