

## CAN'T LET YOU GO, MATE

### Chapter 51 Why Are You Crying? 2

Arvan was walking with Liam. "Where are we going?"

Liam looked at Arvan's tattooed hand. He wore a black shirt and he folded his sleeves so his tattoos were showing. "Where is it?" Liam asked.

Arvan raised his pierced eyebrow and asked, "What?"

"Your mate's name." Liam replied.

"What are you saying?"

"I can see her name in your angry face so I thought you tattooed her name in your hand too."

"Are you trying to tease me?"

"I am teasing you, buddy." Liam laughed.

"What do you want to talk about?" Arvan asked and sat on a seat. They came to the entrance to talk. Liam sat beside him.

"I thought you would thank me." Liam said.

"For what?"

"For helping you two times to get the chance to spend time with your Rose. Last night and now."

Arvan turned his head. "You mean you sent out Alpha Blaze last night?"

"Of course, who else?"

"How?"

"I called one of our men to set up a fake rumor about the rogues' attack on the Blue Moon pack. They spread it and the beta of the Blue moon pack called him to go back immediately. After that, he went back without thinking about anything. But when he reached the border with his pack fighters he saw there was no one. Not a single wolf." Liam said and laughed.

Arvan also laughed at Liam's words. "You are really something."

"It's the effect after living with you, Alpha Arvan."

They laughed together.

"You did well. You will get your reward for that, my Beta. Tell me. What do you want?" Arvan said professionally.

"Shut the fuck up and manage to get back our mate's heart." Liam said.

"Dude, Lina really played tricks with me today. I never thought she would do that. I got to know that she messaged Rose to come to the room. She then called me there. When I told her to break up, she saw Rose, then she kissed me. Rose saw us kissing and got angry. She ran away from there. I tried to make her understand that my and Lina's relationship was not like what she thought. But she told me to stay away from her." Arvan explained to him and put out a cigarette and lit it.

When a security guard saw a man smoking, he immediately ran to scold the man. He got behind the two men.

"Hey, you. How dare you light a cigarette? Can't you see the board beside you?" He shouted.

Arvan and Liam turned their heads to the side where the board was. They saw it was a 'No smoking zone'.

But Arvan didn't crash the cigarette, he kept smoking. The guard got angry and came in front of him. But when Arvan looked up at him. He was shocked. "Alp-Alpha!"

Arvan puffed on her cigarette and asked him, "Did you say something?"

"No no, I didn't know it was you. I am sorry. Please don't mind me, Alpha." The guard bowed to him and went away.

Liam shook his head. "How can I forget that, before the head Alpha, you are the bad boy who can't be tamed."

"I don't know what I should do, Liam." Arvan muttered.

"You didn't tell me about your feelings. Do you want her back?" Liam asked carefully.

"I think I fell for her." Arvan said.

"What?? Arvan Black, are you serious?" Liam was stunned because he never thought that his best friend would ever accept that.

"What will I do? She wants me to stay away. Yes, I did wrong. But now what? Is there any way?"

"If you love her, then don't lose your hope and keep trying. Just do whatever you want to do. Just listen to your heart." Liam advised him.

Arvan felt light after talking with Liam.

"You mean you want the bad boy back for her?"

Arvan smirked and turned his head to him.

"I want you to show her how crazy you can be in love. She will lose her way and come back to you." Liam smirked back.

Then the two best friends went back to their friends and joined them.

"Where were you two? We almost finished eating."

Rita said.

"We were just talking." Liam said and kissed Rita's head, then sat beside her.

Rose saw that and smiled at them. She liked this cute couple. They made for each other. Then she looked away from them and continued to eat. She felt a gaze. She looked up and saw Arvan was staring at her.

Rose immediately averted her gaze from him.

'Why is he staring at me like that? Idiot.' Rose thought.

"Arvan, eat fried rice. Rose ordered three for us but I told her that you liked it, so she ordered one for you." Rita said to Arvan.

Rose looked at Rita with wide eyes. "NO! I mean, I didn't order it for someone specific."

"I am gonna eat it." Arvan said and started to eat.

Rose glanced at him. He was a very handsome man. Nobody could resist his charms. He was eating with a spoon. The hand which held the spoon was full of tattoos. Rose didn't like tattoos but this man looked incredible with tattoos.

Unexpectedly, Arvan looked at her and she forgot to look away. She was looking into his eyes. 'Why did you break my heart? Why did you crush my soul? Why did you reject me? For you, my wolf got harmed. Why Arvan? I fell for you before our bond. If you didn't like Lina, then why didn't you accept me? Look at us, we are so close but so far from each other.' Rose said in her heart while looking at him.

Her eyes got teary, then she stood up and told everyone, "I need to use the washroom."

Then she went to the washroom and closed the door. She didn't use the toilet. She only cried in front of the mirror. Why did she cry? She didn't know. She washed her face with water. She took a tissue and wiped her face. But when she looked in the mirror,

She saw Arvan standing behind her.

"Why are you crying?"

## Chapter 52 Apology Is Not Acceptable 1

"Why are you crying?"

Arvan asked her. When he saw her get teary, he felt worried in his heart. When she went to the washroom, he also stood up after a minute and came to find her.

Rose was looking at him through the mirror. "What are you doing here? It is a ladies' washroom. Just because you are the head Alpha you can't go anywhere as you wish." Rose said coldly.

Arvan closed the door and locked it. Rose immediately turned around. "What are you doing? Why are you locking the door?"

Arvan came close to her. Rose stepped back but her back against the counter. He took the tissue from her hand and threw it into the trash bin. He took another tissue and started to wipe her face.

Rose stopped him by grabbing his hand. "Why are you doing this?"

Arvan pushed Rose's hand from over his hand and started to wipe again.

"Answer me first. You were good some time ago. Why are you crying now?" He asked.

He was dabbing the tissue slowly on her forehead,

eyes, cheeks, and chin.

"Arvan."

"Hmm?"

"We don't have any relationship. So you don't have to do this. You should live your life as you lived until now. And let me live mine. Don't confuse me with your actions."

After wiping her face, he looked into her eyes. "What if I say I don't have any intention of confusing you?"

"I am happy with my life. I don't want to see you."

