Chapter 222 Her Surname Is Lusk?

"Paige became a professor at the University of Chicago because of me. In total, she only gave the students

two lessons. But she is busy, I can understand..."

As for why Paige chose the University of Illinois at Chicago, Cason taught Paige so many medical skills.

Paige was better than Cason. Naturally, Paige had to go back and repay Cason. Cason was researching medicine. If Cason joined hands with Paige, the development would be faster

Killian's excited and happy voice came from the phone.

Paige smiled and said gently. "Learning is originally my task. There is no need to reward me."

"Tsk, you are even so obedient. I must reward you! If you don't tell me what you like, I will make the decision!"

"Killian, I don't need anything."

"No. I want to buy something for you! The money of the Stowe family is all yours! You don't have to worry

Paige was confused.

"If the gift he *is more interesting and more valuable than the gift I send, then I will be inferior to him! I will talk to him after I send you a gift!" Killian said, and then hung up the phone.

"Paige, are you free at 8 tonight? I got the pill you need. But there is only one pill! I have something to do and I
