

## Chapter 5303

“Charlie conquered the Su family and Cataclysmic Front?!”

Hearing this, Ethan said in shock, “Miss... this... this is a bit exaggerated...”

“The strength of the Su family is stronger than that of the Wade family.”

“And the strength of Cataclysmic Front cannot be measured by money,”

“They have tens of thousands of mercenaries, and now it is said that they have built their own permanent base in the Middle East,”

“How could this kind of organization be conquered by Charlie?”

Maria said lightly: “Charlie’s strength is far from what Cataclysmic Front can match,”

“Otherwise, when the Su family and Cataclysmic Front went to Waderest Mountain together,”

“There would have been no way for Charlie to survive, although we don’t know what happened that day.”

“But we can see from the results that Charlie was not affected in any way,”

“Which is enough to prove that the Su family and Cataclysmic Front completely failed on Waderest Mountain that day.”

After a pause, Maria continued Said: “As I said just now, the enemy in Charlie’s eyes is Warriors Den.”

“He is the same as me, and he has a mortal hatred against Warriors Den, but he is much stronger than me.”

“I am still in the process of hiding from Warriors Den.”

“It is chasing and killing the Middle East and hiding in Tibet, exhausted, but he has already launched a real attack on the Warriors Den in the dark.”

“From this point of view, how can the Cataclysmic Front be able to stop him?”

“If he is willing, On Waderest Mountain, could directly kill the number one person in Cataclysmic Front!”

Ethan pondered for a moment, then frowned and said: “In this way,”

“It is rumored that the Wade family ceded half of their assets to Cataclysmic Front. It is a smoke bomb!”

Maria nodded, and said seriously: “To be precise,”

“It should be the smoke bomb released by Charlie!”

After finishing speaking, Maria suddenly remembered something,

And asked the two of them: “By the way, after Waderest,”

“Is there any special news or changes from the Su family and Cataclysmic Front?”

“Changes?” The two looked at each other, and Larry said,

“I don’t know the situation of the Su family, but Cataclysmic Front I have heard of it.”

“Their situation in Syria suddenly became very active,”

“And they soon joined forces with ISU Shipping to monopolize the armed escort in the Gulf of Aden,”

“And they wiped out a pirate organization before, scaring the pirates in the Gulf of Aden at once.”

“They have lost the courage, and since then, as long as the merchant ships escorted by the Cataclysmic Front are armed, no pirates dare to approach.”

Maria nodded: “This transformation is not unsightly, and I think there should be expert guidance behind it.”

Ethan thought for a while and said, “It’s strange to say that the news came out that day that the Su family and Cataclysmic Front were in Yemen.”

“After the big victory in Waderest, the Su family suddenly kept a low profile.”

“Some people said that they made a fortune in silence,”

“But I always felt that they were very high-profile before they won Waderest.”

“There is no reason to do anything after winning. Making a fortune in silence,”

“Isn’t that the same as stealing one’s ears and stealing one’s bell?”

“That’s why I was always surprised by this incident.”

“Later, the Su family quickly changed the head of the family.”

“The previous head Chengfeng Su retired,”

“And passed on the position of the head of the family to his 24-year-old eldest granddaughter, Zhiyu.”

“Passed to the eldest granddaughter?” Maria muttered with a puzzled expression,

“Why do you want to choose a grandchild from another generation to directly inherit the position of head of the family?”

“Shouldn’t you choose a son in the middle for transition?”

## Chapter 5304

Then, Maria asked Ethan: “Could it be that the Su family has few descendants?”

Ethan hurriedly said: “Miss, on the contrary, the seven children of the Su family, five of them are sons,”

“Two Daughters are all in the prime of life, and there are even more grandchildren...”

“Strange...” Maria frowned and said, “Since there are five sons,”

“Why pass the title of Patriarch to the eldest granddaughter directly?”

“The eldest granddaughter is a womanizer. Just saying that he skips the children’s generation,”

“And directly choosing the grandchildren to succeed him will easily arouse the dissatisfaction of the five sons.”

“Even Zhiyu’s biological father will never be willing to accept being directly skipped.”

Speaking of this, Maria said again: “Back then, Ming Chengzu highly valued the emperor’s grandson Ming Xuanzong,”

“But even so, Chengzu did not directly pass on the throne to Xuanzong,”

“But first passed on the throne to Renzong for a while,”

“Even if this old man really thinks highly of Zhiyu should also pass the throne to Zhiyu’s father first,”

“And then let her father pass the throne to her.”

“In this way, Zhiyu’s foundation can also be consolidated.”

“She is a girl who directly takes the position, how can she hold back?”

“Even if Chengfeng is always behind her, it will be difficult for Zhiyu to really control the Su family.”

Ethan thought of something, and said: “By the way, miss, after the position of Patriarch was passed on to Zhiyu,”

“He has already retired, and it is said that he went to Africa to enjoy his life.”

Maria frowned even tighter: “He helped Zhiyu onto a strong horse, and he didn’t take help her personally.”

“Help her tame the fierce horse and then retire?!”

“If he does this, even if Zhiyu has great abilities, she can’t hold it back!”

Ethan shrugged: “But, Zhiyu After taking over, she has done many important things in succession.”

“It is her handwriting to cooperate with the Ito family in Japan to establish ISU Shipping.”

Maria said with a serious expression: “From the perspective of human nature,”

“Zhiyu inherits the position of head of the family, her father, her uncle, and aunt are unlikely to subdue to her,”

“And Chengfeng did not stay by her side to help her suppress the situation.”

“Logically speaking, this is like a balance. Zhiyu herself, the other end is her seven elders,”

“And the other end of the balance must be her seven elders.”

“Zhiyu’s control over the family will inevitably be eroded,”

“But you say she sits comfortably. There is only one possibility...”

At this point, Maria raised her voice a little, and said firmly:

“Behind Zhiyu, there must be a stronger person to help her shake the situation,”

“Or the one I just mentioned, standing behind Zhiyu, that person can hold Zhiyu firmly, preventing her seven elders from moving!”

Ethan exclaimed: “Miss if you analyze it like this, That person must be Charlie!”

“Yes.” Maria nodded, and said, “This way everything is logical.”

“Charlie conquered the Su family on Waderest Mountain, and even appointed the new head of the Su family.”

“He was able to leave China disheartened, and even if his seven children are unwilling,”

“They can only accept it obediently and dare not have any disobedience to Zhiyu!”

After finishing speaking, Maria couldn't help admiring:

“Waderest In the first battle, Charlie obviously won,”

“But he wanted to say that he lost, and he also said that he lost more than half of his family property.”

“Charlie's move is really wonderful!”

Ethan agreed: “Since that day, many families have stopped paying attention to the Wade family,”

“Thinking that they have become the last of their strength,”

“And have regretted it for a long time, but now it seems that this should be done on purpose by Charlie!”

Maria nodded and said: " Since Charlie won on Waderest Mountain that day,"

"The Su family and Cataclysmic Front must bow their heads to Charlie."

"Needless to say, Cataclysmic Front may have already pledged their allegiance to Charlie."

"As for the Su family, if the Patriarch was still Chengfeng,"

"I'm afraid he will have to give out more than half of his family property to beg Charlie to be noble,"

"But the Su family just changed a girl to be the head of the family..."

Maria couldn't help sighing, and murmured: "Isn't it? Is it another romantic debt?"

## Chapter 5305

“Romantic debt...”

Hearing Maria’s emotion, Ethan suddenly remembered something, and said,

“Miss, I have the impression that the current head of the Ito family is also a girl,”

“And her age should be about the same as Zhiyu. Nanako Ito.”

“A girl too?” Maria couldn’t help but wonder: “What’s wrong these days?”

“It’s popular for girls to be the masters of the house? Or does she have some stories with Charlie?”

Ethan hurriedly said: “Oh, by the way, miss, you asked me to investigate Charlie’s exit records.”

“I found that he stayed in Japan for a while last year.”

“Nanako Ito took over as the head of the family only after he went to Japan.”

“During that time, the top three families in Japan fought. The Ito family had the last laugh in the chaos,”

“But Yuhiko Ito lost his legs because of it, and since then,”

“He has retired behind the scenes and let his daughter take charge of the overall situation.”

As he said, Ethan continued: “I remember that time in Tokyo It was so confusing that the son and daughter of Zynn Su,”

“The boss of the Su family was kidnapped in Japan. Fortunately, the two escaped.”

“In order to retaliate, the Su family sent killers to wipe out the family that was the culprit.”

“Interesting...” Maria said with a smile: “As long as Charlie has been to a place, something happens,”

“If I guessed correctly, that Zhiyu was in danger in Japan,”

“She should have been rescued by Charlie, That’s why Charlie helped her to the position.”

“What Charlie wants may not be the compensation for the Su family’s cede land,”

“But it may also be for the Su family to bow their heads and surrender.”

Maria said again: “There is also the Ito family, maybe it was because of Charlie that they were lucky enough to be here.”

“Survive to the end of that chaos, maybe Nanako is also Charlie’s confidante,”

“The whole Ito family is in her hands, if Charlie needs it, she can give it all at any time.”

Ethan laughed and said: “Miss, are you It’s a bit too much to think highly of this Charlie,”

“And I can’t do anything, but as long as you have a little bit of contact with Charlie,”

“It must be Charlie who is behind the scenes, right?”

Maria smiled slightly, and asked him: “Charlie obviously has such a great ability.”

“But the vast majority of people don’t know his existence, even his wife,”

“His mother-in-law and other people who live with him every day don’t know his true identity and strength, do you know why?”

Ethan asked in puzzlement: “Miss, how do you know that his wife and mother-in-law don’t know his real identity?”

Maria smiled and asked him back:

“His mother-in-law went to the temple to make a wish, do you know what wish it was?”

Ethan said blankly: “I...I don’t know...”

Maria said: “His mother-in-law made a wish to the Buddha, hoping that she can make a lot of money by live broadcasting,”

“And how much money can she make by live broadcasting?”

“One hundred million a year? Ten a year. Billion?”

“Charlie’s assets are probably much more interest in the bank than this,”

“His mother-in-law is so short-sighted, do you think she will know who Charlie is?”

Ethan exclaimed: “This... this is also not realistic...”

“They are people who live together all day, how could they not know Charlie’s true identity?”

Maria said lightly: “Actually, they made a mistake just like you.”

Ethan hurriedly asked: “What’s wrong? I hope the lady will make it clear...”

## Chapter 5306

Maria said seriously: "You all instinctively don't want to think of Charlie as strong,"

"You always feel that he can't be that powerful, Cataclysmic Front can't be conquered by him,"

"The Su family, it is impossible for him to control the life and death of the Ito family and those Japanese families,"

"And it is impossible for him to do those incredible things by himself."

"If I hadn't come to Eastcliff to find you, you wouldn't know Charlie's true identity,"

"Even if you get along with him day and night, I'm afraid you won't see through his true identity."

Speaking of this, Maria said again: "But I am different from you."

"I have seen Charlie's real strength, and I also know how much his strength is, so in my heart,"

"I am willing to push him to the end. Thinking about it from a strong point of view,"

"I just think that he can conquer the Cataclysmic Front,"

"And I just think that he can conquer those big families that look great,"

"So I instinctively want to believe what you said, it must be Charlie."

Ethan pondered for a moment, then nodded lightly and said: "What Miss said is very true..."

"I was influenced by my subjective cognition to make an objective judgment."

“If I subjectively think that something is false, my objective logical thinking will also acquiesce.”

“If the subjective cognition is correct, I won’t correct it anymore.”

Maria nodded, and said seriously: “Charlie’s wife and mother-in-law live with him all day long,”

“So it’s impossible not to find out the clues, but once they do it subjectively,”

“They think that Charlie will not have such a great ability,”

“Or Charlie is just an orphan, and it is impossible to have any great background,”

“Then when they find out the clues, they will not dig deeper.”

“In that case, Charlie only needs to follow their subjective cognition and make up a random reason to deceive them,”

“And make them subconsciously realize that the so-called clue is really because of this.”

At this time, Larry on the side couldn’t help sighing:

“Behind this Charlie is the Wade family, there is the An family, and his own strength is unmatched.”

“After the First battle in Waderest, he subdued the Cataclysmic Front and Su family,”

“And his strength went further. In addition, there is the Ito family in Japan...”

“But even so, he can take the initiative to show weakness, develop in a low-key manner,”

“And not be surprised by favor or humiliation. It seems that this person is really not simple!”

This is due to his personality, and on the other hand, it also means that at this moment,”

“In his eyes, he still has a big enemy. You and I think he is already very powerful now,”

“But he himself feels that he can’t show his edge, but also to suffer for it, and keep secrets.”

At this point, Maria’s expression was a little uncontrollably excited,

And she clenched her fists and said, “It seems that he has already made preparations for a life-and-death meeting with the Warriors Den!”

“This is exactly the same as me! I want to meet with him today,”

“Confess everything to him, and then join hands with him to deal with the Warriors Den!”

Ethan hurriedly said: “Miss, if you have this intention,”

“I can contact Zhongquan and be honest with him. I think he should be able to ask Charlie to meet with you.”

Maria thought for a while, then waved her hand and said: “Forget it, the actual situation right now I’m not yet mature,”

“After all, I played a scene in front of him, and now I’m going to show up,”

“It will definitely arouse his vigilance, and it may even touch his back scales,”

“Making him regard me as an enemy, once he treats me as if on guard,”

“Even if he is willing to cooperate with me in the future, he will definitely be wary of me.”