"Why? Do you feel disgusted when you see me?"

"I didn't mean that. You are the head Alpha, no one can feel disgusted by you."

"Then is it because she kissed me?" Arvan asked.

Rose frowned her brows. She forgot about today's incident for a moment. This man was really playing with her mind.

She tried to push but Arvan grabbed her hands.

"Answer me." He said.

"There is nothing to answer you. She is your girlfriend. She has right over you."

"He is not my girlfriend anymore." Arvan said and tried to see her reaction. But Rose was a poker face.

"That has nothing to do with me. Or are you blaming me for your breakup?"

"I have never blamed you. But you are the reason, I

won't deny it."

Rose snatched her hands from his hold. She tried to pass him but he pulled and swirled her.

Now they were very close and facing the mirror.

Arvan wrapped his arms on her waist. He hugged her tightly from behind.

He whispered in her ear while looking at her in the mirror.

"Why are you so stubborn?"

Rose was looking at him in the mirror. The way he hugged her, it was very intimate. She never thought that in her life Arvan would ever hold her like that. She struggled to move but he pulled her body to him so that they didn't have any distance between their

bodies.

"Wh-What do you want, Ar-Arvan?"

Arvan smirked at her. "How can I explain to you what I want?"

"Leave me, they are waiting for me."

"And here I am waiting for you to break your ice and talk to me about everything."

"I don't have anything to talk about with you."

"But I have. What should I do? I have to tell you so many things."

"You can tell me those without holding me like this."  
Rose said.

"Um hm. I want to hold you like this for a while. Your smell is making me calm." Arvan said and nuzzled his nose, on her neck.

Shivers ran down her spine. His touch was making her weak. "I am not a toy that you can break as you wish and then repair it as you want."

Arvan looked at her in the mirror. "I am sorry, Rose."

Rose's eyes widened.

"I am sorry for what I did. I should not reject you. I should have given us some time. I don't know why I did that. But now I am feeling regret."

Rose turned to him and frowned at him. "Do you think my life is a game??"

Arvan shook his head. "No, Ros-"

"Stop and listen to me." Rose said.

She put her finger on his chest. "You, the head Alpha of this pack, are very powerful. People call you Almighty because you are a true blood. You don't deserve a weak Omega like me. So you did what you felt. Now, after everything, you can't just come to me and say this things."

"I am apologizing to you."

"Your apology is not acceptable. It is impossible to forgive you. What you did to me was something that I can't forget in my whole life. You risked my life. You knew I could die but you still did that."

Arvan was listening to her silently. She was right. He did that by knowing everything.

"Now, why are you quiet? Cat caught your tongue?"

Rose asked him. He didn't reply to her.

Rose shoved him aside. This time he moved willingly.

"It is better for us to move on. And I will move on from you." Rose said. She opened the door and left the washroom.

Arvan tightened his fists. He was a very aggressive man. He could not control himself if he stayed there for a minute, so he left the shopping mall without saying anything to anyone.

Rose went back to the food court. "Why did you take so long? Are you okay, Rossy?" Alice whispered to her. Rose nodded her head to her.

Arvan didn't come back. So Liam called him. Arvan told him that he had some work, so he left. Liam

glanced at Rose. He understood what had happened.

Rose left the shopping mall. She came back to her home when it was dark.

She was upset about everything. She was not happy that Arvan felt regret. If her wolf didn't feel the pain she would accept his apology. However, she almost lost her wolf but fortunately, Delilah and her grandmother saved her wolf.

**Chapter 53 Apology Is Not Acceptable**

For the next three days, Rose didn't go to the university. Today she was getting ready to go. Suddenly, her phone rang. She received the call without looking at the caller's name.

"Hello?"

"Where are you?"

"Blaze!"

"Are you surprised that I called you?"

"No, no. I didn't look at the name when I received the call."

"I asked you, where are you?"

"I am getting ready to go to my university. You?"

"You forgot about our plan. Nice, cheater." Blaze said.

"Wait, what plan?" Rose asked. Then she remembered that he had told him that he would come to her pack after four days.

"See? You don't even remember our plan."

"I have remembered just now. Where are you?" Rose asked.

"I am outside of your house."

"WHAT?"

"Hmm, I am waiting outside for you. Come down fast."

"Okay, I am coming."

Rose did a high ponytail. She then took her bag and

phone, then went downstairs.

She saw Selena talking with Blaze. They were sitting on the couch.

Rose was stunned.

"Look, your daughter has finally come." Blaze said.

Selena turned her head to Rose.

She was making breakfast when she saw a big car outside of her house. When she tried to see from her window, she saw Alpha Blaze standing while leaning on the car. She was shocked. She saw him at the dinner at the ball party.

She immediately opened the door and greeted him. Blaze saw her and greeted her back. Selena told him to come inside.

He told her that he had come here to pick up Rose. At first, Selena was surprised that Blaze knew Rose. But then Blaze told her that Rose was his friend.

"Come here. Alpha Blaze is waiting for you for a while." Selena told Rose.

Rose looked at Blaze and nodded. She didn't sit down there. "Mom, this is Alpha Blaze, the head Alpha of the Blue Moon Pack. And Blaze, this is my mom." Rose introduced them.

Selena's eyes widened when she heard her daughter calling the Alpha by his name. It looked like they were really close. Otherwise, nobody dared to call any head Alpha by their name.

"I know him. " Selena nodded.

"Mom, Blaze came to our pack for some work. So he needs my company. I have to go with him." Rose said and Blaze nodded.

"Okay." Selena said.

"Let's go, I am ready. Where are we going now?" Rose said to Blaze.

"I will drop you to your university first. You don't have to miss your classes for me. I will pick you up after your classes." Blaze said.

Selena smiled at them. She wanted to know if they had any relationship between them. Blaze was the head Alpha though he was from a rival pack. She heard he was a good man. If he liked her daughter then her daughter would be happy with him.

"Firstly, let's have breakfast." Selena said and stood

up.

"Mom, I don't have time for breakfast." Rose said.

"Why are you lying? You have half an hour more. Alpha Blaze came to our home for the first time. I can not let him leave without eating something."

Rose was about to deny it but Blaze stopped her.

