

Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 125

Chapter 125 The Tate Family Leaves in ****

“Yes, Ms Walker, you can rest assured.”

Ms. Walker, when will you compose a new song? We have been waiting for too long.”

Paige smiled, “I will compose one as soon as possible.”

“That’s great!” Everyone was happy and did not dare to get in her way. They stepped aside to make way for her. The host announced the end of the competition, and the audience all left.

Paige walked towards her parents and saw that they looked excited. She smiled faintly and said. “Let’s talk in the car”

“Well, great.” Donald did not expect that his precious daughter was actually Vallorie

Jack even begged Vallorie to write a song and was willing to pay 16 thousand dollars for one note. But Vallone rejected him. After returning home, Jack complained that Vallorie was too *****!

Donald did not expect that this *****master was actually Paige, Jack’s biological younger sister. This was interesting

A few fans could not help but be envious when they saw Vallorie leave with Donald and Danica.

“Well, the big shots friends are also rich. When can I be friends with nich people?”

“Close your eyes.”

“What? Close my eyes?”

“You can get everything in your dream.”

On the way back, Patricia only felt that the championship trophy in her hand was heavy, just like her mood....

In Vallorie’s eyes, this was nothing.

Patricia was just about to hide this shameful thing behind her when she heard Danica say, “Patricia, Paige is Vallone! If you anything you don’t understand, you can ask her.”

“Oh, alright.”

But how could Paige be willing to teach her?

“I didn’t expect that Paige would be a music genius! Great! We have to celebrate tonight!” Danica smiled from ear to ear

have

Donald was also very happy. “Paige has gained a good reputation for the Lusk family. She must have suffered in the Tate family as they didn’t value her.”

“They are heartless! Don’t mention them, lest you ruin our moods.”

“You’re right, Don’t worry. I will deal with them.” Donald took out his phone and said to the person on the other side of the line, “Tell our partners that no one is allowed to cooperate with the Tate family, otherwise it will be against Daybreak Group!”

The Tate family was so sinister that they bullied Paige.

Donald wouldn’t let them go.

Patricia had been proud of herself for so many years, so from the bottom of her heart, she still could not accept that Paige was stronger than her.

At this time, she was jealous and angry, but she still had to pretend to be calm on the surface. It was so difficult

On the other side.

Rhys knocked on the door of the president’s office. Without waiting for Martin’s permission, he rushed in ‘Mr Stowe Something happened Ms. Paige is actually Vallone! The famous music genius in the piano world!”

Martin raised his eyes. He was surprised, but he smiled dotingly

Paige had always brought him surprises. She was so young, but she was not only skilled in medicine but also in piano

What else did she hide from him?

“Today, Ms. Paige attended the award ceremony for a piano competition with her family...” Rhys described what had happened

In the Tate’s house.

Abbigail locked herself in her room and did not come out.

“Ms Abbigail, didn’t you go to the awards ceremony74What happened?

“We made a cake for you and wanted to celebrate when you came back.

“Open the door and take a look at this cake. It says, Congratulate Ms. Abbigail for winning...”

The sound of a vase shattering came from the room as if telling them to ***up and stop talking.

The *were shocked. Seeing that Tyrell and Lindsey had returned, they hurriedly went downstairs. “Mr. Tate, Mrs. Tate, Ms. Abbigail...

Before the *could finish their words, they saw that Tyrell and Lindsey were dispirited and their clothes were messy. They looked like they were about to go bankrupt!

“Mr. Tate, Mrs. Tate, what happened?”

“Ms. Abbigail locked herself in the room, and you look dispirited.”

“Didn’t Ms. Abbigail go to the competition? But we didn’t see her get any trophies...”

“Mrs Tate, are you alright?”

Seeing that Lindsey was about to fall, the *hurried forward to support her.

Lindsey felt tired and dizzy, and she was about to lose her footing. “Don’t... Don’t mention the award again.”

“Alright, it’s all my fault. Mrs. Tate, let me help you to sit on the sofa for a while “A *hurriedly helped Lindsey to the sofa and poured two glasses of water. “Mr. Tate, take a seat.”

Tyrell had never been in such a sorry state before.

He didn’t understand why Abbigail plagiarized someone else’s work, but that person happened to be Paige

Everyone laughed at them

“Paige the *girl... Lindsey was so tired that she couldn’t curse Paige anymore.

The *thought that Tyrell and Lindsey had met Paige again, and Paige made them unhappy, so the *hurriedly scolded Paige as well.

“That ungrateful soul provoked you again? No wonder there were tears on Ms. Abbigail’s face when she came back, and it seemed that she had suffered a lot. It turned out that Paige had angered her.

“She’s so ungrateful. If not for you who raised her, she wouldn’t have been where she is today

That *woman! She showed no gratitude to you at all.”

“That’s enough!” Tyrell was agitated. “If Abbigail hadn’t plagiarized her work, Paige wouldn’t have exposed her in public. It’s Abbigail’s

fault. She didn’t tell us in advance.”

If she did, they wouldn’t have been at the awards ceremony today, and they wouldn’t have embarrassed themselves.

Several *were stunned. They didn’t believe that Abbigail plagiarized Paige’s work and was discovered.

This was awkward.

No wonder they looked so depressed when they came back home.

At this moment, Lindsey’s cell phone rang. When she saw that it was from Leah, she felt uneasy, but she still squeezed out a smile. “Hello, Mrs. Wayne.”

“Mrs. Tate, today’s award ceremony ended at eleven o’clock in the morning. And one minute later, we announced Ms. Abbigail to be our spokesperson on Twitter. But not long after, someone called me and said that Ms. Abbigail plagiarized Ms. Walker’s work and was exposed on the spot.”

Lindsey knew that Leah had come for this matter and said fawningly, “Mrs. Wayne, please listen to me...”

Leah interrupted forcefully, “Because the news was blocked by someone, I didn’t know it until half an hour. Now many people are boycotting my brand! We have no choice but to delete the Tweet! Things have gotten to this point, but you guys just kept quiet and didn’t even give me an explanation.”

Lindsey only felt embarrassed. “Mrs. Wayne, listen to me...”
