Chapter 1451

Of course, apart from that, Ji Feng also noticed something different – between Qin Shujie’s eyebrows, there was some sadness and the smell of alcohol on her body.

She seemed to have run into some kind of trouble.

Ji Feng couldn’t help but be a little curious, Qin Shujie was in trouble again?

Thinking about it, Qin Shujie’s love for Yao Yao was known to Ji Feng, now she left Yao Yao alone at home and went to some banquet by herself, if there wasn’t something particularly important, Qin Shujie would definitely not have done that.

Perhaps there was really something wrong.

However, it was not good for Ji Feng to ask questions now, especially when he looked at Yao Yao’s small fan-like eyelashes still twitching slightly, Ji Feng could not help but secretly laugh, this girl was not asleep yet, she was just pretending to be asleep.

It looked like Yao Yao was secretly enjoying this rare time.

Ji Feng couldn’t help but give a secret sigh in his heart, having her parents with her and being able to fall asleep listening to her mother humming a song, for many small children, that was nothing more than a normal thing. But for some little children, this was simply an almost impossible luxury, and this was the case with Yao Yao.

This poor little one!

Therefore, Ji Feng didn’t want to break this rare coziness, perhaps for Yao Yao, this was the happiness she had been wishing for for a long time.

Gradually, Ji Feng noticed that Yao Yao’s breathing had smoothed out and her demeanour had gradually calmed down, and in this cozy atmosphere, Yao Yao fell asleep.

Qin Shujie also saw it, and she couldn’t help but smile slightly and gently kissed Yao Yao’s forehead again.

Ji Feng couldn’t help but frown slightly, Qin Shujie was smelling of alcohol, there was no way there was no alcohol in this mouth, fortunately she didn’t kiss Yao Yao’s mouth, otherwise, maybe Yao Yao would have been raw and intoxicated by her.

Perhaps it was because she had been sitting for too long, or perhaps because of the wine, when Qin Shujie stood up, she suddenly felt a blackness in front of her eyes, and her body shook violently, looking like she was about to fall over.

Ji Feng took a step forward and wrapped her in his arms without a trace, which prevented her from falling down.

The smell of alcohol mixed with a delicate fragrance came to his nose, the smell that made Ji Feng’s nose move subconsciously, but did not notice that the Qin Shujie in his arms was red in the face.

What is this perfume smell?

Ji Feng was slightly stunned, and this thought flashed through his mind. He had come into contact with many women, whether they were close or not, and usually rubbed shoulders with other women when attending banquets, and he would also come into contact with some women in his daily life.

However, Ji Feng has really never smelled this kind of fragrance before, very light, but ethereal.

But this thought only flashed in his mind for a moment, this was not really the right place to study perfume right now, and it was only a blink of an eye from the time Qin Shujie's body swayed, so Ji Feng put up an index finger and made a silent gesture.

Qin Shujie immediately swallowed back the voice that had reached her mouth, but her pretty face was even redder, and her originally soft and delicate body stiffened.

Ji Feng didn't care about this, he helped Qin Shujie to quietly leave the bedroom.

Bringing Yao Yao's bedroom door with him, Ji Feng helped Qin Shujie to the living room and let her sit on the sofa.

"Are you alright?" Ji Feng asked in a low voice.

"No, it's nothing." Qin Shujie hurriedly shook her head and rubbed her temples, "I'm probably too tired."

"Just say you're passed out from drinking, what too tired ....." Ji Feng shook his head, stood up and walked over, leaving Qin Shujie with no chance to explain either.

This time, Ji Feng but first to the bathroom, the lights to turn off, as well as the dining room lights, as well as other bedroom lights to turn off, and then only this went to the kitchen.

The little girl was afraid of being alone in the house, so she turned on all the lights in the house, and Ji Feng was only concerned with coaxing the little girl to play, so he didn't turn them off, and now it was too blinding, so he only left the living room and dining room lights on.

Qin Shujie couldn't help but look at them a few more times, not quite understanding what Ji Feng was trying to do.

A moment later, Ji Feng came over from the kitchen with two cups of water and placed them on the coffee table in front of Qin Shujie, saying, "I don't know where you keep the honey at home, I only found a packet of rock sugar, drink it, it's good for waking up."

"Huh?"

Qin Shujie was slightly stunned, her red lips slightly opened and she looked at Ji Feng with some consternation, not reacting for a while.

"Ah what ah!" Ji Feng said with no good humor, "Look at the way you drank, you yourself are not afraid of drunken accidents, are you also not worried about smoking Yao Yao?"

"Thanks, thanks!" Only then did Qin Shujie react and hurriedly said something.

And then, she lifted the cup of tea and took a small sip before hurriedly putting it down again.

“Didn’t you notice that it was hot when you were holding the cup?” Ji Feng frowned at her, “I really don’t know how you take care of Yaoyao like this, luckily, Yaoyao actually managed to grow up healthy, this is really a kind of miracle!”

Ji Feng already had a problem with Qin Shujie leaving Yao Yao alone at home, and now that he saw her somewhat at her wits’ end, somehow, he was a little angry in his heart and spoke in a bad tone, one could even say it was very impulsive.

Qin Shujie’s pretty face turned red at his words, and she didn’t even know what to say for a while.

Thinking about the fact that she had left Yao Yao at home, the little girl was afraid that if she wasn’t really too scared, she wouldn’t even call Ji Feng because she had explained to Yao Yao before that Ji Feng’s work was very busy and that she had to work during the day and take a good rest at night, otherwise she would be scolded by her boss, telling Yao Yao not to call Ji Feng casually.

Originally, Qin Shujie said this so that Yao Yao would not disturb Ji Feng casually, although Ji Feng had recognized Yao Yao as his goddaughter, but after all, Ji Feng’s identity was there, he would not really treat Yao Yao as his daughter and hold on to her day and night, after all, Ji Feng had a girlfriend .....

The company’s main business is to provide a wide range of products and services to the public.

So obviously, this evening Yaoyao was afraid that she was terrified.

When she thought of this, Qin Shujie’s heart was overwhelmed with guilt. She only felt her nose sore and her chest seemed to be blocked with something, making her feel uncomfortable.

Qin Shujie’s eyes were red, and those originally charming and beautiful eyes were now filled with something crystal.

“Holy shit!”

Ji Feng couldn’t help but slap his head, this woman ah, how come she cried after just two sentences this?

“Well .....” Ji Feng shook his head helplessly, sighed lightly, sat down beside Qin Shujie and said, “Don’t cry, what was that just now, I might have spoken in a somewhat less than good tone, I was wrong, don’t take it to heart. Just pretend you didn’t hear anything.”

Qin Shujie did not say anything, but the tears in her eyes were flowing down.

Ji Feng sighed and said, “I didn’t say anything too harsh, did I .....” well, it was me who spoke too harshly. But this is indeed something you did wrong, think about it, Yao Yao is only four years old, right? Such a small child, home alone at night, you actually ran off to drink, and didn’t arrange for a nanny to take care of her at home, do you know how she opened the door when I came?”

Ji Feng pointed to the door: “See that stool did you see, she stepped on the stool to open the door, you said .....” ugh! Forget it, you’re not easy enough .....”

“Woo~~”

Qin Shujie suddenly leaned into Ji Feng's arms at once, buried her head on his chest, and cried in a low voice.

Although it was because she was afraid of disturbing Yao Yao, so Qin Shujie was obviously deliberately suppressing her voice, but her crying was still so desolate and sad, as if she wanted to cry out all the pain in her heart.

"Keep your voice down, you want to wake up Yao Yao!" Ji Feng was made to fumble by Qin Shujie's crying, he held up his hand very awkwardly, his whole body almost froze, where to put his hand was not right, it was too awkward for him to put it on the sofa next to him, but if he put it on Qin Shujie's back .....

In desperation, Ji Feng had to take Yao Yao, hoping to make Qin Shujie stop crying, but obviously, his method did not play any role, Qin Shujie's crying was so panicky and chilling.

"Ugh ....."

Thinking about Qin Shujie's experience, Ji Feng couldn't help but let out a soft sigh, his hand was still on Qin Shujie's back, gently patting it, of course, he was placing it on the area covered by that evening gown, as for the large area of snow-white skin behind, he was keeping to the rules and didn't touch a single finger.

"Don't cry, I believe you didn't mean it today, you love Yao Yao, I can see it." After Ji Feng lightly sighed in his heart, he started to excuse Qin Shujie again.

"However, before you go out next time, remember to arrange for a babysitter, she must not leave until you return, otherwise, it's really dangerous for a small child to be at home, do you understand?" Ji Feng said.

"Ji Feng~~~Woo~~~ Ji Feng~~~" Qin Shujie just fell into Ji Feng's arms and cried in a low, painful voice.

Ji Feng could only shake his head and smile, even though such a charming young woman was lying in his arms, especially since Qin Shujie was only wearing an evening dress, the fabric that seemed like silk, with little to no obstruction, allowing Ji Feng to feel Qin Shujie's soft skin very clearly.

However, he did not have any charming thoughts in his heart, but thinking that Qin Shujie is likely to have found a boyfriend and may have a pair of man's arms to wrap around this delicate body in his arms in the future .....

Once again, Ji Feng's heart was uncomfortable.

This thought was very helpless to Ji Feng, but he had to admit that he really was thinking this way.

Only at this time did he suddenly realize that no wonder he was so angry just now, but not only because of Qin Shujie's negligence towards Yao Yao, but also because ..... he guessed that Qin Shujie might be because she had a boyfriend, which was why she was not so concerned about Yao Yao anymore.

In the final analysis, Yao Yao, and Qin Shujie's search for a boyfriend, both of these factors carry a lot of weight.

Ji Feng couldn't help but stutter in his heart.

After a long time of silence, Ji Feng couldn't help but ask hesitantly, "Shu-jie, I, that what, I have a question for you ....."

Chapter 1452

"Sh, what?" Qin Shujie asked as she leaned against Ji Feng's chest.

"Well ....."

Ji Feng hesitated for a moment and couldn't help but ask: "So what, I just want to ask if you have ..... not, why did you come back so late this evening, looking at your dressing and the smell of alcohol, did you go to some kind of party?"

Originally Ji Feng was going to ask Qin Shujie if she had a boyfriend, generally so late and still not back, that must even be more important, otherwise, Qin Shujie could not have left Yao Yao alone at home.

However, when the words came to his lips, Ji Feng suddenly remembered that what right did he have to ask Qin Shujie this?

If it was out of concern for friends, that was obviously some bullshit, especially since Ji Feng knew in his heart that Qin Shujie was interested in him, or at least, had that kind of interest in him before.

The company's main business is to provide a wide range of products and services to the public.

Therefore, the words reached his mouth Ji Feng changed his mind again.

"Mmm! It's to attend a party, it's more important!" Qin Shujie replied in a buzzing voice, but was still lying in Ji Feng's arms, not raising her head.

Because by now, Qin Shujie suddenly realised what she was doing.

She was actually lying in Ji Feng's arms all of a sudden, especially since she was only wearing an evening gown and a large area of snow-white skin was exposed, the thin evening gown was unable to take care of her body at all, which allowed her to clearly feel her contact with Ji Feng, especially the strong male scent of Ji Feng's body, which filled her nostrils, causing her face to start burning and she even forgot to cry.

Ji Feng didn't feel anything different yet, he was still thinking about Qin Shujie.

"Shu-jie, if there's nothing important in the future, it's better to come back earlier, as you can see, it's really not okay for Yao Yao to be alone at home!" Ji Feng said.

"Mm!"

Qin Shujie replied softly, but she didn't say anything more, it was really too embarrassing for her.

