### Chapter 601: It Turns Out That Demonic Beasts Are So Easy to Fool (1)

Hu Li was beaten beyond recognition by Demon King Ao and fell unconscious.

Demon King Ao merely instructed the demonic beasts to throw him aside and didn't specially send demonic beasts to watch over him.

After all, this was Hu Li's territory. Demon King Ao had come alone without any subordinates.

...

Of course, the tiger demon race was originally a vassal of Demon King Ao. It was only natural for him to instruct Hu Li's subordinates.

Now that he had left, the other Demon Kings were still discussing how to divide Hu Li's territory and had yet to come over to deal with him.

This gave Yin Chengshan a chance.

Zhou Shu had previously arranged for Zhang Chunlin and the others to leave, while Yin Chengshan, who had transformed into Yao Aotian, stayed behind.

The only reason he stayed was to wait for Zhou Shu to leave. He would find an opportunity to move the forging materials that Zhou Shu couldn't take away.

"Lord Hu Li? Lord Hu Li!" Yin Chengshan looked around covertly and slapped Hu Li's face.

Hu Li grunted but didn't open his eyes.

Demon King Ao was ruthless. Even with Hu Li's physique, he had yet to wake up.

Yin Chengshan pondered, and hesitation flashed across his face. Then he gritted his teeth, bent down, carried Hu Li on his back, and sneaked out.

Zhou Shu had given him the right to make decisions on the spot. He was now prepared to do something big.

Hu Li had been knocked unconscious by Demon King Ao. The other Demon Kings were not worried that he would wake up early, so they were naturally not worried that he would escape.

Actually, even if Hu Li could wake up early, they were not worried.

A newly-advanced Demon King, and an injured one at that, they could easily suppress him. Why would they be afraid of him?

As for whether other demonic beasts would let Hu Li go, they were even less worried.

The hierarchy in the Demon Realm was strict. No demonic beast dared to disobey a Demon King.

This was one of the reasons why Demon King Ao was so ruthless to Hu Li.

If every demonic beast dared to disobey him, Demon King Ao would lose face.

He had to make an example of someone. Hu Li was the best target!

Therefore, Yin Chengshan actually successfully took Hu Li away!

But it wasn't that smooth.

When Yin Chengshan was about to escape with Hu Li on his back, he encountered a demonic beast.

Originally, Yin Chengshan was already prepared, but the exceptionally ugly demonic beast seemed not to see them and walked past them without looking sideways.

Not only did he walk past them, but Yin Chengshan also heard him call all the nearby demonic beasts over, opening a path for Yin Chengshan and Hu Li that was unguarded by demonic beasts.

Yin Chengshan remembered the demonic beast called Yao Jun in his heart and carried Hu Li into the forest.

It wasn't until more than two hours after Yin Chengshan and Hu Li escaped that the few Demon Kings on the mountaintop discussed how to deal with Hu Li's territory and the demonic beasts under him. Only then did they remember Hu Li.

"How should we deal with Hu Li?" a Demon King asked.

"Demon King Ao didn't say to kill him, so let's keep him for now," another Demon King said. "Hu Li's brain isn't clear. Let's lock him up for a while to wake him up. He shouldn't think that he can immediately be on equal footing with us after reaching the Demon King realm."

The other Demon Kings nodded in agreement.

Suddenly, a Demon King frowned. "Where's Hu Li?"

The other Demon Kings were stunned. Powerful auras surged. Then they frowned. Hu Li's aura had disappeared!

With a flash, a few Demon Kings appeared at the same time where Hu Li had been imprisoned. The cave was already empty.

"Where are the demonic beasts?!" a Demon King shouted.

"Here." Yao Jun appeared at the door and bowed.

"Where's Hu Li?"

"Huh? Isn't he here? I don't know. Just now, you told us to leave the mountain. We just returned to listen to your orders," Yao Jun said carefully.

The Demon Kings looked at each other and frowned.

"Looks like Hu Li woke up early. That fellow's brain isn't working well, but his skin is thick, and he can take a beating," a Demon King said. "Forget it. So what if he ran away? He should stop for a while after

being beaten up by Demon King Ao. Tiangou and Liu'Er are with Yao Qing. Even if he goes over, he can't do anything.

"When he finds out the difference between him and us veteran Demon Kings, he'll know what to do."

Another Demon King snorted coldly. "I've broken through to the Demon King realm for more than a thousand years and am still keeping a low profile. He's just a new Demon King, yet he dares to disobey Demon King Ao. He's really courting death."

The few Demon Kings complained for a while before throwing this matter to the back of their minds.

Speaking of which, they didn't take this matter too seriously. After all, Hu Li was not an enemy in their opinion. He could only be considered a disobedient junior. They wouldn't kill him. It was no big deal if he ran away.

They couldn't even be bothered to send demonic beasts to chase after him.

Yin Chengshan didn't know what these Demon Kings were thinking. He carried Hu Li on his back and didn't dare to delay for a moment. He kept running forward until he was so tired that he couldn't run anymore. Only then did he find a cave and put Hu Li down.

"Hu Li, oh Hu Li, this is the best I can do. If they really catch up, there's nothing I can do," Yin Chengshan muttered to himself while breathing heavily.

## **Chapter 602: It Turns Out That Demonic Beasts Are So Easy to Fool (2)**

"Urgh..." The muscles on Hu Li's face twisted. He grunted and slowly opened his eyes.

"Yao Aotian?" When Hu Li saw Yin Chengshan, he asked in confusion, "What is this place? Why are you here?"

"Thank heavens you're finally awake." Yin Chengshan exhaled. "You haven't forgotten what happened just now, right? You were severely injured by Demon King Ao, and they even locked you up. I risked my life to save you."

...

"You saved me?" Hu Li was stunned for a moment. He didn't think carefully about how Yao Aotian had the ability to save him from the Demon Kings. "Oh no, Yao Qing!"

Hu Li struggled to get up, but halfway up, he fell back with a thump.

"You'd better not move. You're seriously injured. Even if you rush over now, can you help Yao Qing?" Yin Chengshan sighed.

"Yao Aotian!" Hu Li's eyes widened. "Yao Qing changed your name and gave you the hope of breaking through to the Demon King realm. You're actually so ungrateful! You know he's in danger, but you're still not helping him?"

"I, Hu Li, am not a demonic beast like you. Even if I die, I have to protect Yao Qing!"

“Get out of my way!” He pushed Yin Chengshan’s arm away with all his might, but he was weak and almost fell to the ground again.

“Demon King Hu Li, you have no conscience.” Yin Chengshan shook his head. “If I were ungrateful, would I take such a huge risk to save you?”

“I don’t have much of a relationship with you! I saved you because of Yao Qing!”

“Yao Qing is in danger. I want to save him more than you do. But do you think you will be able to help him like this?”

Yin Chengshan said solemnly, “If you rush over now, not only will you not be able to save Yao Qing, but you will also drag him down with you! Do you think that with Yao Qing’s loyalty, he will abandon you when he sees you in danger?”

