Chapter 126

Chapter 126 The Tate Family Is Finished

“Mrs. Tate Leah did not want to hear any explanation. “We signed a contract. During the contract period, you can’t be involved in any negative news. Otherwise, you will have to pay ten times the penalty fee. According to the requirements, you must pay us 8 million dollars in ten days, or we’ll sue you in court.”

“Mrs. Wayne!” Lindsey still wanted to say something, but Leah had already hung up the phone. When Lindsey called again, she was already blacklisted.

Lindsey was depressed. 8 million dollars! How could she get so much money?

Although Tyrell was the richest man in Dolton and his personal assets were more than 160 million dollars, most of them were fixed assets, such as houses, shops, shares, cars, and so on.

A while ago, because Pai Group suddenly canceled its cooperation with them, there was a problem with capital chain turnover in the Tate Group. Besides, they had lost a lot of money in business and sold a lot of shops and houses.

How could they get 8 million dollars?

They might have to sell the shares.

But once they sold the shares, they would become small shareholders. The decision-making night would fall into the hands of Cassie and other shareholders

That was not the way out

They couldn’t sell shares.

“You guys leave us alone!” Lindsey dismissed the *and asked Tyrell in a low and anxious voice, “What should we do? Abigail has violated the contract and we have to compensate 8 million dollars in ten days.”

Tyrell was about to say something when his phone vibrated. It was from an unfamiliar number.

‘Hello, sir

“Is that Mr. Tate? This is Ms. Walker’s attorney.”

Lindsey didn’t know who was talking to Tyrell, but Tyrell said in shock, “Compensate 9.6 million dollars?”

“Yes, Ms. Abbigail plagiarized Ms. Walker’s work and took it to the competition without permission. It is a serious violation of rights and you must bear the corresponding responsibility

“According to the law, you must stop the infringing activities and eliminate the negative influence. After apologizing, you have to compensate Ms. Walker for the loss.

“With Ms. Walker’s reputation, she’s kind enough to only ask you to pay 9.6 million dollars.

“If you can’t pay the money in three days, we will take Ms. Abbigail to court and announce this matter on our official account.”

“Don’t” Tyrell hurriedly pleaded, “We can’t solve this.”

If the news was announced in public, everyone would know that Abbigail plagiarized Parge’s work, and it would have a serious negative impact on her and the Tate family’s reputation.

When Lindsey saw that Tyrell had finished talking on the phone, she hurriedly asked, “What’s going on? The *Paige wants us to compensate 9.6 million dollars? Why?”

“Because Abbigail plagiarized her work!” Tyrell got angry when he thought about it. “Can you stop cursing her? If you didn’t insist on driving her out of the Tate family, with her status, she can bring us many benefits! How outstanding are our daughters? How proud will we be? And she may bring us many resources after marriage!”

The Tate family afforded to raise Paige.

And they didn’t cherish her

It was too late to regret it now.

didn’t know she is Vallone. I didn’t hear her mention it before Lindsey was a little angry “You can see how scheming she is! Cassie loves her the most, but she even hid it from Cassie!”

Lindsey was sure that if Cassie knew about that, Cassie would definitely tell them.

Tyrell sat on the sofa in disappointment. They had to pay 8 million dollars for the breach of the contract and 9 6 million dollars for infringement. It added up to almost 18 dollars.

He did not have that much cash on hand.

“Tyrell, why don’t we discuss it with Paige? She is soft hearted”

Before Lindsey could finish her words, Tyrell could not help but scold, “You also know that she is soft hearted. If you had been a little more magnanimous, we wouldn’t have had a bad relationship when we had to send her away. At least we can greet her with a smile when we see her on the street. But now, we have turned her into our enemy!”

Tyrell discovered that ever since Paige left the Tate’s house, the Tate family had encountered many

difficulties

Abbigail had just gotten second place, but before she could be happy about that, she was accused of plagianism.

Tyrell couldn’t tell what he was feeling right now. He just felt sorry, angry, sad, and frustrated.

He thought of Pai Group and suddenly realized.

*No wonder Paige ate with Rylan and the others. No wonder Abel treated her with respect.”

It was very likely that Paige had made friends with some powerful people because of her identity as Vallorie.

Tyrell had no choice now “Call Abbigail down. Now, we can only sincerely apologize to Paige and strive to get her forgiveness.”

“Why?” Lindsey cried out and said unwillingly, “Abbigail already apologized to her on the stage.”

Why did they have to apologize in private?

That would give Paige a chance to ridicule them.

“You should thank her if we didn’t need to compensate just because we apologize! Tyrell vaguely felt that the matter was not so simple. “What I am worried about is that Paige has been hurt by us too many times, and she will not forgive us so easily.”

Paige had already blocked their call.

“Didn’t she take a fancy to Abbigail’s necklace? We can give that to her.”

Before Lindsey could finish her words, Tyrell laughed.

“What are you laughing at?

“She’s a piano master. Doesn’t she have the money to buy a necklace?”

“Then why did she steal Abbigail’s? Why did she interact with so many men? Isn’t it just for money?”

Tyrell pondered for a while and said, “Abbigail’s words may not be true. Maybe it’s because of her identity that she has to interact with

so many men. She made friends with like-minded people.”

After all, people with noble status always gathered together.

When Lindsey heard him say this, she suddenly felt that it made sense.

But how could Abbigail lie?

Tyrell must be thinking too much!

At this moment, Tyrell’s phone vibrated again. It was from Issac.

“Mr. Tate, something’s bad! The Lusk family has declared that no company is allowed to cooperate with us. Whoever dares to help us will be at odds with the Lusk family!

“Now, several other companies have come to terminate their contracts.

“If this goes on, our company will go bankrupt.”

Hearing that, Tyrell was shocked and confused. “We didn’t offend the Lusk family. Did the Lusk family say anything about it?”

“No.”

“Go and find it out!” Tyrell was anxious. They didn’t have any conflict with the Lusk family at the awards ceremony today. They didn’t even greet each other! How did they offend the Lusk family?

“Alright, don’t worry. I will go and ask around.”

After Issac hung up the phone, Tyrell faintly felt that he was finished.

He could not understand why the Lusk family would be against them. Was it because of Paige?

Was it possible that the Lusk family liked Vallorie and saw that she was bullied, so they came out to help her?

If that was the case, then the Tate family had offended two people with high status.
