

Chapter 5181

Claire finished all the classes at noon and returned to the hotel.

Once she entered the room, she couldn't hide her excitement and said to Charlie,

"Honey, our classes are all over!"

Charlie smiled and asked her, "How do you feel after the whole master class?"

"Very good!" Claire could not help but sigh:

"The heritage of the top design schools, as well as the thinking of the top design masters,"

"It is difficult for a small designer like me to learn to understand on their own,"

"It is like those who study classical music, you have to go to the top classical music schools like Curtis,"

"Juilliard, in order to realize how big the gap between self and the world's top."

Saying that she with a self-deprecating smile said seriously:

"In fact, I feel, I am such a small student, suddenly came to this kind of top hall,"

"Not at all like to learn something, but more like a pilgrimage."

Charlie smiled gently and encouraged: "Do not think so,"

“I have always felt that you have the talent to become a world-class designer,”

“You are still young, and have not yet ushered in the thick and thin time,”

“The masters of various industries are generally in the age of 40 or 50 years old before they start to make a fortune,”

“You are still so young, must not look down on yourself,”

“Maybe when you are forty years old,”

“You will be able to become the world’s top female designers,”

“At that time, I will really lie flat at home to eat with the earnings of my wife.”

Claire couldn’t help but laugh out loud and said shyly,

“I’m afraid that before I become a world-class design master,”

“You’ll already be a world-class feng shui master.”

Charlie laughed: “If Bill Gates asks me to read feng shui, then I really have to think about it.”

Claire curiously asked: “Why honey,”

“Bill Gates asks you to read feng shui and you have to consider?”

Charlie laughed: “Who came all the way to the United States to serve him ah,”

“If he buys a villa back in China, maybe I still consider seeing it.”

Claire couldn't help but laugh out loud and said,

“You, you said you were fat and you're really panting!”

After saying that, she remembered her mother, and asked her:

“By the way husband, how is mom doing in New York in the end,”

“These days I make video calls, she always does not answer,”

“Must be converted to voice before willing to talk to me a few words,”

“I always think she is not hiding something from me.”

Charlie thought: “Of course, she has something to hide from you,”

“You certainly can not imagine, she broke her leg again,”

“Right now this Bedford Hills ghost is in the hospital in New York to recuperate,”

“If you video call her, will it not leak the stuffing?”

Chapter 5182

However, Charlie smiled and comforted:

“You, do not think too much, Mom’s style of action you do not know,”

“We are the two ordinary people, simply can not figure her out,”

“Anyway, tomorrow we will return to the country, she certainly will not stay alone in the United States.”

Claire nodded and asked, “By the way, husband, have you fixed the tickets?”

Charlie shook his head and said, “No need to book air tickets,”

“Miss Fei just happens to have a plane to return to China,”

“So she can take us back by the way.”

Claire was surprised and asked, “Miss Fei?”

“Is it the Fei family’s Miss Stella Fei?”

“Right.” Charlie nodded: “Yes, it is her,”

“Some time ago that ba5tard of their family Randal Fei really brought a big trouble for them,”

“I went to help her change the feng shui, so that the Fei family could survive the crisis,”

“Miss Fei has been very grateful,”

“She knows that we will soon return to the country,”

“So she took the initiative to let us take her plane on our way back.”

Because there were more people going back together this time,

So Charlie did not intend to take so many people to take an ordinary civilian airliner.

However, his own Concorde is really eye-catching,

Not only have to explain it to Claire. But the mother-in-law’s love to show off is also a big problem,

Sitting in a Gulfstream she cannot stop posting online statuses.

If they take the Concorde, it is estimated that she will do it for a week.

So think about it, Charlie plans to let Stella randomly arrange a plane,

He is that close to her, about this small matter, he is not embarrassed to ask.

When Claire heard that Charlie was going to take Stella’s plane back,

Her expression was a bit complicated for a while.

When she first met Stella, Stella was still using her other identity named.

It was only when Claire saw Stella on TV that she realized that the person,

She thought her “best friend” hadn’t even told her, her true identity.

However, Claire was not angry, after all, she also knew that Stella’s status was unattainable,

And she, as a small entrepreneur from an ordinary family, was a hundred thousand miles away from her,

So it was rare that she could use another identity to make friends with herself,

Not to mention that she also helped her to get a valuable master class slot.

The only thing that she is not happy about is the fact that Stella has suddenly evaporated,

Without leaving any clues from the friend she had been talking to.

Claire’s friends are not many, and after you make heartfelt friends,

No one expects the other party to evaporate without any clue,

And you later find that even the identity is false, which makes her heart, more or less, have some blow.

Thinking of this, she could not help but ask: “Okay husband, Miss Fei will return to the country with us?”

Charlie shook his head: “She shouldn’t, what’s wrong?”

Claire sighed lightly and sighed:

“It’s okay, friends are friends after all, as long as everything goes well for her, it’s good.”

Chapter 5183

Charlie could see that in Claire's heart, she still treated Stella as a friend.

Only, on the basis of the huge gap between the social status of the two,

So that her own heart is also a little beaten back.

In this regard, Charlie understood very well in his heart.

Moreover, for him, he did not really want his wife to get too close to Stella.

On the one hand, Stella already knows his identity,

If the two of them get too close, it is likely to reveal his identity clues.

On the other hand, Stella is too smart, in contrast, Claire in front of her,

Is like a schoolboy facing a graduate student, one is too smart, one is too naive,

Such two people if they really become friends,

Both sides in order to compromise with each other must be very tired.

So, the two people just keeping the current state, in Charlie's opinion is the best.

So, he digressed and asked Claire,

"Honey, what time is the closing ceremony starting in the evening?"

Claire said, "The ceremony is from 5:00 to 5:30 pm to start signing in,"

"And it officially starts at 6:00 pm."

Charlie nodded and said, "Then let's collect our luggage in the afternoon,"

"And we can drive to New York in the morning."

"Yes!" Claire happily agreed and said with some joy,

"I've been out for so long, I'm really homesick!"

"Dad finished his exchange a few days ago and went back from Korea,"

"So I don't know how he's doing at home alone these days,"

"He can't cook either, so eating alone is a problem."

Charlie laughed: "Eating is a small matter, these days there is cell phone,"

"Where one can not be hungry, and Mom is not at home,"

"Dad you may not know how happy he is living alone,"

"So he may also look forward to us going back later,"

"For middle-aged married men can live alone at home for a few days,"

"It is more comfortable than being the President of the United States for a few days."

Claire could not help but sigh: "You see when we first came to the United States,"

"Dad also went to Korea for exchange, mom was alone at home,"

"According to what you just said, she must have been very comfortable at home alone,"

"But she still missed us, so she came all the way to the United States to see us."

Charlie was a bit dumbfounded and thought to himself,

“She has us in her heart? Good wife, you do not know your own mother well enough,”

“The reason why your mother came to the United States,”

“The reality is, in order to let her come to accompany you, I designed a small scheme,”

“Let her spend all the money, but where she has a hundred thousand or two hundred thousand in her hand,”

“Fix a golden chair to invite her, she would not come to the United States.”

Chapter 5184

However, naturally, Charlie could not tell the truth,

So he said with a smile, "You are right, wife, mom is more sentimental."

Claire laughed and said, "We will leave tomorrow morning,"

"We will be home in ten hours or so,"

"By then Dad's these good days are I am afraid going to come to an end."

While Claire was packing her luggage,

Charlie went to the terrace of the presidential suite and made a phone call to Auntie Li in Canada.

Just after the phone was connected,

Auntie Li called out respectfully on the other end of the line, "Young master!"

Charlie wanted to persuade Auntie Li not to address him like that,

But after thinking about it, he finally gave up the idea.

He knew that even if he asked Auntie Li not to call him Young Master,

It would not change the fact that in Auntie Li's heart,

He was the young master of the Wade family.

Plus, she always felt that it was the Wade family that saved her life and arranged for her to retire in Canada,

And in her mind, she felt that she was a servant of the Wade family.

In front of people who did not know Charlie's identity,

She would call him by his name against her heart,

But when there were no outsiders, she wanted to call him young master from the bottom of her heart.

So, Charlie also stopped pointing out this matter,

But said with a smile, "Auntie Li, Claire's course here has ended today,"

"We plan to return to Aurous Hill tomorrow, you and XiaoFen,"

“Along with Claudia should simply prepare, come to New York tomorrow to meet up with us.”

When Auntie Li heard this, she couldn't help but say happily,

“That's great Young Master, all this time,”

“Fanny has been talking to me about returning to Aurous Hill,”

“And I've been thinking about the large orphanage you mentioned, and I've been longing to return.”

Charlie laughed, “That's great, I was afraid you wouldn't be able to leave the Canadian environment.”

Auntie Li said very seriously: “Young master, to be honest,”

“When people get older, nowhere is as good as home,”

“Not to mention that I can still shine for those children after I go back, so I can't wait.”

“That's good.” Charlie also breathed a sigh of relief and asked,

“By the way Auntie Li, how are Fanny and Claudia doing lately?”

Auntie Li returned: "They both still go to the supermarket every day to work,"

"After the last incident, the two had a better relationship, like sisters."

Charlie asked, "Regarding the matter of going to Aurous Hill,"

"Did Claudia show reluctance or have any worries before?"

Auntie Li thought about it and said, "Since you left,"

"Claudia seems to be more optimistic and cheerful,"

"And she is still looking forward to going to Aurous Hill to start a new life."

Chapter 5185

Saying that Aunt Li added: “However, the only thing she may not be able to rest assured,”

“Is the mausoleum of her parents and brother, Fanny promised her that in the future,”

“Every year during the summer vacation, she will accompany her back to pay respect to her parents,”

“And she has nothing to worry about it anymore.”

“That’s great.” Hearing this, Charlie also slightly put down his heart.

Although he did not have much contact with Claudia,

But this girl’s experience really made him very sympathetic,

Especially the family died at the hands of relatives,

And eighteen-year-old her, but bear the humiliation, a fake scar on the face to show people,

With this mind and patience, the ordinary eighteen-year-old girl could not just cope.

It is a good thing that she helped Claudia to kill her enemy,

Otherwise, it would be difficult for this girl to live a normal life.

If she hadn't discovered that they were plotting against Xiaofen and alerted him,

He wouldn't have been able to save Xiaofen, let alone help her complete her revenge.

While feeling emotional, Charlie smiled and said to Auntie Li:

"Auntie Li, after going back this time, the house and the supermarket face in Canada can also continue to keep,"

"In the future, if you are really tired and want to retire, you can also come back to Canada;"

"In addition, I have arranged for Richard Chen to prepare a decent villa for you, Fanny, and Claudia in Aurous Hill,"

"So you can keep this villa for your retirement in Aurous Hill,"

"And if Fanny and Claudia get married in the future, it will be the maiden home of the two girls."

Auntie Li hurriedly said, "No, young master,"

"You and the Wade family have already given me too many favors,"

"How can I still want your villa, you just need to leave a room for us in the orphanage"

Charlie said seriously: "Auntie Li, the time has changed,"

"Today's Charlie is no longer the same Charlie who works three jobs every day,"

"And earns money for books and milk powder for his siblings in the orphanage."

"If you discount it, it's not as good as a box of lunch money when I work part-time, so you don't have to push it."

He continued: "You have taken care of me for so many years,"

"You are my benefactor, and now you have to return to work for me in Aurous Hill,"

"If I don't give you a proper settlement in Aurous Hill, others will also have words for me."

Auntie Li sighed and said from the bottom of her heart,

“Young master, in fact, for so many years,”

“I just did my own share of work, never dare to take the word benefactor

Charlie firmly said, “Auntie Li, in my heart, you are my benefactor.”

Saying that he does not want to continue to dwell too much on this issue,

So he digressed and said, “Okay Auntie, you let Fanny and Claudia start packing,”

“Whatever you need or want to bring, feel free to bring,”

“I have arranged for Orvel to fly to Vancouver early tomorrow morning,”

“Let him bring someone to pick you up from home.”

Auntie Li said, “Young master, no need to take so much trouble,”

“The three of us can just go to the airport by ourselves.”

Chapter 5186

Charlie insisted: "Auntie, the journey and other things, all matters Orvel will take care of,"

"You do not have to worry about anything, we will meet directly at the airport in New York tomorrow,"

"You and the girls will take the plane and we will return to Aurous Hill together,"

"When the plane lands in New York, we will board the plane to meet you,"

"You do not have to get off the plane to toss the connecting flight."

Hearing Charlie's firm tone, Auntie Li had to agree and respectfully said,

"Then it will be hard for you to arrange it, Young Master."

"It's not hard work." Charlie smiled faintly and spoke,

"Auntie Li, then let's see you tomorrow!"

.....

Five o'clock in the afternoon.

Charlie, who had changed into a suit, and Claire, who was wearing a long white evening dress,

Arrived at the Rhode Island School of Design together.

This is the summer vacation time for American college students,

So on the large campus, can not see young students,

But there are many faculty and staff shuttles,

And there are even many media reporters in the field of design of well-known designers.

The Rhode Island School of Design attaches great importance to the master class every year,

So the school's auditorium was especially used to hold the closing ceremony for the master class.

When Charlie and Claire arrived at the auditorium, the auditorium was already full of people.

Many designers who attended the master class had invited their friends and relatives,

And even their bosses, mentors, and partners in the design field to support the closing ceremony today.

The closing ceremony is actually an opportunity for industry elites,

To show their status and make friends with powerful people in the industry.

In contrast, Claire, who is only accompanied by her husband,

And has little background in the industry, and looks a bit out of place here.

When signing in, Claire found an inconspicuous corner on the large sign-in board and wrote down her name.

Just handed the signing pen to the etiquette lady,

Next to an oriental-faced woman who came in stride,

She wrote a huge string of signatures next to Claire's signature: Emily Wang.

Emily Wang, it seems that it should be Chinese.

The only, that made Charlie a little upset was that she signed her name extra large when she signed,

And that last letter G also threw an exaggerated arc, even drawing a bit on Claire's already signed name.

Claire saw her signature being drawn on by the other party,

Slightly stunned, but did not say anything, while Emily Wang, at this time,

Looked at Claire with a surprised face and said with a smile,

"Hey Claire, I just did not see you, when did you come?"

Claire smiled and said politely, "I just arrived."

Emily nodded and said with a smile,

"I have become a senior partner of AECOM Construction Company,"

"And our boss is also here today, I will introduce you to him later,"

"You can have a good chat with him, maybe you will have a chance to join AECOM too!"

Claire smiled faintly and said, "Thank you, Emily,"

“But I don’t plan to find a job, I’m thinking of returning to China after finishing school.”

Emily said with a serious face: “Going back to continue to run your small decoration company?”

“To be a designer is to join the world’s best design companies,”

“Become a senior partner, and then take the Fortune 500 companies,”

“Even the Olympic Games, and World Cup full project design, this is the meaning of our master class!”

Saying that she saw a few people walking not far away,

And said in a rush of surprise, “My boss is here! Let me introduce you to him!”

Chapter 5187

Claire did not intend to exchange too many pleasantries with Emily,

So she hurriedly said to her,

“Emily, I’m not very good at socializing, so I won’t bother your boss.”

Saying that she then said to Charlie,

“Husband, why don’t we go in first.”

When Emily heard Claire call Charlie her husband,”

“She looked at Charlie with a surprised face and asked,

“You’re Claire’s husband, huh?”

Charlie nodded slightly: “Yes, I am.”

Emily looked Charlie up and down twice and laughed:

“Claire said you specialize in reading feng shui for people,”

“Do people still believe in such deceitful things?”

Charlie frowned slightly and spoke,

“Many things are believed or not believed, just like religious gods,”

“No one has ever seen a God, but it doesn’t stop believers from believing in his existence.”

Emily laughed: “God and feng shui is not the same thing,”

“God is faith, in other words, it is a crystallization of wisdom,”

“As for feng shui, it is just some charlatans to woo the feudal superstition.”

Charlie waved his hand and laughed lightly:

“The real theory of feng shui is from the eight trigrams of the I Ching,”

“And the I Ching was written in the Western Zhou Dynasty, more than three thousand years ago,”

“Its history is longer than the world’s three major religions,”

“So the next time Miss Wang you review a matter,”

“It is best to figure it out before you speak, lest you make a fool of yourself.”

Emily did not expect that Charlie opened a mockery of herself,

Her face was a little embarrassed, but, what Charlie said about the I Ching,

She had only heard of it, but never understood it in depth,

So she did not know how to refute it after being mocked by him like this.

So she simply shrugged her shoulders and coldly hummed, asking him,

“You know so much, why don’t you show me the feng shui here,”

“And also let me personally experience whether the feng shui secret art you say is reliable or not.”

Charlie did not want to pay attention to her,

But after looking her up and down, he could not help but laugh:

“This look does not matter, Miss Wang’s career luck seems to have a big problem.”

“Career luck?” Emily was slightly stunned, and then smiled and said,

“You said my career luck has gone very wrong?”

“Right,” Charlie said with certainty:

“There is indeed a big problem if I’m not wrong,”

“Your career will soon suffer an extinguishing blow,”

“And all the roots you have worked so hard for before, may all go up in smoke.”

Chapter 5188

Emily laughed shamefully: "What are you kidding me,"

"If you say I may have other problems, I might still believe you a thousand percent,"

"But you saying my career to suffer a blow, this is simply a joke!"