Hu Li frowned and looked at Yao Aotian as if he didn’t know him. “Yao Aotian, I didn’t realize that you were so thoughtful in the past!”

Yin Chengshan’s heart skipped a beat. He pretended to be calm and said, “This is the difference between you and Yao Qing. Have you forgotten the evaluation Yao Qing gave me?”

“My fate is in my hands, not the heavens. As a demon, I should be Yao Aotian! Am I an ordinary demonic beast?” He spouted nonsense and changed the topic. “If we want to help Yao Qing, we have to protect ourselves first!”

Yin Chengshan trusted Zhou Shu very much. He believed that even with two Demon Kings chasing after Zhou Shu, Zhou Shu would definitely be able to escape unscathed.

Therefore, he wasn’t too worried about Zhou Shu’s safety. He was thinking about how to complete the mission Zhou Shu had assigned him!

Hu Li might have given him an opportunity!

“Hmph, what do you have in mind?” Hu Li snorted coldly. His mind was in a mess, and he had no idea what to do.

“Hu Li, do you have any trusted demonic beasts among your subordinates?” Yin Chengshan asked.

“Nonsense! Under my command, an army of a million demonic beasts—”

“That’s in the past,” Yin Chengshan interrupted. “Now, your territory and your army have been divided up by the Demon Kings. I dare to say that if you dare to show your face now, those Demon Kings will capture you and lock you in the dungeon like you’re a human. Do you believe me?”

Hu Li glared at Yao Aotian.

But when he thought of the faces of the Demon Kings before, he felt that this wasn’t impossible.

“Why is it like this?” Hu Li scratched his head hard with a puzzled expression. “Why are the Demon Kings like that? Demon King Ao wasn’t like that in the past!”

“In the past, it was because you weren’t a Demon King that you couldn’t see the true colors of the Demon Kings,” Yin Chengshan said.

“When did you Demon Kings take other demonic beasts seriously? The lives of demonic beasts are not worth mentioning in the eyes of Demon Kings.

“In the past, you were just used to it. Now that you’ve become a Demon King, you think you have the right to be on equal footing with them. But what happened in the end?”

Yin Chengshan’s tone was bewitching.

Hu Li was confused. He couldn’t react.

“You mean I have nothing left? My demonic beast army, my territory, and my Demon King Palace...” Hu Li muttered to himself, and hatred gradually rose in his eyes.

All of this was because of those Demon Kings!

“Thank Yao Qing,” Yin Chengshan said.

“He was long worried that you would suffer a loss, so he asked me to help you in advance. Yao Qing arranged some tricks in the Demon King Palace. Initially, he wanted me to tell you after the ceremony just in case.

“As he expected, Demon King Ao wanted to rob your Demon King Palace.”

“Damn it!” Hu Li’s fist slammed the ground heavily, his face filled with anger.

“Don’t worry. He didn’t take it away,” Yin Chengshan said.

“He didn’t? Can you help me protect the Demon King Palace from Demon King Ao?” Hu Li said in surprise.

“Of course I don’t have the ability, but I can destroy the Demon King Palace even if I can’t protect it,” Yin Chengshan said. “Didn’t I just say that Yao Qing set up a trick in the Demon King Palace? He said that if someone schemes to take over your Demon King Palace and you get into an accident, I should help to destroy the Demon King Palace!”

### **Chapter 603: It Turns Out That Demonic Beasts Are So Easy to Fool (3)**

“Destroy it?” Hu Li’s expression was ferocious. He felt both heartache and joy. “Well done! Even if my Demon King Palace is destroyed, it mustn’t fall into the hands of another Demon King!

“To think that I used to treat Demon King Ao as my idol. It turns out that he’s also a despicable and shameless little demon!” Hu Li cursed.

Yin Chengshan secretly heaved a sigh of relief. *His Highness was right. These Demon Kings were quite easy to fool.*

...

*In that case, they shouldn't suspect that the Demon King Palace left behind by His Highness was fake, right?*

*As long as His Highness isn't exposed, Hu Li shouldn't suspect Yao Qing's identity.*

Although he didn't know if this would help Zhou Shu, Yin Chengshan felt that if Zhou Shu could keep the Yao Qing identity, he might be able to use it in the future.

"Yao Aotian, continue," Hu Li said. "You're smart. What should we do to save Yao Qing now? Demon King Ao seems to really want to kill Yao Qing. We have to stop him!"

"I've thought about it. Although Demon King Ao wants to kill Yao Qing, he definitely won't kill him immediately. They're still counting on Yao Qing to be bait."

Yin Chengshan continued, "That's why we still have time. I think we have to do something now. If we do it well, Yao Qing will definitely be very happy."

"What is it?" Hu Li trusted Yao Aotian very much and asked.

"He didn't have time to take away the things you rewarded him with, and those things will benefit those Demon Kings who bullied you. I think we should steal them first..." Yin Chengshan said.

"What does this have to do with saving Yao Qing?" Hu Li was puzzled.

"Demon King Hu Li, I heard Yao Qing mention a human art of war called besieging Wei to save Zhao."

Yin Chengshan said confidently, "If we cause trouble behind the scenes, we will definitely attract the attention of those Demon Kings. This way, won't we create an opportunity for Yao Qing to escape?"

Hu Li looked puzzled. Although he didn't quite understand, it seemed very powerful.

According to him, what did it matter what he did? As long as he could push through and drive away the Demon Kings, then he would naturally be able to save Yao Qing.

But thinking about it, he didn't seem to be able to defeat them now...

Hu Li pondered and said, "Seems like it will work. Tell me exactly how we're going to do it."

"That's why I asked you if you have any trusted subordinates," Yin Chengshan said. "Your subordinates have already been incorporated by those Demon Kings. If any of them are loyal to you, we can get them to be spies and help us steal!"

Hu Li looked at Yin Chengshan with a strange expression. "Yao Aotian, why do I feel that you're like a human? Only those humans can play these messy schemes."

"Demon King Hu Li, you're wrong." Yin Chengshan forced himself to be calm. "Isn't Yao Qing's father a human? I just learned these things from Yao Qing. As you know, I've been by his side recently."

"You're lucky!" Hu Li didn't suspect anything and snorted. "All the demonic beasts of my tiger demon race will be loyal to me. Let's do as you say first. If it doesn't work, I'll teach Tiangou and Liu'Er a lesson when I recover. I'll let them know that it's not that easy to go after my benefactor!"

## **Chapter 604: Real and Fake Demon King (1)**

*Whoosh!*

Zhou Shu landed on a mountain and looked back.

Tiangou and Liu'Er were still dozens of kilometers away, biting him unhurriedly.

...

From the looks of it, the two of them didn't appear as though they were chasing after him at all. Instead, they looked like they were on an outing.

If one could get closer and listen to their conversation, they would find that the two of them were still teasingly discussing how terrified Yao Qing was.

They had the mentality of a cat chasing a mouse. While using Yao Qing to lure the snake out of its hole, they also wanted to play with Yao Qing.

