## Chapter 4527

The sudden death of Charlie's third aunt caught Karl, as well as the entire An family, off guard. Her sixteen-year-old daughter almost collapsed on the spot, Hugging her mother's corpse and constantly shaking it, breaking down and crying, "Mom ..... What's wrong with you mom ..... don't scare me, mom ....." Martel is also close to collapsing, he was just about to go forward to check,

But was grabbed by the second brother Marcus. Martel looked back at Marcus with a surprised face and questioned offhandedly, "Second brother, what are you pulling me for? Something happened to Amelia!" Marcus roared with a black face: "You see how she died!" "Remember how that assailant leader just took poison and killed himself?!" "Suicide ....." Martel's expression was horrified beyond belief and asked offhandedly,

"You ..... You mean ..... Amelia.... suicide... by taking poison?!" Marcus pointed at the corpse and asked in a cold voice: "Besides suicide, is there any other possibility?!" Karl immediately rushed forward at this time, picked her up, and said to the crowd, "You guys don't move yet!" After saying that, he also said to the people he brought, "Keep an eye on them!" As soon as the words left his mouth, he ran out of the box with the body in his arms and ran towards Charlie's location. Charlie saw him carrying a middle-aged woman with no signs of life, and his brow immediately tightened.

Tasha has seen Charlie's third aunt, although they did not speak, but after all, A few minutes ago she was still a large living person, now carried by Karl, dead, This makes her, can not help but be scared, and move back a few steps and cover her eyes. Charlie was about to ask a question, Karl said with a shameful face: "Mr. Wade, I did not do a good job, just in the process of searching," "All the attention was focused on the hands of each person," "Afraid that they have any small movements, but did not expect this woman would die of poison ....." After saying that, he said incomparably chagrined: "I don't even know how she actually took the poison ....." "I clearly stared closely at everyone's hands and confirmed that her hands had not moved. But ....." Charlie said with a serious expression, "Mr. Yuan don't need to blame yourself, it's not your fault." Saying that he reached out and pinched open the middle-aged woman's mouth, And indeed found broken dentures in her mouth, and also on the upper left side of her dental bed, He found an empty space with a missing tooth. Then, he sent a trace of aura into the other person's body, And found that the poison had already spread through the blood circulation to her whole body, including even the brain. So it seems that this person can't be saved. Charlie's heart could not help but be appalled. From the missing teeth in her mouth to the shattered dentures, It could be seen that this woman was by no means temporarily bribed, But had long been a member of the assailants, And had even been trained as a dead soldier by the assailant's organization. Otherwise, how could it be that when it was about to be exposed, She did not hesitate to bite down on the dentures and die of poison? In this situation, Charlie is not only shocked, at the same time, but also has a few points of worry. Even the An family is so huge family, it can be infiltrated by assailants, And it is not just infiltration to the level of subordinates, But is directly infiltrated to the scope of the direct line members, it is really extraordinary! The An family people who came here today, in addition to the family's old, middle and young generations, It is not only the three daughters-in-law of the An family. That is to say, the identity of this woman, it is possible that she is one of his three aunts of his uncles' wives,

It is also possible that it's his maternal aunt.

## Chapter 4528

The impression of Charlie includes from childhood only seeing the first aunt and second aunt,  
And the third aunt he has not met, and he and his maternal aunt also have not seen each other for many years,  
And he can not confirm who this woman is.

Thinking of this, he then asked, "Mr. Yuan,"

"Have you paid attention to the reaction of the An family, can you deduce who this person is?"

Karl thought about it, and quickly said, "There is a man, who should be her husband,"

"That man called one of the other men second brother,"

"I heard him talk about this woman's name, seems to be called Amelia."

When Charlie heard this, he immediately surmised that this person should be his third aunt.

After all, the only person who could be called the second brother was his own second uncle, Marcus.

And the only ones who could call him his second brother is his third uncle Martel and his maternal aunt Tece.

What Charlie fears most is that in case this woman is his maternal aunt Tece,

That would mean that the An family's own people have been infiltrated,

And this situation is really unacceptable from either side.

So, when he heard that it was his third aunt, his heart was slightly relieved.

However, it was an only slight relief.

Third aunt and third uncle Martel married for at least a dozen years,

Why on earth would the pillow side be transformed into a dead man?

If she was brainwashed in the middle of the process,

Then one has to marvel at the strength of that mysterious organization,

Which can train a well-bred daughter-in-law of a top family to become a dead soldier,

The ability of such brainwashing can be considered the pinnacle.