"Mrs. Lee is right. I came to your home for the first time and you are treating me like this?" Blaze said and stood up.

Rose glared at him and he smirked. "I am hungry. I want to have breakfast, Mrs. Lee." He said.

Selena was happy. She nodded and served all the dishes for him on the table.

Rose saw Blaze sitting on a chair on the right side.

She looked at her mom and saw she didn't tell him to sit on the head chair like she told Arvan to sit.

She went to the table and sat opposite Blaze's chair.

Selena sat on a chair and said, "I hope you like the food. I didn't know you would come otherwise, I cooked many things for you."

Blaze shook his head. "No, Mrs. Lee. It's totally okay. You cooked really well. And you exactly made my taste wise. I like dumplings."

Selena was relieved that he liked her food.

"By the way, Rose said that you came for some work." She asked Blaze.

Blaze stopped eating and looked at Selena then turned his head to Rose who was eating.

"Actually she lied to you. I came to your pack to meet her."

Hearing Blaze, food stuck in Rose's throat. She didn't believe what he told her mother. She looked at Blaze in horror and started to cough.

Selena could be more shocked. 'He came here just to meet Rose?'

She looked at Rose and Blaze.

Blaze took a glass and poured water into the glass. He gave it to Rose. "Drink it."

Rose took the glass and drank the water. Then she glared at Blaze. Blaze smiled at her. "I could not lie to your mom."

Selena was confused about their conversation.

Rose stood up and said, "Mom, I will explain to you after coming back. Now I have to go, bye."

Blaze also stood up and said, "Mrs. Lee nice to meet you. You will meet again." Selena nodded to him and said goodbye.

Blaze went outside and Rose followed him.

Blaze opened the car door for her. Rose got into the car. Blaze went to the driver's seat and started the car.

Selena was watching them from her house. She thought someone had finally come into her daughter's life. She heard that night what Blaze told everyone about his chosen mate. She was hopeful that it was her daughter he was talking about.

In the car, Rose glared at Blaze. "Why did you say that to my mom?"

"Why? Are you afraid of your mom?" Blaze asked.

"No, but she would misunderstand us."

"About what?"

"About you and me."

"I wanted her to misunderstand us, Darling." Blaze smirked at her.

"Don't smirk like that. You are such a devil!"

Blaze laughed and drove the car.

The car entered the university and everybody was

watching it. They knew now whose car it was.

Blaze got down first and opened the door for Rose.

Rose got down from the car.

"I will come back when your classes are over, okay?"

Blaze asked Rose.

Rose nodded her head and let out goodbye to him.

He smiled at her and said goodbye.

But little did they know someone else was looking at them with his angry eyes.

## Chapter 54 Kissing Her 1

Rose turned around and started to walk. She entered the University. She heard gossip about her and Blaze. But she didn't give a damn about it. Why would she? These people were always judging her for her every single step. So she should not care about it.

She went to her locker and opened it. She was about to take out her books when someone came behind her and shut her locker. She was startled by the sudden action.

She turned around and saw that Arvan was looking at her angrily. She felt scared. She had never seen him this angry.

She closed her eyes and took a deep breath. "What happened again?" She asked.

Arvan took her hand and pulled her harshly with him. Rose was shocked. "Where are you taking me?" She asked.

Arvan didn't care to reply to her. He took her to the stairs but she struggled on his hold. "Let me go, Arvan."

Students were looking at them in horror. They thought this girl offended their head Alpha. They never dared to talk with him and offended him. It was a huge matter.

"Arvan, leave me." Rose shouted.

Arvan stopped and turned to her. She thought Arvan would leave her hand. But she was so wrong, Arvan bent down and put her on his shoulder. Rose was terrified. "Wh-What are you doing? Put me down."

Arvan didn't listen to him and went upstairs. He went to a corner and it was dark. All the lights in the hall were off. Some rooms were locked and there was no window, so the sunlight could not be seen.

Rose started to hit Arvan's back. "Put me down. Why did you take me here??"

Arvan went to the last room in the left corner and opened the door. He entered and closed the door. He then locked the door.

He put Rose down. Rose's steps trembled. She stood still and glared at him. "Arvan Black, What is this??"

Arvan was looking at her madly without saying anything.

"Why are you quiet? You don't have any answer??"

Rose saw he was still glaring at her. She was afraid of this man. Why was he looking angry? She didn't do anything to him.

She tried to go to the door when Arvan pulled her to him. Rose fell on his body. She looked up at him.

"You are getting fearless day by day, Rose Lee." He said in an angry tone. Until now she thought she was feeling scared, but at this moment fear ran through her whole body.

"What did I do?" She asked.

"You don't know what you did? Are you naive? Or are you just pretending to be in front of me?"

Rose forgot her fear and glared at him. He was back to his original self. He could not change. He started to

insult her again.

She pushed him and tried to leave, but Arvan grabbed her and pushed her to the wall beside the door.

Rose felt pain in her back. "It is not funny. What are you doing?" She shouted.

"Exactly, this is not funny. Where did you go with him?"

Rose confusingly asked, "Who are you talking about?"

"You don't know who I am talking about?" Arvan asked angrily.

"No, I don't know. Now let me go."

"Why didn't you come to the university for three days?"

Where were you? Why did he come to drop you off?  
Where did you go with him?"

Rose understood he was talking about Blaze.

"Why do you care?"

"That is not the answer to my question." Arvan said while gritting his teeth.

"I don't think I have to answer any of your questions."

"Where. Did. You. Go. With. Him?" He asked every word to word.

Rose was silent.

"Don't make me angrier I am telling you. I don't want to do anything that will hurt you."

Rose was annoyed. "What can you do except insult me?"

"Oh! Babygirl, I can do many more things that you haven't even imagined."

Rose blushed when she heard that.

"Stop talking with me. Let me go. I don't want to talk. I told you four times to stay away from me. But I don't know what happened to you. Why do you keep disturbing me?"

"I am disturbing you, huh? What was that? Why did you go with another man?"

"What are you saying?"

"How dare you go with him? Why does he come here? Why does he come to my pack again and

again?"

"Because he wants to meet me. Not everyone is like you, Arvan Black, some people do know how to cherish their beloved woman."