It was rare for there to be such fun. They just wanted to see Yao Qing struggle bit by bit in fear before dying...

They didn't know that the 'Yao Qing' in their eyes looked at them as if they were fools.

It was unknown who was the fisherman and who was the fish!

After looking at the two Demon Kings, Zhou Shu looked around. *This place should be secluded enough.*

The corners of his mouth curled up slightly as he suddenly leaped forward and down the cliff.

Tiangou and Liu'Er didn't think too much about it. Although a first-rank martial artist was nothing to them, he could fly. He wouldn't die if he jumped down a cliff.

This scene had happened several times before. If Yao Qing thought he could escape their pursuit by jumping off a cliff and temporarily avoiding their sight, he was too naive.

The two of them chuckled and slowly flew forward.

A moment later, Tiangou suddenly frowned.

Liu'Er noticed his expression and asked, "What happened?"

"Yao Qing's aura has disappeared!" Tiangou said solemnly.

"Disappeared? What do you mean?" Liu'Er was puzzled.

"It means it's gone!" Tiangou frowned. "Oh no!"

His expression turned ugly. His figure turned into a stream of light, instantly crossed dozens of kilometers, and landed behind the cliff.

Liu'Er followed closely behind.

Their speed was so fast that they crossed dozens of kilometers in the blink of an eye.

“It’s really gone!” Liu’Er’s eyes flickered as he frowned.

There was no one behind the cliff!

With his divine ability, he could sense that there was no aura of any demonic beast within a hundred kilometers.

Yao Qing was really gone!

“With Yao Qing’s cultivation, it’s impossible for him to escape our perception in such a short period of time,” Tiangou said solemnly.

He and Liu’Er both had innate divine powers and were best at tracking.

Not to mention a first-rank demonic beast, even a Demon King would find it difficult to escape their pursuit.

But now, a first-rank demonic beast had just disappeared in front of them.

From the moment Yao Qing disappeared from their line of sight to the moment Tiangou sensed that Yao Qing’s aura had disappeared, only a few seconds had passed. Logically speaking, a first-rank demonic beast wouldn’t be able to escape far in such a short period of time.

It was precisely because of this that Tiangou and Liu’Er didn’t pay too much attention to it at first.

“Be careful! That human might be here!” Tiangou said grimly. In an instant, he raised his vigilance to the highest level.

Liu’Er’s expression turned solemn.

They didn’t care about Yao Qing, but the human expert they wanted to lure out was an existence who had secretly harmed Tushan!

At the very least, this human was an existence on the same level as them!

Facing such an existence, they didn’t dare to let their guard down at all!

In particular, they were now in the open, while the enemy was in the dark. More importantly, they knew nothing about the enemy!

Tiangou and the Liu’Er stood back to back, their bodies glowing slightly, their Demon Kings’ auras contained.

Their eyes darted back and forth warily.

The powerful wind blew through the forest, making rustling sounds. Tiangou and Liu’Er tensed up. Even the slightest movement made their hearts skip a beat.

Fifteen minutes later, the two Demon Kings frowned.

“Has he already left?” Liu’Er whispered.

“Just now, from the time we couldn’t see Yao Qing until his aura disappeared and then when we rushed over, it didn’t take long. Even the two of us couldn’t have flown far in such a short time,” Tiangou said

seriously. "Besides, he has Yao Qing with him! I suspect that it's very likely that he hasn't left and is hiding somewhere nearby!"

"Is that possible? In this world, who can hide from both our perceptions at the same time? Even Demon King Ao can't do it." Liu'Er frowned.

"I don't know either," Tiangou said. "But other than Yao Qing's remaining aura, there's no second aura here. How did the other party do it?"

He sniffed, puzzled.

Apart from his and Liu'Er's auras, there was only Yao Qing's remaining aura. There was no third aura at all. This was simply impossible.

Even with Demon King Ao's cultivation, it was impossible for him to make his aura completely disappear.

Tiangou was very confident in his sense of smell. There was no aura in the world that he couldn't smell!

While he was thinking, he suddenly frowned and turned around.

"Hey, who are you? How dare you pretend to be me!" A loud shout suddenly sounded, followed by a soaring aura. The two auras suddenly collided.

## **Chapter 605: Real and Fake Demon King (2)**

The powerful impact of the explosion made Tiangou take two steps back.

Then he looked at the two shadows separated by hundreds of feet and glaring at each other.

"Who are you!"

...

"Who are you!"

The two figures shouted at the same time.

Their actions, voices, and even expressions were exactly the same. It was as if a mirror was placed in front of them.

Tiangou frowned. In his sense of smell, the auras of the two figures in front of him were exactly the same. They were both the auras of Liu'Er!

*Two Liu'Er's?* Tiangou blinked hard. The collision just now made him unsure which Liu'Er had been standing behind him!

"Which one of you is Demon King Liu'Er!" Tiangou asked subconsciously.

"Me!"

"Me!"

Two identical voices shouted.

“Tiangou, it’s me. I’m the real one. He’s fake!” the Liu’Er on the left shouted.

“Bastard, I’m the real one!” the Liu’Er on the right was furious. “Tiangou, let’s chase after Yao Qing together. I’m the real Liu’Er!”

Tiangou frowned. He subconsciously took half a step back and distanced himself from the two Liu’Ers.

One of these two had to be fake!

But he really couldn’t tell which one was fake!

Therefore, he subconsciously treated both of them as fakes. Otherwise, he would be wronged if the fake Liu’Er ambushed him!

“How can you prove that you are the real Liu’Er?!” Tiangou shouted.

“Tiangou, I have my innate divine ability, Clairvoyance!” the Liu’Er on the left shouted. His pupils suddenly turned golden, and profound light circulated in them.

“Hmph, evil creature, where did you secretly learn my divine ability!” The pupils of the Liu’Er on the right also turned golden red.

Tiangou’s heart sank. Both Liu’Ers knew this divine ability. How could he tell?

“Bastard!” The Liu’Er on the left was furious. He let out a furious roar, and iron-like fur grew on his body. He grinned hoarsely and pounced at the other party.

The Liu’Er on the right sneered. “You imposter, how dare you challenge me? Do you think I’m afraid of you?!”

“I’ll kill you today, you imposter. How dare you pretend to be me, Liu’Er? You’re courting death!”

*Bang!*

The two figures collided again and then separated.

Once again, they were evenly matched.

“Stop it!” Tiangou shouted angrily. “Whoever dares to attack first is the fake!”

He didn’t dare to let the two Liu’Ers attack again. What if the fake Liu’Er was stronger and really killed him?

He couldn’t tell which was real and which was fake.

“Tiangou, are you helping this imposter?” the Liu’Er on the left shouted angrily.

The Liu’Er on the right pointed at the one on the left and shouted, “You’re the fake one! Tiangou, help me take him down!”

Tiangou felt a headache coming on. He frowned. “Shut up! No one is allowed to argue anymore! Otherwise, whoever argues is fake!”