Emily said with an arrogant face: "AECOM, AECOM, you may not know much about this company,"

"This is the world's top design group, among the listed companies, with a market value of more than 10 billion dollars!"

"There are only a few dozen people in the world who can be a senior partner in such a company,"

"And I happen to be one of these few dozen people, and I'm the youngest one among the few dozens!"

"Moreover, to become a senior partner, the annual income before tax is more than five million dollars,"

"And the top partners can even achieve a year of more than a hundred million dollars!"

Speaking of this, she looked at Charlie with a sneer on her face and laughed shamefully,

“I just became a senior partner today, and my future is bright,”

“So who are you to say that my career is going to suffer a crushing blow?”

“Is it just based on my face? What a joke!”

Charlie was disliked by her though he was angry, staying very patient he said:

“You are indeed red today, there is a great joy, but your brow hostility is too heavy,”

“Which proves that you are not good-natured, plus your eyes are large,”

“But slightly prominent, eyes do not hide nature, from this can be seen,”

“You are narrow-minded, have a hidden evil in the heart, and your lips are very thin,”

“You talk sharp-eyed mouth, this is Typical thin lips tip,”

“Proving that you are usually sarcastic, good at causing trouble,”

“Which are easy to get into trouble characteristics.”

Emily sneered, “Yo, you feng shui reader, you start to engage in personal attacks now?”

“What’s wrong with my big eyes and thin lips?”

“This is easy to cause trouble? Then why don’t you say I’m pretty and tall and have a good figure?”

Charlie laughed: “I was just going to say, your eyes up, mouth shape down,”

“Lying silkworms containing mole, this is the standard charming phase,”

“Saying you were born charming bones is not too much,”

“And you have a great joy of the momentum,”

“And your natural charming bones have a necessary connection,”

“To put it bluntly a day, you can have career luck, your looks and body have helped a lot.”

Emily heard this, suddenly became a little less natural, stammered, and said:

“You you do not bullsh!t here I tell you,”

“I can be here today, it is a step-by-step struggle! Never rely on looks and body.”

Charlie bristled: “From the face, every rise in your life, is inseparable from the body,”

“But this kind of thing you listen to, accurate or not, you have a number in your heart on the line.”

Emily immediately angrily sneered: “I say you do not go for a personal attack,”

“Believe it or not I can have a lawyer sue you?”

After saying that, she herself snorted coldly and said with contempt:

“Besides, what’s the use of you talking a bunch of nonsense here?”

“I am lucky today, a step to the sky, where is the extinguishing blow you said?”

Chapter 5189

Charlie was about to speak, a middle-aged male came to the front,

Smiling said to Emily, “Emily, what friend you are chatting with so opportunistically.”

Emily looked at the middle-aged man and said with a smile,

“Chairman, you’ve come over so early!”

The middle-aged man laughed and said,

“I definitely had to come over early to support your closing ceremony.”

Saying that he looked at Claire with interest and asked her,

“Emily, you still haven’t introduced me to this beauty?”

Emily hurriedly said, “Chairman, this is the master class classmate I often told you about, Claire Willson.”

After saying that, she hurriedly said to Claire again,

“Claire, this is our boss, Matthew Peterson.”

Claire just nodded to Matthew and did not say anything.

Matthew, however, seemed to be somewhat amazed by Claire,

And hurriedly took out a business card, handed it to her, and said seriously,

“Ms. Willson, we are actively absorbing some young blood recently,”

“And a young and talented designer like you is the most urgent partner at present.”

“I can give you a partner status with an annual salary starting from at least one million dollars!”

Claire shook her head and said lightly,

“Sorry Mr. Peterson, I have my own company, which is small,”

“But in my opinion, it is much more comfortable than going to work for any company.”

Matthew Peterson’s expression was a little disappointed,

But he quickly adjusted again and said with a smile,

“Never mind, we are also looking for some potential start-up design companies around the world at the same time,”

“If Ms. Willson wants to cooperate with us or take our investment, we can have an in-depth chat.”

Charlie could see that this Matthew Peterson was not harboring good intentions,

So he said lightly, “Sorry, my wife doesn’t need investment from anyone but me.”

Matthew frowned at Charlie and opened his mouth to ask Emily,

“This gentleman is?”

Emily hurriedly smiled and explained,

“Boss, this is Claire’s husband, he is a very powerful feng shui master,”

“He just read my face and said that my business will suffer an extinction blow,”

“It happens that you are my boss, please help me to confirm,”

“Whether my business is going to soar upward or fall downward today.”

Charlie smiled and said seriously, "I just said that you do have great joy today,"

"Although you have a bad face, after all, you were born with charming bones,"

"As long as there is a man with strong enough ability to be attracted to your charming bones,"

"His ability will be able to help you to suppress the defects in your face."

Matthew laughed and spoke, "Of course, it's upward soaring!"

After that, he looked at Charlie and said with a smile,

"Sir, today Emily was promoted to senior partner,"

"Her salary has doubled several times, moreover,"

"I am her boss, when I say let her go up,"

"She will definitely go up, I wonder how you judge that her career will meet its end?"

Chapter 5190

Charlie looked at Matthew and said indifferently,

“You should not think that you can sway her future because you are the boss,”

“Feng shui is here, it is the most impossible to be wrong,”

“Maybe the one who really gives her the doomsday is you.”

“Joke.” Matthew Peterson sneered and said,

“I’ve lived for over forty years, the first time I’ve seen you such an arrogant young man,”

“Do you know how much I value Emily?”

“Even if the sky were to fall, there is no way I would give her any extinction.”

Charlie ignored him, just look at Emily, and said with a smile:

“I just said, you do have good luck today,”

“But your fault is that you should not wear this outfit,”

'This outfit in addition to black is white,"

"Just with your red face to form a strong contrast, which in feng shui, then has formed a brake!"

Charlie paused, and said: "You know when people are happy,"

"The most taboo is to wear like this. Black and white is only worn at the funeral and it will not offend,"

"Any other time will form a feng shui brake, even if the bride gets married,"

"Only dare to wear a pure white wedding dress, who dares to add black elements in a white wedding dress,"

"If done so, the wedding is bound to have a lot of bad luck,"

"And your black and white has obviously overshadowed your full red,"

"So your luck today is bound to be counteracted by this break,"

"And your luck happens to be in the business,"

"Which also means that your career is bound to suffer a disaster of extinction."

Emily listened to Charlie, and the whole person got angry:

“You people are really dirtbags! What black and white with offensive,”

“You know this is Chanel’s high-end custom models!”

“Ordinary people with a lot of money even cannot buy it!”

Charlie laughed: “What high-end custom, I do not know much,”

“But I bet the person who designed this outfit does not know feng shui.”

Matthew also mocked: “Emily this body Chanel high-fashion models, I specifically got after finding Chanel top designers personally,”

“And black and white color scheme is the most classic Chanel color scheme,”

“If you do not know anything, do not laugh here!

Emily sneered, looked at Claire, and sneered, “Claire,”

“You at least came to the Rhode Island School of Design master class,”

“How come you married such a man who is deceitful and full of lies? He is too unworthy of you!”

Claire heard Emily say this about Charlie, her heart was naturally a little angry,

So she did not answer Emily's question, instead, she spoke with a serious face:

"Emily, my husband is very accurate in reading feng shui for others,"

"He has many prominent clients in the United States,"

"He definitely will not believe what he says."

Matthew off to the side said, "Ms. Willson, people with distinguished status have a common characteristic,"

"That is, a high IQ, how could they be deceived by such a clumsy deception of your husband?"

After saying that, he sighed and mocked,

"Rhode Island School of Design is the best design school in the world,"

"The master class here is even the elite of the elite,"

"I really don't know how a charlatan like you, who talks out of his a55,"

“Got mixed up here, in your Chinese saying, that is a rat turd that ruins a pot of soup.”

As she was saying this, Emily suddenly looked toward the entrance,

And exclaimed with a horrified face, “Boss, Miss Fei Fei is here!”

Chapter 5191

“Miss Fei?!” Matthew exclaimed, “How did Miss Fei get here?”

After saying that, he hurriedly turned his head to look at the entrance.

It didn't matter what he saw, he saw the beautiful young Stella,

Accompanied by Karl, walking in!

In an instant, Matthew's body trembled with excitement.

When the others saw Stella, they were all speechless with shock,

And deep inside they were equally surprised and happy.

No one expected that the famous Stella Fei would appear here.

Although this is the temple of top designers,

But the profession of designer, itself is equal to the service of rich people's technician.

Compared to a heavyweight big shot like Stella, they are more like a group of Michelin restaurant chefs,

Each of them looking forward to a chance to personally cook a good meal for a top client like Stella on a regular basis.

However, with their rank, they were not qualified to serve her personally.

But who would have thought that today, such a group of chefs gathered,

And Stella, a top tycoon, would also come to support.

This really makes them feel flattered!

And Charlie also did not expect Stella, who was already the head of the Fei family,

Would come to Providence personally without a greeting.

But in Charlie's mind, Stella came here especially, should be to support his wife.

The moment Claire saw Stella enter, she said to Matthew and Emily with a bit of gambling and impulsiveness,

“Don't you guys believe that my husband has shown feng shui to many people of high status?”

“To tell you the truth, this Miss Fei is one of my husband's clients, if you don't believe me, you can ask her!”

On normal days, Claire rarely cared about other people's comments.

But today, these two kept mocking Charlie, which indeed made her very dissatisfied in her heart.

She used to doubt that her husband would be cheating when he read feng shui for others.

However, as Charlie's clients became more and more numerous,

And their social status became higher, she found that not only did Charlie not lie,

But he had accumulated a very good reputation in addition to money.

This made her heart, gradually accept the setting that Charlie is very good at reading feng shui.

So at a time like this, she naturally couldn't stand the two people who kept blabbing about her husband.

It just so happened that Stella came, so she instinctively thought that Stella could completely give her husband proof,

So that these two people would know that her husband was not some shoddy liar, but a person with real talent.

When Emily heard Claire's words, she immediately held her arms and laughed in shame:

"Claire, do you know who Miss Fei is? The helm-holder of the trillion-dollar Fei family!"

"A trillion dollars! As long as she says a word,"

"Feng shui masters all over the world will flock to the door of her manor and fight for a chance to see her,"

"Here you say she asked your husband to look at feng shui, you are bragging too much, right?"

"If your husband can read feng shui for Miss Fei, then I can even design the manor for Miss Fei!"

Claire said with an expression of anger, "If you don't believe me, you can ask Miss Fei."

Emily's face suddenly became very ugly, staring at Claire, gritting her teeth, and saying,

"Claire, Claire, I thought you were a simple person by nature,"

“But I never thought your heart would be so malicious!”

“It is not too much to say that you are a snake with a scorpion’s heart!”

Claire frowned and asked, “Emily, what do you mean by that?”

Emily coldly snorted: “Hey, don’t you just want to trap me?”

“Do you think I’m stupid? I really want to risk going to Miss Fei to ask the truth,”

“Miss Fei will certainly think that I am particularly abrupt, and even discontent with me,”

“Then you deny saying that just now, then even if I jump into a river to prove my innocence in front of Miss Fei,”

“I can not be washed? I could get a bad impression in front of her, my career will be finished!”

“You still say you are not trying to harm me?”

Chapter 5192

Claire was so angry with her that her eyes were flushed red,

She held back her anger and aggression and said word for word,

“Emily, you are nasty-minded to think that others want to harm you,”

“I although am not much capable, but never did anything against my conscience, and never say anything against my conscience!”

“Cut it.....” Emily disdainfully brushed her mouth:

“Claire, I out of kindness wanted to lift you up, by joining us,”

“But I did not expect you to be this kind of inconsistent, two-faced woman, really too disappointing!”

After saying that, she looked at Matthew and said delicately,

“Chairman, it’s all my fault for not being able to judge people,”

“I originally wanted to recommend Claire to you, but I didn’t expect her to be this kind of person

Matthew at this time is more or less riding a tiger.

Emily originally is his adopted lover in the company,

Because she is obedient and understanding and will serve him well.

The most important thing is that she can clearly position herself, knows that she is just a plaything of Matthew,

So she never clings to him, even though Matthew is ambiguous with other women, she is never jealous.

Later, Emily found that Matthew was a little tired of her,

And he seems to have a fondness for Oriental women,

So she took the initiative to turn into a pimp,

Not less to help him in matchmaking, so that he can meet and catch more women.

After all, as long as he keeps Emily's found lover, it is the same as planting a seed,

This seed can be a constant source of more resources for her.

And the woman Emily plans to match up with Matthew this time is her classmate in the master class, Claire Willson.

Regardless of appearance, figure and temperament,

Claire is one in a million. Emily felt ashamed when she saw her for the first time.

She took advantage of the opportunity of her daily class to secretly take a lot of photos of Claire,

And then sent these photos to Matthew. Matthew was shocked when he saw the photos,

Therefore, he planned to take advantage of this graduation ceremony to come over and get to know Claire in person,

And then use his status in the design field to get Claire into his pocket step by step.

Although he knew that Claire was married, he didn't care about it.

His wishful thinking was to keep her in his company under the conditions of a partner.

As long as this goal is achieved, he has plenty of opportunities to attack slowly.

Due to AECOM's dominance in the industry, the identity of a partner is extremely valuable in the entire design circle.

Young female designers dream of getting such an opportunity, so he firmly believes that Claire will be moved.

However, he never expected that she was not at all interested in the conditions he gave.

Moreover, Claire was not only not interested,

But even approved of her husband who practiced Feng Shui, which made Matthew a little depressed.

He felt that if he wanted to lure Claire into his company,

The first thing he had to do was to make her realize that her husband was an out-and-out liar.

So, he glanced at Emily, who was stirring up the flames, and said with a smile:

"Emily, don't say that, I think Ms. Willson is sincere, and she will definitely not deceive you on purpose."

Charlie changed the subject and said with a smile:

“Maybe Ms. Willson is also a victim, and she didn’t know she was cheated.”

Emily heard that the boss didn’t want to give up on Claire, so she hurriedly smiled and said:

“Chairman, you are right! I also think that Claire must have been deceived!”

Matthew looked at Claire and said with a gentlemanly smile:

“Ms. Willson, the largest shareholder of our company is Chimelong Capital of Wall Street,”

“And Chimelong Capital is a specialized investment entity under the Fei Family,”

“In other words, the Fei family is actually the largest shareholder of our group.”

“Although Ms. Fei doesn’t know me, I believe that if I declare my family name,”

“I should be able to become friends with her. You just said that Miss Fei is your husband’s client,”

“Although I don’t intend to question it, but to make sure that you are not cheated,”

“Ms. Willson, I can help you to verify it with Miss Fei.”

Chapter 5193

Hearing this, Charlie snorted, waved his hand, and said,

“Forget it Forget it, Miss Fei is so busy, so don’t bother her with such a trivial matter.”

Charlie deliberately refused, in fact, deliberately showing weakness to Matthew,

He knew this kind of person very well, as long as he felt that he won decidedly,

He dares to bet any chips, this move is called luring the enemy deep.

As predicted.

As soon as Matthew heard Charlie say forget it, he immediately got excited and said solemnly:

“Sir, Miss Fei is here now. If Miss Fei is really your client, you have to go and talk to her.”

“She said hello, right? And Miss Fei is one of my bosses,”

“It’s only natural for me to say hello to her,”

“So it’s not an interruption, so why don’t we go there together.”

Charlie waved his hand: “Forget it. If you want to say hello, you can go yourself, I won’t go.”

Charlie’s performance made Matthew even more convinced that Charlie was bluffing,

So he snorted and said: “If that’s the case, then I’ll go over and say hello to Miss Fei.”

After finishing speaking, he looked at Emily who was at the side, and said,

“Emily, you stay here with Ms. Willson and her husband.”

Emily immediately understood that the boss was telling her to keep an eye on Charlie and not let him run away,

So she smiled and said, “Don’t worry, Chairman, I will definitely accompany them both.”

“Okay.” Matthew smiled proudly, then turned around and walked towards Stella.

He walked quickly to Stella, stretched out his hands from a long distance,

Made a gesture of wanting to shake hands, and said respectfully:

“Miss Fei! I didn’t expect you to come here! It’s really a surprise!”

Stella originally wanted to see where Charlie and Claire were,

But unexpectedly a stranger rushed out, so she asked in surprise:

“Excuse me, who are you? Do we know each other?”

Matthew said hastily: “Miss Fei, I am Matthew Peterson, the chairman of AECOM.”

“Your Chimelong Capital is the largest shareholder of our company,”

“But you haven’t come to our company yet for inspection.”

Stella frowned slightly at first, then remembered something, and said,

“I saw your company’s name in Chimelong Capital’s financial report,”

“It seems that your recent stock price trend is not bad?”

“I remember Chimelong Capital invested in yours, and there is still a floating profit.”

“Yes, yes!” Matthew nodded quickly and courteously:

“Your investment director has a very good vision. They were the lowest in our stock price in September last year.”

“You came in and now the stock price has risen by nearly 30%!”

Stella nodded slightly, and said politely: “The stock price has risen well,”

“And there is a high probability that your business is doing well, and I hope you continue to work hard in the future.”

“That’s sure! We will announce a series of good news soon, and the stock price will definitely rise again!”

Matthew said flatteringly, then glanced at Charlie’s back not far away,

And immediately deliberately smiled and said, “Oh, by the way, Miss Fei,”

“Just now a friend just mentioned that you are his client. Would you like to come over and have a chat?”

