The distance was too far, and he could not see the man's face clearly. Without much time to think, Jack

"Let go of her! Who are you? Who gave you the guts to take advantage of my sister here?"

Jack rushed over at once, and just as he shook his fist, he was easily stopped by Martin. "Martin, it's you!" When Jack saw his good friend in front of him, he was suddenly stunned. Then he looked at

Jack tried to protect Paige.

"What if I have ideas about her?"

"What did you say?" Jack widened his eyes and thought that he had heard wrong.

Today is Saturday. I want to take Paige to a place." Paige?

Even the way he addressed her was so intimate.

"Paige is now my fiancée."

The word "fiancée" was like a bolt from the blue, causing Jack to be stunned for a few seconds.

Jack protected Paige even more, and he was stunned. He subconsciously asked, "You are very familiar?"

Paine's eyes were pure and clear, and she asked seriously, "Huh?"

In short, he protected Paige as an elder brother. "You ***, I just went abroad for a short time, and you already won Paige's heart! Do you believe that I will ask my dad to beat you?"

"I won't chicken out!"

1. Don't harm him."

He couldn't rival Martin, so he might as well let his father do it.

"Your dad is very satisfied with me, his son-in-law."

"You're talking nonsense! How could he agree? Paige, is it?" Jack asked in disbelief. "What he said is true."

"Dad really agreed?" It was a bolt from the blue for Jack.

By the way, he wanted to see if Martin had any more excessive behavior.

She had already experienced how popular he was at the airport that day.

She didn't expect that Jack and Martin would actually argue over Paige.

Paige looked at his handsome face. It was too ostentatious. If she took him with them, he would cause at sensation wherever they went

It was different at night. "Paige, are you really going to abandon me?"

Seeing Martin open the car door and let Paige sit in the car, Jack could not help but go forward and warn,

Jack could hear the sound of his heart breaking. He did not expect her to be tricked by the bad guy so

"I can wear a hat. I can wear sunglasses and a mask. I can wrap myself into a mummy. I can guarantee that others won't recognize me." "Next time," Paige said lightly.