“I don’t want a partner who is always wary of me. I want to work with him on the basis of 100% mutual trust to fight against the Warriors Den.”

Speaking of this, Maria suddenly sighed, and said with emotion:

“I’m so looking forward to the start of school soon! In September,”

“I will get to know Claudia first, in October I will meet Charlie again through Claudia,”

“And in November let him let go of the guard, and then I can confess my true identity,”

“And origin to him step by step, and give him a little more time to digest and accept,”

“And then we can join hands with him to discuss how to deal with the Warriors Den in December!”

## Chapter 5307

At this moment, Aurous Hill university.

Although Larry's family vehicles can enter and exit the university at will,

Jemima got off the car on the side of the road a few hundred meters earlier in order to keep a low profile.

When she came to the school gate, she wanted to take the initiative to explain her intentions,

To the security guards and ask them to allow her to enter, but unexpectedly,

As soon as she arrived at the gate, a young woman greeted her and asked enthusiastically

"You are Jemima Liu, Miss Liu. Right?"

Jemima asked in surprise: "You are?"

The other party quickly introduced herself with her name and continued:

"I am from the Human Resources Department of the university,"

"I'm afraid you can't find the place when you come, so I'm here in advance waiting for you."

Jemima hurriedly said: "Thank you so much, and you have worked so hard to make a special trip..."

The lady said with a smile: "No hard work, no hard work,"

"You are the talent our director named to focus on."

“They have mentioned you several times in front of me, and are very optimistic about your resume.”

Then, she looked at the time and said, “There is still half an hour, why don’t we go in, and I will show you around!”

Jemima was a little flattered and said:

“Thank you for your hard work!” Jemima didn’t have to wait for the entire school to transfer,

But just entered the school, and immediately fell in love with this place.

Perhaps it was because of Charlie’s filter, she felt that everything within sight of the university was so pleasing.

The huge campus looked very open, and the architecture was quite elegant.

Even the trees, flowers, and plants were beautiful. It looks extraordinarily lush.

In short, everything is good. And the university’s attitude towards her, as Sister Xian said,

Is definitely a thirst for talent. In the past two years,

University has been paying great attention to the recruitment of Hong Kong and foreign lecturers and professors,

And even spent a lot of thought on this, but with little success.

Many high-achieving students who graduated from Hong Kong or overseas top universities, if they are interested in teaching, can generally apply directly at this school. smoother.

Moreover, the international ranking of Aurous Hill university is indeed much lower than that of Hong Kong University and other famous universities in the world.

For example, Hong Kong University, which Jemima graduated from,

It is ranked 21st in the world by QS, while Aurous Hill university is ranked 133rd in the world.

The gap is not a little bit.

Therefore, for this university, doctoral students are easy to recruit,

But it is not so easy to recruit doctoral students who graduated,

From the top 5 universities in Asia and the top 30 universities in the world.

What's more, Jemima's grades at Hong Kong University are excellent.

From undergraduate to master's degrees, almost all of them stand out with the best grades.

In the eyes of several interviewers of Aurous Hill university, this is simply a treasure.

During the interview, the three interviewers were very satisfied with Jemima's resume background and actual performance in the interview.

The director in charge of human resources had even begun to prepare a press release for Jemima after joining the job.

The most eye-catching stroke in the introduction plan.

Moreover, Jemima's appearance, figure, and temperament are all one in a million.

The gimmicks such as beautiful class tutors and beautiful lecturers are too easy to the hype on today's social media.

With countless fans, Jemima, a natural and unadorned top-notch beauty, will definitely arouse more discussion and pursuit.

Because of everyone's extraordinary satisfaction with Jemima,

The director of the human resources department of the university was afraid that there would be any changes in this matter,

So he wrote a line on a white paper during the interview, which read:

"Too excellent Yes, there must be many schools vying for her,"

"It is recommended to avoid the re-examination and confirm it as soon as possible!"

## Chapter 5308

Although this lady is the person in charge of the human resources department,

The decision to hire or not is in the hands of one of the vice principals.

The vice-principal saw the words on the paper, and wrote two words on the bottom: "I Agree."

Afterward, he pushed the paper to another interviewer,

And the other interviewer followed "Agree too" and quickly wrote a "+1".

So, the three of them passed messages to each other by means of notes and made an unprecedented decision.

At the end of the interview, the woman who was about forty years old stood up,

Smiled and said to Jemima: "Miss Liu, since your resume and qualifications are very suitable for our positioning of young talents,"

"After the consensus of the three of us, I decided, I can give you a clear answer now, you are hired!"

Jemima asked in surprise: "I don't need to take the re-examination or written examination?"

The woman said with a smile: "No, although our normal recruitment is one-sided,"

"Two-sided and written tests in the process, but only one part is essential."

"The two-sided and written tests can be adjusted according to the actual situation."

“The three of us feel that your situation in all aspects is very good.”

“It meets our needs, and you live in Hong Kong now, so we don’t need to make you go back and forth again and again.”

“If you are sure that you are willing to stay and teach in our school,”

“Then please adjust your itinerary. Wait for a day,”

“The three of us will finish the recruitment process today and prepare the signing materials,”

“And we can formally sign the contract tomorrow morning.”

After that, she looked at Jemima expectantly and asked:

“How does Miss Liu feel about it?”

“You can confirm it now, or should you go back and think about it?”

Actually, these three interviewers were more nervous than Jemima.

Almost all the double first-class universities in the mainland are very interested in talents like her,

And almost all have similar young talent introduction plans.

With Jemima’s conditions, interviews for the position of ordinary lecturers,

Any university on the mainland, as long as it is fair there is absolutely no difficulty in the competition.

They also don’t know why Jemima chose to come to Aurous Hill as a native of Hong Kong.

They are worried that Jemima has no special feelings for Aurous Hill,

But just cast her resume to these schools, so if they don't confirm as soon as possible,

Maybe tomorrow she will sign to another school.

Jemima didn't know what the three of them were thinking.

She originally thought that the interview would be a one-stop process,

But she didn't expect to get the offer from the other party in one step.

This was naturally the most ideal result for her, so she said without thinking

"I'm fine!"

The other three were also relieved, and the woman said,

"Since everyone is fine, let's sign the contract here at nine o'clock tomorrow morning."

"I will prepare the contract in advance, Ms. Liu."

"At that time, you can just bring the relevant documents,"

"And you don't need to prepare copies, we can make copies everywhere."

"Okay!" Jemima said with a smile, "Thank you for your approval,"

"I will come here on time tomorrow morning."

The woman thought of something, and said to her:

"By the way, Miss Liu, in view of your special situation,"

"We can provide you with a teacher's apartment."

"I can show you around tomorrow, or you can choose a room first."

Jemima wanted to say that she planned to buy a suite in Aurous Hill and does not want to take up the resources of the school.

But after thinking about it, housing prices in Aurous Hill are not cheap.

She has just graduated and if she buys a house before a formal job.

In the eyes of others, it may be too ostentatious.

Why not just accept the apartment arranged by the school, and then quietly buy a suite!

Thinking of this, she said, "Thank you so much!"

## Chapter 5309

Jemima, who was confirmed to be hired, walked away from Aurous Hill University by stepping and jogging all the way.

Everyone didn't expect that such a beautiful woman with an intellectual and cold face would be bouncing around on the side of the road like a child. The huge contrast was truly astonishing.

Jemima left the University, walked a few hundred meters and turned a corner. Sister Xian and the driver were still waiting in the parking space on the side of the road.

Seeing Jemima, Sister Xian got out of the car immediately, and said with a respectful smile, "Miss Liu is so happy, it seems that you must be very satisfied with the results of today's interview."

Jemima was very happy, and said with a smile: "Sister Xian, thank you, I have passed their interview and received the employment notice, I will change the itinerary and sign a formal contract with them tomorrow morning, so that I can wait to start the job with peace of mind."

"That's really great! "Sister Xian was also very happy, and quickly said: "Miss Liu has won the flag today, and we have to celebrate. I will call master and tell him the good news."

Then, she asked Jemima: "What would Ms. Liu want to eat tonight? I will cook it myself tonight!"

Jemima said with a smile, "Thank you, sister Xian!"

After she finished speaking, she thought of something, and hurriedly said, "By the way, sister Xian, can you take me to see a house? It is the real estate of Tomson you mentioned before. If it is suitable, I will buy the house today, and try to finish all the things that need to be done this time."

Sister Xian said without thinking: “No problem, then let’s go there now, and I’ll take you to the sales office.”

The Tomson real estate in Aurous Hill is indeed very popular when it was first opened, but more than a year has passed, and this real estate has not yet been sold. Complete liquidation, although the villas have been snapped up, there are still some properties on the flat floor for sale.

The reason is that the overall positioning and pricing of the real estate are relatively high, and it is a typical high-low distribution area.

This kind of high-low residential area mainly focuses on high-end villas. If possible, the developer is more willing to build it into a pure villa community, but in order to meet the requirements of the management department for the floor area ratio, they have to allocate part of the land for Build high-rise residential buildings.

The real rich basically bought those expensive villas ranging from tens of millions to more than one hundred million. The remaining flats of more than 10 million to 30 million, the positioning is a little embarrassing.

Those who can spend so much money to buy a house are not considered top rich, but at least they are middle class.

The arrogance of the middle class is actually very strong. In the minds of most of them, they are also the elite class of society, so naturally they would rather be chicken heads than phoenix tails.

When they buy a house, they are more willing to buy in those communities that are purely flat and not positioned so high-end, and then buy a large-area building in it.

The last thing they want to buy is this kind of high-low residential area. Obviously, they already have tens of millions of net worth. If they buy in this community, not only will they not get any sense of accomplishment, but they will be overwhelmed by villa owners every day.

If you live in a medium-sized community, driving a car worth more than one million yuan is basically considered top-notch, but in an ultra-high-end

community like Tomson, it is no exaggeration to say that even working in a villa The aunts who go out to buy vegetables may not be able to compare.

In the underground garage of the community, more than 3 million cars account for more than half, and the cars below 3 million are basically the kind that are produced in the eastern island country. A noble nanny car with a price increase of hundreds of thousands.

In this environment, driving a Mercedes-Benz S, or a BMW 7 Series, is really embarrassed to say hello to my neighbors.

When Noah's family came here to look at the house, Harold once said a very classic sentence. He felt that living in this community was to stand guard and block bullets for the rich people in the villa area inside.

Because of such awkward positioning, Tomson's villas were almost empty after opening, but these flats have been sold until now.

Fortunately, Jemima didn't care about these things.

She just wanted to find a suitable house near the school to be her boudoir.

And her requirements for the house are that the transportation is convenient, the environment is good, the decoration is good, the real estate positioning is relatively high-end, and the cultural environment is not so noisy and low-quality, so that it is more worry-free to live as a girl.

When she was sitting in a Rolls Royce and arrived at the sales office of Tomson in just ten minutes, she had already decided in her heart that she would buy this complex.

Because the transportation from this community to the school is really convenient, and Tomson itself is already positioned as the best in the vicinity, so she knows without looking that she does not need to go anywhere else.

Although she has a lot of requirements for the house, the convenience of transportation is indeed a very, very important part.

When they arrived at the sales office, Sister Xian naturally accompanied her all the way.

Compared with the hot scene when the market just opened, it has been much deserted at this time.

When the sales lady saw a Rolls Royce parked by the side of the road, she was already in high spirits. When the two walked out of the Rolls Royce and came all the way to the sales office, the sales director went out in person, enthusiastically opened the door for the two of them, and said respectfully: "Welcome to Tomson, do you want me to introduce the specific situation of our project to you?"

Jemima nodded, and then glanced at the sales office. The huge and exquisite sand table in the center of the building pointed to the row of high-rise buildings near the river and asked, "Is there any room in this building?"

The sales director immediately said: "Yes! This building It is one of the kind of buildings in our flat, with a very good view, and with our super large floor-to-ceiling viewing windows, you can have a panoramic view of the first-line river view!"

Jemima asked: "Can you introduce the apartment type?"

The sales director hurriedly said: "Miss, this apartment is the largest in our area, with a construction area of square meters, two and a half balconies for free, and a purely free equipment room. The total usable area of balconies exceeds eight Shipping, although the equipment room is called an equipment room, in fact, our large-scale equipment has a special equipment well."

"The usable area of equipment room is about 16 square meters, which is equivalent to giving away a bedroom for nothing, and we have already done it when we finished the decoration. The balcony is closed, and it can be used as an indoor space. The addition of these two items is equivalent to giving you more than 50 to 60 square meters of usable area, so the actual usable area is more than 250 square meters."

Jemima said with some doubts: "Two hundred and forty plus sixty, how can it be more than two hundred and fifty?" The

sales director said in surprise: “Excluding the shared area, our shared share is almost 20%, which is already considered a high-level,”

“Shared share?” Jemima was also very surprised, she lived in a villa since she was a child, and never bought a house or apartment by herself, plus she has been concentrating on her studies, so she really doesn’t understand the concept of these real estate too well, and, although the common area is a great invention of Hong Kong, it has abolished this concept ten years ago.

Sister Xian at the side pulled Jemima aside and whispered for a while before she understood that this concept was actually in Hong Kong.

However, more than two hundred and fifty square meters is completely enough for a girl like her, even a little too big.

So she asked the salesperson: “Is this the only type of apartment? Is there a smaller one?”

