Chapter 791 Reincarnation Pill, Shi Changsheng's Conspiracy (2)

Bai Qianqian pondered. "My current aura is indeed completely different from before. I've already cut off my realm back then. Now that my aura has changed, theoretically, they shouldn't be able to recognize me."

Her eyes lit up. "Shi Changsheng, you did well this time."

...

Zhou Shu felt a little helpless and continued, "Then, are you considered a human now? Or a demonic beast? Or... a human-demon?"

"Die!" Bai Qianqian gritted her teeth and kicked Zhou Shu.

Zhou Shu easily dodged. After having a body, he could tell that her cultivation was only at the peak of the Earth Immortal realm.

Without using the power of the Demon Realm Ancestral Court, she was no match for him at all.

No wonder Bai Qianqian was so arrogant previously yet didn't dare to really attack. It turned out that her cultivation was only at this level.

After a while, she finally calmed down. She looked confused.

She tentatively circulated her spiritual essence and realized that she was unable to transform into her true demonic beast form.

Physically, she should be considered a human now...

But her divine soul didn't change. She was still the same demonic beast from before.

After thinking for a while, Bai Qianqian shook her head. Who cares? In any case, I have a body now, and my aura is completely different from before. I can go out whenever I want. I can eat whatever I want. What does it matter whether I'm human or demonic beast?

As long as I don't become a heavenly slave, there's no problem!

"Shi Changsheng, since you've helped me a lot, I'll agree to what you said before." Bai Qianqian patted her chest. "If anyone dares to bully you, I'll stand up for you!"

Zhou Shu rolled his eyes at her. With your Earth Immortal realm cultivation, you don't seem very reliable.

"I'll depend on you then." Zhou Shu smiled. "Now, help me deal with the forging materials first."

Bai Qianqian agreed readily.

The human and the demon, or rather, the two humans began a new round of forging.

Although Bai Qianqian looked weak, she was powerful and enjoyed forging. She was really a good helper.

As for Shi Songtao and the others, Zhou Shu released them.

Bai Qianqian was in a good mood and didn't mind that Zhou Shu had brought so many people to the Demon Realm Ancestral Court.

With Bai Qianqian, Shi Songtao, and the others helping with the forging materials, Zhou Shu didn't need to be distracted from it at all. All his thoughts could be on divine weapons.

Boom!

Just as Zhou Shu was immersed in forging and preparing to design a few connate divine weapons, a roar suddenly sounded in the Demon Realm Ancestral Court.

He looked at Bai Qianqian. Her pretty face was full of anger as she looked in a direction.

"Someone barged into the Demon Realm Ancestral Court!" Frost covered her pretty face. Who dares to barge into the Demon Realm Ancestral Court? Do they really think that I, Bai Qianqian, am a pushover?

"Who is it? Is it a heavenly slave?" Zhou Shu frowned. This Demon Realm Ancestral Court was a good place for him to live in seclusion and forge. If someone came to cause trouble, how could he forge in peace?

"Impossible! Whoever it is is dead!" Bai Qianqian gritted her teeth.

As Bai Qianqian spoke, the sky above the Demon Realm Ancestral Court was already filled with lightning. Thunder rumbled, and lightning struck where the sound came.

"Shi Changsheng, I'm here to meet you. Is this how you welcome an old friend?" A voice sounded in the air.

A vortex suddenly appeared above the Demon Realm Ancestral Court. Then a burly figure passed through the lightning and appeared in the Demon Realm Ancestral Court.

Bai Qianqian turned to glare at Zhou Shu. "Shi Changsheng! You bastard! You actually invited him to the Demon Realm Ancestral Court!"

She was furious. She originally thought that he wasn't bad, but now, she wished she could skin him alive!

Zhou Shu was wronged. He really didn't invite him!

Damn Shi Changsheng! Zhou Shu also cursed. He looked like Shi Changsheng now, so he really couldn't say anything.

This was why that bastard Shi Changsheng was waiting here!

Damn it. Shi Changsheng invited him to the Demon Realm Ancestral Court!

The Divine Stones that Shi Changsheng had spoken of were probably with this burly man.

He was unwilling to help Shi Changsheng steal the Divine Stones, so Shi Changsheng had invited this person to the Demon Realm Ancestral Court.

He was forcing Zhou Shu to make a move!

“Miss Bai, the person I asked you to help deal with earlier is him,” Zhou Shu whispered. “How confident are you in suppressing him in the Demon Realm Ancestral Court?”

“Are you kidding me?” Bai Qianqian rolled her eyes angrily. “Suppress him? Do you think I’m the Demon Ancestor?”

“Even if Sister Demon Ancestor were still around, it would be impossible for her to suppress him, okay? Don’t you know who he is?”

Bai Qianqian wished she could cut Zhou Shu into pieces. Had she known that Zhou Shu was talking about him, she would have given up on the Reincarnation Pill!

Zhou Shu really didn’t know.

How would he know who the burly man in the air was?

He wasn’t Shi Changsheng!

But he couldn’t tell Bai Qianqian this. If he did, his secret that he wasn’t Shi Changsheng would be exposed.

“Shi Changsheng, come out!” Zhou Shu wanted to call out the Longevity Sword, but there was no response. The Longevity Sword was in his Cosmic Bangle, and he couldn’t take it out no matter what.

He had clearly decided not to show himself.

Zhou Shu looked at the burly man in the air and rolled his eyes in his heart. This bastard Shi Changsheng can really cause trouble!

Zhou Shu wasn’t afraid. Although it was a little unexpected, fortunately, he had already fooled Bai Qianqian.

In the Demon Realm Ancestral Court, Bai Qianqian was the landlord. They had the geographical advantage, and this burly man didn’t have much of an advantage.

“If you can’t suppress him, then chase him out. I’ll help you!” Zhou Shu said.

“I knew it! You’re a bastard! I was so touched just now!” Bai Qianqian said indignantly.

She knew that Shi Changsheng wouldn’t give her benefits so easily. It was obvious that there was something strange about him suddenly taking out a good thing like the Reincarnation Pill!

I was really stupid. How could I fall for it?! If I believe Shi Changsheng again, I’m a pig! Bai Qianqian thought angrily.

“You can’t hold back. Otherwise, we won’t even be able to kick him out!” Bai Qianqian glared at Zhou Shu coldly.

“Yo, isn’t this Lass Bai?” The burly man in the air looked around and finally saw Bai Qianqian and Zhou Shu.

His voice was so loud that it sounded like thunder in people's ears.

"How did you get together with Shi Changsheng? I was wondering why you insisted on coming to the Demon Realm Ancestral Court to fight.

"So, you hooked up with Lass Bai. Are you planning to attack me as a couple?" the burly man said casually.

"Bullshit! Who's a couple with Shi Changsheng?" Bai Qianqian cursed. This woman was really strange. She said that she was no match for this man, but she wasn't polite at all.

"Look at this old fellow with a full beard and wrinkles. Is he worthy of me?" Bai Qianqian said indignantly. "Wang Xuanyi, the Demon Realm Ancestral Court is not a place for you to be impudent. If you leave now, I can pretend that nothing has happened.

"Otherwise, don't blame me for being impolite! This is different from back then. You don't have the strength you had back then!"

The burly man called Wang Xuanyi by Bai Qianqian laughed. "Is that so? If the Demon Ancestor said this, I would be a little afraid. But with you, Lass Bai, and a half-crippled Shi Changsheng, even if I'm not as good as I was back then, I won't have any problem dealing with the two of you.

"Shi Changsheng, you're definitely not my match now. Are you really going to humiliate yourself? If you obediently admit defeat and surrender, I can still give you some face. Otherwise, don't blame me for not remembering old times!"

Chapter 792 Times Have Changed, The Number Two Expert in the World (1)

"Wang Xuanyi, right?" Zhou Shu looked at the burly man. "I, Shi Changsheng, have never lowered my head in my life. You can't make me surrender!

"Let me tell you. You'd better hand over the Divine Stones obediently. Otherwise, even I will be afraid of myself when I make a move."

...

Bai Qianqian wished she could kick Zhou Shu out. Is Shi Changsheng crazy?

Back then, at his peak, his ranking was below Wang Xuanyi's. Now, everyone's cultivation wasn't comparable to back then. Did he think he could defeat Wang Xuanyi just like that?