“Do the two of you dare to come with me to see Demon King Ao?”

Tiangou stared fixedly at the two Liu'Er's. Whoever refused would be the fake!

"Why wouldn't I?" the two Liu'Er's said almost at the same time. There was no sign of hesitation on their faces.

On the contrary, they looked at each other as if the other would die if they saw Demon King Ao.

Tiangou felt a headache coming on. He had imagined many scenes, but he had never thought of the one in front of him.

His innate divine ability was unable to distinguish the auras of the two Liu'Er's. If it hadn't happened in front of him, he wouldn't believe it!

"Let's go find Demon King Ao," the Liu'Er on the left said. "Demon King Ao's cultivation is high. He will definitely be able to expose this fake!"

"Hmph, I'm just afraid you won't dare to go!" The Liu'Er on the right snorted with disdain.

Tiangou stared warily at the two Liu'Er's. He didn't trust either of them now. "You two, walk in front!"

The two Liu'Er's were dozens of feet away from each other. Behind them was Tiangou.

Among the three, Tiangou became the most uncomfortable.

He looked at the Liu'Er on his left and then at the one on his right.

He was afraid that one of them would suddenly attack him.

But he couldn't strike first.

If he attacked wrongly and helped the fake Liu'Er kill the real one, wouldn't the fake one deal with him next?

Tiangou felt terrible.

He knew that one of the two Liu'Er's was fake, but he could only watch helplessly. It made him feel aggrieved.

They were on guard against each other, so they were not very fast.

No one dared to use their full strength to move faster. Otherwise, if they were attacked, who could they reason with?

The two Liu'Er's were on guard against each other. At the same time, they were also on guard against Tiangou suddenly attacking. Tiangou was worried that the fake Liu'Er would suddenly attack.

Under such circumstances, everyone had to reserve their strength.

Originally, a Demon King only needed to travel at full speed to reach Demon King Ao's territory in a day. But the three of them walked for five days before they met Demon King Ao!

When Demon King Ao saw them, he was stunned.

“What the hell are you doing? Where’s Yao Qing?” Demon King Ao’s eyes flickered as he stared at the two Liu’Er’s.

“Demon King Ao!” Tiangou took a step forward and said in a deep voice, “Yao Qing is missing. We suspect that he has been taken away.

“One of these two Liu’Er is fake. He’s very likely the one who took Yao Qing away and secretly harmed Tushan!”

Tiangou stood beside Demon King Ao and heaved a sigh of relief.

Demon King Ao was much stronger than him. With Demon King Ao around, he wasn’t afraid of anything.

“Are you sure?” Demon King Ao narrowed his eyes. The Liu’Er’s were flawless in his eyes. He couldn’t tell which was real and which was fake.

Before Tiangou could speak, one of the Liu’Er’s said loudly, “Demon King Ao, I’m sure he’s that damn human!”

“Bastard, you’re the human! Demon King Ao, beat him to death. If you beat him to death, he’ll reveal his true colors!” the other Liu’Er said angrily.

The two Liu’Er’s looked at each other with intense killing intent.

“Tiangou, what the hell is going on?!” Demon King Ao asked sternly.

“I don’t know either. I only turned away for a while. When I turned back, I saw two Liu’Er’s,” Tiangou said helplessly. “My innate divine ability can’t distinguish their auras either.

“Their looks and auras are identical.”

“What about their cultivation?” Demon King Ao frowned.

“The two of them exchanged a few moves before, and they were almost on par. I didn’t dare let them continue fighting, afraid that the fake one would win against the real one,” Tiangou said.

“Demon King Ao, we don’t know if the real Liu’Er is stronger than the fake Liu’Er. We can’t tell with their cultivation,” Tiangou whispered.

Even they didn’t know much about the strength of Demon Kings. After all, they were all Demon Kings. To put it bluntly, they were all competitors. Who would leak their information to the other party?

There were twelve Demon Kings in the Demon Realm, no, there were thirteen Demon Kings now. Other than the strongest Demon King Ao and the weakest Demon King Hu Li, the other Demon Kings only had a rough understanding of each other’s strength.

Tiangou and Liu’Er were considered familiar with each other, but Tiangou still didn’t know how strong Liu’Er was.

This was also one of the reasons why he didn’t dare let the two Liu’Er’s continue fighting.

He didn’t know who was stronger.

Demon King Ao also had a headache. He was strong, but in this situation, he was helpless.

He couldn't just kill one of the Liu'Er's indiscriminately. What if he killed the real one?

There were only a few Demon Kings in the Demon Realm. Even though Hu Li had disobeyed him, he didn't kill him, and it was even more impossible for him to kill Liu'Er.

If he really dared to kill a Demon King casually, the other Demon Kings would definitely join forces to target him. At that time, even he wouldn't be able to withstand it.

Seeing Demon King Ao silent, Tiangou couldn't help asking, "Demon King Ao, what should we do now?"

### **Chapter 606: Demon Mirror, Ji Lutian (1)**

Demon King Ao glared at Tiangou. *How should I know?*

"Lock him up first. We'll talk about it after we find out who's real and who's fake!" Demon King Ao said coldly.

"Lock them up?" Tiangou frowned. These two Liu'Er's were both Demon Kings.

...

How?

Where could two Demon Kings be imprisoned?

He couldn't possibly watch over them personally.

Not to mention whether a dignified Demon King like him would do such a trivial thing, even if he was willing, he didn't dare.

He wasn't confident that he could suppress two Demon Kings alone.

If anything really happened, he would be in danger.

Demon King Ao rubbed his brows.

*What's going on?*

*First, Hu Li disobeyed me and would rather destroy the Demon King Palace than offer it to me. Just as this matter just passed, two Liu'Er's appeared!*

*Why have these demons been so annoying recently?*

"Liu'Er, I'm going to seal your cultivation..." Demon King Ao said.

"No!" one of the Liu'Er's said loudly. "Demon King Ao, this won't do! How can I protect myself without my cultivation?"

"That's right, Demon King Ao. What if this imposter has some special method or has an accomplice? I will be in danger if you seal my cultivation." The other Liu'Er also refused.

They would listen to Demon King Ao on some small matters, but they would never agree to a matter that concerned their lives. Demon King Ao wasn't their master!

"Since this imposter can impersonate me, who knows if his accomplice can impersonate another Demon King!" one of the Liu'Er's said coldly.

Before he could finish, two figures flashed back dozens of feet in unison.

The ones who moved were the other Liu'Er and Tiangou!

Tiangou was originally standing beside Demon King Ao. Now, he was dozens of feet away from Demon King Ao and the two Liu'Er's, looking extremely vigilant.

Demon King Ao's face darkened. "Tiangou, what do you mean? Do you suspect that I'm fake?"

"No." Tiangou said no, but he was on his guard.

There was a fake Liu'Er. How could he be sure that this Demon King Ao was the real one?

No wonder he hesitated just now. With Demon King Ao's ability, how could he not recognize the real Liu'Er?