“He said I was his client?”

Stella asked curiously: “Who is it?”

Matthew immediately pointed to Charlie who was not far away, and said with a smile:

“That’s the gentleman, he said He is a Feng Shui master,”

“And he also said that you are one of his clients, Miss Fei, do you know him?”

Stella saw Charlie’s back and immediately recognized him.

She was overjoyed at first, but then she couldn’t help but frowned and thought to herself:

“This Matthew’s tone of voice doesn’t seem quite right, what he said earlier is quite normal,”

“But why did he bother to ask in the end? He doesn’t know Mr. Wade?”

“Could it be that he suspects that Mr. Wade is lying?”

Chapter 5194

Thinking of this, Stella immediately guessed the matter, thinking:

“It seems that this guy probably doesn’t believe what Mr. Wade said,”

“So he borrowed chance and came to say hello to me,”

“And deliberately mentioned Mr. Wade, by the way, wanting me to expose him personally?”

At this point, Stella couldn’t help but said to Matthew in surprise:

“I do have a cooperating Feng Shui master, but he went to another place some time ago,”

“So he probably wouldn’t appear here, and the back of that person doesn’t seem to be him.”

Matthew was pleasantly surprised when he heard this:

“Oh! That person is probably an imposter! Miss Fei, you don’t know,”

“He’s been bluffing under your name all the time. When I heard that even you were his client,”

“I almost signed a contract with him for a few million dollars a year.”

“It’s a great fortune to meet you here, otherwise I’m afraid I would have been deceived!”

Seeing Matthew’s upper body, Stella snorted and said casually:

“The one who cooperated with me That feng shui master has a very high appearance fee,”

“If someone is not familiar with him, let alone a few million dollars a year,”

“Even if it is tens of millions of dollars a year, he will not take a second look.”

Matthew said with a smile: “It seems that the Feng Shui master you cooperated with is the real master.”

The one here must be a counterfeit. Please Stella go over and identify Charlie. But he could not say it out loud.

The reason why he hesitated was that although he really wanted to do this in his heart,

He was afraid that Stella would reject him if he said it out, making Stella feel that he was too small.

After all, Stella is the head of the Fei family, and such a high-ranking person probably wouldn't care,

About an ordinary person bluffing and deceiving using her name.

Just like the technology industry, there are countless people bluffing and swindling under the names of Bill Gates and Elon Musk.

The true and false depends on the people you meet.

They will not come out to clarify one by one or investigate one by one.

However, for Matthew, if he didn't invite Stella to come and identify him,

He couldn't slap Charlie in the face in front of Claire.

You know this is a good opportunity. Once Claire sees through her husband's hypocrisy, it is easy to invite her to join her company.

Stella, who was extremely intelligent, could tell at a glance what Matthew was struggling with,

So she said with a smile: "Mr. Peterson, there are many liars and I don't care about such things,"

“If someone is trying to trick you in my presence and I do not come to clarify it here, it’s really unreasonable.”

Matthew’s mouth almost grinned to the back of his ears in excitement.

Excited in his heart, he thought to himself: “Hey, what else do I want!”

Thinking of this, he respectfully said to Stella: “Miss Fei, you really have a sense of responsibility!”

After that, he hurriedly made a gesture of invitation, and said, “Miss Fei, this way please!”

Stella smiled without saying a word, nodded slightly, and followed him toward Charlie and Claire.

The two walked in the direction of Claire.

Seeing Stella coming over, Emily didn’t know where to put her excited hands.

Before meeting Stella, the most valuable person she had ever met in her life was probably the chairman.

He owns 10% of the company’s shares and is worth more than one billion US dollars.

But what is Stella's identity? The financial empire under her command has assets exceeding one trillion yuan.

In front of her, Matthew is simply a poor household that cannot afford enough food and clothing.

The gap between them is worlds apart.

Seeing such a high-ranking and powerful person, Emily's snobbish eyes naturally felt 10,000 excitements in her heart,

And she also thought of 10,000 possibilities in her heart to make friends with Stella and then reach the pinnacle of life.

At this time, Claire also saw Stella walking over quickly.

Thinking of Stella's real identity and the past when she used Zhan Fei'er's identity to be friends with him,

Claire felt somewhat embarrassed, not knowing how to face Stella now.

On the other hand, Charlie remained calm all the time and didn't even turn his head to take a look.

Chapter 5195

Charlie had heard clearly the conversation between Stella and Matthew just now,

And he just couldn't help sighing in his heart at this moment, Stella, a girl, is indeed very smart and close to a monster,

But she just passed through the horse. Peterson, with a little bit of ulterior thought,

Was able to replay the whole thing in his mind and figure it out. This kind of analytical ability is really amazing.

What makes Charlie even more interesting is that Stella's channel is surprisingly consistent with his own.

The reason why he lured the enemy deep was to push Matthew into a desperate situation,

But Stella had accurately detected his intention and made absolute cooperation.

This tacit understanding really made Charlie sigh.

However, Charlie's performance of not looking back, in Emily's view,

Is absolute evidence of guilt, and she also believes more and more firmly that Charlie definitely doesn't know Stella.

As a result, the smile on her face grew stronger, just waiting to see the jokes between Charlie and Claire.

At this time, Matthew had already graciously led Stella all the way to the front of the three of them.

Before Matthew could speak, Emily stretched out her hands to Stella nervously and excitedly,

And said in a trembling voice, "Fei... Miss Fei... I... I'm... I'm sorry I'm a little nervous... .."

Matthew saw that Emily couldn't speak well when she was nervous, so he quickly introduced:

"Miss Fei, this lady is Emily Wang, a very outstanding young talent of our company,"

"A student of this master class, and was just promoted to our senior partner..."

Stella nodded and shook Emily's hand politely.

At this time, Matthew looked at Charlie with a face full of complacency, and said with a smile:

“Sir, I have invited Miss Fei here! Miss Fei, this gentleman said that you are his client, I don’t know if you know him?”

After that, he looked at Charlie with a smile, as if he was waiting for Charlie’s lies to be exposed.

Stella looked at Charlie, her eyes widened pretending to be surprised,

Then she bowed slightly, and said with surprise and respect, “Master Wade! Why are you here!”

As soon as Stella said this, Matthew and that Emily stood there stunned as if struck by lightning.

The two were still waiting to see Charlie being exposed by Stella, but unexpectedly,

Stella bowed to him respectfully and called him Master Wade!

Matthew broke out in cold sweat almost instantly and drenched his entire back in an instant.

He couldn’t help looking at Emily blankly. Apart from shock, there was also questioning in his eyes.

Because he really couldn't figure out what was going on.

Could it be that Claire's husband is really a Feng Shui master?!

Emily was also trembling with fright!

In her eyes, Stella was as unattainable as a god, but who would have thought that Claire's husband could make Stella get respectful to him?

This... Isn't this stabbing the trouble into the sky?!

Just when the two of them were terrified and didn't know what to do,

Charlie looked at Stella and said with a smile: "I will definitely come to support my wife's graduation ceremony."

"Why is Miss Fei coming here, I am surprised?"

Stella hurriedly said: "Master Wade, I also heard about Claire's graduation ceremony today, so I wanted to come over to congratulate her."

"?!" Both Matthew and Emily turned pale with fright!

Matthew even though tremblingly in his heart: "This...is this fcking nonsense?!"

“The famous Stella Fei claimed to be inferior in front of a Feng Shui master?!”

And Emily was thinking in her heart: “My God... Stella came to Rhode Island School of Design on a special trip to attend Claire’s graduation ceremony...”

“What is the origin of Claire’s husband...”

Peterson asked Stella subconsciously: “Miss Fei, you...do you know him?”

Stella nodded, and said calmly: “This is Master Wade,”

“I could become the head of the Fei family, thanks to Master Wade’s help.”

“This...” Matthew was even more terrified. He quickly wiped the cold sweat off his forehead, looked at Charlie,

And said with an apologetic smile, “So it’s Master Wade! It’s a great honor to know you!”

Charlie made an eyebrow: “Just now you said I was a liar,”

“Now lucky to be a three-year-old. Mr. Peterson seems to be a little fickle.”

Matthew’s scalp was numb from fright, and he waved his hands quickly:

“No, no, I treated you well, I don’t have any doubts!”

After that, he quickly pointed to Emily who was in a panic, and blurted out:

“It’s Emily who has blind eyes and has been questioning your identity. I was also led astray by her ...”

Chapter 5196

Emily was so frightened that her heart rate rose rapidly.

She didn't expect that the boss would throw the blame on her at this time.

Just as she was about to explain, she suddenly saw Matthew winking wildly at her,

So she could only say in panic, "I'm sorry, Mr. Wade,"

"It's all my fault. It's my blindness. Please forgive me..."

Seeing that Matthew asked Emily to come out to top the bag,

Charlie was not surprised at all, so he said,

"I usually don't like to haggle over every detail with others."

Matthew and Emily heard this, they thought he will not pursue this and their expression instantly relaxed a lot.

However, Charlie changed the subject and said coldly: "But today is an exception!"

The two of them trembled in fright when they heard this.

Charlie looked at Matthew, and said calmly: “Mr. Peterson, I’ll talk to you about the two of us later.”

After speaking, he looked at Emily again, and said with a slight smile,

“Miss Wang, it’s fine if you question me, and even get sarcastic to my wife,”

“Even saying that she has a vicious mind and a vicious heart,”

“No matter how good-tempered I am, I can’t bear you humiliating my wife.”

Emily’s face was pale, and she hurriedly explained:

“Mr. Wade... I... I just said something wrong on impulse...”

“You... I didn’t mean it...”

After finishing speaking, she hurriedly looked at Claire and begged:

“Claire, please forgive me this time for the sake of my innocence...”

Before Claire could speak, Stella who was beside him took the lead and said,

“Ms. Wang, she is my good friend, and Mr. Wade is kinder to me,”

“How dare you speak rudely to them!”

“Even if Mr. Wade and Claire forgive you today, I will not forgive you.”

After finishing, Claire looking at Emily, she said coldly:

“In my opinion, people like you should not stay in the design industry!”

“I will make a suggestion to the International Federation of Designers to completely ban you from the industry!”

Emily almost fainted when she heard this.

She was just promoted to the senior partner of the company today,

And her future was bright. If Stella really wanted to kill her career,

It would be impossible for any well-known design company in the world to hire her again,

And they would not be able to hire her again.

It was impossible to cooperate with Emily at the risk of offending Stella.

The design industry itself is a service industry. If you want to achieve a certain height in the design field,

You must serve high-end customers. Once you lose high-end customers,

You will immediately become the bottom of the design industry.

To be honest, if there are high-end clients, then any luxury house design is a big project worth millions,

Or even tens of millions of dollars.

I am afraid it is difficult to accept the design of an ordinary residence of 200 square meters;

for the public, if there is a high-end Party, the design projects undertaken are often large shopping malls,

Landmark buildings, or even stadium management for major events,

But once lost Without the high-end Party, even if you want to take over the design of an ordinary residential area,

It will be as difficult as climbing the sky.

What's more, Emily knows her own situation very well.

She doesn't have any outstanding design talent at all.

She could climb to today's heights only by selling her body.

If she is really banned by high-end customers,

If she even goes to a small design company or set up her own studio, it will be difficult to make any money.

Originally, Emily could get an annual salary of several million dollars a year,

But once she was really blocked and couldn't get along in the design industry,

It was impossible for her to have a place in other high-end industries.

It is difficult for her even to earn tens of thousands of dollars a year!

The huge gap made her extremely regretful, so she knelt down in front of Charlie and Stella without thinking,

Choked up and said: "Mr. Wade, Miss Fei, please forgive me for the sake of my lack of knowledge."

"This time... I finally made it this far step by step, if you block me, I will have nothing..."

Stella glanced at her, then turned to look at Matthew at the side,

Asked him with great interest: “Mr. Peterson, you, the chairman,”

“Should be responsible for letting such an employee become a senior partner of your company?”

Afraid he will be implicated too, he quickly expressed his attitude and said:

“Miss Fei, the old saying goes you know people, you know their faces,”

“But you don’t know their heart. As a director, there is a unshirkable responsibility...”

“Don’t worry, I will immediately call the company’s human resources director,”

“And go through the resignation procedures for Emily, and I will never hire her in the future!”

Who would have expected Emily to count on Matthew? And she gave him a hand,”

“But she didn’t expect this guy to sell her at a critical moment!

So, she immediately became furious and cursed hysterically:

“Peterson! You ba5tard! I did all this for you,”

“And you dare to make trouble at this time, are you still a fcuking human?!”

Chapter 5197

Matthew just for self-preservation subconsciously dumped the pot on Emily,

But he did not expect, in a moment Emily will be completely angered.

He always thought that she obeyed him because he was a handsome,

And a successful forty-year-old man with extraordinary charm for women,

So that Emily was completely subservient to him,

And at the critical moment to take her out to cover his future,

She certainly will not have any dissatisfaction.

However, he completely overestimated his so-called charm.

For Emily, money is the real source of charm.

As long as there is enough money, even if she is allowed to face a ninety-year-old man,

She will also behave addicted to him, unable to extricate herself.

However, if there is no money, even if the other party is handsome as Tom Cruise, she will still not look at him.

Just now Stella said she will block her in the design industry,

This will already cut off her financial road,

Did not expect Matthew also fell into the well, and this instant let her anger.

Matthew also saw that Emily seemed to have lost her mind,

And hurriedly winked at Emily: "Emily, in front of Miss Fei, you'd better not talk nonsense!"

"I advise you to leave here now and go to the company tomorrow to see the human resources director,"

"Who will give you a certain amount of compensation for your dismissal according to the process."

Matthew did not dare to say the words too frankly,

The reason why he winked at Emily,

And at the same time said that the company will follow the process to give dismissal compensation,

In fact, is to tell her and let her now honestly put the pot on the back, tomorrow he will not treat her badly.

However, Emily is full of anger at this time by Matthew,

Listening to Matthew talk about termination compensation,

She is even angrier, because according to the company's rules,

She is only three or four years into the staff,

The most compensation for leaving the job is half a year's salary.

Moreover, although Matthew had confirmed that she would be promoted to senior partner,

According to the company's regulations,

There was still a three-month inspection period for senior partners,

And only after the inspection period is over she can successfully pass the debriefing,

She could officially get all the benefits of a senior partner.

This means that if she is fired now, the company only needs to pay her half-year salary,

All according to her previous salary standard, which is only \$200,000 to \$300,000!

When she thought that Matthew was going to use \$200,000 to \$300,000 to send her off,

Emily was even more furious and trembling, she looked at Stella and said out of the blue:

“Miss Fei, the reason why all this happened today is that this son of a b!tch had his eyes on Claire!”

“He asked me to find a way to introduce Claire to him,”

“And to find an opportunity to attract Claire to join the company,”

“So that he could get hit on her!”

Emily’s words immediately made Matthew scared out of his mind,

And he couldn’t help but immediately raise his hand and slap her, cursing:

“Emily, what is your intention in slandering me here?”

“I met Ms. Willson for the first time today,”

“So how could I possibly have ill intentions towards her like you said?”

“You are clearly slandering!”

Emily covered her face and cursed angrily, holding back the pain:

“I’m slandering? You think I don’t have proof?”

Saying that she immediately took out her cell phone,

Fished out her chat records with Matthew, found many photos of Claire,

And said to Charlie and Stella: “Mr. Wade, Miss Fei, look at the time these photos were sent,”

“The earliest one is almost a month ago, at that time I just met Claire in the master class,”

“And Matthew also made a move on Claire at that time.”

“At that time, he had his heart set on Claire!”

Matthew said nervously, "You sent me all these photos,"

"How can you say that I had my heart set on Ms. Willson!"

Emily said coldly, "Don't admit it, right? Here are the chat records,"

"So you can show Mr. Wade and Ms. Fei how you replied to me!"

After that, she looked at Stella and angrily blurted out,

"Miss Fei, you must not let this beast go,"

"He just had an inappropriate sexual relationship with at least seven female employees,"

"Including me within the company, and that's not the most terrible thing!"

"What's scary is that this son of a bitch also preyed on his 13-year-old adopted daughter!"

"And he also took a lot of indecent videos on his phone!"

Matthew heard this, the whole person got terrified to the extreme,

He subconsciously questioned: "You how do you know?!"

Emily sneered: “Your phone password I had quietly noted down long ago,”

“Every time you stayed overnight in my apartment,”

“I would add some sleeping pills to your red wine,”

“And then while you were asleep, secretly looked up at the various contents of your phone,”

“Including your chat records with others, email correspondence,”

“As well as your photos and videos are hidden in the phone!”

Chapter 5198

Matthew furiously cursed: "You you are really despicable and shameless!"

Emily's mouth wiped over a smile, sneering:

"What? You think I was played by you for these years,"

"Will I not leave some backhand for yourself?"

"Let me tell you, I not only have those nasty videos of you,"

"But also evidence of your collusion with others and embezzlement of corporate assets!"

"You took the lead in acquiring an ai mapping company in the first half of the year,"

"Costing the company half a billion dollars, but that company is simply an empty shell,"

"And this ai mapping technology is also a completely immature product that is not commercially available at all,"

"And at least half of the half a billion dollars you spent on acquiring it went into your pocket through various means!"

“Don’t worry, I’ll take this evidence out today!”

“You’ll be stuck in jail for the rest of your life!”

When Matthew heard this, he shook like chaff and said,

“Emily, I can give you as much money as you want, but if you destroy me, you won’t get anything!”