If you provoke him like this, he will definitely deal with you!

Bai Qianqian now regretted agreeing to Shi Changsheng.

If she had known that the person she was going to deal with was Wang Xuanyi, she would have told Shi Changsheng to get lost long ago.

This was Wang Xuanyi. Back then, when there were 36 grotto-heavens, he was publicly acknowledged as the number two expert in the world!

Although she didn't know why Wang Xuanyi had awakened early as well, Bai Qianqian was very sure that she and Shi Changsheng were not his match.

Even so, Shi Changsheng still provoked him!

As expected, Wang Xuanyi was so angry that he laughed. He looked at Zhou Shu and said, "Shi Changsheng, I didn't realize that you were so bold in the past. Could it be that you've been sleeping for so many years that you're in a daze?"

"It looks like you won't come to your senses until I help you loosen your bones."

He rubbed his fists and walked toward Zhou Shu.

As he walked, lightning surrounded him, making him look like a lightning god.

Bai Qianqian immediately became nervous. The spiritual qi of heaven and earth in the Demon Realm Ancestral Court surged and gathered on her body. Her aura began to rise steadily as she became vigilant.

Zhou Shu's expression was as calm as ever. He looked at Wang Xuanyi and said, "Wait!"

Wang Xuanyi didn't stop and continued to walk toward him. "What else do you have to say?"

"Wang Xuanyi, times have changed. Is there any point in fighting and killing?" Zhou Shu said. "Even if I stand still and let you beat me to death, what good will it do you?"

"No, beating me to death won't do you any good."

"Who says it won't do me any good? I'll feel comfortable if I beat you to death," Wang Xuanyi said angrily, but he clearly slowed down.

Zhou Shu was speechless. What did Shi Changsheng do to him? He'll feel comfortable if he beats him to death?

"Wang Xuanyi, if you say that, it's meaningless," Zhou Shu said angrily. "What's the point of feeling comfortable if you die? Your impulsiveness makes me think if I made the right decision in getting you to come here. Who knew that the dignified Wang Xuanyi was such a short-sighted person!"

"Shi Changsheng, do you think you can provoke me like that?" Wang Xuanyi said disdainfully. "Your tricks haven't improved at all after so many years!"

"No matter what you say today, I will capture you!"

Wang Xuanyi's eyes flashed, and he suddenly sped up. In the blink of an eye, he arrived in front of Zhou Shu.

His hand was surrounded by lightning, and it was about to land on Zhou Shu.

"Shi Changsheng!" Bai Qianqian shouted. The Tiger Soul Saber flew over from somewhere and landed in her hand. She raised the Tiger Soul Saber and slashed at Wang Xuanyi.

A dragon's roar and a tiger's roar rang out as a dazzling light slashed out.

Bai Qianqian was a seemingly weak woman holding a tiger-headed saber. The scene was a little strange, but the saber beam exuded sharpness.

Wang Xuanyi snorted and punched with his other hand.

Crackle! Crackle!

There was a flash of lightning, and the saber beam shattered. Bai Qianqian took a step back, but Wang Xuanyi didn't even take half a step back.

The difference in strength was obvious in one move.

Crack!

Wang Xuanyi's palm landed on 'Shi Changsheng', and his body shattered like glass, shattering into pieces.

Wang Xuanyi and Bai Qianqian were stunned.

Wang Xuanyi frowned even more. He looked at his palm. He only wanted to capture Shi Changsheng and had never thought of killing him.

Shi Changsheng shouldn't be so weak.

Bai Qianqian couldn't believe it. Although she had scolded Shi Changsheng, Shi Changsheng couldn't die. She had yet to learn all the forging techniques of the Red Water Heaven of Dan Mountain.

Buzz—

There was a soft sound, and hundreds of meters away, there was a flash of light. The figure of 'Shi Changsheng' suddenly appeared there.

Wang Xuanyi frowned even more tightly. It was not strange that Shi Changsheng had escaped from him. What was strange was that Wang Xuanyi didn't notice at all!

"Wang Xuanyi, I, Shi Changsheng, am a man you can't capture." Zhou Shu laughed. "Recognize the reality. This is no longer the past. Fighting and killing can't solve the problem. Wouldn't it be wonderful to sit down and have a chat over tea?"

"Shi Changsheng, do you think you can settle everything with just those fancy things? No matter what you say, strength is still the deciding factor!" Wang Xuanyi said coldly. His aura exploded, and he was about to attack again.

"Wait!" Zhou Shu shouted. "Why don't you understand what I'm trying to say? So what if your cultivation is high?"

"If you attack me again, I'll get angry. Do you believe that I will kill myself in anger?"

Chapter 793 Times Have Changed, The Number Two Expert in the World (2)

Wang Xuanyi: "..."

Bai Qianqian: "..."

...

Threatening others with his life?

Bai Qianqian really wanted to point at Shi Changsheng's nose and ask him: Are you a fool?

But Wang Xuanyi really stopped.

He frowned and said coldly, "Shi Changsheng, you invited me here, but you keep making excuses. Are you a man or not?"

"Wang Xuanyi, you don't have to worry about whether I'm a man or not." Zhou Shu rolled his eyes at him. "I don't think you have the patience to catch up and chat with me, so let's get straight to the point.

"Wang Xuanyi, I'll agree to what you want me to do, but I have a condition."

"Tell me."

"You'll have to wait for me for a while," Zhou Shu said. "Now that the war between the Demon Realm and the human race is imminent, I need to forge some connate divine weapons to increase the strength of the human race. This will take some time."

"Okay." Wang Xuanyi looked at 'Shi Changsheng' in surprise, but he still nodded. "How long do you need?"

"A month is enough." Zhou Shu raised a finger.

The Demon Realm Ancestral Court had the law of time. One day outside was one year inside.

A month was thirty years. Zhou Shu had enough time to forge as many connate divine weapons as he wanted.

"A month..." Wang Xuanyi frowned. After thinking for a moment, he finally nodded and said, "Alright, I'll wait a month for you."

"By the way, are you selling your Divine Stones? Or what should I trade for them?" Zhou Shu looked at Wang Xuanyi.

"Give up." Wang Xuanyi snorted.

"Alright." Zhou Shu shrugged, not minding it. He didn't have any urgent desire for Divine Stones now. To be honest, even if he was given the Divine Stones now, he wouldn't be able to use them for a while.

"Wang Xuanyi, you have to wait for me for a month anyway. Since you have nothing to do, why don't you contribute to the human race?" Zhou Shu sized up Wang Xuanyi. He was definitely the strongest person he had ever met.

Shi Changsheng is really good at causing trouble.

Asking me to steal his Divine Stones? Wouldn't that make me fight Wang Xuanyi to the death?

Fortunately, I didn't act rashly.

Shi Changsheng must not have expected me to agree to Wang Xuanyi's request so readily.

Although Zhou Shu didn't know why Wang Xuanyi was looking for Shi Changsheng, who cared? He just agreed.

In any case, Shi Changsheng was the one who agreed. What did it have to do with Zhou Shu?

Later, he would change his identity. How Wang Xuanyi dealt with Shi Changsheng would have nothing to do with him.

Zhou Shu sealed the Cosmic Bangle layer by layer to prevent the Longevity Sword from suddenly causing trouble.

"What do you mean?" Wang Xuanyi looked at Zhou Shu.

"Look, I'm not forging connate divine weapons for myself now but for the great cause of our human race," Zhou Shu said with a serious expression. "In any case, Wang Xuanyi, you have to wait for me here. Since you have nothing to do, why don't you help me forge?"

"I don't know anything about forging," Wang Xuanyi said.

"It's okay if you don't understand. I can teach you," Zhou Shu said.

"Hmph, if I had forging talent, would I need you to teach me?" Wang Xuanyi said angrily. He had tried forging back then, but he realized that he didn't have the talent at all, so he didn't waste his time.

Otherwise, with his cultivation and status, if he wanted to learn the art of forging, he would have already learned it.

"You don't need talent to do what I'm asking you to do." Zhou Shu shook his head. "I'm not asking you to become a true forger. Just help me deal with the forging materials. As long as you have hands, you can do it. With your cultivation, you can definitely do it very well."

