Chapter 195

Chapter 195 Turn the Tide

Donald and Danica looked at each other as if they had doubts. Was this a setup?

Who was the mastermind?

Who instigated Lauryn?

Who wanted to harm Paige?

Lauryn bent down and cried, "It was my fault. After Ms. Paige returned, Ms. Patricia was neglected, so I hated Ms. Paige. I wanted to find a chance to make her embarrassed... I wanted to make her fall, but I didn't expect Ms. Patricia and Amily to fall..."

Lauryn cried and knelt in front of Patricia. "I'm sorry, Ms. Patricia. I didn't expect to hurt you. I'm really sorry..."

In the end, Lauryn took all the blame...

Patricia said in pain, "Lauryn, although you love me, you used the wrong way. I was not neglected in this house. My parents are very good to me, and so is my sister. You almost wronged my sister and made my parents angry. You really disappoint me!"

"I'm sorry, Ms. Patricia. I have let you down..."

Amily echoed, "Lauryn, you shouldn't have deleted the surveillance video. That way, others would think I deliberately spilled the oil and colluded with you to harm Ms. Paige. If that really happens, I won't rest in peace even if I \*\*\*..."

"I'm sorry, Amily. I was wrong. It has nothing to do with you.

"I

Lauryn knew Patricia would compensate her after this, so she took all the blame on herself. "No one ordered me to do this. I hated Ms. Paige and wanted to hurt her. It has nothing to do with Ms. Patricia and Amily..."

"You can leave. We will not keep you. You and your family can't work in any of the industries under the name of the Lusk family!" Danica said and looked at Dalia. "You will also leave. In the future, whoever dares to be disrespectful to Paige will have the same ending!"

"Yes!" The other \*\*bowed and thought Danica loved Paige so much!

Lauryn and Dalia cried to thank Donald and Danica for their kindness. They said goodbye to Patricia and apologized to

Paige...

Then they went upstairs to pack up.

"Now, it is time to deal with you." Danica's gaze fell on Patricia with a trace of coldness.)

Patricia quickly put her arms around her legs and cried, "\*\*\*\*, please listen to me. I did have a crush on Martin. Since I was a child, he has been my fiancé. My love for him is justified. But suddenly, Paige returned."

Patricia cried, "I can't keep my feelings for him. I made a mistake and told him I liked him, which was a mistake. After that, Amily criticized me. I realized I was wrong. I swear to the deity I will treat him as my brother-in-law! If you

don't believe me, you can ask Amily. I haven't seen him recently! How can I pester him!"

Amily quickly chimed in, "Mrs. Lusk, Ms. Patricia is telling the truth. After that, she found a boyfriend!"

Patricia was shocked.

Everyone was surprised.

"Boyfriend?" Donald and Danica were stupefied.

"Yes, it's Declan Thomson. He has chased Ms. Patricia from junior high. It's been six years. A while ago, Ms. Patricia was moved by him, so she agreed to date him..."

Amily said sincerely, "Because they have only been dating for a few days, there are too many uncertain factors, so I didn't tell you about it. I didn't mean to hide it!

"I wanted to tell you after the summer vacation..." When Patricia said that, her face revealed the shyness and sweetness of a girl in love. It could be seen she really had feelings for Declan.

"Are you really dating Declan?" Danica asked doubtfully.

"Mrs. Lusk, I am with Ms. Patricia all day long. I can testify! I saw them chat until midnight. They have dated more than once! These days, Ms. Patricia was out frequently to see him!"

"Amily!" Patricia pretended to stop her as if blaming Amily for revealing her secret.

"Ms. Patricia," said Amily quickly. "You have someone who cares about you. Mr. and Mrs. Lusk will be happy for you. It doesn't matter if you tell them. Mr. and Mrs. Lusk, if you don't believe me, Mr. Thomson will come tonight. He said he would take Ms. Patricia to watch a movie. You will know if what I said is true!"

Donald and Danica looked at each other. If Amily and Patricia made the whole thing up, how could Declan invite Patricia to watch a movie tonight?

Declan and Patricia should really be dating....

If Patricia had a boyfriend, it would be a good thing because she would get over Martin.

They knew Patricia. If she could not let Martin go, she would not agree to date another man!

So, she was really dating Declan...

Bonnie could not help but say, "Just now, Lauryn asked Ms. Paige to call Mr. Stowe to prove her innocence. Then, can Ms. Patricia also call Mr. Thomson to prove they are really dating?"

"Bonnie, you don't believe Ms. Patricia? Or do you not believe me? Do you think I made things up? Even if I did, how could Ms. Patricia really date someone so casually? Ms. Patricia wouldn't just date any man! Besides, if I made it up, how would I know someone asked Ms. Patricia out tonight to watch a movie!"

"You..."

"Besides, Ms. Patricia and Mr. Thomson have only been dating for a few days. If she calls him now, it will make him feel weird and harm the relationship!"

The Thomson family was also rich. Although it was not as powerful as the Lusk family, the gap was not big.

Declan was handsome and clever.

"Then why did you \*\*\*Paige?" Danica asked.

"Mrs. Lusk, you really misunderstood me!" Amily quickly said, "Lauryn had a problem with Ms. Paige and hurt her.

It's not Ms. Patricia's fault!

"Lauryn made a mistake, and Ms. Patricia can't take the blame, or she will be wronged!

"Ms. Patricia has never hurt or yelled at Ms. Paige. Dalia and Lauryn were disrespectful to Ms. Paige because they are \*\*. Mr. and Mrs. Lusk, please understand!"

"Dad, \*\*\*\*, if I really \*\*\*Paige, I will be struck by lightning. I will \*\*\*a \*\*\*death!" Patricia did not believe in luck. She knew the oath she made would not come true, so she continued, "I would be hit by a car, choke to death by

food, and be smashed by something falling from a high place..."

Danica couldn't take it anymore. "Enough! If you are really over Martin and did not order others to \*\*Paige, this

will be over. But if I find out you \*\*Paige and even have illusions about Martin..."