If she herself was a member of that mysterious organization,

And planted in advance by that mysterious organization on the side of the An family undercover,

Then the strength and strategy of this mysterious organization seem even more terrifying!

The ability to train a dead soldier to willingly marry into the An family,

Share a bed with third uncle Martel for more than ten years,

And raise a common child, this layout ability is simply outrageous!

Moreover, for this organization, even this woman can not hesitate to sacrifice her husband and daughter,

And even her own life, this control ability can send a chill down the spine!

If this is true, then the strength of this mysterious organization must have been incredibly strong!

And today's attack, for that mysterious organization, is only the tip of the iceberg!

Thinking of this, Charlie had become more and more headstrong.

He felt that he could no longer leave Grandpa's family here,

And had to have them return to their safety zone first as soon as possible.

At the same time, also let them hurry to start a thorough investigation.

From the identity background and family background check of the third aunt.

Although Charlie does not know what is the last name of the third aunt,

Which family's girl she is, but he can be sure of one thing,

The identity background of the third aunt will never be an ordinary family,

Otherwise, it would not be possible to be married into the An family.

Moreover, before the third aunt married into the An family,

The An family would certainly conduct a close background investigation of her and her family,

If the other party can hide even the An family can not investigate,

Then the ability of this is really not small,

Digging deep into her family background, he/they will certainly find clues!

Thinking of this, Charlie said to Stella:

"Miss Fei, it's hard for you and Mr. Yuan to communicate with my grandfather's family,"

"So they can immediately gather people to cover their departure,"

"And then it's also hard for you and Mr. Yuan to escort them all the way until they arrive safely."

Chapter 4529

Stella said without thinking, "Yes, Mr. Wade, I'll make the arrangements!"

After saying that, she remembered something and asked:

"Mr. Wade, I just returned to New York, and the news about the Fei family is widely known,"

"My identity, your grandfather's family will definitely recognize it, how should I explain it to them then ....."

Charlie said, "Say you were also entrusted by someone if they repeatedly ask,"

"You can say that you are also returning a favor, do not know the other party's true identity."

Stella nodded: "I understand Mr. Wade! The An family must know that my grandfather and I were hunted in China,"

"But suddenly returned to the Fei family a few days ago,"

"I will tell them straight that you are the benefactor who saved my grandfather and me in China,"

"As for your real identity, I will say that I don't know as well as they do, so they should be more likely to believe it!"

Charlie also knows that today's An family crisis although intact,

But his own identity is certainly the focus of the An family's attention.

With the strength of the An family, if they really follow the clues to investigate,

Whether it is from Sara to start, or from Stella, finding him is only a matter of time.

So, what he wants to do is not to make the An family investigate him,

But to make the An family do not investigate, or even dare not investigate.

So, he said to Stella: "After sending the An family to a safe place,"

"Make sure to explain, oh no, to warn them, do not try to investigate my identity in any form,"

"Just say that I am a man of chivalry and justice, do not like to be known,"

"Moreover, do not like to be investigated, otherwise, the consequences will be self-inflicted."

Stella hesitated for a moment and wanted to say something,

But soon gave up the idea and said helplessly, "I know Mr. Wade, don't worry!"

Charlie looked at Karl again and said seriously, "Mr. Yuan, it will be hard for you to take more trouble tonight."

Karl was flattered and said, "Mr. Wade, you are too polite,"

"I am grateful to you for looking up to me, I will definitely live up to the important trust!"

Charlie nodded and said to Tasha: "Tasha, your task now is to make sure that nothing affects Sara's concert,"

"And after the concert is over, contact the families of the deceased employees,"

"And give them enough pension and hush money so that they don't expose the matter, understand?"

Tasha said with some hesitation, "Mr. Wade ....."

"What if there are family members who do not agree and must discuss a statement ....."

Charlie said seriously: "One person, ten million dollars, this money I will pay,"

"At the same time make it clear with the families, in this matter they can also call the police,"

"But the police is basically unlikely to do justice for them,"

"And, if they call the police, it is likely to lead to the black hand behind the retaliation,"

"This is not in the sensationalism, after all, the ferocity of this organization has never been seen before,"

"They do not even put the An family in their eyes,"

"The families of these victims, they are even less likely to put in their eyes."