It would be a waste not to use a great expert like Wang Xuanyi!

Shi Changsheng probably didn't expect that not only did Wang Xuanyi not fight him, but he became a powerful helper...

Wang Xuanyi frowned and stared at Zhou Shu. After a long time, he said in a low voice, "Who are you going to give these connate divine weapons?"

"It's hard to say who will be given them to now, but I can guarantee that these connate divine weapons will all be given to human martial artists for free to help them resist the demonic beasts. I, Shi Changsheng, will not keep a single one!" Zhou Shu said righteously.

"Wang Xuanyi, if you're worried, I can give these connate divine weapons to you after they're successfully forged. You can choose the suitable candidates.

"As long as it helps the human race, I have no objections."

Wang Xuanyi looked at Zhou Shu in surprise and pondered for a long time. "Shi Changsheng, I really underestimated you in the past! In that case, it will be a little unreasonable if I don't do anything.

"Tell me. What should I do?"

Seeing that Wang Xuanyi actually agreed, Bai Qianqian's eyes were about to fall to the ground.

This was too unbelievable!

Shi Changsheng actually asked Wang Xuanyi to help him?

Thinking about it this way, it doesn't seem like a big deal for me to help him forge.

Bai Qianqian even felt honored now. Being able to help Shi Changsheng with Wang Xuanyi was an experience that she could brag about.

Zhou Shu was overjoyed. He had brought Shi Songtao and his helpers with him to the Demon Realm Ancestral Court. In addition to Bai Qianqian and Wang Xuanyi, his forging efficiency would definitely increase greatly.

Before the war, I will definitely be able to forge a hundred connate divine weapons!

A hundred connate divine weapons was equivalent to a hundred workers. This was Zhou Shu's small goal.

"Wang Xuanyi, help me deal with this..." Zhou Shu began to teach Wang Xuanyi how to smelt forging materials.

In the Cosmic Bangle, the real Shi Changsheng was still sleeping soundly. He thought that Zhou Shu was fooling around with Bai Qianqian again, but he didn't expect Wang Xuanyi to arrive so soon.

He didn't expect Zhou Shu to agree to all of Wang Xuanyi's conditions so easily despite not even knowing what Wang Xuanyi wanted Shi Changsheng to do.

Although Wang Xuanyi claimed that he didn't have any forging talent, this was in comparison to his Martial Dao talent. It had to be known that Wang Xuanyi was the number two expert in the world back then.

His Martial Dao talent was even above that of the master of the Red Water Heaven of Dan Mountain, who was the number one expert back then. The reason why he was second was that the master of the Red Water Heaven of Dan Mountain had an eighteen-heaven connate divine weapon.

With Wang Xuanyi's arrogance, he only felt that it was impossible for him to have great achievements in the path of forging, so he gave up on learning. In fact, his forging talent was much better than ordinary people's.

At the very least, Zhou Shu only told him once about smelting and processing forging materials, and he immediately got to work.

Of course, this job didn't require much skill to begin with. With a little training, even a Forging Apprentice could do it...

Only Zhou Shu could get the number two expert in the world to do such work.

Wang Xuanyi didn't put on any airs. He did everything seriously. Even when dealing with forging materials, he wasn't perfunctory at all.

After a while, his speed of smelting forging materials even surpassed that of Shi Songtao and the others.

Bai Qianqian's eyelids twitched. If this continues, Wang Xuanyi, this newbie, will be better than me. No, I have to work harder!

Fighting spirit rose in Bai Qianqian's heart as she started to work vigorously.

Seeing this, Zhou Shu smiled slightly. As expected, there had to be competition.

"Then let's do it. Not to mention anything else, let's start with a small goal. A hundred connate divine weapons, let's go!"

Zhou Shu clasped his hands together, and two fire dragons rose between his hands. They rolled up pieces of forging materials and began to forge.

Wang Xuanyi looked at the fire dragons in Zhou Shu's hands in surprise. He was a Martial Dao expert, so he could tell at a glance that this should be a very good Martial Dao technique. When did Shi Changsheng learn this technique?

Chapter 794 Great Harvest, His Identity Exposed (1)

Zhou Shu's Iron Smelting Hands Technique was not the most powerful among the techniques he knew, but it was the most unique.

The name, Iron Smelting Hands Technique, was ordinary, but it was extremely effective for forging.

...

Of course, it was only slightly interesting to Wang Xuanyi.

He only took a few glances before focusing on smelting the forging materials.

Zhou Shu didn't know how high Wang Xuanyi's cultivation was, but he suspected that Wang Xuanyi was very likely an existence at the Grotto-Heaven Master level.

Now, Zhou Shu already knew that there were still some Grotto-Heaven Masters who had lived until now. But they seemed to be in deep sleep, so he had never seen a living Grotto-Heaven Master.

Wang Xuanyi should be the first living person he had seen who seemed to be at the Grotto-Heaven Master realm.

Therefore, while Zhou Shu was forging, he was also secretly observing Wang Xuanyi.

But he didn't discover anything. Wang Xuanyi only processed the forging materials step by step. He was neither fast nor slow, just enough to supply what Zhou Shu needed. He was able to do it easily, even far above Bai Qianqian.

In the end, Zhou Shu didn't waste his time observing. He simply focused all his attention on forging.

As time passed, connate divine weapons gradually took shape under Zhou Shu's hands.

He kept his word and actually handed the connate divine weapons to Wang Xuanyi for him to distribute.

Although Wang Xuanyi was very surprised, he refused. He had already seen Zhou Shu's sincerity. As for asking him to distribute the connate divine weapons, he really didn't have the time.

[The Tai'e Sword you forged effectively completed a kill. You are rewarded with a Divine Stone!]

Suddenly, a message flashed before Zhou Shu's eyes. He was stunned.

Divine Stone?

The Legendary Armament Canon actually rewarded a Divine Stone?

In fact, before this, the Legendary Armament Canon had rewarded physical items, but they were either Dark Cloud Armor or medicinal pills. He would never have thought that the Legendary Armament Canon would reward forging materials, and it even rewarded a Divine Stone right from the start!

The preciousness of Divine Stones was apparent from the attitudes of Shi Changsheng and the others toward them. They were treasures that could only be chanced upon by luck.

If he had known that the Legendary Armament Canon could reward Divine Stones, he wouldn't have let Lu Wenshuang take the risk.

[The Tai'e Sword you forged effectively completed a kill. You are rewarded with an Amethyst Ore!]

While Zhou Shu was thinking, another message flashed before his eyes.

The Tai'e Sword was the first connate divine weapon Zhou Shu had given away at the Treasure Distribution Rock.

If he remembered correctly, the first lucky person should have been called Lian Shanyuan. Did he encounter a large number of enemies?

The rewards for the Tai'e Sword's kills shouldn't be Divine Stones but heaven and earth treasures.

Zhou Shu was a little disappointed. Amethyst Ores were also a rare heaven and earth treasure, but in terms of preciousness, they couldn't compare to Divine Stones.

If the rewards for the Tai'e Sword's kills were Divine Stones, Zhou Shu would laugh out loud even in his dreams. But if they were heaven and earth treasures, the value was greatly reduced.

It was unknown how many times a Divine Stone would appear from the random rewards.

[The Tai'e Sword you forged effectively completed a kill. You are rewarded with a Divine Stone!]

Another message made Zhou Shu overjoyed.

But his surprise was not over yet!

[The Snow-Drinking Rampant Saber you forged effectively completed a kill. You are rewarded with a Reincarnation Pill.]

[The Mountain Crossing Sword you forged effectively completed a kill. You are rewarded with the cultivation technique, the Crossing Sword Art!]

[The Crimson Firmament Sword you forged effectively completed a kill. The Son of Heaven Sword Technique has improved by 30%.]

[The Huben Saber you forged effectively completed a kill. The Eight-Nine Arcane Art has improved by 20%.]

...

A barrage of messages flashed before his eyes. Zhou Shu couldn't help erupting with a powerful aura, and his aura was still rising.

In an instant, his cultivation improved at a visible speed.

Wang Xuanyi's pupils suddenly contracted as he stared fixedly at Zhou Shu.

"You're not Shi Changsheng. Who are you?" Wang Xuanyi's eyes flickered.

