Chapter 84

## Chapter 84

Who Is Your Real Boss?

At this time, the phone vibrated a few times. Paige picked it up and saw that it was a call from Martin.

"Paige

"I miss you." Martin's voice was low and magnetic.

Paige asked resignedly. "What's the matter?"

"Are you busy?"

Martin said lazily. "I can help you with work if you need. His voice was clear and melodious.

"No need."

Martin said, "I have been thinking about you the whole morning."

His voice was full of affection. "I want to finish all your work so that you will have time to accompany me."

"There is still one hour before I can see you."

Martin couldn't wait any longer. He said, "I want to have a video chat with you."

"It won't be long."

Martin knew that Paige would not agree. So, before she could say anything, he pleaded, "Just a little while."

Paige was speechless.

"Paige..." Martin begged again, "I promise. I won't affect your work."

Paige didn't know what to do. In the end, she agreed. After a while, she received Martin's video call.

Paige heard a knock on the door as soon as she answered the call.

"Come in."

"Ms. Tate, this is your coffee."

Deon respectfully placed the coffee on the desk. Paige's mobile phone was leaning against a tissue box. But he didn't notice that she was having a video call.

"Ms Tate, you have hit the headline again! Now everyone in the company is talking about your glorious deeds. Someone even

wrote a

poem for you."

"Oh?"

Paige picked up the coffee and took a sip. She was a little surprised.

"I will recite it to you..."

Deon cleared his throat and recited in a serious tone, "She makes every bad guy scared She se\*ds them to prison. And she

never loses. That's Ms. Tate. With her, the company prospers! All bad ideas should be dispelled, or Ms. Tate will make a move

and brush

you away!"

Paige frowned and thought, what?

But Martin smiled with interest. He seemed to be amused by this poem. "Ms. Tate, from this poem, you can see that everyone

has high respect for you... You looked really strong when you showed the evidence to the five people today! Do you know what

people in the company said about you?" 1/4 Deon said excitedly. "The girls said that they were fascinated by you and wanted to

marry you! And some boys wanted to tell you they love you after work" Paige had just taken a sip of coffee. She almost choked

when she heard this "They said that after you came to the company, you found out seven big villains within a week and those

workers at the production line Everyone bets that in less than a week, you can send Nigel to prison!" Deon said this, leaned in

front of Paige, smiled, and said, "Ms. Tate, I bet two dollars that you can do it. Will I win..." Paige casually said two words, "It's

too little " "Ah?" Paige said lazily. "Raise your bet." When Deon heard this, he felt his blood boiling. "Ms Tate, are you sure? If you

are sure, I will bet all my money on it!"

Paige was speechless. "But the evidence isn't enough now. I think the police will let him go..." Deon was disappointed. "It's good,

isn't it?" Paige raised her eyebrows and smiled, "I was waiting for them to let him go." "Ah?" Deon did not understand. He

wondered, why? No one could see through Paige's thoughts But seeing her confident look, Deon felt that he was going to win!

He thought, I should raise my bet later! "Oh. Right. Ms. Tate, Nigel also has connections in the headquarters... You have to be

careful!" Paige replied, "OK." She didn't take it seriously. No matter how powerful Nigel's backers were, the evidence would prove

their guilt. "Ms. Tate, you are so powerful at such a young age. To match you, your future husband must be an influential person."

Deon looked at Paige's cold face and thought about it. Paige looked at Martin's face on the screen. He was also looking at Paige

Her vibe was indeed very strong, but Martin wasn't bad either.

"Ms. Tate, do you dare to bet with me?"

"Huh? On what?"

"I bet that your future husband will be a very outstanding person! At the very least, he will be a tall, rich, and handsome man! You

will

find a good man with just your beautiful face!"

Paige replied, "You have nothing to do. Right?"

She said casually, "Why don't take the five people's positions first?"

"Ms. Tate, I suddenly remembered that there is something I need to do. I have to go now."

Deon was just about to leave when he suddenly heard a man's voice.

"Mr. Stowe, these documents need your review."

It was Rhys's voice. He walked into Martin's office to let him make decisions on a few projects.

Hearing this, Deon stopped "Ms Tate? I seem to have heard a man's voice Have you hidden a man in your office?"

Rhys seemed to have heard Deon's voice as well. He asked in confusion, Mr Stowe, who is speaking?"

The next second, Rhys and Deon realized that their bosses were on a video call

They were both shocked...

Deon was dumbfounded His mo\*th was so wide open that he could fit two eggs into it!

"Ms. Ms. Tate. You. You..."

Deon thought, when did you get to know such a big shot?

"You... You are having a video call?"

Oh my goodness!

Am I dreaming?

I saw that handsome face on Ms. Tate's phone!

It's Martin!

He is the richest man in the world!

People say that he was cr\*el and heartless and that he never got close to women.

Why would he have a video chat with Ms. Tate?

"Ms... Ms. Tate, you. Are you..."

Martin said, "Paige, aren't you going to introduce him?"

Martin asked with a hint of interest in his voice, "Is he your assistant?"

Paige!

Paige!

He called Ms Tate "Paige"!

It's so intimate!

Paige felt embarrassed.

She thought, Deon, please stop!

"Hello, Mr. Stowe... I am Deon, Ms. Tate's assistant. I feel honored to see you today!"

Deon hurriedly bowed and said respectfully, "I didn't know that you were on a video call just now. Sorry for disturbing you. Please

excuse me... Are you Ms Tate's boyfriend?"

"I'm his fiancé "

When Deon heard the word "fiancé", he was even more shocked and his face froze!

Fiancé!

Martin is Ms. Tate's fiancé!

No wonder Ms. Tate is so domineering. It turns out that she has such strong backing!

She can do whatever she wants around the world, let alone in the company!

"Thank you for your praise just now."

Deon hadn't expected that Martin would hear his praise. He thought, fortunately, I didn't say anything wrong just now! Otherwise,

I will be finished!

"In this world, I can't think of anyone else who is worthy of our Ms. Tate except you. You and Ms. Tate are a perfect match! You

were born for each other!

Deon thought, the guys in the company are overestimating themselves. Ms. Tate's fiancé is Mr. Stowe, but they want to express

their

love to her after work....

"Don't worry, Mr. Stowe. I will protect Ms. Tate in the company. I won't let other men get close to her! If you have any instructions,

you

can just tell me... I am very willing to serve you."

Paige was annoyed.

She thought, who is your real boss? Who is paying your salary?