The sales executive said truthfully: “The building has this type of apartment, one elevator for one household, and an elevator to enter the household. If you don’t mind the view, you can take a look at the building behind, there are 180 square meters of units in that building.”

Jemima looked at the approximate location, shook her head and said: “Forget it, let’s take a look at this building, do you still have the top floor?”

The salesperson nodded: “Yes, there is another one on the top floor that was just cleared a while ago. He paid a deposit of one million yuan, but the loan was not approved, so he cleared it out.”

Jemima said without hesitation: “Okay, that’s the set.”

The sales lady didn’t even look at this kind of apartment when she saw it for the first time, so she decided to buy it.

What’s more, this is also a apartment with a price of more than 30 million yuan. Anyone who buys such an expensive apartment must carefully read the details of the scene and compare and consider it before making a decision.

However, for Jemima, she didn't have much energy to choose and compare apartment. Although she hadn't seen the apartment here, she was very satisfied with the location and transportation. In addition, the area was large enough and the size of the apartment was also good. There is nothing flawed, so going to see the actual site is to see the details of the decoration.

But Jemima is also very clear that since this is already the best real estate in Aurous Hill, if she doesn't like this place, she will look down on other places even more. If this is the case, why bother to waste time and make comparisons?

The sales lady couldn't help but said: "Miss, why don't I take you to have a look... After all, it's worth more than 30 million..."

Sister Xian on the side also said: "Yes, Miss Liu, come here! Here we go, let's take a look. If there is anything you want to adjust in terms of layout and details, you can give a general direction. If you need to find interior decoration, we can contact someone."

Jemima said: "My favorite is the top floor, the sales said that there is only one set, so am worried that someone would take the lead..."

Sister Xian said with a smile: "Don't worry, Ms. Liu, the apartment here are not so tight..."

The sales lady herself said: "Yes Ah, miss, there are quite a few people looking at our apartment, but the unit price is indeed too high. To be honest, it's not that easy to sell. Let's take a look. It only takes ten or twenty minutes. You can be sure there is no problem after. And if you don't regret it, we can come back and sign the contract and pay the deposit."

Jemima shook her head and said firmly: "Even if it is difficult to sell, this is the only way, even if there is only a 1% chance of being snatched away. That is also risky."

As she said, she asked the salesperson: "If I take the apartment now, how much will I need to pay, I can take the apartment first and then go to see it with you."

“This...” Seeing her insistence, the salesperson quickly said, “If you have the funds right now, then you can lock the apartment by simply paying the 1 million intention deposit, so that you are 100% sure that no one else will be able to buy it.”

As she said, she continued: “However, if you lock the listing but don’t buy it in the end, we will deduct 10% of the intent deposit, can you accept this?”

“No problem.” Jemima said without thinking: ” Swipe the card now!”

The salesperson was overjoyed, and quickly pointed to the VIP room and said, “Miss, this way please!”

Jemima followed the salesperson to the VIP room, and as soon as the door closed, a middle-aged man wearing a mask walked in. Another salesperson immediately stepped forward and said respectfully: “Hello, sir, do you want to see the house?”

I can move in immediately with the bags? The bigger the house, the better!”

## Chapter 5310

The salesperson was surprised when he heard this, and couldn't help thinking to himself: "Could it be that some kind of wind brought the god of Wealth here today? All the customers are not short of money at all?"

Thinking in her heart, she said very politely: "Hello, sir, the main products here are villas and flat-floor units, and all the units are interior designs by well-known Italian designers. And all the decoration materials are also imported from Italy, all the household appliances are also imported from Germany, and the furniture is imported from France and Italy. Check in."

The middle-aged man asked again: "Can Japanese people buy it? Do you have any purchase restriction policy?"

The middle-aged man who spoke was Ito Yuhiko's loyal servant, Tanaka Koichi.

He was ordered by Nanako to come to Aurous Hill ahead of schedule, just to buy a house for her first.

However, in the past few days, he has visited a lot of villa areas, and he has also seen a lot of villas for sale. The hardware of the villas is far from what Nanako wants.

For Nanako, she likes the deep houses of the ancient Japanese nobles. Although Japan has a small area and many people, the deep houses of the Japanese nobles are surprisingly large.

However, that kind of house is rare in modern China, and there are some protected palaces in Eastcliff, which are really hard to find in Aurous Hill.

Moreover, even if such a large house can be found, most of these houses are in disrepair, and some super-large villas are decorated in an exaggerated European style. This kind of resplendent decoration is simply neither fish nor fowl, all details were used to highlight one core, that is, we are rich!

Therefore, Hiroshi Tanaka looked around, but couldn't find a house that could satisfy Nanako.

However, today is already August 4th.

There is only one day left until Nanako arrives in Aurous Hill tomorrow. If she can't find a suitable house, after Nanako and Ito Yuhiko arrive, they will have to stay in a hotel.

If that is the case, Koichi Tanaka would have done nothing in the past few days when he came in advance.

Tomson is his last hope. Although he knows that Charlie lives in this community, the lady doesn't want to live too close to him, but right now there is really no other good choice.

The salesperson replied at this time: "A foreigner needs a one-year residency certificate in China to purchase, but if the company purchases, there is no such restriction."

Hiroshi Tanaka nodded and said to the salesperson: "Then show me the villa. Let's go! Ask for the largest unit size!"

The salesperson said apologetically, "I'm sorry sir, all our villas are sold out now, and the only ones left are flat-level units."

"Sold out?!" Koichi Tanaka asked angrily: "Is there any extra set? Or do you have any owners who are reselling them now?"

The salesperson explained: "It's really gone, sir, now There are still a lot of customers who want to buy our villas, but none of our owners are interested in changing hands. If you are willing to wait, you can wait a little longer. If there is any news, I can inform you as soon as possible."

Tanaka Koichi thought for a while , opened the mouth and said: "Forget it, I can't wait so long, you should introduce to me your largest one-story apartment!"

The salesperson nodded, pointed to the building, and said to Koichi Tanaka: "Sir the suite are in the King building, with a beautiful view along the river, and the largest apartment size."

Koichi Tanaka knew that his lady likes to be quiet, so he asked without hesitation, "Is there any room on the top floor?"

After hearing this, the salesperson was taken aback, thinking to herself In fact, this house has been cleared out a long time ago. It has been empty for so long and no one cares about it. Why is it suddenly so popular now?

However, when she thought that some customers had already paid the intention money just now, she could only say regretfully: "I'm sorry sir, the last top floor has already had a customer pay the intention money just now."

Tanaka Koichi said without hesitation: "Just paid the intent deposit, so I can pay the full amount now, right?"

The salesperson said helplessly, "No sir, she has the right to buy first after paying the intent deposit. If you want to buy it, it depends on whether she wants to go back on the deal in the end... .."

Hearing this, Tanaka quickly asked: "Then if she still can't make up her mind for a while, how long do I have to wait for her?"

The sales lady explained: "Under normal circumstances, there is a priority within 24 hours after paying the intention money. The purchase right, after 24 hours, if the balance payment has not been paid, then it will be deemed as a waiver."

"24 hours?" Tanaka Koichi said a little depressed: "24 hours is too long, I have to buy it today "

"This..." The sales lady was also a little embarrassed for a while, so she said, "Sir, our apartment type is not the only one left. We still have eight apartment in that building that have not been sold. It's the same, but the floors and locations are different, but as long as you go up from the sixth floor, you can see the river view, so there's not much difference;"

“If you like high-rise buildings, we also have a sub-top floor. The good apartment is just below the top floor, and to tell you the truth, the price of the second top floor is more expensive than the top floor, and it is also the most expensive in our entire floor. Naturally, the insulation of the top floor is not as good as that of other floors. Therefore, it will be hotter in summer and colder in winter, and there is a risk of water leakage on the top floor, so you might as well choose another floor.”

Koichi Tanaka shook his head and said: “Our lady always likes to be quiet, what she wants is a villa, it’s just that I haven’t seen any suitable ones these days, and your place is already sold out, so I’m more inclined to get the top floor, after all, it won’t be disturbed by the noise from upstairs.”

“That’s it...” the sales lady. After thinking for a while, she said, “How about this, sir, please wait for a while, the lady is going to see the apartment soon, if she is still not sure when she comes back, I will put pressure on the supervisor to make her shorten her deliberation time? If you can pay the full amount today, if the other party hesitates to make a decision, it is really not good. I will ask the supervisor if he can bear the cost of liquidated damages. Our liquidated damages are not high, just intention 10% of the gold, just 100,000 yuan.”

Tanaka said without hesitation: “Then don’t bother, sell it to me directly, I will pay the liquidated damages, and I will pay double, so that lady will be satisfied.”

The sales lady was shocked, and she was even more puzzled: “These two are weird fairy customers, one will book the apartment without seeing the apartment, and the other will not see it at all. Been selling the apartment for so many years, I have never seen such a straightforward client. This time, two of them came here...”

Thinking of this, she said to Koichi Tanaka: “Mr. If the lady decides to buy the house immediately after seeing the house, we must not take the initiative to breach the contract... In that case, it will not be good for our reputation...”

“The only thing that this lady can’t make a decision is at some point, we will let you take her place again, so it can be considered reasonable... If this matter gets out and people find out, most people will understand us...”

“But don’t even want to give that lady ten minutes of time to look at the apartment, so I just want to kick her out. If it gets out, we will be scolded and probably punished by the competent authority, so please wait a moment, I have to wait until the lady has finished inspecting the apartment.”

Tanaka saw that the other party’s attitude was insistent and it was inconvenient to continue talking, so he nodded and said: “Then I will wait here.”

Said this When talking, Tanaka Koichi also felt a little uncertain.

He was not sure whether the customer inside would immediately make a decision to buy after seeing the apartment?

If the other party hesitates, he still have a little chance, but if the other party wants to make up the balance without hesitation, wouldn’t he be hopeless?

However, right now he has nothing to do, so he can only wait and see.

At this time, the sales lady said respectfully: “Sir, please move to the lounge and take a rest first.”

As soon as she finished speaking, the door of the VIP room opened.

Jemima, who paid the intent fee and simply signed the intent agreement, walked out with Sister Xian and the sales executive.

When the sales director saw the salesperson receiving Koichi Tanaka, he said, “Please ask the concierge to prepare the vehicle. I’m going to take these two distinguished guests to Building No. 1 to see the apartment.”

The salesperson nodded lightly. She nodded, looked at Koichi Tanaka, and wanted to talk to her supervisor, but when she thought that Jemima was right in front of her, she swallowed the words back.

She was just about to call the concierge department when Tanaka saw Jemima and greeted him, and said, “Hi, Miss, are you interested in buying that flat-floor apartment on the top floor?”

Jemima was a little surprised and asked Looking at the other party vigilantly, she frowned and asked, "What's the matter?"

Tanaka quickly explained: "Lady the thing is, I also want to buy the apartment you fancy, and I will tell you I am quite urgent here, if you are willing to give me this apartment, I am willing to pay you one million transfer fee!"

After Tanaka Koichi's words, not only Jemima, but also Sister Xian and the other sales executives were stunned.

The three of them went in to hand in the letter of intent and signed it, and it took only a few minutes or even less than ten minutes in total.

Unexpectedly, another person appeared at this time and wanted to buy the same apartment.

The other party's purchase intention was so strong that they were willing to pay Jemima 1 million transfer money directly!

While Sister Xian was surprised, she was also secretly afraid.

She also made the same mistake as the sales executive just now, and felt that there would be basically no changes in this matter. Even if checked the apartment and made sure everything was ok before paying, there would be no risk.

This is called empiricism.

She feels that looking at such a mansion based on her own experience, if one or two people come to see the apartment every day, it is already a high incense, and even if there are dozens of people who have seen the apartment, there will not be more than two or three of them. Motivated to buy.

Among the people who are willing to buy, the people who can really spend the money to buy this house may not even have one-tenth, so the probability is so slim that there are generally few such apartments selling each month.

It happened that Jemima appeared at this time. She was the only closing client who would appear in these months.

From the perspective of the probability model, since one has already been released, it will have to wait at least a few months for the next one to be released.

Therefore, in their opinion, it is impossible for this apartment to be sold suddenly within tens of minutes.

But she never expected that the slap in the face would come so quickly. After a few minutes, someone wanted to buy this house.

Fortunately, Jemima has a cautious personality and is unwilling to take any risks, so she took the initiative to ask for the intent payment first.

If it wasn't like this, I'm afraid that when they came back from seeing the apartment and were about to buy it, they would find out that the apartment had already been sold. By that time, it would be too late to beat their chests.

At this moment, Jemima looked at Koichi Tanaka with a frown, and said decisively: "I mean, I don't plan to sell this house, sir."

As soon as Tanaka heard this, his heart was already cold, but he was unwilling to continue asking: "Miss, have you already decided to buy this apartment? I mean, if you still have even 1% uncertainty, then you might as well give me this apartment first, and then I can hold the 1 million transfer fee, go and look at other real estate properties, maybe you can meet something you like more."

Jemima shook her head firmly: "Sorry, I've already confirmed it, and I'll come over to sign the contract later, you can take a look at other properties!"

## Chapter 5311

At this time, the sales director of the sales office and several salespeople were completely dumbfounded.

It's not that they haven't seen gods fighting. When the villa was opened for sale,

There were indeed some customers who started to compete for the houses on the spot.

However, scrambling often develops into frustration and violent fights.

Like Tanaka, they have never encountered such a thing that they have to give the other party 1 million more as soon as they open their mouths.