Bai Qianqian was confused. She looked at Zhou Shu, then at Wang Xuanyi, then at Zhou Shu. She still didn't understand what was happening.

Zhou Shu sighed, feeling a little helpless. He had never expected this.

It was not yet the time Ji Lutian had agreed with the Demon King. The Demon Realm army shouldn't have begun to attack the human race yet. Why did a wave of kills suddenly come?

But in the messages he had just seen, there were kills caused by the new people who had obtained divine weapons at the Treasure Distribution Rock and kills caused by the Ten Nations Alliance.

The owner of the Crimson Firmament Sword was Yang Hong, and the owner of the Huben Saber was Xiao Jianghe.

The Ten Nations Alliance should be recuperating in Great Xia. Why did they suddenly kill enemies?

The sudden surge of rewards exposed Zhou Shu's identity.

Bai Qianqian was not very smart and might not have discovered it, but what kind of existence was Wang Xuanyi? He was very familiar with Shi Changsheng, so how could he not see through the flaws?

The last time Zhou Shu's cultivation skyrocketed was when his cultivation was low.

Ever since his cultivation increased, there had been very few times when his cultivation soared uncontrollably.

After all, the higher his cultivation was, the more difficult it was to increase it. Generally speaking, the cultivation rewarded by the Legendary Armament Canon was no longer enough to make him feel like his cultivation had soared.

This time, it could only be said that his workers had really gone on a killing spree.

Especially Xiao Jianghe, he had killed so many enemies that Zhou Shu's Eight-Nine Arcane Art had improved tremendously.

Chapter 795 Great Harvest, His Identity Exposed (2)

Countless thoughts flashed through Zhou Shu's mind. He turned to look at Wang Xuanyi and said innocently, "Wang Xuanyi, what are you saying? Have you been sleeping for too long? Who else can I be but Shi Changsheng?"

"I don't know who you are, but you're definitely not Shi Changsheng!" Wang Xuanyi's powerful aura was gradually brewing.

...

He stared at Shi Changsheng doubtfully. Be it in his eyes or perception, the Shi Changsheng in front of him was identical to the Shi Changsheng he knew. But the moment Shi Changsheng's aura fluctuated, he was certain that this person was definitely not the Shi Changsheng he knew!

"Speak! Who are you?! Why are you lying to me?" Wang Xuanyi soared into the air, his aura like a rainbow as he stared at Zhou Shu.

Zhou Shu knew that his identity had been exposed. He shrugged helplessly. "Does it matter who I am?"

"I'm not lying to you about anything. Apart from my identity, everything I said is true.

"I forged these connate divine weapons to give them to human martial artists for free. If I'm lying, I'm willing to die under the heavenly tribulation and be a heavenly slave forever!"

"You're not Shi Changsheng?" Bai Qianqian finally reacted. She glared at Zhou Shu. "Who are you?"

She subconsciously took half a step back, her face embarrassed and angry.

Zhou Shu shrugged. "You can treat me as Shi Changsheng."

"Cut the crap!" Wang Xuanyi snorted. "Are you going to tell us who you are, or do you want me to beat you back to your original form?!"

He took a step forward, and overwhelming pressure assaulted Zhou Shu. The entire Demon Realm Ancestral Court shook violently, as if it couldn't withstand the force of his step.

No wonder Wang Xuanyi could forcefully enter the Demon Realm Ancestral Court previously. This uncontrolled grotto-heaven couldn't withstand the eruption of a Grotto-Heaven Master at all.

"Must it be like this?" Zhou Shu sighed. "Didn't we agree before? Wang Xuanyi, fighting and killing are really meaningless. Moreover, if we really fight, the outcome is hard to say."

"You think you can defeat me?" Wang Xuanyi said coldly.

His expression turned cold, and he was about to attack.

"Bastard, how dare you lie to me! I'll kill you!"

Just as Wang Xuanyi was about to attack, a figure suddenly darted out from beside him.

It was Bai Qianqian who attacked first, charging at Zhou Shu like a thunderstorm.

Zhou Shu seemed caught off guard and was forced back by Bai Qianqian.

Shi Songtao and the other forgers that Zhou Shu had brought had already scattered like birds when Bai Qianqian attacked.

Wang Xuanyi didn't take their actions seriously at all. He only looked at Zhou Shu and frowned. This person's cultivation isn't too high. He hasn't even entered the Grotto-Heaven realm. How did he deceive me and successfully disguise himself as Shi Changsheng?

Seeing Zhou Shu being beaten back by Bai Qianqian, Wang Xuanyi no longer had the desire to attack. There was really no point in bullying a weakling.

Zhou Shu had already retreated hundreds of meters. While dealing with Bai Qianqian's attack, he shouted, "Shi Changsheng, if you don't come out, I'm going to be killed by Wang Xuanyi!"

Wang Xuanyi was slightly stunned. The real Shi Changsheng is here too?

As soon as Zhou Shu finished speaking, a sword beam soared into the sky. The Longevity Sword actually flew out of the Cosmic Bangle on its own accord, and the sword body seemed to tremble excitedly.

Bang!

Just as the Longevity Sword appeared in the air, Bai Qianqian had already struck Zhou Shu's chest.

Zhou Shu was sent flying backward and smashed into a mountain like a cannonball. The mountain rocks collapsed and buried Zhou Shu.

"Go to hell!" Bai Qianqian roared angrily.

The Longevity Sword was stunned in the air. What's going on? Zhou Shu was defeated by Lass Bai?

This doesn't seem right. How could this brat be defeated so easily?

I still want him to hold Wang Xuanyi back, and then I will...

Before Shi Changsheng could finish thinking, he felt Wang Xuanyi's gaze on the Longevity Sword. Shi Changsheng immediately sensed that something was wrong. Oh no!

"Shi Changsheng!" Wang Xuanyi shouted. "So you really merged your body with your weapon! You really did it!"

Buzz—

The Longevity Sword didn't answer at all. It turned into a stream of light and instantly broke through space and disappeared.

"Stop right there!" Wang Xuanyi shouted. He pulled with both hands, and space was torn apart like a rag. Then he chased after him.

The Demon Realm Ancestral Court shook. Bai Qianqian stomped her feet in anger. These people treat the Demon Realm Ancestral Court too casually!

Boom!

A figure shot into the sky from the rubble below.

Zhou Shu appeared beside Bai Qianqian. "Everyone left?"

Bai Qianqian glanced at Zhou Shu and said angrily, "Are you really not Shi Changsheng?"

"Is it important whether I'm Shi Changsheng or not? Miss Bai, your acting skills are really not bad. It's just that this last palm strike was too realistic," Zhou Shu said.

"Hmph, I'm afraid I can't beat you to death!" Bai Qianqian said angrily. "Previously, you told me that if anyone suspected that you weren't Shi Changsheng, y[I should cooperate with you to put on a show. I was really stupid. Why didn't I think of it at the time? You're really not Shi Changsheng!"

Bai Qianqian stared at Zhou Shu. "Tell me. Who are you?!"

If Wang Xuanyi hadn't seen through him, Bai Qianqian wouldn't have suspected his disguise. She knew Shi Changsheng back then. No matter how she looked at it, there were no flaws.

Even though Bai Qianqian was already certain that he was fake, she couldn't find any flaws.

"You really want to know?" Zhou Shu said.

"Nonsense!" Bai Qianqian was furious. "You've ordered me around for so long. Shouldn't I know who you are? At least let me know who tricked me for so long!"

"Alright then." Zhou Shu shrugged, and a white light appeared on his body. Then his appearance began to change. Even his height and body size were changing at a visible speed.

This scene made Bai Qianqian's eyes widen. She was certain that this was definitely not an illusion. This was a real transformation!

How abnormal must his body be to complete such a transformation?

Under Bai Qianqian's shocked gaze, a dashing middle-aged man appeared in front of her.

The man in front of her was handsome and graceful. If she hadn't witnessed his change with her own eyes, she would never have associated him with Shi Changsheng.

He and Shi Changsheng looked completely different!

While Bai Qianqian looked at him, the expression on her face changed from surprise to anger.

"Bastard, do you think I'm a fool?" Bai Qianqian said angrily. "Do you think I don't know Ji Lutian?"

