Chapter 160

Twenty minutes later, Jasper showed up in front of Alyssa's villa. He rolled down the windows and stared at the warm lights from the windows, brustrated at the thought of Landon and Alice alone.

Frowning, he clutched his phone in his sweaty palm. The screen showed the photo of Alice in a sexy, silky nightdress that showed off her lovely curves.

She had only worn loose cotton pajamas in the past, which made her look pregnant. After the divorce, she had let loose of herself and turned into a siren who captivated men everywhere!

His firm chest rose and fell. Looking at the photo, he tugged on the perfect knot on his tie. He felt a rush of temptation.

On the other hand, Landon stared at Alyssa with a long face while she chomped on the blue cheese chicken sandwich. He grew up in a very sheltered environment, where his mom doted on him and catered to his fussy tastebuds. He would never eat something like blue cheese.

"Aren't you eating? It won't be nice when it gets cold," she wondered.

"I—I'm too excited to eat." He squeezed a smile.

"It's just a sandwich. Do you like blue cheese? I have a lot. Bring some home."

"No thanks!"

This was a small sacrifice in the pursuit of his crush. He picked up a sandwich and bit into it but immediately started coughing voon smelling the stench. C

He glared at Sean. That guy appeared innocent, but the evil grin on his face exposed his glee.

"Oh, I didn't know you can't take blue cheese. You should have told me earlier. It does stink a bit, doesn't it?" Alyssa attentively poured a

glass of water for Landon.

The doorbell rang at that time.

"Tonight's unusually busy. I'll take a look." Sean went to the intercom and pressed the button. He was started and stumbled backward

when Jasper's face appeared on the screen.

"I'm here for Alice White."

"Who's that Sean? Alyssa joined Sean with Landon, who looked flushed and agitated from the blue cheese incident. They were bom

shocked when they saw Jasper's face on the screen.

"How did he Did you tell him? Alyssa connected the dots fast and shot Landon a death stare

"Uh, Alice, I didn't have a choice. That prick Jasper threatened me!" Eyes brimming with tears, Landon pressed a hand on his chest in an. attempt to get over the stink of the blue cheese. "He said he'd unfriend me if I refused to share your address. And –

"What else?" She frowned.

"He also threatened to not finalize the divorce. Jonah and I can't date you if you aren't divorced."

Alyssa seethed at Jasper's shamelessness, Curting her fists, she pushed Sean behind her and hissed into the intercom, "Why did you

show up at my place? Leave now, or I'll call security."

"Alice, come out." Jasper frowned and sounded a little imitated. She snorted. "Who do you think you are telling me to leave my house"

"Landon, you come out," Jasper barked at Landon with fiery eyes.

"No." Knowing that Jasper was skilled in combat, Landon was terrified at the idea of going out

"Landon Harper!"

"Mr. Harper is my quest. He came all the way to deliver a gift. There's no reason for me to kick out my quest who gave me a