She just leaned into Ji Feng's arms, she had experienced this once before, that time she was even still carried to bed by Ji Feng, if Ji Feng hadn't left afterwards, I'm afraid, everything would have happened between the two of them.

But this time is not quite the same, because this is in the home where she often lives, and just this feeling alone is very different.

..... There was a strong ambiguity between them.

“Shu-jie, actually money can’t be earned, as long as there’s enough money to spend then it’s enough.” Ji Feng said, “In fact, the most important thing for you right now is to take care of Yao Yao. Money can be earned again without it, however, your daughter is growing up, if a child grows up in an environment that lacks care, then there will definitely be a shadow in her heart in the future, you don’t want to wait until Yao Yao grows up in the future and then feel regret.”

“..... hmm!”

“Also, you should pay some attention to yourself, a woman’s family, don’t drink so much wine, the main thing at the banquet is conversation, drinking is all secondary, a slight sip is enough.” Ji Feng said, “Drinking too much is not at all the least bit good for your body.”

“Mmm!”

“.....”

Ji Feng was then a bit helpless, no matter what he said, Qin Shujie always answered her with a ‘mmm’, which made the rest of his words go unspoken.

Moreover, Ji Feng himself was not a talker, and even more rarely nagged to care about others.

So Qin Shujie’s response left Ji Feng at a loss for how to continue, and he could only shake his head helplessly and stop talking.

But soon, Ji Feng sensed that something was wrong.

Qin Shujie was lying in his words, her body gradually stiffened, and even her breathing was slightly sharper, which could not be concealed from Ji Feng, whose six senses were exceedingly keen.

The next moment, Ji Feng realised the problem that existed between him and Qin Shujie – the posture of the two of them at the moment was just too intimate.

The thin dress was as if it did not exist, and Ji Feng could even clearly feel Qin Shujie’s smooth and delicate skin.

Especially .....

Qin Shujie’s upper body was lying on his chest, and that bare back was exposed to Ji Feng’s sight, and even, there were the rounded shoulders, the silky back, and the round and plump beautiful buttocks, all clearly on display.

The soft and thin evening dress, worn on Qin Shujie’s body, even let her entire curves show perfectly, was so seductive that one couldn’t help but be impressed.

The living room fell silent for a moment, and a thick ambiguity rose between the two of them.

Qin Shujie’s breathing also rushed up, originally when she was crying in pain, she did not feel anything when she was lying in Ji Feng’s arms, but now, she was instantly embarrassed and shy, and she did not know where to put her hands.

And her body was even stiffer, to be completely pressed into Ji Feng's arms, that sensitive part of her chest was in direct contact with Ji Feng like that, making her heart really shy, and, after drinking wine, her body was however extremely sensitive, just pressed into Ji Feng's chest like that, she herself was a little ..... a little unbearable.

However, if you get up now, it may be even more embarrassing, and ..... Qin Shujie has a voice in her heart that makes her not want to get up.

She really wanted to always lean in Ji Feng's arms like this, to be able to truly relax and no longer have half a worry.

However, now that this is as if it is, it is causing her entire upper body to focus on her waist for support, and she is inevitably a little tired, so her body is even more stiff, wanting to lean on Ji Feng's chest and relax completely, yet wanting to get up because of a woman's instinctive shyness .....

Qin Shujie's heart was flustered and shy, and her body was so sensitive that she couldn't help but stiffen up while trembling slightly.

Ji Feng, however, was even more embarrassed.

He leaned back on the sofa backrest, one hand on Qin Shujie's back, because of the fear of touching Qin Shujie that naked snow white Ji Feng, so his hand was placed on Qin Shujie clothes.

But because of this, at this time, Qin Shujie's body is crooked, his hand, it is equivalent to placing between Qin Shujie's waist and hip.

Just a little further down, he might have to touch Qin Shujie's round, plump buttocks .....

The fact that Qin Shujie's posture at this time made her buttocks even rounder and more prominent made her body exude an amazingly flirtatious and sexy look.

Under this ambiguous to the extreme atmosphere, as long as a normal man would not be indifferent, at least, his body would also have a reaction.

Ji Feng likewise reacted.

"Well ....."

Qin Shujie immediately noticed that on the small of her stomach, something was being pushed against it, she immediately understood what it was, her delicate body trembled slightly at once, her heart was even more flustered, her legs involuntarily clenched and subconsciously rubbed gently .....

In her mouth, she also subconsciously let out a whisper.

At this time, Qin Shujie was really delicate, especially that low voice, which made Ji Feng couldn't help but have his heart jump wildly a few times.

"Phew~~!"

Ji Feng hurriedly took a deep breath, he was really afraid that if he couldn't hold back, he would directly roll over and press Qin Shujie to the ground.

Qin Shujie's flirtatiousness and sensuality is really irresistible, she is simply a ripe peach, a slight touch will make the juices flow and the honey is greasy.

The two hands slowly withdrew and then rested on Qin Shujie's round and delicate shoulders, ready to push her away.

He could not go on like this, otherwise, God knows what would happen next.

Although Ji Feng thought he was not a hungry man, Qin Shujie was too flirtatious and seductive, such a stunning beauty nestled in his arms, this kind of charm, no matter what any normal man would not be able to resist his heart.

As soon as Ji Feng's hand touched Qin Shujie's body, he noticed that Qin Shujie's soft and delicate body suddenly trembled.

"Oooh~~"

Subconsciously, Qin Shujie's mouth let out a delicate to the extreme whisper, her whole body even shuddered, her legs clenched fiercely, her body even suddenly went soft, and she leaned tightly into Ji Feng's arms at once.

"Hoo~~"

Ji Feng immediately took a few deep breaths, and his body reacted even more violently.

This was too torturous, the fragrance of Qin Shujie's body came to his nose, the warm fragrance and soft jade like delicate body was so tightly leaning in his arms, without reservation, Ji Feng almost had to clench his teeth in order to hold back from moving.

But unbeknownst to me, Qin Shujie's heart was trembling at this time.

She only felt as if Ji Feng's hand was carrying an electric current, and when her palm touched her body, it would cause her body to subconsciously tremble, and her body was even numb, as if she had been electrocuted.

And her most secret place, however, was also experiencing a strong reaction, she could feel her most intimate clothing was wet at the moment .....

The woman's instinctive shyness and panic made Qin Shujie want to hurry to escape this place full of charming ambiguity, but, in addition to the shyness and panic, Qin Shujie's heart had a subconscious desire.

She liked Ji Feng.

If not, she would not have deliberately pretended to be drunk and spend time alone with Ji Feng in the first place.

In fact, from that time onwards, Qin Shujie's heart had already been prepared and, moreover, had almost completely fallen for Ji Feng.

It was only that Ji Feng had refused.

The only reason why Qin Shujie hid that emotion in her heart was that she was a woman with a woman's instinctive reserve and shyness. Moreover, since Ji Feng had already refused, she would not be so shameless as to desperately fall for him and send him to her door for someone to play with, even if she liked him.

Even if that man was the one she liked, it wouldn't work.

So for the next period of time, Qin Shujie also gradually collected her emotions, even though she would often think of Ji Feng, she would only think about it.

I believe that if nothing crosses paths in the future, then between her and Ji Feng, I am afraid that they will only become a pair of ordinary friends .....

Chapter 1453

So for the next period of time, Qin Shujie also gradually collected her emotions, and even though she would often think of Ji Feng, she would only think about it.

It is believed that if nothing crosses paths in the future, then I am afraid that she and Ji Feng will only become a pair of ordinary friends .....

The only thing is that she was able to control her emotions, and she didn't have the mindset of forcing herself, she just wanted to be able to have a natural feeling with Ji Feng.

If Ji Feng is also fond of herself, then with his status and position, with his ability, the two can eventually come together.

..... This was the encouragement Qin Shujie gave herself, and it was sort of her expectation.

However, it is not expected that all of this came so suddenly, both Qin Shujie and Ji Feng, are not yet any preparation, this charming scene is suddenly came, which makes them both have a kind of panic, vaguely there is a trace of expectation, but also have concerns.

If not, with Qin Shujie's charming nature, which man would be able to resist?

If it were any other man, faced with such a scenario, and Qin Shujie was such a superb young woman, it was like a ripe peach, so sweet and juicy that any man would have pounced on it long ago!

The only thing that I can say is that I'm not going to be able to stop this.

The only thing that was quiet in the living room was the wall clock ticking the second hand, other than that, it was the subtle and rapid breathing of Ji Feng and Qin Shujie.

A rich ambiguity and charm spread and fermented between the two.

Qin Shujie's breathing was even more rapid and short, and it was obvious that she was also in a panic, trying to control herself.

Nervousness, and anticipation, or perhaps, a kind of hand-wringing!

"Phew~~!"

Once again, Ji Feng took a deep breath, gritted his teeth, and was ready to push Qin Shujie away, but at this time, Qin Shujie's body also moved forward, leaning even tighter into Ji Feng's arms.

However, in this way, Ji Feng originally wanted to push Qin Shujie's shoulder, but as a result, his hand slipped upwards.

Swish!

Ji Feng's hand, as if stroking Qin Shujie's smooth and delicate pink back, instantly explored into her evening dress ..... into the hands of a warm, soft and plump, full of amazing elasticity, Ji Feng subconsciously squeezed twice, and only then did he suddenly realize that what he was holding was actually... ..

That was Qin Shujie's plump buttocks!

She was bent over in Ji Feng's arms, and when Ji Feng's hand reached out, he could just rest on Qin Shujie's upturned plump buttocks, and at this time, he was grasping one of Qin Shujie's buttocks flaps .....

"Wow ....."

Ji Feng this pinch, immediately let Qin Shujie have a reaction, her body fiercely soft, the whole person are as if electrocuted, fiercely forward, the whole person at once completely limp in Ji Feng's arms.

At this time, however, Ji Feng was also pushed down on the sofa by Qin Shujie's weight, and this time, Qin Shujie was directly on top of Ji Feng, and there was no longer the slightest distance between them.

"Shu-jie!"

Ji Feng's breathing also sharpened violently.

"Ji Feng ....." Qin Shujie slightly raised her head, only to see that on her charming and delicate face, which was full of all kinds of charm, there were still two tear marks hanging, but those beautiful eyes were already watery and full of moving charm, seducing the soul.

It was impossible for any man, no matter how he faced such a situation, to be able to hold back.

Ji Feng likewise couldn't hold back, his breathing became more rapid all of a sudden, he swallowed hard, and the hand that originally gripped Qin Shujie's plump hip flap couldn't help but push harder .....

"Mmm ....."

The next moment, Qin Shujie's body became hot all of a sudden, and her red lips kissed Ji Feng's mouth.

Boom~!

The two lips met and the fiery excitement's contained within their bodies could no longer be held down and burned up at the same time.

Qin Shujie was like a natural beauty, that soft and then plump delicate body, slowly wriggling in Ji Feng's arms, Ji Feng was unable to continue to hold back, a pair of large hands on Qin Shujie's delicate body stroking, kneading.

The two of them met lips and tongues, their breaths were rushing and their passion was burning.

Ji Feng's hands, not knowing when they had already explored inside Qin Shujie's evening dress, her soft and smooth skin, made Ji Feng fall in love with it.

Ji Feng's fingers, hooked to a thin strap, he gently pulled, and the thin strap opened .....

Ji Feng immediately understood what it was.

Perhaps it was to avoid revealing too much of her inner's panties when she wore her clothes, so what Qin Shujie was wearing today was actually a small thong inner .....

The actual fact is that you can find a lot of people who have been in the business for a long time, and they've been in the business for a long time.