"You're definitely not Ji Lutian! How dare you lie to me! I'm going to fight you to the death!"

Bai Qianqian clenched her fists, looking like she wanted to pounce on Zhou Shu and bite him.

Zhou Shu was also a little embarrassed. Bai Qianqian knows Ji Lutian?

Moreover, it sounds like she's very familiar with him.

"Misunderstanding, it's a misunderstanding," Zhou Shu said embarrassedly. "I've just learned my transformation divine ability, and I'm not too familiar with it yet, so I got it wrong."

White light appeared on his body again, and his appearance changed again. This time, he became a young man in high spirits.

“Is this your true appearance?” Bai Qianqian sized up the young man in front of her. “You’re not lying to me again, are you?”

“Of course not. This is my true appearance,” Zhou Shu said seriously.

“Okay, what’s your name?”

“Sun Gongping,” Zhou Shu said seriously. As an existence with countless identities, even if he lost one, he definitely couldn’t easily reveal his true identity. How could Zhou Shu let Bai Qianqian see his true appearance?

Chapter 796 Running Faster Than Rabbits (1)

Achoo—

Sun Gongping sneezed a few times and rubbed his sore nose. Who’s scolding me?

...

Ever since he met Zhou Shu again at the Treasure Distribution Rock, Sun Gongping had left the ownerless land in Great Wei and returned to Great Xia.

The sudden appearance of the grotto-heavens rendered Zhou Shu’s previous plans useless, so Sun Gongping’s and Lu Wenshuang’s missions were naturally canceled.

Lu Wenshuang went to the Demon Realm, while Sun Gongping returned to meet Meng Bai, Mi Ziwen, and the others.

“Say, Uncle, it’s my turn next time, right? I’ve been idle all day, and my bones are about to rust.” Sun Gongping rubbed his nose and grabbed Mi Ziwen’s arm.

“There will be a chance,” Mi Ziwen said.

Previously, Great Xia had sent Xiao Jianghe, Yang Hong, and the others to the front line not to fight but to gather information and observe the situation.

As for them, they were still making preparations.

“Sun Gongping, if you have nothing to do, I’ll give you a mission,” Mi Ziwen continued.

“What mission?” Sun Gongping said indifferently.

“Go find someone,” Mi Ziwen said. “Sun Chuang, the sect master of the Demon God Sect, is lost in the Demon Realm. Do you dare to go look for him?”

“Sun Chuang? He didn’t come back?” Sun Gongping was puzzled. “What’s wrong with Old Zhou? Why didn’t he get him back?”

“Sun Gongping, Second Brother is strong, but he’s just one person after all. We can’t push everything on him. Otherwise, what’s the use of us?” Mi Ziwen’s face darkened. “Don’t trouble him with problems that we can solve ourselves.

“If you don’t dare to go, I’ll look for someone else.”

“I don’t dare?” Sun Gongping’s eyes widened angrily. “Uncle, you underestimate me too much. I’ll leave now. I’ll definitely bring Sun Chuang back!”

“Be careful. Don’t be rash. Give up if things don’t work out,” Mi Ziwen instructed.

Sun Gongping waved his hand impatiently and stood up.

...

In the Demon Realm Ancestral Court, Bai Qianqian looked at ‘Sun Gongping’ in front of her with suspicion. “Are you sure this is you?”

“Of course,” Zhou Shu said seriously. “I, Sun Gongping, have always done things upright and openly.

“Upright and openly?” Bai Qianqian pursed her lips in disdain. She still had some doubts, but she had no evidence.

“Thanks to you, this Demon Realm Ancestral Court is almost full of holes. Now, anyone can come. It’s no longer safe here. I’m leaving.”

“Where are you going?” Zhou Shu asked.

“Anywhere. Any place is fine as long as no one can find me,” Bai Qianqian said. “I have a body again. As long as I find a place to hide, no one can find me.”

“Aren’t you being too passive?” Zhou Shu said. “Although I don’t know what you’re hiding from, I know that hiding won’t solve the problem.”

“You don’t understand.” Bai Qianqian shook her head. “Look, Wang Xuanyi and Shi Changsheng are so strong, but aren’t they also hiding?”

“I’m not talking to you anymore. I have to leave quickly. If Wang Xuanyi comes back, I might not be able to leave even if I want to.”

Without giving Zhou Shu a chance to speak, Bai Qianqian opened the passageway in the Demon Realm Ancestral Court and flew out with a whoosh.

Following closely behind was the Tiger Soul Saber.

Zhou Shu: “...”

Are you leaving just like that? At the very least, leave the Tiger Soul Saber behind before you leave.

If you take the Tiger Soul Saber away, what will happen to my things?

Zhou Shu felt a little helpless. He could tell that Bai Qianqian was clearly avoiding him. Otherwise, she wouldn’t have run away so quickly.

After Bai Qianqian left, the empty Demon Realm Ancestral Court looked lifeless.

Unfortunately, now that she's left, no one can control the law of time of the Demon Realm Ancestral Court, and the time acceleration no longer exists.

Zhou Shu shook his head with a bitter smile. Bai Qianqian's sudden move caught him off guard.

Fortunately, he had already forged some connate divine weapons. Otherwise, he would have suffered a double loss this time.

I wonder if Wang Xuanyi managed to catch Shi Changsheng.

Zhou Shu thought that it was unlikely.

Shi Changsheng was as sly as a fox. Zhou Shu had known him for so long, and he still felt that his body was shrouded in a layer of fog. In comparison, although Wang Xuanyi was stronger, Zhou Shu felt that he was simpler.

Wang Xuanyi would probably not be able to catch Shi Changsheng. He might even be schemed against by Shi Changsheng again.

Zhou Shu thought of something else. But Bai Qianqian actually knows Ji Lutian. What is Ji Lutian's background?

When he changed his disguise just now, he had wanted to become Ji Lutian to fool Bai Qianqian, but Bai Qianqian exposed him easily.

Bai Qianqian had been hiding in the Demon Realm Ancestral Court for thousands of years.

Logically speaking, Ji Lutian shouldn't have had the chance to enter the Demon Realm Ancestral Court. How did Bai Qianqian know him?

Is Ji Lutian also an existence from their era? Then, why did Shi Changsheng never say it?

Ji Lutian's identity was also a mystery.

Just as Zhou Shu was thinking, a weak voice came from afar. "Pavilion Master."

It was Shi Songtao.

As soon as the fighting started, Shi Songtao and the others had followed Zhou Shu's instructions and quickly ran away.

They didn't dare to come back until the commotion of the battle had vanished.

Chapter 797 Running Faster Than Rabbits (2)

"Pavilion Master, have you dealt with the enemies?"

Seeing Zhou Shu nod, Shi Songtao heaved a sigh of relief and ran to Zhou Shu's side.

...

Shi Songtao was already used to Zhou Shu's transformations.

“I can’t solve it.” Zhou Shu shook his head. “Pack up. We need to move again.”

Zhou Shu sighed. He was determined to forge a grotto-heaven divine weapon later!

The Tiger Soul Saber had been taken away by Bai Qianqian, and the Demon Realm Ancestral Court had become a place he couldn’t stay for long. Moving his forging materials became another problem.

The space in Cosmic Bangles was too small to store much. If not for Shi Songtao and the others, Zhou Shu would have had a headache about how to take away the forging materials.

“Move? Isn’t this a good place? The enemy is gone. We can stay here,” Shi Songtao said shamelessly.

“We can’t stay here.” Zhou Shu shook his head.

The Demon Realm Ancestral Court had been stirred up by Wang Xuanyi and was no longer hidden. Even Bai Qianqian had given up on this place. How could they occupy it now?

If the Demon Realm army attacked later, would they forgers be able to stop them?

Zhou Shu felt that it was a pity to give up on such a good forging place.

Shi Songtao nodded. Since Zhou Shu said that they couldn’t occupy this place, then they definitely couldn’t. He trusted Zhou Shu unconditionally.

“Then, are we going back to Great Xia now?”

“Unfortunately, we can’t go back to Great Xia now either,” Zhou Shu said helplessly.

Previously, he had used the world in the Tiger Soul Saber to bring Shi Songtao and the others over.

