Chapter 193 Martin's Help

Paige was puzzled.

Why couldn't she go upstairs to her room?

"Everyone knows the surveillance room is on the third floor! Ms. Paige sent everyone away so that she could go upstairs and delete the surveillance video."

Paige found that ***.

"What evidence do you have?" Bonnie was furious.

"You also have no evidence to prove Ms. Paige is innocent!"

"Enough!" Danica couldn't bear to continue listening, and she looked at Lauryn unhappily. "You are getting presumptuous. Paige is my biological daughter, and you are sowing discord. Do you not want to go back to your hometown to retire?"

"Mrs. Lusk, Ms. Patricia has been kind to me all these years. She is so hurt that I have to stand up for her! If I misunderstand Ms.

Paige, I will apologize to her. But now, I want Ms. Paige to give me an explanation! Why did you pass through the same place as Ms. Patricia but not fall?"

It was not her fault that Patricia didn't see it!

"Because I saw there was oil in that place," Paige said casually.

"Listen to that. She knows there is oil in that place!" Lauryn felt victorious and smiled, "I also want to ask why Mr. Stowe looked for Ms. Patricia for no reason. Did you lie? Mr. Stowe did not look for her at all! You made it up to cause Ms. Patricia to slip?"

Patricia looked at Paige in astonishment. Did Paige lie?

Martin didn't look for her at all...

No, no...

If that were the case, Patricia would tear Paige apart!

"You dare to ask why Martin is looking for her?" Paige thought it was funny.

Did she mean Paige should call Martin?

Lauryn knew Paige was lying. She smiled and said, "We dare not, but Ms. Paige can!"

"Lauryn!" Donald was just about to fire Lauryn when Paige spoke up.

"Okay, no problem."

Paige casually took out her phone and dialed Martin's number.

Patricia was nervous but hoped Martin was really looking for her!

If Paige lied to her, Patricia would definitely not let her off!

Soon, Martin picked up.

Every time Martin called out Paige's name, his voice was pleasant, charming, and doting.

"Paige."

"Have you eaten?" he asked in an enticing voice.

It was extremely pleasant to hear.

"Not yet."

"Are you hungry?"

"No."

Everyone was shocked.

"It's rare for you to call me. I miss you. What are you doing?" Martin sounded happy.

Patricia did not expect Martin to spoil Paige to such an extent in private!

She passed the problem to him.

"I put it on speaker." To prevent him from saying more intimate words, Paige said, "Why are you looking for Patricia in the

"It's nothing." Martin reacted instantly.

Patricia was a little disappointed. She thought Martin wanted to profess his feelings to her or ask her out to drink coffee or chat.

Put it on speaker? Why are you looking for Patricia?

"I want to tell her that 1 only like you."

Everyone was shocked.

"Last time I went to your house for breakfast, your parents were still asleep. She said she liked me, but I refused." Patricia widened her eyes. She never expected Martin to mention that.

Amily could not believe it. Martin actually said it....

It was on speaker!

Sure enough, Donald and Danica were shocked and displeased.

Everyone could hear it!

again." The word "again" was used cleverly. Everyone was stupefied. Did it mean Patricia often bullied Paige in private?

It was a lot to digest!

"You are too kind." Martin's tone was full of love and heartache, "You don't want me to speak up for you or have a good talk with

Donald and Danica got even angrier when they heard their precious daughter had been wronged after she returned home!

"You are afraid they will be sad, but if you don't tell them the truth, you will not be happy. You have suffered too much

"I don't like her. First, I want her to give up. Second, I don't want her to hurt your parents. Third, I want to warn her not to ***you

your parents. Don't think I don't know you have been wronged at home." Paige was interested and thought Martin, was quite clever.

alone. "Not all kindness can be repaid. I know you don't ask for anything in return. You are so pure and kind."

Martin knew Paige put it on speaker and deliberately said it to some people. "No matter what she does, I only like you. That will not change."

They were shocked that Patricia was so ambitious as to seduce Martin and ***Paige!

Everyone was silent...

table angrily.

Patricia was dumbfounded.

"Dad, ***, it is not what you think..." Patricia wanted to get up and explain, but she was in so much pain that she fell off the sofa as soon as she moved. She felt all the bones in her body were broken.

"If there is nothing else, I will hang up first." Paige did not wait for him to finish speaking and ended the call.

crush on Martin! I know it was wrong. But I am over him now! Really!" "Mrs. Lusk, don't be distracted! We are investigating Ms. Patricia's fall today!" Lauryn quickly changed the topic.

"You mean Martin was lying?" Danica did not believe Martin could lie. There was no need for him to wrong anyone!

"We took you as our own, but you tried to seduce Paige's fiancé behind our backs. You even bullied her!" Danica slammed the

Patricia was so frightened that she quickly crawled to her feet. "***, **, you misunderstood! That was in the past! I did have a

"Don't you want the truth?" Paige's voice casually sounded. "Then I will give you the truth! Bonnie, please help me. bring the laptop into the room."

Everyone watched as a large amount of code appeared on the computer screen. Although they did not know what she was doing, she looked awesome!

Amily froze for a few seconds and quickly looked at Lauryn!

Soon, in front of everyone, Paige typed codes on the keyboard.

"***up!" Danica knew Lauryn was not a good person!

"Yes." Bonnie quickly went to get

Donald and Danica were confused by their daughter. What was she doing? After a while, the surveillance footage from 5:30 to 6:00 in the afternoon was restored!

Lauryn also found it hard to believe. How could this be? The surveillance footage in this half-hour had been deleted by Lauryn! Lauryn also cleared the recycle bin!
