

## Canon 1051

### Chapter 1051 She Wants My Strength, I Want Her Body (2)

Zhou Shu laughed coldly. "It contains great power, but the more you use this power, the faster you get addicted. In the end, you will no longer be you."

Her hair is long, but she is short-witted. She really thinks that this is something good.

Have you never thought that you're plotting for its power, but it's plotting for your body?!

The thing in Bai Qianqian's body was the golden lotus that Zhou Shu had forged into the Heavenly Seal!

The two were definitely not the same one, but they were exactly the same thing.

In terms of difference, the golden lotus that Zhou Shu had forged into the Heavenly Seal was much more lively than the one in Bai Qianqian's body.

The one in her body clearly understood how to keep a low profile. It was subtly inducing her to use its power. Once she adapted to its power, it could replace her and obtain her body.

It was much smarter than the golden lotus that Zhou Shu had forged into the Heavenly Seal. This golden lotus had devoured other lives and formed a body of chaotic flesh and limbs. It was an out-and-out monster.

"Do you know what it is? I am not an ignorant person. If you want to scare me, there's no need. I've already agreed to give it to you. Even if you don't say this, I'll still give it to you." Bai Qianqian sneered. "But I'll make it clear first. If you want this thing, you have to take it out yourself. I don't have the ability to get it out.

"And if you kill me, it will disappear with me. You still won't get it."

Bai Qianqian was reminding Zhou Shu, but worry was flashing in the depths of her eyes. She was bluffing when she said the last sentence.

She didn't know if the thing in her body would disappear after she died.

"Is that so?" Zhou Shu could tell that Bai Qianqian had a guilty conscience. The corners of his mouth curled up slightly. "It's not difficult to take it out."

"It's not difficult?" Bai Qianqian pursed her lips in disbelief.

Ever since she returned from the mysterious place, she had tried countless methods. She had even mobilized the entire qingqiu race, but they were unable to take out the thing in her body.

This person knows nothing about what is in my body, yet he dares to boast shamelessly...

As Bai Qianqian was thinking, she heard Zhou Shu say, "Are you coming out yourself, or do you want me to drag you out?"

"Who are you talking to?" Bai Qianqian was slightly stunned.

Does he think that if he says that, the thing in my body will come out on its own?

He's too funny.

The thing in my body isn't alive. How can it come out on its own?

The moment the Heavenly Seal appeared in his palm, an invisible fluctuation rippled in the air.

Suddenly, Bai Qianqian felt a sharp pain in her body, as if something was being pulled out of her limbs and bones. It felt so painful that she almost fainted.

Then she saw specks of golden light overflow from the pores on her body. These specks of golden light gathered in the air and turned into a lifelike golden lotus flower.

Bai Qianqian's eyes widened, and she even forgot about the pain in her body.

Her long eyelashes kept trembling as she stared at the golden lotus in the air.

Although she had never seen this golden lotus before, she could sense that this golden lotus had been the thing in her body, the thing that contained powerful strength and had helped her escape life-threatening danger several times!

She had tried her best to remove the thing from her body, but this man had only said one sentence, and it came out?

A powerless feeling surged in her heart. When Bai Qianqian looked at Zhou Shu again, she immediately felt that his figure was incomparably tall, almost blocking the sky in front of her.

Was I wrong to come and negotiate with him?

Do I have the right to make a deal with him?

With just one sentence, he could make the thing containing endless power in her body listen obediently, and the thing containing endless power was her greatest reliance.

The golden lotus floating in the air trembled slightly and actually let out a metallic sound. "I've never killed anyone. You can't kill me."

Bai Qianqian's eyes widened. This thing that was always hiding in my body can speak? Is it really alive?

She suddenly recalled what Zhou Shu had said before. He said that this force would make her no longer be herself. Could this be what he meant?

She broke out in a cold sweat and trembled in fear. There was a living thing hidden in my body. I knew about it and still dared to use its power. Did I have a death wish?

Bai Qianqian had mixed feelings. She didn't know if she should hate Zhou Shu or be grateful to him.

Zhou Shu didn't care what the immature Bai Qianqian was thinking at all. He looked at the golden lotus in the air and said indifferently, "I can't kill you just because you haven't killed anyone?"

"There are countless people in this world who have never killed anyone but have been killed. Why are you an exception?"

His tone was calm, but the golden lotus was so frightened that it trembled and its golden petals rustled.

“I’ve never provoked you. We should stay in our own lanes and mine our own business. Why do you want to kill me?” the golden lotus asked.

“Is that so?” Zhou Shu said expressionlessly. “I’m stronger than you. This is the reason.

“You can even say things like stay in our own lanes and mine our own business. I think you’re smarter than it.” Zhou Shu patted the Heavenly Seal in his hand.

“In that case, whether you can survive depends on whether you can seize the opportunity yourself.

“I ask, you answer. If the answer doesn’t satisfy me, you’ll follow in its footsteps. It’s that simple. Do you understand?”

The golden lotus shook violently for a while, as if it was very angry. But in the end, it spoke again. “I understand! I will tell you everything I know.”

Bai Qianqian was shocked as she stared at Zhou Shu and the golden lotus. She couldn’t understand what they were saying at all. For the first time in her life, she suspected her intelligence.

On the other hand, Feng Wu looked calm.

He had long adapted to Zhou Shu’s mysteriousness. Whenever he saw Zhou Shu, if Zhou Shu didn’t show some extraordinary behavior, he would find it a little strange.

Zhou Shu wasn’t an ordinary person. Anything that happened regarding him was acceptable.

“Who is your master?” Zhou Shu said coldly.

“I don’t have a master,” the golden lotus said without hesitation.

Zhou Shu changed his way of asking. “Who forged you?”

“I don’t know his name. He’s thirty meters tall, thin...”

This golden lotus was much smarter than the golden lotus that Zhou Shu had forged into the Heavenly Seal. The difference between the two was like the difference between primitive and modern people. Without waiting for Zhou Shu to ask, it described this person’s appearance in detail.

Zhou Shu memorized the person’s appearance and characteristics. He had always suspected that this golden lotus was made by Jun Tian, one of the Nine Immortals. But he had never seen Jun Tian, so he naturally didn’t know what he looked like.

After memorizing the characteristics described by the golden lotus now, he could verify them in the future.

Zhou Shu glanced at Bai Qianqian. “You hid in Bai Qianqian’s body. Did you want to take her body for yourself?”

The golden lotus hesitated for a moment before continuing, “Yes!

“The person who created me didn’t give me a body. I can only think of a way myself. This woman’s physique is special, and she’s suitable for me, but I didn’t force her. If she doesn’t covet my strength, I can’t take her body.”

Bai Qianqian was furious. You didn't tell me you were alive! Besides, I didn't ask you to enter my body! You're saying such things now as if I am a shameless woman! You deserve to die!

Kill it! Bai Qianqian really wanted to say this to Zhou Shu.

Chapter 1052 Cowardly, The Idea of the Reincarnation Mirror (1)

Zhou Shu continued asking, and the golden lotus continued answering. Both of them talked faster and faster.

Feng Wu sat at the side in boredom. In any case, he didn't understand, so he didn't waste his time listening.

Bai Qianqian pricked up her ears, trying her best to understand what Zhou Shu and the golden lotus were saying.

But no matter how much she listened, she couldn't understand at least ninety percent of what they were saying.

But she was certain of one thing. These two were not good people!

"This is the only thing I know. I just want to have a body. Is that wrong?" The golden lotus's metallic voice sounded aggrieved. "I didn't know she was your woman. If I knew, I definitely wouldn't have chosen her."

"What?" Bai Qianqian was furious. "I'm not his woman!"