Emily sneered, “Fine, give me \$100 million, as long as the money arrives,”

“From now on you go your way, we will never cross a bridge,”

“The big deal is that I will retire early, no longer staying in the design circle in this life!”

Matthew agreed almost without thinking and said,

“No problem! Just \$100 million!”

At the side, Stella smiled with a subtle expression at this time and spoke,

“Mr. Peterson, this hundred million dollars, I advise you not to give it out, there is no point.”

When Emily heard this, she blurted out,

“He has to give me this money no matter what he says!”

“If he doesn’t give it, then I’ll hand over all the evidence to the police!”

Stella looked at Emily and laughed lightly,

“Don’t daydream here, not to mention 100 million dollars, even if it’s one dollar, he can’t give it to you.”

Emily subconsciously questioned, “On what grounds?”

“If he doesn’t give it to me, I’ll put him in jail!”

Matthew looked at Stella in panic and explained palely,

“Don’t misunderstand, Miss Fei, I didn’t do any of the things Emily said,”

“I promised to give her the money, as I just don’t want her to ruin my reputation outside

Stella laughed at his pale defense and said lightly,

“Mr. Peterson you should not forget that the Fei family is the largest shareholder in your company,”

“You use the position of chairman to enrich yourself, this is embezzlement,”

“And also suspected of money laundering, the violation, is the interests of all shareholders of your company,”

“Including the Fei family! And I, as the head of the Fei family, have the right to ask the FBI,”

“To step in and conduct a thorough investigation into that takeover,”

“So whether Emily has evidence or not, it’s meaningless to you because,”

“The FBI will definitely find the person in charge of the acquired company as well and find out what’s going on!”

“In addition, there is the behavior of you and minors, whether Emily has no evidence,”

“I have the obligation to report to the FBI so that the investigation can clear it,”

“Even if the two of you now try to delete the information in the phone,”

“They also have a way to restore, once it is proven that the matter is true,”

“Then the rest of your life may really have to be in prison!”

Matthew heard these words, his eyes were black, and almost fainted,

Then he kneeled down in front of Stella without thinking, choked, and said:

“Miss Fei, I am the chairman of the company, if I am arrested by the FBI,”

“The company’s stock price will definitely plummet, then the Fei family’s investment will also be damaged,”

“Please, for this sake, please give me a chance,”

“You do not want to see the two or three billion dollars invested by the Fei family going in damages

Stella said coldly: “The chairman of the Board of Directors broke the scandal,”

“A short period of time will indeed affect the share price, but your company’s business roots,”

“Not in you alone, so as long as the impact of the scandal gradually disappear,”

“The company’s share price will certainly rise back.”

After a pause, Stella continued, “And the Fei family has plenty of money,”

“Also has plenty of time and patience, when the time comes,”

“It can completely take advantage of the plunge in share prices during this period,”

“So those shareholders who do not have so much time and patience,”

“We can try to acquire more shares, and when the Fei family gets the majority of the board of directors voting rights,”

“They can appoint a new chairman to take over your company, in that case,”

“When the share price rises back, the Fei family will not only achieve control of your company,”

“But also take the opportunity to make a big profit.”

“So, if you are arrested by the FBI, for the Fei family,”

“Not only is it not a loss, but it is a good opportunity to take a bottom!”

Speaking of which, Stella remembered something and continued, “Oh yes, although you have 10% of the company’s shares,”

“But due to your encroachment on the company’s assets, resulting in a direct loss of \$500 million,”

“Indirect losses may hit a billion dollars or more,”

“In this matter, the company will certainly sue for compensation;”

“And the court will definitely seize your illegal income of 200-300 million,”

“Providing all the compensation to the company, but even so, you will still owe the company a hole of several hundred million dollars,”

“This hole, the court will definitely require you to use your personal assets to make up for it,”

“So that you have to take out the illegal income, but also to pay at least several hundred million dollars in additional losses,”

“You have to believe the Fei family’s legal team, they will definitely do their best to get this amount to the maximum.”

Matthew already felt that the sky was spinning, never thought that Stella would want to kill him like that.

Without giving him a respite she continued: "The court will force you to sell your shares to pay for the damages and penalties,"

"If you don't have enough cash to pay for them, and I don't think it will take longer to get to this point."

"In this way, the 10% of your shares will be auctioned off by the Fei family at the lowest price,"

"And the funds from the share auction, after paying the compensation and fines, I'm afraid not much will be left."

Saying that Stella added: "Oh yes, there is also the matter of you and minors,"

"Once this matter is confirmed, whether the other party is voluntary or not, you are legally responsible,"

"If the other party's lawyers seize this opportunity to knock you hard,"

"You have to come up with at least another tens of millions of dollars in compensation,"

"In this way, you may really have nothing left!"

Chapter 5199

Matthew did not expect that the young, smiling nightmare Stella would want to totally exterminate him!

However, in the next second, he figured out the reason for it.

The misappropriation of office funds has always been the most disgusting thing for the shareholders of large corporate groups.

Even if the shareholders hold a lot of shares,

But generally do not directly intervene in the operation of the enterprise,

The operation of the enterprise is generally also handed over to the founder of the shares who have a small percentage to bear.

In this world, many well-known large enterprises are basically the same.

Originally, if the company has a net profit of \$500 million,

Then after setting aside next year's budget, the rest of the money if they want to take out,

Is given to all shareholders in the form of a dividend, according to the proportional share of the holder.

But Matthew, as the founder of the company, said it was in a developing phase.

So without dividing any dividend, he continued to finance it from the profits.

In this way, he was able to take the company to a market value of ten billion dollars.

However, Matthew himself is only left with 10% of the shares,

If the 500 million dollars are used for dividends,

He can only get 50 million of them, and out of these 50 million, he will have to give them out to the IRS, nearly half of it.

It is precisely because of this, he has done the rat race,

Five hundred million dollars is not divided, directly to engage in investment,

In this said investment, in fact, is money laundering,

Five hundred million dollars thrown out, at least three hundred million dollars back into his own pocket,

Compared to honestly giving all shareholders dividends, this way to get more money and faster.

For a generally large listed group, every year there are a large number of acquisitions,

Mergers and acquisitions cases, and who can guarantee that every acquisition can make money?

Some projects are also likely to hit the water.

Matthew, based on this point, only single-handedly planned the acquisitions.

But he never expected that Emily, who usually obeys his words and even has some taste of slavery,

Had so much evidence of him and uttered that in front of Stella without any break.

In this way, if you take away the 500 million dollars,

You are directly taking away the money that should have been distributed to the Fei family,

How can Stella, who has reached the position of the Fei family head, spare him?

And, what's worse, Emily also exposed the nasty things between himself and his adopted daughter,

Once this matter is reported to the FBI, he will certainly have to sit through the bottom of the jail!

A thought to this, Matthew almost immediately made up his mind,

No matter what he has to reconcile with Stella.

So he looked at her and begged: "Miss Fei, as long as you are willing to let me go,"

"I am willing to transfer all my shares to the Fei family at a 50% discount on the market price,"

"Which will not only allow the Fei family to profit hundreds of millions of dollars,"

"But also help the Fei family to strengthen their control over the entire company,"

"Which is already far beyond the damage I have done to the Fei family earnings,"

"This is an absolutely very sincere effort from my side....."

Stella smiled faintly: "Do you think your hundreds of millions of dollars have any value in my eyes?"

"To the Fei family, money is far less important than reputation,"

“If the Fei family harbors a beast of clothing like you for a few hundred million dollars,”

“Then would Randal Fei have died in vain?”

Chapter 5200

Matthew's heart instantly thumped.

Only then did he remember Randal's incident which had been making a lot of noise before.

In order to compensate the families of the victims injured by Randal,]

The Fei family took out more than one billion dollars before and after.

Stella had only managed to save the day and help the Fei family regain its reputation,

So how could she let herself go for the sake of his shares?

Thinking about this, he already recognized the situation in his mind and thought:

"I have to run away, the sooner the better! The better to leave the United States tonight!"

After making up his mind, he slowly stood up, he said with a contrite face:

"Please don't worry, Miss Fei, I will go to the police tonight to turn myself in,"

“I should bear the responsibility, I will never escape!”

After saying that, he turned around and ran outside while Stella was not paying attention.

His driver was outside, his private plane was at the airport,

As long as he could get out of this auditorium door, he would be able to get to the airport in half an hour.

As long as he could get on the plane, he would definitely be able to leave the U.S. tonight,

And as long as he could leave the U.S., he would be able to keep most of his assets while preserving his personal freedom.

If can't get on the plane, then his assets and freedom, both will be gone!

Matthew suddenly feet to escape, Stella also did not react for a while,

Just when Matthew thought he would be able to escape, he suddenly felt his body instantly get stagnant,

The whole person was instantly strangled neck, can not move.

He subconsciously looked back and found that it was Charlie who reached out and grabbed his collar.

Charlie said with a smile on his face: “Mr. Peterson, where are you going in such a hurry?”

Matthew hastily put on a strong calm and said,

“Mr. Wade, I just said, to go to the police to surrender

Charlie nodded and said with a smile, “It’s good that you are willing to turn yourself in,”

“But there is no need to go there in person, and this kind of crime by the elite class of society,”

“It’s usually not the turn of the police to deal with it, it’s the FBI itself,”

“So why not just let Miss Fei contact the FBI and let them come here to pick you up.”

Once Matthew heard this, the whole person was suddenly paralyzed with fear,

He struggled to break free from Charlie’s hand, but naive Charlie’s hand remained motionless.

Stella called Karl over at this time and instructed,

“Master Yuan, notify the head of the FBI and have them send the closest agent over.”

“Okay, Miss.” Karl immediately nodded, took out his cell phone, and made a call.

Matthew’s body has been unable to support,

The whole person like mud spread on the ground, eyes full of desperation pleaded:

“Miss Fei, please let me live, do not drive to kill

“I have worked so hard for so many years to get to today, you can not destroy me like that!”

Stella said in an icy tone: “Not I want to destroy you, it is you who destroyed yourself.”

Matthew said, “Miss Fei if I can’t, I will transfer all my shares to the Fei family unconditionally!”

Stella smiled blandly and said, “Did you forget what I said?”

“Your shares will have to wait for a low-price auction and be used to compensate for the company’s losses.”

“As for whether there will eventually be any surplus and how much will be left,”

“You will need to wait slowly in prison.”

As he spoke, Karl had already walked back from outside.

He came in front of Stella and said respectfully,

“Miss, the head of the FBI has been called, they take it very seriously,”

“And have dispatched several senior agents from the FBI base in Providence,”

“They are in a helicopter and will be here in ten minutes.”

Chapter 5201

In the United States, the influence of the Fei family, although not talking about the highest,

But is definitely one of the most influential few families, to such a family,

The head of the FBI always has to ensure a 7×24 response, any situation will be fully resolved.

So, Karl made a phone call and the other party immediately responded.

Matthew heard this, the whole person has completely collapsed,

Sitting on the ground bawling, a time triggered a lot of people's curiosity and concern.

At this time, Matthew, inwardly felt like the end of the world,

Thinking back to ten minutes ago their own vigorous look,

But now immediately to be nothing or even go to jail, Matthew would like to die here.

Emily also sat down in despair to cover her face and cried,

She knew that Stella let the FBI intervene in this matter, Matthew in their hands,

They lost the value of cash, and they not only have to lose their jobs,

But also lost the last trump card to get rich, and they will become completely useless.

Stella did not want to entangle with these two at this time, so he said to Charlie:

“Master Wade, leave this to Master Yuan, let’s go inside and find a quiet place to sit for a while what do you think?”

Charlie nodded slightly since Stella had already notified the FBI,

With the FBI’s ability, plus Stella’s influence, Matthew would not be able to escape the law,

So he did not bother to look at these two people,

So he looked at Karl and said politely, “Then it will be hard for Master Yuan.”

Karl bowed respectfully and said, “You’re welcome, Master Wade, this is all my duty.”

Stella explained to Karl: “Master Yuan, keep an eye on this Matthew and make sure to hand him over to the FBI yourself.”

Claire at this time looked at that Emily, wanted to say something,

But hesitated for a while, and finally did not speak.

Charlie took Claire’s performance in his eyes and knew that she seemed to have compassion for Emily.

However, he saw that Claire finally did not say anything, so he also pretended that he did not see it.

The three arrived at the banquet hall, Stella instantly attracted the attention of countless people,

So the three simply found a corner where no one was temporarily seated.

After sitting down beside Charlie and Claire, Stella can not help but feels somewhat ashamed to say:

“Claire congratulations on the successful completion.....”

“For the previous matter I am really sorry, I really had a lot of inconveniences to say I hope you can understand”

Claire's heart, although there are some bumps on the matter of Stella using a false identity to befriend her,

But she is actually able to understand her.

Although she did not know what Stella had actually gone through,

She knew that this kind of luxurious noble family must also have many hardships that could not be told to outsiders.

She felt that although Stella used a false name at that time,

She had not done anything to hurt her, on the contrary,

She gave her orders for decoration and even helped her to get a place in the master class,

In the end, she owed her a lot of favors.

Therefore, Claire also said very politely at this time:

"Miss Fei, we are friends, you say so is too foreign,"

"Many things I am not clear about the reasons, but I understand."

Hearing Claire say so, Stella's expression instantly relaxed, and said,

"You are right, Claire! If you have time someday,"

"I will definitely have a good chat with you and tell you how it really happened in the first place"

Claire said with a smile, "I have time, a little while after the closing ceremony,"

"We two go to the hotel bar for a chat, let Charlie go back to the room."

Stella nodded without thinking and smiled, "Okay! Then it's a deal!"

Charlie saw that the two seemed to have cleared up their previous misunderstanding,

And he couldn't help but feel a little relieved in his heart.

Chapter 5202

Claire is not good at socializing much, has not had many sincere friends,

And Stella went to China with an alias and Claire sincerely treated her as a good friend.

But then her best friend suddenly left without saying goodbye and evaporated,

She has been apprehensive about it, fearing that Stella had some kind of accident.

It was only later that Stella suddenly appeared on the world's media as the head of the Fei family,

Then Claire realized that the person she thought was her best friend hadn't even told herself her true identity.

Since that day, Charlie could tell that Claire was a bit lost.

However, right now, the two of them are considered to have signs of reconciliation,

If giving them both a little time and let Stella tell Claire about her crisis situation at that time,

Then Claire will be able to completely eliminate all her negative emotions.

Moreover, Charlie was not worried that Stella would say the wrong thing or slip her mouth,

And subsequently, give away key information about him.

After all, he had hardly ever seen a smarter girl than Stella,

She must be able to explain this matter to Claire very truthfully,

And perfectly while limiting her role to the feng shui master to a dead end.

Now for Charlie, as long as in front of his wife, can still limit herself to the feng shui master,

Then he is not afraid of anything.

Even if the patriarch of a top family like Stella is respectful of him, he can explain it.

After all, when Stella was nearly chased by her uncle,

It was he who helped her adjust her feng shui and read her fortune to ask for directions,

Which helped her fight back and take back the Fei family's family headship.

With this premise, even if Stella is respectful to him, everything can have a reasonable explanation.

A few minutes later. The FBI helicopter landed in the square outside the auditorium,

And several FBI agents, wearing sunglasses, hurriedly ran into the scene and brought out Matthew, who was under Karl's guard.

Matthew had completely given up resistance and was paralyzed as he was put in the helicopter by two agents.

Countless people were shocked to see him taken away by the FBI and at the same time,

They couldn't help but whisper, trying to figure out why this bigwig of the design world was suddenly taken away by the FBI.

Karl watched the helicopter take off before returning to the venue to give his report to Stella.

Stella smiled faintly after hearing this and said to Claire,

"Claire, when I hold the holding of AECOM, if you are interested, I will ask you to be the president of AECOM."

Claire waved her hand in frightened practice,

“I don’t have this level, I’d better run my small company back home properly

Stella seriously said, “There is no hurry,”

“I will keep this position for you when the time comes, you can come over anytime if you are interested.”

.....

Meanwhile.

On the other side of the earth, in Eastcliff.

A girl of seventeen or eighteen years old, slim and tall,

With a face as pure as water, was walking fast in a traditional Eastcliff alley.

At this moment, Eastcliff is in the early morning, and according to reason, should be the most lively, the most smoky time in the alley.

But this deep alley seems unusually cold, with no stores and vendors selling breakfast, not even a pedestrian.

The girl walked toward the deepest part of the alley,

And at the end of the alley was a very grand five-roomed, three-bay door

The so-called five rooms and three doors are the specifications of the Prince's residence in feudal society.

The innermost mansion was the residence of a prince in the Qing Dynasty.

These doors are about three or four meters high, the door is full of brass door nails, imposing and extraordinary.

And the door on both sides of the huge stone lion is also carved with awe-inspiring prominence.

When the girl walked to two-thirds, suddenly from nowhere, two middle-aged men in civilian clothes emerged.

These two middle-aged men are sturdy and resolute in expression,

And at a glance, they know that they are not ordinary people.

They stopped the girl, and one of them said, "Little girl, this is a private residence, don't go any further."

The girl was stopped by two strong men, but she was not afraid at all, she said lightly:

“Please tell Mr. Jia, just say that Maria Lin is here and needs to see him.”

Chapter 5203

Hearing Maria say she wanted to see the old man,

The burly man who spoke, his brow instantly furrowed, and asked in a cold voice:

“Who exactly are you?!”

