Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 163

Chapter 163 Voice Call

"She should not have gone to bed Danica suddenly understood. No wonder Paige was angry when she called turns out that Olivia was looking for trouble with her

Did the Gamer family's designer also go to participate in the design competition?

this maming it

Thinking of this, Donald asked angrily. "Is your hand injury related to her? If she hurts you, I'll ask her to apologize to your

"This has nothing to do with other people." When Paige said this, she looked at Patricia and asked, "Just call her."

Patricia had no choice but to take out her mobile phone. If she called Olivia, her lies would be exposed.

When Patricia thought this, she was embarrassed.

"Ms. Paige, Ms. Patricia has always treated you as her sister. You misunderstood her."

Amily said, "For Ms. Patricia, you are the most important. She can't spread rumors to hurt you and the relationship between you and

her."

Paige was speechless.

"You are new and may not know Ms. Patricia. But for the past eighteen years, Mr. Lusk and Mrs. Lusk have known Ms. Patricia. well." "How can you say that? You'll hurt Ms. Patricia and destroy family harmony. And Mr. Lusk and Mrs. Lusk will be embarrassed!"

"If Ms. Patricia has to choose between you and Mr. Stowe, she will definitely choose you!"

"You really misunderstood Ms. Patricia!"

Patricia's eyes were filled with tears, looking even more innocent and pitiful.

Paige was speechless.

So is everything my fault?

Patricia did nothing wrong, right?

"Amily." Danica reached out her hand to stop Amily from continuing. "I know Patricia very well, but Paige can't lie without reason. I also know Olivia very well. Although she is ***, she is kind."

When Amily and Patricia heard this, they were flustered

"If Olivia knows that Paige is my biological daughter and that Paige and Martin love each other... If she knows Patricia's identity, she will not find trouble with Paige."

Maybe Olivia doesn't know that Patricia is my adopted daughter, and she doesn't know Paige's true identity.

So, did Patricia not tell Olivia the truth, or did Patricia intentionally hide it from her and mislead her? This is very important

"If Olivia thinks that Paige destroyed the relationship between Patricia and Martin, what will she think of Paige?"

Olivia will think that Paige is shameless and scheming.

"This is going to be very bad. If Olivia misunderstood, quickly call her and explain it to her," Danica said.

With tears in her eyes, Patricia said pitifully, "Dad, ***, don't worry. I'll call Olivia now."

"Turn on hands free. I'll listen to what Olivia says."

"Mrs. Lusk?" When Amily heard this, she pretended to be surprised. "Don't you believe in Ms. Patricia?' After Ms, Paige returned home, you changed..."

Patricia cried bitterly.

"In the past 18 years, Paige has had no family and has suffered a lot. When she came home, I swore that I would protect her and

+

wouldn't let her get hurt!"

When Danica said this, she looked at Amily "Over the past eighteen years, we regarded Patricia as our biological daughter. Even if Paige came back, we also gave Patricia everything she wanted as before! I just want to make up for Paigel Did I do something

wrong

Amily said humedly. "Mrs. Lusk, you misunderstood. Of course you didn't do anything wrong. What I mean is

"Since I know about this, I won't let others insult my daughter! I have to know what happened Call Olivia and turn on hands-free!"

I will soon know who is night and who is wrong

Patricia had no choice but to cry and dial Olivia's spare phone number.

Beep.

No one answered the phone after a long time

Patricia secretly breathed a sigh of relief. Fortunately, Olivia has two mobile phones and two phone numbers...

"Olivia should be asleep. I will call her again."

Patricia knew that Olivia rarely used this phone, so she was quite confident in making another call.

As Patricia thought, no one answered the phone.

"Ms. Gamer should be asleep..." Amily secretly sighed in relief, fortunately, Ms. Gamer did not pick up, otherwise, Ms. Patricia would have been exposed!

Danica took a look at the clock. It was only ten o'clock in the evening. She didn't think Olivia could go to bed so early.

"Give Olivia a voice call

When Patricia heard this, she was stunned. A voice call?

Although Olivia had two mobile phone numbers, she would answer the voice call. If Patricia called her, Patricia would be exposed.

"I know Dlivia's Line account..." Danica suddenly remembered. She took out her phone and was about to give Olivia a voice call.

Patricia was flustered. I can't let ***give Olivia a voice call!

"***, I'll call her..." Patricia said hurriedly.

Patricia had no choice but to give Olivia a voice call. In a few seconds, Olivia answered.

"Patricia? You haven't gone to bed yet?" Olivia said very excitedly.

"Olivia! Did you bother Paige today?"

Patricia did not wait for Olivia to answer and said, "I know you did it for me, but Martin is already Paige's fiancé! Don't do this again. Paige has misunderstood me. Well, I'm going to hang up. I have to explain to Paige. Remember, don't do this again.

When Patricia finished speaking, she hung up the phone in a hurry.

Donald was speechless.

Danica didn't know what to say.

And Paige was also speechless.

Olivia was stunned. What was going on? Why did Patricia say that to me? Did Paige find trouble with her?

Patricia can't tolerate Paige's bullying. After all, Paige is just her relative.

Paige is just an assistant. Why should Patricia be afraid of her?

It must be because...

Olivia subconsciously touched her neck and remembered that today at the competition, Paige hit her....

Patricia should have been threatened by Paige. This may be the reason why she called me.

I sent a message to Patricia, but she didn't reply to me...

Thinking of this, Olivia called Patricia back. She worried about Patricia's safety.

Just now, after Patricia hung up the phone, she turned off the phone.

Olivia could not get through to Patricia's phone, so she could only leave a message to ask Patricia about what happened...

Seeing that Patricia did not reply, Olivia became even more anxious.

Patricia raised her eyes and said pitifully, "Paige, don't worry. I won't destroy the relationship between you and Martin. I know that he only loves you. Even if I like him, I know he won't like me."

Before Paige answered, Patricia stood up and said sadly, "Enjoy the food Martin brings. I don't want you to misunderstand me again. I will go upstairs first.