She was a virgin, and her hands had never been touched by a man. This damn golden lotus actually dared to say that about me. Do you really think that I'm easy to bully?

She gritted her teeth and pondered how to kill the golden lotus.

"There's nothing wrong with you wanting a body." Zhou Shu nodded. "But your mistake is that you shouldn't exist in this world."

"I didn't decide that!" The golden lotus's voice was filled with anger. "Before he forged me, he didn't ask for my opinion! What's the point of saying all this now when I've already appeared in this world? I just want to live well!

"I don't want to harm anyone, and I don't want to be harmed. Is that wrong?"

"You don't want to harm anyone, but you had designs on her body." Zhou Shu pointed at Bai Qianqian. "If you think words can move me, you're wrong."

"Do you have to kill me?" The golden lotus noticed the killing intent emanating from Zhou Shu. "I've already cooperated with you so much, yet you still want to kill me?"

"If you insist on killing me, I won't do nothing. I'll resist. I'm not weak! When the time comes, it will be your fault if everyone here dies!"

Zhou Shu sneered. "Are you threatening me?"

“I’m not threatening you!” the golden lotus said. “What I’m saying is human nature. If you want to kill me, of course I have to resist at all costs. I’m just stating a fact!”

“It’s human nature. Unfortunately, you’re not a god,” Zhou Shu said coldly. “And do you think you’ll have a chance to wreak havoc if I want to kill you?”

“You can give it a try!” The golden lotus refused to give up.

“Actually, there’s not much to gain from killing me. But if you keep me, I can help you do a lot of things,” the golden lotus said.

It said the exact same thing as the golden lotus that Zhou Shu had forged into the Heavenly Seal.

“It’s more beneficial for you to keep me alive than to kill me.”

But this golden lotus was clearly more organized than the other dead golden lotus.

It continued, “If you give me a body, I can do whatever the two of them can do.”

The golden lotus seemed to turn slightly, giving off the feeling that it was pointing at Bai Qianqian and Feng Wu.

Bai Qianqian glared at the golden lotus angrily. Damn it. I’ll kill you sooner or later!

The expression on Zhou Shu’s face didn’t change much. He looked at the golden lotus and said indifferently, “Do you think I lack people to do things for me? You have no irreplaceable value, so why should I keep you?”

“Those who are not of our race will definitely have different intentions.”

Zhou Shu said coldly, “Things that shouldn’t exist in this world should disappear forever.”

“You...” The golden lotus was angry, but it wasn’t smart enough. If it was, it should be able to tell that Zhou Shu didn’t have too much killing intent toward it.

Otherwise, Zhou Shu wouldn’t have wasted so much time talking to it. He would have killed it long ago.

“I didn’t appear in this world for you to kill!” The golden lotus’s voice was full of resentment. “If you want to kill me, why do you have to find so many reasons? How does my existence affect you? I don’t even have the guts to provoke you!”

This golden lotus was very interesting. It was unwilling to fight Zhou Shu until the last moment.

If it were the golden lotus that Zhou Shu had forged into the Heavenly Seal, it would have fought him countless times.

“You have a point. I don’t need a reason to kill you.” Zhou Shu nodded calmly. “Since you understand this, I’ve decided to give you another chance.

“The death penalty will be deferred. I’ll decide if you can survive after seeing your performance.”

The golden lotus didn’t understand anything about the death penalty and it being deferred.

But it knew that it didn’t seem to need to die now.

“I just want to live. I’ll do anything to survive!” the golden lotus shouted shamelessly.

Although he didn’t like this golden lotus, Zhou Shu felt a little emotional. It was purely trying to survive. This golden lotus didn’t actually do anything wrong.

If there was anything wrong, it was the person who had forged it, who might be Jun Tian.

Forging one golden lotus could be considered an accident, but the appearance of a second golden lotus was definitely not an accident.

Zhou Shu had forged one golden lotus into the Heavenly Seal. He knew very well that the reason the golden lotus had consciousness was that it had been forged with a special forging material.

This forging material was not ordinary.

Therefore, the birth of more than one golden lotus couldn’t be an accident.

Chapter 1053 Cowardly, The Idea of the Reincarnation Mirror (2)

“What exactly do you want?” Zhou Shu was puzzled. That person forged this golden lotus, but he left it to fend for itself. What is he up to?

It was the same for the first and the second.

It was one thing for the first golden lotus to turn evil and murderous, but the second golden lotus had clearly been forged successfully.

Not to mention its power as a divine weapon, it could become a good helper for martial artists with its intelligence.

Even though Zhou Shu didn’t like divine weapons with their own consciousness, he still felt that if he kept this golden lotus ‘alive’, it might be of great use at some point.

He really couldn’t figure out why that person would spend so much effort to forge this golden lotus and then toss it aside.

The golden lotus floated quietly in the air like a soldier awaiting orders.

It didn’t try to escape from the start. Perhaps it knew that it couldn’t escape from Zhou Shu.

“Hey, I’ve already given the thing to you. Can you help our qingqiu race forge a divine weapon?” Bai Qianqian suddenly said loudly.

Her heart was full of resentment, so her words were a little impolite.

Zhou Shu raised his eyes and glanced at her casually.

If not for the fact that Bai Qianqian had helped him a lot in the Demon Realm Ancestral Court back then, Zhou Shu would have told her to get lost long ago.

She didn’t have the attitude of asking for help.

“Did you give this to me?” Zhou Shu said coldly. “I took it out myself. Speaking of which, I saved your life. It’s already good enough that I’m not asking you to repay me for saving your life. But you still want me

to help the qingqiu race forge a connate divine weapon? Your qingqiu race isn't very capable in other aspects, but you're really thick-skinned."

"You..." Bai Qianqian's pretty face turned red. She trembled as she glared at Zhou Shu.

Aren't you distorting the truth?

You clearly took this golden lotus from my body. Anyone with eyes could see it!

She turned to look at Feng Wu.

Feng Wu whistled and looked around, refusing to meet Bai Qianqian's gaze.

What a joke. How can I be on your side?

I'm on Lord Zhou Shu's side!

Bai Qianqian took a few deep breaths and said, "Your Excellency, you're being unreasonable. Aren't you afraid of affecting your reputation?"

"Do I need reputation?" Zhou Shu said coldly. "If you have the time to talk nonsense, why don't you take inventory of the qingqiu clan's assets and see what else you can take out."

"There's no more!" Bai Qianqian said loudly. "My qingqiu race only has this one good item. You've snatched it away, and now you're turning your back on me? I'm too ashamed to continue living!"

Bai Qianqian sat on the threshold of the Lingxiao Treasure Palace and said loudly, "If you don't help my qingqiu race forge a divine weapon, I won't leave. If you have the ability, kill me. In any case, I won't have the face to return alive."

She hugged her knees and buried her face in them, looking like she had given up.

The corners of Zhou Shu's mouth curled up slightly. He could clearly see that Bai Qianqian's body was trembling slightly.

Zhou Shu had experienced how afraid of death she was.

In the Demon Realm Ancestral Court, Bai Qianqian was like a coward. In order to avoid being discovered by heavenly slaves, she kept hiding.

It wasn't easy for such a timid woman to do this in order to ask him for a favor.

He was also a little curious. What kind of connate divine weapon does the qingqiu race want?

Logically speaking, the understanding of the ancient races about connate divine weapons was only limited to the fact that they were extremely powerful and could increase their strength.

And the connate divine weapons that Feng Wu sold were also like this.

If the qingqiu race needed a connate divine weapon, they could just buy one from Feng Wu.

But they actually had the thought of asking Zhou Shu to customize one for them. This wasn't something an ordinary person could think of.

How did they know that connate divine weapons could be specially customized?

Even Feng Wu might not know about this.

