

Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 203

Chapter 203 The Dress Is Torn

"Okay." Hernan then picked up the coffee and took a sip.

"Not bad." Paige also picked up the cup and tasted it.

At that time, someone sent the snack cabinet and snacks over, and Frank tidied it up. "Ms. Paige, Mr. Lusk doesn't usually eat snacks. If they don't suit your taste, you can tell me, and they won't appear next time."

"Okay." Paige usually didn't eat snacks, but seeing that Hernan was so considerate, she felt warm in her heart.

Frank put the snacks in different categories, and also put some notes on them, reading, "***, **snacks, biscuits, candies, pastries, potato chips." Then he pasted them on the cabinet to make it easier for Paige to find a certain snack.

At the same time, Deon was drooling, feeling so jealous on the side. He also wanted to have such a powerful and gentle brother...

Seeing that Frank was done with his work, Hernan asked him to return to the headquarters first. "I will stay with Paige for a while."

After going abroad tomorrow, he would have little time to be with Paige.

"Yes!" Frank left respectfully.

"Ms. Paige, I wonder if that **snack will be too **for you. If you need it, I'll help you try it first..." Deon

chuckled.

"Go out and mind your work," Paige said with a poker face.

She hadn't eaten the snacks that Hernan prepared, so how could Deon have them first?

"Yes..." Deon left with pity.

"You can mind your business, and I'll just stay here." Hernan sat on the rattan chair opposite Paige, seeing her dealing with the work beside the company.

Her slender fingers tapped on the keyboard, and she replied to messages, flipping through documents, and signing documents. In less than half an hour, she had dealt with several things.

Her work efficiency could be said to be comparable to his, but Paige was just eighteen years old!

She was indeed outstanding.

After a while, someone called her. She got up and went to the balcony. Just then, someone knocked on the door of the office. Hernan said lightly, "Come in, please."

When Mariela came in, she found that Hernan had not left yet. No wonder she heard his voice when she knocked on the door just now!

At that moment, Mariela hid the things behind her back, saying, "Mr. Lusk."

"What did you hide?" Hernan looked at her, feeling curious.

Mariela knew that she couldn't hide it anymore, so she could only take the things to the front. "Ms. Paige helped me a lot before. Recently, I bought a few snacks on the Internet. They are quite delicious! So I want to give some to her... I...

I didn't mean to desert during work time."

Her timid expression was somewhat cute..

"She went to make a phone call. You can put them on the table." Hernan didn't mean to blame her.

"Sure, Mr. Lask!" Seeing that Hernan was not angry, Mariela hurriedly put down the snacks on the desk. Because she was too anxious, her knee hit the chair next to Hernan, and she felt pain. Just when Mariela was about to leave, her dress was **by the rattan.

Mariela let out a scream. This time, she fell with the chair.

Hernan caught her quickly, and Mariela fell into his arms.

Mariela looked at Hernan in shock. Hernan also lowered his eyes and looked at her. The sweet breath of the girl in his arms immediately came....

Paige came in after the call and found that the two were in a very intimate position. What happened?

"Are you okay?" Hernan lowered his head and asked the girl in his arms.

"Yes, it's... I'm fine..." Mariela tried to stand up several times. But she stepped on her torn dress, slipped again and again, and fell into Hernan's arms...

Her face blushed, and she stuttered, "L... I'm sorry, Mr. Lusk... I... I didn't mean it..."

Mariela almost cried, and she was ashamed. For the last time, she made up her mind and stood up. Unexpectedly, the dress was stepped on by her, and it was torn terribly. It fell apart in front of Hernan, and Mariela was shocked that she

screamed...

Hernan took off his suit jacket and wrapped it around her waist quickly. He rolled up his sleeves to cover her exposed body.

"Mr. Lusk, I... I'm sorry. Thank you..." Mariela felt so embarrassed that she rushed out of the door.

Hernan somewhat blushed unconsciously, and there seemed to be her sweet fragrance in his arms...

When Paige entered the office, the high heels clicked on the ground. Hernan came back to his senses, but he still blushed.

"Her dress is torn. She may need your help."

"Well, I saw it."

Paige smiled. She suddenly felt that the two of them were quite suitable. Then she took out her mobile phone and called Deon, "Please go to a nearby clothing store and buy a dress in average size."

"I'll go buy it." Hernan felt that if he stayed any longer, Paige would notice his blushed face. Soon, he got up and walked out.

"Okay. You don't have to buy it. Hernan will go personally," Paige said to Deon on the phone.

Then, she called Mariela, "Where are you now?"

"Paige, I...I'm so embarrassed! I'm in the female restroom now..." Mariela felt extremely awkward.

Although she still had Hernan's suit jacket on her waist, her dress was so torn that she didn't dare to go out.

Today, she was wearing a long lace dress. And she didn't expect that the dress would be badly torn with a **....

Just now, she felt that her underwear was exposed. Probably, Hernan had noticed it.

Thinking of this, she was so ashamed and regretful. If she had known it, she wouldn't have bought such a cheap dress!

"I'll send the clothes to you later."

Paige's voice came, and Mariela was extremely excited. "Paige, you're so nice to me."

"It's Hernan who will buy the clothes for you."

"What?" At that time, Mariela blushed again!

After a while, Hernan came back, and Paige sent the clothes to the female restroom. After Mariela changed, she wanted to ask Paige to return the suit jacket to Hernan. After all, she was too embarrassed to meet Hernan...

Unexpectedly, Paige suddenly received a phone call and walked out of the female restroom first.

When Mariela just came out with Hernan's suit jacket in her arms, she saw Hernan standing outside. Her face blushed again. Mariela remembered that she fell into his arms again and again, which was so embarrassing....

Mariela hurriedly stuffed the suit jacket into Hernan's arms, saying respectfully, "Thank you, Mr. Lusk. I will money for the dress to you later."

pay

the

Hernan was about to refuse, but she had run far away...

It seemed that Mariela was so scared of him...

Wasn't she afraid of falling again...

After Paige finished the phone call, she only Hernan with a suit jacket in his hands, and Mariela had left.

"Where is Mari?" Paige asked.

"She left."

"Why did she look for me in the office?"

"She said she wanted to share some snacks with you."
