

CAN'T LET YOU GO, MATE

Chapter 16 Arrogant Alpha

"WHERE ARE YOU GOING WITH HIM?"

Rose looked at the hand and turned around.

"Arvan?"

Arvan glared at her and asked,

"I asked you where are you going with him?"

Rose felt annoyed. "That is none of your business. "

"I'm the head alpha of this pack. I don't want my pack's unmated omegas to get hurt."

"I won't harm her, Alpha." Mark said politely. He was nervous in front of his head Alpha. He knew how much powerful he was.

"I didn't talk to you." He glared at Mark.

"ARVAN."

Rose yelled at him.

"What? Don't you dare yell at me."

"You just can't be rude to my friend. So what if you are our Alpha? You can't just get into our personal space."

"Personal space, huh?" Arvan gritted his teeth and tightened his grip on Rose's arm.

Rose whimpered in pain. She thought, 'Why did he

come here? I saw he was nowhere there. I couldn't find him anywhere in the club. Why did he come back? I don't want to talk to him. I don't even want to see his face.'

"Leave her arm, Alpha. I think she is feeling pain."

"What? Are you worried for her?"

"Arvan, leave me right now." Rose said angrily.

Arvan glared at Mark and said,

"You. Go home alone. She is not coming with you."

Mark just wanted to say to him that they were not going to his home but he would drop her at her home.

Before he could talk, Arvan pulled Rose with him and walked to his car.

"Arvan, leave me. I said leave me. Can't you hear me? Leave me."

"What if I say I won't leave you?" Arvan stopped and asked her.

"What do you mean?"

"Why were you with that guy? Are you in your heat? That is why you are with men?"

"Shut up. What are you saying? You are insane. Leave my hand." Rose was struggling to get out of his grab. She lost her wolf. Now she didn't have that much energy either.

"What do you want, Arvan?"

"What do I want?" Arvan asked her or he could say he

asked himself. What did he want? He was not behaving like himself. Rose kept ignoring him and that made him get angry every time he looked at her.

Today she insulted him in front of an unknown guy. Did she challenge him? Did she want to see his power? Why did she start to behave like that? She was always around him. Head over heels for him. Now she got her wings and started to ignore him?

"I don't want anything." He replied with a sharp voice.

"Then why did you pull me here? Why did you tell Mark to go home alone?" Rose asked.

"Your father was a respectful man. He was my father's Gamma. I don't want his daughter to get into some trouble with a stranger."

"He is not a stranger, but you are."

"What did you say?" Arvan grimaced at her.

"Yes, you are a stranger to me."

"I am your Alpha."

"Oh yes, you are the head Alpha of this Crismon Red pack. So tell me what I should do with that? Should I leave this pack because the head alpha Arvan Black doesn't like me?"

"You talk too much."

"Arvan leave my hand or-"

"Or what?"

"Or I will tell Lina that her loving boyfriend pulled my arm and tried to-"

"Tried to what, Rose?"

Arvan got close to her. He was very close to her. He could feel the alcohol on her breath.

"You are drunk, Rose Lee."

"Isn't it better to be drunk and move on from painful memories?"

"What painful memories? You are totally okay now. See? You don't even get a scratch, so don't try to get sympathy from me." Arvan scoffed at her.

"Fine then leave me."

"Rose?"

Someone called Rose's name.

Arvan and Rose both turned their heads and saw Taylor.

"A-Alpha?"

Arvan nodded at him and didn't say anything.

"Taylor."

"Rose, you are here? I-I mean why are you with Alpha?"

"Why? Do you have any problem with it?" Arvan asked.

"No Alpha. I didn't mean that. I just saw Rose and came here. Did you enjoy my party, Alpha?"

Arvan nodded. He leaned back in his car and took out

a cigarette packet from his pocket. He took a cigarette and put it in between his two fingers and started smoking while hearing Rose and Taylor's conversation.

"Where is Alice?"

"Alice has left already. By the way, nice party, Taylor."

"Oh thanks, Rose. I hope you enjoyed my party."