Seeing Tiangou's expression, Demon King Ao's face darkened even more. *Your suspicion is written all over your face, yet you're still telling me no? Damn it...*

Suddenly, Demon King Ao was stunned. His eyes lit up as he stared at Tiangou.

There were two Liu'Er's, one real and one fake. There were no flaws.

Then, how could he be sure that the Tiangou in front of him was real?

Demon King Ao was also full of endless doubts.

There were two Demon Kings in front of him. One of them must be fake. No, both of them might even be fake!

Although there was only one Tiangou, it didn't mean that he was real!

Since someone could disguise themselves as Liu'Er flawlessly, it wasn't impossible for someone to disguise themselves as other Demon Kings!

The four Demon Kings all stared at the other three Demon Kings suspiciously.

They stood in a rectangle, several feet apart from each other.

Even Demon King Ao couldn't remain calm.

He was stronger than the other Demon Kings, but he wasn't strong enough to fight one against three.

If the three Demon Kings in front of him were all fake, then Demon King Ao was in danger.

The scene became abnormally strange. Every Demon King suspected the authenticity of the other Demon Kings, but no one dared to take the initiative to attack.

They were all worried that other than them, the other Demon Kings were all fake. Once they fought, wouldn't they have to face the attacks of three Demon Kings of the same level?

Tiangou hesitated for a moment and said solemnly, "Everyone, I have an idea."

"Say it!" Demon King Ao said without hesitation.

"It's undeniable that our enemy has mastered a transformation divine ability. This transformation is flawless. None of us can see any flaws.

"Two Liu'ers, I, and you, Demon King Ao, might be fake now!"

"Nonsense!" Demon King Ao snorted coldly. "I'm definitely telling the truth. It's hard to say for you."

Tiangou didn't argue. He chuckled and continued, "It's impossible for the few of us to tell who's real and who's fake. If even you can't tell, it means that no matter how high the enemy's cultivation is, we might not be able to tell the difference."

"Cut the crap. What solution do you have? Just say it!" Demon King Ao said impatiently. Everything had been going wrong recently. First, there was the matter of Hu Li, and now this happened. He was extremely annoyed.

"Ji Lutian!" Tiangou said a familiar name.

"Ji Lutian?"

The three Demon Kings looked at Tiangou.

"That's right. It's Ji Lutian! There's a mirror in Ji Lutian's hand that can reflect the real body of a demonic beast. As long as we shine it, we can find out who's fake!"

"Good idea!" Demon King Ao clapped his hands. "Let's do it. Let's go now!"

"Wait!" one of the Liu'ers said. "If I remember correctly, we used Yao Qing as bait earlier. Why would Ji Lutian help us now?"

"Besides, who knows if there's anything wrong with Ji Lutian!"

## **Chapter 607: Demon Mirror, Ji Lutian (2)**

Demon King Ao retracted his step.

"Hmph, that Demon Mirror is a divine weapon of the human race. There can be problems with humans, but divine weapons can't be fake." Tiangou snorted coldly. "If Ji Lutian doesn't help us, can't we snatch the Demon Mirror?"

"We have four Demon Kings. Can't we deal with a mere Ji Lutian? Unless someone doesn't dare to use the Demon Mirror!"

...

His body arched slightly, ready to escape at any moment.

If the three Demon Kings opposite him were all fake and heard his attention, he might kill them to silence them. As long as they had the intention to attack, he would use a forbidden technique and immediately escape!

Fortunately, neither Demon King Ao nor the two Liu'Er's had any intention of attacking.

"Okay, let's do that," Demon King Ao said coldly. "Whoever doesn't dare to go is a fake. I will be the first not to let him off!"

"Since no one has any objections, I have no objections either," one of the Liu'Er's said.

"Let's go. When we find out who's fake, I'll definitely cut him into pieces!" The other Liu'Er bared his teeth.

The four Demon Kings stepped forward at the same time, still maintaining a relatively safe distance from each other.

They had just taken a step when the four Demon Kings stopped in unison.

"Do any of you know where Ji Lutian is?"

The four Demon Kings stared at each other. At this moment, they realized that they didn't know where Ji Lutian was.

"Tiangou, you were the one who came up with the idea. Where do you think Ji Lutian is?" Demon King Ao glared at Tiangou.

Tiangou wasn't afraid. He glared back. *I don't even know if you're real or fake. Why are you putting on airs in front of me?*

"You ask me everything. Am I your father?" Tiangou said unhappily, "If we don't know where he is, can't we find him? Is there something wrong with your brain?"

The two Liu'Er's and Demon King Ao widened their eyes and looked at Tiangou in shock.

Impressive. Tiangou was the first demonic beast in the Demon Realm to dare to speak to Demon King Ao like this.

One of the Liu'Er's gave Tiangou a thumbs up.

"Bastard! Tiangou, how dare you speak to me like that?!" Demon King Ao shouted angrily.

"Why wouldn't I dare? It's not even certain if you're real or fake." Tiangou snorted. "If the three of you are all fake, come at me if you can. Let's see if you have the ability to make me stay!"

As Tiangou spoke, he was already in a fleeing posture.

*Pada!*

One of the Liu'Er's applauded. "Impressive, impressive. Tiangou, we've known each other for so long, but you're only acting like a man now.

“We’re all Demon Kings. Don’t put on airs in front of each other. Who knows who might be the fake one!”

“Hmph, I won’t argue with you for the time being. Don’t let me know which of you is fake. Otherwise, hmph!” Demon King Ao forcefully suppressed his urge to attack and glared at the three Demon Kings.

“All of you, get lost. I’m going to use my divine ability Search The World to find Ji Lutian. Try ambushing me if you dare.” Demon King Ao cursed.

Tiangou and the two Liu’Er’s looked at each other and let out a cold snort. They retreated thousands of feet away from each other.

At this moment, a towering aura erupted from Demon King Ao’s body. A long dragon condensed from light flew out from his body and rushed into the clouds, instantly disappearing.

At the same time, a breeze radiated in all directions from Demon King Ao.

Demon King Ao’s eyes were tightly shut. After more than an hour, he suddenly opened his eyes. A light flashed in his eyes, and exhaustion flashed across his face.

“I found him!” Demon King Ao snorted. “Let’s go!”

He soared into the clouds.

The other three followed.

Four hours later, four figures descended from the sky and landed in a beautiful valley.

“Who is it?!”

As soon as the four figures landed, an aura rose into the sky. Then a figure stepped into the air.

“Demon King Ao?”

The figure had just flown close when it suddenly stopped in the air and looked at the figure standing at the front in surprise.

Then she looked to the side. “Tiangou?”

When she saw the next figure, the surprise on Yao Wenxin’s face deepened.

Then the next one, she was even more surprised. “Liu’Er?”

But the first three couldn’t compare to the shock the last one brought her. *Another Liu’Er?*

“Demon King Liu’Er, did you cultivate some cloning divine power?” she couldn’t help asking.

The four Demon Kings rolled their eyes at her.