“Bai Qianqian, who asked you to look for me?” Zhou Shu asked.

“How do you know?” Bai Qianqian said subconsciously.

As soon as she said it, she realized the problem.

“No, I wanted to come myself. No one asked me to come!” Her explanation revealed what she intended to hide.

The Bai Qianqian in the Demon Realm Ancestral Court didn't seem very smart either.

It seemed that she had been like this from the beginning.

“Bai Qianqian, was it your idea for me to customize a connate divine weapon for the qingqiu race?” The corners of Zhou Shu's mouth curled up slightly. “Do you know how divine weapons are forged? What connate divine weapon do you want to customize for the qingqiu race?”

Zhou Shu looked at Bai Qianqian and asked, “Let's put it this way. Who is the connate divine weapon you want for? What is it for?”

“Do you agree to my request?” Bai Qianqian looked up, her eyes filled with surprise.

Zhou Shu rolled his eyes inwardly. “I haven't decided yet. I'll give you a chance. It depends on how you grasp it.”

Feng Wu looked at Bai Qianqian curiously. The qingqiu race isn't very polite. I did business properly, but she actually followed me and talked to Lord Zhou directly. This is breaking the rules!

This behavior must not be encouraged. Otherwise, who will come to the griffin race to do business in the future?

If everyone comes looking for Lord Zhou Shu directly, what is the value of my existence?

Feng Wu had already made up his mind. In the future, the griffin race would boycott the qingqiu race!

Yes, boycott. In the future, the qingqiu race could forget about buying anything from the griffin race!

“We want you to help us forge the Reincarnation Mirror,” Bai Qianqian said.

As she spoke, she didn't notice Zhou Shu's pupils suddenly contract.

Reincarnation Mirror?!

They've even thought of the name!

If it was a different name, Zhou Shu might not have reacted as such. But he was extremely familiar with the Reincarnation Mirror!

The Demon Ancestor's famous divine weapon was the Reincarnation Mirror!

The eighteen-heaven divine weapon was as famous as the Heavenly Hub Armory of the master of the Red Water Heaven of Dan Mountain!

As for the Demon Ancestor, she was the first demonic beast in the world. It was said that she was in love with a human, and her Reincarnation Mirror was forged by her and her husband.

How could such a divine weapon be related to the qingqiu race from ancient times?

It was unlikely that this Reincarnation Mirror was not the Demon Ancestor's Reincarnation Mirror.

After all, Bai Qianqian was in the Demon Realm Ancestral Court in the future.

It was impossible that they weren't related.

Zhou Shu looked at Bai Qianqian, his expression unchanged, and gestured for her to continue.

Bai Qianqian continued, "This is what we think about the Reincarnation Mirror."

She had a serious expression, and as if she was reciting a book, she mumbled a long list of things.

She might not even know what she was talking about!

Zhou Shu didn't believe that she was the one who thought of the Reincarnation Mirror.

"I know that forging the Reincarnation Mirror requires a lot of things. It doesn't matter. All the forging materials you need will be provided by our qingqiu race. Moreover, we will pay you accordingly. That is in addition to your payment," Bai Qianqian added.

Zhou Shu looked at Bai Qianqian and said calmly, "It seems that you've already considered the function of the Reincarnation Mirror in detail.

"I'm very curious, Bai Qianqian. Does someone in your qingqiu race know about forging? Why do you know so much about forging?"

"Since you know so much, why are you asking me to help? If you can think of such a complicated Reincarnation Mirror, it shouldn't be difficult to forge it. Who taught you these things?"

Zhou Shu's eyes were gleaming, making Bai Qianqian's heart tremble.

Chapter 1054 An Eighteen-Heaven Divine Weapon Is Nothing Impressive (1)

Zhou Shu's gaze made Bai Qianqian feel as if she had been seen through.

It was as if no secret could escape him.

This made Bai Qianqian feel embarrassed and angry.

She wanted to turn around and leave, but for some reason, her feet seemed to be stuck to the ground, and she couldn't move them at all.

"Wh-what did you say? I don't understand!" Bai Qianqian stammered.

"You don't understand what I'm saying?" Zhou Shu sneered. "Do you think you'll understand if I get the giant spirit race to destroy the qingqiu race?"

“How dare you!” Bai Qianqian glared at him angrily.

“Feng Wu, tell her if I dare,” Zhou Shu said indifferently.

Hearing this name, Feng Wu, who was looking around, was startled. He hurriedly straightened his posture and said, “In the past year, the giant spirit race has fought a total of 137 races. Among them, 19 were wiped out, and the remaining 118 races have all become vassals of the giant spirit race. So far, the giant spirit race has never lost.”

Feng Wu looked at Bai Qianqian. He didn’t say whether Zhou Shu dared to or not. He only told Bai Qianqian about the achievements of the giant spirit race.

Simple numbers spoke louder than anything else.

In just a year, the giant race had eradicated 19 races. Destroying the qingqiu race wasn’t a big deal to the giant spirit race.

The man in front of him was the mastermind behind the giant spirit race, and the giant spirit race listened to him unconditionally. As long as he gave the order, the qingqiu race would immediately face the army of the giant spirit race.

Bai Qianqian felt like she was about to faint. She looked at Zhou Shu aggrievedly and said, “Do you really want to make things difficult for a weak woman like me? Does your heart really not hurt to bully me like this?”

“Can you talk properly?” Zhou Shu rolled his eyes coldly. “You’re not a weak woman.”

“How am I not a weak woman? I—”

Bai Qianqian was very beautiful and had an aura of frailty. Those who didn’t know her would probably be bewitched by her aura.

But in the future, Zhou Shu had interacted with her a lot in the Demon Realm Ancestral Court.

She was just timid. She wasn’t weak at all. If someone was bewitched by her appearance, they might not be able to see her terrifying strength.

Although the current Bai Qianqian’s cultivation was not as high as in the future, it was impossible for her to be a weakling.

In a sense, there were no absolute weaklings among the ancient races. They were naturally much stronger than the humans of the future.

“Cut the crap. If you’re willing to tell me, I’ll give you a chance to speak. If you’re not willing, it’s fine. I won’t make things difficult for you today. The door is over there. You can see yourself out,” Zhou Shu said coldly.

Bai Qianqian was furious. You want me to leave again!

How much do you want me to leave?!

I’m not leaving!

Bai Qianqian stared at Zhou Shu with wide eyes and asked, "If I leave, will you send the giant spirit race to attack our qingqiu race?"

Zhou Shu sneered but didn't say anything.

"The lord has given you an opportunity. You should learn how to grasp it," Feng Wu said. A qualified merchant had to support their supplier at the right time.

"Let me tell you. The lord's time is precious. He's already giving you face by listening to your explanation. Don't be so shameless!" Feng Wu said loudly.

"It's only because the lord is kind-hearted. If it were me, I would have long destroyed your qingqiu race if you dared to deceive me like this!"

Zhou Shu was silent while Feng Wu threatened Bai Qianqian, doing everything that Zhou Shu was unwilling to lower his status to do.

Bai Qianqian might be the Bai Qianqian that Zhou Shu once knew.

Unless he had no choice, he would still take into account some old friendship.

But this concerned the Reincarnation Mirror, so Zhou Shu couldn't let Bai Qianqian off just like that. He had to know how she knew about the Reincarnation Mirror!

Even if the Demon Ancestor already existed, logically speaking, she shouldn't know about the Reincarnation Mirror!

After all, even the art of forging had only appeared after his arrival.

Before this, no one knew about the existence of divine weapons, not to mention designing a divine weapon like the Reincarnation Mirror!

Unless...

Someone had traveled through time from the future to ancient times like Zhou Shu and Ji Lutian had!

Even in this world with extraordinary powers, time was an elusive thing.