"Yes, I did." Rose nodded. She got back to her senses after talking with Arvan. The way Arvan pulled her and tightened her arm, she felt so much pain. This man was so arrogant that now he wanted her attention. But Rose would not give him her attention. That was what she thought.

"Are you both done?" Arvan asked.

"Ye-"

"No. Can't you see I am talking with him?" Rose said.

Taylor's eyes went wide. He had never imagined in his life that somebody could talk like that with Alpha Arvan.

Taylor went near Rose's ear and whispered, "Hey, you don't know his anger. He killed hundreds of rogues alone in our last war. You should not talk to him rudely."

"I know him very well. Don't worry, Taylor. But thanks for the suggestion."

Taylor frowned and thought, 'How did she know him well? She wasn't even there during the war. She came here last year.'

Arvan glared at them. 'What are they talking about so closely? This girl is really characterless. She is with everyone. First Mark and now this boy? Good for me that I rejected her. She is an omega. Such a weak creature! I am just trying to keep her father's respect, otherwise, why would I care for a girl like her?'

"Times up. Now go to your party, birthday boy." Arvan let out.

"Yes, Alpha. Thank you for coming to my birthday party. It means a lot. I am very grateful. "

Arvan nodded his head.

"Taylor, once again, Happy Birthday." Rose said.

Taylor thanked her and went back to the club.

"What did he whisper in your ear?"

"He said, I am sorry that our Alpha is so arrogant."

"Did he dare to say that?" Arvan almost went back to the club when Rose stopped him by grabbing his hand.

"I lied to you. Don't kill him. He is innocent."

"Did you just lie to me?" Arvan glared at her.

"I am sorry for that. I think I should go now. Bye."

"Where are you going? You can't go anywhere."

"Why?"

**"BECAUSE YOU ARE COMING WITH ME."**

## Chapter 17 You Are Insane

"BECAUSE YOU ARE COMING WITH ME."

Rose was startled. "What did you say?"

"I said you are coming with me."

"But why? Where are you taking me?"

Arvan didn't tell her anything and opened the door of the car. He pushed her onto the passenger seat and closed the door.

Before she could understand what was happening, he went to the driver's seat and sat down while closing the car door.

Rose tried to open the door but Arvan locked the car.

"Arvan opened the door."

He didn't reply and started the car. Rose got angry.

"Why are you doing this?"

"Because you are a vicious woman."

"What?" Rose got upset. She felt heart broken.

'Why is he doing this with me? I even tried to ignore him. But why can't he just leave me? I didn't disturb him at all. I tried to live on my own. After what he did to me, I hate him. He rejected me and I had to lose my wolf. Now he is still trying to cause me pain.'

"If I am a vicious woman, then why are you doing all of this? Tell me, where are you taking me? I am not interested in going anywhere with you."

"Not interested, huh? Who was crying that night to get accepted by me?" Arvan smirked.

Rose was shocked by his words. "Do you have any heart?"

"No. An Alpha can't have a heart, otherwise, the whole pack will be drawn towards his love."

"Oh no. You have a heart that is only beating for your girlfriend Lina." Rose said in a sarcastic way.

"Why? Are you jealous? Do you want it to beat for you?"

Rose almost stopped breathing.

'What is he talking about? Does he try to flirt with me??? No, Rose. Stop falling into this brutal man's trap. He can not love anyone. This man killed your wolf. You have to hate him forever.'

"I don't care about you anymore. So please stop talking with me." Rose said, and turned to the window.

Arvan frowned and thought, 'What happened to her suddenly?'

"I am not interested in you. And I will never be."

"Stop the car, Alpha."

Arvan pulled the break and asked,

"Now what?"

"Open the door."

"Why?"

"I want to leave this car, RIGHT NOW."

"Where will you go?"

"None of your business." She gritted her teeth.

Suddenly, Arvan's phone started to ring. He looked at the screen.

'LINA'

He glanced at Rose, she was looking at the name on the screen.

"Now don't talk. I will take the call first, then we will

talk."

"Why? Are you afraid that your girlfriend, who is an Alpha female and so perfect Luna for you will get angry with you?"