Maria said indifferently, “I said, I am Maria Lin, you don’t need to ask me so much here,”

“I know that you are heavily guarded, and there are an unknown number of guns aiming at me everywhere,”

“I am here today to pay a visit, you only need to send word,”

“Your family’s old gentleman will naturally come out to greet me personally.”

The strong man said angrily, “What a crazy thing for a little girl to say!”

“Do you know what kind of people live in here?!”

Maria couldn’t help but raise her eyebrows, but her tone was still as calm as water,

“You don’t need to bother talking in front of me,”

“You just need to give him a message on my behalf, the word Maria is not poison or a bomb,”

“It won’t have any effect on your duty to protect him,”

“But if Ethan Sun blames you for delaying the business because you refuse to deliver the message,”

“You are just a bodyguard, can you afford it? Can you?”

The strong man did not expect that, this little girl,

Would have such an unsubtle and unyielding spirit in front of him,

And even the confidence that everything was under control made him feel a little anxious.

Moreover, she even called the old man by his name,

Which made him even more frightened and afraid,

And could not help but speculate on the real origin of this girl.

He exchanged a glance with his colleague, who nodded at him with an extremely subtle margin,

And he immediately understood, turning around and walking a few meters backward.

Before saying into the microphone inside his collar,

“Please inform the master that there is a young girl named Maria Lin,

Who wants to see Master, please decide.”

A voice came from the headset, “Are you crazy?”

“A little girl wants to see Master, how dare you ask me to deliver a message like this?”

The strong man urged: “Do not fuss,”

“This little girl seems to be not simple, you quickly go to inform the Master!”

Once the other party heard this, he did not delay any longer,

But only explained: “If the Master blames down,”

“You do not expect me to take the blame for you.”

A few minutes later.

The middle door of the five rooms was pushed open from the inside.

Immediately afterward, an elderly man, with the support of two people, came out.

Chapter 5204

The two strong men outside the door were stunned to see their old Master come out in person.

After all, they had never seen a guest worthy of being greeted by the old man himself.

The moment he saw Maria, he was trembling with excitement.

He did his best to walk faster, so much so that the two people around him were a bit frazzled.

Maria just stood there, looking at him with a smile on her face,

Until the old man came in front of her.

The old man stood in front of her, a little panting and a little excited,

And said, "Miss, it's really you! How did you come here?"

Maria smiled faintly, "Came to temporarily join you for a while, is it convenient?"

"Convenient, totally convenient!" The old man hurriedly nodded uncontrollably,

And then asked, "Miss, are you by yourself? Old Zhang didn't follow?"

"No." Maria faintly shook her head and said,

"He will arrive in China in a few days."

Saying that she looked around and spoke,

"It's better to go in and talk, there are some things that I want to ask you for help with."

The old man hurriedly made an invitation gesture and respectfully said, "Please, Miss!"

Maria nodded and stepped towards the imposing gate.

Only after entering the gate could she see that this courtyard was incredibly large.

The courtyard, which was neatly paved with green stones, was at least a few thousand square feet.

The old man took Maria all the way to his study,

And then ordered everyone to leave the study for 50 meters,

So all the family members and servants withdrew to the backyard.

In the study, the old man respectfully invited Maria to sit down on the seat before he opened his mouth and asked,

“Miss, where are you coming from?”

“Why didn’t you notify me in advance so I could arrange for someone to pick you up!”

Maria said lightly: “I’ve had quite a tumultuous journey,”

“Starting from Northern Europe, then first taking a boat to Murmansk in Russia,”

“Then turning overland from Murmansk, taking cars and trains, tossing and turning to Moscow,”

“Then taking a plane from Moscow to Vietnam,”

“And finally taking a land route from Vietnam into China,”

“And taking a plane from the southwest to you.”

“Such a lot of trouble?” The old man was surprised and asked,

“Miss, you suddenly used such a tortuous route to come to China, did you encounter any trouble?”

“Yes.” Maria didn’t hide it and said frankly,

“Something went terribly wrong in Northern Europe and I almost lost my life.”

“Ah?!” The old man asked in shock, “Why would that happen?!”

Maria laughed bitterly, “One of Zhang’s men somehow got in touch with the Warriors Den and exposed my whereabouts.”

“The Warriors Den sent people to Northern Europe overnight to hunt us down and killed everyone except me and Zhang.

The old man said with a face full of horror:

“The Warriors Den actually found you

“Yes.” Maria sighed and said, “I’ve been very low profile,”

“But I didn’t expect that something would go wrong internally,”

“Old Zhang’s men originally didn’t know my identity,”

“But the Warriors Den had been using special channels to hunt me down,”

“And in order to find me, they also gave a huge reward,”

“I guess it was Old Zhang’s men, because of some coincidence, who happened to get this information and then sold me out.”

Saying that Maria shrugged again and said,

“But this is all my speculation, after all, those men of old Zhang are dead,”

“And I don’t know exactly which one of them betrayed me.”

Chapter 5205

Hearing this, the old man hurriedly said, "Miss, then you should take shelter with me during this period of time,"

"It is much safer than outside, besides, although I am now retired behind the scenes,"

"But the resources and contacts are still there, and will be able to protect you."

Maria smiled faintly and said, "I actually don't want to come to you to stay,"

"I just want you to help me investigate someone."

"Check someone out?" The old man hurriedly asked, "Miss,"

"I don't know what you want to check, what kind of person is it? What information do you have?"

Maria said, "I only know that his name is Charlie Wade, male, and he should be under thirty years old."

"You help me to transfer the population data, and the photos exported, I can compare myself."

Saying that, she asked again, “Transferring the population data, you should have no problem, right?”

The old man smiled, “No problem, any data can be transferred.”

“That’s good.” Maria let out a slight sigh of relief and nodded,

“Then it will be hard for you to arrange someone to help me sort it out.”

The old man was busy saying, “You’re welcome,”

“Miss, it’s an honor for our Sun family to work for you.”

After saying that, he said respectfully, “Miss, wait a moment, I’ll go and arrange it!”

Ten minutes later.

The old man knocked on the door, and only after receiving Maria’s permission,

He pushed the door open and walked in somewhat sluggishly.

In his hand, he was holding a laptop.

He placed it in front of Maria and said, "Miss, the information you asked me to check has all been found out,"

"All the information of these Charlie Wade's are here, please look through them."

"Good." Maria nodded, her fingers on the arrow keys, quickly browsing up the information related to each.

In the past few days, she had long remembered Charlie's appearance clearly by repeatedly watching the surveillance video,

So the main way of comparison right now was to check whether the information she saw,

And the Charlie she saw, was the same person through the ID photo.

But the strange thing is, everyone's information all browse through,

But surprisingly did not find the one who saved her that night.

Maria frowned and couldn't help but ask the old man, "Is this all the information out there?"

"Yes." The old man nodded, "All that can be found are here."

Maria couldn't help but think in her heart, "Could it be that he lied to me at that time?"

Thinking of this, she couldn't help but shake her head again:

"It shouldn't be he must have had full assurance that he could erase my memory at that time,"

"In this case, there was absolutely no need for him to lie, right?"

"Moreover, since he even dared to strike at the Warriors Den,"

"There is no way he would not dare to reveal his true name to me in that situation"

When the old man saw Maria frowning, he couldn't help but ask:

"Miss, what's the problem? If you have any other clues,"

"You can also tell me, one more clue, one more point of certainty."

Maria shook her head somewhat dejectedly and muttered,

"There are no other clues, I only know that his name is Charlie Wade."

The old man smacked his lips: "All those named Charlie Wade, the information is here,"

"If he is not lying, then he could be an overseas Chinese?"

"Probably having nationality in other countries?"

Maria spoke: "He said he was Chinese, but it does not exclude the situation you said,"

"After all, many Chinese nationals living outside will also say they are Chinese,"

"But if that is the case, more than two hundred countries around the world,"

"I will have to find a needle in a haystack

Chapter 5206

Speaking of which, Maria suddenly raised her head somewhat reluctantly and asked the old man,

“Is there a possibility that his identity has been encrypted within the system?”

“Encrypted?” The old man frowned and thought, and spoke,

“There are indeed cases of encryption, people with special identities,”

“The relevant information is encrypted, but in order to ensure that this encrypted information is not detected,”

“The system itself is unable to directly access the encrypted content.”

Maria asked him, “What is the general encryption logic?”

The old man said, “As far as I know, there are two kinds of encryption logic,”

“One is that his identity information is completely erased from the system,”

“Storing the information in another mutually isolated system,”

“The latter will not have any connection with the network,”

“That is, his real information only exists in that latter system, no one in the outside world can find out any clues;”

Saying that, the old man added: “The other kind is more complicated,”

“It is that this person himself has a set of real identity information,”

“But this set of information is encrypted within the system, somehow becomes a one-way identity.”

Maria asked, “What does one-way mean?”

The old man explained: “One-way means that his ID card, his passport, and driver’s license,”

“And even the family register, marriage certificate, and other identity documents are real,”

“The ID number is also real, but anyone in the system if you want to fuzzy query his information,”

“Can not be found, for example, I want to check who is called Charlie nationwide,”

“That the system returns the results, will not appear His information,”

“I want to check the information of all the people named Wade in the country,”

“The result will not have him, even if we pull out the information of hundreds of millions of men in the country, there will not be him in this;”

“If you want to query his information, there are two conditions,”

“First of all, you must know his name, as well as his accurate ID number,”

“Both of which are completely correct when it comes to finding out his information;”

“In this way, it basically put an end to other people’s wide search, because in this case,”

“You really need to use this system to find someone in a sea of people,”

“If you know his ID card number, it is the same as you have mastered his real information,”

“So you do not need to use this system to cast a wide net.”

Maria sighed: “In that case, this encryption method is still very clever,”

“People who don’t know him too well can’t find him in the system,”

“And those who know him are unlikely to come back to the system to check his information,”

“And even if those who know him come to check, inputting their names and ID numbers,”

“The results that come out will be true, and they won’t be able to find out anything.”

“Right.” The old man nodded and said, “Some people with very, very special identities will use such a method to hide,”

“So that people with ulterior motives for him have no way to check.”

Saying that, the old man added: “Such a person, using his own identity,”

“Not only does not have to worry about being found out by others but also his life will not be affected in any way.”

“Because in addition to what I just said, you must rely on the name plus ID number to find out his information,”

“All his documents, in fact, are one-way inquiry channels;”

“For example, if a police officer on the road inquires about his ID card,”

“As long as the police officer uses the device to read his ID card,”

“He will be able to check all his information within the system, in this way, the police will not find any abnormalities;”

“If he wants to fly, as long as he uses the correct name and ID card when he buys a ticket,”

“He will be able to board the plane smoothly with his ID card;”

“If he wants to go abroad, then he will book a ticket with his name and passport number,”

“And then he will be able to leave the country smoothly with his passport;”

“However, if anyone wants to check him through the information of the plane registration in turn,”

“It is not possible to find out at all if you want to search if there is anyone named Charlie Wade who has flown in the country,”

“But if you only know his name, then his information will not show up either.”

Maria’s two willow-leaf-like eyebrows were slightly clustered toward the middle, her expression was grave and fretful.

After a moment of hesitation, she asked the old man, “Whether the person I’m looking for is the first or the second,”

“With your status and connections, can you find out this hidden information?”

Chapter 5207

Hearing Maria's question, the old man pursed his lips and sighed:

"Miss, in fact, there is a very troublesome underlying logic behind this matter."

Maria said, "You say it."

The old man said, "Whether the first or the second, the number of people who are hidden is actually not small,"

"Some special talents, military experts, intelligence personnel, special agents, their identity is encrypted,"

"This adds up to several tens of thousands of people."

Speaking of this, the old man turned his words and added:

"But the trouble is that for these two kinds of hidden people,"

"Although there is a database, but the vast majority of people who have access to this database,"

"Do not have the highest authority of accessing this database."

“That is to say if I used these two methods to hide the information of two people back then,”

“Then even if I have the authority of this database,”

“I can only access the information of these two people of mine,”

“The information of others, I have no right to access,”

“Not only no right to access, but I also don’t even know how many people are in this;”

“On the other hand, even if you also have the relevant authority of this database,”

“You can’t possibly find out who I have hidden in this database, we are both insulated from each other;”

“Moreover, there are multiple branches in here, each with different levels and permissions,”

“For example, the intelligence department, its highest person in charge,”

“Has the right to access all the information hidden in the intelligence department,”

“But has no right to access the other departments.”

Maria thought about it and asked, “Someone must have access to the entire database, right?”

The old man smiled awkwardly, “Miss, there are very, very few people with access,”

“I can count them on one hand, and for these people, it is absolutely impossible to leak information,”

“To anyone who doesn’t have access, so this path is currently out of my reach.”

“I understand.” Maria nodded her head, knowing that starting with the database access permission was already an impossible task.

So, after pondering for a long time, she suddenly remembered something and opened her mouth to ask:

“By the way, if a person’s identity information was not hidden from birth,”

“Can we still find out the information before he was hidden?”

The old man replied, “If it is the first kind of all information is hidden,”

“So that the person seems to have never appeared in this world,”

“Then all the information of his birth will also be erased;”

“If it is the second kind, it depends on how the person who hides his information operates,”

“Some people may also erase all because of certain purposes;”

“But some people, if they want to create the illusion that the person’s whereabouts are unknown,”

“Then they will not erase the previous information,”

“Because this information still has to be made public and respond to the inquiries of people who are interested.”

“For example, when a person graduates from college at the age of 22,”

“For some reason, he needs to evaporate, then his file information before the age of 22 will not be erased,”

“Only a missing person, or has died label will be added to his file,”

“And this information will not be encrypted, even just an ordinary police officer with the lowest authority,”

“Connected to the population system, can easily find out information on his file before he disappeared.”

Maria’s eyes lit up and she asked, “Does the information you just gave me include the missing and dead Charlie Wades?”

The old man replied, “It contains the missing ones, but not the ones that have been confirmed dead.”

It suddenly occurred to Maria that she had indeed seen quite a lot of information about small children just now.

Only, when she saw the pictures of small children, she skipped right over them,

Not looking carefully at the specific information of these small children.

However, this would overlook a situation, that is:

If the photo of this small child is not the actual state of the child now,

But this small child disappeared when he was too young,

And his profile information is still stuck in his small time,

Not updated again, in this situation, she would just overlook it.

So she hurriedly said to the old man, "I'll go over the missing person's information first,"

"And if I still can't find it, you can help me retrieve the information about the people who have died."

The old man nodded: "No problem!"

With another look at the computer, the list returned to the first person,

And then began to sift through them one by one.

Soon, a black-and-white photo appeared in front of her eyes, causing her pupils to snap.

The boy in this black-and-white photo looked just six or seven years old.

Looked handsome, and his features and charm made Maria feel slightly familiar.

Then, she looked at the boy's information and muttered, "Charlie Wade,"

"A native of Eastcliff, the son of Changyang Wade and Margaret An....."

"This Charlie Wade, who attended Eastcliff Second Experimental Primary School twenty-one years ago,"

“Transferred to Aurous Hill First Primary School twenty years ago,

“And then disappeared, and his file information was never updated again

Chapter 5208

The old man heard her muttering, and could not help but say,

“Changyang, Margaret? This couple, more than twenty years ago, in Eastcliff can be said to reign supreme ah!”

Maria asked him, “You’ve heard of them?”

“More than that.” The old man said seriously:

“I have some friends with the Wade family, the Wade family’s old mansion, is not far from me,”

“A half-hour walk, the Wade family is in the top three families in China,”

“Changyang was the most outstanding descendant of the Wade family back then,”

“His wife Margaret was a major Silicon Valley investor, by the way,”

“The An family behind Margaret ranked second in the United States.”

“So that’s how it is!” Maria nodded and sighed, “No wonder the name Margaret An is so familiar,”

“I seem to have read a biography about her.”

Saying that Maria looked at Charlie’s black and white crown-free photo taken before he entered the first grade of elementary school and said seriously,

“I see that this little kid has some resemblance to the Charlie I’m looking for,”

“Combined with the name also name, I guess the odds are that it’s him.”

“Unlikely, right?” The old man subconsciously said: “Twenty years ago,”

“Changying and Margaret in Aurous Hill met with an accident,”

“The couple both perished, the eight-year-old Charlie disappeared,”

“Since then the whereabouts are unknown, both the Wade family and the An family,”

“For so many years are looking for the whereabouts of this child,”

“But there has been no news, these two families are very strong,”

“Especially the An family, rich, they have not found the child yet and that means he is unlikely to be still alive.”

Maria said seriously: "If according to what you just said,"

"The identity of this Charlie is hidden in a second way,"

"Then will not no one be able to find out? Even if the wealth can be invincible, so what?"

"It is simply impossible to get information from that very, very small number of people."

After listening to Maria's analysis, the old man couldn't help but nod and say,

"You are right, Miss, there is indeed such a possibility!"

Maria suddenly thought of something and pointed to the eight-year-old Charlie's string of local Eastcliff ID numbers and spoke,

"Right, didn't you say that if it's the second encryption method,"

"You can find out the encrypted information if you have a name plus ID number at the same time?"

"Then you help me look up Charlie's name, plus this ID number, and see if we can find out any results."

“Yes!” The old man was also a bit excited and immediately opened a background on his laptop,

And entered Charlie’s name as well as his original ID number in it.