Qin Shujie was even more at the mercy of the king, a pair of lotus root arms hooked around Ji Feng's neck, and kissed him passionately. Especially when she thought of her daughter sleeping right in the bedroom, but she was in the living room with her daughter's 'daddy' in such a passionate .....

Qin Shujie's body became hot, and a strange stimulation spread through her heart, making her even more passionate.

"Mmm ....."

Suddenly, Qin Shujie let out another delicate whisper.

Ji Feng's hand, however, had already tugged down the small thong underwear that was wedged between her buttocks .....

A cool feeling came over Qin Shujie's heart with shyness and anticipation, and she even directly closed her beautiful eyes, her red lips lightly opening.

"Ji Feng, don't be here, go to the bedroom ....."

Qin Shujie murmured softly in a shy voice.

Ji Feng directly picked Qin Shujie up horizontally with one hand and walked towards the bedroom with big steps, at the same time, one of his hands went through Qin Shujie's armpit and clasped it right on her plump fleshy mass.

Qin Shujie was shy and sweet as she snuggled into Ji Feng's arms, knowing that after today, she would really be Ji Feng's woman .....

Snap!

Coming to the bedroom, Ji Feng placed Qin Shujie on the bed before closing the door again.

Qin Shujie shyly turned her side with her back to Ji Feng, just now she could be hot and bold, but once she got to the bed, she was suddenly shy and didn't dare to look at Ji Feng.

Ji Feng heatedly smiled and once again embraced Qin Shujie in his arms.

A delicate whisper rang out again, and not long after, Qin Shujie's evening gown was removed, and at this moment, she was like a naked `naked lamb, that naked and snow-white delicate body, looking at Ji Feng was a bit stunned for a while.

Qin Shujie's charming pretty face is red at the moment, her legs are slightly curled, that perfect curve is so moving, that rich and delicate body, how to look like a mother of a four year old child, but more like a newly married young woman .....

Ji Feng quickly removed his clothes and embraced Qin Shujie in his arms.

"Shu-jie ..... I'm coming ....." has come to this point, Ji Feng does not have any good hesitation, but he does not want Qin Shu-jie to regret, this evening both of their passion The two of them were too passionate tonight, and Ji Feng was worried that Qin Shujie might not be too sensible in her head because of the wine she had drunk. ....

"Mmm!"

Qin Shujie, however, answered him with a soft nasal voice.

"Don't you regret it?" Ji Feng asked.

"Do you have to have me possessed by another man so that you won't hesitate anymore?" Qin Shujie closed her beautiful eyes and asked in a soft voice, "Or do you have to ask me to take the initiative, Ji Feng, save me some face ....."

Boom~~!

Ji Feng's passion was instantly ignited, he no longer said half a word of nonsense and directly pressed on Qin Shujie's body.

"Wow ....."

The moment Ji Feng entered Qin Shujie, Qin Shujie let out a long, delicate moan, and in that moan, there was a relaxation of having fulfilled a long-held wish, as well as an arousal's pleasure, and just for that moment, Qin Shujie felt like she was flying up into the clouds.

Soon, the bedroom resounded with low, delicate moans, the sound was deliberately suppressed, like a sob, as if to illustrate how hard Ji Feng's plowing was, and how pleasurable Qin Shujie was .....

Time passed quickly, and I don't know how long it took, but a long, high sound suddenly came from the bedroom, and it was from Qin Shujie.

A few moments later, the bedroom finally calmed down.

Qin Shujie's delicate body was still being pressed by Ji Feng, but that exposed skin was still flushed red, and her beautiful eyes were even filled with a dazed look, her small mouth was slightly open, and she exhaled like an orchid.

That crystal skin was covered with fragrant sweat, and the bed sheet was even rubbed out of shape, so it was evident how intense the battle was just now.

"Phew~~!"

It was a long time before Qin Shujie let out a long breath, and her beautiful eyes opened slightly, flashing with a touch of shyness, and a kind of satisfaction.

“Ji Feng, I almost died just now .....” Qin Shujie murmured softly, she wanted to touch Ji Feng’s chest, but she was so drained that she couldn’t even move her fingers, that painful feeling of being cool all over her body, she really had never felt it before.

But today she felt it.

It was as if Ji Feng had inexhaustible energy, and he was so strong that he tossed and turned as if it was a storm. This made Qin Shujie, who hadn’t been in contact with men and women for a long time, almost fainted from Ji Feng’s stormy attack.

However, that kind of pleasure was also drenched with pleasure!

Once she thought of that, Qin Shujie couldn’t help but feel a tingling sensation all over again, and her body instinctively reacted, but was immediately noticed by Ji Feng.

“What, not full yet?” Ji Feng had a bad smile on his face as he stared at Qin Shujie’s flirtatious face that was flushed with red tide and couldn’t help but feel a little apathetic.

It has to be said that women are most beautiful after the most pleasurable peak, and some people say that the reason why the Mona Lisa is so beautiful is, I’m afraid, that it was painted just after the high’s climax .....

The reason for this is the fact that the woman is so beautiful, the beauty is incomparable.

Chapter 1454

Jiangzhou Lake District, Qin Shujie’s home.

In the bedroom, Ji Feng was embracing with Qin Shujie, the fiery passion from earlier had not completely dissipated and there was a strange smell in the air, a kind of erotic` smell emanating from after the passion.

After the passion, a strong ambiguity and affection spread between the two of them, filling the whole bedroom with a warm feeling.

Qin Shujie’s heart was even more shy and sweet as she was naked and nestled in Ji Feng’s arms, allowing Ji Feng’s hands to move back and forth on her plump, delicate body.

Qin Shujie was simply too beautiful, and only when one had truly tasted it did one realise how wonderful she was.

If it was in the past, the most Ji Feng would have known was that Qin Shujie was voluptuous and her whole body was full of a flirtatious and sexy charm, so that the moment one saw her, one could not help but feel the urge to crush her underneath one’s body and love her with abandon.

Her richness, her charm, and even her smile, all have a full attraction to men.

But apart from that, Ji Feng didn’t know what else Qin Shujie had to offer.

Perhaps she is kind-hearted, or perhaps she is strong in character, but other girls may also have such qualities, and this is not a one-of-a-kind.

However, when kind-heartedness and flirtatiousness and sexiness are concentrated in the same person, this woman, then, will be beautiful to the extreme, and Qin Shujie is such a woman.

The first thing you need to do is to get to know the woman and find out that she has some advantages that you can't see from the outside.

The first thing you can do is to find out how wonderful Qin Shujie is before you get really close to her.

The hot emotion and the soft warmth of Qin Shujie's heart are a strange blend, she is as passionate as fire and as gentle as water when she treats Ji Feng, making him melt!

In particular, Qin Shujie, who was already the mother of a child, was even better at serving men than ordinary women, and Ji Feng wasn't exactly a first timer anymore, but he still got a great deal of enjoyment out of being on Qin Shujie's body.

Qin Shujie's voluptuous body was soft and comfortable to press on, and her skin was so smooth that one felt a sense of relief just by touching it.

However, Qin Shujie's figure is plump but not fat, she is definitely not an obese person, but the kind of plumpness that is just right.

It really made Ji Feng feel a bit emotional in his heart, no wonder the ancient saying that a gentle country is a hero's grave, in Qin Shujie's body, he really experienced the true meaning of this saying.

The first thing I want to do is to be a king, even now, Ji Feng has a feeling of wanting to hold Qin Shujie and never want to get up again.

This woman, Qin Shujie, was really easy to be enchanted with.

"Mmm ....."

Qin Shujie's body suddenly trembled, her beautiful eyes were misty, she snuggled into Ji Feng's arms and said shyly, "Ji Feng ..... little man, don't touch there ....."

Earlier during the pleasure, Qin Shujie was moved by emotion and offhandedly called out Ji Feng as little man, and this, however, became her exclusive name.

The more she called it this way, the more excited she felt, and now that she was once again being teased by Ji Feng, her red lips suddenly opened lightly and murmured lowly.

Ji Feng couldn't help but have a smile at his words and squeezed one hand on Qin Shujie's fat buttocks, causing Qin Shujie to let out another chortle.

"Shu-jie, was it comfortable just now?" Ji Feng asked.

"You, how do you make me answer ..... this," Qin Shujie said with shyness and amusement.

"Of course it's the truth." Ji Feng smiled and said.

"Then ..... don't you have confidence in yourself, huh?" Qin Shujie couldn't help but slightly raise her head and give him a white glance, her beautiful eyes were thick with affection and could be described as a glimpse of style.

“Ha!”

Ji Feng instantly laughed, “Just kidding, how could I not be confident? In other things I might have to think about it before answering, but in this matter well ..... hey!”

“Still talking, little man, you’re about to break me apart~!” Qin Shujie said in a bitter and shy manner.

Ji Feng laughed harshly, “It won’t fall apart, I have it in my heart .....

Qin Shujie hurriedly covered his mouth and said with shock and shyness, “Little man, keep your voice down, Yao Yao can be right next door, if I wake her up later, I can .....

The first thing you need to do is to get a good idea of what you’re doing. You couldn’t suppress your voice before, it was close to hissing and shouting.”

“Little man, stop it.” Qin Shujie was softened and shy by his words.

Her flirtatious attitude that was filled with a million different styles made Ji Feng look at her and couldn’t help but see both eyes straighten, and the next moment, Ji Feng kissed again.

“Mmm .....

Qin Shujie let out a delicate cry, a pair of snow-white soft lotus root arms, once again hooked around Ji Feng’s neck, the lips that were already a little red from the kiss, once again enthusiastically catered to Ji Feng.

The next moment, the hot scene again, Ji Feng this time is lightly entered Qin Shujie’s body .....

The room once again became springtime.

.....

It is not known how long it took, along with a long, high cry from Qin Shujie, her body tensed up, her two long, snow-white legs clenched tightly around Ji Feng’s waist, her delicate body trembling continuously.

Immediately afterwards, her body snapped loose and she fell limp on the bed again, her body flushed with flush and dripping with fragrant sweat.

This time, she had really exhausted her strength.

“Little man, don’t provoke me again, I’ll be tossed to death by you!” Qin Shujie murmured in a low voice, begging for mercy towards Ji Feng.

Qin Shujie, who had been empty for a few years, was suddenly nourished by Ji Feng, making her more or less gluttonous. However, the consequence of gluttony was some poor digestion, and Ji Feng’s attacks were just too fierce, almost like a raging storm, making Qin Shujie unable to bear it anymore.

“Hu~~hu~~” Qin Shujie was panting sharply, her body was weak and she didn’t want to move at all.

Ji Feng was right next to her, wrapping his arms around her and gently stroking her delicate body.

After a long time, Qin Shujie seemed to come back to her senses and let out a long breath: “Ah...” Ji Feng immediately laughed: “Look at you, why do you look like you are suffering?”

“That’s not true!” Qin Shujie couldn’t help but give him a white look, “I really don’t know where you got that good energy, you’re as strong as a little tiger, who can stand you? I really don’t know how those few people at your home can stand it .....

“Haha!”

There is no man who does not like to hear this, just like any woman likes to be praised for being a beautiful woman, a woman likes to be praised for her looks, then a man likes to be praised by a woman for her ability in bed.

Ji Feng was no exception, he hedged and laughed: “The two homes at home together also .....

The words just came to an abrupt halt because Ji Feng saw that when he spoke of home, Qin Shujie’s expression dimmed for a moment, and he immediately realized that he had lost his tongue.

“Shu-jie, that .....” Ji Feng cursed himself in his heart for his stupidity, mentioning anything about home at this time? This is not actively seeking uncomfortable!