"I am not afraid of anyone." He glared at her.

"Yeah, that was why you could not tell anyone about your mate."

"Shut up. The fact is not that I could not tell anyone, the fact is that I don't want to tell anyone that my mate was you."

Rose felt shaken in her heart. Arvan was looking into her eyes. Arvan looked back at the phone and received the call. "Hello."

Rose could hear everything from beside him.

"Babe, where are you? I am waiting for you."

Rose didn't want to listen to these things. 'Waiting? Why is she waiting for him at this time? It's already late. Did they live together? Spend the nights together?'

Rose shook her head and looked at the lock. She successfully opened the car door. She got out of the car and started to walk.

Arvan was talking on the phone but when he heard the sound of the door closing.

"Fuck!"

"What happened, babe?"

"Nothing. I can't come." He hung up the call and got

out of the car as well.

"Rose."

Rose didn't stop, she ignored him and walked fast.

"Rose, stop."

She still didn't stop.

"I said stop damn it."

Arvan fastened his speed and went to her.

She was stunned by his speed. He was a true blood Alpha indeed.

Arvan picked her up in his arms and started walking back to his car.

"PUT ME DOWN."

Rose yelled at him.

Arvan was angry. He didn't give her any response.

He put her down and pushed her into the passenger seat again.

He went to the driver's seat and started to drive.

Rose got mad at him that she didn't say anything because it was of no use.

'What is his problem? He was talking with his girlfriend in front of me. But he didn't let me go with Mark. What does he think? Every girl runs into him with her heart? And he won't give any damn about it, but when they start to ignore him, he will pull them back?'

After some time, Rose looked at the road and saw it was the road to her home. She looked at Arvan. He was focusing on the road and said, "What? What did you think when I told you that you were coming with me? Did you think I would like to take you to spend my night with you?"

Rose didn't bother to answer him. 'This man is really narcissistic.'

When Arvan got no reply, he thought he was right. She was thinking about spending the night. 'What a shameless woman!'

When they went to Rose's house, Arvan stopped the car.

Rose didn't say anything and opened the door. She got out of the car but heard another door closing

sound.

She looked back this time. She saw that Arvan was coming to her.

"Now what?" She asked while folding her arms against her chest.

"Did you really think I would take you for the night?"

"Are you insane, Arvan?"

"It's Alpha for you."

"Pardon?"

"Only my family, friends, and my close people can call me by my name. You don't have any right to call me by my name."

"Yeah, Sorry Alpha Arvan."

"Now tell me one thing. Does your mom know what you were doing outside?"

"What are you? My mom's spy?" Rose almost laughed.

"Did I say a joke?"

"No, Alpha. You asked me if my mom knows what I'm doing outside."

"So answer me."

"Why? Will you complain to her about me?"

"You are getting bold. Don't forget who you are talking with."

"Sure, I know who I'm talking with. Now bye."

Rose was about to enter her house when she heard the most dreadful words from his mouth.

"JUST BECAUSE I REJECTED YOU, THAT DOESN'T MEAN YOU CAN GO AND FUCK AROUND EVERYWHERE."

## Chapter 18 I Don't Need Your Help

"JUST BECAUSE I REJECTED YOU, THAT DOESN'T MEAN YOU CAN GO AND FUCK

AROUND EVERYWHERE."

When Rose heard that, she felt numb in her heart. What was he trying to say? That night he called her slut, but today he was the one who tried to talk with her. And now he had started to insult her again? Why? What did she do wrong? She even tried to run away from him but he caught her. What was his problem? Why did he hate her so much???

Rose turned around and went to Arvan.

"What is wrong with you, huh? Why are you doing this with me? Did I ask you to drop me off? No. Did I ask you to talk with me? No. Did I want to contact you? No. Then WHY?" Rose yelled.

"You are an obscene woman. You were going with that guy. God knows what you both would have done together. Such a shameless woman you are!"

"I am shameless? What about you, Arvan Black?? You rejected your mate and are now living happily with your so called girlfriend."

"Her name is Lina. Call her with respect, Woman."

