Chapter 190 Come and Take It

“This...” Tyrell looked at the clothes and then looked at Paige. He said, “No problem... Why are you two still sitting on the ground? Hurry up and take my ***things in.”

“Mr. Tate...” One of the nannies wanted to say, “Isn’t this a gift for us? Why did you change your mind when Paige came?”

From the looks of it, Tyrell seemed to be very respectful to Paige, and there was also a trace of deliberate flattery....

The two nannies did not understand what was going on, and they were not convinced from the bottom of their hearts. Just as they wanted to pick up the clothes and go into the room...

Paige coldly said, “Get someone else to do it. I think their hands are **.”

“You...” The two nannies were so angry.

However, Tyrell listened to Paige and hurriedly called another person to deal with it.

“Paige, are you satisfied with this? You haven’t been back to this house for a long time. Let’s go in and have a seat first. I’ll get someone to prepare the fruit you like...”

When Tyrell said this, he asked the nanny behind him in a low voice, “What fruit does Paige like to eat?”

“Mr. Tate, I am also not sure...”

Ms. Paige does not seem to be picky about food. Did she eat everything?

However, in the past, they rarely cut fruits for Paige. No one remembered what she liked to eat.

“Then prepare the pastries that Paige likes to eat!” Tyrell raised his voice again as if he was deliberately talking to Paige.

The nanny whispered, “Mr. Tate, I also don’t know what kind of snacks Ms. Paige likes to eat...”

The snacks at home were all liked by Abbigail!

No one cared about what Paige liked.

Tyrell glared at her and said, “Then bring up all the fruits and pastries in the house. Although Paige has left this house, she is still my daughter! Paige, come in and sit!”

Lindsey rolled her eyes. Although Lindsey was not willing to give the things in the house to this **girl, Lindsey had to admit that Paige was now useful.

They could feed over a few orders for a long time!

“Aren’t we going to talk about cooperation? Fire the two of them and let me see your sincerity.”

Perhaps they did not expect that Paige would make this request. The two nannies were stunned, and one of them said angrily, “You **! You want to fire me just because you say so? Will Mr. Tate listen to you?”

If Tyrell fired two nannies, he would be able to exchange for a huge benefit for the Tate family. Tyrell could not ask for more and hurriedly said, “Anyone? Give them their wages and drive them out immediately. They are not allowed to be hired here in the future!”

“Mr. Tate?” The two nannies were stunned and could not believe that Tyrell would agree to fire them with a few words from Paige.

Did the sun rise from the west today?

“Mrs. Tate, Mr. Tate wants to get rid of us. Please say something!”

These clothes were given to them by Lindsey, and they were allowed to choose freely!

Why was it that they were in the wrong now?

“Since Mr. Tate has made the decision, you should get an extra month of salary and go to work for other people.”

“Mrs. Tate?” The two nannies did not expect that even Lindsey would not save them. Although they did not understand the reason, the two nannies still stared at Paige unwillingly and left in a fit of anger.

“Now, it’s time to settle our debts.” Paige looked at Tyrell and said coldly, “Return the things you took from Grandma.”

Tyrell heard this and suddenly felt a little guilty.

Lindsey immediately stepped forward and said, “***personally gave it to us. Why do you want to take it back? Even if you want to take it back, it won’t go into the hands of an outsider like you. Who knows if you won’t steal anything? What if it is like the last time you stole Abbigail’s necklace...”

The housekeeper next to them could not help but scoff. She still remembered what happened last time. Before Paige left the Tate family, he stole Abbigail’s gemstone necklace! Later, when Paige was discovered, she was so angry that she threw it away!

“In that case, we have nothing to talk about.” Paige was about to enter the room to look for the thing.

Unexpectedly, when Tyrell heard this, he thought that Paige did not want to cooperate and hurriedly pushed Lindsey. “What are you still standing there for? That is ***thing. Now that she wants it, you can let Paige take it back!”

“Why!” Lindsey knew that the thing was priceless and could be sold for a lot of money. It was worth more than the orders given by Paige!

“One should have a long-term vision!” Tyrell whispered and anxiously reminded, “Go and get it!”

Previously, the Lusk family threatened that no company was allowed to cooperate with them. If Paige’s subsidiary company could take the lead to get close to them, the other companies would definitely follow and think that the Lusk family had a good relationship with them.....

Besides, later on, Paige had to ask Mariela to design more free new models for them....

In the long run, cooperating with Paige was the most beneficial!

“Abbigail, take out yours too.”

Hearing what Tyrell said, Abbigail bit her lower lip unwillingly. That precious stone flower was so vivid. She could even listen to piano music from it. Abbigail liked it so much....

It had not been long since Abbigail got it.

Lindsey reluctantly looked at Paige and went to bring the thing over.

Paige put away the three things and walked out of the door with her long legs as if she could not wait to cut ties with this family.

“Paige, about cooperation...” Tyrell hurriedly called out.

“Don’t even think about it.”

“You **girl...” Lindsey realized that she had been tricked and immediately blocked Paige’s path. “Since you don’t intend to cooperate with us, hand over the items!”

“No way!”

“These are Madam Tate’s things....

“You also know that these are her things? If not for stolen by you, would her condition worsen?”

Hearing Paige’s words, Tyrell was somewhat surprised. “What did you say? What happened to ***? How could her condition worsen? When we went to see her this morning, she was still fine...”

“Tyrell, don’t listen to this wretched girl’s nonsense...” Lindsey pointed at Paige’s nose and warned her, “I asked you to take out the things. Do you hear me?”

“If you have the ability, come and take it.”

“Fine, you *girl!” Lindsey looked at the **next to her and said, “What are you all still standing there for? Hurry up and get them back for me!”

The housekeeper and driver immediately rushed forward, wanting to teach Paige a lesson.

Unexpectedly, before they could touch Paige’s hair, they were knocked to the ground by her.

While Lindsey was shocked, she couldn’t help but raise her hand, wanting to give Paige a loud and clear slap.

Unexpectedly, Paige held Lindsey’s wrist and looked at her coldly. Paige said, “Thanks to you, all Grandma’s previous efforts of resting have been wasted.”

“You let go of me...” Lindsey did not care about Cassie’s life or death. “I asked you to let go. Did you hear me? How dare you...”

Lindsey raised her other hand and wanted to hit Paige, but she did not expect to be blocked by Paige.

Paige flung her hand, and Lindsey suddenly fell to the grass and sprained her waist. The pain made her face change.

“Ouch... My waist...”