“Yao Wenxin, where is Ji Lutian? Tell him to come and see me!” Demon King Ao said impolitely.

Yao Wenxin’s expression darkened slightly.

“Hmph, Demon King Ao, don’t put on airs. Are you hoping to anger her so she will destroy the Demon Mirror?” Tiangou said coldly.

“Bastard!” Demon King Ao was furious. *This bastard Tiangou, does he feel uncomfortable if he doesn't go against me?*

Tiangou felt comfortable all over. He felt as if he had unlocked some amazing ability. *We're all Demon Kings. Why are you so unreasonable?*

Good job, Tiangou!

“Yao Wenxin, right? We're here to borrow Ji Lutian's Demon Mirror.” One of the Liu'Ers cupped his hands to Yao Wenxin. “As you can see, there's at least one fake among us.

“We heard that Ji Lutian has a Demon Mirror that can reflect the real looks of demonic beasts. We came here to use the Demon Mirror to find the fakes among us. One, or a few...”

Yao Wenxin's heart skipped a beat. *One of the Liu'Ers is not a clone but an impersonator?*

*Their auras are exactly the same.*

*Is it because my cultivation level is too low to see through their disguises?*

Perhaps. Those who could pretend to be Demon Kings definitely had cultivation levels that were not inferior to Demon Kings. It was normal for a Great Demon like her not to be able to see through them.

*But even Demon King Ao can't see through it?*

*Could this Demon King Ao be fake too?*

Yao Wenxin was shocked by her own thoughts. She subconsciously took a few steps back.

*Who among these four Demon Kings is fake?*

Yao Wenxin was much more meticulous than the Demon Kings. She instantly thought of several questions.

If they came to borrow the Demon Mirror and revealed that one of the four Demon Kings was fake, wouldn't the couple be in danger?

She was only a Great Demon and was far from being a match for a Demon King.

It would be fine if only one of the four Demon Kings was a fake. But if there was more than one...

“Lutian...” Yao Wenxin subconsciously wanted to refuse.

Demon King Ao's expression darkened as he interrupted Yao Wenxin and said coldly, “Hurry up and ask him to come out. We don't have much time to waste!”

“No...” Yao Wenxin gritted his teeth.

“Yao Wenxin, are you trying to say that Ji Lutian isn't here?” One of the Liu'Ers grinned. “Stop stalling. Demon King Ao personally used his divine ability to find you here. Do you think you can stall for time?”

“Ask him to hand over the Demon Mirror. This has nothing to do with you. Leave the Demon Mirror, and you can leave.”

The other Demon Kings frowned, but they said nothing.

Their purpose in coming was for the Demon Mirror. As long as they had the Demon Mirror, nothing else mattered.

Compared to whether Ji Lutian suspected anything, the most important thing now was to find the imposter among the Demon Kings.

As for the rest, they could put them aside for the time being.

“Demon King—” Yao Wenxin wanted to say something, but a figure had already flown out from afar.

The figure was not fast, but the valley was not big. He quickly arrived beside Yao Wenxin.

“Greetings, Demon Kings.” The handsome and elegant man bowed slightly.

Facing the few Demon Kings, Ji Lutian didn’t feel any fear. His expression was indifferent as he looked at the four Demon Kings as if he was looking at four visiting old friends.

### **Chapter 608: Great Minds Think Alike, Demon Kings Are Also Chives (1)**

Ji Lutian had a gentle smile on his face as he bowed to the four Demon Kings.

It had to be said that even though Ji Lutian’s face was weathered and his sideburns were already gray, he was still an out-and-out handsome man.

Especially his calm temperament, it made people feel deeply moved.

...

Even Demon King Ao and Tiangou no longer had their aggressive aura when they saw Ji Lutian.

“Mr. Ji, I’ve heard a lot about you,” Demon King Ao said. “We’ll have to trouble you this time.”

Tiangou said, “After seeing you, I realized that like father, like son. No wonder Yao Qing could guide Hu Li to become a Demon King. When I saw you, I understood everything.”

Ji Lutian smiled slightly and shook his head. “You flatter me.

“I already know why you’re here,” Ji Lutian continued. “You’re late. The Demon Mirror has already been borrowed.”

“Borrowed?” Demon King Ao, Tiangou, and the two Liu’Ers frowned at the same time.

An invisible aura appeared out of thin air, and whirlwinds even spun around them.

Yao Wenxin even felt that it was difficult to breathe, and she subconsciously wanted to stand in front of Ji Lutian.

Ji Lutian held her hand and gently patted the back of it before turning to the Demon Kings.

“If you don’t believe me, feel free to search,” Ji Lutian continued calmly, as if he didn’t sense the auras of the few Demon Kings. “You should know very well who borrowed the Demon Mirror.”

Ji Lutian looked at Demon King Ao. "This person is Wei Wu, a subordinate of Demon King Ao."

His eyes were clear as he looked straight at Demon King Ao with a calm expression.

Tiangou and the two Liu'ers looked at Demon King Ao in unison.

Tiangou had the most intense reaction. With a whoosh, he widened the distance between him and Demon King Ao to hundreds of feet.

The two Liu'ers took a few steps away from Demon King Ao at the same time.

On the other hand, Ji Lutian and Yao Wenxin didn't react.

Demon King Ao's face darkened. "What do you mean? Do you suspect that I deliberately let someone take away the Demon Mirror?"

"Wei Wu is already dead. He died at the hands of the person who harmed Tushan!"

"Hmph, Wei Wu may be dead, but who can guarantee that the real Demon King Ao isn't dead?" Tiangou snorted.

"Bastard! Who can kill me!" Demon King Ao was furious, and his aura soared into the sky. "I'm the number one Demon King in the Demon Realm. Who in the world can kill me?"

"Tiangou, I've tolerated you for a long time. Don't try my patience!" He glared at Tiangou, his eyes brimming with killing intent.

"Did I hit a nerve?" Tiangou wasn't afraid at all and sneered. "If you have the ability, attack me! It's a good opportunity to expose your true appearance! If I can expose your true colors for the Demon Realm, it doesn't matter if I die."

He spoke heroically, but his body tilted slightly. He was clearly prepared to escape at any moment.

The aura between Demon King Ao and Tiangou was about to erupt.

Suddenly, Ji Lutian said, "Demon Kings, please calm down."

"Although I'm not too sure what's going on, if you want the Demon Mirror, the original Demon Mirror was indeed borrowed by Wei Wu, a subordinate of Demon King Ao. But have you forgotten my background?"

"I'll help you forge another Demon Mirror."

Ji Lutian's expression was indifferent, as if he was talking about something ordinary.

"You can forge another Demon Mirror?"

The four Demon Kings looked at Ji Lutian in unison. Even Demon King Ao and Tiangou temporarily let go of their confrontation.

"Of course." Ji Lutian nodded.

"Alright, start now! If you need anything, just tell me!" Demon King Ao said impatiently.

