Chapter 138 A Beating

Nigel was completely stunned and speechless.

"This company was flat under your leadership, and I wanted to close it. It happened that my daughter was on summer vacation and had nothing to do, so I let her manage it for practice."

Donald let her daughter manage such a large-scale company for practice...

Hearing Donald's words, Nigel was struck *****with astonishment.

"I didn't expect her to be so responsible and found so many rotten apples in the company! I have seen the evidence that you betrayed the company with my own eyes! Paige didn't wrong you! But you cried, defamed her, and even wanted to put her in jail. Do you really think that our family can't protect her?"

"No, no, no, Mr. Lusk, you misunderstood..." Nigel was scared out of his wits. "I, I didn't know that young lady... Oh no, I don't know that Ms. Paige is your daughter..."

if Nigel knew it, he would not dare to do that!

When Nigel saw Danica's cold and beautiful face, he suddenly found that Paige took after her!

However, Paige was more imposing and seductive than Danica.

"Mr. Lusk, I'm sorry. I did something wrong to let you down..." Nigel admitted what he did and requested leniency.

However, before Nigel could finish his words, Donald kicked him away. "It has been a long time. You have been cheating me since the opening of the company!"

"I am sorry! I am worse than a beast. You can hit and scold me, but please don't put me in jail..." Nigel crawled over again and grabbed Donald's trouser leg, desperately begging, "I have to support my family..."

"Let go!" Donald kicked Nigel away again and said impatiently. "When you did those things, why didn't you think about your family?"

"It's too late to regret it now!"

"I heard that he often bullied Paige in the company. Danica glanced at Nigel on the ground, turned to the policeman beside her, and said, "Do whatever you want to him. He is an old employee of our company."

"Yes!" The policeman nodded and looked at Nigel coldly.

"Please don't, Mrs. Lusk. I am sorry..." Nigel wanted to pull Danica's skirt.

But Donald pulled Danica behind him. "How dare you pull my wife's skirt?"

"No, no, I didn't..."

"You have gone too far! Donald rolled up his sleeves and beat Nigel up.

"Ah, Mr. Lusk, don't beat me. Please..." Nigel covered his face with his hands. "It will be bad if you sprain your back at this age... If your five sons get even with me, I will lose my life! Let someone else beat me... Please calm down..."

"Who has evil designs as you just said? Donald was gasping for breath, but he still did not intend to let Nigel go. "Tell me, who is that?"

"L... It is me..."

"If you want your family to be safe, admit what you did!"

"Yes, yes, yes. I will do as you said..." Nigel didn't dare to disobey Donald.

Donald kicked Nigel again and sent him directly to the corner of the wall.

Donald felt tired after all this.

Enough You're old Don't do this Danica stepped forward to wipe off Donald's sweat and glanced at Nigel in disgust

"If he dared to touch your skirt just now, I would chop off his hand! *, you've done so many evil things! Do you still want to get away with it?"

Nigel was worse than a beast!

Donald turned back and glared at Nigel. "Stay here and reflect on yourself!"

Nigel knew that it was useless to plead for mercy, so he huddled in the corner of the wall. "Yes, yes, yes.

After Donald and Danica left, two interrogators came. They saw Nigel with a *nose and blood on his body and asked the people beside them, "What happened?"

Did Donald and Danica beat Nigel just now?

"I fell... It's none of anyone else's business," Nigel said hurriedly.

Although the injury on Nigel's face was obviously caused by someone, everyone knew that with the status of the Lusk family, they could easily make a person disappear...

"You *****,"

Nigel shouldn't have offended the Lusk family, or he wouldn't have been beaten up by Donald.

Nigel did not dare to explain it. He only knew that he had offended Paige and the Lusk family. He was doomed!

How could that young lady be the daughter of the Lusk family?

No wonder her aura was so strong!

In the afternoon, Paige came to the production workshop.

"Everyone, stop what you are doing and listen to me."

The workers of the five production lines immediately stopped and looked at Paige quietly.

Although Paige was only 18 years old, her strong aura made people fear and subconsciously obey her.

Everyone looked at Paige and sighed with emotion. Their 18-year-old children were still in high school, while Paige could manage a company on her own.

Their fates were different...

"We will deliver products tomorrow. You should know that because Nigel sold the drafts to Elegance Couture, the goods in the warehouse cannot be sold. Next, I need you to cooperate with me...."

Paige told the workers her plan and they agreed. They were impressed by Paige's smartness!

Deon did not expect that Paige would convince the workers so quickly. He felt respect for her. She could set everyone's mind at ease.

After leaving the production workshop, Paige went to the Design Department

Mariela rested her hand in front of the computer, looking listless.

"What's wrong?" Paige walked over to Mariela and asked softly.

Mariela suddenly sat up straight. 'Ms. Paige, what brings you here? Nothing... It's just..."

Paige's eyes fell on Mariela's computer screen. On it was the electronic registration form for the National Fashion Design Competition. The registration deadline was 5 pm, and now it was already 4.50.

"Don't you enter your name for it?" Paige raised her eyebrows and asked.

"You have no idea... I need an assistant in this competition..."

9/1

Under the encouragement of Paige, Mariela wanted to prove herself in this competition, but she was not confident enough. Moreover, an unknown designer like her didn't have an assistant.

Mariela could just support herself!

How could Mariela afford an assistant?

"None of you wants to go?" Paige looked up at the people around her.

Several designers hurriedly lowered their heads. They did not want to make a *****of themselves in such a large national competition.