"You are in love with her, right? You love her, care about her a lot, right?" She looked at Arvan sadly and coldly smiled at him.

Arvan was taken aback by her reaction. 'Why is she behaving like that? Everybody knows Lina is my girlfriend. What is new about that?'

"She is my girlfriend. And your future Luna."

"Yeah right. My future Luna."

They didn't say anything, just stared at each other.

Rose broke the eye contact and turned around.

"Thank you so much Alpha for dropping me home. Bye."

She was about to walk ahead when suddenly she felt dizzy. Her steps were unsteady. She was about to fall when Arvan caught her. "What happened to you?"

"Nothing. I am just feeling dizzy. Maybe because of drinking."

"If you can not take alcohol then why did you drink? You are so weak that you can not even take alcohol."

Rose pushed him. "I don't need your help. Thank you."

"Don't act now."

"Act?"

"Yeah, stop acting. I can not upset your mom. I am helping you to reach the main door."

"Since when did you start to care about my mom?"

"From the war times."

Rose felt pain in her head so she didn't talk more.

They proceeded to the door and Arvan knocked on the door. After some time, the door opened.

"Rose? You are lat-" Selena stopped talking when she saw who was with her daughter.

"Alpha?"

"Mrs Lee."

"Please come, Alpha. What happened to you, Rose? Are you okay?"

"Yes, I am fine, mom. I am just feeling dizzy."

Arvan helped her to sit on the couch. "Thank you for everything, now you can leave." Rose told him.

Arvan frowned.

"What are you saying, Rose? Alpha has come to our house for the first time. We can not just let him go."

"No, it is okay." Arvan said while glaring at Rose.

"No, no, please. You can not go like this. I will make a coffee for you." Selena didn't give Arvan a chance to talk, she went to the kitchen room.

"What? Did I say something wrong, A-l-p-h-a? Why are you glaring at me like that?"

"You were acting at that time, right?"

"When?"

"You acted like you were about to fall so that I could touch you."

"What rubbish! Have you lost your mind? I have never told you to support me. Why did you even help me? Now what? Do you want me to faint? Should I act like fainting?"

"You are getting fierce day by day. Don't you know how to speak to your Alpha?"

"I knew but when I lost my wo-" Rose got irate and

started to bust out her words but stopped when she realized what she was about to say.

"You lost your what?" Arvan frowned and asked.

"N-Nothing."

"What nothing? You were about to say something. Complete your sentence."

"Rose, Alpha." Before Rose could say anything, her mom Selena came and served Arvan coffee.

"I know you like espresso. Your mom told me when you were sixteen you started to work and drink double espresso all the time." Selena smiled at him.

Rose thought, 'Double Espresso? That is why his aura is also dark. Who drinks double espresso? Only Arvan Black can drink it. The man who has a black

heart and a bitter personality.'

"Thank you, Mrs. Lee."

"Mom, I should go to my room. I am not feeling good, kind of sleepy, bye." Rose said and went to her room without saying bye to Arvan.

"Alpha, please forgive her if she anyhow offended you. She is twenty but she is a child inside. After her father's death, she had to come back to our pack. She was not planning to stay here but she loves me a lot. That is why she doesn't want to go back."

Arvan nodded and asked, "What happened to her those three days?"

"I don't know anything. She said she felt pain and fainted, but rather than that she didn't say anything. But one thing is making me scared."

"What?"

"AFTER THAT DAY SHE DOES NOT GO FOR A RUN. MAYBE HER WOLF IS UPSET WITH HER ABOUT SOMETHING."

## Chapter 19 Your Destiny Is Waiting For You

Arvan was driving his car and thinking about what Rose's mother told him.

Her wolf was upset with her? What was wrong? She had not gone for a run since that day! Was that

because of his rejection?

Arvan thought about that night and how she was begging him not to reject her.

'Why am I thinking about her? Am I feeling guilty? No, Arvan, you can not feel that.

It is not my fault that she was my mate. I rejected her because I needed to protect my pack. I can not be mated with just anyone.'

Arvan drove to the pack house.