Subsequently, the two checked the results with great anticipation,

Only to find that the information given out within the system was still,

The same file of Charlie that had disappeared at the age of eight.

Maria frowned: “Why can’t we find out? Did someone give him a new identity?”

After saying that, she couldn’t help but ask herself, “The odds are that should be the case!”

Maria guessed correctly, after Leon had placed Charlie into the orphanage,

He made a new identity for himself, and although the new identity was still called Charlie Wade,

It was no longer the Charlie Wade of the Wade family in Eastcliff,

But the fatherless and motherless Charlie was adopted by the Aurous Hill orphanage.

His account was landed on the collective account of the Aurous Hill orphanage,

Which is the case for all children adopted by the orphanage.

So, naturally, he also had a new ID number, one that belonged in Aurous Hill.

In this way, neither the Wade family nor the An family,

No one could find him anymore, and the only one who could find him was Leon.

This matter, the old man spoke: "If someone has given him a new identity,"

"Then this previous set of information will certainly not be able to find out,"

"You must know the name and ID number of his new identity, in order to find out."

Maria frowned and said, "If someone helped him settle in a foreign country,"

"Get a foreign account and foreign identity information,"

"Then he has actually an encrypted identity, it is not the identity before the disappearance,"

"But the new identity after the disappearance."

Speaking of this, Maria added: "I understand twenty years ago,"

"After Charlie disappeared, someone hid his whereabouts, got him a new identity,"

"And hid the file information of his new identity, so the previous Charlie disappeared at the age of eight,"

"A new 'Charlie', or a 'Charlie Wade' with a different name, appeared in a new place,"

"So that no one else could find him except the one who encrypted his information in the first place."

The old man hesitated for a moment, but still spoke:

"Miss, it is not 100% certain that the Charlie Wade you are looking for, is this Charlie!"

"In case this missing Charlie, and the one you are looking for just have a resemblance,"

"Then would not be this speculation misleading? After all, a child's features have not yet grown,"

“And it is normal to have a few resemblances to someone,”

“But it is likely that after adolescence, it will develop in a very different direction.”

Chapter 5209

Maria nodded and said seriously, "You have a point, although my intuition tells me that,"

"The Charlie Wade I'm looking for should be this Charlie who disappeared twenty years ago!"

"But this kind of thing, you can't trust your intuition too much,"

"Just relying on childhood photos with a few resemblances alone to confirm, is really a bit hasty."

Thinking of this, she blinked her eyes, remembered something, and said with a smile,

"By the way, can you help me pull out the file information of Changyang Ye and Margaret An?"

The old man said, "Changyang's can be, but not of Margaret,"

"Because Margaret is an American citizen,"

"So we can only find out some official files of her and Changyang after they got married and stayed in China."

“It’s okay.” Maria said, “I just need the photos of the two of them.”

“That’s no problem.” The old man hurriedly retrieved Changying and Margaret’s information from the system.

When Maria saw the handsome black and white ID photo of Changyang in his file,

Her tightly knitted brows instantly relaxed!

She couldn’t help but clap her hands in excitement and laugh:

“Haha, my intuition was right! Sure enough, it’s him!”

“The Charlie Wade I’m looking for looks almost exactly the same as this man!”

.....

“Miss, that Charlie you saw, looks exactly like Changying?!”

The old man, at this point, had an incredulous look on his face.

Maria nodded slightly and said indifferently,

“I can’t say it’s 100% similar, but it’s at least 90%.”

“Ninety percent” the old man said in horror: “If that’s the case,”

“Then there should be no deviation, the two adult looks are so similar,”

“Combined with that person’s name is also named Charlie Wade, there will certainly not be any problems”

Speaking of which, he couldn’t help but murmur, “Then this”

“Then this also means that” the son of Changying and Margaret is still alive?!”

Maria swept away the previous gloom and said with a smile,

“He’s alive! His strength is very strong,”

“The cavalry guards of the Warriors Den were like a carrot piled on an anvil in front of him,”

“Without any ability to resist, it was really impressive.”

“Really?!” The old man was even more jaw-dropping pose, and said with an excited face,

“Great! How wonderful! The excellence of Changying and Margaret is really unlike anything I’ve ever seen before in that age group!”

“When they died young, I often felt sorry for them, but I never thought that their sons would be alive and so good.”

“The son of a dragon and a phoenix is really no ordinary thing!”

Speaking of this, the old man could not help but sigh:

“This this is really incredible two people have searched for so many years have not found the child,”

“Away from the foundation of these two people, can still have such strength,”

“It really makes people think but not understand”

Maria laughed: “He must have his encounter, and it should be a very wonderful encounter.”

The old man laughed gratefully, “I am really curious, how exactly did he do that.”

Maria nodded and said frankly: “I am also curious and even a little gossipy”

Saying that, she couldn't help but mutter, “By the way,”

“The fact that he was able to chase the Warriors Den all the way to Northern Europe to kill them,”

“Not only shows that he has mastered certain clues about the Warriors Den,”

“But also has a deep hatred for the Warriors Den!”

As soon as the words fell, Maria suddenly stood up, clenched her fists, and said with excitement to the point of dancing,

“I know! The death of his parents is most likely related to the Warriors Den!”

“He wants to seek revenge on the organization for killing his father and mother!”

“Just like me, I want to seek revenge on them for killing my father!”

The old man subconsciously said, “Changying and Margaret died at the hands of the Warriors Den back then?”

“If Charlie wanted to be an enemy of the Warriors Den, why didn’t he identify with his grandfathers?”

“Both of these two families have extraordinary strength, surely they can help him a lot

Maria shook her head and said seriously, “To deal with the Warriors Den, if it’s just about having money,”

“It’s pointless to have more money! Even the Routhschild family, in front of the Routhschild Association is not enough,”

“The Routhschild Association has always been the most afraid of exposing themselves,”

“So they have been acting very low-key, otherwise, they can make the Routhschild family all evaporate overnight,”

“Even if they have tens of trillions of dollars of assets,”

“So what can they do? If you have money, you have to have a life to spend it!”

The old man’s expression was austere as he nodded:

“You are right money is not the first thing, strength is.”

Maria smiled faintly and looked at the old man and instructed,

“By the way, this matter, you absolutely must not tell anyone, especially the Wade family’s people!”

The old man couldn’t help but say, “Miss, can you let me reveal something to Zhongquan Wade of the Wade family?”

“I have a good friendship with him, and he has been looking for this child for twenty years

Maria shook her head: “For the time being, it’s better not to, Charlie’s situation is special,”

“And now he is in conflict with the Warriors Den, if the people of the Wade family know and go looking for him with great fanfare,”

“They might get into trouble, and you don’t want to see the Wade family being targeted by the Warriors Den, right?”

“This is

the old man sighed lightly with some despondency and spoke,

“Miss, don’t worry, I will keep my mouth shut!”

Chapter 5210

Maria nodded slightly and added: "Charlie disappeared in Aurous Hill, in that case,"

"There are two possibilities: one, after he disappeared, he was given a new identity,"

"And was made to hide his identity in the second way you just mentioned;"

"The other, he was taken overseas directly after he disappeared, and has been living overseas in anonymity."

The old man said, "If it is the first possibility, then you may still be able to find him in the country,"

"If it is the second, I am afraid it will be difficult to find him in the country."

"It's not in the way." Maria said with a smile, "Knowing his true identity, I'm already halfway there!"

After saying that, she added, "I'm going to look for him at home first,"

"And if I really can't find him, then I'll go overseas."

The old man asked, "Miss, where are you going to look for him?"

Maria smiled, "Naturally, I'm going to Aurous Hill, that's where he disappeared twenty years ago,"

"All the clues must start from there!"

The old man subconsciously said, "Miss, the Wade family, and the An family also started their search from Aurous Hill back then,"

"After turning Aurous Hill upside down, they searched for many years all over the world, but never found him.

Maria said seriously, "Since the Wade family and the An family have searched all over the world from Aurous Hill,"

"And have not found him, then, in my opinion, it is precisely Aurous Hill that has the greatest possibility."

The old man asked her, "Miss, do you want to set a trigram to see if you can figure out his trail?"

"I can't." Maria shook her head and said, "I have tried, the trigrams show that it is difficult to identify the traces,"

"But there is a hint of a dragon entering the sea in the trigrams,"

“I think it is because Charlie has experienced some special encounter,”

“Which has directly elevated his fate to the true meaning of the dragon frame. In any case, I can not calculate.”

The old man asked curiously, “There are things you can not calculate?”

“Now that we have his childhood identity information,”

“Do you want to use his birth date and eight characters to calculate again?”

Maria shook her head: “I can’t even calculate his clues with my near-god trigrams, the birthdate is even less likely.”

The old man sighed: “Then, as you said, go to Aurous Hill and try!”

After saying that, the old man asked her again, “Miss, why don’t I accompany you to Aurous Hill?”

Maria did not say no, but only looked at him and spoke,

“I see that your qi and blood are weak, your health does not seem to be good?”

“Yes.” The old man let out a bitter smile and said, “I’m already eighty-eight this year,”

“I have diabetes, high blood pressure, coronary heart disease,”

“I’ve had heart attacks, stents, and bypasses, I had lung cancer a few years ago,”

“I had my left lung cut out, I also had chemotherapy, my body is obviously not doing well anymore,”

“The doctor said the other day that I’ve symptoms of kidney failure,”

“I should start doing blood dialysis after a while, but in this condition,”

“I shouldn’t and can’t afford any more torment, I’ll be satisfied if I can live another two years.”

Maria frowned and asked him, “Can’t you do a kidney transplant?”

The old man laughed and said, “Look at my body, can I still afford such a big operation?”

“I guess when I get on the operating table, the new lung will not work before it is put in.”

“That’s true.” Maria nodded and said indifferently, “Let me take your pulse.”

The old man was shocked by the words and asked in a flattered manner,

“Miss, I’m afraid this is not allowed how dare I ask you to take my pulse
..... “

Maria waved her hand: “There is nothing that can’t be done.”

With that, she pointed to the armrest of the chair and said, “Put your hand here.”

“Thank you, Miss!” The old man hurriedly put his left hand on the armrest of the chair,

Maria’s fingers gently moved on his pulse, closed her eyes, and felt for a moment,

Then withdrew her hand, sighed, and said very directly:

“Sorry, although I know some medicine, but may not be profound enough,”

“In your case, I am powerless to make any changes.”

When the old man heard this, he was stunned for a moment, then he laughed,

“Miss, there’s no need to blame yourself, I’m already satisfied that I’ve lived this long.”

Maria was silent for a moment and said, “Let me tell your fortune,”

“My level of fortune-telling is still much better than the level of medicine.”

After saying that, and without waiting for the old man’s response, she took out nine copper coins from her pocket.

Then, she placed the coins on the coffee table in front of her and,

As before, divided them into three equal rows in a diagonal fashion, grabbed three first, and threw them on the table.

Immediately, she looked at the trigram of the copper coins and frowned,

“The trigram shows that your life is coming to an end, at most, in half a year.”

“Half a year?” The old man’s expression was astonished,

And he froze on the spot as if he had been casted with a fixation spell.

However, he quickly came back to his senses and let out a miserable smile:

“Although it is shorter than I expected, but it does not matter,”

“Half a year is enough time for me to explain the arrangements after

Maria did not speak, continued to pick up the bottom left three copper coins,

Once again threw them to the top of the coffee table.

This time, her eyebrows were gently raised and she spoke,

“However, the current trigram has a silver lining,”

“If you can seize this chance of life, you can live a hundred years.”

“A hundred years of long life?!” The old man suddenly widened his eyes and blurted out,

“This is this possible? To live to be a hundred years old, there are at least twelve years left”

Maria said seriously: “The trigrams do not lie, your life,”

“There are only two possibilities, either, within six months; or, after a hundred years.”

The old man said with some surprise, “Miss then then how do I grab this ray of life?”

Maria once again grabbed the last three copper coins and threw them on the coffee table,

Then looked at the nine coins on the desktop and frowned.

The old man saw that she looked grave, and did not dare to ask questions, but could only wait anxiously.

A few moments later, Maria puzzled said: "Strange, this trigram says that your life is surprisingly related to me,"

"But I really have no way to renew your life If my father was still alive,"

"He certainly had a way, but unfortunately, he had not taught me that kind of skill until he left"

"It..... may also be because I am not that piece of material"

The old man did not know what to be happy about at this time, after all,

Even Maria could not understand the reason, he had no way to understand it.

At this time, Maria grabbed the southernmost coin, pinched it and held it up in front of the old man, and said seriously,

"This Yongle Tongbao back three coins, in my trigram represents the birth gate,"

"It is at the southernmost end of the nine coins, which means your birth gate is south of Eastcliff."

“South of Eastcliff” the old man muttered, confused.

Maria’s eyes suddenly lit up and she smiled,

“Although I don’t have my father’s skills, I know one person who certainly does!”

After saying that, she looked at the old man and said seriously,

“This south of Eastcliff must be Aurous Hill!”

Chapter 5211

“Aurous Hill?”

The old man asked in surprise, “You mean, my birthplace, in Aurous Hill?”

“Right.” Maria nodded gently and said,

“It seems that you should indeed go to Aurous Hill with me!”

The old man was busy asking, “Miss, I can I go with you?”

“Of course.” Maria nodded and said, “Since your birth door is in the south and it is related to me,”

“Aurous Hill is the most likely place, we will go together,”

“If we can find your birth door, you will be able to live a long life.”

The old man was excited and said reverently under his breath, “Thank you, Miss!”

After saying that, he trembled and was about to kneel down.

Maria quickly got up to hold him and said seriously,

“You don’t need to kneel to me, although this life gate is related to me,”

“It is by no means something I can bring to you,”

“So you still have to go to Aurous Hill to find your own chance encounter,”

“And what I can do for you is perhaps to wish you luck in your search.”

The old man nodded repeatedly and choked up, “Thank you, Miss!”

“If I can find it, it is my fate that I should not die,”

“But if I cannot find it, I have no regrets in my life.”

“Okay.” Maria nodded slightly and smiled, “It’s best if you can have this mentality.”

After saying that, she put away all nine coins and said,

“Get ready, let’s leave for Aurous Hill as soon as possible.”

The old man said, “Miss, you don’t need to hurry, your status is special,”

“I’d better have someone arrange a residence in Aurous Hill first.”

“There is no need to bother.” Maria smiled, “If I remember correctly,”

” Mrs. Larry Qiu’s ancestral home is in Aurous Hill,”

“They should have some properties in Aurous Hill, I’ll ask him to lend a property for a temporary stay.”

The old man suddenly realized, “Brother Larry!”

“I heard him say some years ago that he had more than 5,000 properties all over the world.”

“Since Aurous Hill is his wife’s ancestral home, he should have a lot of properties.

Maria nodded: “Before the Qiu family split, it was truly the richest in the Southern Ocean,”

“And after the split, although the paper data fell a bit,”

“The actual assets are still unmatched in the Southern Ocean.”

After saying that, she said to the old man, “You give him a call,”

“I’ll talk later when you get through, I had a tortuous journey to China this time,”

“I changed a cell phone every place I went, and I lost the last one before coming to Eastcliff.”

“Okay, Miss!” The old man said without thinking, “I’ll call him right now!”

After saying that, he took out his cell phone, found Larry’s number in the address book,

Dialed it, and turned on the speaker at the same time.

Soon, an old man’s voice came from the other end of the phone and said,

“Ethan, you old boy, you haven’t called me for two or three years, right?”

“Why do you have the grace to call me today?”

Ethan laughed, “I’m not going to hide it from you,”

“But I’ve been suffering a lot in the past two to three years,”

“Fighting with the king of hell every day, so I really didn’t have much energy to communicate with you.”

The other party laughed: “Ha ha, it seems that we are all the same,”

“At this age, we are all fighting with the king of hell.”

Ethan said with a smile, “Brother Larry,”

“I am calling you today mainly because I have someone valuable to talk to you about.”

“A valuable person?” Larry asked curiously on the other end of the phone,

“I’m buried up to my hairline, where is there any noble person

Chapter 5212

Ethan smiled and said, "Let her talk to you personally."

After saying that, he handed the phone to Maria respectfully.

Maria smiled faintly and said, "I wouldn't dare to take the word noble."

Larry on the other end of the phone asked in a surprised and happy voice:

"Miss? Is that you?"

Maria gave a hint and said lightly, "It's me."

"Oh my god!" Larry exclaimed, "Miss, why did you go to Ethan's place?"

Maria said, "I have some personal matters and came to ask him for help."

After that, she went straight to the point and said,

"I plan to go to Aurous Hill and may need to stay there for a while,"

"So I would like to ask if you have a house in Aurous Hill where I can stay for a while."

Larry immediately said without thinking, "Yes! Of course, I do!"

"I have a hilltop villa in Aurous Hill's Purple Mountain,"

"Located in an area inside the forest park that is not open to the public."

"I have a few cars and a helicopter there, and they are all taken care of."

Maria was not polite and said, "Okay, you can arrange it for me, I will arrive in the afternoon."

Larry was busy saying, "Sure Miss! I'll make the arrangements right away!"

Maria said, "By the way, tell your subordinates that I'm your distant granddaughter,"

"And I'm going to college in Aurous Hill, that's why you lent me your house for a while."

Larry respectfully said, "Sure Miss."

Maria added, "Oh also, I really want to find a university in Aurous Hill to study at,"

"I am just the right age to study at university right now, do you have the resources?"