Now that the Tiger Soul Saber was gone, Zhou Shu wasn’t a Grotto-Heaven realm expert, and Shi Songtao and the others didn’t have a single combatant, Zhou Shu wasn’t confident that he could lead more than ten non-combatant forgers back to the Ten Nations Continent from the Demon Realm.

“What do you mean?” Shi Songtao was only surprised for a moment and didn’t have any other reaction.

Forgers like them had experienced countless battles with the Ten Nations Alliance back then. Weren’t they just trapped in the Demon Realm?

It wasn’t like they hadn’t been trapped before.

It was no big deal.

“Pavilion Master, where are we going now?” Shi Songtao asked. There was only one principle—following in the footsteps of the pavilion master. This would definitely be right.

“The Two Region Mountain,” Zhou Shu said seriously.

...

The Two Region Mountain was a connate divine weapon. Before it was activated, it was an ordinary mountain.

The place where the Demon King of the Demon Realm had torn a gap in the barrier between the two worlds was where the Two Region Mountain was.

The place where the Two Region Mountain was originally located was where the barrier between the two worlds was relatively weak.

Later, when the barrier was torn open, Ji Lutian and the Demon King had fought. No humans and demonic beasts seemed to have cared where the Two Region Mountain had actually gone.

Zhou Shu didn't pay much attention to it at the time either. But after thinking about it, he felt that it was very likely that the Two Region Mountain had been taken away by someone. No, it should have been taken away by a demonic beast.

Yao Buqi, the demonic beast that the Two Region Mountain had acknowledged as its master, had never appeared on the battlefield.

Now that he couldn't stay in the Demon Realm Ancestral Court anymore, and he couldn't bring Shi Songtao and the others back to the Ten Nations Continent for the time being, then he could cooperate with Yao Buqi.

Not long after Zhou Shu, Shi Songtao, and the other forgers left the Demon Realm Ancestral Court, a few powerful auras descended from the sky.

If they had left a moment later, they might have been trapped inside.

...

"Silence!"

Somewhere in the Demon Realm, Zhou Shu pressed his palm down, indicating for everyone to be quiet.

Everyone restrained their auras and became a little nervous.

The current Demon Realm was even more dangerous than before.

And their strength was far inferior to when they were trapped in the Demon Realm the last time.

At the time, they had at least 30,000 troops. Now, there were only a dozen or so forgers.

In the distance, a group of demonic beast soldiers passed by. Only when they were far away did everyone heave a sigh of relief.

"Pavilion Master, what's wrong with those demonic beasts?" Shi Songtao asked softly.

Zhou Shu shook his head and didn't say anything else.

His expression was incomparably solemn. According to the information he had obtained from Bai Qianqian and Shi Changsheng, the demonic beasts of the Demon Realm were all controlled by Heaven. Now that Heaven was gradually awakening, the heavenly slaves were patrolling, which was why the demonic beasts had become like this.

Along the way, all the demonic beasts they encountered were like walking corpses, completely devoid of self-awareness.

Once, Zhou Shu saw Tiangou from afar. Tiangou still retained his consciousness, but he looked much more violent than before.

In order to avoid attracting attention, Zhou Shu stayed far away and didn't get into a conflict with them.

Demon Kings can still have their own consciousness. Demonic beasts below the Demon King realm seem to have already become puppets.

Zhou Shu frowned while pondering. An army of demonic beasts that had completely become puppets and were unafraid of death and unaware of pain, how terrifying was this?

It was no wonder the grotto-heavens were so nervous about the invasion of the Demon Realm army even with their strength.

Compared to the demonic beasts that had lost their consciousness, the invasion of the Demon Realm army in the past was like a game. It wasn't worth the grotto-heavens taking action at all.

Yao Buqi's cultivation isn't high. Could he have become a puppet and lost his consciousness? That would be troublesome, Zhou Shu thought.

"Pavilion Master?" Shi Songtao called out in a low voice, waking Zhou Shu up from his thoughts.

Shi Songtao pointed ahead and whispered, "Over there."

Following Shi Songtao's finger, Zhou Shu looked forward and saw a mountain moving furtively in the distance.

That's right. This mountain gave off a sneaky feeling.

At first, Zhou Shu thought that he had seen it wrongly. After staring at it for a long time, he indeed discovered that it was slowly moving.

Zhou Shu smiled. He knew that Yao Buqi wouldn't die so easily.

"It looks like we have a place to stay." Zhou Shu said.

Not long after, Zhou Shu led everyone to the front of the sneaky mountain.

The mountain was the Two Region Mountain, but it seemed to be much shorter than before. Connate divine weapons had the ability to change size, so it wasn't strange.

"Yao Buqi, an old friend is visiting. How long are you going to hide?" Zhou Shu said.

"King Zhou! Can you lower your voice?!" Yao Buqi's voice came from the Two Region Mountain. Then he appeared halfway up the mountain and waved at Zhou Shu. "Hurry up and come in! If you alarm the other demonic beasts, we'll all die!"

Yao Buqi looked nervous.

Zhou Shu smiled lightly and led Shi Songtao and the others onto the mountain.

As soon as they stepped onto the Two Region Mountain, they felt a faint light rise from it and envelop the entire mountain.

From the outside, the entire mountain looked ordinary.

“Yao Buqi, long time no see.” Zhou Shu could sense that the Two Region Mountain was similar to a grotto-heaven, completely isolating the aura inside and outside. It was very interesting.

“King Zhou, why are you still in the Demon Realm? Haven’t you already fought your way back to the human world?” Yao Buqi frowned, not at all happy to meet an old friend.

“Can’t I come back here after going back?” Zhou Shu said casually. “Yao Buqi, you’re the Holy Son of the Demon Realm. What are you doing so sneakily?”

“Don’t mention the Holy Son of the Demon Realm!” Yao Buqi sighed. “There’s no Demon Realm now. Do you know that those demonic beasts have all gone crazy?!”

“Oh?”

“If I hadn’t stayed on Two Region Mountain, I would probably have become like them and gone crazy! All they know is blood and slaughter. They’re no different from wild beasts!”

Yao Buqi said expectantly, “King Zhou, if I want to join you humans, will you accept me? Although my cultivation isn’t high, it’s not too bad, right? I can even mine!”

Chapter 798 Where Is Your Integrity (1)

Zhou Shu looked at Yao Buqi in surprise.

He had long known that Yao Buqi had no integrity. If Yao Buqi was really a demonic beast with strong moral integrity, Zhou Shu really wouldn’t be able to cooperate with him much.

...

But he was surprised that Yao Buqi would say such things the moment they met.

“You want to join the human race?” Zhou Shu looked at Yao Buqi.

“Not join the human race but join you, King Zhou,” Yao Buqi said seriously. “I can help you mine. I have experience in this. I can definitely do it well!”

“Are you serious?” Zhou Shu was speechless.

“Of course I’m serious!” Yao Buqi said solemnly. “I can’t stay in the Demon Realm anymore. King Zhou, you don’t know this, but I’m going crazy now.

“I don’t dare leave the Two Region Mountain at all. As soon as I leave it, a voice fills my head. This voice will reduce me to a beast that only knows how to kill.

“I don’t want that to happen.”

“After thinking about it, I can’t stay in the Demon Realm anymore. I have to go to the human world. But the demonic beasts in the Demon Realm are all crazy now, and they will definitely invade the human world. Therefore, the human world isn’t safe either...”

“In that case, why do you want to join me? I’m going back to the human world too,” Zhou Shu said.

“After I’ve thought about it, the human world and the Demon Realm are no longer safe. Only you, King Zhou, are safe. I was wondering where to find you, but you came to me yourself. That’s great!” Yao Buqi said excitedly.

“King Zhou, look, I’ve done many things for you in the past. Just accept me. I don’t want any benefits. It’s fine as long as I have something to eat!”

Yao Buqi bowed and almost knelt down to Zhou Shu.

If Zhou Shu asked him to kneel, Yao Buqi would probably not hesitate at all.

Zhou Shu looked at Yao Buqi and was really speechless.

Yao Buqi had almost become the Holy Son of the Demon Realm back then. If not for the awakening of the heavenly slaves, he would probably be the true Holy Son of the Demon Realm now.

Zhou Shu wondered what other demonic beasts would think if they heard this.