Meanwhile, Rose was lying on her bed thinking about today. She was drunk. But not that drunk that she didn't remember how Arvan insulted her tonight. He didn't just insult her, but he insulted her friend Mark. He even wanted to kill Taylor. He was dangerous. She needed to stay away from him. They didn't have

any connections now with him. She tried to stay away but this man wanted to humiliate her again and again.

Before rejection, he didn't talk with her, and after rejection, all he wanted to do was insult her without any reason.

'I hate you, Arvan Black. You called me slut, vicious, and so on. I didn't harm you, I don't have the power to. But I hope the Moon Goddess will give you the punishment for taking my wolf away from me.'

She didn't realize when she fell asleep.

She suddenly felt dark everywhere. Someone was calling her while crying.

"Rose."

"Rosalie?"

"Rose, please save me, Rose."

"Rosalie, where are you???"

Rose was running into the dark forest. She could not recognize the forest. As if she never went there.

"Where are you? Why can't I find you, Rosalie?"

"You are very close, Rose."

Rose was trying to find the voice, but no matter how much she was running, Rosalie's voice was going far away from her.

"Rosalie."

"Very close."

Rose suddenly fell to the ground. Now her vision had changed. She saw an old hut in the middle of the forest. "Where am I? How can anyone live in the middle of the forest?"

She was feeling pain in her legs. "Ahhh my legs!"

She saw her legs were bleeding. She couldn't get up from there. She saw the old hut. The door was opened and smoke and lights came out from there.

"Get up, Rose." She heard a voice. She could not identify the voice. It was a female voice she had never heard.

"Who are you?"

"Come here. Your fate, your destiny is waiting here for you."

The voice was so alluring but so deep. It was fascinating.

"What do you mean?"

"Come here and find everything."

Rose tried to get up. She felt pain but she still got up and headed to the hut.

She was almost there. She was almost close to the hut. When the light from the hut caught her eyes. She closed her eyes and opened her eyes again.

But this time she was in her room. She felt shocked. She was sweating.

'I was in the forest just now and my legs were hurt. But I am totally okay right now! How? What was that? Was it a dream?'

She looked at her phone and saw it was time to go to university. So that was a dream. Such a weird and horrible dream! But she heard Rosalie's voice in that dream. She was calling her for help.

'I am sorry, Rosalie. I am missing you daily. If the Moon Goddess gave me any chance to save you, I would do that, but Alas! What can I do now?'

She was sobbing. She felt her heart hurt.

She got down from the bed and began to get ready.

After getting ready, she went downstairs.

"Good morning, mom."

"Hmm morning."

"What happened, mom? Are you angry with me, mom?"

"Why did you drink last night? You were never like that? What if Arvan didn't drop you at home, what would happen to you last night?"

"Mom, please don't talk about strangers. Though he is our head Alpha, but he is a stranger to me. I didn't want his help last night. He was eager to help me. And nothing would happen to me. Mark was with me. He was even about to drop me."

"Mark?"

"Yes, mom Mark. Do you remember Alice's cousin? You met him one time at Alice's home."

"Yeah, but he was outside of the pack. When did he come back?"

"Mom, we are friends. I met him a lot of times abroad. In fact, we studied at the same university."

"Do you know him personally? Is he a good man? Do you like him?"

"Mom, please. We are just friends."

"Okay fine. But next time tell him to meet me. I want to know how he is now?"

"Okay, I will tell him. Now I have to go. Bye, mom."

She kissed her mom's forehead and went out.

She took a bus and sat on a seat. While looking outside from the window she was thinking about her dream.

'WILL I EVER GET A CHANCE TO GET YOU BACK, ROSALIE?'

## Chapter 20 She Is Very Helpful

Rose reached the university. She went directly to her class. She was late today. She entered the class.

"Ms. Lee. Why are you late today?" Professor Park asked.

"Sir, the bus was late. I was waiting for the bus." She lied.

Mr. Park nodded his head and told her to sit in her seat.

She went to her seat and saw Alice.

Alice looked somehow upset. She sat in her seat and asked, "What happened, Alice?"

