

Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 547

Chapter 547 Embarrassed 'I'm fine.'

Patricia tried her best to calm herself down. Then, she quickly sent a message to Amily.

"Amily, are you sure? Did Jack really give the concert ticket to Paige?"

"When Mrs. Lusk called, I was standing next to her. It's absolutely true! Not only did Mr. Jack give the ticket to Paige, but he also gave her the best seat!"

Perhaps she had expected Patricia to be sad and disappointed, Amily couldn't help but stand up for her.

' Mr. Jack has gone too far. He told you that they didn't have any tickets, so they gave them to their own sister... They didn't care about your feelings at all!"

The word "sister" stabbed Patricia in the heart.

Patricia didn't expect that Jack was so gentle on the phone just now. He was lying to her!

"You just said that Mr. Hernan has a candidate for the charity party next week. Could it be Paige?" Amily sent another message and asked.

Patricia was stunned. "No way..."

"I wonder if you've noticed, Ms. Patricia, that the status of Paige in their hearts is getting more and more important, and you..." Amily added, "are starting to become unimportant."

Patricia could not control her emotions. She said to her friends despondently, "I'm sorry, I need to go to the bathroom."

Looking at her back, everyone was a little confused and couldn't help whispering.

"Is Patricia on her period?"

"I guess it's... her face is pale. Let's wait for her."

"To be honest, I think Paige from University of Illinois at Chicago plays the violin to the real peak. It sounds so good!"

' Me too. The moment her music came out, I was shocked. She played even better than my violin teacher."

"Shh, lower your voice. Do you want Patricia to hear you? We still have to get close to her brothers through her in the future!"

Everyone made a gesture of silence and began to whisper after a while.

"If you become Patricia's sister-in-law and I become Pamela... we can meet often in the future! Just like now, we often play together..."

"Hey, look, Kailyn has gone to the bathroom. Will she make trouble for Patricia?"

"Shall we go in and help Patricia?"

A curly-haired girl wanted to go in and help but was stopped by her friends.

"Don't go! Did you forget what Patricia said last time? She said that she went to the hospital with Kailyn to visit Grandma. Kailyn beat her up on the fire stairs? We're so weak. We'll definitely be no match for her if we go in... What if our faces are ruined... How can we face others in the future?"

"Yeah, what if I have to eat with Hernan next? What if my face is ruined..."

"I'm going to see Jack at his concert. I can't let my face get bruised..."

Although they knew that Kailyn would probably make trouble for Patricia, five or six girls did not dare to go in. They even deliberately went to a farther place to stroll around. They wanted to stay out of it and pretended not to notice the situation here.

As soon as Kailyn entered the bathroom, she heard Patricia asking her what to do with the person on the phone. Her voice sounded a little anxious and even a little crying.

"How did this happen... Why..." Patricia was on the verge of tears. However, when she inadvertently lifted her eyes, she noticed the person in the mirror, Kailyn.

Patricia subconsciously clenched her mobile phone. She didn't know how long the despicable Kailyn had been eavesdropping here. She said to the person on the phone, "I'll call you later."

Kailyn crossed her arms in front of her chest and looked at Patricia's flustered and angry look casually.

"Are you going to call Amily and ask her to give you some advice?"

Kailyn sneered and stepped out. She took out a lipstick from her bag and refilled her lips in front of the mirror.

"What good idea can a stupid servant come up with?"

"Don't make it sound like you're so powerful. You still lost to Paige. You are a loser. I don't know what to show off in front of me!" Patricia obviously looked down on Kailyn.

Kailyn curled her cold lips and said with a smile, "Paige's violin and chess skills are indeed better than mine. I'm convinced that I've lost to her. But you have been learning the violin for so many years, and yet you're still playing it so badly..."

Patricia clenched her fists and looked at the lipstick in the hands of Kailyn.

It turned out to be the latest Louis Vuitton limited edition. The diamond necklace around her neck was the latest VW necklace. Even the dress she was wearing and the high heels she was wearing were all limited edition!

Patricia had never seen these before!

Where did Kailyn get so much money to buy these?

Patricia suddenly remembered that her uncle, Auntie, and Kailyn, as well as Kailyn's sister, all carried valuable things with them every time they appeared...

Even their parents' lives were not as extravagant as theirs...

It seemed that their money would never run out...

Seeing Patricia staring at the lipstick in a daze, Kailyn couldn't help sneering. "You're indeed an adopted daughter. Your clothes are getting more and more shabby. What's wrong? Is the Lusk family reluctant to buy you good clothes now?"

Patricia was furious. She grabbed the bag in her hand tightly and threw the chain on the back of Kailyn.

Kailyn hurriedly dodged and pressed Patricia's head into the basin.

The tap felt that the human body was approaching and then it came out of the water.

Patricia's hair and face were all wet. She struggled, but Kailyn pressed down on Patricia with all her might.

"I'll wash your hair to improve our relationship..."

Patricia was so angry that she stepped back and stepped hard on the foot of Kailyn.

Kailyn was in so much pain that she let go of Patricia. Patricia took the basin and splashed the water on Kailyn.

"Bitch, I'll kill you!"

Patricia was furious. She grabbed her bag and threw the chain at Kailyn.

Kailyn felt a sharp pain. She picked up the trash can next to her and poured the contents onto Patricia.

Although Patricia subconsciously dodged and blocked it with her hand, the dirt that splashed over still soiled her dress...

Patricia was about to throw up.

Seeing that Patricia was so dirty, Kailyn also felt disgusted and hurriedly kept a distance from her.

After saying that, Kailyn turned around and left.

Patricia was mad, but the smell of rubbish on her body made her retch. She was going crazy. Looking at herself in the mirror, she swore that one day, she would make Kailyn pay a painful price!

Patricia took out her phone and called her friend. "Send me a dress. No matter what style is, send it to me immediately!"

In fact, Patricia was a little angry because it was impossible for her good friends not to see Kailyn walking into the bathroom alive!
