Chapter 40

Gifts for Her

Jaylen saw Martin holding Paige's hand. To his surprise, Paige did not refuse Martin.

It was unbelievable!

"Jaylen? Why are you here?"

"Why are there so many clothes? We didn't order them." Danica, who got here just now, was also surprised.

"Martin, Paige, what's going on? Jaylen, are you sending the clothes to the right place?"

Donald was also confused.

Noticing that no one knew what had happened, Jaylen explained, "Mr Stowe asked me to do that."

"Martin?"

Donald and Danica looked at Martin at the same time.

"Paige has just returned to this house and has no time to go shopping." Martin explained.

He looked down at the girl in front of him and said in a soft voice, "So I prepared some for you. When you want to go shopping, I will go with you."

Paige was shocked.

She thought, why didn't he ask me if I need anything before he made orders?

I just received many gifts from my biological parents yesterday, including a hundred pieces of clothes, a hundred pairs of shoes, a hundred purses

And today I get those again!

How could I wear them all?

"I think you like this brand very much."

Every time Martin saw her, she wore this brand's clothes, carried this brand's purse, and wore this brand's shoes.

Paige said,

She wanted to explain it was because her parents prepared these for her.

And these were all designed by her It was normal for her to wear the things she designed herself!

But Martin did not know and thought that she liked that brand.

"Well, yesterday I..."

Before Donald finished his words, Danica nudged him and said, "Martin, you are really considerate! Even I am moved by you! You are really great!"

Donald was confused.

He wondered, why does she prevent me from telling Martin about the hundred clothes and shoes I gave to my daughter yesterday?

Danica looked at the young couple's interlocked fingers and was happy "Let's go in and have a cup of tea."

"Thank you."

Martin did not refuse. Instead, he held Paige's hand and entered the villa.

Only then did Donald realize that they were holding hands. He was a little excited, but at the same time, he was also inexplicably sad. He did not expect that his daughter would come back for two days and was taken

away by someone!

Jaylen thought Paige was awesome. He thought, not only did she scrounge money off her father, but she also swindled money off her boyfriend!

Awesome!

Too awesome!

She even dared to scrounge off Martin. I admire her!

When Patricia arrived, she heard Jaylen say that these things were all prepared by Martin for Paige She got stunned. She could not move. She could not believe it. She looked at everything around her blankly

She thought, how could it be?

How could that happen?

Not only did Martin bring Paige to visit his grandfather, but he also ate with her After eating, he even sent her home..

He even let her sit in that car!

There had never been a woman sitting in it!

He even ordered so many clothes and shoes for Paige.

The point was that he even came to her home and held her hand.

"Amily, what should I do?"

Patricia was really anxious!

Just now, Paige looked peaceful. It was obvious that she had not been disappointed by Killian!

"Shall we go in and take a look?"

Amily also felt something was wrong, but she couldn't get it through.

In the living room.

Martin chatted with Donald and Danica. From time to time, he would pay attention to Paige and interact with her This had been seen by everyone!

Patricia was jealous, especially when she saw Martin taking special care of Paige. Her nails were deep into her palm, and her palm was full of nail marks!

At this moment, Danica suddenly asked, "Paige, what are you wearing on your neck.

Everyone looked at Paige and saw the crown necklace on Paige's neck. Seeing this necklace, everyone was shocked.

Other than Patricia, everyone was very happy, including Danica. "Mr. Stowe gave you this?"

"Yes"

Paige did not explain too much.

But Martin gently added, "Grandpa is very satisfied with Paige. He asked Paige to take him out of the hospital in two days."

Donald and Danica did not expect that he would be so satisfied with their precious daughter, and they were very happy

"OK. When will he be discharged? Tell Paige and you two pick him up together

Patricia was jealous and crazy. She did not understand why Killian gave the crown necklace to Paige!

She had tried to please and flatter him, but failed to let him take this out!

Paige had only stayed there for a couple of hours, and she made him like her!

After chatting for a while, Martin got up to leave. He gently touched Paige's head. "Good night. Don't stay up late"

It was as if he was talking to a kid.

Donald and Danica had never seen Martin being so gentle. They were cheered again after seeing the progress in their relationship.

Paige disliked people touching her, but today, she tolerated him again.

Tll go back,

Martin looked into her eyes, and his tone was very gentle. T'll call you when I get home."

Patricia did not expect them would exchange phone numbers so quickly, and she became mad again!

"Sure"

After he left, Paige went upstairs to take a bath.

Patricia returned to the room, and she was paralyzed. If not for the support of Amily, she would have fallen to the ground!

"Amily, what should I do?"

She had never been so defeated since childhood!

"Ms. Lusk..."

"Martin is so concerned about my sister. What should I do? What should I do to make Martin notice me?"

"Don't worry. Things won't go well for her!" Amily said, looking ruthless.

"Did you find Skylar?" On the way home, Martin asked the driver

"Not yet.

Rhys glanced at the rear-view mirror and understood what Martin was thinking. "Although everyone says that the

sage of medicine, Skylar, has passed away, there are a few people who know that Skylar has retired rather than died! He's mysterious and elusive. It's hard to trace him."

Martin knew Skylar was not the one who could easily be found.

"Mr Stowe, why don't you ask Ms. Tate for help?"

Rhys glanced at the rearview mirror, guessing his boss's thoughts. "Ms. Tate has excellent medical skills. She saved Mr. Stowe twice."

"Grandma's condition is very tricky"

Martin didn't want to cause Paige trouble. If she couldn't cure her, or if she failed.

He didn't want to see that happen.

"Keep looking for him."

"Sure."