And at this time, they did not expect Jemima could refuse so simply.

From their point of view, this is 1 million, and there is no cost.

If you earn 1 million in vain, whoever it is, probably has to weigh it.

Going out to look at a house, and then spending 10 minutes, paying the booking money,

And then earn 1 million, this kind of thing, in their opinion, is simply a pie in the sky.

But in Jemima's eyes, let alone 1 million, even if two 0s are added at the end, she is unlikely to be interested.

Naturally, Jemima is not short of money, so it is impossible for her to change her decision just for this million.

As the most trusted servant of the entire Ito family,

Tanaka also has enough authority to offer such a premium for his master.

But seeing that Jemima was unmoved, sales continued without thinking:

“Miss, I didn’t intend to show off my wealth to you,”

“I just really want to buy this house, so I will give you another price,”

“If you agree to transfer this house to me, I am willing to give you an additional 5 million yuan!”

As soon as these words came out, the salesperson on the scene was even more shocked.

They have seen those who make money, but they have never seen such money.

They have also seen real estate speculators, but they have never seen such speculators.

People speculate in real estate to make money, no matter what they have to invest in,

Buy the house, and then hold it in their hands for a few months or even a year or two.

However, the suite in front of them now,

As long as it is fried in the pot for 10 minutes, it can earn 5 million, which is like a dream.

Just when they felt that Jemima had no reason to reject this proposal,

Jemima said with some displeasure: “Sir, you don’t need to waste any more words,”

“Instead of doing this, you might as well hurry up and look at other apartments.”

After that, she said to the sales executive: “Please show us the apartments.”

Tanaka blurted out: “Ten million! Miss, I am willing to pay ten million transfer money!”

The salesperson almost fainted.

Sure enough, when gods fight, ordinary people fight with punches and kicks,

And gods fight with million, five million, and ten million tricks.

At this time, Jemima was still unmoved, she turned to look at Tanaka, and said seriously:

“Sir, the reason why I didn’t get angry with you is that I think you are sincere and a gentleman,”

“But if you continue pestering me like this, I may not be able to communicate with you in this friendly manner.”

At this moment, Tanaka understood.

The young woman in front of him must be a lady who is not short of money at all and doesn’t care about money at all.

It is estimated that her net worth and assets are not even much worse than his own young lady.

Facing such a woman, what’s the point of offering a premium of 10 million,

Besides being able to have a good time? Even if it is 30 million or 50 million,

It is impossible for people to take it seriously, and in the end, it looks like a clown, holding onto it.

In desperation, he could only sigh, and said apologetically,

“I’m sorry, miss, I was reckless, please don’t take it to heart.”

## Chapter 5312

Jemima didn't speak, just nodded slightly,

And then reminded the supervisor: "Can we go to see the apartments?"

The supervisor quickly said: "Yes, yes, please come here."

Jemima left, and Tanaka stood there helplessly.

He didn't know himself for a while.

Should he stay in this real estate and then look at other types of units,

Or simply leave and change to another real estate for research.

At this moment, the saleswoman receiving him suddenly remembered something,

And hurriedly said: "Sir, doesn't your lady like to be quiet?"

"Although we don't have the top floor to choose from,"

"You can choose the one just one floor downstairs!"

As she spoke, she couldn't wait to explain:

"Look, that lady is so young and rich, and she brought the housekeeper to buy it,"

"And she didn't have a wedding ring in her hand."

"There is a very high probability that she is not married at all!"

"An unmarried rich second-generation woman comes out to buy a house by herself,"

“And there is a high probability that she will live in it by herself!”

“Think about it, the use of a house with an area of 60 square meters,”

“Only she lives alone, and your eldest lady lives downstairs,”

“So there is a high probability that she will not be disturbed!”

“Even if the lady just skipped rope in the room,”

“As long as your eldest lady doesn’t happen to be right Downstairs in her rope-skipping room,”

“Basically there will be no interference!”

“I have been selling houses in this real estate for so long,”

“And everyone who buys our ordinary apartment is basically a big family,”

“Even young people come here When buying a house,”

“They have at least a family of three, and some have a family of four.”

“I have never met an owner who only lives as a couple.”

“And if you think about it, a family with children, no matter how careful they are,”

“It is impossible not to make no noise at all,”

“So I can assure you that none of the remaining apartments in the whole community can be quieter than the one downstairs.”

“You have no hesitation. If you are not sure now, someone will come soon.”

“A customer like you, then you can’t even buy this house!”

Tanaka thought: “This woman is right! The lady just now, at first glance,”

“She looks like a lady from a very wealthy family.”

“She probably bought this house because she lives alone.”

“In that case, it is really unlikely to disturb downstairs,”

“It’s hard to meet someone who buys such a big house to live alone.”

“I’m afraid there is no more suitable apartment than her downstairs...”

“And... it’s already four or five o’clock in the afternoon.”

“If I don’t make a quick decision, I’m afraid,”

“I won’t have time to go to the next real estate to have a look again!”

Thinking of this, Tanaka made up his mind, gritted his teeth, and said,

“Okay! Then I want this! Same as that lady, I will pay 1 million intention money,”

“And then you take me to see the house, I will take some videos and photos to show our lady,”

“As long as she does not object, I will pay the money immediately when I come back.”

The sales did not expect her words really moved the other party,

And she was very excited. Such a set of more than 30 million flats,

Because it is not easy to sell, the sales commission is two percentage points.

If the transaction is completed, the sales can get a commission reward above 700,000!

Thinking of this, she hurriedly said excitedly: “Okay sir,”

“Then please come over with me and pay the intent money first,”

“And then I will take you to see the flat right away!”

## Chapter 5313

After Tanaka paid a one million intention fee, he followed the saleswoman and drove to Building No. 1.

And Jemima was already one step ahead of him at this time,

And came to the flat on the top floor with Sister Xian.

Sister Xian followed, still feeling ashamed of her overconfidence just now,

She couldn't help but said: "Miss Liu, thanks to your foresight,"

"You didn't listen to my suggestion just now, and paid the booking in advance."

"Otherwise, this house might have been bought by that person just now..."

Jemima smiled slightly and said, "Sister Xian, don't say that,"

"I don't have any foresight, I'm just relatively cautious,"

"Most of the time it is often useless, but in my opinion,"

"Even if it is really useful once, it is worth it."

Sister Xian nodded slightly, her expression seemed calm,

But she was extremely amazed in her heart.

Having been a housekeeper for a long time,

She is generally a cautious person, but she is not as cautious as Jemima.

She feels that a prudent style should be cultivated slowly.

Jemima is so young and has such a superior family background.

Such a top-rich second generation does not have the soil to cultivate a prudent style.

There is no pressure from people and things in their lives,

And can just do whatever they want.

This is also the reason why many rich second generations are very impulsive,

And they don't care about the consequences when they speak and do things,

And they don't even care about their brains.

Moreover, many rich second generations have the common problem of blind self-confidence and arrogance.

This is because they always live in an environment surrounded by stars and moons.

In the hallucination that is very strong and powerful in everything.

Some of them even think that they only need to build an Internet profile casually,

And they can have tens of millions or hundreds of millions of followers,

And they can incubate leading companies with a market value of tens of billions,

Easily surpassing the lifetime efforts of their parents.

However, Jemima never felt so confident about Sister Xian.

Even if she just came to interview for a lecturer's post,

She was still not sure that she would be able to get the offer letter on the way here.

As for the matter of buying a house,

It can be seen that Jemima's cautious attitude is beyond ordinary people,

And within the scope of her ability, she cannot tolerate the slightest risk in her life,

So she is very puzzled, and the kind of environment the Liu family gave Jemima,

It let her develop a cautious style of acting,

But she doesn't know that the reason why Jemima's acting style is so cautious is entirely because of her mother.

At that time, her mother and father were fascinated,

And she was always in a bad mood, and because she was pregnant with her younger sister,

She neglected to pay attention to her body,

And finally, let cancer develop to the point where no amount of money could not make it right.

They obviously had ten thousand family fortunes,

And had mastered the top resources in the world, but her mother still failed to survive.

This matter is a hurdle that Jemima will never get over.

It was also from then on that she developed a character of being as cautious as possible in everything.

At this moment, Jemima, looking at the rolling river not far away,

Thought of her own mother as well.

She remembered that when her mother was young,

She loved to overlook Hong Kong at night from the top of the hill,

And overlook the Victoria Harbour, which is shimmering and full of cruise ships.

This made her a little impatient, and she couldn't wait to see the Yangtze River at night here.

## Chapter 5314

Sister Xian saw that she didn't look at the flat when she came in,

But just stood in front of the huge French window to look at the river view,

So she couldn't help reminding: "Miss Liu, do you want to take a look at the layout of the flat,"

"If you are not satisfied, Or if you want to adjust anything, I can help you with it."

"Oh, okay..." Jemima came back to her senses,

And together with Sister Xian, they took a look at the whole house.

This flat is not too big, more than 200 square meters, with four bedrooms,

One of which has been renovated into a study room.

In addition, there is also a flower hall on the side of the Yangtze River.

The developer has added sports equipment, that can be regarded as a relatively petty fitness area,

And from the living room, one can see the river view from the sofa because of the floor-to-ceiling windows on the front wall.

For Jemima, a rich second generation who is used to luxury houses,

This house is nothing compared to the real top luxury flat.

The flat floor of the Liu family in the central area of Hong Kong has an actual usable area of more than 1,000 square meters,

And it is located on the top floor of the Liu family skyscraper.

It seems to be a commercial real estate where every inch of land is expensive,

But the Liu family uses the best floor for private use.

In that kind of location where a single workstation costs tens of thousands of Hong Kong dollars a month,

A single living room is even beyond the imagination of ordinary people.

The really rich, don't even bother to buy residential real estate developed by real estate developers like Tomson.

They prefer to play freely on their own properties without any restrictions.

Therefore, Jemima can't say whether she likes or dislikes this house,

But the location, transportation, apartment type, and floor are more in line with her current needs.

After roughly reading it, Jemima said to Sister Xian:

"Sister Xian, the decoration and space arrangement of this house are quite reasonable."

"There is already a study room and a fitness area. I live alone."

"It seems that there is nothing that needs to be changed."

Sister Xian nodded, and asked her again:

"What about the furniture? Are you satisfied?"

"It is very good." Jemima smiled slightly and said, "Basically, I can move in with my bags."

Then, Jemima said to her again: "Sister Xian, thank you for your hard work,"

“You will take me shopping later to buy some household items,”

“And a change of clothes, I want to live here tonight.”

Sister Xian asked tentatively: “Miss Liu,”

“Do you like to stay here tonight? Let’s go to Zijin Villa, there are plenty of rooms...”

Jemima shook her head slightly and said,

“Grandpa Qiu and Grandma Qiu are getting old, so I’d better not bother them.”

“I’ll stay here for one night today,”

“And I’ll go back to Hong Kong after signing the contract tomorrow.”

Sister Xian said, “Actually, they like you very much,”

“And they must be very happy if you can go and accompany them.”

Jemima pondered for a moment, then said: “How about this,”

“First pay the final payment, get the keys, and then buy some household items and bring them here.”

“Go eat with Grandparents, and chat with them after dinner, and I’ll come back after they rest.”

Then, Jemima turned to look at the river outside the window, and said,

“I haven’t lived by the river for a long time.”

“I really want to see the night view here.”

“Okay.” Sister Xian nodded understandingly, and said,

“Then I will accompany you to buy some things first, and we will go back after we have finished shopping.”

“Thank you, Sister Xian ...”

At the same time, Tanaka took a mobile phone downstairs and took a video of the whole house, and sent it to Nanako Ito,

Who was packing her luggage in Kyoto, and then sent another voice message, saying with some shame:

“I’m sorry miss, these few days I really haven’t been able to find a villa that suits you.”

“Are you satisfied with this flat?”

Ito Nanako looked around and said with a smile: “It looks good, just this one is fine. It seems like you have worked really hard these days.”

## Chapter 5315

At night.

After Jemima settled the newly bought daily necessities, she and Sister Xian returned to Zijin Villa.

Knowing that Jemima had been hired, both Larry and his wife were also very happy and asked the servant to arrange an elegant celebration banquet at home to celebrate.

To Larry's surprise, Maria, who never liked the excitement, was very happy to join in.

At the dinner table, Larry said to Jemima: "Jemima, if you come to Aurous Hill to work in the future, if you have nothing to do, you can simply live in Zijin Villa!"

Jemima said quickly: "Grandpa, Sister Xian accompanied me to buy a house this afternoon, and the school will provide me with a one-person apartment in the future as well."

Larry said in surprise: "Have you already bought a house? Buying a house outside is safer than living here? And people available to take care of you, it's more convenient for you to live here."

The old lady Qiu also agreed: "Yes, Jemima, living here can save you a lot of trouble, you should be fine here."

Jemima explained: "The security in the community I bought is quite good, and the law and order is much better. No one knows my identity, so I shouldn't be in any danger."

Larry knew that she had made up her mind, so he nodded and said, "From now on, you will live in Aurous Hill permanently, if you need any help, don't be polite to us. If we're not here, you can do the same with Sister Xian."

He said, "I'll transfer some people in the next few days, so I can respond quickly if something happens."

Maria has no manpower at the moment, In the exposure in Northern Europe, there was only one loyal old servant left among her people, who hadn't arrived in China at this time, and the rest were existence like Ethan and Larry.