“Demon King Ao, do you really not know, or are you pretending not to know? How can a divine weapon be forged so easily? It’s impossible to succeed without a few months or even a few years.” Tiangou sneered. “During this period of time, you can do many bad things.”

“Tiangou, are you a rabid dog? You keep biting me like a mad dog! When have I ever offended you?!” Demon King Ao shouted angrily. “One of the Liu’Er’s in front of you is the real fake. Why are you staring at me!”

“You’ve never offended me. I’m just making a logical deduction. I have no intention of targeting you,” Tiangou said calmly. “Demon King Ao, you can also suspect me. I definitely won’t be as angry as you. In the current situation, all of us are suspects, including Yao Wenxin and Ji Lutian!”

Seeing the few Demon Kings looking at him, Ji Lutian couldn’t help laughing. “Everyone, do you think there’s any value in pretending to be my wife and me?”

“Alright, you suspect everyone, yet you can’t distinguish who is the fake one. You may not be in a hurry, but I can’t take it anymore,” one of the Liu’Er said. “I’ll go crazy if this continues!”

“If you don’t have any other good ideas, get Ji Lutian to forge a new Demon Mirror!”

The Demon Kings looked at each other and snorted.

Other than this, there didn’t seem to be any better ideas.

## **Chapter 609: Great Minds Think Alike, Demon Kings Are Also Chives (2)**

Tiangou looked at Ji Lutian and asked, “Mr. Ji, let me ask you. How long will it take you to forge another Demon Mirror?”

Ji Lutian was born with a temperament, and even people with far higher cultivation levels were willing to talk to him as an equal.

Even in this atmosphere, Tiangou was still very polite to him. Even Tiangou didn’t feel that anything was wrong.

...

It was as if this was how it should be. Who would be willing to be so coarse when facing someone like Ji Lutian?

Ji Lutian pondered and said, “At least six months. In the words of humans, the Demon Mirror is a connate divine weapon. It’s very difficult to forge a connate divine weapon. Six months is already the fastest I can forge it.”

Demon Kings didn’t know how to forge, so they didn’t react much when they heard the words connate divine weapon.

But one of the four Demon Kings’ hearts skipped a beat. Not every forger knew about connate divine weapons.

When Ji Lutian left the Ten Nations Continent, there shouldn't have been any connate divine weapons.

If the Demon Mirror was a connate divine weapon, why didn't it appear in the Connate Armament Manual?

Of the Liu'Er's, one was naturally Zhou Shu.

Using his divine ability Myriad Transformations to transform into Liu'Er was a last-minute decision.

Unexpectedly, the effect was surprisingly good!

He had never thought that this method could actually make the Demon Kings suspicious of each other.

It had to be said that Tiangou was really a divine assistant.

This was the first time Zhou Shu had seen Ji Lutian with his own eyes. After he saw Ji Lutian, his curiosity didn't decrease but instead increased.

Ji Lutian was even more mysterious than before.

"Six months?" Tiangou, Demon King Ao, and the two Liu'Er's frowned.

Normally, six months wasn't a long time for them. After all, Demon Kings sometimes slept for more than six months.

But six months was too long for their current situation.

At least one of the four Demon Kings was an enemy in disguise. If they didn't find him quickly and there was a six-month delay, who could guarantee that nothing else would happen?

After a moment of silence, Tiangou suddenly said, "I have an idea!"

"Hmph, you have another idea. I suspect that you're the one setting up a trap for us step by step!" Demon King Ao said coldly. He seemed to have unlocked some kind of ability and began to suspect Tiangou in return.

"You're afraid that I'll find a way to expose you, right?" Tiangou said coldly.

Ji Lutian and Yao Wenxin looked at the two of them before looking at the two Liu'Er's.

In this situation, shouldn't the main suspects be these two Liu'Er's?

Why were Tiangou and Demon King Ao fighting instead?

The human and the demon were confused.

"I won't let you stop me!" Tiangou glanced at Demon King Ao and continued, "Mr. Ji, I have a way to let you forge the Demon Mirror in a day."

"Oh?" Ji Lutian looked interested. "Lord Tiangou, do you also know forging techniques? Forging a connate divine weapon in a day is really unheard of."

"Hehe, I know nothing about forging." Tiangou chuckled. "But I know a place. As long as you forge there, you can definitely forge the Demon Mirror in a day!"

“You mean there?” Demon King Ao’s expression froze.

The expressions of the two Liu’Er’s turned solemn.

There was a slight time difference between the two Liu’Er’s changes of expression. However, everyone’s attention was on Tiangou, so no one noticed the slight time difference.

On the other hand, Ji Lutian’s gaze swept across the two Liu’Er’s.

But his gaze didn’t stop at all, so Zhou Shu wasn’t sure if Ji Lutian had noticed his abnormality.

Demon King Ao and Liu’Er seemed to know the place Tiangou talked about, but Zhou Shu didn’t.

When he noticed the change in the expression of the real Liu’Er, he immediately put on a solemn expression.

Although he had disguised himself for some time, this was actually his greatest flaw. Once he encountered something that he didn’t know, he would easily be exposed.

This time, he reacted quickly, and none of the others seemed to notice. He wouldn’t be so lucky next time.

He pricked up his ears and listened to Tiangou continue.

“That’s right, that place!” Tiangou said in a deep voice. “Yuheng Valley!”

“Yuheng Valley is a forbidden area of the Demon Realm. Even a Demon King might not be able to escape unscathed if they enter it!” Demon King Ao said solemnly.

“But you can’t deny that the time inside is indeed different from the outside world.” This time, Tiangou didn’t mock Demon King Ao. “A day outside is a year in the valley. As long as Mr. Ji goes to Yuheng Valley to forge the Demon Mirror, a day is enough for him to forge it.”

“Lord Tiangou, if you want my husband’s life, we will hand our lives over to you!” Yao Wenxin suddenly said, her face full of hatred.

Tiangou shook his head. “Why would I want your lives? If I wanted to kill you, I wouldn’t need to go through so much trouble. Although you, Yao Wenxin, are known as the number one Great Demon in the Demon Realm, you’re no different from an ant in the eyes of us Demon Kings!

“Although Yuheng Valley is a forbidden area of the Demon Realm, it doesn’t mean that you won’t be able to come out after entering.”

Tiangou continued, “Mr. Ji doesn’t need to go deep into the Yuheng Valley. He can just forge at the entrance of the valley. It won’t be too dangerous.

“I entered Yuheng Valley when I was younger. I’m alive and well now, and I’ve even become a Demon King.”

Tiangou looked at Ji Lutian. “Mr. Ji, don’t tell me you don’t even have this bit of courage?”

Ji Lutian was still smiling. His expression didn't change much from beginning to end. The smile on his face was textbook perfect. "I've heard of Yuheng Valley for a long time. I've always wanted to take a look, but I've never had the chance.

"Since there's such an opportunity now, it's naturally best."

"Husband..." Yao Wen said anxiously.

Ji Lutian shook his head slightly and comforted her, "It's okay. Yuheng Valley is not a dangerous place. If I don't go deep into it, I'll be fine."