“Yes, I do!” Larry said, “I donated 500 million to Aurous Hill University,”

“Half of the new campus was built by me if you don’t mind,”

“I can arrange for you to study at Aurous Hill University,”

“Which is also the best university in the province.”

“Good!” Maria said with a smile, “Then let’s go here!”

After saying that, she remembered something and asked Larry,

“By the way, where are you living right now?”

Larry said, “Back to Miss, I am currently in Singapore,”

“I have been living in two places, Singapore and Malaysia,”

“For all these years, and as I am old, I seldom go far away.”

Maria pondered for a moment and said, “Then it would be hard for you to arrange a Malaysian identity for me,”

“And then let me go to Aurous Hill to study under the identity of a Malaysian student.”

Larry subconsciously said, "Miss, isn't it better to have a Singaporean identity?"

"After all, Singapore?"

Maria said, "You get me a new identity, I have to go there personally and then fly an entry trip to China openly,"

"So I don't want to go to Singapore, the country is too small,"

"Too tightly managed, inconvenient to hide, and easily exposed."

Larry was busy saying, "Okay, then I will prepare a Malaysian identity for you."

Maria thought about it and said, "Just find a suitable family from your distant relatives to put me in,"

"Then submit the information to Aurous Hill University and have them send me a letter of acceptance."

Larry respectfully said, "Okay Miss, I'll arrange it, this identity, what name do you plan to have?"

Maria casually smiled, "If I can find a family with the surname Lin,"

"Then I'll call myself Cathy Lin if I can't find one, whatever Maria is fine."

“No problem!” Larry said offhandedly, “I’ll arrange it right away.”

Maria said, “Then I will not go to Aurous Hill today, I will go to Malaysia first.”

Maria knew very well that since she planned to use the identity of a foreign student,

Chapter 5213

Going to Aurous Hill to live and study at Aurous Hill University openly,

And then wait for Charlie to appear,

She had to prepare a foolproof chain of evidence in advance.

At least, she has to take on the new Malaysian identity,

Take a plane from Malaysia to China, and complete an official entry record.

Otherwise, once she meets Charlie, he suspects her,

At any time he can find out that she does not have an entry record.

In that case, she is afraid that Charlie will recognize her.

And he used the identity of Larry's distant relative to go from Malaysia to Aurous Hill openly and honestly,

And then in Aurous Hill to study at the university donated by Larry,

And live on Larry's property in Aurous Hill, everything would seem to be logical!

At this time, Larry on the other end of the phone said respectfully,

“Miss, you can ask Ethan to arrange a plane for you to fly directly from Eastcliff to Georgetown, Malaysia,”

“And I’ll leave now to fly there and wait for you!”

Maria’s style of action was breezy and did not drag on.

After hanging up Larry’s phone, she immediately said to Ethan,

“Old Sun, I need you to arrange a plane for me, I am going to Malaysia now.”

Ethan said, “Miss, I will go with you!”

Maria waved her hand and said seriously, “Don’t come to Malaysia with me,”

“You have a special identity, if you leave a record of the two of us leaving the country together,”

“Things will be easily exposed in the future, I’ll go there myself with the identity I entered this time,”

“Then I’ll come back immediately with a new identity and go directly to Aurous Hill when I come back,”

“You come to Aurous Hill and meet me there, we’ll meet in Aurous Hill.”

When Ethan heard this, he nodded and said, “Okay, then I will wait for your news in Eastcliff,”

“And after you arrive in Aurous Hill, I will come over and meet you!”

“Okay.” Maria asked him, “When will the plane fly at the earliest?”

Ethan said, “There is a Gulfstream G700 business jet standing by at Eastcliff airport,”

“Ready to fly at any time, and it will be in Malaysia within five hours.”

Maria nodded: “Then help me prepare as soon as possible,”

“And arrange a car to take me to the airport.”

Ethan respectfully said, “Yes Miss, I’ll arrange it now!”

Soon, Ethan arranged a convoy and personally escorted Maria to Eastcliff airport by car.

Forty minutes later, Maria, who had successfully passed through customs,

Took off from Eastcliff airport in the Sun family's private plane.

After taking off, the plane headed northwest around Eastcliff city and then flew in a southwest direction.

The Gulfstream G700 flies close to the speed of sound, much faster than the average civilian airliner,

And Georgetown, Malaysia, is a little closer than Singapore, so it arrived in a little over four hours.

Meanwhile, Larry, who was far away from Singapore,

Dragged his ninety-year-old body and started, together with his wife,

An exciting helicopter flew to Georgetown to prepare for Maria's arrival.

Georgetown is the most Chinese-populated city in Malaysia,

And the place where Larry made his fortune in earlier years.

He has several estates in Georgetown, the largest of which even has a two-kilometer-long private beach.

It just so happened that one of Larry's distant cousins in Georgetown was surnamed Lin,

So he had a personal file concocted out of thin air and fabricated an eighteen-year-old girl named Cathy Lin,

And even faked a series of file information for the girl.

When Maria's plane flew out of China's airspace, Charlie and Claire,

Who were in the United States, had also finished the master class completion ceremony.

At this point, Claire had finally completed her dream for many years,

And received the master class completion certificate from the Rhode Island School of Design.

Afterward, Charlie returned to the hotel with Claire and Stella.

The two women decided to have a drink in the hotel's executive lounge and chat for a while,

Chapter 5214

So Charlie went back to the hotel room alone to arrange tomorrow's schedule.

He had asked Stella to arrange for the Fei family's private plane to fly to Canada tonight,

And tomorrow morning, he asked Orvel and Issac to take the Concorde from New York to Canada at dawn to receive Auntie Li,

Xiaofen and Claudia to the airport and arrange for them to take the plane arranged by Stella,

And after that, Orvel and Issac would take the Concorde directly back to Aurous Hill.

At that time, Fei's plane would carry Auntie Li and the three of them to New York,

While Charlie would also take Claire and his mother-in-law on the same plane in New York and return to Aurous Hill together.

In order to confirm Elaine's recovery and to inform her to get ready, Charlie made a phone call to her.

When the call was answered, Elaine said cheerfully while baring her lips,

“Hey good son-in-law, why are you calling me at this time?”

Charlie said smilingly, “Mom, how is your recovery?”

Elaine laughed: “Very good, very good, eating every day shark’s fin, abalone, wormwood, and sea cucumber,”

“More powerful than soccer players, the doctor’s medical skills here are also very good, my leg is recovering quite well.”

Charlie said, “That’s good, Claire has closed her work today,”

“We plan to check out tomorrow morning and come to New York,”

“After picking you up, we will go back to Aurous Hill together.”

“Back to Aurous Hill?” Elaine’s tone instantly lost up, she said:

“Good son-in-law ah, back to Aurous Hill is meaningless, this leg is not convenient yet,”

“I still have to give you trouble, if I say why not you and Claire go back first,”

“I will stay here a few more days to recuperate, get well, and then return!”

Charlie was helpless for a while.

He was willing to let her stay in the United States,

But Claire still does not know about her mother's hospitalization,

This matter has been delayed, Claire will certainly be suspicious, then maybe worried.

So, the best solution is to let Elaine go back with her.

If Claire sees Elaine limping again tomorrow,

She can say that she accidentally fell on her leg while hanging out with her friends,

Not that her leg was broken when she was a ghost in Bedford Hills Correctional Facility.

So, he said with some difficulty, "Mom, staying in the hospital is not as comfortable as coming home,"

"Besides, you are not familiar with New York, it is certainly not much fun to be alone,"

"After you go back you still want to eat these mountainous and seafood,"

“I will arrange it for you every day, it will certainly not be worse than eating in the hospital.”

Elaine is feasting on the hospital bed thinking in her heart, secretly:

“staying here although I get good food, good drink, and someone to serve,”

“But every day except for the ward and the green area downstairs,”

“There is really no meaning, going back I can sell the necklace that Charlie gave me,”

“Get some cash to spend, then every day going around the days must be not very painful!”

Thinking of this, she said with a smile on her face:

“Good son-in-law, since you have said so, then mom will go back with you!”

Charlie smiled and instructed her, “Mom, if Claire sees the problem with your leg tomorrow,”

“You can say that you accidentally fell while playing with your friends,”

“And the old injury didn’t heal well before, and then it relapsed,”

“Don’t say anything about the time in prison, so she won’t feel good.”

“Okay, okay.” Elaine agreed, smiled, and said,

“You just do not account for me, I can not tell the truth to her,”

“If people find that I the ghost of Bedford Mountain allowed people to break my leg,”

“Then my reputation will not be all ruined?”

As soon as Charlie heard the words Bedford Hills Ghostly Sorrow,

He got a big headache, but he could only smile and say, “Mom, you’re right.”

Elaine smilingly said, “Okay, what time tomorrow, you tell me,”

“I’ll explain to the doctor and nurse afterward, let them send me to the airport.”

“Okay.” Charlie said, “Claire and I will drive there after checking out in the morning,”

“But we still have to return the car, I guess it will be noon when we are done,”

“So you can go to the airport at noon after lunch.”

Elaine asked, “What time is the flight?”

Charlie laughed: “We’re not taking a civilian airliner, we’re taking a client’s private plane.”

“I’ll go!” Elaine was surprised and said, “Another private plane?”

“I came to the U.S. this time, but I’ve had my fill of private jets!”

“Good son-in-law, then I will meet you at the airport tomorrow after lunch at the hospital!”

“Good.” Charlie instructed, “You can come directly to the VIP building tomorrow,”

“I will wait for you there with Claire.”

Chapter 5215

Stella and Claire chatted for a long time in the executive lounge.

During this time, Stella modified her story slightly,

Making everything seem incomparably real and even silky smooth in Claire's eyes.

According to Stella, the reason why she and her grandfather went to Aurous Hill,

Was because his health was deteriorating and he was introduced to a top Chinese doctor named Shi Tianqi,

And when they learned that Tianqi had a medical clinic in Aurous Hill,

The two of them immediately took a flight to Aurous Hill.

After arriving in Aurous Hill, in order to keep a low profile,

Stella only used the fake identity, which she had also chosen when she entered China,

So this also made Claire realize that Stella did not make up a fake name just to deceive her.

Stella told Claire that after she and her grandfather arrived in Aurous Hill,

She found Tianqi to treat her grandfather and did cure him,

But at that time, her eldest uncle took advantage of her grandfather's absence in the United States,

And used a ruse to take away the family headship and began to hunt her and her grandfather down.

It was also at that time that she heard from someone in Aurous Hill,

That Charlie was a very powerful feng shui master,

So she found him to try to break the situation,

And Charlie gave her a few pointers, and she and her grandfather escaped.

That was also the time when she left without saying goodbye to Claire.

And evaporated from Aurous Hill in order not to involve her.

Subsequently, Stella told Claire that the reason she was able to sit as the head of the Fei family,

Was because Charlie had changed her feng shui and fortune,

Which allowed her to return to New York with her grandfather,

And successfully reclaim the head of the family when the Fei family was in a huge crisis.

The rest, there is no need for Stella to explain to Claire,

Claire herself from the TV already knows most of it.

The actual purpose of the trip to Aurous Hill was cleverly concealed by Stella,

Who then moved Tianqi in to make a perfect substitute,

And then used Charlie's identity as a feng shui master to amplify this aspect of feng shui as much as possible,

So she fooled Claire into believing in it.

When she heard that Stella was actually chased by her eldest uncle,

And even she nearly died, she could not help but feel a little ashamed in her heart,

Ashamed that Stella encountered such a big crisis, in order not to involve her,

She left without saying hello, and she felt lost in her heart for her unceremonious departure.

And she also felt proud of her husband at the same time.

She really did not expect that Charlie's ability in feng shui would be so powerful,

That he could even help Stella reclaim the position of the Fei family head and ascend to the top in one step.

This also perfectly explains why Stella, the trillion-dollar Fei family head, was respectful in front of Charlie.

Everything, in Claire's opinion, is so impeccable.

Therefore, in her heart, there was no doubt at all.

In this way, the little loss in her heart, also completely dissipated.

When she sent Stella away, on her way back to the hotel room,

She even wiped her tears secretly because of Stella's rough ordeal.

When she returned to her room, Charlie found that his wife had actually cried red eyes,

And quickly asked with concern, "Wife, why are you crying? What happened?"

Claire did not say anything, came forward, gently hugged Charlie,

Choked and said, "Honey, Stella she for her it was too difficult"

"Uh" Charlie froze, then guessed what probably happened,

Chapter 5216

So while gently patting her back comforting, Charlie said to her: “Wife, as the saying goes,”

“If you want to wear a crown, you must bear its weight,”

“If Miss Fei was just a girl from an ordinary family, she would naturally not have to go through so many dangers and trials,”

“But she is now the head of a trillion-dollar family, and for someone of this stature,”

“It is only right that she should suffer some trials and tribulations,”

“Otherwise she would not know how to cherish them at all.”

Claire sighed and blamed herself, “I didn’t know she had gone through so many ups and downs,”

“And though she had deliberately made a false identity to experience life in Aurous Hill,”

“And when she had experienced enough she simply disappeared without saying hello

Charlie laughed: "Now that you know the truth of the matter, you don't have to dwell on it so much,"

"For her, right now is the best outcome, you two can also finally talk about these misunderstandings,"

"And be friends again, isn't this pretty perfect?"

"Yes....." Claire felt that Charlie had a point and nodded gently.

Then, she looked at Charlie and said with a face of admiration,

"But you're really great too, husband! Just by adjusting the feng shui,"

"You were able to make Stella go from being chased by her eldest uncle,"

"To become the head of the Fei family in one fell swoop, that's amazing too!"

Charlie laughed and said modestly: "In fact, this is mainly because people have this foundation,"

"You should know, to be born in this kind of rich and noble family,"

"Her destiny is already one of hundreds of millions of people hard to find,"

“Besides, she has the support of her grandfather, basically,”

“Everything was ready, my feng shui, in fact, was just a nudge.”

Claire said incomparably seriously: “That’s already very powerful!”

“I used to think, you always go to people to see feng shui, but it could bring trouble to you,”

“Today it seems, my husband’s ability is very big!”

“No wonder people call you Master Wade! Because you are a real master!”

Charlie touched his nose and laughed: “Wife, I’ll be proud if you praise me so much.”

Claire smiled: “Master Wade must be proud of himself!”

.....

A few hours later.

A Gulfstream plane landed at the airport in Georgetown, Malaysia.

This city has another name, Penang.

At this time, in Penang, there are torrential rains.

After the plane landed, it glided directly into the hangar where it was made.

The entire hangar echoed with the sound of rain beating on the roof,

While Larry and his eighty-five-year-old wife had been waiting here for a long time.

When Maria stepped down from the plane, Larry held his wife's hand and walked forward excitedly,

Saying respectfully, "You have worked hard all the way, Miss!"

Larry's wife also said respectfully, "You've worked hard, Miss!"

Maria nodded, smiled slightly, and said, "You don't have to pick me up here, just send a driver."

Larry said, "Miss, you are here in Malaysia, how can I not come to greet you!"

Maria smiled and said, "This is not the place to talk, let's go first."

"Good!" Larry said respectfully, "I've already taken care of the customs,"

“Give me your passport, I’ll arrange for someone to do the formalities, you don’t have to worry about the rest.”

Maria nodded her head and handed her passport to Larry.

Afterward, Larry invited Maria to get into his stretched car,

And asked one of his servants to handle the entry formalities for Maria,

While the other beloved drove the three out of the airport and to his estate in Georgetown.

On the way, Maria looked around at the rainy landscape and sighed thoughtfully,

“It rains a lot in Penang..... I hate it

Larry smiled awkwardly and said helplessly, “Penang does have too much rain once summer comes,”

“It rained twice in the past month, one for 14 days and one for 15 days, and it stopped for one day in between.”

Saying that Larry hesitated for a moment and asked her,

“Why are you suddenly going to Aurous Hill to settle temporarily this time?”

Maria smiled lightly, "I ran into some trouble in Northern Europe,"

"So I'm going to China to get away from it, and to find another person by the way."

Larry asked curiously, "What kind of person is it worthwhile for you to look for personally?"

Maria smiled sweetly, "A valuable person, maybe, the only one who can change the trajectory of my life"

Chapter 5217

The next day.

Charlie and Claire packed their bags and checked out of Providence, where they had been living for more than a month.

The two drove directly to the New York airport,

And when they were checking out of the airport, Charlie received a phone call from Elaine.

On the phone, Elaine asked him, “Good son-in-law, I’m at the airport, where are you?”

Charlie asked her, “Mom, are you in the VIP building?”

“Yes.” Elaine said, “The hospital director personally sent me here.”

“Good,” Charlie answered and said,

“Wait for us in the lobby of the VIP building, we’ll be right there.”

After hanging up the phone, Charlie also finished the formalities of returning the car,

And turned to the waiting Claire and said,

“Let’s go directly to the VIP building, Mom has already arrived.”

Claire did not know that her mother had broken her leg again, and could not help but tease:

“My mother is really no less a drama, she said she missed us,”

“Came to find us, but the result was to leave within a few days,”

“And when she left, she was cheated into prison, and finally came out,”

“But did not come to find us, and lived alone in New York to dazzle up.”

Charlie laughed: “Mom’s that character, you still do not understand it?”

“Yesterday I called her, people still do not want to go.”

Claire shook his head helplessly and sighed,

“There’s nothing I can do about her.”