In order to ensure Maria's safety, Larry and Ethan have reached a consensus to secretly dispatch troops to Aurous Hill to ensure her safety.

For Larry, since Jemima is his granddaughter, he must take care of her in the future.

Although Jemima felt that she would not be in any danger, she still said to him very gratefully: "Thank you, Grandpa!"

At this time, Maria who was at the side asked curiously: "Sister Jemima, where did you buy your house?"

Jemima said: "I bought in Tomson's in Aurous Hill. It's not too far from the school, and it's only ten minutes drive away. " With another identity, Maria already knew Charlie's address.

She didn't expect Jemima also bought it in the same community. But she wasn't surprised when she thought about it, after all, Jemima came here for Charlie, and it was normal to buy in the neighborhood where he lived.

Jemima thought that Maria was curious about the newly bought house, so she said with a smile:

"If you are interested, I can show you around. Although it is flat so not very big, the advantage is that the river view is not bad."

Maria smiled and said: "Sister Jemima, I'll go with you after school starts. I'm lazy and homey lately, and I don't want to go anywhere."

Maria didn't dare to go to Tomson. After all, it was too close to Charlie. Although she came to Aurous Hill just because of him, before school started,

Charlie was the one she was most afraid of seeing. Seeing that Maria declined, Jemima didn't think much of it, she just smiled and said,

“After school starts, if you don't want to come back here occasionally, I can reserve a room for you.”

“Okay.” Maria said with a smile: “That's it. It's a deal .” After dinner, Jemima bid farewell to Larry, his wife, and Maria, and Sister Xian dropped her at Tomson. When she came to the first house she bought in Aurous Hill, Jemima suddenly felt settled down.

She opened the window of the viewing balcony, lying on the edge of the bed, watching the night view along the Yangtze River and the slowly moving ships on the river, blowing the evening wind refreshed her mind.”

The top floor has an excellent view, and this flat is a side household on the top floor, so it is basically not disturbed by the noise of neighbors, which makes Jemima feel that it is more than worth the money.

She even had the urge to stay in Aurous Hill for a few more days because of this.

However, after thinking about it, she felt that it would be better for her to leave Aurous Hill as soon as possible after signing a contract with the University. She also thought about telling Charlie that she had been hired by Aurous Hill University after she officially went to work.

...

At the same time.

In the villa area of Tomson Yipin, Elaine finally survived the 72-hour ban on the platform.

When she put on heavy makeup and picked up her mobile phone to start the live broadcast again, she encountered the same problem as three days ago in the broadcast room, and no one watched it.

This time, although there were some netizens who strayed into the live broadcast room and expressed some sarcasm, Elaine had the experience of being banned last time, and this time she dared not chase after them.

But being unable to fight back means that there is always a breath in her heart that she can't get out of.

Elaine broadcasted live for half an hour, but she didn't gain a single fan. Instead, she was pissed off by these rude netizens.

Elaine, who was extremely depressed, temporarily closed her live broadcast room, and then began to watch other people's live broadcasts, wanting to learn from others how to broadcast live and what content to broadcast in order to gain enough fans.

After looking around, she found that in the popular non-delivery live broadcast rooms, the live broadcast content was varied, but each live broadcast room had its own characteristics, such as live broadcasts of playing games, live broadcasts of outdoor activities, and live broadcasts of certain talents. There are even live lectures.

After looking at it, she felt that she was basically unable to do these things.

This is mainly because she has no extraordinary talent at all. She only knows how to sing and dance in piano, chess, calligraphy and painting, and her singing is not very good, far from being able to make people stop and listen.

After pondering over and over again, Elaine still couldn't find any breakthrough point, which made her retreat a little bit.

After swiping around the live broadcast room on her mobile phone, she couldn't help sighing: "It seems that these old bones are really not suitable for this..."

In addition to being depressed, she couldn't help but secretly sighed: "It doesn't matter if I can't eat this bowl of rice. The key is not to let her Horiyah eat so happily! Seeing her like that, my heart feels worse than losing a million dollars!"

She was depressed, and she slid her finger, Slid into another live broadcast room.

There are more than 30,000 viewers in this live broadcast room. The anchor is an ordinary-looking middle-aged man, and this man is saying impassioned at this time: “My family, I have been using my life to crack down on fakes. The family members in the live broadcast room should all know that the person I want to crack down on this time is the online celebrity beauty doctor.”

“After my secret investigation, she is actually not a beauty student at all. The name she uses now It’s not her real name either, and her real education is actually a technical secondary school in a small city in the south, and she was fired for fighting before she graduated! Now if the live broadcast has 50,000 viewers and 3 million likes , I will release the evidence immediately!”

Someone in the comment area immediately posted a message: “This beautiful doctor, I have long suspected that something is wrong with her, the last time I asked her to do a basic calculus problem in her live broadcast room, she directly blocked me! Support Brother Yong to expose her!”

Immediately, a lot of people posted various comments in the comment area, basically questioning the beautiful doctor that the male anchor talked about.

In addition, there are a large number of bullet screens sending gifts, which look dazzling and lively.

Seeing this, Elaine’s eyes lit up instantly, and she thought to herself, “You can live-stream fans in the crackdown? Then I might as well crack down on Horiyah!”

Elaine, who had a flash of inspiration, realized almost immediately that the idea that came up suddenly was very feasible.

Horiyah is now a very popular Internet celebrity. The number of people online in the live broadcast room has always been tens of thousands, and sometimes it can even reach 20,000 to 30,000. If she can expose such a popular anchor, she will definitely attract a lot of attention from fans.

Moreover, for Elaine, even if she doesn't get fans, income, or benefits, she is willing to crack down on counterfeiting Horiyah.

Not to mention not getting benefits, if someone told her to give them 100,000 yuan in exchange for Hongyan's ruin and poverty, she would definitely grit her teeth and take out the 100,000 yuan.

It was because of this that she felt that her idea was simply killing two birds with one stone, which was absolutely brilliant. As soon as she thought of this, Elaine immediately regained her spirits. She began to keep calculating in her heart, and kept muttering in her mouth: "How should I expose Horiyah, that stinky b!tch?"

She said to herself: "The best way is to secretly film her actual state after the broadcast so that people will know that she is not only a big liar, but also very rich now, and then put these video materials on the Internet, and spread them ten times. The reputation of Horiyah will be spread everywhere!"

Thinking of this, she slapped her thigh in an instant, annoyed, "Oh my god, I'm so stupid! Before, Horiyah drove a Mercedes-Benz big G to find me. Took me out to spend a lot of money, and even showed me her contract for Rolls-Royce Cullinan, why the hell didn't I think about secretly recording and shooting videos?! If I took a video at that time, I'd use it now, and definitely bring her down!"

Realizing that she had missed a good opportunity to bring down Horiyah, Elaine was extremely depressed all of a sudden, picked up her phone almost without thinking, and called Horiyah, wanting to ask her out to spend time again, and seize the opportunity by the way, collecting evidence to expose her.

However, Horiyah's phone could not be connected. Elaine called several times but failed to get through. Only then did she realize that Horiyah might have started the live broadcast.

Thinking of this, she hurriedly opened the short video website and searched for Horiyah's account on the search bar. Although she had been blocked by the administrator of Horiyah's live broadcast room and could not watch her live broadcast, she searched for Horiyah's account. When using a guest account, you can still see the prompt that Horiyah's account is live.

Thought that she couldn't even see a ghost in her live broadcast room, but Horiyah's live broadcast room had tens of thousands of members kept in the dark, who were constantly sending money, and she felt even more depressed and wanted to die.

The more depressed she felt, the more Elaine couldn't stay at home, so she went downstairs alone on crutches, went out to wander around the villa where Horiyah lived, and kept looking at the villa as if looking for an opportunity to strike.

The law and order inside the villa are very good, so the balconies on the second and third floors of each house are not sealed, and there are no anti-theft measures. If she's not limping, she could still climb up the balcony quietly, and use her mobile phone to take pictures of Horiyah's state at home after the broadcast... But now her legs are limping, and she can't climb up..."

Just as she was sighing, someone suddenly shouted angrily: "Elaine! What are you doing sneaking around here!"

## Chapter 5316

Elaine was frightened by the rough voice. As soon as she shivered, she only felt that my whole body suddenly ached.

The reason why she was so afraid was that this voice had been Elaine's nightmare for a long time in the past.

When she was sent to prison for stealing Charlie's money, she was tortured by the owner of this voice every day to doubt her life.

And the owner of this voice is Gina Zhang who was in the same cell as Mrs. Willson and now lives under the same roof.

When Gina was released from prison, although she was heartbroken by Mrs. Willson's family, she didn't have a good impression of Elaine, so seeing Elaine wandering around the villa where she lived, she guessed that she had no good intentions, so she immediately shouted and reprimanded.

Elaine turned her head and looked at Gina. Beside Gina, there were her two good sisters, Tabia and Lexi.

At this time, Tabia also looked at Elaine angrily, and asked coldly: "Elaine! What are you thinking about here?!"

Lexi also echoed, "Yes! Say it quickly! Or I'll kill you!"

Elaine was so frightened that her first thought was to run away.

But when she thought that she was still limping, she couldn't outrun the three of them no matter what.

But if she yelled out to his son-in-law for help now, he might startle Horiyah, who was broadcasting live upstairs first.

If Horiyah knew that she was sneaking around the villa here, she might be able to guess her intentions. If she started to be wary of her, wouldn't she have no chance to bring her down?

At this time, Elaine's brain was running fast, and her eyeballs were also twitching non-stop.

Seeing her mischievous eyes, Gina didn't make a sound for a long time, and immediately stepped forward and grabbed her by the collar, raised her hand and gave her a big hit, angrily said: "I'm so annoyed when I see you, get out of here!"

Elaine After being slapped, she was angry and scared, but when she saw that the three of them were all wearing the same T-shirts, with the logo of the same cleaning company printed on their chests, and they all looked tired, so she had idea When she moved, she ignored the burning pain on her face, and said,

"Gina, Gina, listen to me, you were kind to her, but now Mrs. Willson's family has become rich overnight, and just a little help is enough for the three of you to live comfortably, but they even let the three of you go out to do cleaning, I, really can't see it, Gina!" Gina was stunned when he heard this.

Have to say that Elaine's words happened to hit her heart.

In the beginning, when the three of them were released from prison together, they were taken all the way to this top villa in Aurous Hill by the Wu family's luxury car. The three of them thought in their hearts that it was the old lady Willson who did it, and they were very grateful to her.

But who would have thought that when Mrs. Willson saw them, she would be extremely disgusted and even swear at them, and she would immediately kick the three of them out of the house.

At that moment, Gina felt very uncomfortable.

Then, when she learned that the house was not owned by the Willson family and that the three of them could also live there, she stopped being polite to the Willson family.

Living together for a long time, the Willson family has always been dominated by them. Not only are they not eating as well as they are living, but even seeing the three of them at home must be submissive, for fear of being beaten.

And although the three of them have no great skills, they are doing cleaning work professionally outside, and their quality of life is guaranteed.

On the other hand, the Willson family is not as lucky as they are. Noah and Harold are two useless people who can't afford to eat in bed, not to mention taking medicine, and the old lady is often so hungry that her chest is pressed against her back.

Later, Wendy went out to be a hostess, and she was often deceived by others. The meager salary she earned was not enough for the family.

However, on a certain day, Wendy suddenly made more money, and the family's living standard also rose rapidly, leaving the three of them behind very quickly.

If this is the case, there is not much difference between Gina and the three of them. The key is that the Willson family has become richer and richer for some reason these days, especially that Horiyah who bought a Mercedes-Benz worth two or three million. The car immediately made Gina and the others envious.

Now listening to Elaine's provocation, Gina felt even more unbalanced. She couldn't figure out why the Willson family could get up again even after they were so down and down, and so high!

Thinking of this, Gina became even more depressed, and her back molars were clenching.

Elaine accurately captured her changes, and immediately knew that what he said hit the pain in her heart.

So, she immediately lowered her voice and said very seriously: "Let me tell you, Gina, the reason why the Willson family can turn around is that the old lady Willson is shameless and so is Horiyah who bore a child from outside!!

“Horiyah?!”

Gina immediately frowned when she heard this, and asked sharply, “With her broken shoes, why can she turn around?! Could it be that she is relying on selling her appearance to sl33p with others?! Elaine sarcastically said: “She’s the kind of woman who would sell her lust at most for two buns at most!”

After finishing speaking, Elaine looked around, then upstairs, and hurriedly said: “Gina, this is not a place to talk, let’s talk over there, don’t let the Willson family upstairs hear!”

Gina immediately winked at her two good sisters, Tabia understood, and immediately stepped forward, Together with her, she supported Elaine and quickly walked to the far wall.

Seeing that there is no need to worry about being heard by the Willson family here, Elaine stopped them and said, “Let’s talk here!”

Hearing Elaine’s words, Gina stopped first, and the other two also followed suit. Immediately stopped.

Then Gina asked Elaine: “Elaine, tell me, how did Horiyah’s broken shoe turn over?” “She conducts live streaming on the short video platform! Tens of thousands of unscrupulous viewers follow her to buy, buy, buy, buy, buy, buy whatever she pushes, and the money goes into her pocket. This way, she can earn tens of millions a year!”

“What?!” Gina immediately scolded furiously: “Just that unruly broken shoe can earn tens of millions a year?”

Elaine said, “Gina! To tell you the truth, our sister and son really want to go together! You said it was just Horiyah, a fifty-year-old person who can still have a big belly with a wild man outside and infect her husband with a venereal disease. For a person like her. Why can she earn so much money? Do you think so?!”

