## Chapter 66

Tve been serving you since you were a kid. Naturally, I have feelings for you! No matter what you need me to do, I will do it without hesitation”

When Patricia heard him say this, she looked at Amily as if she was asking Amily whether she should trust Dillon

Amily nodded, indicating that Dillon was trustworthy

Only then did Patricia come forward and say with a smile, “If anything happens at home, you have to tell me first.”

“Of course”

Dillon looked at her kindly and added. “Ms. Patricia, if you need any help outside the house, just tell me.”

1 do need your help with something. Patricia signaled him to come closer and whispered something.

Not long after, Dillon came to report, Ms. Patricia, Mr. Stowe will have lunch at Ferris Wheel Restaurant at noon.”

Hearing this, Patricia was a little excited. “Is the news reliable?”

“Of course.”

Patricia did not expect that Dillon would finish the task so quickly!

She took out a bank card and said, “If you do a good job, I will transfer money to this card.”

Dillon immediately replied, “I do not want your money. Ms. Patricia.

“To be able to serve you is already a blessing for me. I feel honored”

“Take it.”

Patricia wanted to reward him. “When I marry Martin, you and Amily can come with me to the Stowe’s house.”

“Thank you, Ms. Patricia!”

Dillon took the card and was immediately very pleased.

Donald and Danica walked around in the garden and went back. Seeing Patricia dressed up beautifully, they could not help but ask,

“Patricia, why do you dress up like this. Where are you going?”

“A close friend is going to get married. I’ll go and celebrate for her.

Patricia was wearing a gorgeous dress, her hair was tied up, and the jewelry on her neck was shining.

She had been doted on since she was a child. Since she grew up in a super rich family, she indeed looked like a princess.

Seeing that she also had delicate makeup, Danica smiled and said, “You’re so beautiful.”

“We’ve raised her for more than ten years, and we love her so much. How can she not be beautiful?”

Donald laughed. Then he added, “I will ask Ryker to send you over.”

“No need Let Dillon do it today.”

Patricia smiled and added, “This way, my best friend will think that I value her

“Okay Dillon, send Patricia over

Ferris Wheel Restaurant was famous. People would have meals in a glass cabin.

There were a total of 28 cabins, and each cabin had 270 square feet. When the Ferris wheel rose to the highest, it was a full 420 feet

away from the ground People could see the beautiful scenery of half the city and the sparkling sea.

Since it was built, a lot of celebrities and live streamers came here to have meals.

Because the seats were limited, the reservations were already full!

The restaurant was very popular

Patricia did not get off the car She looked up at the huge Ferris wheel in front of her and asked doubtfully, “Dillon, why is there no one upstairs?”

Patricia thought, why does no one come to this popular restaurant for lunch at noon?

Where is Martin?

is he not here yet?

“That’s strange. Why is the Ferris wheel not moving? Is it broken?”

“Ms. Patricia, let me tell you. Ordinary people are almost impossible to have a meal up there. Because a set meal costs 1,000 dollars, and it is the minimum amount of consumption...”

1,000 dollars was nothing to Patricia. But for ordinary people, it was already a month or two months’ salary

After a while, Patricia saw a luxury car coming. She suddenly became excited. It was Martin!

She remembered this license plate number!

“Mr. Stowe!”

Dillon also recognized it. He added, “It’s Mr. Stowe’s car! Ms. Patricia, did you see it? Mr. Stowe is here.”

The luxury car passed by them and stopped at the entrance in the distance.

Rhys got out of the car and respectfully opened the door.

Patricia froze when she saw a girl coming down from the car. At a glance, Patricia knew that it was Paige!

Patricia thought, why is Paige in Martin’s car?

Does she come with Martin?

Before Patricia could understand, Martin got out of the car, held Paige’s hand, and walked into the safe passage of the restaurant

together.

Dillon was obviously stunned as he thought, how could Mr. Stowe come here to eat with Ms. Paige?

I didn’t hear the news before.

Looking at Patricia’s expression through the rearview mirror, Dillon knew that Patricia was angry

Dillon wondered, what should I do?

Only then did Patricia realize why the Ferris wheel could not move and there was no one inside. It was because Martin had booked

the whole place!

He wanted to eat alone with Paige and did not want to be disturbed by others!

“Ms. Patricia, why not go in and eat together with them? She is your sister.”

Dillon took a deep breath and said, “Only if you go in, can you stop them...”

Patricia thought that it made sense.

She could not let them be alone in the room. What if something happened.

When Patricia got out of the car, the well-dressed figure was noticed by Paige who was sitting in the glass cabin. Paige was confused.

Paige thought, is she going to attend the wedding?

The jewelry on Patricia swayed under the sunlight, making people unable to open their eyes.

Paige thought that it was boastful.

Patricia came to the entrance and was politely stopped by the staff.

Dillon rushed forward and cleared his throat. “This is Ms. Lusk!”

With the status of the Lusk family in the country, Dillon thought that no one would reject them.

However, the receptionist said apologetically, “I am sorry, Ms. Lusk. The restaurant has been booked today Maybe you can come again next time.”

“To tell you the truth, the girl inside is my cousin. I also know the man.”

Patricia took off the diamond ring on her hand and stuffed it into the hands of the receptionist. She smiled and added, “I have something to ask them. Don’t worry. If they blame you, I will take responsibility”

The receptionist did not dare to take her things. After all, Martin’s identity was much higher. If he let Patricia in privately, Martin would

be angry

The receptionist refused and said, “I’m sorry, Ms. Lusk. Please don’t make things difficult for us.”

Speaking of this, the receptionist quickly closed the door, afraid that Patricia would break in.

“How dare you!”

Dillon was a little angry and was planning to threaten the receptionist with Donald’s identity.

However, Patricia was upset. She said, “Forget it, they dare not offend Martin. Let’s go..

“Are we leaving just like that?”

“Or what? Should I stay and watch them show off their affection?”

Patricia glanced at Dillon, and she seemed to be complaining. “Don’t make this kind of mistake next time!”