"I am so sorry, Rossy. I passed out last night."

"It's okay, Alice."

"No, it is not, Rossy. I told you to come with me and I passed out. I should think about you. I should not drink that much."

"I am telling you it is totally okay. I went home safely."

"By the way, why are you late? Tell me, what did you do last night?"

Before Rose could say anything, they heard Mr. Park.

"Ms. Lee, you came late and after coming you started to talk? Don't disturb me or I will give you detention ."

"Sorry, sir. It won't happen again." Rose apologized.

They gave all their attention to the class because they didn't want to get any detention.

After their class was over. They went to the cafe to have their breakfast. When they arrived there, they saw Taylor and Vector. They were talking about something.

"Hi, Rose." Vector said.

"Hi, Vector." Rose replied.

"What were you both talking about?" Alice asked.

"I-It's nothing, Alice. " Taylor replied.

Rose looked at Vector suspiciously. 'Did he threaten him with something? Uh, jealous and possessive lover.'

"You all go, have breakfast. I should go now. Bye."

Vector said and went to his group at the table. Rose saw Arvan was there. When she looked at him, he looked back at her. As if he felt her eyes on him. Rose looked away immediately. She remembered how he insulted her last night. He called her dirty names. No matter how much she tried to stay away from him, he found his way to humiliate her.

"ROSE"

Someone shouted her name. She turned around and

saw Delilah coming to them.

"Delilah."

"She is here. Why are you shouting her name like that?" Alice frowned and asked.

"Oh, I am sorry I didn't realize I called her out loud."

"How are you, Delilah?"

"I am fine, Rose. How are you?"

"I'm fine too. He is Taylor. Taylor, this is Delilah."

"Hi, Delilah. Nice to meet you."

"Me too."

"Okay, now let's go and sit. I am hungry." Alice said.

All of them went to a table and sat there. Taylor went to get their food. The three of them were talking about their projects.

When Rita came to their table and asked,

"Can I sit with you all?"

They were surprised to see her. She was sitting at that table some time ago now why did she come to sit at their table? Rose looked at their table and saw an angry Liam. She saw Lina was there sitting beside Arvan. But she was not there some time ago. What happened? Did she and Rita fight?

"Yeah sure, Rita. You can." Alice replied. Alice liked Rita a lot. She respected her. In their pack everyone liked Rita. She was a powerful alpha female yet a very humble woman.

"Thanks, Alice. How are you, Rose?"

"I am fine, thank you." Rose didn't want to talk much because she didn't want to talk to anyone who was related to Arvan. Vector was different because he liked her best friend and cared about her.

Rita glanced at Delilah.

What? She did not like witches either? Why? Not everyone was a bad witch. There were some good ones too.

"She is Delilah. My classmate." Rose introduced her to Rita so that the situation could be eased.

"Hello, Delilah."

Rose was stunned by her words. She was friendly.

Rose didn't know about that. She thought her reaction would be like Alice's.

Rose looked at Alice and she looked back at Rose.

Rose shook her head, 'My possessive best friend overreacted to Delilah on the first day.'

"Hi, Rita."

"We are honored that different kinds of creatures are living with us in our pack. If you have to face any problem in the future, you can come to me without any hesitation."

Delilah was surprised. She never thought that Rita would be so helpful.

"Thanks, Rita, I will."

Rita nodded. Taylor came back with their food.

"Rita?"

"Yeah, I came to sit here. "

"Should I order something for you?"

"No thanks. I have to go to some work. See you again guys." Rita smiled and left.

They looked at each other and didn't know what had just happened.

They had their breakfast. Then Taylor and Alice left for their group work on their project.

Only Rose and Delilah left.

"I never thought Rita would be so friendly to me."

"Me too. But tell me one thing. It is not like werewolves hate witches. At least I never heard about that."

"No, we don't hate each other. But living here alone is tough. Only a few of us live in this pack. So we can't just trust anyone."

"Yeah, you are right."

"But I think you are a good company. Can I ask for something?"

"What?"

"CAN I BE YOUR FRIEND?"
