## Ceo's Mysterious Fiancee by Piper Dunlap

Chapter 65

Chapter 65
Have an Idea
Rhys thought, did he get a project worth over a billion dollars?
Or did he win against the opponent?
Or did he just purchase a few powerful companies?
Otherwise, why is he so happy?
"Check if there are any popular restaurants and scenic spots nearby that girls like to go to."
Hearing Martin's words, Rhys suddenly realized that Martin's good mood had something to do with Paige!
When Rhys entered the office just now, he happened to see Martin talking to someone. Could that person be Paige?
"Mr. Stowe, you are more and more concerned about Ms. Paige."
In the past, Martin would never ask Rhys to find some popular restaurants and scenic spots. Martin would go back to work after a
simple meal.
Ever since Martin met Paige, Martin became gentler. At least, he no longer only cared about work.
"Grandpa is right. I can't just focus on my work. It's time to think about my marriage."
Hearing Martin's words, Rhys didn't know what to say
"Mr. Stowe, are you being sarcastic?"
"Of course."
Martin glanced at Rhys and said calmly, "When you have a girlfriend, you don't have to work overtime on the weekend. And I will offer
you a higher salary."
Rhys was stunned. Last time, he wanted to tell Martin about the benefits of having a girlfriend. He wanted to help Martin find the right girl as soon as possible. In the end, Martin almost sent Rhys to Africa.
Rhys thought, Mr. Stowe has changed a lot!

Is it because of Ms. Paige?

Maybe she let Mr. Stowe know that love is sweet!

"Thank you, Mr Stowe! I will find a girlfriend as soon as possible"

After saying that, Rhys was about to take the documents and leave. He inadvertently saw Martin's phone light up from the corner of

his eye. Someone sent Martin a message.

What surprised Rhys was not the content of the message, but the screen wallpaper! The picture showed a shadow of a girl!

From the girl's posture, Rhys was certain that the girl was Paige!

"Is she pretty?

Martin noticed Rhys' gaze and asked lightly

"Sorry. It's my fault. I shouldn't keep my eyes on Ms. Paige. "Rhys lowered his head, not daring to look at the picture anymore.

"Are you saying that she doesn't look good?"

"Of course not. "Rhys was in a cold sweat. Then he added, "Ms. Paige is so beautiful. She looks like a princess in fairy tales. I don't think there are words that can describe her charm. And Mr. Stowe, you're so handsome. She is a perfect match for you."

Martin smiled, "Well, I like what you said."

"I have always been igno\*ant. So I don't think what I said is enough to show her beauty. She is really beautiful!"

"Rhys.

"Yes, Mr. Stowe? What can I do for you?"

Rhys felt a bit nervous

"You have been working for me since I was eight. I have treated you badly."

When Rhys heard this, he was stunned. What did Martin mean?

"No, no, no, no, no. The treatment you give me is the highest in the industry! I am already satisfied!"

"No, you can't be short-sighted and be content with the current situation."

Rhys was confused.

"From this month onwards, your salary will be doubled"

Hearing this, Rhys was extremely excited. "Thank you, Mr. Stowe. In the future, I will definitely do everything you tell me, especially anything related to Ms. Paige!"

## "Great"

"Then if there is nothing else, I will go down first."

Rhys did not expect that saying a few good words about Paige would be more effective than finding a girlfriendi

His salary hadn't changed for three years!

He had just praised Paige for being beautiful, and his salary doubled

Rhys was excited when he suddenly heard Martin's voice

"Wait."

Martin seemed to have thought of something. He said. "The few groups that we recently acquired

"Mr. Stowe, are you talking about those luxury brands? Don't worry! They have already been controlled by our Group!"

"Do

you

think Paige will like Everlasting Love that they have just produced?"

Hearing this, Rhys was relieved! He knew why Martin asked him to stop

He said in a hurry, "Mr. Stowe, you are really humorous! With Ms. Paige's looks, she will look good even if she wears a sack!"

"Really?"

Martin raised his eyebrows and looked at Rhys.

"Ms. Paige will definitely like it because it's your gift for her! After all, what you give is not only a gift but your love for her! Ms. Paige

will be moved when she receives the gift!"

"This weekend is a holiday for you. There is no need to work overtime."

Rhys was overjoyed. "Thank you, Mr. Stowe!"

In the Lusk's house

Amily saw Donald and Danica holding hands and going to the garden for a walk. Amily hurriedly called Patricia to her side and whispered, "Ms. Patricia, you personally went to buy things for Mr. Lusk and Mrs. Lusk. You must be tired!"

Before Patricia could speak, Amily added anxiously. "It is useless to just please them. The most important thing is to please Mr.

Martin

Hearing this, Patricia suddenly frowned.

"It seems that Martin only cares about Paige... You knew it. Last time in the garden, he was very indifferent to me. I don't know if it

was because of the soup I made that caused Mr. Stowe's illness to become serious, but Martin seems to have a bad impression of

me. Even Mr Stowe treats me not as well as before..."

"But you have to do something."

Amily paused for a while and added, "Now that Mr. Lusk and Mrs. Lusk still have feelings for you, they will naturally dote on you and spoil you. But as the days go by, their feelings for Ms. Paige will grow deeper and deeper, and they will become more and more

indifferent to you!"

"I know."

"Ms. Patricia, you have to work hard on Mr. Stowe so that you can have a bright future...

"Then what do you think I should do?"

Patricia had suffered successive setbacks. She didn't want to curry favor with others anymore. After all, she was spoiled for so many

years and had never been treated indifferently.

Since Paige returned to this family, Patricia had suffered more grievances than in the past ten years!

"Ms. Patricia, listen to me... Seeing that there was no one around, Amily leaned close to Patricia's ear and whispered something.

Patricia said with hesitation, "Is Is it okay to do it? What if...

"There won't be any accidents!"

Amily added with certain, "Mr. Stowe may reject at the beginning. But as long as you keep doing it, he will be moved by you. He will definitely forget Ms. Paige!"

Patricia had more confidence now. She was more certain than just now. At this moment, she heard a voice in the corner. She was

shocked. "Who is it?"

"Ms. Patricia, it's me."

The person who came out was Dillon.

Patricia and Amily looked at each other. They did not know what Dillon had heard just now. Both of them were a little uneasy

"Ms. Patricia, don't panic. I will support you."

Dillon bowed and added respectfully, "I am really sorry for interrupting you.

Hearing Dillon's words, Patricia said, "Paige is the biological daughter of my parents. Why do you support me?"