Hearing that Arvan's mind went blank. He was furious about killing Blaze. "Beloved woman, huh? You dare to call yourself his woman?" He pushed his body at her. She could feel his weight. "Yes, he told me that he likes me. I think I should consider him."

"Just stop it before I lose my control."

"Why would I? I don't care about you. If Blaze gave me a chance, I will think about it and give it to h-"

Arvan grabbed her chin and kissed her.

Rose was shocked. Her eyes widened. Arvan was

kissing her!

Arvan put his other hand on her neck and took her close. He was kissing her roughly. All the anger was going through the one kiss.

He didn't know how long he wanted to do this. He didn't know it would feel this good. He sucked her lower lip and bit it. "Arv-"

Rose felt pain in her lower lip when she called him before she completed Arvan kissed her again.

He was sucking and licking her lips. His tongue ran on her lips but she didn't open her lips to let his tongue enter.

Arvan's hands were roaming around her body, then they stopped on her chest. She lost her mind when he grabbed her right bosom. "Ahh!" She moaned. Arvan

pushed his tongue into her mouth and started to eat her craven. He didn't let her move. He sucked and licked her tongue roughly.

## Chapter 55 Kissing Her 2

Rose didn't know what the sensation was that built inside her. Her body was reacting to him. But she tried to control herself. She tried to push him but he left her bosom and grabbed both of her hands. He held her hands and pinned them over her head with his one hand on the wall.

Arvan moved away and looked at her. "You dared to

go with another man, huh? Don't even think about how angry can I get?" Then he again kissed her.

This time he kissed her more passionately.

"Mmmhh" Rose tried to break the kiss. Arvan held her hands tight. His other hand went to her hair and untied her hair. He looked at her. "You look good with your hair down."

"What is wrong with you?" Rose was gasping. He almost took her breath out.

"I am going crazy, I don't know what you are doing to me. Do you know any witchcraft?"

Rose was taken aback. 'Does he know about any healing power?'

Arvan chuckled at her reaction. "Because you are

doing something to me. Otherwise, why is Alpha Arvan behaving like this?"

Rose felt relaxed that he was just kidding about it.

"What do you want? Why are you doing this? You are a lewd man! " Rose yelled.

"Don't yell at me, baby girl. I don't know when I will get offended, you know." Arvan glared at her.

"Yes, this is you."

Arvan sighed and saw her struggling. He kissed her again shortly after and moved away from her.

He left her hands and she immediately pushed him hard. "How dare you do this to me? I am not your lover who cares for the position beside you."

Arvan looked at her. "Don't go with him again."

"I am asking you something and you are talking about what you want to say. Wow. Listen to me. I am gonna move on in my life. You have a problem with him, right? I don't care about your problems."

"Don't make me angry, Rose."

"You keep your anger to yourself." Rose snapped angrily.

She wanted to go but Arvan held her hand. "I am telling you I will destroy him if I see you go with him again."

"I don't care, can't you understand that I am not interested in you? I am happy with him. He is a good man and I will accept him soon. I don't want to live in this pack and see your face. I will go with him to his

pack and live with him. You can't do anything to me, because you don't have any right over me. I am not your mate anymore. So you can not stop me." Rose said to give the same taste and pulled out her hands from his hold.

"You gave me unforgettable pain. I don't want to feel that again." Rose said and left the room.

Arvan was looking at her back until she went out and closed the door. He was angry at first. But after what she said, he was bewildered.

'She was unconscious for three days. But what happened to her when she said it was unforgettable pain?' He thought.

---

Rose went out of the room and felt lost. She went to

the washroom and washed her face. She looked at her face and her swollen lips. She touched her lips and closed her eyes. 'This man is leaving his traces, his touches everywhere.'

She opened her eyes and wiped her face. She was about to go out when someone pushed her.

She looked back and saw Lina glaring at her angrily.

"What's wrong with you?" Rose asked.

"What's wrong with me? How dare you snatch my boyfriend from me? At first, you pulled my best friend on your side, and now my boyfriend. How shameless you are!" Lina said angrily and came to her.

She slapped Rose hard. "Ahh." Blood started coming out of the corner of Rose's lips due to the hard slap.

She turned her head to Lina. Lina was smirking at her. "What? What are you looking at? Do you want to hit me back? Come on. Let me see how much strength you have in yourself, you unstable Omega."

Lina said and came close to her. Rose got angry and pushed her hard so Lina fell on the wall. She could not believe Rose had this strength. Lina wanted to stand still but she could not. Her back was hurting because of the push against the wall. She cried in pain.

The washroom door burst open. Arvan heard noises from the washroom. That was why he came. But when he entered, he saw Lina leaning against the wall. His eyes then fell on Rose, who was standing there. His eyes fell on her cheeks and lips.

Her cheeks were imprinted with five fingers as if someone slapped her hard and blood was coming out

from the side of her lips.

Rose looked at Arvan. He was looking furious. He started to come close to her angrily. Rose thought Arvan would hurt her because she pushed Lina. But Arvan came to her and touched her lips. Rose hissed in pain. Arvan got furious. He turned around and went to Lina.

"Arvan, see? You want to leave me for this dirty woman. She tried to hurt me. She pushed me hard, Arvan. I can't even move, my back is hurting, baby." Lina said while pretending to be innocent.

Arvan held her by the throat. He gripped her throat tightly. "You dare you to hurt what is mine?" His eyes turned red.

Lina was shocked. She could not breathe. "Arv-Arvan I c-can't brea-breath." She tried to push his hand from

her throat.

Rose was surprised by Arvan's behavior. He was strangling Lina? Because of her? He was calling her his? What was wrong with this man?

Lina's face got pale. She could not breathe, she didn't have the energy left to push him.

Rose went to Arvan and tried to move him.

"Leave her Arvan. She will die."

Arvan turned his head to Rose with his dark red eyes. Rose gasped.

"I will kill her today."

## Chapter 56 I Will Kill Her 1

"I will kill her today."

Rose grabbed his arm and tried to move him from Lina. "Leave her, Arvan. You are not in your right mind."

"No, I have come to my right mind now. I will kill her." Arvan snatched his arm from her grab and tightened his grip on Lina's throat.