Really .....

He hesitated, but did not know what to say to Qin Shujie.

“Well, look at your difficult look .....” Seeing Ji Feng’s hesitant look, Qin Shujie couldn’t help but sigh in her heart, but she wasn’t much upset because she had already prepared her mind.

“Little man, you should not have any mental burden, remember what I told you before?” Qin Shujie asked.

“..... eh?”

Ji Feng didn’t expect Qin Shujie to say this, he couldn’t help but be stunned, “What did you say?”

Qin Shujie gave him a blank look, “Is this how you coax a girl? Even if you don’t remember, you still have to pretend to know .....”

Sweat!

Ji Feng was a little sweaty, having to have Qin Shujie teach herself how to lie to girls.

Qin Shujie said softly, “And I know you, so I won’t pester you, as long as you can remember me and Yao Yao and come to see us from time to time, that’s enough.”

“Bullshit!”

Ji Feng said, “What kind of talk is that, how come it’s as if I’m keeping you guys in a golden house? Shuji, I admit, I have some ..... that what, a few girlfriends, is a little less ..... but for their own women, I will not let you guys suffer. As for Lei Lei and Yu Xuan there .....”

Ji Feng clenched his teeth: “I’ll go talk to them there, anyway, no matter what, I can’t let you guys be aggrieved outside!”

“Little man, I have my own company, and Yao Yao, I don’t lack anything except you.” Qin Shujie smiled flirtatiously, “In fact, you can give me a lot, but what I need most is just you, and Yao Yao needs you too, nothing else matters.”

“But .....

“Don’t but, even if you tell your girlfriends about my existence, what about the results? Are you sure that they won’t get angry?” Qin Shujie stroked Ji Feng’s stubble, and her beautiful eyes had a gentle glow in them, “It’s not a carnal` lust union between us, nor is it you adopting me, what I want is a man who loves me, a relationship, do you understand?”

Ji Feng was silent for a long time, slowly nodded and let out a soft sigh.

“Don’t worry, I will definitely find a way for you guys to move there too, after all, it’s not right for you to take care of Yao Yao alone, just like today, if Yao Yao hadn’t called me, something might have happened.” Ji Feng said, “It’s also convenient to take care of Yaoyao if we all live together.”

“That depends on your ability!” Qin Shujie smiled flirtatiously, “Actually, I’m happy that you can think like this, moving over to me and Yao Yao instead might be uncomfortable, it’s enough that you can come and see us once in a while.”

Ji Feng nodded his head and did not continue on this topic, saying more would not lead to anything. As Qin Shujie said, if he went back and told Lei Lei and Yu Xuan now, he didn’t know what the consequences would be, but they were sad that was for sure.

On top of that, maybe Lei Lei and Yu Xuan would even leave ..... Ji Feng didn’t even dare to think about it anymore.

Despite being a jerk himself, Ji Feng wanted to just go on like this, whoever left he didn’t want to, and since things had come to this point, he could only try to work towards the best possible outcome.

“Take your time.” Seeing Ji Feng’s tightly frowning brow, Qin Shujie said softly.

Chapter 1455

The fiery passion had not yet completely receded, and Ji Feng was holding Qin Shujie’s tender, unclothed body tightly, one hand roaming back and forth over her body, stroking her almost slippery skin.

Qin Shujie’s eyes were slightly closed as she enjoyed Ji Feng’s caresses.

As the saying goes, what men value most in making `love’ is doing, and what women value most is love. Especially after the pleasure, this simple caress was enough to make Qin Shujie’s heart feel warm and full, giving her a feeling of peace of mind.

“Mmmm .....

Qin Shujie slightly twisted her delicate body, her plump buttocks moved even more slightly, her beautiful eyes opened and she gave Ji Feng a white glance, pouting, “You, why are you touching and touching and being dishonest!”

Ji Feng heatedly laughed: “Are you kidding? With such a stunning beauty and charming young woman in my arms, if I can still be honest, then I’m really not a man.”

As he spoke, one of his hands probed in between Qin Shujie’s plump buttocks again.

“Little man, don’t come again, I’ll be tossed to death by you!” Qin Shujie immediately blushed and panicked as she begged for mercy.

Although her body had been empty for a long time and was very much a bit thirsty, but after all, Ji Feng was just too brave, that attack was too strong, it was simply like a raging storm, making Qin Shujie a bit too much to bear.

This was really sweet and frightening, and Qin Shujie was also ashamed and panicked.

“Hey!”

Ji Feng laughed heatedly as his fingers traced Qin Shujie’s plump buttocks and placed them back on her waist, not continuing to tease Qin Shujie.

He also saw that although Qin Shujie was the mother of a four-year-old child, after all, her body was also of a very ordinary physique, plus she usually worked alone at the company and at home, so her body would definitely be somewhat sub-healthy, which was far worse than Lei Lei and Yu Xuan’s physique.

Although when they were happy, Tong Lei and Xiao Yuxuan would often beg for mercy, but after a good night’s sleep, they woke up the next morning in good spirits again, not like they were tired at all.

Qin Shujie was a bit worse.

The company’s main business is to provide a wide range of products and services to the public.

The fact that Ji Feng doesn’t consider himself to be a hungry man, of course he won’t force himself on Qin Shujie without regard to her body.

“Shu-jie, I think your physique is too weak, this is not good.” Ji Feng said.

“You person!”

Qin Shujie smiled and was immediately ashamed and angry, pouting, “Little man, you are so bad, you move so fiercely yourself, as if you are a little tiger that never runs out of energy, you are tossing me around, and now you are actually saying that my physique is not good?”

Saying that, Qin Shujie remembered the soul-crushing wonderful taste of being tossed by Ji Feng just now, she couldn’t help but blush a little, but she still couldn’t help but be angry with Ji Feng for getting the better of her, and couldn’t help but give a pinch on little Ji Feng.

“Hiss ……”

Ji Feng suddenly snapped his eyes wide and couldn’t help but suck in a breath of cold air: “Shu-jie, you can’t move him around, something will go wrong!”

“Aren’t you in good health, you’re also afraid that something will go wrong, huh?” Qin Shujie laughed delicately.

Ji Feng couldn't help but laugh bitterly: "Good health is not such a good method, look at those who practice martial arts, are they physically fit? That practice out of what the Golden Bell Shroud Iron Cloth Shirt and so on, the body is like iron, but you have not heard anyone say that someone has practiced the divine skill of not falling down from a golden spear, right?"

"What golden spear is invincible!"

Qin Shujie spat lightly with a slightly red face, she was close to Ji Feng and her heart was close to him, so she could speak openly, after all, she was a young woman who had experienced human affairs, "If you want me to say so, they are all silvery pewter spearheads, not useful in appearance."

"You know all this?" Ji Feng was immediately filled with amazement, "It seems that you have a lot of research on this man and woman thing!"

"What research, it's not just the noble women and celebrities that I usually come into contact with, they are all so corrupt that they often talk about this matter." Qin Shujie pursed her lips and laughed, "Some women also often exchange how their husbands behave in bed together, but most of them complain and say that their husbands are useless, so they often find lovers outside ....."

"You women, ah, I think it's just idle!" Ji Feng couldn't help but shake his head and laugh bitterly as he listened, those noble women and celebrities in the social circle, the so-called social flowers, what their lives were like, Ji Feng had also heard his second brother Ji Shaolei mention it.

It was said that in that circle, if any woman didn't have a couple of boyfriends and lovers in private, it seemed that she would be embarrassed to come out and hang out.

There were even some famous women who had good relationships with each other and would actually borrow lovers from each other.

The first time Ji Feng heard this news, he was really thunderstruck, this news is too incredible.

But when he thought about the lives of those celebrities, he was relieved.

Those so-called celebrity women, in fact, all they can use is their own bodies, either for the benefit of their families, to climb up the ladder, or for themselves, anyway, no matter what, all they can rely on is that face.

Even if a man is flirtatious, few men would like to see their women sleeping with other men, right?

In this way, those celebrity women will only be able to find their own ways to relieve their loneliness and emptiness.

That's why Ji Feng said they are all idle. If they can't even get enough to eat, see if they still have the heart to go to the ladies' club?

Bullshit!

Ji Feng shook his head and said, "Let's not talk about those people, as soon as I spoke you took the conversation away from me, Shu-jie, when I said you have a poor physique, it wasn't in a joke, nor was it a cheap shot, your physique is really poor."

“Little man, you’re not joking, are you?” Qin Shujie slightly rolled over so that she could lean more comfortably in Ji Feng’s arms, “Although I’m usually busy, I still pay more attention to exercise, I go to the gym once a week, and go to the hospital for a physical examination once every six months, the doctor said that apart from some sub-health, all my other physical indicators can be good.”

“Sir social pressure, fast-paced life, subhealth almost everyone has, that’s why you think it’s not a matter.” Ji Feng laughed: “But this sub-health is actually very harmful to one’s body, besides, when the doctor says your body indicators are good, it also depends on what they are based on.”

Looking at Qin Shujie’s puzzled gaze, Ji Feng laughed, “Your physique might be considered good compared to ordinary people, but if you compare it to Tong Lei and Xiao Yuxuan, and those few bodyguards in my family, it’s far from good.”

“Why? They are well maintained?” Qin Shujie asked, “Or ..... are they younger than me?”

Sweat!

Ji Feng was sweating and laughed bitterly, “What are you thinking, they are in good health, that’s because they are all practicing a set of body building exercises, the effect of this body building exercises is amazing, just try it and you will know!”

“Really?”

Qin Shujie was instantly interested, “Then do you know it? Teach it to me!”

“Really want to learn it?” Ji Feng asked.

“Of course, I’m getting tossed around by you here, if I don’t learn it, I’m afraid I’ll lose my life when you come in the future!” Qin Shujie snapped.

Ji Feng’s expression was a bit odd: “But, if you learn it now, it’s a bit late in time, and the method to get a quick result is a bit special oh .....”

“What method?” Qin Shujie immediately asked.

Ji Feng gave a bad smile and lowered his head and said something in Qin Shujie’s ear.

“Ah?!”

Qin Shujie’s blossoming face instantly changed, “Again? Little man, do you want to torment me to death?”

Ji Feng laughed: “If you want a quick fix, this is the fastest and best way, I didn’t mean to take advantage of you.”

“You’ve taken advantage of me, haven’t you? Is there anything else I haven’t been taken advantage of by you?” Qin Shujie gave him a flirtatious white glance, hesitated for a moment, and then asked, “Do you really need that to get quick results?”

“Really!” Ji Feng nodded, “How about it, do you want to do it again?”

“Who cares!” Qin Shujie blushed and glanced at him in style before turning over, leaving her smooth and perfectly curved backside to Ji Feng.

“Hehehe!”

Ji Feng instantly understood, and once again pressed on Qin Shujie’s body, preparing to enter from behind .....

“Ka ka ka~~!”

Just at this moment, however, two strange noises suddenly came from outside.

Ji Feng immediately moved with a start.

“What’s wrong?” Qin Shujie asked in a low voice.

“There’s movement outside, and it’s not from Yao Yao’s bedroom, I think it’s the sound from the living room door .....” Ji Feng frowned slightly.

Qin Shujie’s face changed slightly at once: “Is it ..... a thief?”

“Phew~~!”

Ji Feng shook his head and said in a low voice: “It’s not too clear yet, you stay here, I’ll go out and see what’s going on.”

As he spoke, he had already gotten up from the bed and quickly dressed.

Originally, Ji Feng’s movements were quite fast, but helplessly his clothes were scattered everywhere and it really took some time to put them on, so Ji Feng could only shake his head and smile.