But then again, although Yao Buqi was much stronger than the first time Zhou Shu had seen him, he had only just broken through to the Great Demon realm.

The Great Demon realm was equivalent to the Earth Immortal realm of the human race. The younger generation of the grotto-heavens was at this cultivation level. The outstanding young people like Zheng Yongtai and Tang Tang were all at the peak of the Earth Immortal realm.

In comparison, Yao Buqi’s cultivation was indeed a little ordinary on the battlefield.

Although he wouldn’t be treated as cannon fodder, the chances of him dying in battle were extremely high.

“Yao Buqi, let me ask you. How many demonic beasts in the Demon Realm can stay conscious like you?” Zhou Shu pondered.

“How would I know?” Yao Buqi said. “I don’t even dare to leave the Two Region Mountain now. As long as I dare to leave this place, I will immediately become like those demonic beasts and not even know who I am.”

“I don’t think many can stay conscious. Anyway, when I peeked out from the Two Region Mountain, I didn’t see anyone who was still conscious.”

Zhou Shu frowned slightly. He sized up Yao Buqi and said, “Yao Buqi, even if I accept you, it’s useless. Whether it’s in the Demon Realm or the human world, as long as you leave the protection of the Two Region Mountain, you will go crazy. This is decided by the bloodline of demonic beasts. There’s nothing I can do.”

“Bloodline of demonic beasts? But why were we fine in the past?” Yao Buqi was puzzled.

Zhou Shu shrugged. Heaven didn’t wake up in the past.

“By the way, wasn’t Sun Chuang with you? Where is he?” Zhou Shu asked casually,

“He escaped in the chaos. I don’t know where he went. I was too busy taking care of myself,” Yao Buqi said dejectedly. If even King Zhou can’t do anything, who can I rely on?

Am I going to be trapped on the Two Region Mountain for the rest of my life?

On the Two Region Mountain, he didn’t have to worry about food and drink for the time being, but there wasn’t even a female demonic beast. How could he survive?

Yao Buqi frowned and sighed. “King Zhou, how did everything become like this?”

“How should I know?” Zhou Shu said. If he had to say something, the evil people brought on themselves was the hardest to bear.

If not for the fact that Grotto-Heaven realm experts stole from heaven and earth, the heavenly slaves wouldn’t have appeared. Without the heavenly slaves, the demonic beasts wouldn’t have gone crazy.

But then again, without the threat of Grotto-Heaven realm experts to Heaven, there might not even be demonic beasts in this world.

According to Shi Changsheng, demonic beasts were used by Heaven to destroy humans.

Actually, Zhou Shu didn’t believe this. If Heaven really wanted to destroy the human race, why didn’t Heaven attack them directly?

If Heaven really had a consciousness, any natural disaster could wipe out most humans.

Shi Changsheng seemed to be telling the truth then, but what he told Zhou Shu might not be true.

Without becoming Grotto-Heaven realm experts, people probably wouldn’t be able to come into contact with the truth. But if they became Grotto-Heaven realm experts, they would be in danger of becoming heavenly slaves. It had always been difficult for Zhou Shu to make a decision.

“Yao Buqi, I have an idea if you want to escape losing your consciousness,” Zhou Shu said.

Chapter 799 Where Is Your Integrity? (2)

“What idea? King Zhou, please tell me. I’ll do anything you ask!” Yao Buqi said impatiently. After being trapped on the Two Region Mountain for so long, he was about to go crazy. If this continued, he would either walk out of the Two Region Mountain uncontrollably and go crazy or go crazy from holding himself in.

Neither outcome was what he wanted.

...

“Kill yourself...” Zhou Shu raised his palm and made a throat-cutting gesture on his neck.

“Huh?!” The expression on Yao Buqi’s face froze.

Isn’t that obvious? If I’m dead, I won’t go crazy.

But if I die, there will be nothing left!

The problem is, if I wanted to die, I could just go down the mountain...

“I have a way to reconstruct the body of the divine soul.” Zhou Shu said. “You’ve already broken through to the Great Demon realm. Your divine soul is much more condensed than that of a first-rank demonic beast. If you commit suicide, there’s a chance that your divine soul will be left behind...”

If one wanted their divine soul to leave their body, they had to at least have a Grotto-Heaven realm cultivation, and a Grotto-Heaven realm cultivation was equivalent to being a Demon King.

If a Great Demon died, there was a 99% chance that their divine soul would dissipate.

But this wasn’t absolute. A one percent possibility was still a possibility.

The problem was whether Yao Buqi dared to take this risk. If he really dared, Zhou Shu really didn’t mind giving him a Reincarnation Pill.

“Forget it.” Yao Buqi shook his head firmly. “I don’t like to gamble with my life. If I can live, why should I die?”

“If I have no choice. I can make do on the Two Region Mountain...”

Zhou Shu looked at him disdainfully. “Is it okay for us to stay here for a while? In exchange, if you want to eat or drink anything, I’ll go out and get it for you.”

“In that case...” Yao Buqi’s eyes lit up. He looked at Zhou Shu and hesitated.

“If you have something to say, say it!” Zhou Shu said angrily.

“King Zhou, can you help me save a few demonic beasts?” Yao Buqi said weakly.

Zhou Shu: “...”

“What are you trying to do?”

“Nothing. I’m not alone. Don’t you humans value your family very much? I want to learn from you. I have a few concubines...”

Zhou Shu was really full of admiration for Yao Buqi. This fellow was trapped on Two Region Mountain, and he didn’t know what his future would hold, yet he was still thinking about concubines!

But then again, if he wasn’t such a demonic beast, he probably wouldn’t have lasted until today. A greedy and lecherous demonic beast was a good demonic beast.

“Alright. If I see them, I’ll bring them over for you,” Zhou Shu said. “But are you sure they can regain their consciousness after coming to the Two Region Mountain?”

The demonic beasts of the Demon Realm had all gone crazy. Even if they reached the Two Region Mountain, they might not be able to return to normal.

“It’s not important. I’ll just lock them up!” Yao Buqi said indifferently.

Zhou Shu: “...”

It’s not that Yao Buqi has a big heart. He’s really black-hearted.

But thinking about it, Zhou Shu realized that Yao Buqi was a demonic beast, not a human. In his heart, there was no such thing as human morality.

Zhou Shu couldn't be bothered to say anything to him. He found a place on the Two Region Mountain and let Shi Songtao and the others set up camp.

The Two Region Mountain could isolate itself from the world outside. Here, under normal circumstances, there was no need to worry about being discovered by other demonic beasts, and they could forge weapons in peace.

The only troublesome thing was that after forging a connate divine weapon, it would summon a heavenly tribulation.

It was fine when they were at the Demon Realm Ancestral Court, but this Two Region Mountain was not a separate world after all, and it couldn't isolate heavenly tribulation.

At that time, it would definitely cause a huge commotion.

After asking Shi Songtao and the others to start processing the forging materials, Zhou Shu asked Yao Buqi, "Yao Buqi, can you control the movement of the Two Region Mountain?"

"Yes, but I don't dare to make too much noise," Yao Buqi said. "Those demonic beasts have gone crazy, and they won't even let their own kind off."

Yao Buqi said proudly, "Otherwise, I could even get the Two Region Mountain to fly into the sky."

He had never thought that the Two Region Mountain he had accidentally obtained would become the greatest trump card in his life.

"There's no need to fly." Zhou Shu shook his head. "Try to control the Two Region Mountain and go to this place."

Zhou Shu used his toes to draw a simple map on the ground and then pointed at a place.

"Here?" Yao Buqi looked at the map on the ground carefully and thought for a moment. "This seems to be Demon King Ao's territory, right?"

"It doesn't matter whose territory it is. Go here," Zhou Shu said.

Yao Buqi: "..."

I'm the owner of Two Region Mountain.

Aren't you occupying my nest? I wanted to join you just now, but you didn't agree.

But after he thought about it, Zhou Shu might really be his hope for survival in the future, so he couldn't afford to offend him.

"King Zhou, there might be many Demon Kings there now. If we go over, won't we be walking right into a trap?"

At some point, Yao Buqi had actually treated all the demonic beasts as enemies.

“You don’t have to worry so much. I promise you’ll be fine,” Zhou Shu said calmly.

