Chapter 164 It's Time to Let Her Suffer

With that, Patricia turned around innocently and pitifully And she was about to leave

At that ***, the phone in the living room rang Bonnie picked it up and hurriedly walked to Danica with the phone “Mrs. Lusk, here's a call for you”

Bonnie handed the phone to Danica and added, “It's Ms. Gamer on the phone.”

Patricia thought in surprise, Olivia?

It was too late for Patricia to take the phone away. She had already stepped out of the restaurant. She felt uneasy and anxious and could neither leave nor stay.

Danica took the phone and asked lovingly, “Olivia? What happened?”

“Mrs. Lusk, Patricia's phone is off. I'm very worried about her. And I must tell you something about your relative, Paige. She

Olivia wanted to say that Paige had a propensity for violence...

But Danica naturally asked, “Oh, you mean my daughter, Paige? What happened to her?”

“Your daughter?” At that time, Olivia froze. She was stunned for a few seconds before asking, “Is Paige your daughter?”

“Yes.”

“Your biological daughter?”

“Yes

“So, she is Patricia's...”

“Sister.”

“Why did Patricia say she was....

“What?”

Olivia asked subconsciously, “Isn't Paige one of your relatives?”

“Did Patricia tell you that? Did she say that Paige is one of our relatives?”

At that, Patricia rushed to grab the phone. “Olivia! Why are you calling again? Why do you always talk about relatives? Don't talk nonsense! We are busy. Don't call to cause trouble!”

After hanging up the phone, Patricia hurriedly explained, “***, don't listen to Olivia's nonsense. She should have misheard. I never said that Paige is just one of our relatives...”

Patricia looked nervous and furious. Danica's eyes then darkened. “Patricia, you have always been sensible and kind since you were young. You should know what to do next.”

“*** ... Don't worry. I will tell all my friends that Paige and Martin are a perfect couple. I am just an adopted daughter...

“I will never ***Martin from Paige. I will not take anything that belongs to Paige!

“Whether believe it or not, Paige is the most important in my heart...

you

“Sorry for causing the misunderstanding. I'm really sorry!”

Patricia shed tears and took the opportunity to leave...

Paige had been eating while watching the show. Now she was full.

“Dad, ***, please enjoy your meals. I'll go upstairs.” Paige was going to leave.

Danica hurriedly held Paige back. “Paige... I'll apply some medicine for you.”

“No I can do it myself. I just got a slight injury

Paige did not take the slight injury seriously at all. But Danica insisted on asking her to sit down. According to the list made by Martin, Danica first applied some medicine to reduce the swelling and then applied some painkillers for Parge

“Did Olivia bother you today? What did she say?” Danica wanted to learn about what had happened

“She didn't say anything.

Paige added inwardly, she was cursing

“Patricia seems to deliberately mislead Olivia. So, Olivia thought that you were just one of our relatives.....

Patricia's behavior was not difficult to understand. After all, Patricia had been loved by the whole family for eighteen years.

She was the most favored daughter of the Lusk family.

However, one day, a girl suddenly came back and said that she was Donald and Danica's biological daughter. Patricia was not related to the Lusk family...

No one could accept the sudden change...

Danica said, ‘Maybe Patricia wants to maintain her dignity in front of her friends... Or she doesn't dare to tell others before we reveal your identity to the public... In short, we let you feel wronged.

“I don't feel wronged.” Paige just couldn't bear to see Patricia acting in front of her every day. Tonight, Paige just took the chance to fight back.

But Paige didn't expect that Patricia would shed tears and pretend to be wronged...

Paige thought, Patricia is a complete actress.

Donald was beside them. He felt distressed and said, ‘After a while, your grandparents will be better. Let's go to visit them together and then ask them to decide when to announce your identity.”

“There is no hurry.” Paige planned to go to the Triangle Area after a while. If her identity was revealed in advance, those people couldn't hurt her, and they then would bother her family.

Although Donald and Danica were protected by many bodyguards, they were obviously no match for those people.

In case those people had eyes on the four elders in the family.

Paige thought about it and made a decision. In addition to the Triangle Area, she must deal with some other threats quickly.... When Patricia returned to her room, she cried her heart out. She was so angry and cursed, “Olivia is an **!”

Amily stroked Patricia's back. “Ms. Garner is worried about you... Don't be angry. You should be happy to have such a close friend.”

“I was almost ruined by her tonight!” Patricia sobbed. She remembered her parents' cold expressions. She felt wronged and angry. “***and dad seem to believe in Paige and care more about Paige's feelings... We lived happily together for eighteen years. Is it not comparable to a blood relationship? They said that they would treat me as their biological daughter

Patricia thought, however, they always support Paige and criticize me.

They are so prejudiced!

“Fortunately, Mr. Hernan went to rest and did not know what happened just now. Otherwise...”

When Amily said this, she could not help but remind Patricia, “Be careful in the future. Don't leave any evidence for that wretched girl. She is a gossip and likes to complain.”

Patricia agreed with the point of view.

“Last time, you wanted her to pick you up. And you went to see Mr. Killian Stowe together. But she didn't agree. She even deliberately sulked and refused to eat lunch to attract Mr. Lusk and Mrs. Lusk's attention. She's too despicable!”

Patricia had the same opinion and thought, Paige always plays tricks and appears cold. If she pleased me and got along well with me, we could be close sisters on the surface!

However, Paige didn't give Patricia a good look and even gave her all kinds of disapproval...

Amily appeared fierce. “It's time to let her suffer. Mr. Lusk and Mrs. Lusk need to know that Paige is not as perfect as they imagined...” Amily thought, Paige can just play the piano and make some clothes. She isn't superior to others at all....

Ms. Patricia is a real noble lady. Compared to Ms. Patricia, that wretched girl is nothing!

The next morning.

Paige finished her breakfast and was about to go to work. Hernan said, “I will drive you there.”

At that, Patricia almost could not hold her fork.

She stood up and said, “No. Someone will drive me there. Enjoy your meals. I will have dinner at home tonight.”

Hernan looked at Bonnie, and Bonnie hurriedly explained, “It is Mr. Stowe. He comes to pick up Ms. Paige to and from work.” Hernan thought, Martin?

Danica then smiled, “Martin is very considerate. I heard that he gave Paige a pink diamond necklace from PQ Fashion.”
