Chapter 225 A Crush

Paige arrived at Lar\*en Villa. She had just got out of the car when her phone rang.

"Boss, we found something about the fire many years ago. We got two suspects. But they said nothing after we beat them up. I'm afraid they'll \*\*\*if we continue to beat them. Maybe you can come here."

"OK." After hanging up the phone, Paige saw that the cab driver had not left yet, so she got into the car and said, "Sir, I need to go to Knapcoll Villa."

When the driver heard this, he asked in surprise, "Is it the big villa on the top of Knapcoll Hill in the suburbs?"

The driver had heard that Knapcoll Villa was the private residence of a rich man, and ordinary people were

not allowed to get in there.

Besides, it was said that the rich man had a bad temper If anyone \*\*\*into the mountain, they'd be stopped by the pillars rising from the ground.

If they got out of the car and wanted to go in there, they'd be stopped by a group of bodyguards.

Therefore, no one dared to go to that place.

The driver took a glance in the rearview mirror. He wondered if Paige knew the owner of Knapcoll Villa.

Paige asked him to drive her to Lar\*en Villa before. Now she wanted to go to Knapcoll Villa. The driver thought that Paige must be a big shot.

The driver thought Paige might have cars and a chauffeur

The driver didn't know why Paige chose to take a cab.

"You can't go to the top of the mountain. Just stop at the foot of the mountain."

"Okay, please put your seat belt on." The driver started the car and \*\*to Knapcoll Hill. Not far away, Jack sat in a high-end car and saw the scene. He narrowed his eyes when he saw the cab left.

Jack was attracted to Paige when he saw her pretty face.

Jack wanted to know more about Paige.

He had never seen a girl who was as beautiful as Paige. Her finely carved features and long hair made her

look detached and aloof

Paige was Jack's type in every aspect.

"She just left your house. It seems that she took a cab home. She must be a good girl." Karen found that Jack liked Paige. He

Jack was a little surprised when hearing that. He wanted to see that girl again.

on some weight."

"What? That's impossible. Danica patted his shoulder and then asked the housekeeper to bring her the scale."

"Oh no! I gained 1 1 pounds! Tell them not to cook midnight snacks for me?" "Where is my sister?" Jack smiled and looked around. He didn't see his sister. He scratched his head and

guessed that she might be sleeping

"She's not at home. You're not a good brother

Danica snorted and turned around Jack was surprised when hearing this

"Where did she go?"

I see \*\*, I'll go upstairs and take a shower

"Wait, I have something to tell you.

Danica turned to look at him and said, "She just left home. She wont be back soon

Seeing Jack walking upstairs quickly, Danica was a little angry She was clear that Jack knew what she wanted to say, so he made an excuse and left.

Jack went downstairs after forty minutes. He took a seat and began to eat the fruit on the table

"When will she come back?" Danica grabbed his arm and said, "What are you up to these days? I haven't seen you for so long Besides,

why can't you find a girlfriend?" Danica thought of something and couldn't help but ask. "I heard that there're many g\*y people in showbiz."

You like boys?" Pfft \*\*, what are you talking about?" Jack almost choked on the grape.

reason that you don't want me to introduce girls to you? If you do, just tell me. I can accept that."

"Even if you're g\*y, I'll be fine with it. At least you're not single!"

"\*\*, what are you talking about?"

Danica thought she guessed right when she saw Jack's expression. "Jack, tell me the truth. Do you have a boyfriend? Is it the

Jack shook his head and said, "\*\*, come on I'm not lying Please trust me And I can find a girlfriend if I

want."

"Walter, one of your classmates, got engaged. He and you are of the same age leven attended his engagement party When will you get married" Danica asked worriedly

"So why don't you find a girlfriend now? Although you're neither tall, nor handsome, nor young

Jack threw two grapes into his \*and said, "Ti find a girlfriend soon "Really?" Danica was surprised. So who is your crush? Do I know her?"

"\*\*, I am only 22! I'm still young" Jack could not help but retort

"I did find a girl who is quite special "Really? Who does she belong to Danica asked What is her name? How old is she? Where is she from?"

"The door of our house? You mean the daughter of the Bodley family?"

"I met her tonight at the door of our house She looks attractive

Danica had always dreamed of the day that Jack found a girlfriend

have changed a lot if the girl was really Zoe "Yeah, she came to visit us with gifts tonight. She's sweet and nice" Danica said. "You came back from another city, but you

didn't bring us any gifts. Alas!"

"Didn't you say that you don't need anything and just want me to come back?" "I wanted you to get married this year But you don't even have a girlfriend. You never listen to me," Danica replied. "How many days do you take off? Zoe will come here tomorrow. Maybe you can have a meal with her

"Is she Zoe Bodley?" Jack was surprised. Although Zoe was his friend in their childhood, she went abroad with her parents when

she grew up. She went back two years ago. The girl that Jack met just now didn't look like Zoe at all. Jack thought that Zoe might

"Short hair?" Jack was stunned. The girl I met has long hair!"

"Long hair?" Danica frowned and thought of something. She continued, "Mrs. Clifford came here with her

daughter tonight. Her daughter has long hair. Look, is she that girl?" She took out her phone and showed Jack the picture of Kamora's daughter

Oh, by the way, I like her short hair and big eyes."
