Chapter 113

Two Slaps

At this moment, a sharp-eyed reporter noticed Paige.

Paige followed behind the crowd. Her beautiful face was fair and clean, and her facial features were outstanding. She looked well behaved and beautiful

The reporter could not help but aim the camera at Paige and take a few photos of her.

Abbigail sat in the sixth row of the audience and glanced at her mobile phone. It was half past nine in the morning. But Davon still didn't show up, nor did he send Abbigail a message.

On the other hand, when Tyrell saw his old friend, Zachary Langford, he smiled and shook hands with Zachary "Zachary, why are you

here?"

"Tyrell, your daughter took second place. Congratulations... Zachary laughed and shook hands with Tyrell's hand. "My daughter only took fifth place..."

"Well, the ranking is not important. What matters is not winning but participating Abbigail was just lucky."

Tyrell laughed and chatted a few words with Zachary

Lindsey also met her old friend, Shirley Alderton. She was quite surprised and asked Shirley, "Did you also come here with your daughter? How did your daughter do? What's the result?"

Shirley replied, "Don't mention it. She has practiced for twelve years, but she only got the eighth place. She isn't as talented as Abbigail. Congratulations that Abbigail got second place."

"Well. Thank you... Lindsey felt very happy. After chatting for a few words, Lindsey turned to Abbigail and asked in a low voice, "Where's Davon? Why isn't he here yet?"

"He..."

Abbigail called Davon last night. But Davon said he was not sure whether he had time to come today.

In the morning, Abbigail sent Davon a Line message. Davon said he was a little busy and was not sure whether he could come or not.

"It's all his mother's fault! It must be his mother stinging up trouble behind his back, Davon is a good kid and treats you with his whole heart..." When Lindsey thought of this, she felt very angry in her heart. "When he becomes famous in the future, his mother will

definitely regret it!"

"M'm, don't worry. I believe Davon will definitely come..." Abbigail said

"Send him another Line message. The awards ceremony will begin soon! You must let him witness your glorious time!"

"Okay..." Abbigail forced herself to take a photo of the scene here.

Then, Abbigail texted, "Davon, I reserved a seat for you. But it's fine if you are busy and can't come over"

Abbigail even sent a kissing emoji.

On the other hand, Davon had already arrived at the entrance of the theater. However, he did not get out of the car. When he received a Line message from Abbigail, he did not choose to reply immediately. He was looking ahead. No one knew what he was thinking right

POY.

Lindsey asked Abbigail again, "Has Davon replied yet?"

"Send a few more words to him. Don't be so concise in the text.

*Be more enthusiastic. You can show your concern about him first. Then, you can talk about the awards ceremony.

"Or you can send a few more intimate emojis and say a few soft words to please him,

"Boys like girls to be soft..."

"Has he replied yet?"

It's been ten minutes, but he still hasn't replied to you yet. Have you turned on your ringtone? Is it because the signal here is bad? Why don't you go out and give him a call?"

Abbigail was annoyed. I need to go to the washroom," Abbigail said as she stood up

"Abbigail Lindsey knew that Abbigail was annoyed. But Davon was such an excellent man, and so many women wanted to be with

him!

Lindsey thought that Abbigail had such a favorable condition. Abbigail naturally had to hold it tightly and mustn't lose Davon!

"Don't push Abbigail! She can't always lower herself and beg others!"

Tyrell couldn't take it anymore and said so to Lindsey.

Lindsey replied, "But there are so many people we know at the scene. If Davon could come, it would bring a lot of benefits to us!"

Lindsey thought that just Davon's identity was enough to make those people admire the Tate family!

"Besides, if Davon comes, it means that he still likes Abbigail! Otherwise, if Abbigail's fiancé doesn't appear on such an important occasion, do you think he still has feelings for Abbigail?"

Tyrell also felt that what Lindsey said made sense.

In the washroom, just as Abbigail bent a little to wash her hands, she saw a familiar figure passing by behind her. She was stunned. "Paige? Why are you here?"

Abbigail thought, the people who can enter this theater today are either related to the competition or the staff!

It's impossible for people like Paige to enter!

Unless she comes to the theater to do a part-time job,

But that's impossible...

She can earn a lot by accompanying rich people for a night. How could she choose to do a part-time job?

"I got it. Are you here to accompany your sugar daddy?" Abbigail seemed to understand something.

Paige originally wanted to ignore Abbigail. But hearing Abbigail's words, Paige stopped and turned to look at her coldly. "Your face

doesn't hurt right now, right? Do you want to be slapped again?"

"You... If you dare to slap me..." Abbigail covered her face subconsciously. "I haven't gotten even with you for that thing!"

"Oh. Then you can do it now."

"You, you..." Abbigail gritted her teeth. She plucked up her courage and said, "I'm warning you. My parents are with me today!"

"So?"

Abbigail said, "If you dare to bully me, I'll let my parents teach you a good lesson! At that time, you'll be the one who feels embarrassed!"

Paige chuckled, "Haha."

Paige felt that it was funny and thought, how old is she? Why does she still use her parents to threaten others? She is really useless.

"What are you laughing at?"

Abbigail felt a little nervous,

Paige threatened Abbigail. "If I hear you talking about sugar daddy or something next time, I'll cut off your tongue and throw it into the sea to feed the fish!"

"How dare you?" Abbigail somehow felt a sharp pain in her tongue at this time.

"You can try and see if I dare or not."

After saying so, Paige turned and was about to enter the washroom. But at this time, Abbigail took some water and sprinkled it on Paige. Abbigail even raised her eyebrows and said deliberately, 'I'm sorry, Paige. I didn't mean it.'

Although Paige reacted very quickly and raised her hand to block some water, a part of her clothes still got wet.

Abbigail felt very complacent in her heart. At this time, Paige slapped Abbigail in the face without giving Abbigail time to react.

Slap!

A crisp sound rang out in the air.

"How dare you slap me?" Abbigail covered her right face in disbelief.

"Is that surprising?"

Paige raised her hand and slapped Abbigail on her left face. 'I'm not Lindsey. I won't tolerate your bad habits.'

"You. You..." Abbigail was about to get angry when she suddenly heard a familiar voice.

"Abbigail, are you okay?"

Lindsey realized that Abbigail still hadn't come back from the washroom, so she came over to check it. In the distance, Lindsey saw that Paige slapped Abbigail twice!

Lindsey was so angry. She looked at Abbigail and saw that her cheeks were swollen and red!

Abbigail still had to go to the stage and accept the award later. Lindsey thought Paige must have slapped Abbigail on purpose!

Thinking of this, Lindsey raised her hand and wanted to slap Paige.

However, Paige easily grabbed Lindsey's wrist and stopped her.

"You... Let go of me..." Lindsey did not expect Paige to be so strong. Lindsey tried several times but could not retract her hand. Lindsey was so angry that she gnashed her teeth. "I told you to let go. Did you hear me?"