Speaking here, Charlie gave a slight beating and continued,

"I know I'm saying this is a bit unsympathetic and even a bit cruel,"

"But this is also the most realistic situation, for them, the killer is too strong,"

"They are like hitting a rock with an egg, so the best solution is to live well after getting a huge amount of compensation."

"As for them wanting justice, I believe the An family will definitely get it back for them in the future,"

"If the An family does not have this ability, then I will definitely get it back for them too!"

At this moment, Charlie's tone was decisive and firm,

And Tasha could not help but feel a feeling of admiration in her heart as she watched.

At this kind of time, hearing Charlie's words really gave her a lot of encouragement,

So she hurriedly said, "Okay Mr. Wade, after the show, I will communicate with their families ....."

Charlie nodded and said seriously: "In addition, the victims' bodies take them for a free burial,"

"If there are domestic staff with them, pay to help them transport the remains or ashes back home,"

"If their families are willing to come to the United States, then pay to reimburse all expenses,"

"Let their relatives come over to take the deceased away when the time comes,"

Chapter 4530

As he spoke, Charlie continued, "You tell them for me, the money they take first,"

"But if we don't give them the truth within three years, they can always tell the world about it!"

"Okay!" Tasha agreed without thinking and said,

"Mr. Wade don't worry, I will definitely talk to all the victims' families!"

"Good." Charlie nodded, looked at Stella and Karl, and said to a few people,

"I'll leave the rest to you all, I'll go back to my box first."

After saying that, he arched his hand to the two of them and turned around to walk back.

When he returned to the box, outside the floor-to-ceiling window,

Sara's performance was still going on, and on the sofa beside him, Claire was also sound asleep.

Charlie did not rush to wake her up, but gently helped her up and let her lean on his shoulder,

Then sat motionless on the sofa, watching Sara on the stage while using his aura to sense the situation in the next room.

At this time, the An family's emotions had reached a low point.

Every one of them was very sad and frustrated.

The most devastated was Charlie's third uncle, Martel.

He couldn't understand how his wife, who was married to him, could become a member of the assailants.

His worldview on affection and love had mostly collapsed at this moment.

His daughter, on the other hand, was still immersed in the emotions of her mother's death,

And could not extricate herself from the situation.

It was good that her maternal aunt, Tece, took her in her arms and kept comforting her.

Marcus, who was most like the old man, was clenching his fists and trembling violently.

After a long silence, he opened his mouth and said to the crowd,

"I just thought carefully, tonight should be the first time in these ten or twenty years,"

"Our whole family gathered so completely outside the An family, except for a few, almost everyone else is here ....."

The old man nodded gently and sighed,

"Even when we came, we took two planes, just in case something happened to the whole family together,"

"This time it was really too careless ....."

The old lady said while weeping and blaming herself,

"It's all my fault ..... I was the one who suggested to come to support Sara, after all, she is kind to our An family ....."

Marshal said: "Mom, how can we blame you! The fact is that Sara really did a great favor to our family,"

"We came to support her it is also a common sense,"

"But we have lived too comfortably over the years, risk awareness has become increasingly thin,"

"This time since we were lucky to escape a disaster, then in the future we learn from the pain,"

"The safety work will be taken to the highest level,"

"I believe that in the future there will not be a similar situation."

The old man took the old lady's hand and said seriously,

"Marshal is right, you are not to blame for this matter,"

"I and your three sons are to blame for not thinking these things through."

Marcus spoke up at this time, "Dad, mom, big brother, you didn't understand the point I just made ....."

Everyone couldn't help but look at Marcus.

Marcus continued, "We are indeed paralyzed and careless this time,"

"But this is only one of the points, more importantly,"

"Our family has been paralyzed only this time in the past ten or twenty years,"

"Before the other side caught the opportunity, what does this prove?"

"This proves that the other side did not happen to meet our negligence,"

"On the contrary, it proves that the other side has probably been thinking,"

"Of how to put us to death in one step for the past ten or twenty years!"

When all the An family members heard these words, their expressions were all aghast.

They all knew what Marcus's words meant.

At this time, Marcus said: "I say a word, Martel, do not bring personal emotions after listening,"

"I think, Amelia, married to our family, this itself is a conspiracy!"

"And it is a conspiracy against the entire An family, extremely long-planned,"

"Extremely deep hidden, extremely heavy murderous conspiracy, a great conspiracy!"

Speaking of this, Marcus gave a slight beating and said with a cold expression,

"I have a feeling that maybe, this matter is somehow related to what happened to my sister back then!"