Although after the Martial Dao appeared, Grotto-Heaven Masters had grotto-heavens and could accelerate time in them, this was only the most basic use of time.

No one had ever dared to claim to control time.

Even Zhou Shu, who cultivated the Heavenly Emperor Jade Book, only had a superficial understanding of time.

Even he couldn't imagine how it was possible to turn back time.

Ling'er had obtained a divine ability from the Origin World. The divine ability Ancient and Present could allow people to travel through time, but there was only one chance. Moreover, the user had to pay the price of their life.

Zhou Shu now suspected that Ling'er, who had somehow survived to the future, had sacrificed her life to send him and Ji Lutian back in time to this world.

Under such circumstances, he didn't think that anyone else from the future could return to the past.

#### Chapter 1055 An Eighteen-Heaven Divine Weapon Is Nothing Impressive (2)

Originally, the giant spirit race had been progressing smoothly, and Zhou Shu could almost see the hope of returning to the future. But now, the sudden appearance of the Reincarnation Mirror and Bai Qianqian made him feel uneasy.

The ancient races were more than ten thousand years apart from the future era that Zhou Shu lived in.

Even if Bai Qianqian had the cultivation of a Grotto-Heaven Master, it was impossible for her to live for so long.

Shi Changsheng had once said that Grotto-Heaven Masters could only live for ten thousand years at most. If they wanted to surpass this limit, they had to think of other ways. For example, giving up their bodies like Shi Changsheng or choosing to go into hibernation in order to survive.

Even those two methods could only delay the arrival of death. They couldn't last forever.

When something went wrong, something abnormal must have happened. When something abnormal happened, there had to be a reason.

And this reason might be in the qingqiu race!

If not for the fact that the person in front of him was Bai Qianqian, Zhou Shu wouldn't have talked so much. He would have long gotten the army of the giant spirit race to attack the qingqiu race.

As long as the qingqiu race was subdued, there would be no need to worry about not being able to find out their secrets.

"Your giant spirit race is too cruel!" Bai Qianqian gritted her teeth in hatred, but she knew that Feng Wu was right. The qingqiu race was indeed no match for the giant spirit race.

The giant spirit race had more than a hundred vassal races, and Giant Spirit King Cang Hao had more than a hundred thousand soldiers. This number was almost unimaginable to the ancient races.

Now, no race in the world was a match for the army of the giant spirit race. Only if many races joined forces could they barely stop the giant spirit race.

The qingqiu race had no allies. If the army of the giant spirit race really attacked the qingqiu race, the qingqiu race would definitely not be able to withstand it.

"Cruel? The victor is king," Feng Wu said. "If you don't confess, you'll know what cruelty is!"

"Lord, you don't have to ask her that. I know everything she knows." A voice suddenly sounded. The voice had a metallic texture and sounded hoarse and unpleasant.

"You?" Zhou Shu's gaze landed on the obedient golden lotus floating in the air.

“Yes,” the golden lotus said honestly. “When I possessed her body, I could see and hear what she saw and heard.”

Bai Qianqian’s big eyes widened. Her scalp went numb, and the killing intent in her eyes was almost tangible. If not for the fact that she was afraid of the Celestial Thearch Sword, she really wanted to go up and destroy the golden lotus now!

This is too much!

You stayed in my body, and you know all my secrets?!

Bastard!

Damn it!

Zhou Shu glanced at Bai Qianqian with sympathy.

Then he turned to the golden lotus. “Since you know, tell me. I’ll consider that you’ve made a contribution this time.

“Feng Wu, send a message to Cang Hao for me—”

“Wait!” Bai Qianqian shouted anxiously. “I’ll tell you!

“Although this bastard heard what I heard when it was in my body, it definitely doesn’t know what happened before it possessed me!

“I’ll tell you everything you want to know. Don’t send the giant spirit race to deal with our qingqiu race.

“Our qingqiu race has always been aloof from worldly affairs. I came to you only to make a deal with you fairly. I really don’t have any other intentions. Can’t we talk nicely?”

Bai Qianqian lowered her posture, her expression filled with sincerity. There was no longer any dissatisfaction or hatred in her eyes.

Facing Zhou Shu, she had no cards at all.

If she didn’t submit, what else could she do? Wait for the genocide of her race?

Besides, she was still young. She really didn’t want to die.

If she had known that it was so difficult to discuss this matter with Zhou Shu, she wouldn’t have come!

When I’m done with this, I never want to see this man again. He’s simply a demon!

Bai Qianqian was tortured by Zhou Shu until she lost her temper.

Zhou Shu looked at Bai Qianqian. “If you want to protect the qingqiu race, it will depend on how much you tell me.”

He waved his hand with the golden lotus, and its petals trembled, as if it was a little regretful. It flew to Zhou Shu’s side and floated up and down, as if it was ready to tell him everything any time!

Bai Qianqian looked at the golden lotus in disdain. Bastard, you want to betray me to make a contribution? Dream on!

I'll tell him everything so that you can't say anything!

Under the stimulation of Feng Wu and the golden lotus, Bai Qianqian told Zhou Shu everything without hiding anything.

The origin of the qingqiu race's idea of the Reincarnation Mirror was actually very simple. It was simply an opportunity that Bai Qianqian had brought back from the Origin World!

That's right. In the Origin World, apart from obtaining the golden lotus, she had also obtained a forging formula!

It was the forging formula of the Reincarnation Mirror!

Although she had obtained the forging formula of the Reincarnation Mirror, she had never understood it. Not only did she not understand it, but the entire qingqiu race didn't understand it either.

It wasn't until the giant spirit race rose and the reputation of connate divine weapons spread throughout the world that the qingqiu race understood the forging formula that Bai Qianqian had obtained.

But it was useless to understand it. The qingqiu race knew nothing about forging. Even though they had the forging formula, it was impossible for them to forge it.

If they wanted to forge the Reincarnation Mirror recorded in the forging formula, they could only ask the giant spirit race for help.

This was how Bai Qianqian's operation came about.

The information Feng Wu had received previously was indeed deliberately released by the qingqiu race so that Feng Wu could lead them to Zhou Shu.

"I swear on my dignity that everything I said is true," Bai Qianqian said. "There's no one behind me, and no one taught me. My understanding of the Reincarnation Mirror came from that forging formula!"

"You did so many things for just a forging formula that you don't know if it's real or fake?" Zhou Shu frowned. Things were completely different from what he had imagined. Is it because I've been thinking too much recently? There aren't actually that many conspiracies?

The Origin World was a magical place. It didn't seem impossible for Bai Qianqian to obtain a forging formula from it.

"The Giant Spirit King became famous because of his Heaven-Splitting Axe. The Reincarnation Mirror recorded in my forging formula is much stronger than the Heaven-Splitting Axe. If our qingqiu race had the Reincarnation Mirror, would the giant spirit race have the chance to act rampant?" Bai Qianqian raised her head proudly.

“Hmph, do you think the Heaven-Splitting Axe is named this for no reason?” Zhou Shu sneered. Although the Reincarnation Mirror was strong, the Heaven-Splitting Axe he forged was not an ordinary divine weapon.

Moreover, the power of a divine weapon depended on who it belonged to.

With the Heaven-Splitting Axe in Cang Hao’s hand, even if the current Bai Qianqian had the Reincarnation Mirror, she wouldn’t be able to do much unless she had the spiritual essence cultivation of a Grotto-Heaven Master!

Bai Qianqian pursed her lips. Although she didn’t say anything, she didn’t appear convinced.

“The Reincarnation Mirror is an eighteen-heaven divine weapon. Unless your qingqiu race can produce eighteen Divine Stones, don’t even think about the Reincarnation Mirror,” Zhou Shu said.

