

Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 215

Chapter 215 Let's Make a Bet

"Are

you blaming me?" Lindsey was furious. "I didn't know she was so excellent. Besides, with her personality, even if we treat her well, she may not repay us. So many things have happened to us. But she has never lent

a hand."

"Enough!" Abbigail was very upset, but her parents were still arguing. It was annoying.

Lindsey finally noticed her upset and said, "Abbigail, don't take today's matter to heart. A score of 1,320 is already very impressive! We are proud of you!"

Abbigail was not convinced. She thought, that ***got the highest score, but I only got 1,320!

It's too embarrassing!

"I'm going to my room!" Abbigail wanted to change her clothes as soon as possible. She had gotten dressed up because she mistakenly thought that the teachers from famous universities were here to visit her....

Abbigail had made a ***of herself!

In Larsen Villa.

Patricia, dressed in an elegant nightgown, went downstairs with a tablet in her hand. She asked gently, "Amily, go and see what happened to the WIFI. Why can't I connect to the internet?"

"I can't use WIFI or 4G. I need to check my SAT results..."

"Ms. Patricia, don't worry. I will go and find out what is going on."

Amily knew that the SAT results would be published today. She thought, maybe Paige knew that she wouldn't get a high score, so she let someone break the WIFI device. Paige doesn't want people to compare her score

with Ms. Patricia's.

Thinking of this, Amily sped up. She could not wait to see Paige being embarrassed.

After a while, Amily rushed back like she had seen a ghost. She hurriedly ran into the living room with an excited s ey face. "Ms. Patricia, Mr. Lusk received news that more than a dozen teachers and professors from famous universities are on their way here. It's said that the student who got the highest score is in

Larsen Villa!"

Amily took a breath and quickly continued, "Some professors from top-ranking universities also came. They are rushing over using all kinds of vehicles! In the entire Larsen Villa, only you and Ms. Paige have taken the

SAT!"

Patricia was overjoyed. So, maybe I'm the one who got the highest score?

A maid next could not help but say, "Could it be Ms. Patricia? Ms. Patricia has done her schoolwork very since she was a child! She even got first place in the last examination!"

"Ms. Paige has gone to an ordinary high school. Even if her academic performance has been good, it's unlikely that she would get the highest score on SAT. Right?"

well

"I think the possibility for Ms. Patricia to get first place is higher."

"Me too."

"No matter who it is, let's go wash up first and change into decent clothes. It is said that some of the

teachers are about to get here!"

Patricia felt that she was the first, but she didn't dare to show her excitement. She suppressed her joy and

asked, "Where are my parents?"

"They went to the hospital early in the morning to give the medicine to your grandparents. They are on the

way back now," Amily replied.

Patricia said, "Then I will go and change my clothes first."

After Patricia went upstairs, Bonnie felt anxious. She came to Paige's room and hovered in the doorway.

Paige spent the ***night drawing a design draft and making an antidote. She had just gone to bed.

Before Paige slept, she asked Bonnie not to wake her up or call her for lunch..

Paige would become irritable if she didn't sleep well.

Bonnie lingered at the door for a long time. Finally, she sighed and went downstairs. She didn't want to wake

Ms. Paige.

Patricia finished changing her clothes and went downstairs. Amily smiled and praised her. "Ms. Patricia, you

are so beautiful! Look at your temperament and your face. No one can compare to you in this world!"

The maids around thought of Paige's beautiful face. They felt that Paige was more beautiful. But they could

not put a damper on Patricia or say their real thoughts.

After all, Patricia was quite good-looking...

"Ms. Patricia, congratulations! The number one must be you!" Someone asked with a smile, "What major do you want to apply for? Have you thought about it?"

Patricia pretended to be modest and said, "I don't know if it is me. If it is Paige..."

"Ms. Patricia, everyone knows how excellent you are. It must be you!" Amily smiled confidently, "I was the one who brought you up. I'm pretty sure. Who else could it be other than you?"

At this moment, one of the maids said excitedly, "I can connect to the WIFI now. Ms. Patricia, the internet has recovered! You can check your SAT results now!"

Patricia hurriedly picked up the tablet on the sofa and entered the familiar ticket number and ID number.

A group of servants surrounded her, chattering non-stop.

"Why can't I open the web page?"

"Has the system become slow because there are too many people checking the results?"

"I'm so nervous. I'm even more nervous than when I checked my SAT results back then..."

"Ms. Patricia's score must be very high..."

After a long time, the page still didn't show the score. A maid comforted softly, "Anyway, the number one must be Ms. Patricia. It can't be wrong! Everyone, don't worry. The system is just loading data."

"I want to congratulate you in advance, Ms. Patricia. Mr. Lusk and Mrs. Lusk will be proud of you!"

*Congratulations, Ms. Patricia..."

"Ms. Patricia, congratulations!"

Although Patricia knew that she must have gotten the highest score, she still waited for the result. Patricia stared at the page and didn't look away at all. She said gently, "Don't congratulate me now. If it's not me..."

"It must be you!" Amily couldn't help but sneer proudly, "Two people in this family have taken SAT. If one gets the highest score, and the other ranks a lot lower, the gap will be very obvious! If I was the latter, I would dig a ***in the garden and lie in it. I would rather ***than lose face."

Everyone knew that Amily was mocking Paige. But no one dared to speak for Paige, because Amily's status was higher than theirs.

Only Bonnie stood out. She said with dissatisfaction, "Amily, the result hasn't come out yet. We don't know

who is the top one yet."

"

"Hehe. You will feel embarrassed when you see the result later!" Amily looked at Bonnie and sneered, "I don't know what benefits Ms. Paige has given you in private. Why are you speaking for her? Let's have a bet. What

do you think?"

Bonnie was a little angry and puzzled. "What do you want to bet?"

"Let's bet on all the housework in this family! The ***will have to do all the work today on her own. OK?"

"OK!" Bonnie felt that she could not give in now. She didn't want to be looked down upon. Bonnie thought, / can't just watch them laughing at Ms. Paige!

At this moment, someone shouted excitedly. "It has come out! Ms. Patricia's score has come out!"

The servants got ***to the tablet!
