Martin approached her and a nice smell came from his face.

shoulder and then handed her the things he had just bought.

Martin raised his eyes and looked at her with his deep eyes, "Tell me when you have time."

"OK.

"You can eat if you are hungry at night."

Martin got out of the car first and opened the door for her. After she got out of the car, he hung the one-shoulder bag on her

The next second...

Seeing her take the things and turn to leave, Martin could not help but call out softly, "Paige."

Paige was confused.

Paige was speechless.

"Oh.

"No need."

When Paige entered the underground garage, she felt her phone vibrating. She took it out and saw that it was Martin calling.

Have you found the car?"

Seeing the back of the girl gradually disappear from his sight, Martin, who had returned to the car, suddenly thought about her

I just found. You haven i left yet

"OK, be careful on the road."

"Not about that."

After Martin hung up the phone, he called Rhys, "No plans for tonight I need to go to the Lusk family

"I am looking for Mr. Lusk and Mrs. Lusk." Martin looked into the distance and said in a deep voice.

"Then you finally understand your grandpa? Do you want to invite Ms. Lusk to visit him at the hospital tomorrow? If he knows, he

Hearing this, Rhys became excited. "Mr Stowe, you aren't going to get revenge on Ms. Lusk because of what happened today,

What did Martin mean?

"Break off the engagement."

Rhys had just finished speaking when he felt the displeasure on the other side. He was confused. "Then you..."

However, Martin's tone did not sound like he was joking at all!

"Break off the engagement?

Rhys gulped and was quite frightened. "Mr. Stowe, the engagement between you and Ms. Lusk was made by the older generation. If you cancel the engagement tonight, it would be equivalent to slapping the Lusk family in the face... The Lusk

These were all problems! Martin did not speak, his pair of eyes quietly looking at the traffic outside the car.

"Ms. Lusk is the only daughter of the Lusk family. There are so many people doting on her... You are going to cancel the

Rhys thought of Killian on the bed. If he knew about it, Killian would definitely faint from anger

Not only did she not leave any good impression on Martin, she even ruined the engagement....

However, Martin retracted his gaze and calmly said, "Prepare the gifts. We will go tonight."

If there was anyone to blame, it was Patricia....

However, the news of breaking off the engagement would spread in a short period of time. When Killian found out, he would still be furious.

It was said that he was ruthless, cold-blooded, and cr*el. He was familiar with rich people and also gangsters. When other s*rvants saw Martin, they also felt fear of him in their hearts....

"Quick, invite him in." Donald was caught unprepared and hurriedly exchanged glances with Danica. What should he do?

He was like a king who dominated the world. The moment he appeared, he carried a powerful air, cold and

Paige originally wanted to refuse, but when she saw the look in his eyes, she reached out to take them. Unexpectedly... Her slender fingers accidentally touched Martin's hand. That soft touch made her heart sk*p a beat.

A strange feeling welled up in her heart.

"What?" Paige turned around and heard him say, "That person just now is not my girlfriend."

"She's begging for forgiveness."

"Be careful on your way" "If you are scared, I will talk to you on the phone." Martin had no expression on his face.

"Mr Stowe, why don't you think about it again?"

Rhys still wanted to say something.

"Mr Stowe, I know that you do not like Ms. Lusk. To be honest, I do not like her either. I feel that she is preten*ious and hypocritical. On the contrary, I feel that Ms. Tate is better! However, this matter is not only about you and Ms. Lusk, it is also related to the Lusk family and the Stowe family..."

Rhys knew that one Martin made a decision, no one would be able to stop him. However, he still said. "Even if you don't consider the 1 usk family or the relationship between you and Ms. Lusk, or Ms Luck's brother At least consider your grandpa's feelings

Rhys knew that whatever he said would be futile, so he sighed helplessly in his heart. Martin's engagement would not be decided by anyone, and if Killian forced him, it would backfire...

Killian has been waiting day and night for Martin to get married and have children so that he could be able to hold his great

Donald and Danica finally waited for Paige to return home. The two of them enthusiastically pulled her to the dining

She was afraid that her parents would dislike her after knowing this....

"I'll keep it from Grandfather for now. When he gets better, I'll tell him myself."

"Mr. Lusk, Mrs. Lusk, Mr. Stowe is here!" The s*rvant who came to report was a little flustered because Martin's name was especially famous in the upper-class

Donald and Danica sat on the sofa and drank tea. After a while, a s*rvant suddenly came to report.

After dinner, Paige chatted with his parents for a while and went upstairs to take a shower.

Did he know that Paige had returned home?

Dillon did not dare to waste time for a moment and personally led the way.

Very quickly, Martin entered the door with a few people following him.

Donald and Danica looked at each other Martin? Why did he come? Could it be...

The one in the lead was handsome beyond compare. His sl*nted sword-like eyebrows were cool, and his sharp spirit. His tailored suit suited him very well.