Bai Qianqian widened her eyes for the umpteenth time.

“How do you know about that?” Bai Qianqian’s body swayed slightly, and her vision darkened. “How do you know that forging the Reincarnation Mirror requires eighteen Divine Stones? Could it be that you know the forging formula of the Reincarnation Mirror? That’s impossible. I’ve clearly destroyed it. It’s impossible for you to have seen it!”

“Do I need to see it?” Zhou Shu sneered. “There are things I don’t know about the path of forging, but I know more about the Reincarnation Mirror than you.”

Zhou Shu said calmly, “A mere Reincarnation Mirror is nothing impressive. Only your qingqiu race treats it as a treasure. Listen, as long as you can take out eighteen Divine Stones, I’ll help you forge the Reincarnation Mirror.”

Chapter 1056 Respecting You as My Father, I Don’t Want to Be the Qingqiu King (1)

“Are you serious?” Bai Qianqian was surprised.

She was already prepared to fail when Zhou Shu made things difficult for her. She didn’t expect Zhou Shu to agree suddenly.

Originally, she was ready to secretly learn how to forge and then forge the Reincarnation Mirror herself.

“A promise is a promise made,” Zhou Shu said indifferently.

“That’s great!” Bai Qianqian cheered. “You’re a man and the person behind the giant spirit race. You can’t go back on your word!”

“I’ll naturally keep my word,” Zhou Shu said. “I’ll forge it as long as your qingqiu race can produce eighteen Divine Stones.”

Not to mention the qingqiu race, even Zhou Shu had never seen so many Divine Stones.

Back then, the Fire King had only obtained a single Divine Stone before being exterminated by the bai ze race, the golden-winged roc race, and the silver scale race. Later, the bai ze race and the golden-winged roc race became vassals of the giant spirit race, and the silver scale race completely disappeared from the world.

It could be said that the origin of everything was a Divine Stone.

The qingqiu race was not weak. They were much stronger than the giant spirit race before their rise. Among the myriad races in the world, their strength could rank in the top twenty. But their strength was nothing in front of Divine Stones.

Not to mention eighteen Divine Stones, even a Divine Stone might bring them calamity!

“We can definitely provide them!” Bai Qianqian said confidently. “Even if we don’t have them now, we will definitely be able to find them! Don’t underestimate our qingqiu race!”

“By the way, I’ve seen the Divine Stone mentioned in the forging formulas, but I still don’t know what it looks like.”

The forging formula she had obtained was only recorded in words. Although she understood the words, she had no way of knowing what the names referred to.

For example, she didn’t know what Divine Stones looked like.

“Feng Wu, show her the forging materials catalog in your hand,” Zhou Shu said indifferently.

“You should understand, right? Prepare two sets of materials for forging the Reincarnation Mirror. When you’re ready, come find me.

“By the way, I only need one set of Divine Stones. I don’t think you can gather two.”

“Why do you need two sets?” Bai Qianqian was puzzled.

“Rules.” Zhou Shu couldn’t be bothered to explain.

Bai Qianqian nodded and looked at Feng Wu. “Where’s the catalog?”

Feng Wu was a little unwilling. “What forging materials are you looking for? I’ll tell you. This catalog is mine. I can’t give it to you!”

Zhou Shu didn’t care about their negotiation. After chasing the two of them out of the Lingxiao Treasure Palace, he fell into deep thought. It’s not impossible for the Origin World to have the forging formula of the Reincarnation Mirror. But Bai Qianqian has obtained the forging formula. Even without me, she will probably think of a way to forge the Reincarnation Mirror. In the future, she appeared in the Demon Realm Ancestral Court of the Demon Ancestor. What is her relationship with the Demon Ancestor?

Could she be the Demon Ancestor? Zhou Shu immediately shook his head. The ancient races were different from demonic beasts. They were two different races.

It was impossible for Bai Qianqian to be the Demon Ancestor.

Looks like the qingqiu race might be hiding some secrets.

Zhou Shu turned to the golden lotus obediently floating in the air and asked, “Golden lotus, when you possessed Bai Qianqian, did you see a strange person?”

This golden lotus was very sensible. Ever since it was forced out of Bai Qianqian’s body by Zhou Shu, it had never tried to make any futile actions.

If it could really obtain a body, with its working style, it might really become somebody.

“A strange person? What do you mean, Lord?”

The golden lotus placed itself very low, as if it was willing to be Zhou Shu’s lackey. Its attitude made Zhou Shu reluctant to kill it.

One shouldn’t slap a smiling person.

Zhou Shu pondered. “She might not be from the qingqiu race, but her status in the qingqiu race won’t be too low. She could have some strange abilities.”

He had never seen the Demon Ancestor before, and he wasn’t sure if the Demon Ancestor had already appeared at this time.

The golden lotus thought for a moment and said, “No. Ever since I attached myself to Bai Qianqian, apart from coming into contact with the people of the qingqiu race, there was only Feng Wu and you.”

Zhou Shu nodded slightly. It seemed that the Demon Ancestor had yet to appear.

He thought about how it was very likely that Bai Qianqian would live from this moment to the future, so she might have met the Demon Ancestor sometime during this period of time.

Zhou Shu pondered for a moment and suddenly looked at the golden lotus. “Golden lotus, tell me. What are your plans for your future?”

“Future? Plans?” The golden lotus’s metallic voice sounded. “I don’t have any plans. I just want to have a body and live well, like you, Lord, living under the sun.”

“Isn’t this your body?” Zhou Shu said.

A human’s consciousness was in the soul, but the self-awareness born from this divine weapon was because of a special forging material. Its consciousness was attached to the special forging material, and it was somewhat different from the human soul.

In a sense, the golden lotus itself was more like a human soul.

Chapter 1057 Respecting You as My Father, I Don’t Want to Be the Qingqiu King (2)

“I don’t know how to describe it, but Lord, you also forge divine weapons. You should understand what I mean,” the golden lotus said awkwardly.

Zhou Shu nodded and fell into deep thought.

He didn’t like the idea of divine weapons developing self-awareness. He had always believed that those who were not of his race would have different thoughts. If divine weapons developed self-awareness, it was very likely to bring calamity to the human race.

But it was impossible for one connate divine weapon with consciousness to bring calamity to the human race.

The golden lotus in front of him was very sensible. Zhou Shu no longer had any killing intent toward it. It wasn’t impossible to spare its life.

He said after some thought, "I can give you a body."

Crack!

The golden lotus seemed extremely excited. Its lotus petals creaked, and its metallic voice was brimming with excitement. "If you can give me a body, you will be my second parent. From now on, I am willing to respect you as my father!"

Zhou Shu's face darkened. What do you mean?

You want to acknowledge me as your godfather?

Even if you're willing, I'm not.

"No need," Zhou Shu said. "It's not like I don't have conditions for helping you."

"I understand. There's no such thing as a free lunch," the golden lotus said excitedly. "No matter what you want me to do, I'll agree!"

It didn't hesitate at all. To it, having a body was its ultimate dream. Nothing else mattered.

"Remember what you said. From now on, you will stay in the Lingxiao Treasure Palace. Without my permission, you are not allowed to go out," Zhou Shu said.

"Before I return, if you dare to leave the Lingxiao Treasure Palace, I will make sure you completely disappear from this world. Do you understand?"

"Understood!" the golden lotus said firmly.

Zhou Shu nodded. With a flash, he disappeared into thin air.

The golden lotus spun in the air and seemed to look at its surroundings. Then there was a buzzing sound in the air. The golden lotus carefully flew to a corner of the Lingxiao Treasure Palace. There, the Forging Apprentices of the giant spirit race were practicing their forging.

The golden lotus silently landed on a shelf without attracting the attention of any Forging Apprentices. It just stayed there and seemed as though it was learning to forge.