As for the situation outside, Ji Feng wasn’t worried at all, he hadn’t encountered any situation before, what did he care if there were little thieves outside?

“I’ll get up too!”

Qin Shujie also hurriedly got up and put on her clothes, in case there was any unexpected situation, she couldn’t meet people without any clothes on her body now.

Ji Feng didn’t stop her, he just said, “You can wear your pajamas, it won’t be a big problem!”

He could get rid of some small thieves with his own hands, there was no need to alert Qin Shujie, and I believe that in this upscale community, where the security conditions are not bad, there should not be any problems either.

At this time, there was a subtle and slightly hurried sound of footsteps from outside, which seemed to be walking back and forth and appeared to be a bit messy.

The first time I heard the footsteps, I thought it was a woman. Or, was it a master?

Chapter 1456

“The lightness of the footsteps indicates that the person either has a light body weight and is a woman. Either that, or the person is very skillful in walking, then he or she should be a master.” Ji Feng quickly

put on his clothes and came to the bedroom door, but did not open the door immediately, instead, he was thinking quickly in his head.

“However, the footsteps are a bit messy, an expert shouldn’t make this mistake!” Ji Feng had an idea in his mind after a slight thought.

He immediately urged the bio-current to act on his eyes, wanting to verify whether his judgment was correct.

Ji Feng’s gaze pierced through the bedroom door and saw the scene in the living room.

However, when Ji Feng saw the person standing in the living room, he couldn’t help but be stunned: “So it was her!”

It turned out that the person standing in the living room was no other than Qin Shujie’s family’s nanny, the one who had left Yao Yao alone at home in the middle of the night and suddenly left for some unknown reason, Zhang Ma.

When Yao Yao was asked earlier, that little girl couldn’t say clearly, after all, she was only a four-year-old child, so it was good to be able to speak fluently and make things clear, and as for the original reasoning and clear organization of things, it was not necessary to think much about it.

And because Ji Feng was angry at Qin Shujie in his heart, after Qin Shujie came back, Ji Feng only talked about her and didn’t bother to ask the nanny Zhang Ma about the matter.

However, now that I think about it, there was nothing wrong with Qin Shujie’s arrangement at that time, and there was actually not much of a problem in letting Zhang Ma stay and take care of Yao Yao, the last time Ji Feng came, it was Zhang Ma who was taking care of Yao Yao, and Qin Shujie was very relieved.

Qin Shujie’s fault was that she was still out so late socialising, smelling of alcohol, and neglecting her family.

If she hadn’t rashly left the little girl alone at home, at least the little girl wouldn’t have been so pitiful, unable to find even a pair of socks and afraid to sleep by herself, that pitiful look still makes Ji Feng frown a little when he thinks of it now.

Now it’s midnight and Zhang’s mother has suddenly returned!

Moreover, looking at Zhang Ma’s expression, she seemed to look anxious and flustered, and even had a sense of urgency.

There was still some hesitation and hesitation on her face, and she was constantly walking back and forth in the living room, as if she was preparing to make some kind of decision.

“Ji Feng, why don’t you go out?” When Qin Shujie saw Ji Feng standing motionless in front of the door, she couldn’t help but lower her voice to an extremely low level and asked, “Is there any trouble? Then don’t go out, let’s just call the police.”

“There’s nothing wrong!”

Ji Feng shook his head and said in a low voice, "It's just that the person outside is that nanny from your house."

"What?"

Qin Shujie's beautiful face immediately tightened up, "It's Zhang's mum who's back?"

Ji Feng nodded and said, "It's her!"

"Humph!"

As soon as Qin Shujie heard that it was Zhang Ma who had returned, her pretty face instantly sank, "She still has the nerve to come back!"

As she spoke, she was about to pull open the door to go find Zhang Ma.

However, Ji Feng was quick with his hands and pulled Qin Shujie's hand, lowering his voice and saying, "Don't go out yet, something is wrong with Zhang Ma, it looks like something might have gone wrong."

"What kind of problem?" Qin Shujie asked, then she reacted, "Ji Feng, how did you know that the person outside the door was Zhang Ma? And ah, why isn't she right?"

Looking at Ji Feng, Qin Shujie couldn't help but get a little worried, "Ji Feng, is something wrong with you?"

You know, they hadn't opened the door, and just now they only heard the movement outside the door, but Ji Feng knew it was Zhang Ma who had returned, and he also knew that Zhang Ma was not right, which was a bit too strange!

So Qin Shujie's first thought was that Ji Feng might be hallucinating, perhaps because he had just 'overworked' himself.

"You!"

Ji Feng was really crying and laughing, he couldn't help but tap Qin Shujie's \*\*\*\* and said, "Even if I can't see outside through the door, can't I still hear the footsteps? I can't hear Zhang Ma's sighs, ah?"

"But ..... how come I didn't hear it?" Qin Shujie said.

Ji Feng instantly squeezed on Qin Shujie's \*\*\*\* hand, and no longer answered her question, he just asked, "Tell me, what is going on with Zhang Ma, I heard Yao Yao say that she left suddenly, is there something wrong in between?"

He could see through himself, this secret Ji Feng did not intend to tell anyone, not only because it was troublesome to explain, and there might be subsequent problems, he simply kept this secret in his heart and did not say anything to anyone, just as keeping the intelligent brain secret as well was the same.

And his sense of hearing was equally sensitive, but it would obviously be a waste of words to explain to Qin Shujie, and now was obviously not the time to explain either, so Ji Feng just changed the subject.

Ji Feng had an intuition that there seemed to be something wrong with this Zhang Ma, so he had to ask what was going on.

Qin Shujie, however, was squeezed by Ji Feng's big hand and her pretty face turned red and her body went a little soft again.

Her pair of beautiful eyes looked at Ji Feng with watery eyes, and her shell teeth bit her red lips before she said, "I don't know what's going on, I went to a party earlier, and then I received a call from you, and that's how I found out about the situation at home, and also how I knew that Zhang Ma wasn't home."

Ji Feng's brow then furrowed, it looked like Zhang Ma had left in a mysterious manner.

"Then what happened afterwards?" Ji Feng asked in a low voice.

At the same time, he didn't forget to pay attention to Zhang Ma outside in the living room. Ji Feng noticed that Zhang Ma had stopped in her tracks, and the expression on her face was changing, apparently she seemed to be struggling a bit inside.

It seemed like this Zhang Ma was about to do something bad!

Ji Feng secretly said, people only struggle in their hearts when they do something against their hearts, and when they arrived at home, Zhang Ma still had this expression, so it was obvious that she was going to do something in Qin Shujie's house.

"Then I drove back in a hurry, and on the way I called Zhang's mum several times in a row, and she either went unanswered or just hung up on me and didn't answer at all, to the point where she just turned off her phone. I then thought she should not want to contact me anymore, so I rushed back to check. But to my surprise, she is now back .....,," Qin Shujie said in a low voice.

When she said this, there was still some anger on her pretty face, obviously still somewhat unforgivable for Zhang Ma's actions.

After all, Zhang's mother left Yao Yao's little girl at home alone, and at night, which made Qin Shujie also very heartbroken. When Zhang's mother left, even if she gave her a call and told her that only Yao Yao was at home alone, she would have come back immediately, not so much as to say that Yao Yao was scared to call Ji Feng.

How scared did the little girl have to be to call Ji Feng in a pathetic manner?

Ji Feng nodded slightly and said, "It looks like this Zhang Ma is hiding something from you, wait, let's see what she's up to!"

"How can I see it like this?" Qin Shujie asked.

"..... Listen to what she's going to do!" Ji Feng corrected himself.

"I think it's better to just go out and ask her, when will waiting like this be the end?" Qin Shujie said.

From this point on, it could be seen that Qin Shujie was a very assertive woman who could hold her own and was decisive in doing things.

But she was unaware that Ji Feng was really able to see through the door of the room, and that Zhang Ma's every move was under Ji Feng's watchful eye.

Ji Feng said with a smile, "Watch, in a few minutes at most, Zhang Ma will make a move."

He could already see that Zhang Ma was standing still in place and a look of determination was gradually appearing on her face, it was obvious that she had basically made up her mind.

As expected, just a few breaths later, he saw Zhang's mother peeking at the doors of the two bedrooms, and after making sure there was no movement, she walked in the direction of another room.

"The room at the far end of your house, what is it for?" Ji Feng asked in a low voice.

"That's the study." Qin Shujie said.

"Are there any valuable things in there?" Ji Feng asked.

"There's nothing, just some information from the company, I sometimes bring it back home to deal with it if I can't finish it at the company." Qin Shujie said, "In addition ..... there is a safe, which contains some cash for emergencies, as well as a few jadeite pendants that I personally like, and a top quality pendant that I am going to give to Yao Yao later when she grows up... .."

To Ji Feng, Qin Shujie didn't hide anything in the slightest.

Ji Feng asked again, "Does Zhang Ma know the password to the safe?"

"She?"

Qin Shujie was slightly stunned and shook her head, "I don't think she knows, I haven't told her."

"I see ..... I heard her go to the study, I guess she is heading for your safe, should we go over there together and take a look?" Ji Feng asked.

"What?" Qin Shujie was however a little shocked, "Ji Feng, are you saying that ..... Zhang Ma is going to be a thief? That can't be right?"

Although Qin Shujie was angry with Zhang Ma's previous actions, but usually Zhang Ma was an honest person, and came from the countryside, and was usually considerate, how could she possibly go and become a thief?

"Just go and take a look." Ji Feng smiled faintly, then silently opened the door to the room, took Qin Shujie's hand and very carefully walked against the wall in the direction of the study.

At this time they noticed that the door to the study had already been opened.

Qin Shujie's face then showed a look of shock and disappointment, she had not expected that Zhang Ma would really do this.

The duo quietly arrived at the door of the study and probed inside to see that Zhang Ma was standing by the wall, lifting a painting off the wall to reveal a safe.

"Zizi~~!" Zhang Ma opened the safe with great skill.

Qin Shujie was even more stunned, her own safe, how come it didn't seem to be her own anymore? Who was the owner anyway?

Ji Feng also shook his head and smiled as he watched, this nanny was really something, she even knew the password to the proprietor's safe!

## Chapter 1457

Zhang Ma skillfully opened the safe in Qin Shujie's study, and then she took out a few jadeite pendants and two bundles of cash from it.

Zhang Ma's face could not help but reveal a look of excitement, but soon, this excitement turned into hesitation and her face paled.

After thinking about it, Zhang Ma put the jadeite pendant back, leaving only one piece behind.

Then, Zhang Ma closed the safe.

After standing in place and hesitating for a moment, Zhang Ma then gritted her teeth and turned around to leave, however, just as she turned around, she saw that two people were actually standing at the entrance of the study at some point, but it was Ji Feng and Qin Shujie.

"Swish!" In a flash, Zhang Ma's face immediately turned pale, and her whole body fell into extreme fear and panic, with a strong look of shame in her eyes.

Zhang Ma's body trembled, and her body shook a few times, almost not falling to the ground.

"Qin, Chief Qin ....." Zhang Ma wanted to open her mouth to explain, but after opening her mouth, she could only give a dry, deflated cry before she could no longer say anything.

Looking at her like that, she was simply dying of shame!

Qin Shujie was incomparably disappointed, as she looked at Zhang Ma and couldn't help but sigh, "Zhang Ma, I really didn't expect that you would actually do such a thing!"

"Mr. Qin ....." Zhang Ma's voice was trembling a bit, but she didn't know what to say, she had been caught stealing by Qin Shujie, now there was no use for her to say anything, moreover, she really had nothing to explain.