Rose hugged him from behind and put all her strength together and tried to move him and, fortunately, he moved. Because Rose was not a weak omega

anymore, she had the power of strength and healing.

Arvan turned his head to her. Rose didn't look at him, she looked at Lina. Lina started to cough hard.

"Leave. Leave from here, now." Rose told her, because she didn't know how long she could hold Arvan.

Lina looked at Arvan in horror. She didn't believe that Arvan wanted to kill her for his ex mate. She ran away from the washroom with fear in her eyes and heart.

When the door closed, Rose sighed and left the hold of him.

Arvan was looking at her. His red eyes were gazing at her. Rose looked back at him. "Why did you hurt her?"

"Because she hurt you." Arvan said with his deep

voice which made her tremble in her heart.

"But I pushed her back. So you don't have to come between us." Rose said.

Arvan came closer to her and she stepped back. He held her and pulled her to him. But she didn't want to move.

"Come here. Let me help you to heal your wound." Arvan said.

Rose was stunned and looked at herself in the mirror. Her lips were bleeding. She didn't know what he was talking about. She knew an Alpha could heal his mate's wound by licking the place. But Arvan was not her mate anymore. And she could not let him lick her lips.

"No need, thank you." Rose went to the door. Arvan

held her hand and pulled her to him. "Arvan what-"

"Ssshh" Arvan put his finger on her lips. His eyes were burning.

He looked at her lips and moved near. He closed his eyes and licked the corner of her lips.

Rose hissed in pain. It was painful. She closed her eyes and clenched his shirt.

Arvan looked at her and kissed her. In the kiss, he licked the wounded area.

After a minute, he moved from her. Rose opened her eyes and saw his eyes were back to normal black. She touched her lips and looked in the mirror. Her wound was healed. She looked at him and thought, 'I guessed that only mates can be healed by their Alphas. But I am not his mate anymore, so how did he

heal me? Is it because he is a true blood? Maybe that's why he could heal me. But he didn't miss the chance to kiss me again. Why is this man so shameless?'

"Thanks for the healing. But I need to go." Rose said.

"I think you should not attend your classes today. Your cheek is swollen. Let me drop you home. In the middle of the road, I will stop the car in a dispensary and get ointments for you." Arvan said.

Rose shook her head. "No need for that. I have plans today with Blaze."

Hearing that, Arvan got mad. "Didn't I tell you to stay away from him??"

"Why would I listen to you?" Rose asked.

"Because I am your mate."

"No, you are not. You are my ex mate. Stop following me everywhere and let me live. Today, if Lina attacked me, that's all because of you. For you, I am making new enemies."

Arvan frowned at her. "Is it my fault?"

"Of course, it is your fault. You are the reason of all this. I am going with Blaze now. You too can patch up with your ex girlfriend and live happily. Bye." Rose said and left the washroom.

Arvan was so enraged that he wanted to break everything in front of him.

---

Rose went downstairs and she didn't go to her class.

She went to another washroom and saw if anyone was there. When she saw there was no one, she closed the door and went to the mirror. She looked at her lips and it was looking okay. She then looked at her right cheek. It was swollen and a finger imprint could be seen. She took a deep breath and put her hand over her cheek.

She looked at herself in the mirror and caressed her cheek with her palm.

Her cheek healed right away. She felt relaxed. When she first saw her knee healed by just caressing her palm, she was shocked that day, but now she knew about her powers. So she didn't need to be scared.

Rose sent a message to the group that she could not attend the classes because she was not feeling well.

Alice immediately called her.

Rose received the call. " Alice."

"Why can't you attend the classes? I heard you have come to the university. Where are you right now?"

Alice burst out with so many questions.

"Relax bestie. Come to the cafe. I will meet you there." Rose replied.

"I am coming. Don't you dare go anywhere again. I need to know everything." Alice said and started to head to the cafe.

Rose looked at herself in the mirror for the last time and went out of the washroom. She went to the cafe and sat at their usual table. Alice came in just two minutes later. "Did you order something?" Alice asked Rose.

"No, I am full. I had my breakfast at home today."

Alice nodded and went to order something for her.

Alice came with two strawberry smoothies.

"I told you I had my breakfast, Alice." Rose said.

"It is just a drink. Come on, sip it." Alice pushed one strawberry milkshake to Rose and Rose took it.

Rose sipped on it. The cold milkshake felt good in her throat. Otherwise, she had to yell a lot today.

"Now tell me." Alice said.

"About what?"

"Why don't you want to go to the classes? Because you look fine to me."

## Chapter 57 I Will Kill Her 2

"I am not fine inside."

"Are you on your heat?" Alice raised an eyebrow.

"What? NO!" Rose threw a tissue to Alice.

Alice laughed. "Then what happened, Rossy?"

"I came here with Blaze today."

"That I already know, honey." Alice said and smirked.

"How?" Rose looked at her.

"Everyone is gossiping about you and that something is going on between you and Alpha Blaze."

"Nothing is going on between us."

"Of course, of course. It's not my words but others."  
Alice winked at Rose.

"Arvan saw me with him. Then he got angry." Rose said.

"Why is that rascal coming between you and Alpha Blaze, hmm? I don't care. Don't give him a damn, Rossy. Do you understand what I am saying?" Alice said.

"He kissed me today." Rose said while looking at the

table.

"WHAT!" Alice immediately stood up.

Rose stood up too and made her sit again. "Don't scream. People will listen to us."

"How dare that asshole kiss you? I am gonna kill him. Call Delilah right now. Why is she a nerd? She doesn't need to attend all the classes. We will go to grandma and do some witchcraft to make him paralyzed." Alice said angrily.

Rose could not help but laugh in this situation. "What about your last plan?" She asked her.

Alice frowned at her. "What was the last plan?"

"Didn't you want to make him impotent?" Rose asked and chuckled.

"Oh yes, that was a good plan. But no. Even if he were impotent, he would still kiss you. So I will make him paralyzed so that he can not come in front of you and kiss you." Alice said while smirking. She was imagining the scenery where Alpha Arvan was sitting in the wheelchair and Rose didn't give any damn about him. He made her best friend cry a lot. It was his time.

"Stop imagining, Alice. He is The Alpha Arvan. Nobody can do anything to him. He alone is very powerful." Rose said.

