Chapter 108

Chapter 108

The Cream Mushroom Soup

is her mood stable”

Paige asked softly

“It’s quite stable, but she misses you so much. She wanted to borrow the nurse’s phone several times to call you. But the nurse told her that you often go to the hospital to see her. As long as she wakes up for a longer time, she can meet you face to face.”

Cassie’s phone was taken away by Lindsey because Lindsey was afraid that Cassie would suddenly wake up and contact Paige, and Cassie would be ins*ne and give all the inheritance to Paige, so Lindsey didn’t allow Cassie to keep the phone.

“I will go to see her tomorrow.”

Paige said in a soft voice.

“Well, I have a tricky case here. Come and help me tomorrow.”

“Okay.”

After Paige ended the call, she saw that Lindsey had sent a barrage of Line messages over.

“You shameless little *! Do you just enjoy being around those men? Have you eaten up all the upbringing that the Tate family taught you all these years?”

“Abbigail kindly pulled you back on the right track. It’s fine if you don’t listen to her, but you even ask your friend to hit her? Look at how badly she was beaten up.”

“I want you to come over immediately and make a sincere apologize to Abbigail!”

Not waiting for Paige to

reply, Lindsey sent a few more Line messages, all of them insulting Paige.

“The Tate family has raised you for so many years! A dog being raised for many years knows how to guard the house! You? Not even

a dog!”

“If I were you, I would immediately come over and apologize a hundred times to Abbigail, striving to get her forgiveness.”

“I asked you to come over immediately, did you hear me?”

Paige replied with the word “id*ot” and then blocked Lindsey’s Line message, ready to take a bath and sleep.

At this moment, Bonnie’s voice came from outside the door.

‘Ms. Paige, are you asleep? Mrs. Lusk asked you to go down to have some cream mushroom soup.”

Paige was not hungry, but since it was Danica’s invitation, she did not refuse. After putting away the medicine for tonight, she went

downstairs.

Patricia said sweetly as she placed a bowl of cream mushroom soup in front of Danica, “M*m, this is your soup.”

Then, she filled another bowl and handed it to Donald. ‘Dad, this is yours.”

“You don’t have to do these things.”

Donald laughed. He always felt that Patricia was becoming more and more thoughtful as she grew up.

“Patricia, you don’t have to be so busy with such a small matter.” Danica also smiled.

In the past, when they didn’t know that Patricia was the child of another family, the entire Lusk family had truly held Patricia in their hands for eighteen years!

Even if they acted in an eighteen-year-old drama, they would still have feelings for each other, let alone they loved Patricia from the bottom of their hearts for such a long time.

Although Patricia wasn’t their own daughter, seeing her as filial and obedient as before, even personally doing such a small thing.

Danica felt very gratified

Seeing Paige go downstairs, Danica smiled, “Paige, you are here? Sit beside me ”

“Paige, this is your cream mushroom soup”

Patricia personally served Paige a bowl, and finally served herself.

“Patricia is so considerate, so good to Paige!”

Danica looked at Paige lovingly, “Hurry up and eat. It’s hot now.”

Paige picked up the spoon and held a mouthful of soup. Just as she was about to take a bite, she smelled a familiar taste Magnesium sulfate.

This kind of chemical was often used to treat constipation

But Paige also sensed another kind of chemical, jamalgota. The corner of her lips *up: She thought, did they want me to have

diamhea?

Paige looked up and found that Patricia and Amily were secretly looking at her. When Paige looked at her, Amily looked away in

panic.

Paige put down the spoon, and the smile on her lips deepened.

“Patricia is so thoughtful. I believe that Amily contributes a lot. The cream mushroom soup was personally served by Patricia. It should be given to Amily first.’

When Amily heard this, she sensed something wrong and hurriedly said, “Ms. Paige, you don’t have to. I am just a *. How can I have such a precious soup?”

“Of course, you can

Paige put the cream mushroom soup in front of her and smiled, “You’ve been working in our family for such a long time. Naturally, we don’t treat you as a *. Besides, it is just a bowl of cream mushroom soup. Don’t you think so? Dad, M*m?”

Danica smiled, “Oh! Yes! Amily has worked hard. It’s et a bowl of cream mushroom soup. You can sit down and eat it together.”

“Yes, don’t think too much. You can have it!”

Donald smiled and added.

Amily did not dare to eat the bowl of cream mushroom soup in front of her. She swallowed her saliva and smiled awkwardly. “Mr. Lusk and Mrs. Lusk, it happens that my stomach doesn t feel good recently. As for this bowl of cream mushroom soup, why don’t we let Ms. Paige eat it first? Thank you for your kindness, Ms. Paige...”

“The cream mushroom soup contains a large amount of protein, rich in amino acids and microelements. It can help to enhance the recovery ability of the intestinal mucous membrane. If your stomach is not good, you should eat more.”

When Paige sard this, she did not wait for Amily to refuse. She smiled and added, “There are a lot of good ingredients in it. You

should really taste it personally.”

Amily felt that the girl in front of her was simply a devil. She just smelled it. How could she know what was inside?

“Do you dislike the soup because I just held some with my spoon?”

Paige changed to a new spoon for Amily. Seeing that she was still motionless, she lowered her depressed eyes and said, “Is it because I just came back to the family and no one cares about me?”

“Amily!”

Donald could not bear to see his precious daughter doubt herself and hurriedly said, “Paige wants to give it to you, you can just eat it! It’s just a bowl of cream mushroom soup.

“Paige, don’t think too much. How can no one care about you?”

Danica felt distressed.

‘Maybe I came home too late. Everyone listens to Patricia. Even if I want to let others eat something good, they won’t appreciate it...”

As soon as these words came out, Donald and Danica suddenly realized something. Yes, these *had been with Patricia for a long time. Naturally, they were more inclined to Patricia!

Paige would definitely feel a loss in her heart!

Thinking of this, Danica made up her mind. No, she had to change some of the *in the house. She could not let her baby. Paige feel wronged.

“Patricia, why don’t you persuade Amily to eat? If Amily really has no appetite, *you will eat for her? Amily won’t listen to me, but as my dear sister, you will listen to me, right?”

Patricia heard this and her face suddenly turned pale, afraid that the conspiracy would be exposed.

“Ms. Paige, I know you’re just doing good for me. I will eat it.”

Amily knew that she had no choice but to eat. She trembled slightly and picked up the spoon.

“That’s right, is it delicious, Amily?” Paige raised a clear and beautiful smile.

Amily was bitter and could not say anything. She ate two spoons of soup and squeezed out a smile, “It’s delicious.”

“Then you have to eat more later.”

“Thank you for your kindness, Ms. Paige. One bowl is enough for me. I can’t eat anymore.”

“There is a lot of food inside. You have worked hard, so you deserve more nutritious food.”

“You’re so kind to me, Ms. Paige.”

Amily had mixed feelings in her heart. It was not easy for her to finish eating the cream mushroom soup. She found an excuse and quickly slipped away.
