Chapter 226

Chapter 226 Complain

“No, she’s not that girl.” Jack shook his head when he saw the photo of Kamora s daughter She was not as pretty as the girl he saw before.

“Are you sure that girl came to our house tonight?” Danica turned on her phone again and showed him the photos of the daughters of her friends. “Did you make a mistake? Is she Aniya or Aliza? But neither of them

came here tonight.”

She checked the photos and asked, “Which one did you meet tonight?”

“I don’t know either. I just saw her coming out of our house and getting into a cab

Danica recalled the girls who left here tonight. Since Jack mentioned that the girl he saw had long hair, Danica thought she might be Paige.

But Danica remembered that Paige ***away from here Danica didn’t think Jack could see Paige

“She’s much prettier than the girls in these photos.”

“Nonsense!” Danica put away her phone and said, “The girl who is prettier than these girls can only be your sister!”

“Impossible!”

Jack heard that his sister grew up in a small town. He didn’t think she’d be prettier than the girl he saw at the door

At that moment, he heard a sweet voice.

“****, I’m back ”

Danica stood up when she heard that voice. “Paige, you’re back! Look, this is Jack, your fifth brother He came back to see you!”

Then Danica turned to look at Jack and said, “Jack, Paige is back. Come here.”

When Jack saw Paige’s pretty face, he recognized that she was the girl he saw at the door

Jack couldn’t believe that she was his sister

He felt his heart was broken. He had thought he saw his true love tonight. But now he realized that he was wrong

Jack felt very down.

Paige felt the name of Jack sounded familiar She raised her head and then saw Jack.

Judging from his height and hairstyle, Paige recognized that Jack was the one who stepped on her pills in the airport

Paige didn’t expect him to be her brother

“Are you my sister?” Jack walked up to Paige and looked at her He was two heads taller than she was. Jack pinched Paige’s cheek and said, “Wow, you look so adorable. You look like a doll.”

“What are you talking about?” Danica almost rolled her eyes when hearing this.

Paige hated people touching her the most. But Jack smiled at her and looked very gentle. Paige didn’t get angry at all when he pinched her cheek.

“Hello, Jack. My name is Paige.”

“I know. ***said that you are a very sweet girl. She is right.” Jack pinched her cheek again.

Paige nearly laughed when she heard his words.

Paige thought Jack was deceived by her face.

“Oh, this is a gift for you,” Jack took out the gift he had prepared an advance and said. “I wanted to buy the product of PQ Fashion for you, but its manager has a bad temper I wanted to get a product custom-made.

But she said that she was busy and did not take the order

Jack got angry with the manager at that time.

Danica turned to look at Paige when she heard this.

Paige was speechless when hearing Jack’s words.

She didn’t expect that Jack would think she had a bad temper

But Paige didn’t want to explain to Jack for now.

“Jack, what are you talking about?”

Before Danica could finish speaking, Jack said, Tm telling the truth. Everybody knows that the manager has

a bad temper. If one wants to get a custom-made product of PQ Fashion, they must come to her when she’s in a good mood.”

“***up!” Danica immediately changed the topic. “You haven’t finished what you just said. Is the girl you

talked about as beautiful as Paige? Paige is the most beautiful girl in the world!”

Jack was heartbroken when he learned that Paige was his sister. He murmured, “Yeah.”

Jack had never expected the girl he saw at the door to be his sister.

Paige took the gift and had mixed feelings. “Thank you, Jack.”

“You don’t have to be so polite. I’m your brother Do you like the gift? If you don’t, I’ll buy you a new one.”

Paige opened it and saw it was a whole set of limited edition jewelry from a luxury brand. There were bracelets, necklaces, earrings, and rings in it. They were worth more than 16 million dollars.

“I like them. They’re beautiful.”

“Good.” Jack patted her head gently. She looked very adorable in Jack’s eyes.

“Ms. Paige, you’re back. The midnight snacks are ready. You can eat them now.”

“Paige, where did you go tonight? Jack followed Paige and asked. “I saw you take a cab. I’ll be home in the next few days. I can drive you to where you want to go.”

“OK. Thank you, Jack.”

“You can eat first. I’ll go ask Ms. Patricia to come here.” The housekeeper found that Patricia had been staying in her room most of the time today. He guessed Patricia was in a bad mood because she didn’t get a high SPA

When Jack sat down on the chair, his phone rang.

“What? Did she turn us down again? Well, I won’t ask her to write the song”

After Jack hung up the phone, Danica asked, “Who is it? Why do you get so angry?”

“We came to Vallorie and wanted her to write a song. We’d pay her 16 thousand dollars per note. But she turned us down. She said she was busy and didn’t have time to write songs. My agent came to her again and told her we’d pay her 32 thousand dollars per note. But she still rejected it. She’s too **!”

Danica and the others in the room froze and then turned to look at Paige when they heard what Jack said.

“****?” Paige asked.

“Yeah. It’s very hard to let her write songs. Many artists wanted her to write songs for them, but she just turned them down.”

Jack continued, “She’s a famous pianist and composer in the world, but she shouldn’t be that **. Don’t you think so?”

Paige nodded at Jack. She realized that the person who offered a lot of money to let her write a song was

Jack’s agent

When Paige asked the two suspects things about the fire, they killed themselves. She was in a bad mood when Jack’s agent came to her, so she turned him down.

She didn’t expect Jack to be her brother at that time.

“Haha, you agree with me, right? Though she’s a genius, she’s really **.”

“***up!” Danica interrupted immediately.

However, Jack continued, “I won’t let her write a song. What’s the big deal with her?”

Bonnie couldn’t bear it, and she put a plate of soup in front of Paige. “Ms. Walker, oh, no, Ms. Quinn, no, Ms.

Paige, this is your soup. Enjoy!”

Jack opened his ***in disbelief and then looked at Paige. He couldn’t believe his ears when he heard what Bonnie had said. What? Paige is Vallorie Walker and Paine Quinn! Seriously? Jack thought.

“Paige, enjoy the soup. Jack was rude just now. He kept complaining about you after he came back. I’ll teach

him a lesson.” Danica said to Paice gently.

“So... Paige is Vallorie Walker and Paine Quinn?”

Jack just couldn’t believe it.