"Wasn't it my line when I explained to you about him for the first time?" Alice asked.

Rose laughed at her. "Obviously."

After talking with Alice, Rose felt lightened. After all,

she was her best friend.

After one hour of chit chatting with Alice, Rose sent a message to Blaze that she was free.

Blaze called her after a few minutes. She took the call.

"Where are you?" Blaze asked.

"I am at our cafe."

"Do you want me to come there?"

"What? Are you here already?" Rose asked shockingly.

Alice raised her eyebrows. "Tell him to come." She whispered to Rose. But Blaze heard it.

"I am coming." He cut the call before Rose could say anything.

Rose was shocked by what happened just now. "I can't believe it. How did he manage to come so soon? Is he a vampire? No, he is an Alpha. But then how could he be so fast? He came to my house so fast, just like now." Rose said confusingly.

"What??? He went to your house?" Alice asked.

"He came to pick me up. Mom was at home so she told him to have breakfast with us." Rose explained to Alice.

Blaze came to the cafe. Everyone was looking at him. Who didn't see him outside for two days, they were so shocked. They were thinking about what the Rival Alpha was doing in their pack.

Alice raised her hand and signaled him. "Alpha, we are here."

Everyone looked at her table and saw Alice and Rose. Blaze smiled at Alice and went to the table.

"Hello." Blaze greeted her.

"Hello, Alpha." Alice greeted back.

Blaze looked at Rose.

"So? You are free so early! I thought I would have to wait another three hours."

"No, I was not feeling well." Rose replied.

"What happened?" Blaze asked.

"Nothing much. Just a headache." Rose lied to him.

Alice was looking at them. She thought she was the third wheel, so she stood up and said, "Nice to meet you again, Alpha Blaze. I have something important. I have to go now, otherwise, I will be late."

Alpha Blaze nodded his head to her. Rose looked at Alice. Alice winked at her when Blaze was not looking at her. Then she left.

"She doesn't have any class now. It will start fifteen minutes later." Rose mumbled.

"I knew she didn't have any class and she was making excuses."

"Then why didn't you stop her?"

"I want to spend time with you alone." Blaze replied.

Rose looked away from him. She told Arvan that she would accept Blaze but it was not easy for her.

The news about Alpha Blaze coming to the cafe to meet a girl spread everywhere in the university. Arvan heard that and went directly to the cafe. Liam was with him.

When Arvan entered the cafe he saw Blaze and Rose talking cheerfully. Rose was looking good as if some time ago Lina hadn't attacked her. He frowned when he saw her cheek was fine now. 'Who healed her?' He thought and tightened his fists.

He walked to their table. Everyone in the cafe was silenced when they saw their Alpha come and headed to Alpha Blaze.

Alpha Blaze looked at Arvan and stood up. "Nice to meet you again, Alpha Arvan." He smiled at Arvan.

Arvan glared at Rose. Rose was nervous under his dark gaze. She didn't look at him.

Blaze glanced at Rose. She looked nervous, so Blaze told her, "Alpha Arvan came to talk to me. I think I should go with him to talk. You wait here, okay?"  
Blaze asked her very sweetly.

Rose didn't mind it, she looked at Blaze and Blaze nodded at her.

Arvan was watching everything and his jaw tightened.

Blaze went to a quiet place with Arvan and Liam.

Arvan glared at him.

"Looks like you are into someone else's mate." Arvan said.

Blaze smirked at him. "Just like how you were into someone else's mate before."

## Chapter 58 Get Together 1

Blaze smirked at him. "Just like how you were into someone else's mate before."

Arvan raised his eyebrows. "Don't dare to play with her."

"I don't want to play with her, but I want her." Blaze replied.

Arvan went to him and held his collar. "How dare you! She is mine. Don't go near her. She. Is. Mine." Arvan gritted his teeth.

Blaze was looking at him calmly. "Didn't my ex mate rejected me for you? Why didn't you stop her that time?"

Arvan loosened up his collar. Blaze was right. He took his mate away. But Lina didn't tell him before rejecting him. She came to him after rejecting her mate.

"What? You don't have any answer?"

"I didn't tell her to reject you, okay? She came to me after rejecting you."

"I don't care about her. You can have her. I want Rose now."

"BLAZE"

Arvan yelled and wanted to punch him, but Liam held his hand. "Don't do anything in anger, control yourself, Arvan."

Blaze looked at Liam and smiled. "Tell your best friend that I am going to make Rose my Luna, very soon."

"DON'T YOU DARE. She is still my mate."

"Still your mate or ex mate, I will make her my Luna. And it will be the biggest punishment for you. You, Arvan Black, took my mate away from me. You crushed my ego and my respect in my pack.

Everyone laughed behind my back when they heard their soon to be Alpha got rejected. I came here to take revenge on you.

But after seeing your desire for your ex mate I changed my plan." Blaze smirked.

"What do you mean?" Liam asked.

"I chased her because he is your Alpha's ex mate. Otherwise, why do you think I came here leaving my whole pack? Just for a woman? Is there a lack of women in my pack?" Blaze said, then he looked at Arvan and continued.

"No. I saw her and liked her. But when I saw, you were looking all the way at her. The way you looked at her I thought you loved her. But I never thought you were just a fool like your chosen mate. Rose told me that her mate rejected her but she never told me his name. But I knew who her mate was from the very first time."

Arvan glared at him. "She can't be your Luna. I can't let this happen."

"Why not? If she accepts me, everything will be over for you. I heard if the Luna stayed alive after the rejection, then the Alpha would have to bear the consequences. Is it true, Alpha Arvan? Then please start to make a plan of how you will bear it. Because very soon she will be mine." Blaze said and grinned at Arvan.

"Don't hurt her. I have already hurt her a lot."

"Don't worry. When I said those at the dinner table that I would pursue, chase and cherish her, I didn't lie."

Arvan was about to speak but Blaze's phone rang. He received the call.

"Hello, Blaze. Where are you? I thought you were outside. I am waiting for you outside." Rose's voice was heard from the phone. They were in a silent place so they could hear her voice.

"I am coming, Darling." Blaze said and hung up.

"My darling is waiting for me. I need to go." Blaze said and didn't wait for them to talk, he left the place.