...

Zhou Shu retracted his aura and flew in the air.

At this moment, if anyone looked up at the sky, they would find that there was no one in the sky.

If one's cultivation wasn't high enough, it was impossible to discover Zhou Shu's figure.

Bai Qianqian had yet to cultivate the Martial Dao, so it was naturally impossible for her to discover that Zhou Shu was following her.

While walking, she cursed Zhou Shu.

Zhou Shu couldn't help rolling his eyes. I won't argue with this woman.

He chose to leave the Lingxiao Treasure Palace at this time because he didn't want the qingqiu race to ruin his plan.

The appearance of Bai Qianqian and the Reincarnation Mirror's forging formula made him feel uneasy.

Although she had just accidentally obtained the forging formula in the Origin World, and he didn't find out anything from her and the golden lotus, Zhou Shu couldn't be at ease until he investigated thoroughly.

Bai Qianqian cursed as she traveled, but she wasn't slow.

Several days later, she returned to the territory of the qingqiu race.

The qingqiu race lived on a mountain called Qingqiu. The Qingqiu Mountain occupied more than a thousand kilometers and had beautiful scenery.

While following Bai Qianqian, Zhou Shu saw many members of the qingqiu race.

On the surface, the qingqiu race lived very leisurely. Along the way, the members of the qingqiu race he saw were either working or relaxing. None of them were cultivating diligently.

Although the ancient races didn't have the Martial Dao, they still trained themselves. For example, before the giant spirit race met Zhou Shu, they had relied on throwing stones to train their strength.

On the contrary, the qingqiu race didn't seem to care much about training.

For such a race to rank in the top 20 of the myriad races in the world, it could only be said that they were talented.

Bai Qianqian walked deep into Qingqiu Mountain and entered a cave.

Zhou Shu followed without hesitation.

"My king, I am back." Bai Qianqian's voice sounded in the cave.

An incomparably lazy voice sounded. Zhou Shu, who followed Bai Qianqian into the cave, almost lost his balance and revealed himself.

In the cave, there was a woman wearing translucent gauze, and the vital points on her body were faintly discernible, revealing her body!

What kind of style is this? Zhou Shu couldn't help taking a few more glances.

Zhou Shu wasn't Liu Xiahui[1]. How could he pretend not to look at a beauty in front of him?

"How did the discussion go?" the Qingqiu King asked.

"It's a deal! Bai Qianqian said proudly. "What problems can there be when I personally go?"

"I knew it. With the number one beauty of our qingqiu race personally taking action, which man in the world can refuse?" The Qingqiu King smiled.

Bai Qianqian snorted. She didn't want to talk about the embarrassing process. That damn man actually rejected me. If I hadn't given my all, my trip would have been a failure.

Bai Qianqian thought this, but she said, "He agreed to help us forge the Reincarnation Mirror, but we need to prepare the materials ourselves."

"It's only right." The Qingqiu King nodded.

"And that bastard wants two sets!" Bai Qianqian said hatefully.

"Two sets of forging materials mentioned in the forging formula?" The Qingqiu King frowned slightly.

"Other than the Divine Stones, we need to prepare two sets of the other materials," Bai Qianqian added.

"Apart from the Divine Stones? That's fine." The Qingqiu King heaved a sigh of relief.

Her reaction made Zhou Shu's heart tremble. Does the Qingqiu King know the difference between having Divine Stone and without? Otherwise, she wouldn't have sighed in relief after hearing this.

But then again, back then, the Bai Ze King, the Golden-Winged Roc King, and the others had destroyed the fire race for a Divine Stone. It was reasonable for Qingqiu King to know how precious Divine Stones were.

"My job is done. I'll leave the rest to you. I don't want to deal with that man anymore!" Bai Qianqian said. She wasn't polite when talking to her king at all.

"What's wrong? Did that man take advantage of you?" The Qingqiu King smiled.

Bai Qianqian rolled her eyes. "He wouldn't dare! I'd break his claws!"

She was like an angry kitten, her fur standing on end.

Zhou Shu sneered. Am I someone who has never seen a woman before? Take advantage of her?

He sized up Bai Qianqian and pursed his lips.

"You can't quit yet." The Qingqiu King smiled and shook her head. "Only you can get the Divine Stones. If you quit, no one else can do this.

"That's why you have to work harder to bring the Divine Stones back. I thank you for your hard work for the future of our qingqiu race."

The Qingqiu King stood up. Her figure was slender, and her peaks rose and fell. As she walked, she looked radiant.

Zhou Shu listened to her continue with an appreciative attitude. "Qianqian, I don't have much time. The qingqiu race will depend on you. If you can forge the Reincarnation Mirror, you will be able to firmly take the position of the Qingqiu King.

"This is very important. Even if you don't want to, you have to do it."

"I don't want to be the Qingqiu King," Bai Qianqian muttered.

"If you don't want to be the king, who will be? You brought back the forging formula of the Reincarnation Mirror. You're destined to be the Qingqiu King!" the Qingqiu King said solemnly. "Are you willing to watch the qingqiu race be destroyed?"

“It’s not as serious as you make it out to be. If I don’t become the Qingqiu King, will the qingqiu race be destroyed?” Bai Qianqian said in disbelief. “Even if I become the Qingqiu King, I can’t guarantee that the qingqiu race will always exist. If the army of the giant spirit race comes, there’s nothing I can do.”

Chapter 1058 Entering the Origin World Again, Cowardly As a Rat (1)

Bai Qianqian didn’t think much of what the Qingqiu King said.

The Qingqiu King shook her head with a bitter smile. Bai Qianqian’s talent and aptitude were the most outstanding in the qingqiu race, but she was the most unmotivated.

The forging formula of the Reincarnation Mirror was an opportunity she had obtained, but she didn’t make use of it. In the end, the giant spirit race relied on divine weapons to rise.

If the qingqiu race had already forged the Reincarnation Mirror, would the giant spirit race have been able to do anything?

“Qianqian, no one in the world except you can enter and exit the mysterious place freely,” the Qingqiu King said.

As soon as she said this, waves surged in Zhou Shu’s heart. Bai Qianqian can enter and exit the mysterious place freely? Then, is her memory affected?

He knew that the mysterious place mentioned by the ancient races was the Origin World.

If the ancient races wanted to enter the Origin World, they had to wait for the opportunity to arrive. Then, they could enter the Origin World from anywhere.

Without opportunities, they could forget about entering for the rest of their lives.

Most importantly, everyone only had one chance to enter the Origin World in their life. No one had ever entered it a second time in history.

... Until Zhou Shu appeared.

Zhou Shu had once smuggled Feng Wu and Feng Jing into the Origin World, but he had been repulsed by the Origin World. After two times, they could no longer enter the Origin World. He couldn’t smuggle them even if he wanted to.

But Bai Qianqian was able to enter and exit the Origin World freely. Could this be why the golden lotus said that her physique was special?

At first, Zhou Shu didn’t take the golden lotus’s words about Bai Qianqian’s special physique seriously. He had just thought that it was an excuse for the golden lotus to occupy her body. He didn’t expect there to be such a secret!

“Anyone else with your talent would have already become the number one person in the world,” the Qingqiu King continued. “What about you?”

The Qingqiu King expected better from her. She reached out her finger and tapped Bai Qianqian’s forehead.

Bai Qianqian touched her forehead unhappily. "That mysterious place isn't a good place. I don't want to go.

"If you want, you can go yourself."

The Qingqiu King rolled her eyes. "If I could go, would I need you to go? The opportunity that so many people dream of is wasted on you. What am I going to do about you?"

"If you don't know what to say, don't say anything," Bai Qianqian said.