Gina said without hesitation: “That’s right! I hate two kinds of people the most in my life, one is the ba5tard who doesn’t obey his parents, and the other is the stinky b!tch who doesn’t obey women’s morals!”

As she said that, Gina asked her again: “You haven’t said yet, how did Horiyah get rich?”

Elaine asked her with a familiar face, “Gina, do you usually watch the live broadcast? That kind of online live broadcast that sells goods!”

Gina shook her head, and said self-deprecatingly: “We work at the owner’s house all day long, and we rarely touch our mobile phones, so we don’t have time to watch live broadcasts..”

Elaine said: “Gina, give me your mobile phone, and I’ll find Horiyah’s live broadcast room for you, and I’m sure you’ll be even angrier after watching it!”

Gina took out a few hundred yuan from her pocket, unlocked her Android phone, and handed it to Elaine.

Elaine immediately opened the short video software and searched for Horiyah’s live broadcast room.

At this time, Horiyah was sitting on the head of the bed, and while feeding Noah, she said with snot and tears: “My family, I will tell you that since my husband became paralyzed, he has been unable to eat anything. There are nutritious things, that person is starved and disfigured on the bed, and his skinny appearance makes people feel distressed...”

As she spoke, she handed the bowl in her hand to the camera and introduced: “Thanks to this nutritional rice cereal company knew about my family’s difficulties and sent us a batch of nutritional rice cereal. My husband has recovered a lot since he started to eat this rice cereal.”

Noah opened his mouth cooperatively at this time. He screamed and even raised his neck desperately trying to open her mouth to reach the rice spoon in her hand.

Horiyah quickly fed a spoonful into his mouth and continued: “This nutritious rice cereal has five flavors, and it can be eaten with just a splash of boiling water, and it contains various nutrients needed by the human body. Having three sachets a day is enough nutrition for a day, and their raw materials are

all green and organic, and they also especially add various vitamins, amino acids, and DHA needed by the human body.”

“There are 12 sachets in a box, and they are usually sold in the market. 108. Now in the live broadcast room, the benefits that I have won for her family are two boxes for 99 yuan, a total of 24 packs, and a box of 6 packs for travel, that is, 99 yuan can buy 30 packs, which is a very good deal!”

As she spoke, Horiyah continued: “Because the price is too cheap, the manufacturer is unwilling to give too much inventory, I have only 20,000 orders here, and there will be no more orders after buying, family members, so please Everyone needs to hurry up, come on, let’s get in the cart now!”

Gina looked at the tattered Horiyah in the video, as well as the tattered room and furniture, and said in surprise: “This... this \*\*\*\* It’s too fake! Their room was luxurious before, how did it become like this?”

“It was on purpose!” Elaine said without thinking, “This bltch, now she is saying to the outside world that she supports a family by live broadcasting alone. A husband paralyzed in bed, a son paralyzed in bed, and an 80-year-old mother-in-law, said they are in terrible condition, and then the audience believed it, and desperately bought things in her live broadcast room, asking to help her tide over the difficulties, but they stupid hats don’t know that people can earn tens of thousands of dollars a day by live broadcasting!”

Gina clenched her fists, gnashing her teeth, and said: “It’s really shameless! She has hands and feet, and she has no money to earn. We are the same, earning money through hard work! But she actually engages in such deceitful activities on the Internet, this kind of person should be pulled out and shot!”

“Yes, yes!” Elaine seemed to have found a bosom friend, and echoed: “Shoot! It’s even cheaper for her if I say she will have to be executed by a dog!”

Gina asked in amazement: “What is a dog’s execution?”

Elaine said: “It’s to let the dog kill her! Then let the dog eat her and turn her into a dog sh!t!”

Gina's expression turned cold, she didn't expect Elaine to be much more ruthless than herself.

Seeing that her emotions were set in place, Elaine hurriedly went up and said, "Gina, let me tell you, I have a good plan now, as long as this plan is implemented in place, it will definitely ruin Horiyah's reputation, and bring their family back to their original form!"

As she said that, she looked at her lame leg and sighed, "Alas! It's a pity that the leg was broken by Mrs. Willson and that Wendy was in prison, and it became the root of the disease. It's not very easy, given my current situation, I'm afraid I won't be able to carry out this plan..."

Gina immediately blurted out: "What plan can you tell me? Aren't you bad in your legs and feet? The three of us will help you execute it! The four of us Join hands to deal with Horiyah now!"

Elaine was waiting for this sentence, so she asked in surprise, "Gina, is what you said true?! Are you really willing to help me?!"

Gina said coldly: "I've seen the old lady Willson's family upset for a long time! An enemy's enemy is a friend, so we are also comrades-in-arms!"

Elaine immediately said excitedly: "That's great! With three of you, If we join together, we will join forces, and we will definitely be able to complete it smoothly, and we will guarantee that Horiyah will return to the pre-liberation overnight!"

Gina said without hesitation: "No problem! Just say it!"

## Chapter 5317

Although Elaine is not smart, she definitely has a lot of tricks to use on her.

She had long thought of a way to expose Horiyah, but she suffered from her inconvenient legs and feet, and she was alone, so the risk was too great.

But after the three joined, the situation is completely different. The three of them lived under the same roof with Horiyah's family every day, and these three are strong. Much more convenient.

So, she hurriedly called the three of them to the front and whispered her plan to three of them in detail.

After listening to Elaine's plan, the three of them felt that it was very feasible,

Gina patted her chest and said, "Elaine, don't worry about this matter. Leave it to the three of us, and we will definitely follow your plan. We will do what you said."

After she finished speaking, she continued: "But you have to promise us that after we finish what you asked, you must follow what you said and bring down that Horiyah!"

Elaine said without hesitation: "Gina, don't worry about this, no one in the whole world expects her to fall as soon as I do, and I will definitely do my best to bring her down!"

Gina nodded in satisfaction, and then she opened her mouth and said, "Then we'll go back and start making arrangements now."

"We'll let you know as soon as there's any progress. By the way, leave me your contact information and I'll make a note of your mobile phone number."

Elaine hurriedly expressed enthusiasm and said: "Oh Gina, let's just add WeChat. We are neighbors. We will see each other often. It is convenient to add WeChat!"

Gina frowned, and said vigilantly: "You don't have to add WeChat." Well, you have a phone number, and you can call anytime you need it."

Elaine said with a look of emotion: "Oh, Gina, I know you have always had a big prejudice against me, but have you ever thought about it?"

"What you instilled, although I don't know what she told you at the time,"

"But I guess it must be that the daughter-in-law is not filial to her mother-in-law,"

"That I moved the villa back then to prevent her from living in, and that I drove her out of the house, and called the police to arrest her and put her in prison, right?"

Gina subconsciously nodded.

Back in prison, Mrs. Willson did accuse Elaine of many crimes with snot and tears, but the core content was the three points that Elaine herself said.

Elaine gave a wry smile and sighed, "Hey! I know Gina, you are a filial daughter, and you hate others not being filial to parents and in-laws,"

"But have you ever thought about what kind of person she is? Think about it, you helped this old woman so much in prison back then, did this old woman really appreciate you from the bottom of her heart?"

"She just regarded you as a chess piece that could be used, and used your kindness to achieve the purpose of hitting me, but she didn't just look down on you, and I believe that you have lived in the same house with her for so long, you should be aware of it?"

Elaine's words hit Gina's heartache.

Elaine saw that her expression was not right, so she continued to strike while the iron was hot: "So now you look back and think about it, how can I honor this kind of old woman?"

“Occupy the magpie’s nest, if I let her live in our house, she will drive me out in a short time!”

After hearing this, Gina also felt that what Elaine said made sense.

After actually getting along with the old lady Willson, she also realized that this old woman is indeed not a fuel-efficient lamp,

Nor is she a good and faithful woman. If she were her daughter-in-law, she would not be able to respect her.

Thinking about it this way, Gina looked at Elaine in front of her again and suddenly found that her face was not so hideous anymore.

Thinking that she was completely deceived and used by that old woman in prison back then, she felt even more annoyed, so she naturally regarded Elaine as her ally.

So, she took out her mobile phone and said, “Come on Elaine, let’s add a WeChat friend.”

Elaine was naturally flattered, and quickly said: “Okay, okay, I’ll sweep you!”

Gina said to the two sisters beside her: “You also add Elaine as a friend so that it will be easier to communicate about anything in the future.”

Elaine didn’t think twice as she said: “Then that’s really great. I’ll create a group immediately and bring all four of us into it. If there is any trouble in the future, we will all communicate with each other in the group.”

Soon, a WeChat group “Eliminate Horiyah and eliminate harm for the society” was born, and the four immediately started to split up.

Elaine returned home on crutches, while Gina and the others immediately walked to their villa.

Coming downstairs of the villa, Gina looked up at the room on the second floor, and said to the other two in a low voice: "As expected, they closed the windows and doors."

"I will climb up to their balcony on the second floor to see if I can take pictures from the outside, but the sound insulation of the windows is very good."

"Even if I can take pictures, I probably can't record them. You go to the door of their room, plug in the earphones of your mobile phones,"

"And put the microphone under the crack of the door. Go record their voices inside, and send them to Elaine later, she said that she will use her mobile phone to mix the picture and sound together."

"Okay, Gina!"

The two agreed in unison and then hurried to start the action.

At this time, in the bedroom on the second floor, Horiyah was still broadcasting live.

She has prepared ten products tonight, and she has reached the last one now.

Since today is not the weekend, the traffic is not too big, so Horiyah also plans to end the broadcast early and take a break. Don't look at her live broadcast for only two or three hours a day,

But these two or three hours are almost non-stop talking, needing nerves and attention.

The strength has to be tense all the time, don't make mistakes, don't show flaws, so after a live broadcast,

People are still very tired, so she also looks forward to finishing the speech and going to the broadcast to rest.

At this time, she didn't know that Gina, who had a strong body, had already climbed down from the balcony on the third floor and came to the balcony of the room on the second floor.

Although the curtains in the bedroom on the second floor were tightly drawn, there was an inverted V-shaped gap in the middle of the sliding door's sheer curtain.

For the mobile phone camera, as long as it is close enough, even if there is only a finger-thick hole, it is enough to capture the whole picture inside.

A few minutes later, Horiyah finally finished broadcasting the last product. When the family members in the live broadcast room snatched up all the stocks, she said devoutly:

"Thank you to all the family members for your kindness to me tonight. Support, I can support my paralyzed husband and son, as well as my eighty-year-old mother-in-law, thanks for the help, thank you!"

## Chapter 5318

Noah, who was paralyzed in bed, also said vaguely: “Thank... thank you all...”

Harold choked up on the other bed and said, “Thank you for your help.”

“When I recover, I will definitely bow and kowtow to everyone in the live broadcast room!”

The dilapidated old lady Willson also came to the camera tremblingly at this time, and she kept bowing her hands and said,

“The old lady here, thank you all... Thank you!”

After everyone finished thanking, Horiyah Reluctantly bid farewell to the live people again, and then closed the live broadcast room.

The moment the live broadcast room was closed, she immediately reached out and pulled off the wig she was wearing on her head, revealing a very elegant chestnut curly hair, and complained dissatisfiedly: “Dmn, this broken headgear is too fcking hot!”

Harold Hastily said: “Mom, you said you’re fine, why do you perm your hair? Forget it, if you still dye it, wouldn’t it be troublesome if people see it?”

Horiyah angrily scolded: “You know what! I’m worth tens of millions now. Am I not shameless when I go out? You can’t let me drive a Mercedes-Benz big G and look like a beggar, right?”

“Besides, the live broadcast room is getting more and more popular now, and the audience is getting bigger and bigger.”

“I must find a way to change my makeup when I go out, the bigger the difference between the real person and the live broadcast, the better, otherwise, what if the audience in the live broadcast room finds us out?”

Harold was so reprimanded by Horiyah that he didn't dare to refute, so he could only nod resentfully and said: "Mom, you are right, I am too stupid..."

Horiyah snorted coldly, and continued to reprimand: "There is more! I told you before today's live broadcast that you only have one task tonight. When the live broadcast is over and you thank the audience in the live broadcast room, you must shed some tears for me. , where are your tears?"

Harold said nervously: "Mom...I...I just can't cry when I think about how easily you can earn hundreds of thousands tonight..."

Horiyah Cursed angrily: "Trash! You have to cry if you can't cry! You don't want to move those people in the live broadcast room, and don't let them think that they are very noble."

"How can they willingly spend money on us? The selection of our live broadcast room The goods are all cheap and worthless goods, and the selling price is several times higher than the cost price. Why do people buy our things at a high price? Isn't it just for psychological satisfaction?"

"You and your dad are paralyzed in bed now, there is no way Kneel down for them, I will let you shed a few tears and you still can't do it?!"

Harold said submissively: "Mom...I...I really want to cry, but the tears are not up to me Ah, I want to cry, but I can't cry, what should I do if I can't cry..."

Horiyah said coldly: "It's easy if the tears don't come out, tomorrow I will drip some wind oil on the other side of your pillow Essence or chili oil! If you can't cry, just quietly turn your head to the other side and rub chili oil, then I'm sure you can cry!"

Harold was startled, Hastily said: "Mom... That's too cruel, I'm afraid the eyes will be swollen..."

Horiyah said without thinking: "It's better to have swollen eyes, red and swollen, plus tears, that's the real thing." Truly perfect!"