"Zhang Ma, I have always thought that you were an honest and proper person. Ever since you came to our house, you have done the same, you are honest and hardworking, and I have never looked down on you, but I didn't expect that you were hiding it so well, I didn't even notice it for so long, you actually ....." Qin Shujie sighed lightly and didn't say any more.

She was really disappointed, originally she had great trust in Zhang Ma, sometimes she treated her as if she was her own family member instead of treating her as just a nanny. Even Yao Yao, who didn't even know that Zhang Ma was the family's nanny, still thought that Zhang Ma was their family member.

If she didn't think so highly of Zhang Ma and trust her words so much, Qin Shujie wouldn't have felt comfortable leaving Yoyo in her hands. In the past, when Qin Shujie went out, she always asked Zhang Ma to look after Yao Yao, precisely because Zhang Ma was very proper.

If she had been replaced by someone less reliable, what if she had kidnapped Yoyo? Or what if she had stolen something from the house?

To be able to leave Yoyo in Zhang Ma's care with complete confidence was a kind of trust in itself.

However, Zhang Ma had betrayed Qin Shujie's trust. First, she suddenly left Yoyo alone at home without caring, and left without even telling Qin Shujie. And now, she had actually become a thief again, and had opened the family safe so skillfully.

If she hadn't kept an eye out before, how could Zhang Ma have known the combination to the safe?

It was evident that Zhang Ma was afraid that she had already started preparing a long time ago, for today.

Zhang Ma's face turned white at Qin Shujie's words, and her whole body could barely stand up, her eyes were both ashamed and embarrassed, and she even almost cried out.

Seeing this, Qin Shujie did not want to say anything else.

She shook her head and said, "Put all the things in your hand back, seeing as you did your best to take care of Yao Yao before, I'll pretend that I didn't see this matter, but you can't continue to stay in this house in the future, leave the key behind, I'll settle your salary ....."

"Mr. Qin!"

Zhang Ma suddenly exclaimed, "Chief Qin, don't fire me, please ....."

"Keep your voice down!"

Qin Shujie's face was chilly, "Do you want to wake up Yao Yao? She was already terrified from being left at home, let her sleep peacefully, okay?"

Zhang Ma's voice immediately stopped abruptly, but tears flowed down uncontrollably.

"Qin, Mr. Qin, please don't fire me, I, I can't help it if I do this!" Zhang Ma whimpered, but did not dare to speak any louder.

"There's no way out?"

Qin Shujie shook her head, "I didn't force you to do this ..... Zhang Ma, don't pester, let's go."

With that, Qin Shujie took two steps forward, took the things from Zhang Ma's hand, and pulled out a stack of notes from the two bundles of cash and handed them to Zhang Ma.

"These are enough for your salary, keep the extra ones too." Qin Shujie said.

She didn't want to argue with Zhang Ma about anything, originally she still saw her as family, but the way Zhang Ma acted today made Qin Shujie only see her as an ordinary hired hand, then there was nothing more to say.

However, Zhang Ma's reaction was very fierce, only to see her flopping down and kneeling down at once, crying, "Mr. Qin, I really have no choice, please forgive me this time, I beg you ....."

"You ....." Qin Shujie was instantly furious, "Zhang Ma, it's useless for you to say anything, I really don't dare to keep you anymore, go away!"

"Mr. Qin, I know you are a good person, please be kind, if you kick me out, my son will be dead." Zhang's mother begged, "Mr. Qin, please ....."

Qin Shujie, however, frowned slightly.

The first thing you need to do is to get a good idea of what you're doing.

"..... What's wrong with your son!" After a long time of silence, Qin Shujie only opened her mouth to ask.

Zhang's mother's face instantly flushed with joy as she said in a panic, "Mr. Qin, my son is being locked up, saying that he owes money, if I don't see the money by tomorrow morning, my son's life will not be saved ah, Mr. Qin, I really didn't mean to steal anything, I went to sell blood, but they only gave me a few thousand dollars, I can't help it, I really can't help it ....."

Saying that, Zhang Ma rolled up her sleeve, and as expected, there was a needle hole on her arm with a blood crust on it, obviously it had just been stabbed not long ago.

"You get up and talk first!" Qin Shujie was stunned for a moment, and then said indifferently.

Ji Feng was beside him, helping Zhang's mother to stand up.

"Isn't your son in college? Who does he owe money to?" Qin Shujie asked.

"I don't know." Zhang Ma said.

"You don't know?" Qin Shujie was stunned, "You don't even know who your son owes money to and you ran off to sell blood?"

"I only know that that person is the owner of an arcade near my son's college, and I don't know his name." Zhang's mother said in a panic, "My son was just held up by him, they beat him up all over his body ah ....."

Qin Shujie and Ji Feng looked at each other, both of them immediately understood, Zhang's mother's son, obviously lost in the video game city gambling, as a result, owed a lot of money, people are detaining people waiting for money.

In fact, the so-called arcade nowadays is no longer the game hall it used to be in the nineties. The vast majority of arcade nowadays are slot machines and gambling machines, which, to put it bluntly, are gambling establishments that sell dog meat on a sheep's head.

Don't underestimate this kind of place, the amount of money gambled here can be large or small, and there are even many people who can lose all their money here overnight.

Apparently, Zhang's mother's son had lost a lot.

"How much money did your son owe to others?" Qin Shujie asked.

"They said that my son lost 20,000 ....." Zhang Ma's tears came down again.

Qin Shujie nodded her head and said, "Twenty thousand, just twenty thousand."

And then, she put both bundles of cash on the table and said, "Here is 20,000, take it and pay it back for your son, leave the key behind and be good to yourself in the future!"

“Mr. Qin .....” Zhang’s mother didn’t want to give up yet, “My son’s living expenses, all depend on my salary, please .....

“Having a son like that is better than not having one at all!” Qin Shujie said, “I wouldn’t dare to use you again, there’s a first time and a second time, I’m afraid you’ll sell Yoyo!”

Zhang Ma had nothing more to say.

Qin Shujie had already said this much, she knew it was useless to beg any further, so she could only give Qin Shujie a bow, “Mr. Qin, thank you!”

“Go away!”

Qin Shujie waved her hand, her face calm.

Zhang’s mother’s heart was bleak despite the life-saving money she had received, and she walked out in a downcast manner.

“Wait a minute.” Qin Shujie suddenly said.

Zhang Ma’s face suddenly changed slightly, did Qin Shujie regret it?

“Ji Feng, it’s not too safe for her to carry so much money alone at this late hour, why don’t you see her off for a bit.” Qin Shujie said.

Ji Feng nodded and gave Qin Shujie a very meaningful look.

Qin Shujie was, indeed, a good woman.

This was the deepest understanding Ji Feng had of Qin Shujie through this matter.

She was good-natured, affectionate, and decisive, never dragging her feet, and very thorough in her considerations. More importantly, she is not cold.

To be able to get such a woman, Ji Feng felt that it was his luck.

His heart was suddenly free of burdens, getting Qin Shujie was a wise choice for him and should not be a burden on his heart!

Perhaps .....

Qin Shujie would also be a good helper for him, Ji Feng was lucky!

“Let’s go.”

Ji Feng said, “Don’t forget to leave the keys!”

“Drive carefully on the way, I won’t send you down.” Qin Shujie came to Ji Feng and gently tidied up his clothes, the affection in those beautiful eyes, even a blind person could see it, and she didn’t mind at all showing her emotions in front of Zhang Ma, Ji Feng was the one she loved, so what if she was adopted by Ji Feng on the outside?

After so much experience, she doesn’t care what others think!

## Chapter 1458

When Ji Feng took Zhang's mother out of Qin Shujie's neighborhood, he found that the white spider had fallen asleep in the car, his heart could not help but feel a little sorry for himself, he was indeed a little ridiculous, letting the white spider wait in the car downstairs while he was up there making out with Qin Shujie.

The first thing I did was to look at the face of the spider, and suddenly Ji Feng smiled faintly.

And gradually, Ji Feng got to know the white spider better and better.

This is also a woman who is lonely at heart, but unlike Qin Shujie's loneliness, Bai Spider's loneliness is rooted in a life of wandering.

Living without a fixed place, and not knowing where her future lies, not knowing where she should go in the future, not even having someone to rely on, not having anyone to befriend, this is where Bai Spider is most lonely.

However, now she has gradually integrated into the family, and her relationship with Xiao Yuxuan and Tong Lei has improved, and with Xiao Ying and Han Zhen, she is even closer.

Although Xiao Ying and Han Zhen were not very talkative, the three of them had a lot of common language together and would often exchange ideas on kung fu or talk about private conversations between the girls.

Xiao Yuxuan and Tong Lei would occasionally join in, they did not regard the three White Spiders as bodyguards, after all, they had lived together for so long that they had long since got used to their presence.

It was the same as Qin Shujie gradually treating Zhang Ma as family.

"I don't know, will White Spider leave in the future, perhaps, she will also find someone she likes and live the life she wants?" This thought flashed through Ji Feng's mind, and he soon shook his head.

He was now used to White Spider following him around, and if one day White Spider suddenly left, he would really be uncomfortable.

Especially when he thought that Bai Spider might find a man who loved her, Ji Feng didn't want to think about it any further.

"What happens later, let's talk about it later, no one knows what will happen tomorrow!" Ji Feng secretly said, but in his heart he had some hazy thoughts, perhaps even he himself was not too sure.

Anyway, he did not want the white spider to leave.

Ji Feng's gaze couldn't help but fall on the white spider's face once again and secretly sighed, the white spider was also tired.

Suddenly, Ji Feng noticed that the white spider's eyes moved imperceptibly. Although she didn't open her eyes, Ji Feng believed that he wasn't hallucinating just now.

The white spider must have woken up!

Ji Feng then immediately smiled, this kind of vigilance of the white spider was really integrated into her bones, when she woke up, she would not open her eyes immediately, but would continue to pretend to sleep and listen to the surrounding movements and environment first before this would open her eyes.

This was a kind of extreme vigilance.

Ji Feng had also developed such a habit when he was trained in the training space of the intelligent brain, so when he saw the white spider's eyes move slightly, he immediately knew that the white spider was awake.

But from this, he could also see from the side what kind of life the White Spider had actually led before.

Zhang Ma stood next to her, watching Ji Feng fidgeting in front of the car, she didn't dare to rush her, after all, she herself was weak-minded and didn't have the slightest confidence to speak of in front of Ji Feng.

Besides, it was good enough for Ji Feng to drive her there, it was so late, she really didn't dare to carry the money around by herself.

Swish!

Bai Spider opened her eyes, she then saw Ji Feng standing outside the car, she then immediately sat up.

"Young Ji."

The haziness was no longer in Bai Spider's beautiful eyes, this was one of the utilities why she didn't open her eyes immediately after waking up, Bai Spider quickly put the seat backrest up and opened the door to get out of the car.

"Ji Shao, I'm sorry, I was just ....."

Before White Spider could finish her words, Ji Feng couldn't help but laugh: "Why so nervous, sleeping isn't a big deal, besides I'm not that harsh, right?"

"Mm!"

Bai Spider nodded her head somewhat embarrassed.

Ji Feng stretched out his hand and ruffled it twice on her head, sleeping just now made her hair a bit messy.

Bai Spider's pretty face suddenly flushed slightly, but she quickly let it go and allowed Ji Feng to smooth out her hair, the corners of her mouth, with a slight smile, seemed to have a faint sweetness to it.

"Let's go." Ji Feng straightened her hair and said with a smile.

"Yes!"

White Spider immediately opened the door and got into the car, while asking, "Young Ji, are we going home?"

Going home?