Yao Buqi thought for a moment and finally nodded. “Alright then. But King Zhou, I can’t be fast.”

“It’s fine. Do as you see fit,” Zhou Shu said. “We’ll do it however we can. As long as we can get there within a month, it’s fine.”

“A month?” Yao Buqi calculated in his heart. In the past, this distance wouldn’t have taken a month.

But now, he would be lucky if he could move a few kilometers a day. If he made too much noise, he might get exposed.

At this speed, it was impossible for them to reach the place in a month.

“If anything happens, I’ll take care of it. Just focus on moving the Two Region Mountain.” Zhou Shu could see Yao Buqi’s hesitation.

Yao Buqi gritted his teeth. “Alright, I’ll go along with your crazy idea.”

Zhou Shu rolled his eyes. Is this considered a crazy idea? Yao Buqi is really getting more and more timid.

With the Two Region Mountain as a means of transportation, Zhou Shu, Shi Songtao, and the other forgers of the Huaxia Pavilion could focus on forging without considering anything else.

...

In an unknown space, the Longevity Sword shuttled out. The sword swayed as if it was drunk.

After a while, a person’s disdainful voice seemed to come from the sword. “You want to catch up to me? Go to hell. Damn it. I was almost pecked in the eye by a wild goose. Brat Zhou, we’re not done yet! And Wang Xuanyi, just you wait. Those Divine Stones will be mine sooner or later!”

...

In another place, Wang Xuanyi stopped, his expression ugly. “Bastard Shi Changsheng, you’re still so fast!”

Wang Xuanyi snorted. “You can run, but you can’t hide. That kid in the Demon Realm Ancestral Court must have a lot to do with you. Otherwise, he wouldn’t have disguised himself as you.

“As long as I capture him, I’m not afraid that you won’t come to me yourself.”

Wang Xuanyi disappeared in a flash.

The next moment, he appeared at the Demon Realm’s Demon Realm Ancestral Court, completely unconcerned about the existence of Demon Kings.

With a wave of his sword finger, he tore open a crack in the Demon Realm Ancestral Court’s barrier and then stepped in.

His divine sense instantly swept across the Demon Realm Ancestral Court, and he frowned.

He’s gone?

You reacted fast enough, but did you think you could escape from me just like that?

Wang Xuanyi snorted coldly. He casually tore open another crack in the Demon Realm Ancestral Court's barrier and returned to the Demon Realm.

He closed his eyes, and a profound aura rose from his body. A moment later, he suddenly opened his eyes, and they flashed.

The next moment, he moved like lightning in a direction.

This direction was where Zhou Shu had left with Shi Songtao and the other Huaxia Pavilion forgers.

Wang Xuanyi was extremely fast and didn't seem to restrain himself at all. A long rainbow streaked across the sky.

Boom!

His aura soared into the sky. Some demonic beasts were alarmed by the commotion Wang Xuanyi caused and rushed into the sky, wanting to stop him.

Chapter 800 In the Dao of Forging, I Can Do Whatever He Can Do (1)

Boom!

Wang Xuanyi pressed forward. The demonic beasts that appeared in front of him were completely unable to resist. They directly turned into piles of flesh and blood and fell to the ground.

...

Wang Xuanyi let out a long laugh. "Those who block me will die!"

"Bastard!" A shout sounded in the distance.

A powerful aura rushed over from afar at an unbelievable speed.

"Wang Xuanyi, don't behave atrociously!" The individual who came was someone who knew Wang Xuanyi.

"So what if I behave atrociously?" Wang Xuanyi said disdainfully. "If your master had completely woken up, I would give in. But what can you do to me now?"

Wang Xuanyi's figure was flamboyant, and he didn't take this person seriously at all.

"You're courting death!" The individual's eyes were brimming with killing intent, and his aura connected to heaven and earth. For dozens of kilometers, the weather changed.

Wang Xuanyi's expression didn't change. "I'm tired of living. Kill me if you can. If you don't have the guts, get lost! If you block my path, I'll kill you first!"

A long sword suddenly appeared in front of Wang Xuanyi, and sword qi soared into the sky.

Just as the situation was about to erupt, a voice suddenly sounded in the air. "Let him pass."

“Wang Xuanyi, only this time. Don’t do it again.” The voice was like thunder. “If you start another dispute, we don’t mind killing you first!”

Wang Xuanyi curled his lips in disdain, not taking the voice to heart at all. He stepped forward. The powerful demonic beast blocking him was a little unwilling, but he still moved aside.

Zhou Shu happened to see this commotion on the distant Two Region Mountain.

He had a bad feeling. Wang Xuanyi seemed to be stronger than he had imagined. Even with the strength of the Demon Realm, they were actually afraid of him.

It was unknown why both sides were restraining themselves!

But Zhou Shu didn’t have time to think about this now. From the looks of it, Wang Xuanyi was most likely here for him.

The problem was, he had already changed back to his original appearance. How did he catch up?

Just as Zhou Shu was feeling puzzled, Wang Xuanyi had already landed at the top of the Two Region Mountain.

Boom!

The Two Region Mountain let out a wail and smashed into the ground. Yao Buqi grunted, and a trace of blood flowed from the corner of his mouth.

“I didn’t expect Gao Chongming’s Two Region Mountain to be intact.” A complicated expression flashed across Wang Xuanyi’s face.

His gaze landed on Zhou Shu, Yao Buqi, and the others. “Step forward yourself.”

Yao Buqi subconsciously looked at Zhou Shu. This human looked very powerful. He was definitely not here for him.

Yao Buqi knew his limits. Such an expert was not someone he could afford to provoke.

Needless to say, Zhou Shu was the only one who could afford to offend him...

King Zhou is really good at causing trouble. As long as he’s around, it never seems to be peaceful. Yao Buqi cursed silently.

Zhou Shu felt a little helpless. He didn’t expect Wang Xuanyi to still chase after him even though he had already left the Demon Realm Ancestral Court.

As expected, these ancient mighty figures couldn’t be underestimated.

At this point, if he still cowered, he would become a laughing stock.

Zhou Shu took a step forward and cupped his hands. “Greetings, Senior Wang. May I know why you are here?”

Wang Xuanyi’s gaze landed on Zhou Shu, and surprise flashed across his eyes. “It’s you?”

“It’s me.”

The two of them were like riddles, making Yao Buqi confused.

But he didn't dare to ask. He could only prick up his ears and hide obediently at the side.

"Interesting." Wang Xuanyi nodded. "What's your relationship with Shi Changsheng? Are you a descendant of the Zhuling Grotto-Heaven?"

"No." Zhou Shu shook his head. "I have nothing to do with the Zhuling Grotto-Heaven. I only know Shi Changsheng."

"Kid, you can tell the truth. I, Wang Xuanyi, won't vent my anger on a junior because of Shi Changsheng." Wang Xuanyi's gaze was like lightning as he said coldly, "But if you dare to lie to me again..."

Wang Xuanyi snorted. With a step, the Two Region Mountain rumbled, and a boulder shattered.

Yao Buqi groaned and almost fell to the ground.

If not for the fact that the Two Region Mountain was the weapon of an old friend, Wang Xuanyi's kick would probably have shattered the entire Two Region Mountain.

"Senior Wang, you're wrong." Zhou Shu's expression didn't change as he shook his head. "I've never been able to deceive you, Senior. Previously, I pretended to be Shi Changsheng because I had no choice.

"I'm in the Demon Realm. If I didn't put in more effort, I probably wouldn't have survived until now. I don't have your cultivation."

"That's true." Wang Xuanyi nodded. In a place like the Demon Realm, if he wasn't careful, a mere Earth Immortal wouldn't be able to live for long.

"Other than my identity, I haven't lied to Senior Wang about anything else. Senior Wang, isn't that true?" Zhou Shu continued.

Wang Xuanyi frowned slightly. After he thought about it carefully, it seemed to be the case. "Forget it. Let's not talk about those trivial matters. Come with me."

"I'm afraid I can't." Zhou Shu shook his head. "I still have things to do."

"You think I'm asking for your opinion? You don't have a choice," Wang Xuanyi said coldly. "Follow me obediently. When I catch Shi Changsheng, I'll naturally let you go."