"Let me tell you. That is a very dangerous place. You can die if you're not careful. I don't want to go there at all."

"If you don't go, where can we find Divine Stones? Without Divine Stones, how can we forge the Reincarnation Mirror?" the Qingqiu King said angrily. "Without the Reincarnation Mirror, what will happen to the future of the qingqiu race?"

"The other races don't have the Reincarnation Mirror either. Aren't they still alive and well?" Bai Qianqian defended herself aggressively.

"How can you tell they're alive and well? The giant spirit race has been fighting everywhere recently. Don't you know how many races have been wiped out? In this world, without strength, one is at the mercy of others!" the Qingqiu King said.

"It's fine if we don't have a chance. But we clearly have the strength. Why should we sit back and do nothing?"

The Qingqiu King's tone became stern. "Bai Qianqian! You're a member of the qingqiu race. You have a responsibility and an obligation to contribute to the qingqiu race! You have to go to the mysterious place. Not only do you have to go, but you also have to bring Divine Stones back!"

Zhou Shu narrowed his eyes. This Qingqiu King is quite ambitious.

From what she said, the qingqiu race seemed to want to forge the Reincarnation Mirror to compete with the giant spirit race.

Inviting him to forge a divine weapon to deal with the giant spirit race was the Qingqiu King's wishful thinking.

"My king, the fellow who forged the divine weapons is from the giant spirit race. Aren't we too optimistic in asking him for help to deal with the giant spirit race?" Bai Qianqian asked.

"And you didn't see him. He's very terrifying. It's impossible for the Reincarnation Mirror to deal with him!"

"Who said I'm going to use the Reincarnation Mirror to deal with him? We can win him over," the Qingqiu King said.

"We can give him what the giant spirit race can give him. Not only can we give him these things, but we can also give him more. The giant spirit race doesn't have a beauty like our Qianqian!"

“If you say that again, I’m going to fall out with you,” Bai Qianqian said angrily. “I, Bai Qianqian, will never sell my body! If you want to use a honey trap, go yourself!”

The Qingqiu King smiled indifferently. “I don’t mind if he doesn’t dislike me.”

Zhou Shu rolled his eyes. This Qingqiu King is dressed boldly, and her words are just as bold.

Discussing how to seduce him in front of him made him feel abnormally curious.

But he was more interested in how Bai Qianqian could freely enter and exit the Origin World.

Also, could Bai Qianqian be immune to the laws of the Origin World? After leaving the Origin World, would she still remember what happened inside?

If it was a normal person, this would be easy to judge.

There was no past or present in the Origin World. Everyone was at the same starting point, regardless of whether they came before ancient times or after.

Bai Qianqian could easily come into contact with the Martial Dao in the Origin World. If she remembered what happened in the Origin World, she should still remember the Martial Dao.

This way, Zhou Shu just had to ascertain if she understood the Martial Dao, and he would know if she remembered what happened in the Origin World.

This was an ordinary principle, but Bai Qianqian was not an ordinary person.

According to her personality, after she entered the Origin World, it was very likely that she would find a place where no one could find her and not interact with anyone.

In that case, she wouldn’t be able to come into contact with the Martial Dao at all, so there was naturally no way to determine if she remembered what had happened in the Origin World based on her behavior.

Chapter 1059 Entering the Origin World Again, Cowardly As a Rat (2)

“You’re so shameless!” Bai Qianqian stuck out her tongue at the Qingqiu King.

The Qingqiu King was not angry at all and said casually, “If you won’t go and look for Divine Stones, I can be even more shameless.

“When the time comes, I’ll strip you naked and send you to that person’s bed. I don’t believe he can withstand a naked beauty.”

“You can’t defeat me.” Bai Qianqian pursed her lips in disdain. “I’m not afraid of you.”

“Qianqian,” the Qingqiu King said. “I’m already about to die. Can’t you satisfy this little wish of mine?”

Tears welled in the Qingqiu King, and two drops fell to the ground.

Best actress. Zhou Shu pursed his lips.

Seeing the Qingqiu King cry, Bai Qianqian immediately panicked. “Big Sis, we can discuss it. Don’t cry. I didn’t say I wouldn’t help you.”

Zhou Shu sighed. Bai Qianqian is still too inexperienced.

But he didn't expect Bai Qianqian and the Qingqiu King to be sisters.

Bai Qianqian grabbed her hair, bunching her beautiful hair up like a bird's nest, making her exude a special beauty. "Let me make this clear first. Even if I go to the mysterious place, I might not be able to find Divine Stones."

She said firmly, "I'll only go once. If I can't find any, you can't force me again!"

"No, I won't force you again." The Qingqiu King smiled sweetly. "Ever since you were young, as long as you wanted, there was nothing you couldn't do. As long as you want to find Divine Stones, you will definitely be able to find them. They will appear right in front of you."

The Qingqiu King looked more confident than Bai Qianqian herself.

Bai Qianqian pouted unhappily. "It's different this time. That bastard wants eighteen Divine Stones."

"It doesn't matter how many," the Qingqiu King said. "Qianqian, you have to promise me. You have to believe that you can do it. You can't slack off!"

"I'm not that kind of person," Bai Qianqian said unhappily. "I've promised you, so I'll do it seriously!"

"That way, you'll give up if I can't do it. Otherwise, I know you'll definitely bother me again!"

"We're biological sisters. I'm doing this for your own good." The Qingqiu King smiled.

Bai Qianqian only rolled her eyes at her. "I'm not going to waste my breath on you. I'm leaving!"

Bai Qianqian waved her hand and turned to walk out.

After she left, the smile on the Qingqiu King's face faded and became a little solemn. Deep sadness flashed in the depths of her eyes.

The next moment, she frowned slightly, and goosebumps rose all over her skin. Am I imagining things? Why do I feel like someone is looking at me?

The Qingqiu King subconsciously hugged her arms. This action squeezed a certain part of her already voluptuous body, making it even more spectacular.

But at this moment, there were no more spectators.

Zhou Shu had already left with Bai Qianqian.

He had hidden and came to the qingqiu race to investigate their secrets.

Now that the greatest secret of the qingqiu race was in front of him, he naturally had to follow this secret closely.

Zhou Shu was greatly surprised that Bai Qianqian could enter and exit the Origin World freely.

Bai Qianqian left the cave and entered a nearby cave.

He followed closely behind. Then he saw her sit cross-legged on a stone bed, pouting with a reluctant expression.

The next moment, a visible vortex appeared around her body. Right on the heels of this, Bai Qianqian's body disappeared.

Even Zhou Shu couldn't tell how she had opened the entrance to the Origin World.

Without any time to think carefully, his figure flashed, and the Celestial Thearch Sword appeared in the air, shooting toward the disappearing vortex.

Zhou Shu's figure also disappeared into the air.

Swish!

With a soft sound, a sword landed in front of Bai Qianqian.

After she saw the sword, her expression changed drastically, and she looked around warily. "Scoundrel, where are you? Come out right now!"

She recognized this sword at a glance. It was the sword in Zhou Shu's hand when she was in the extremely beautiful palace in the giant spirit race's stronghold.

She shouted for a long time, but Zhou Shu didn't appear. She rolled her eyes as she carefully took a step forward.

She reached out and touched the hilt of the Celestial Thearch Sword. Then she retracted her hand with a whoosh.

This repeated a few times. Seeing no other reaction from the Celestial Thearch Sword, Bai Qianqian immediately laughed out loud. Could that scoundrel have gotten separated from his sword after entering this place? Does that mean this sword is mine? Yes, what I pick up is mine. I'll let him die of anger.

She happily walked to the Celestial Thearch Sword, reached for the hilt, and pulled.