Her heart suddenly warmed, yes, home!

This word had only appeared in her dreams for her too, but now she could say it out loud, which made her feel warm.

“Don’t go home first!”

Ji Feng, however, did not feel the change in White Spider’s state of mind as he said, “We have to send her to a place first.”

He pointed at Zhang Ma who was somewhat restrained next to him.

“Understood.” White Spider also looked back at Zhang Ma, but didn’t ask anything.

“Zhang Ma, get in the car!” Ji Feng said.

“..... hey!”

According to the address Zhang Ma said, the three of them arrived at Jiangzhou University City, and Ji Feng didn’t expect that Zhang Ma and himself would even go the same way.

Zhang Ma’s son’s name was Wang Lixiang and he was studying at Jiangzhou Institute of Science and Technology, which was an ordinary institution, but it was also located within the university city. The arcade where Wang Lixiang gambled was located on a commercial street near the university city.

Ji Feng was very familiar with this street, as he would often bring Tong Lei here to shop and play.

Soon, the three of them drove to the arcade that Zhang’s mother had mentioned. Although it was already midnight, the arcade was still brightly lit, with many people going in and out, and business was booming.

Ji Feng looked up and glanced at it, “The Windy City of Video Games?”

He said to Zhang Ma, who was sitting in the passenger seat, “Zhang Ma, go ahead.”

“Hey hey!”

Zhang Ma nodded in a panic and got out of the car, seemingly with some hesitation, she glanced back at Ji Feng, only to find that Ji Feng was leaning against the backrest with his arms clasped, but his gaze was no longer looking at her.

The first thing she did was to look at her, but she couldn’t help it.

While lamenting in her heart, Zhang Ma gritted her teeth and headed for the arcade.

Her son was still inside, maybe he was being beaten up again now.

“Young Ji, why are we here?” White Spider asked, “I see that this lady seems to have something on her mind, should I go over and take a look?”

“No need!”

Ji Feng leaned back in his seat with his arms around him and said indifferently, “It’s none of our business!”

Bai Spider then nodded thoughtfully, Ji Feng's tone wasn't too good, it was obvious that he wasn't too happy with the lady just now and probably had some opinions.

Ji Feng also didn't say anything to White Spider about Zhang Ma, after all, stealing was really not something honorable, no matter what Zhang Ma's reason for stealing was, at least her behavior was inexcusable.

"But ....."

The first thing you need to do is to get a good idea of what you're doing. This arcade is actually still running like hotcakes, it seems to be another one with a background!"

For many people, the saying "rules are dead, people are alive" could not be more appropriate at the moment.

The government of Jiangzhou has explicit regulations, but here the arcade is still open, and the nearest school is less than two kilometres away!

The company's oldest son is now the secretary of the Wanhe District Committee, so he should be able to manage this area.

"White spider, let's go." Ji Feng once again took a look at that Windy City video game and turned his head and said.

"Yes!"

Bai Spider answered.

She immediately started the car and turned it around to prepare to go home.

"Xiaosheng ....." Just then, a scream suddenly came from not far away, and Ji Feng and the two of them immediately followed the sound and saw a man falling to the ground at the entrance of the Feng Yun Rising arcade, followed by a few wolf-like guys who kept driving the man out.

"It's that lady!" White Spider said immediately.

Ji Feng nodded, he also saw that the person who had fallen to the ground was no other than Zhang Ma, who had just gone in. But at this moment she was in a very bad shape, being driven outwards by several guys who were like wolves, those guys didn't treat her as a woman in the slightest and pushed her outwards even after seeing her fall on the ground.

"That's a bit much!" White Spider said.

Ji Feng didn't say anything, only that his brows were furrowed.

Those few guys were obviously the thugs and other characters of the arcade, which was understandable, usually in such places, there would definitely be people coming to cause trouble, or people who lost and were not willing to pay, this was a common thing, so the owners of the arcade would usually keep a few thugs.

However, these few guys were obviously going too far.

Even though Ji Feng didn't have a good feeling about Zhang's mother, he couldn't see past it. She was just a middle-aged woman, and I was afraid that a fall would be too much for her, so how could she withstand the pushing and shoving of those guys?

"Young Ji, do you want me to go over there?" White Spider asked.

"Let's go together." Ji Feng didn't think much about it and said directly.

Bai Spider turned off the engine and the two of them immediately opened the door and got out, striding towards the arcade.

"Are you guys still being reasonable, I've already paid, why don't you let my son go!" Zhang's mother was pushed and fell a few times, and only when she reached the outside of the arcade did she sit on the ground and cry out, crying and shouting, "Xiao Sheng!"

"What the hell are you shouting for!"

A strong man couldn't help but curse and swear, "You old bitch, it's only right to pay a debt, your son owes so much money, and you want him for 20,000? Dream on!"

"But, but you are talking about 20,000!" Zhang's mother was scared and aggrieved, but when she thought that her son was still in their hands, she argued her case again.

"That was before, now it's gone up, without 100,000, wait until tomorrow to collect your son's corpse!" The strong man grunted.

Chapter 1459

"You bastards! You're all hooligans, hooligans!"

Zhang's mother sat on the ground in front of the Windy City and cried out in pain, "Where can I find so much money for you, take it if you see how much my old life is worth, please let my son go!"

Now she was really desperate, in order to pay for her son's education, she had come to Jiangzhou to work, and the money she usually earned had been used for her son's education, even the 20,000 yuan was given to her by Qin Shujie.

Besides, if she could make money from selling blood, she wouldn't have stolen Qin Shujie's money anyway.

Thinking of all this, Zhang's mother almost despaired, she could no longer hold back and let out a painful cry.

"Xiao Sheng, you are unfilial, you don't study properly in school, but you came here to gamble, you are not a human being ....." Zhang's mother was sobbing, the more she thought about it, the sadder she became, she almost passed away.

But her sobs were not so comfortable to the ears of those beaters.

"Old stick thief, it's not even time to visit the grave yet, wait until your son dies." A guy with dyed yellow hair scolded, "I'll make you cry when it's time to hold your son's corpse, now get as far away from me as you can, if you don't want your son to die, go and raise money, don't howl here!"

“You kill me!” Zhang Ma cried out.

“Get lost!”

One of the thugs scolded, “If you don’t leave, we’ll really kill you, don’t think we dare not!”

With that, he was about to come up and pull Zhang Ma.

“I think you guys really don’t dare!” Just then, a voice suddenly pierced through, and the next moment, the beater felt a blackness before his eyes. “Slap!”

A loud slap came over, instantly slapping that beater on the ground.

“You all deserve to die!” White Spider’s beautiful eyes had a fierce aura in them as she stared at those few beaters, even though she used to be a killer, she never laid hands on the elderly and children, and was selective when taking assignments, but what these few guys did right now made her feel a bit toothless.

Ji Feng looked at those guys with a sullen face and said in a deep voice: “You all have parents too, it’s understandable that you want money, is this too much?”

“Who the fuck are you?” That yellow hair immediately cursed, “Don’t you know that this is Brother Li’s territory?”

“Pah!”

Once she started to use her hands, the force was even stronger than a man’s. That yellow hair, who was strong and strong, was directly knocked out and rolled on the road for an unknown number of times, her body twitching and then she directly fainted.

“If you dare not keep your mouths clean again, I will tear your mouths apart!” White Spider’s pretty face was covered with frost as she coldly rebuked.

The others were instantly shocked and subconsciously took two steps back, one of them even unconsciously touched his face, as if imagining what would happen if White Spider’s leg hit his face .....

“You, who are you people? This is Brother Li’s turf, and Brother Li hangs out with Brother Hui .....” A strong man was shaking a little as he spoke.

The man and woman in front of you are too vicious, the man is better to say some, but this woman is really savage, without saying anything up to fight, but also powerful and scary.

“Help Zhang’s mother to get up!” Ji Feng didn’t even pay attention to those few beaters, and said straight to the white spider. What Brother Li and Brother Hui, to him they were just small punks, not worthy of his attention yet.

“First, sir?” Only then did Zhang’s mother come back to her senses, and she instantly knelt down for Ji Feng as if she had seen a savior: “Sir, please save my son, he’s being held by these hooligans and will be killed .....”

Ji Feng immediately gave a wink to White Spider, who held Zhang’s mother’s arm with one hand and pulled her up.

Ji Feng said, "Is your son right here inside the arcade?"

"Just inside, they detained my son and told me to go back and raise money ....., " Zhang's mother said in a panic.

"Call the police!" Ji Feng said.

"Huh?"

Zhang's mother was stunned and then shook her head repeatedly, "Sir, it's useless to call the police, I also reported it before, but when the police came and just looked at it, they said that this place was a legal business and that without conclusive evidence, they couldn't go in to find someone ....."

"Then the only way to find it is for us to go in person!" Ji Feng said.

Ji Feng didn't doubt what Zhang Ma said. Because he believed that these people and those police officers could definitely do such a thing, and the excuse was well used, operating legally, and they had no right to search a legal place of business.

Since this was the case, Ji Feng didn't bother to waste any more time calling the police, he waved his hand, "Let's go in!"

"You, you guys ....." The few thugs saw that Ji Feng didn't put them in his eyes at all and were immediately overwhelmed: "You can't go in, we're open for business ..... er ....."

Ji Feng's cold gaze swept over, the man's words came to an abrupt halt, his body shivered and he couldn't say a word.

"Go tell your boss to let the people out, or else he won't be able to open this shop in the future!" Ji Feng said coldly.

"You ....."

"Go!" Ji Feng's face sank.

The man immediately shut his mouth resentfully, looked at Ji Feng, and then looked at the BMW X6 parked not far away, the man felt that something was wrong, he realized that he might have come across some big shot.

So, he didn't dare to speak again, and hurriedly turned around and ran towards the video game city.

"Sir, please ....." Zhang Ma was beside him, begging.

Ji Feng waved his hand and said, "Don't say so much first, wait and see, your son should be fine."

"Hey hey!" Seeing that Ji Feng spoke with an uncommon air, Zhang Ma's heart was a lot more at ease, although she was still worried, she wouldn't be so overwhelmed after all.

Ji Feng, on the other hand, was secretly frowning.

If he hadn't seen Zhang's mother being beaten up, he would never have bothered if he hadn't known that these hooligans were difficult and that Zhang's mother would definitely not be able to deal with them.

As a man, he knew that his old mother was working as a nanny in someone else's house to pay for his schooling, and even ran out to sell blood for his own sake, but he came to this video game city to gamble in a leisurely manner, such a person, Ji Feng didn't even bother to look at.

Ji Feng felt that even if he had somewhat neglected his mother in the past when he was obsessed with Hu Xuehui, he wasn't such an asshole!

He now felt that what Zhang's mother had just scolded was right, that guy called Wang Lixiang was a brute and an unfilial son.

For such a person, it would be strange if Ji Feng could step in to save him.

Ji Feng wasn't a saint!

Therefore, when faced with Zhang Ma's pleading, he was not very interested in doing so. He could just get the man back, just for the sake of Zhang Ma, a mother who had worked so hard to raise her son.

As for the guy called Wang Lisheng .....

The actual fact is that you can't even see it, for fear of dirtying your eyes.

Not long after, the hitman who ran in before came out again, he glanced at Ji Feng and said, "Our boss told you to go in and talk."

"Tell him to let them go, you tell him, just this once, if he doesn't let them go again, I'll turn around and leave, as long as he can afford the consequences of not letting them go!" Ji Feng said indifferently, and he waved his hand, "Go!"

"....."

