Chapter 575 Good People Will Be Rewarded

Early the next morning, Paige was woken up by a call from Anna.

“Paige, Mr. Spike asked someone to send the Heart-Piercing Crow to the Elliott Group, and said that he wanted to give it to me as a gift to thank me for saving his life last night. What’s going on?” Anna was confused and didn’t know what was going on.

“What did you say?” Paige was confused when she woke up.

“Didn’t you buy Heart Piercing Crow last night?” Anna guessed. “Did you save someone? Did he buy it to thank you for saving his life?”

“Could it be Mr. Spike?” Paige thought.

Last night, he did regard her as Anna and thanked her for saving his life.

After she briefly told Anna what had happened, Anna understood everything.

“I knew it. I was on the plane last night and didn’t save anyone... I guessed it was you.”

This could explain why someone had sent the Heart-Piercing Crow to the Elliott Group and specifically asked to send it to Anna.

“It turns out that Mr. Spike regarded you as me.” Anna couldn’t help laughing. “Although you didn’t buy the Heart-Piercing Crow last night, you got it at last. This is the so-called good people will be rewarded.”

Richard told her that a big shot bought a Heart Piercing Crow at a high price last night. But Paige hadn’t expected that the big shot was Mr. Spike.

What a coincidence.

However, she wondered, “how did he know that I needed Heart Piercing Crow and was willing to give it to me?”

“Could it be that I had helped him and detoxified him?”

“Paige, could it be that Mr. Spike has taken a fancy to you?” Anna couldn’t help but ask. “He seems to be very interested in you.”

“What nonsense are you speaking?”

“He knows how to cater to your needs.”

Paige was speechless. “Ask someone to send the Heart-Piercing Crow to Cason. I’ll go back and study it tomorrow.”

“Okay, no problem.” Speaking of this, Anna couldn’t help asking, “Paige, how old is Mr. Spike? Is he young? Is he handsome? It seems that he is very generous...”

“You’ve seen him before. He’s the one who helped us on the cruise ship.”

“It’s him.” Anna remembered him. “He does look a few years older than Martin, but he’s quite handsome and has an indescribable personal charm.”

“How do you compare him to Martin.” Paige chatted with her for a bit more before hanging up.

After washing up and having breakfast, Richard called her.

“I’m really sorry. My friend’s friend didn’t have Heart Piercing Crow.

Please wait for a few days. I’ll hurry up and help you inquire about it in the next two days...” Richard felt sorry for Paige.

“There’s no need.” Paige replied. “I don’t need it any more.”

Richard thought that she was upset, so he hurriedly said, “My friend used to have Heart Piercing Crow in his hand. I heard that someone bought it at a high price this time... Wait a few more days. I promise that I will find it.”

Paige thought he was funny. “There’s really no need. I don’t want it anymore. I still have something to do, I need to hang up now.”

“Hey, wait...”

Richard didn’t expect her to hang up so quickly. He thought if Paige was lying to him.

He was afraid that Paige wouldn’t cooperate with him.

While Richard was anxious, he came up with another idea.

Not long after, 4.8 million dollars were suddenly transferred into Paige’s account. She looked at the sender and found that it was Richard.

She thought Richard was crazy.

And then, Richard sent her a message.

“I sent 4.8 million dollars to you. I didn’t keep my promise and couldn’t send the Heart-Piercing Crow to you today... It’s my small apology gift. You must accept it.”

Paige was confused.

“I will definitely continue to find Heart Piercing Crow. Take this 4.8 million dollars first. Consider it as my apology.” Richard didn’t forget to add, “You don’t have to pay it back. It’s yours.”

Paige was a little speechless. She wanted to transfer it to him, but she didn’t expect that he would blacklist her.

“Don’t transfer it to me. You must accept it.”

Richard thought Paige would cooperate with him when she accepted these money.

Paige had nothing to say. All right, since it was an apology, she would accept it.

Anyway, it was a free gift. It would be a waste not to take it.

After a while, she finished reading the last few pages of the medical record and sent a message to Mike, and told him that he could pick her up in advance.

Mike was having breakfast. When he received the news, he immediately got up excitedly and drove out without finishing his breakfast.

At the entrance of the hotel, Mike craned his neck to look around. When he saw Paige coming out, he shouted happily, “Dear teacher!”

He hurried forward to help her carry her bag.

“No need. I’ll carry it myself.”

“It’s OK. It’s just a small matter.” Mike snatched her bag and insisted on helping her carry it. He even opened the car door respectfully for her.

After Paige got into the car, Mike happily returned to the driver’s seat. He glanced at the rear view mirror and said, “To be honest, I really didn’t expect that you would work nearby and take the time to come over. Thank you so much...”

“I’ve checked the patient’s medical records. She needs a lot of medicine. It’s not a big deal.”

“Do you think it’s possible for her to recover?” Mike couldn’t help asking, “How sure are you?”

“Ninety percent.” Paige was completely sure that she would cure the patient, but she didn’t tell Mike.

Mike was extremely excited. Sure enough, no matter what kind of difficult and complicated disease it was, as long as he found his teacher, his teacher would always have a way to solve it.

He thought his teacher was really an expert.

“Teacher...”

Before Mike could finish his words, Paige said, “Just call me Paige. I don’t deserve to be your teacher.”

After all, she was younger than Mike-

Mike knew this, but he wanted to call Paige teacher.

Many years ago, Mike was fortunate enough to witness the medical skills

of Paige in an extremely complicated operation. Her skills brought the dead back to life, which shocked him greatly.

After that, he shamelessly called her teacher. For the sake of his diligence and studiousness, she did teach him a few times.

But she had never said that she wanted to accept him as her student...

But in front of Paige, he was like a student, because he was less than one-tenth of her in strength and experience.

“I don’t dare to call you by your name... It’s too rude.” Mike glanced at the rear-view mirror again and said, “My friend said that as long as you can save his mother, the reward is not a problem.”

“I came here for your sake.”

“Thank you for your kindness.” Mike was very happy. “But that friend of mine is very rich. Just say the money.”