Harold still wanted to beg for mercy, but Horiyah didn't give him a chance to speak and shouted directly:

“I tell you, don’t talk nonsense with me here, now I have the final say in this family, If you don’t listen, I’ll throw you outside the door, and you will die!”

Harold shrank his neck in fright and said quickly: “Don’t, mom... I promise you, can’t you...”

Horiyah glared at him, then looked at the old lady Willson, and said coldly: “And you dmn old woman! You know how to bow in front of the camera every day! The monkeys playing on the streets in the early years are just like you! Tomorrow you Give me another way, when the live broadcast is about to end, you will kneel down and kowtow to everyone!”

The old lady said nervously: “Horiyah... I... I am so old, and my legs and feet are not very convenient. You make me kneel and kowtow, I’m afraid I won’t be able to...”

Horiyah said coldly: “If you can’t come, you have to! Don’t you spend the money I earn? Don’t you eat the things I buy? You don’t have to Really? If you can’t, go back to the supermarket and tear plastic bags for others!”

When the old lady heard this, she hurriedly said: “Horiyah, don’t be angry, I’ll knock it, can’t I knock it...”

Horiyah snorted and ignored her.

At this time, Noah on the bed said flatteringly: “Good wife, do you think my performance tonight is still very good? When I ate rice cereal, those small details were designed very well, which fully reflected a patient who is paralyzed in bed likes this rice porridge very much, and desperately wants to eat this rice porridge!”

As he spoke, Noah smacked his lips and sighed: “But this rice porridge is really fcking unpalatable, there is no fragrance in the mouth at all, and it is a little bit bitter? You said that this stupid manufacturer can’t really add good ingredients?”

Horiyah raised her hand and slapped him.

Just as Noah wanted to ask why Horiyah said impatiently: “Who the hell do you call your wife?”

“This is not when you beat me up, forced me to divorce, and told me to get out of this house. Is it?”

Noah was startled, and immediately said quickly: “Oh my wife, all my mistakes are my own fault! I was blind. I didn’t know how to cherish having such a good wife.”

“If I talk to you again in the future If I mention a divorce, I will be struck by lightning and die without a place to bury!”

Horiyah sneered and said, “Oh, Noah, you have become so fcking fast! What did you say back then?”

“You said I brought you a cuckold, and I was pregnant with a wild man’s child, which infected you all over the body. You must drive me out of this house. Are you short on memory?”

Noah said with a smile: “Oh my wife, look at what you said, this is not a question of whether I can make money,”

“But I really want to understand it. In fact, I can’t blame you for those things at the beginning, because it was also forced by the situation, forced to be helpless, and to be honest, the decision to cheat on Elaine was not your decision alone, but the idea of the two of us, so I am also responsible for this kind of thing... ..”

Speaking of this, Noah sighed, tears flowed down immediately, and choked up: “Honey, I actually didn’t think of the crimes you suffered in the black coal mine. However, I hid behind your back and controlled everything, and let you execute the plan alone.”

“In the end, you were sent to the black coal mine...”

Horiyah looked at Noah’s tears streaming down his face, she was not moved in the slightest, but turned to look at Harold, slapped him on the top of the head, then pointed at Noah and said:

“You Learn from your dad! Look at your dad’s tears, and they flow when he needs it! The emotion is in place in an instant! Absolutely old-fashioned acting!”

“Look at you again, you are like that little fresh meat, eat whatever you want It’s not enough, what can’t be done, what’s bad to sing, what’s not to act like, what a waste!”

“He’s a small fresh meat, but he still looks thin and tender, and can fool female fans into spending a lot of money. What can you do? You can’t even hold back a few tears!”

Harold was slapped on the forehead and was scolded by my mother pointing her nose, the whole person was so hopeless, he could only cry and say with a sad face: “Mom...you prepare a bottle of oil for me tomorrow, if I can’t cry, I will rub the oil on my eyes!”

Horiyah nodded, pointed at the old lady Willson, and said loudly: “You have heard what he said, go and buy him a bottle of chili oil tomorrow!”

The old lady Willson hurriedly said: “Horiyah... Just transfer some money to me on WeChat, and I’ll place an order on the food delivery app...”

Horiyah said disdainfully: “You old lady, you think beautifully! You have been riding on my neck for so many years. After I became pregnant, you humiliated me and tortured me even more. I haven’t kicked you out now, not because I am kind-hearted, but because you are still somewhat useful.”

“If you listen to me honestly, I can give you food, for you to drink, for you to wear, for you to use, even if you are sick, I can treat you, and if you die, I will give you a beautiful funeral.”

“But don’t worry, I can spend dozens of yuan on you. Ten thousand, one million, but I will never give you a penny! I want you to live without me, from now on with my conditions!”

## Chapter 5319

Before finding a way to live broadcast and sell goods, Horiyah was often rejected by the family in this house.

Especially after she had just returned from the black coal mine and was found to be pregnant,

And infected with sexually transmitted disease, the Old Lady and Noah never gave her a second of good looks.

At that time, even her son Harold felt that this mother was a bit embarrassed,

And he never gave her a good look when he saw her every day.

When Horiyah was in the most difficult time,

The only person in this family who could make her feel warm was her daughter Wendy.

Since encountering setbacks and being rescued by Charlie, Wendy's personality has changed a lot.

Because of the ordeal, she has become much more stable, more down-to-earth, and more kind-hearted.

She knew what happened to her mother.

Although it was a bit embarrassing to say it, she knew she was forced to do so in that situation at the time.

Outsiders can laugh at and ridicule her mother, but even the people in this family did the same.

After all, when something happened to her back then,

Even though it was her own fault, it was all because of this family.

Thinking about what she had experienced with Gerald and Fredmen during this period of time,

She could empathize with her mother even more.

Therefore, after Horiyah became rich by relying on live streaming during this time,

In addition to showing good looks to Wendy in this family,

Other people were beaten and scolded by her every day in order to retaliate for the harm these people caused her.

Whether it is the Old Lady, Noah, or Harold, they are all very clear about their current situation.

They have no chance of turning over. Less than the level of getting rich overnight.

Right now, in the entire family, only Horiyah has this strength.

On average, Horiyah earns two to three million yuan a week from live broadcasting.

If this is the case, it is not a problem to earn a small goal in a year.

Knowing that when this family was the strongest, their real assets were only tens of millions.

Currently, Horiyah can surpass the peak of the entire Willson family within a year.

So even though these people were beaten, scolded, and humiliated by her, none of them dared to say a word.

Immediately, Horiyah stood up, took out two bottles of high-grade juice from the cabinet opposite the bed,

Drank sip by sip glanced at the Old Lady who was swallowing her saliva, and said in a cold voice:

“Don’t give me little thought standing here, a bottle of this one costs more than a thousand,”

“Which is quite rare, if you dare to steal one, I won’t give you food for a whole day!”

Old Lady quickly waved her hand and said: “No I can’t... Horiyah...”

“How could mom steal your stuff... besides, that is so expensive,”

“Even a poor old woman like me doesn’t deserve it...”

Horiyah snorted coldly and ignored her, but Looking at Noah, she said,

“I want to tell you something. I looked at the more detailed data of the live broadcast room.”

“Our current normal number of viewers, as well as the highest number of online people in the live broadcast room,”

“The number of transactions and the turnover, compared with Yesterday,”

“It started to show a downward trend. Although the decline is not much,”

“Only two or three percentage points, it is still a very serious trend.”

“Once it starts to go downhill, it will be very difficult to go up again!”

Harold hurriedly asked: “Mom, fluctuations of two or three percentage points should be normal, right?”

“If we want to make more money, we must ensure that the data has been rising steadily.”

“Once the data starts to decline, it is definitely a very dangerous signal.”

“If it falls by two or three percentage points every day, it will not take long before we will be beaten.”

“Back to the original shape, so we have to think of a way to make our data rise again and continue to rise.”

Noah asked: “My wife, do you have any good ideas?”

Horiyah said coldly: “I have spent two days thinking about it,”

“Those wronged people in the live broadcast room may be a little tired of watching you two paralyzed in bed.”

“I plan to change the script a little bit starting tomorrow.”

Noah asked: “Honey, do you want to change the script?” What script?”

Horiyah said calmly: “I checked the Internet, and it seems that pancreatic cancer has the highest mortality rate.”

“I checked some early symptoms of pancreatic cancer online,”

“And the most prominent features are weight loss and skin jaundice.”

“I plan to start tomorrow. Control your diet well. You should try to lose at least 10 pounds in a short period of time.”

“At that time, I will find some foundation for you to draw a sallow and thinner face.”

“At that time, all you have to do is to behave more and more in front of the camera.”

“The weaker you are, the worse you will be in the live broadcast room,”

“And the culprits will definitely find out that something is wrong with you.”

“Since I asked you to check it out, I will stop the broadcast for a day or two,”

“And then forge a medical record of your diagnosis of pancreatic cancer. You can act even worse at that moment.”

Noah trembled in fright, and blurted out: “My wife...you let me pretend to have pancreatic cancer, isn't it a bit unlucky...”

As he said that, Noah submissively continued: “Look, my wife... I'm not superstitious.”

“The key is to go on a diet to lose weight. My body is already recovering.”

“If you don't let me eat enough, when will I recover...”

Horiyah frowned in disgust and asked,

“Do you think it's your turn to express your opinion on this matter? I'm just notifying you!”

## Chapter 5320

After she finished speaking, she looked at Mrs. Willson and said coldly,

“From tomorrow onwards, give him half his usual diet!”

“Ok, ok... Don’t worry, Horiyah, I will definitely do it!”

Mrs. Willson could only nod her head in agreement at this time.

Noah’s face turned pale immediately.

He knew very well that he was still in the recovery period,

And he couldn’t eat on his own. He had to rely on his elderly mother to feed him mouthfuls by spoon.

If the old mother stuck him directly from the source there is nothing he can do about his appetite.

In desperation, he could only sigh, and said: “Okay, Horiyah, I will listen to you!”

Horiyah hummed, turned to look at Harold, and said:

“Now the trend is that the hemp rope is only picky and broken,”

“And bad luck only finds the poor. It is not enough for your father to pretend to have pancreatic cancer.”

“It is better that you also have some more serious disease.”

“I think young people have uremia nowadays.”

“There are quite a lot, you can start tomorrow and find out the feeling of uremia patients step by step.”

“Uremia...” Harold said with a blank face: “But I don’t know how uremia patients feel. ...”

Horiyah said lightly: “Search on the short video website, there must be a lot of related videos,”

“We must imitate well, the more similar the imitation, the better!”

Harold quickly asked: “Then for uremia, I don’t have to control the diet too?”

Horiyah said contemptuously: “You don’t have any common sense at all.”

“The typical symptom of uremia is edema, and the whole body will become swollen.”

“From tomorrow onwards, drink plenty of water every day, but be careful not to stop the son increases the speed of drinking water too fast,”

“It is best to drink it a little bit, and gradually show a posture of edema.”

“You and your father have to make a good time to cooperate.”

“First, he is getting thinner and discovers pancreatic cancer.”

“After the play is over, You start to show obvious edema, and then you are diagnosed with uremia.”

“In this way, the full-short video platform looks worse than ours,”

“And I’m afraid you won’t be able to find another one!”

“At that time, why worry about not making enough money?”

Harold heard this, he knew that he would suffer a lot.

He is now bedridden due to paralysis, and can only use a urine bag every day.

In order to avoid trouble and embarrassment,

He usually drinks less water subconsciously, but his mother makes him gradually increase his water intake.

It is going to be inconvenient and painful every day.

But he didn't dare to disobey his mother, so he could only nod his head and say,

"Okay mom, I understand... Don't worry, I will do what you say!"

Horiyah hummed, and then said to Mrs. Willson: "Old woman, you also have a new script."

The Old Lady hurriedly asked respectfully: "Horiyah, just tell me how you want your mother to act!"

Horiyah said coldly: "When the script about Harold's diagnosis of uremia is finished,"

"You will have to cry in front of the camera every day. After crying for ten or twenty days, you can play the role of a blind woman."

"Play the blind woman..." The corner of Old Mrs. Willson's mouth twitched,

But she still said helplessly: "Okay, Mom will listen to you..."

Horiyah stood up satisfied, and said condescendingly: "You all give me some heart,"

"Wait for this script is finished and the sales go up to a higher level,"

"I'll go to the suburbs to buy a bigger villa and take you all over there."

"By then, your injuries will probably heal, and you'll be able to live broadcast at night,"

“During the day, I can enjoy happiness without being disturbed by other outsiders,”

“So I can save myself the trouble of living with Gina and those vulgar shrews every day.”

When Noah, Harold, and the Old Lady heard this, they immediately became excited.

Noah subconsciously blurted out: “Buy a new house?! That would be great!”

Harold was also very excited: “Mom, we must buy a villa with a huge yard!”

Mrs. Willson couldn't help it either. Excitedly said: “I have long wanted to get rid of Gina's piles of stinky sh!t!”

They have been bored in this room for a long time, and since Gina and the three of them came,

The Willson family has also lost their lives in this villa.

Without the right to speak, the three of them will make things difficult for them everywhere,

So they can only swallow their anger in the room every day.

If they can move to a new villa that belongs to their own family, then life will be very comfortable.

Seeing the excitement of the three of them, Horiyah sneered even more in her heart.

She knew that although she had the absolute right to speak in this family right now, she couldn't really leave the help of these three people.