Liam looked at Arvan. Arvan was looking sore. After Blaze left the place, Arvan punched hard into a wall.

"Hey buddy, calm down. We will think about a solution." Liam assured him.

"This man will make her his Luna? Will he dare? I will make her mine very soon then. He said she would accept him, right? I will mark her before she gets a chance to accept him. I am not leaving my mate. I

made a mistake last time when I rejected her, but this time I will mark her and make her mine forever. With or without her consent, she will be mine." Arvan said and left from there.

Liam sighed. "How many times have I told this man not to reject his mate but he didn't listen to me. Now he is in a mess. Who knows what will happen? I hope everything will be okay between him and Rose very soon." Liam told himself.

---

Rose was waiting for Blaze outside. Blaze came after a few minutes. "Where were you?" She asked.

"Why? Was my Darling worried about me?" Blaze asked while grinning.

"Shut up. I never said that. Alpha Arvan took you with

him so I thought if everything was okay or not. I don't believe him. He can do anything. So I was worried about that." Rose explained.

"Okay fine. But now where will we go?"

"I don't know."

"Let's go somewhere we don't usually go."

"Like?"

"Like, let's go fishing."

"Fishing?" Rose asked confusingly.

"Yes, fishing. We will catch a lot of fish and then give it to the staff. They will cook those fish for us."

"Okay as you want."

"Why? You don't like fishing?"

"I have never gone fishing."

"I see. No worries. I will help you."

Rose nodded and got in his car. Blaze went to the driver's seat and started the car.

They spent all the noon and afternoon fishing and eating cooked fish. Rose was happy because she had never gone fishing, it was her first experience and she caught fish for the first time.

"Did you enjoy yourself today?" Blaze asked her.

Rose nodded to him. "Yes, thank you, Blaze. I really enjoyed fishing. And those fish were so delicious."  
Rose said to Blaze.

Then she looked at him. "I forgot to ask you, Blaze, What did he tell you?"

"He? Who?" Blaze pretended to be naive.

"I mean Alpha Arvan."

"Nothing. He just told me about how my pack work was going on. That's it."

"Are you sure?" Rose asked.

If you find any errors ( broken links, non-standard content, etc.. ), Please let us know < report chapter > so we can fix it as soon as possible.

"Yeah. Why?"

"Nothing." Rose replied and looked out from the window. They were returning. Blaze told her that he would drop her home.

Blaze dropped her at her home and told her to contact him. He would come again. She told him that he did not have to come here. But he insisted that he would like to spend some more time with her. Because they were good friends. So Rose nodded at him.

That night, Rose was confused about the whole day but she tried to forget about everything and fell asleep.

---

The next day,

Arvan woke up soon and called someone.

"Alpha Arvan, what a pleasant surprise!" A voice could be heard from the other side.

"Where are you?"

"I am far away from the pack. Why?"

"Come back soon." Arvan said.

"Is there any emergency?"

"You have your duties in my pack. I didn't give you all the facilities for roaming around the world."

"Yes, Alpha. I will be back in three days."

"I don't like to wait. Come back fast." Arvan said

coldly.

"I will come back tomorrow, Alpha."

After hearing that, he hung up the call.

He was very confused about his whole situation. How did he become so weak? He was never confused in his life like this. He never lost his hope. Not even in the war when he got injured. He still won the war. But today he was feeling lost.

"Why are you making me feel like this, Rose Lee? Some days ago, you were just a stranger to me. But now I am feeling like I will lose my entire life if I lose you. What are you? My Desire? Or my addiction? I don't care if you are an omega. But I can't let you go to him. You are mine and you have to be mine for the rest of your life. You don't have any other options. I won't give you any other option. You can only be

mine." Arvan muttered while drinking.

Henry knocked in his office.

"Come in."

Henry entered the office room. He saw Arvan drinking. He was shocked. He had never seen the unprofessional behavior of Arvan. He never drank in daylight.

"What happened? Why are you drinking?" Henry asked and saw a bandage in the palm of his tattooed hand.

"Are you hurt?" He asked.

Arvan looked at him and leaned back in his seat. He closed his eyes and asked, "Henry, what if I say I made a very big mistake that I can't make up for it,

then what do you suggest to me?"

Henry was taken aback. "What are you talking about, Arvan?"

Arvan opened his eyes and shook his head.

"Nothing."

"Are you in a hangover?"

Arvan laughed at the question. "Do you think alcohol can make me drunk? No, Henry, it is something else that is sitting on my mind that I can not resist its charm."

Henry thought Arvan was drunk so he just nodded at him. "You should sleep for some time."

"No, I don't want to sleep. I am totally okay. Tell me what happened. Why did you come here?" Arvan

asked calmly.

Henry was amazed. 'Doesn't he look drunk a few seconds ago? How can he calm down in a second? Is he really drinking? Or upset with something?'

"I came here to inform you about the pack dinner."  
Henry said.

"Pack dinner?" Arvan asked.

"Yes, Alpha Micheal wants a get together. He told me to inform you to come on time for dinner tonight."

Arvan nodded. "Okay, tell him. I will."

Henry looked at him for the last time and left the office.

In the evening,

Rose was getting ready because her mom told her that they were going to the pack house today. She didn't want to go there. But her mom told her that Alpha Micheal invited them because they are his gamma's family. Rose then agreed with her.

Rose wore an off-white dress. She tried to do a ponytail again but she remembered what Arvan told her today. She didn't know why but she let her hair down.

She looked at herself in the mirror and saw she was looking okay.

Then she went downstairs. Her mom was waiting for her.

"Mom, how could you come here early for dinner? You always come home late."

"Rivana took a leave on my behalf, so my boss let me go early."

"That is so nice of her."

They went to the pack house. Everyone was sitting on the couch except Arvan and Liam.

Rose went to Alpha Micheal and Rivana. She greeted them.

"I am so happy that you have come. How are you now?" Alpha Micheal asked.

"I am totally fine now, Alpha." She smiled at him.

Rivana came to her and hugged her. Rose was stunned but immediately hugged her back. "My child, why didn't you come here? I and your Alpha Micheal

are always alone in the house. Please come sometime with your mother to give us company." Then she moved away and looked at Rose.

