Chapter 202 I'll Break His Legs

At lunchtime...

When the employees, who were eating in the dining hall, saw Hernan and Paige come together, they were so shocked that they could not hold their forks and knives steadily.

They wondered, hasn't Mr. Lusk left yet?

And he even stays in the company to have lunch with Ms. Paige

Is it true that Mr. Lusk loves Ms. Paige?

But Ms. Paige hasn't even gone to college!

Is it possible that they have been together?

"He looks so gentle when he talks to Ms. Paige."

Hernan leaned over and listened to Paige. Then he nodded and said something to the waiter. He even helped Paige to

get the food, served it to the table, and let her sit in her seat to wait for him.

"Mr. Lusk is such a gentleman! He helped Ms. Paige to get food first before he got his. He's so patient."

"Paige!"

At that time, Mariela got her meal and saw Paige sitting alone at the table. She smiled and sat next to Paige. "Why are you sitting here alone? Did Mr. Lusk go back?"

As soon as she finished speaking, she saw Herman walk towards them with a tray.

"Mr. Lusk?" Mariela was shocked. "I... Did I take your seat? I'm sorry. I just..."

"It's fine. You can join us."

Hernan sat opposite Paige, wiped his hands with a sterilized tissue, and began to peel the shrimp.

"Mr. Lusk, do you like to eat shrimp? Paige likes seafood too..."

"I peeled it for her." Hernan put the peeled shrimps on Paige's plate one by one. "These dishes are all for you."

There were four to five dishes on his plate, all of which were Paige's favorite, including the soup.

But there was not a single dish that he liked to eat.

"Paige, Mr. Lusk treats you well..." Mariela was envious, adding, "Mr. Lusk, you really should try the food here. Since Paige handled the dining hall, the food here is much more delicious than before. It's fresh and delicious!"

"Really?" Hernan put the peeled shrimp into Paige's plate. "I'll try it later."

He looked at Paige and smiled, "They all think highly of you."

"Mari is my good friend."

Their relationship was so good that Mariela was not just her subordinate.

"If you have time, then you can invite your good friend to come home." Hernan finished peeling the shrimp and helped Paige to deal with the ribs, putting the meat into Paige's plate.

"Hernan, you should also try some," Paige said when she saw that Hernan was still serving her.

"As long as you have a good meal, I will be happy. Don't worry, I'll have some after a while."

Hernan did not stop what he was doing, saying, "This time, I will be abroad for a long time. You should take good care of yourself. When you are bored, you can go shopping and watch movies with your friends. All the expenses will be counted on me. If there is something that you can't solve, just call me."

"Okay." Paige pushed the dishes to Hernan, saying, "Herman, try some. It tastes good."

Hernan felt warm because of Paige's care! As his elder sister, Paige was so nice to him!

Hernan suddenly wanted to show off to others!

"I will come back as soon as possible." After dealing with the ribs, Hernan removed the fishbone for her carefully. He said, "Jack will be back in a few days. He's always so careless. If you feel sad or wronged because of him, just tell me. I will break his legs."

When Mariela heard this, she trembled in fear. It seemed that Hernan could be ruthless though he was soft in front of Paige!

Did he just say that he would break Jack's legs? That was so terrifying!

"Is Jack coming back?" Paige was a little surprised.

"Yes, I don't know exactly which day it will be. Just let him alone." Hernan put the fish onto Paige's plate, thinking that there was no chance for him to serve Paige recently, and Jack would be the lucky dog!

"It's too much. I can't eat them all." Paige wanted to stop him, saying, "If you don't eat, I won't either."

"Okay. I'll go wash my hands first." Noticing that almost everything was done, he wiped his hands with a disinfecting tissue. "After getting some soup for you, I'll have the meal."

When Hernan left, Mariela could not help but hit Paige with her elbow. "Gosh, I have never seen Mr. Lusk be so soft before. Paige, I envy you so much for having such a good brother. Last time, he helped you vent your anger in front of so many people. This time, he peeled shrimp and served you here. If only I had such a good brother!"

"Your mother is good to you, isn't she?" Paige smiled gently. She had never felt the love and concern in the Tate family for eighteen years; except for the warmth from Cassie....

The surrounding employees were gossiping.

"I think Mr. Lusk loves Ms. Paige! That's for sure!"

"In the morning, a man wrote a love letter to Ms. Paige through email. When Mr. Lusk found it, that man was immediately transferred to another subsidiary company! It means that Mr. Lusk loves Ms. Paige so deeply."

"It's so obvious. I am wondering when we will be invited to their wedding!"

"If they get married, will we be given a holiday?"

"I envy Ms. Paige so much. I also want to be treated like this by Mr. Lusk.."

Hernan gave Paige a plate of soup, picked up a lot of the dishes on his plate, and gave them to Paige. After that, he began to eat.

Halfway through his meal, he suddenly stopped and asked, "Paige, what's your favorite flower?"

"Flower?" Paige was a little stunned, and then responded, "Daisy."

She wondered why Hernan suddenly asked about this.

"Then how about I let them plant some daisies on your terrace?"

After he went abroad, he wanted Paige to think of him whenever she saw them!

Hernan was afraid that Paige would forget him after her other brothers came back.

Paige did not know what he was thinking, and she just nodded. "Okay."

But she sensed that Hernan was somehow strange.

After lunch, Paige returned to the office, and Frank put the things she bought in front of Paige immediately.

"Ms. Paige, this is the new tea and coffee beans. Which one do you want to try first?"

"Coffee, please."

"I'll make it for you right now!"

After making coffee with a coffee machine, Frank handed a cup to Hernan and a cup to Paige, saying, "Ms. Paige, how does it taste? Is it too bitter? Do you need to add sugar?"

"No, you can mind your business now." When Paige said as she looked at Hernan, who was sitting on the sofa. Paige could not help but ask, "Do you like this brand of coffee?"

"Well, it's mellow and not bitter, and it tastes fragrant. It's a rare taste." Hernan's eyes softened. "Try it out."

After that, Hernan looked at Frank and asked, "Have you handled it?"

"I have already told the Purchasing Department about it. The coffee and tea that Ms. Paige drinks in the future will be sent directly from the headquarters. They don't need to buy them anymore."