Since the car rental agency is some distance away from the VIP building,

The employees of the agency drove a small ferry to bring the two to the entrance of the VIP building.

Just as they entered the VIP building, they heard Elaine shout, "Claire, Charlie!"

Claire looked around and didn't see Elaine's figure.

Claire glanced down and realized that the person driving the electric wheelchair was her mother, Elaine!

Elaine controlled the electric wheelchair with one hand and stopped steadily in front of the two of them and said to Claire:

"Where are you looking? You can't even see your mother with such big eyes."

Claire helplessly said, "Mom, I didn't look down either"

First reaction of Claire was that her mother must have had a good time recently,

As she saw that Elaine's face was rosy and lustrous,

And she had even put on a little weight compared to the last time she met her.

However, she quickly came back to her senses and hurriedly asked,

“Mom, why are you in a wheelchair again?”

Elaine sighed and said helplessly, “Don’t mention it,”

“A few days ago, unluckily, I slipped and fell and broke my leg again.

Claire immediately said with distress: “Mom why can’t you be careful

“You have broken this leg too many times

“If it continues like this the leg has been already been broken too many times.”

“If it continues like this, can it grow back?”

“Yes, yes, yes.” Elaine said smilingly: “The doctor said,”

“I can definitely recover this leg, you can rest assured that good.”

Claire seriously said, “Mom, you feel nothing now,”

“I’m afraid there will be sequelae in old age,”

“You must be careful in the future, don’t let this leg of yours get injured again

“Okay, Okay,” Elaine said in a serious manner,

“In the future, Mom must protect this leg well!”

Claire could only nod helplessly.

Chapter 5218

At this time, a woman who was about the same age as Elaine,

And looked like an intellectual came forward,

And said to Claire with an apologetic face, "You are Claire, right?"

This woman, whom Charlie had seen before, was the director of the Fei family hospital,

Who was specifically in charge of Elaine, it seemed that she had come over today,

To help Elaine round up the lies in front of Claire.

Claire saw her for the first time, nodded somewhat blankly, and asked in surprise:
"You are?"

The woman busily said, "I am your mother's friend, in New York these days,"

"She has been staying at my place, really sorry,"

"It's my fault that I didn't take care of your mother,"

"Let her fall and injure her leg accidentally, please don't mind"

Claire heard this, and quickly said: "Auntie you must not say that,"

"My mother's leg is an old problem, it has broken several times before,"

"So, certainly can not blame you, and during this time mom must have troubled you here,"

"I as a daughter also have to thank you for taking care of her!"

The woman nodded slightly and said, "For your mother's leg, I found the best doctor to see,"

"As long as she rests a little longer, she will be able to get better,"

"And also the old disease can come back, I asked someone to buy her this intelligent folding electric wheelchair,"

"This thing is the orthopedic doctor's highly recommended mobility tools,"

"Very flexible, after you go back, take your mother out and put it in the trunk."

Claire hurriedly said, "Auntie, thank you so much, you must have spent a lot of money,"

"Before and after seeing the doctor, give me a number and I will call you!"

“No need!” The woman smiled and waved her hand:

“Your mother and I are good sisters, this is nothing,”

“I originally wanted to let her recuperate in New York for a while,”

“I did not expect you to leave in such a hurry,”

“But your mother needs oral medicine, I have prepared it here.”

She handed a handbag to Claire and explained, “These are her current oral medications,”

“Which can speed up her recovery and reduce complications,”

“The specific instructions for use are all on it,”

“And I have also prepared a handwritten instruction on how to take it,”

“So just go back and give her the instructions.”

Claire did not expect the other party to be so attentive and said with a grateful face,

“Thank you, auntie, it’s really hard for you!”

The woman waved her hand and said with a smile,

“Your mother and I are lifelong friends, you don’t have to thank me.”

At this time, she suddenly saw Stella walking in wearing a mask at the entrance,

And they exchanged a look, so she looked at Elaine and said,

“Elaine, I have some business here, so I can’t send you through the security check,”

“In the future, when you come to America, you must remember to call me first.”

Elaine heatedly smiled: “Don’t worry, Director Chen!”

After saying that, she realized that she had said the wrong thing,

And she didn’t know how to round up the lie.

Claire was also a bit surprised, not knowing why her mother called the other side Director Chen.

At this time, the woman hurriedly said, "Why do that? It is the nickname from prison. Don't repeat it, it's unlucky."

Only then did Elaine come back to her senses and hurriedly said, "Right, right, yes, yes, yes!"

After saying that, she hurriedly said to Claire: "Claire, your Auntie Chen,"

"She is Mom's best friend from Bedford Hills Correctional Facility,"

"At that time she was the elder sister in our cell, we all called her Director Chen!"

Claire also did not think much about it, although she did not know for what reason this woman was in prison,

But saw that the other party looked very good, and spoke decently,

Thought it would not be because of any bad nature of the crime, so in her heart, she did not think much about it.

What's more, she also knew that it was not appropriate to talk about other people in prison,

So she hurriedly stopped there and concluded the topic.

Director Chen then said goodbye and left, and as soon as she left,

Stella came up on her heels and waved at the two of them, "Claire, Master Wade!"

Claire was surprised to see that Stella had come and asked, "Stella, why are you here?"

Stella smiled and said, "I came to see you off. I wanted to go to China with you for a few days,

But I had too much to do recently, so I came to see you off!"

Elaine looked at Stella with a shocked face and said,

"You are you the Miss of the Fei family?"

Chapter 5219

The news of the Fei family was sensational at first, and Elaine also knew something about it.

When she first saw on TV that Stella, in her capacity as the head of the Fei family,

Had been ordered to solve the huge crisis of the family, she had this feeling in her heart:

“Also a woman, some people can be in charge of a super financial empire worth trillions of dollars in their 20s,”

“But I have lived for 50 years, but I don’t even have 500,000 in my bank account, it’s really gods are blind.”

It was because of the vivid memory of Stella that Elaine was so excited when she saw her in person.

However, what she did not know was that the person in front of her, Stella,

Was actually the same Zhan Feier who gave her husband a Rolls Royce Cullinan in Aurous Hill.

At this moment, Stella also politely said to Elaine: “Hello, auntie.”

Elaine excitedly said, “Miss Fei you you know my daughter and son-in-law?”

Stella laughed: “Of course, we know each other,”

“Master Wade has helped me a lot in Feng Shui and has been kind to me.”

“Really?!” Elaine said with an incredulous face, “Even you, Miss Fei, are my son-in-law’s client.”

Stella nodded and smiled, “It’s my honor to be Master Wade’s client.”

Elaine was surprised and said, “Oh my God, it has to be my son-in-law,”

“My son-in-law’s ability, level, network, that really can’t find a second one!”

She hurriedly took out her cell phone, handed it to Claire, and said impatiently,

“Claire, take a few pictures of me with Miss Fei!”

Once Elaine said this, Claire knew that her mother must want to take a picture and send it to her circle of friends to show off.

However, since Stella has a special status, Claire instinctively felt that,

It would be inappropriate for her mother to post a photo of her and Stella together in her circle of friends.

So she advised, "Oh mom, her identity is very sensitive, better not take a photo together,"

"And you are still sitting in a wheelchair, it does not look good, as if Miss Fei is caring for the disabled."

Elaine heard this and quickly said, "Never mind, hurry up and help me up, I can stand on one leg for a while!"

Stella said with a smile, "Auntie, you don't have to toss and turn,"

"Why don't I half squat and take a picture with you!"

"Good, good!" Elaine was so excited that she hurriedly handed her phone to Claire and said impatiently,

"Claire, hurry up and take a picture, you too squat down and take a picture!"

Claire did not accept the phone handed over by her mother and said in a serious tone,

"Mom, Miss Fei is considered a public figure now, just listen to me for once, don't shoot."

Seeing her daughter's tough and insistent attitude, Elaine knew that her daughter must have seen through her little mind,

So she had no choice but to say resentfully, "It's okay, it's okay, just don't, it doesn't matter."

Charlie saw Elaine although her mouth gave up, but the expression is still a bit resentful,

So he said with a smile: "Mom, in fact, taking a photo at the airport is not meaningful,"

"If you take a picture here, even your friends who see the photo will think you are in the airport,"

"And by chance met Miss Fei, and dragged her to take a picture, it is not the effect you want."

Charlie said, he was a little subtle, but Elaine immediately understood the essence of it and thought in her heart:

"Good son-in-law is right, in the airport with people, especially with celebrities, 100 people see it,"

"There must be 101 people saying that this must be a chance encounter, begging people to take photos,"

“They really cannot pretend to be anything! I guess it can also stimulate people like Horiyah.”

In fact, the side of Stella originally felt indifferent, but saw Claire seems to intend to stop,

So she also smiled and said, “Auntie, this time in public, I’m afraid that the shot out also does not look good,”

“Why not in the future when we have the opportunity to a private party we can shoot then.”

Until now she had a disappointed mood but when Elaine heard this, she suddenly felt a lot better, she secretly thought:

“My good son-in-law, so capable, even Miss Fei is his client, the future meeting is certainly inevitable,”

“In case I can really take a picture with Miss Fei at the party, that is really a big show.”

So, she agreed without thinking, “If Miss Fei has time to come to Aurous Hill, come to our home and must be a guest!”

Stella nodded and said with a smile, “No problem Auntie, I will definitely pay a visit then!”

Charlie at this time received a voice message from Xiaofen, put it in his ear, and listened,

Xiaofen said in the message, "Brother, we have landed at the New York airport, have you arrived?"

Charlie replied to her, "We just arrived at the airport and started the check-in procedure right away."

Xiaofen happily replied, "That's too good, the captain said we don't need to get off the plane, just wait for you on the plane."

Charlie replied, "That's right, you guys just wait on the plane, we'll be right there."

After returning Xiaofen's message, Charlie said, "The plane has already landed, so let's hurry up and go through the formalities."

After saying that, he said to Stella: "Miss Fei, after the security check, we will leave the customs, so you should hurry back."

Stella was reluctant, but nodded with a smile and said, "Then Master Wade, Claire, Auntie, have a good trip, I won't see you off."

Elaine said offhandedly, "I heard them say, flying can not be downwind, downwind plane will fall down, and I do not know if it's true."

Charlie laughed: “Mom, don’t listen to the nonsense, the plane only needs to fly against the wind when taking off,”

“After reaching the sky, a downwind plan can fly faster, originally 10 hours to get there, with the downwind, maybe 8 hours to get there.”

“So” Elaine muttered: “Last time I came to the United States, Horiyah pinned my circle of friends wished me a good trip,”

“I cursed her all the way in my heart, it seems that I was wrong to blame her.”

Charlie was not only dumbfounded but laughed, and then started to prepare to go through the security check.

After saying goodbye to Stella, the three passed through security and customs,

And boarded the plane directly from the parking space outside the VIP building.

Elaine had difficulty with her legs, and the airport sent two attendants to help her all the way.

On the plane, Auntie Li, Xiaofen, and Claudia saw Charlie get on the plane and all hurriedly stood up to greet him,

Especially Xiaofen and Claudia, when they saw Charlie,

They all called out in unison somewhat shyly, "Brother Charlie."

Charlie grinned at the two of them and asked, "How are you two doing?"

"Pretty good." Xiaofen smiled, "Recently when we think of going back to Aurous Hill,"

"We are both very excited, and we talk about Aurous Hill for a long time every night."

Charlie nodded, looked at Claudia, and smiled, "Claudia, while it's still summertime,"

"After you arrive in Aurous Hill, you still have time to slowly get used to it,"

"So let Xiaofen take you around and get to know the customs and people of the city."

Claudia nodded gently and said seriously, "Okay brother Charlie, thank you so much"

Chapter 5220

Xiaofen on the side said with a smile, "Brother Charlie, don't forget,"

"Claudia's mother came out of Aurous Hill, and we can say that Aurous Hill is Claudia's grandma's house."

Charlie laughed: "That's true, so are there any relatives in Aurous Hill?"

"Not more." Claudia shook her head and said, "Grandparents are dead,"

"An uncle is also abroad, and there has not been much contact,"

"So basically there are no relatives around, and those who are, are distant relatives"

"Who have not met much, and can't even name them."

Charlie laughed: "It's okay, there's Aunt Li, Xiaofen, and me, we're all your relatives."

Claudia was touched in her heart and heavily nodded her head.

Charlie then introduced to Auntie Li at this time, "Okay Auntie Li, let me introduce my mother-in-law to you."

Saying that he gestured towards Elaine, and then said to her:

“Mom, this is Auntie Li from the orphanage, you should have heard of her.”

“I’ve heard of her, I’ve heard of her!” Elaine looked at Auntie Li and said with surprise:

“I used to hear Charlie talk about you every day!”

As she spoke, Elaine’s mind could not help but recall when old Mrs. Willson had her birthday,

Charlie suddenly offered to lend one million to this Aunt Li for medical treatment at the birthday banquet.

At that time, she really hated the insensitive Charlie, but who would have thought that now?

He has become a golden tortoise son-in-law, an unmatched person in her circle of people.

Thinking of this matter, she hurriedly said to Auntie Li:

“Hey, when Charlie was working for your recovery, it really took a lot of effort, our family is also trying their best to help

Speaking of this, Elaine's face remained unchanged and she sighed:

"Unfortunately, when the Willson family's dead old lady, when Charlie asked her to lend money,"

"She not only did not lend him a penny but also in the birthday banquet in public,"

"She scolded him badly, it was really excessive!"

Auntie Li hurriedly thanked, "You are really thoughtful, thank you!"

Elaine smilingly waved her hand and said, "Why, you're welcome,"

"My good son-in-law had been talking about you, we naturally want to do our part too."

With a concerned face, she asked, "By the way, are you all better?"

"Yes." Auntie Li nodded and said, "I had an operation at first, and I've already healed."

"That's good!" Elaine said with a relieved face: "In the future,"

"You must take care of your health, my son-in-law knows a very famous doctor,"

“He seems to be called Shi something, oh yes, Shi Tianqi! Let him take you to have a good look later!”

Aunt Li smiled faintly and nodded her head in thanks, “Thank you, you have a kind heart!”

When Charlie heard Elaine say so, he could not help but feel a lot of emotions in his heart.

First of all, he is naturally saddened by his mother-in-law’s lying skills,

Which is really the best in the world, no matter what kind of false heart words,

She can open her mouth, this is really unmatched.

Secondly, it is lamenting the huge turnaround in their lives.

Since the birthday party of Mrs. Willson, he was reduced to the trash trampled by the crowd,

His life had really bottomed out and it has been soaring to the sky after that.

At this moment, the captain walked into the cabin from the cockpit and said very politely,

“Distinguished guests, I am the captain of this flight, I am glad to serve you,”

“We have about eleven hours of flight, if you are all ready, we can take off.”

Elaine subconsciously went to pull out her cell phone, wanting to ask the captain to go back and start again,

But when she thought there were still many people around, she had to give up,

But in her heart she still wanted to show off a little, so she said to Claire:

“Claire, call your father, tell him to hurry up and pack up, and start the Rolls Royce to pick us up at the airport.”

Claire said helplessly, “Mom, didn’t you hear what the captain just said, we have to fly for more than 10 hours

“Oh

 Elaine suddenly realized, and then waved her hand and said,

“It doesn’t matter, just tell him to pick us up at the airport an hour earlier.”

Claire has always disliked high profile, so she said, “Hey mom, don’t let dad drive to pick us up again,”

“Him driving that car is really too conspicuous, if I say, why not let Charlie book a big car,”

“Not only the three of us can sit, aunt Li, Xiaofen, and Claudia can also be together.”

Elaine bristled: “I’ll talk to him!”

.....

The plane soon took off, carrying six people out of New York, flying all the way toward China.

Eleven hours later, the plane finally landed at Aurous Hill Airport.

Returning to the long-lost Aurous Hill, both Charlie, and Claire, as well as Auntie Li and Xiaofen, all felt very affectionate.

Claudia looked very calm and chatted a lot with Xiaofen on the way, but Charlie could also tell that she seemed a bit nervous and uneasy.

He understands the feelings of this little girl, after all, she is only a teenager,

She has been through too much suffering, and now to leave the country to start a new life in a city more than 10,000 kilometers away,

Nervousness and apprehension and even confusion and anxiety are understandable.

But Charlie did not say anything to persuade her, because he knows her character,

This girl is not very old, but her mind is already very mature, and he believes she will be able to quickly adjust.

At this time in Aurous Hill, it was already nine o'clock in the evening.

Charlie had already arranged in advance for Issac to come and pick up Auntie Li and the girls at the villa that had already been set up.

Because there were Claire and Elaine, Issac was not able to appear, so he arranged a luxury-modified Toyota Kost to pick them up.

The main reason for arranging such a big bus is because considering that Auntie Li and the three of them came back from abroad and settling down,

The luggage they brought with them must be a lot, such a car can easily accommodate six people and all their luggage easily.

At the entrance of the airport, Auntie Li and the girls met the driver who had been waiting for a long time.

The driver and an assistant diligently helped them carry several suitcases into the car,

And Auntie Li looked at Elaine and asked, “Ms. Ma, this car is quite big, why don’t we go together?”

Elaine waved her hand and smiled, “Sister Li, we won’t go with you guys, we’ll wait for my husband to pick us up.”

Saying that she can’t help but curse: “This idiot, told him to come earlier,”

“How come he hasn’t shown up yet? If he dares to keep me waiting, I’ll tear him up!”