"Alright!" Tiangou clapped. "Don't worry. If you can forge the Demon Mirror, you will benefit greatly."

"Let's not talk about the benefits first." Ji Lutian smiled and shook his head. "But my lords, I still have to make things clear.

"I can forge the Demon Mirror, but forging the Demon Mirror requires an extraordinary amount of resources. I'm afraid my wife and I won't be able to afford it.

"I still need your help."

Ji Lutian's words made Zhou Shu feel that great minds think alike. Ji Lutian was preparing to cheat these Demon Kings like he had done before.

*I created such a good opportunity for him. It's not too much to split half, right? Zhou Shu's mind raced.*

"That's not a problem. As I said earlier, feel free to tell me what you want."

Before Tiangou could speak, Demon King Ao had already spoken. As he spoke, he glanced at Tiangou and the two Liu'Er's.

*When I identify the real and fake Demon Kings later, the fake ones will get it. Hmph, I am so aggrieved. If I don't teach them a lesson, they won't know who the true number one Demon King of the Demon Realm is!*

With this thought in mind, Demon King Ao wished he could get the Demon Mirror immediately, so he didn't even think about Ji Lutian's request.

"There's no need to go through so much trouble. Tell me what you need, and I'll send them to Yuheng Valley!"

He didn't even need Tiangou and Liu'Er. With his status as Demon King Ao, providing forging materials to forge a Demon Mirror was as easy as flipping his hand!

"In that case, in order to save time, I won't stand on ceremony." Ji Lutian smiled. "What I need is..."

## **Chapter 610: Yuheng Valley, Demon Mirror (1)**

Listening to Ji Lutian's list, Zhou Shu couldn't figure out how these things could be used to forge the Demon Mirror.

From the looks of it, Ji Lutian was indeed hiding something. He was definitely asking for more than what he needed. He had the same thoughts as Zhou Shu and wanted to take the opportunity to get rich.

But Demon King Ao didn't seem to realize that he was being deceived. Instead, he looked excited.

...

"There are no problems with the materials as long as you can forge the Demon Mirror!" Demon King Ao said. "I'll immediately get demonic beasts to send them to Yuheng Valley!"

He looked up, and a light shot into the sky.

Zhou Shu was deep in thought. Demon King Ao's divine ability to send messages was quite interesting.

"Don't worry, my lords. I'm quite confident in forging." Ji Lutian smiled.

As he spoke, a figure appeared in the distance. Who else could it be but Yao Qing?

As soon as Yao Qing appeared, the pupils of Tiangou and Liu'Er suddenly constricted.

Previously, when they were chasing after Yao Qing, he had suddenly disappeared, and then two Liu'Ers had appeared!

Now that Yao Qing was actually here, could he really have been saved by Ji Lutian?

In that case, could Ji Lutian be trusted?

Demon King Ao had clearly thought of this too. Although demonic beasts didn't seem to have high intelligence, they were not fools.

Demon King Ao looked at Ji Lutian and said in a deep voice, "Mr. Ji, how did Yao Qing return?"

"Qing'er?" Ji Lutian looked back at Yao Qing and smiled. "He has been accompanying us in this valley the whole time—"

"The whole time?"

Demon King Ao, Tiangou, and Liu Er looked at each other.

The Yao Qing they had seen before was fake!

This was their first reaction.

"Demon King Ao, Hu Li suddenly broke through to the Demon King realm. Could it..." Tiangou even thought of Hu Li.

Hu Li had always been an inconspicuous Great Demon. It was very strange that he suddenly broke through to the Demon King realm.

If Hu Li was fake, everything would make sense...

Demon King Ao, Tiangou, and the real Liu'Er all felt a chill run down their spines.

The enemy's method was too heaven-defying.

If they could transform into demonic beasts flawlessly, how many fake demonic beasts were there in the Demon Realm?

Were there any credible demonic beasts in the Demon Realm?

They stared at Yao Wenxin and Ji Lutian. Even the two of them might not be real.

“Humans can be fake, but not divine weapons,” Tiangou said. “We have to forge the Demon Mirror now. At that time, we will be able to see through any fake demonic beast!

“As long as we have the Demon Mirror, we can identify the authenticity of demonic beasts!”

Demon King Ao and Liu’Er nodded solemnly.

That’s right. Humans could transform into demonic beasts, but divine weapons couldn’t be faked.

Even if a Demon King didn’t know any forging techniques, they could still identify fake divine weapons.

“Let’s go. We’ll leave now. We can’t delay any longer!” Demon King Ao and Tiangou said.

...

When Zhou Shu heard Tiangou describe Yuheng Valley, he suspected that it was the same as the Zhuling Grotto-Heaven.

Back then, the Zhuling Grotto-Heaven was used as the Ten Nations Martial Arts Tournament battlefield. A day in the outside world was equivalent to a year in the grotto-heaven.

Yuheng Valley also had this time flow. Zhou Shu believed that it had something to do with a grotto-heaven.

When he saw Yuheng Valley, he felt that it was somewhat familiar.

A thought flashed through his mind. He suddenly remembered why this Yuheng Valley looked familiar!

He had really seen it before!

It was not that he had seen a physical valley but a map.

Back then, when Tushan pretended to be Yin Yuzhu and sneaked into the Huaxia Pavilion’s Demon Realm branch, she had used the rat demons as a pledge of allegiance and asked Mi Ziwen to bring back a bronze plate of the Red Water Heaven of Dan Mountain.

Inside the bronze plate was a map of Red Water Heaven of Dan Mountain.

The Yuheng Valley in front of him had once appeared on the map of the Red Water Heaven of Dan Mountain!

Clearly, Yuheng Valley also came from the Red Water Heaven of Dan Mountain. It was a fragment of the Red Water Heaven of Dan Mountain!

No wonder it was as magical as the Zhuling Grotto-Heaven. It was because it was a fragment of a grotto-heaven.

Heavenly Hub Armory, Yuheng Valley...

*Back then, when the Red Water Heaven of Dan Mountain shattered, how many fragments had been left in the Demon Realm?*

*Could it be that the location of Red Water Heaven of Dan Mountain was in the Demon Realm?*

Zhou Shu subconsciously stole a glance at Ji Lutian. From what had happened in the past, it was very likely that Ji Lutian was closely related to the Red Water Heaven of Dan Mountain.

*Then, this Yuheng Valley...*

*Could Ji Lutian have deliberately lured the Demon Kings to Yuheng Valley?*

Thinking of this, Zhou Shu felt that it was very possible!

They had gone to borrow the Demon Mirror from Ji Lutian before coming to Yuheng Valley for no reason. If it was a coincidence, it was too much of a coincidence.

Throughout the entire process, Ji Lutian had never mentioned Yuheng Valley. Everything was proposed by Tiangou himself. From beginning to end, Ji Lutian had only followed his arrangements.

*If he did it on purpose, then his planning ability is really...*

Zhou Shu raised his vigilance to the highest level. He would never underestimate Ji Lutian.