The man gritted his teeth straight away, that action of Ji Feng was like shooing a dog away, which made him extremely unhappy, but looking at the white spider with frost on her pretty face, and then looking at Ji Feng who had an extraordinary temperament, he could only grit his teeth, glared at Ji Feng with hatred, turned around and went in again.

And this time, that beater went in for a bit longer, and didn't come out for ten minutes.

"Young Ji, I'll just barge in!" White Spider said in a low voice.

Ji Feng shook his head and said, "One should always give people a chance."

In reality, he did not want to go and fight with others because of a beast, even if these people were also all hooligans who owed a beating, he had no interest in doing so.

After another ten minutes, the hitman still hadn't come out, seeing that it had been nearly half an hour, and there was no movement at all inside the arcade.

Ji Feng finally sank his face and said, "White Spider, let's go in!"

"Yes!"

White Spider answered.

“You, you can’t go in ……” A few thugs next to him wanted to stop, but Ji Feng gave him a cold glare, and the man’s heart suddenly twitched and he couldn’t say a word.

The first thing you need to do is to take a look at the video games.

As soon as they entered, they heard the incomparable noise inside, the sound of all kinds of loud music, players’ shouts, the background sound from the game machines …… all kinds of sounds mixed together, making people’s scalps tingle.

“White spider, draw your gun!” Ji Feng said indifferently.

Bang!

As soon as Ji Feng’s words fell, White Spider directly pulled the trigger, and all of a sudden, it was as if time had stopped in the entire hall of the arcade, and everyone’s voices instantly disappeared, leaving only the sounds emitted by those game machines.

“Plain clothes on the case, everyone go back to sleep!” Ji Feng bellowed.

Looking at the gun in the hands of the white spider, many people were scared, especially those who were gambling and were even more afraid of being caught, rushing out.

In just a few minutes, everyone in the hall had run away, leaving only a few waiters.

This speed was simply faster than fleeing a disaster!

“Call your boss to come out!” Ji Feng said to a waiter.

“I thought it was some big shot who had arrived, but it turns out, it’s the two public servants!” A voice suddenly came from the first floor.

Ji Feng looked up, only to see a man in his thirties propping his hands on the railing of the first floor, looking down with a playful expression, followed by a few wolf-like men by his side, which were all thugs.

“Brother Li, they were the ones who were causing trouble just now.” One of the beaters said in a low voice.

“Two public servants, I wonder what I, Ding Dali, have offended? Or is there something that has not been done in a filial manner that has caused you to be so angry?” The man in his thirties stood on the first floor and asked with a smile.

Chapter 1460

“Two public servants, I wonder what I, Ding Dali, have offended? Or is there something that has not been done in a filial manner that has caused you to be so angry?”

This fellow named Ding Dali stood on the first floor, his hand propped up on the railing, and although the words on his mouth appeared to be humble and put himself in a very low position, in reality, both his playful demeanor and his frivolous tone clearly did not put Ji Feng and Bai Spider in their eyes.

Even more so, there was something provocative in his eyes.

Open-minded!

Anyone who saw Ding Dali would have this feeling that this guy was definitely an open-minded person, especially at this moment now.

“Release Wang Lixiang, and let today’s matter go like this.” Ji Feng didn’t care about Ding Dali’s attitude either, he just said indifferently.

A smile immediately appeared on Ding Dali’s face, as if he had heard some kind of joke: “Ha! This ..... police comrade? You have to speak with evidence, those who are here are either customers or my staff, other than that, there is no one else, oh yes, my customers have all been driven away by you and ..... there are still you here.”

“If I remember correctly, you police officers shoot, but there are rules and regulations, right? Two police comrades came to my place and just shot randomly, I wonder if I can complain?” Ding Dali laughed heatedly.

Ji Feng was too lazy to talk nonsense with him, this guy clearly did not see the coffin, and it could be seen that he should have a small background behind him, otherwise he would not be so reckless.

In fact, if you think about it, you can understand, there is an explicit rule from above forbidding the opening of this kind of entertainment place near the school, but Ding Dali’s arcade is still opened here, if you say he doesn’t have a background, I’m afraid no one believes it.

But this was not within the scope of Ji Feng’s attention, he directly waved his hand and said, “Take him down!”

“Yes!”

As White Spider’s words rang out, her entire body had already reached the bottom of the railing on the first floor where Ding Dali was standing, immediately, she made a violent leap, before anyone could react, she rose up and grabbed the railing, that soft body was like a flying bird, and instantly went up to the first floor.

“Click, click!”

The black muzzle of the gun was pointed at Ding Dali’s temple.

“Follow me down!” White Spider said coldly.

“.....”

Up until this point, Ding Dali was still a bit unresponsive, White Spider’s action was really too fast, from the time Ji Feng gave the order to the time she came to the first floor and pointed the gun at Ding Dali, it was only a few seconds at most, it was really fast!

Not only did Ding Dali’s eyes not keep up with White Spider’s speed, he didn’t even think that someone could go upstairs and take him down like that.

“You, you .....” When Ding Dali finally reacted, his face changed and he even stuttered a little when he spoke.

“Go down!”

The white spider said coldly.

Ding Dali immediately became incredibly nervous and said in a panic, “You, I’m warning you, don’t you dare mess around, I’m all monitored here .....”

Seeing that the white spider’s face was getting colder and colder, Ding Dali hurriedly said, “I’m one of Hui’s men, which division are you from? I might have had tea with your chief .....”

Bang!

A gunshot suddenly spread throughout the hall, only to see the gun in the hands of the white spider wavered for a moment, and then aimed at Ding Dali’s temple again, “Go down!”

“..... ah!”

In a flash, Ding Dali let out a miserable cry, a face all twisted and distorted, and then he fell to the ground in a flash, clutching one leg and rolling around miserably.

His heart was even more terrified, this woman ..... had actually shot him in the leg at the drop of a hat!

Ding Dali felt that his leg must have been broken, probably the bullet had hit the bone, and the pain was so severe that he was trembling all over.

However, the next words from the white spider instantly brought Ding Dali’s voice to a screeching halt: “If you continue to scream, the next shot will not be to your thigh, but here!”

The gun in the White Spider’s hand was pointing at Ding Dali’s head.

Ding Dali’s miserable screams instantly disappeared, his face was pale and he stared at Bai Spider with eyes full of horror, how could this woman be so ruthless, was she really a police officer?

At this time, Ding Dali no longer had the same kind of bravado and arrogance that he had just had, but instead, he was intensely frightened.

He suspected that neither Ji Feng nor the white spider were police officers, instead they were most likely people from the Dao, and this time they were afraid that they were here to kill him, Ding Dali!

“Ka!”

White Spider snapped down the battering ram, his eyes glowing coldly.

“Don’t! Don’t shoot, I’ll go down with you!” Ding Dali shouted in panic, because he saw a strong killing intent in the eyes of the White Spider, it was an experience, when he was in the road, Ding Dali had seen many big scenes, and even more ruthless people, but the White Spider made his heart palpitate more than those people.

The white spider grabbed Ding Dali and dragged him directly down the stairs, throwing him to the ground.

“Well .....”

Ding Dali let out another muffled cry of pain, but gritted his teeth and didn't dare to scream out in misery.

"Will you let go of the man?" Ji Feng asked indifferently.

"Let go, let go quickly!" Ding Dali suddenly gave a jolt and shouted in a panic, "Hurry up and release that kid, hurry up!"

"Brother Li, which, which brat?" A henchman who was still standing dumbfounded on the first floor at that moment asked.

"\*\*\*\*\*'s, which kid did you say, go!" Ding Dali roared.

"Yes!"

The henchman then scrambled towards the stairway.

"Gentlemen, I have already told them to let them go, please be noble!" Ding Dali said with difficulty.

He was really shocked by the ruthlessness of the white spider, but when he noticed that Ji Feng was not the least bit surprised to see such a scene, not even his face changed, Ding Dali immediately understood that these two were both ruthless people.

They would not even blink if they killed someone. Although Ding Dali was also very cross, he would not dare to fight with such people!

Ji Feng, however, glanced at him and asked, "You just said that you are one of Brother Hui's men?"

"..... Yes!" Ding Dali replied hesitantly, he was now guessing wildly, were these two people here to find trouble with Brother Hui?

"Tell us about Brother Hui, be more detailed!" Ji Feng said.

Sure enough!

Ding Dali secretly said in his heart, but he was also a little bit happy, it seemed that these two people were not specifically coming for themselves, their target was Brother Hui!

In that case, then maybe they wouldn't kill themselves.

Thinking of this, Ding Dali immediately felt that there might be hope, and he immediately said, "Brother Hui's name is Wang Ruohui, and he is the big brother in this area ....."

Because he realized that these two people might not be coming for him, so when he answered the question, Ding Dali could be said to know everything, but whatever he knew about Wang Ruohui, as if pouring beans, he said everything, including Wang Ruohui's characteristics, personality, as well as his industry and some of the leaders under him, etc., all of which were clearly stated.

"Well, Wang Ruohui ....." Ji Feng nodded thoughtfully and memorized the name.

"Ma! Mum did you bring the money? Hurry up and save me!" At this time, a panicked voice came over.

Zhang's mother, who had been trembling with fear next to her, suddenly turned pale: "Little Sheng?"

At this time, Ding Dali's men dragged a man down the stairs, it was a young man, just bruised and swollen, it was a bit hard to see his face, but just by looking at those eyes, one could tell that this was a coward.

He was so old that he was still thinking of letting his mother take the lead when things went wrong, with nothing but panic and fear in his eyes and no commitment at all.

This coward is Wang Lixiang?

Zhang's mother was distressed and hurried over to take the young man's hand, asking with concern, "Little Sheng, are you all right? Did you hurt yourself anywhere?"

"Why did you just come!"

Wang Lixiang said angrily, "You don't even know how badly I've been beaten here, can't you hurt me a little more?"

"I ....."

Zhang's mother choked, "Little Sheng, they want so much money, mum has to get enough to save you ....."

"Aren't you working with a rich family as a nanny? It's not easy to get some money?" Wang Lixiang, however, said angrily, "Is it because you're particularly happy that I've been beaten?"

"Xiaosheng, you ....." Zhang's mother's face was white with anger and her lips were trembling as she couldn't speak.

Ji Feng looked deeply at that Wang Lixiang, and then looked at Ding Dali on the ground and said, "Ding Dali, let's forget about today, however, your arcade should not be able to open, give you a week's time, this time next week, if you still let me see an arcade here ....."

"No, it won't." Ding Dali shook his head in a panic.

Only then did Ji Feng nod and turn to leave, but just a few steps away he turned back and said, "If anyone asks about what happened today, you know what to say, right?"

"I know, I know!" Ding Dali nodded his head repeatedly.

"That's good!" Ji Feng said indifferently, and then, he took the white spider away in stride.

"Ah!"

Wang Lixiang, however, was startled and hurriedly headed out, not even caring about his mother who was next to him.

"Little Sheng!"

Zhang's mother called out and hurriedly chased after him, "Xiaosheng, wait for mother!"

"Are you annoyed, I asked you to save me and you didn't, now I need to leave here in a hurry and you call me back, am I your son or not?" Wang Lixiang said impatiently.

“Little Sheng, what are you talking about!” Zhang’s mother’s face was ugly, “If you hadn’t failed to study properly and come here to gamble, how would they have arrested you?”

“I came here to have some fun can’t I? Going to university is very stressful, you’ve only been at school for a few days, what do you know?” Wang Lixiang roared, “I came out to relax and unwind, to study better!”

Swish!

Ji Feng, who was about to get into the car, turned around abruptly and looked at Wang Lixiang strangely, he really wanted to see just how far a person could be an asshole and animal to say such words!