"Huff, puff..." Bai Qianqian's face flushed red. She held the hilt of the Celestial Thearch Sword with both hands and used all her strength, but the Celestial Thearch Sword didn't move at all...

She didn't believe it. She kept changing her posture to try, but the outcome was the same. She couldn't pull out the Celestial Thearch Sword at all.

That scoundrel is strange. Why is even his sword so strange? I'm so strong, but I can't pull it out. It doesn't look heavy.

"There are four worlds in the Celestial Thearch Sword. If you think you're stronger than four worlds, you can try lifting it." A voice sounded in Bai Qianqian's mind, startling her.

She jumped tens of meters away with a whoosh and looked around warily. "Where are you? Come out!"

"If you're not afraid of attracting enemies, then continue shouting." Zhou Shu's voice continued to sound in Bai Qianqian's consciousness.

Bai Qianqian was surprised. She reached out to cover her mouth to stop herself from screaming.

“You’re here too?” Bai Qianqian whispered. “We’re on the same side. I’m here to help you find Divine Stones. Can you come out?”

Zhou Shu was standing in the world inside the Celestial Thearch Sword. He couldn’t go out.

Once he went out, he would probably be repulsed by the Origin World.

Previously, when he entered this Origin World, it was the same.

This time, he had an idea. He would hide inside the Celestial Thearch Sword. He didn’t expect that it would really work.

He was the owner of the Celestial Thearch Sword. Through the Celestial Thearch Sword, he could sense the situation in the outside world. Using this method, he could see the Origin World with his own eyes. He had always been curious about this place.

“Bring the Celestial Thearch Sword with you. It will protect you.” Zhou Shu’s voice sounded in Bai Qianqian’s consciousness.

“I wish I could. The problem is that I can’t carry it.” Bai Qianqian pouted.

Buzz—

Before she could finish speaking, the Celestial Thearch Sword had already automatically flown up and landed behind her. It looked like she was carrying a sword on her back.

“This works?” Bai Qianqian felt a little helpless. She asked timidly, “Um... do you have any instructions?”

“Do whatever you want. Just pretend that the Celestial Thearch Sword doesn’t exist,” Zhou Shu said.

“Really?” Bai Qianqian said.

“Of course,” Zhou Shu said.

“That’s great!” Bai Qianqian said excitedly. Her eyes darted around before she saw a hill in the distance. The next moment, she strode forward, ran to the front of the hill, and quickly dug.

Some time later, she dug out a deep cave and quickly blocked the entrance.

“That’ll do. Every time I come in, I have to stay for a year before I can leave,” Bai Qianqian muttered.

“After I hide here for a year, I can go out. I have experience in this aspect. There won’t be any problems.”

Zhou Shu: “...”

Chapter 1060 Good Luck Can Be Unreasonable (1)

Proxy Connection Failed!

Zhou Shu was speechless at Bai Qianqian’s choice.

She actually found a place to hide!

Every time she came in, she had to stay for a year before she could leave.

This was different from other people who relied on opportunities to enter the Origin World. Those people could leave whenever they wanted.

But then again, if Bai Qianqian could leave whenever she wanted, she would probably have already left the Origin World.

Others could risk their lives for opportunities, but Bai Qianqian would risk losing opportunities to save herself!

This was a great opportunity, but she actually dug a hole and buried herself in order to survive in the Origin World for a year!

Isn't she here to find Divine Stones? Could it be that if she hides herself here, Divine Stones will come knocking on her door? Zhou Shu was really speechless. He had seen people who were cautious, but he had never seen someone like Bai Qianqian.

"Have you forgotten why you're here?" Zhou Shu couldn't help saying.

He directly transmitted his voice into Bai Qianqian's consciousness. If not for the fact that he couldn't leave the Celestial Thearch Sword, he wouldn't care about her.

But now, if he wanted to move in the Origin World, it wasn't safe to rely solely on the Celestial Thearch Sword. After all, there were countless experts in the Origin World. If he moved alone with the sword, he might be targeted.

Following Bai Qianqian might be a little safer.

"I didn't forget." Bai Qianqian was busy using stones to make a bed for herself. "I came to find Divine Stones. I know what to do.

"I just need to look for them on the last day. The most important thing now is to protect myself. It will be useless if I die after finding them."

Zhou Shu wanted to roll his eyes. A day is enough to find eighteen Divine Stones? How perfunctory are you?!

Even with Zhou Shu's fortuitous encounters, he had never obtained eighteen Divine Stones after so many years!

Even if Bai Qianqian searched day and night, she might not be able to find eighteen Divine Stones in a year!

She actually wanted to look for them on her last day here?

Wasn't this obvious perfunctory?

Although this had nothing to do with Zhou Shu, he mourned for the Qingqiu King for three seconds.

The Qingqiu King was really counting on Bai Qianqian to find the Divine Stones.

“Bai Qianqian, are you planning to hide here for a year and then go back directly?” Zhou Shu said helplessly.

“Yes, I have experience. As long as I don’t make a fuss, no one will notice me,” Bai Qianqian said seriously.

“This is your first time coming in. You don’t know, but it’s very dangerous outside. There are many wandering monsters. People can be torn to pieces by anything they encounter.

“We’ll just stay here. It’s only a year anyway. It won’t take long. I’ve also prepared some food. It won’t be a problem if we ration it!”

Bai Qianqian was fully prepared. She had even prepared food and water in advance. No wonder Zhou Shu saw that she was carrying a giant bag on her back.

Zhou Shu was speechless. “You’re really experienced.”

“Of course,” Bai Qianqian said proudly. “By the way, how do you talk to me through a sword? Where are you? Don’t expose my whereabouts.”

“Bai Qianqian, you’re not weak. Is there a need to do this?” Zhou Shu said.

“How do you know I’m not weak? I’m very weak. I can’t even defeat you,” Bai Qianqian said.

Zhou Shu couldn’t help rolling his eyes. If you could defeat me, you would be invincible in ancient times!

“Bai Qianqian, it might not be safe for you to hide here. Instead of hiding here, why don’t you find a backer?” Zhou Shu said. “Let me tell you. There’s an expert from the giant spirit race here. Go find him. He’ll be responsible for your safety.”

“No! I’m not going anywhere!” Bai Qianqian said firmly. “It’s too dangerous outside. I definitely won’t go out.”

“Is that so?” Zhou Shu’s voice sounded in Bai Qianqian’s consciousness.

Bai Qianqian suddenly had a bad feeling. Then she saw a sword beam soar into the sky. The cave she was hiding in collapsed with a bang.

Bai Qianqian cursed and escaped from the falling rocks in a sorry state.

“What are you doing?! Are you trying to get me killed?!” Bai Qianqian shouted at the Celestial Thearch Sword.

“You won’t die so easily.” Zhou Shu’s voice sounded in Bai Qianqian’s consciousness. The Celestial Thearch Sword trembled slightly and floated in front of Bai Qianqian.

“I’ll lend you the Celestial Thearch Sword for the time being. Hold it and fight.”

The hilt of the Celestial Thearch Sword appeared in front of Bai Qianqian. Bai Qianqian only needed to reach out and grab it.

But before Bai Qianqian could reach out, she saw a few black shadows running over from afar.

“F\*ck!” Bai Qianqian cursed. She grabbed the Celestial Thearch Sword and turned to run.

“Bai Qianqian, don’t be afraid. Kill them.” Zhou Shu’s voice was full of mockery.

The Celestial Thearch Sword shone brightly like a guiding light, guiding the Heavenly Dao monsters to attack Bai Qianqian.

Bai Qianqian came back to her senses and wanted to throw away the Celestial Thearch Sword, but the sword kept following her closely.

She had already cursed all the curse words she could remember, but it was useless!

The Heavenly Dao monsters were getting closer and closer, and more monsters were attracted by the light.