"Sure." Rose said while smiling at her.

Rita came to her and hugged her. "Come sit with us." Rose and her mother sat on the couch. They talked for some time. Rose was talking when she saw Pack doctor Harry was also there. Rita told her, "It is a get together. Dad invited Harry too because Harry has a good relationship with us. He even treated you."

Rose felt nervous because her mom told her that Harry wanted to meet her after she woke up but she refused it. She knew Harry doubted something that time about her wolf.

She looked at Harry. Harry smiled at her and nodded. She nodded back.

When it was time for dinner, they went to sit at the table. They sat and didn't start. Rose was confused.

Gamma Jack told her, "Arvan hasn't come back yet, we can't start eating without the head Alpha."

Rose then realized the head chair and the chair beside the head chair was empty. She almost forgot about Arvan. How could she forget?

Then a maid came and bowed to Alpha Micheal and informed him,

"Alpha is back. He is coming for dinner."

If you find any errors ( broken links, non-standard content, etc.. ), Please let us know < report chapter > so we can fix it as soon as possible.

Arvan came to the table and sat down on the head chair. Liam also came following him and sat right beside him. Liam was amazed when he saw Rose. He glanced at Arvan. But Arvan didn't look shocked. Because he already smelled his mate's scent.

"Start eating everyone." Arvan let out. Everyone started to eat.

Alpha Micheal asked Arvan, "Where were you? Didn't I tell Henry to inform you of the time?"

Henry stopped eating and looked at Alpha Micheal. "I informed him about the time."

Liam looked at Alpha Micheal. "Dad, we were busy with something important. Arvan didn't want to be late

but we had to wait for something."

Alpha Micheal nodded at him and continued to eat.

Arvan was eating quietly. Rose looked at him. 'Why is he so calm?'

Arvan looked back at her and caught her gaze. Rose immediately averted her gaze from him. Arvan was staring at her for a while. It was not unnoticed by everyone. Everyone saw him staring at Rose.

Alpha Micheal peeked at Rose and saw she was ignoring his son. He turned at Rivana. Rivana's mind linked his mate. 'What happened to our son? He had never stared at anyone like this before.'

Micheal nodded and said, 'Hope he is not planning any evil things.'

'Just because my son has tattoos and piercings, that doesn't mean he is lewd, Micheal.'

Alpha Micheal chuckled and everyone looked at him. "Oh sorry. It's just mate's talk, you know." Everyone chuckled at his remark, excluding Arvan. He was still staring at Rose.

After finishing dinner, everyone sat on the couch again. They started to talk about how everything was going well in the pack and all.

Harry looked at Rose and said, "Can I talk with you for a minute, Rose?" Everyone stopped and looked at him.

Arvan frowned at him.

Harry felt his gaze and looked at him. "I want to check her health. I told Mrs. Lee about the second check.

But maybe Rose was too busy for that."

Rose was feeling uncomfortable. "No, it is okay."

"If he says he needs to check, then let him check. He is our pack doctor for a reason." Arvan said.

Rose looked at him. She could not deny his order in front of everyone. She nodded.

"I just need to ask her some questions about her health, nothing else." Harry said to Arvan and he nodded.

Rose went to the garden and sat on a seat. "Yes, doctor Harry."

"I want to ask you about your breathing. Do you have any breathing problems?" Harry asked.

Rose shook her head. "No. Why did you ask?"

"Because I felt something in your breathing. I could not find your wolf's odor. I am a pack doctor. I treated a lot of wolves. But I have never seen this type of case before. Is your wolf okay?"

Rose was silent for some time. Then she spoke,

"She was not okay before. But now she is totally okay."

"What do you mean?"

"Nothing, Harry. Do you have any other questions?"

"No, I just wanted to ask you if you are okay or not. I could not ask that in front of everyone because they would worry about you even if it was nothing."

Rose nodded and stood up. "Thank you, doctor Harry. You helped me a lot. In those three days, you treated me well. You are a very responsible doctor."

"That is nothing, Rose. I just hope you will always be alright and healthy."

Rose smiled at him and nodded.

They went back to everyone. Selena asked Harry, "Doctor Harry, How is she?"

"Don't worry, Mrs. Lee. She is totally fine."

"That's a relief."

Selena told everyone that it was late so they had to leave now.

Alpha Micheal told Henry, "Go and drop them at their

house."

Before Henry could nod, Arvan stood up. "I will drop them at their house." Everyone was shocked.

"What? I have some work on that side. So if I am going there, then why not drop them off?"

Liam smirked and shook his head. 'Alpha Arvan is giving explanations to everyone? Love is really making him crazy.' He thought.

Selena nodded at Arvan. Rose left first.

She was about to sit in the back seat when her mom stopped her. "What are you doing? He is not our driver, go and sit in the front seat quietly." Rose rolled her eyes and sat there.

Arvan started the car. The whole time, the car was

silent. Arvan broke the silence. "Mrs. Lee?"

"Yes, Alpha?"

"How is your work going?"

"I am doing well. It is just that the pressure is more than before."

"Is it because of the migration?"

"Yes, Alpha."

Arvan nodded and said, "I see. I will do something about it."

Selena was amazed at his helpful behavior. "Thank you, Alpha."

"It is the least thing I can do for you." He said and

glanced at Rose who was looking outside through the window.

After some time they reached Rose's house. Arvan stopped the car and saw Rose had fallen asleep.

Selena was about to call her but Arvan stopped her. "It's okay. Maybe she is very tired. I am carrying her."

Arvan got out of the car and opened the door. He bent and took her in his arms.

Selena also got out of the car. "I am apologizing to you, Alpha. You have to do all of this."

"I told you it's totally okay."

Arvan entered the house. "Her room is upstairs in the first room." Selena said.

She wanted to go but Arvan stopped her and told her that Rose would wake up.

He carried her into her room and closed the door. He looked at the room. It was a small room but full of her smell.

He laid her down on the bed and covered her with the quilt.

He was about to go back but stopped and looked at her. He caressed her cheeks and kissed her lips.

"Good night, Baby. Sleep tight."

Then he slowly closed the door and went downstairs.

He saw Selena, she was waiting for him.

He asked her about Rose's condition,

"Is she okay now?"