So it doesn't matter whether she beat them, scolds them or humiliates them,

The important thing is to remember to give them a little bit of sweetness.

Many unscrupulous bosses originally had good opportunities to become bigger and stronger,

But because they didn't know how to give benefits to their subordinates, they ended up deserted and left with nothing.

Horiyah has fully learned the lessons of these people.

She knows that no matter how much she humiliates this family, the sweetness that should be given to this family must be given in place.

Every time they feel humiliated to the extreme, give them a little bit of hope,

Let them be grateful to themselves, only with continuous PUA in this way, they will honestly obey her mercy.

So, Horiyah tossed her newly permed hair, and said disdainfully: "Okay, you guys go to bed early, I'm going to the hotel."

For the past few days, she has been opening a luxury suite in a five-star hotel,

When she is too lazy to meet this family, she will live in the hotel alone and can enjoy the top service in the hotel by the way.

The two who were secretly recording outside the door heard that Horiyah was leaving, and hurried upstairs with their mobile phones.

When Horiyah went out, she didn't notice anything unusual. Seeing Horiyah gone,

Gina, who is strong and sturdy, stopped recording and climbed back to the third floor along the balcony without making a sound...

## Chapter 5321

After Gina returned to the room and met the two sisters, she saw the righteous indignation and jealousy on their faces.

She hurriedly asked: "Have you finished recording all the recordings? Don't let me lose the chain at this time!"

Tabia said angrily: "Sister Gina, this family is too fcuking worthless,"

"You may not be able to hear what they said outside the balcony,"

"Horiyah and that dead old woman called us stinky sh!t!"

"Yes!" Lexi also said very angrily: "The key one Horiyah is not a thing,"

"Let alone scolding the three of us,"

"Even those who paid them money in the live broadcast room were scolded by her."

"How bad do you think this stinky b!tch is?"

Tabia also echoed: "This stinking shameless person, Horiyah is now thinking about other deceptions,"

"She asked her husband and her son to pretend that one has advanced pancreatic cancer,"

"The other pretended to have uremia, and even she also arranged a script for that dead old woman,"

"Let her cry slowly and blind her eyes, this is simply a beast!"

Gina said angrily after hearing this: "Play the sound you recorded for me!"

Tabia immediately handed her her mobile phone, Gina pressed the play button,

And listened to the conversation of Horiyah's family in the room just now from beginning to end.

Since it was Elaine's idea to let them stuff the earphones and microphones into the crack of the door,

The effect of their recording is very clear.

Gina listened to the entire conversation verbatim, and her veins were so swollen that she wished she could rush downstairs,

Kick the door open, and drag the Willson family out one by one. Beat up.

However, she quickly realized that the most important thing now is not to beat up these people, but to quickly send all these materials to Elaine, and let Elaine find a way to get Horiyah's family online. Give exposure.

So, she quickly sent the video she took, as well as the audio recorded by Tabia, to the group.

At this time, Elaine was lying on the bed, tossing and turning, waiting.

She changed to a new short video account and has been watching the live broadcast in Horiyah's room.

Seeing that the live broadcast was over, she began to look forward to Gina,

And the others to reveal the real faces of Horiyah's family behind the scenes, and then quickly send the evidence.

Just when she was burning with anxiety, both video and audio files were sent to the group.

Elaine sat up from the bed with a jerk and immediately turned on the audio to listen to the conversation.

It didn't matter what she heard, Elaine was both angry and happy when she heard it.

What makes her angry is that Horiyah is really capable.

She understands the principles of live broadcasting, selling goods, selling misery,

And setting up people. She can even analyze data. She really has two brushes.

The good news is, with these conversation recordings, how can Horiyah's family not fail?

Thinking of this, she immediately downloaded both the video and audio to her mobile phone,

And then opened the video editing software.

If we go back five or six years, how could an old lady like Elaine learn the technique of video editing?

However, thanks to the rapid development and growth of the short video platform in recent years,

The threshold for short video entry has been reduced to the extreme,

And many entrepreneurs have developed a lot of fool-like operating software for the short video platform,

Allowing the professional technology of video editing to become so simple,

Even the elderly and children can play it with ease.

Elaine used to edit small selfie videos, so she is very familiar with the operation of this software.

She skillfully opened the software, added the video, then canceled the original sound of the video, and pulled in the audio again.

Next, there is only one slightly laborious process left,

Which is to match the audio and video time tracks so that the audio and video can be synchronized.

Fortunately, the video file and the audio file are whole, so Elaine only needs to find one of the clips that are easier to recognize the mouth shape,

And then echo the corresponding audio of this clip, then the entire video and audio will be completely matched.

Soon, Elaine found a very convenient lip-sync clip, and synchronized the audio and video 100% completely.

Then she previewed the entire video, and after confirming that there were no problems, she exported the video.

After the video was exported, Elaine grinned happily while reviewing it again.

She couldn't help sighing: "Oh, Horiyah, Horiyah, I really underestimated you. I didn't expect you to earn hundreds of thousands a day."

"If I do this, I still can't earn such a small goal in a year?"

"Unexpectedly, you stinky b!tch really has two brushes, and this live broadcast can make you a millionaire!"

As she spoke, she giggled, shook her head, and said, "It's a pity, you can't even imagine in your dreams, your trick can fall into my hands?"

"With this video, you still want to be a billionaire? As long as I release this video, I don't think you can eat hot sh!t!"

After all, immediately opened her own short video software.

Later, she changed her nickname to Elaine, a counterfeit fighter!

The personal profile was changed to: "A righteous person who is active in society,"

"Who can't rub the sand in his eyes, vows to expose all liars!"

After the modification, she immediately uploaded the video. The title of the video is:

Internet celebrity Horiyah made up stories and sold them, earning hundreds of thousands a day with live broadcasts!

After the video was sent out, Elaine couldn't help muttering: "Shouldn't the video be sent out, and no one will watch it like the previous live broadcast?"

Although this revelation is very powerful, wouldn't it be over if no one read it?"

Thinking of this, Elaine couldn't help gritting her teeth: "No way! I have to give some promotional money! And I have to vote a little more, another two thousand!"

After making up her mind, she immediately clicked the promotion button and created a promotion plan for this video.

The total amount of the promotion plan was 2,000 yuan, all of which were used to increase the number of clicks.

After the creation, she immediately clicked to pay, and found that the actual payment amount is 1995 yuan, just wondering, she saw a coupon deduction information at the bottom, and then realized that the customer service gave her a five yuan coupon last time.

Elaine couldn't help but scolded the customer service again in her heart before completing the payment.

Immediately afterward, she found that her promotion plan was running very fast, and the advertising fee of 2,000 yuan was consumed by 300 yuan in the blink of an eye!

And the number of views of this video is also growing rapidly.

## Chapter 5322

In less than two minutes, Elaine's 2,000 yuan advertisements had all gone. She was stunned and couldn't help cursing inwardly:

"This is fcking money, right? 2,000 yuan is gone in the blink of an eye. Already?!"

But what she didn't know was that the faster the promotion expenses were spent, the higher her ad exposure would be.

Moreover, the push and volume logic of the short video platform is based on algorithms. If a video has a high click-through rate and a high completion rate, the algorithm will list this video as high-quality content,

And high-quality content is possible to continuously obtain more traffic.

As long as the conversion performance of this video does not decrease, the system will continuously divert it.

Sometimes an Internet celebrity with tens of millions of fans sends out a video, and there are only tens of thousands of likes, but there are often some videos that only have tens of thousands of fans, but the number of likes can exceed one million,

Becoming the most popular video in the world. It is an Internet hit, because the quality of this video itself is extremely high, and the data performance is excellent. The platform even actively pushed this video to tens of millions or even hundreds of millions of other new users.

As for Elaine's video, the click-through rate and completion rate are outrageously high!

Therefore, the number of viewers of this video quickly reached hundreds of thousands, followed by waves of likes, favorites, and comments!

Soon, Elaine was stunned by the countless comments. She found that the number of likes and thousands of comments on her video just now quickly exceeded 10,000!

Although she has been on the short video platform for a long time, almost none of the boring casual photos she posted could get 10 likes.

So when she saw so many likes and comments, she felt that all this was not so real, as if the slot machine in the casino suddenly hit three 7s, and the number in the amount column kept rolling up, It gave her the illusion of being in a dream.

However, all this is true.

The content of this video itself is very explosive, and its nature is extremely bad so all ordinary people will feel righteous indignation when they see it.

It is precisely because of this that the data in this video is outrageous!

Soon, the number of views quickly exceeded one million, and it took less than 5 minutes to go from 1 million to 2 million.

According to the background algorithm of the short video platform, this video is the best-performing one on the entire platform at present, not one of them.

It was a work published by a big internet celebrity with tens of millions of fans, and it was not as popular as this work at all!

As a result, on this night, the traffic of the entire platform was tilting crazily towards this video.

At this moment, countless netizens gritted their teeth and scolded Horiyah in front of the mobile phone.

Among them, there are many people who have watched Horiyah's live broadcast, and there are even many fans of her.

People buy things from Horiyah's live broadcast room because they feel that this woman is really pitiful, and she is indeed very tough, with the traditional virtues of being virtuous and hard-working.

Moreover, these fans usually don't know much about live streaming, and they don't know how much money Horiyah can earn when they spend 100 yuan to buy things in Horiyah's live broadcast room.

They all thought that if they bought something worth 100 yuan, Horiyah would only earn one or two yuan at most.

They thought that she had worked so hard to sell the goods, just to earn some medical expenses for her husband and son, and some living expenses for her mother-in-law. That's all.

But who would have thought that this woman could earn hundreds of thousands from the viewers of these live broadcast rooms just for an ordinary live broadcast on weekdays!

What's even more exasperating is that all of this was directed and acted by this woman herself!

The real Horiyah shown in this video is completely opposite to her appearance in the live broadcast room.

She beat and scolded her husband and son who were paralyzed in bed, without any respect at all.

She was also harsh and rude to her mother-in-law who was over 80 years old.

In her body, where can she see a little bit of traditional virtue, what she can see is almost all despicable and dirty!

What's more, she speaks brazenly, cursing her fans.

This is simply too much!

As a result, many people ran to comment on Horiyah's latest short video, scolding her, and many even began to complain and report to some official accounts.

Soon, netizens exploded.

They didn't expect that there was such a brazen woman in the city they lived in, so they spread this video on various channels, especially in WeChat Moments and WeChat groups.

At this moment, Horiyah had just arrived at the luxury suite of a five-star hotel.

On the way here, she had already called the hotel housekeeper and asked her to prepare bath water for her, as well as imported bath salts and many fresh rose petals.

So, as soon as she arrived at the hotel, she quickly took off her clothes and soaked in the comfortable jacuzzi.

After she took a bath, she made an appointment for an essential oil massage at the hotel. She lay on the bed, closed her eyes, and enjoyed the massage until she fell asleep,

And then fell asleep with a full body of essential oil. For Horiyah, it had become the best way to relieve fatigue.

As a big customer of the hotel, she doesn't care what happens when the quilt and bed sheets get dirty,

Because no matter how messy she makes the room, if she returns tomorrow after leaving, the place will be tidy and spotless.

This is also an important reason why Horiyah especially likes staying in hotels recently.

At this time, Horiyah was lying in the bathtub with her eyes closed, and her mobile phone was placed on the stone platform next to the bathtub.

Because she is already quite an internet celebrity, countless users of the short video platform send her private messages, comments, and likes every day, so she has already turned off the push function of the short video platform.

So even though there were already tens of thousands of people attacking and insulting her in various ways, she was still kept in the dark.

At this moment, Noah and Harold, who were paralyzed in bed, had no chance to surf the Internet because they couldn't hold the mobile phone with both hands,

And the old lady Willson went to bed early because she was really tired from serving the two of them. Wendy was still working overtime at the company for meetings, so no one told Horiyah about the Internet.

And Elaine's video is still fermenting.

At this time, Elaine couldn't close her mouth in excitement seeing the countless views and the number of likes and comments.

But the only regret is that although her video playback volume has reached several million, her fans have not increased much, only a few thousand people.

After another ten minutes, the incident became more fermented. Elaine's video had exceeded 10 million views, and many news software also began to urgently issue news feeds in response to this incident.

All of a sudden, multiple articles were pushed out one after another.

"Internet celebrities sell miserable live broadcasts, earn hundreds of thousands a day"

"Use other people's sympathy to earn hundreds of thousands a day, don't let the public feel cold! "

"Live broadcasts with goods are frequently chaotic, and another internet celebrity overturns!"

Horiyah opened her eyes when she heard the mobile phone's notification popping up continuously, and took the mobile phone over.

She glanced at the screen full of notifications and knew that another Internet celebrity had overturned.

However, she didn't realize that the person who overturned was herself.

Instead, she gloated and said to herself: "I don't know which unlucky guy has been exposed again. If they were as cautious as I am,"

"Within three to five years it is definitely impossible to be exposed, even if it is exposed in three to five years, so what?"

"Anyway, I have made enough money, and when the time comes, I will directly fly to a country where no one knows me with my passport, and enjoy a good life."

As she said that, she couldn't help sneering, and muttered in her heart: "When my live broadcast is stable for another two months,"

"I will seize the time to open an Internet celebrity brokerage company, and cultivate more anchors like me,"

"And use my account to divert to them and let them grow up to make money for me."

"In this way, my ability to absorb money will be much stronger than it is now."

"If I can earn one billion, I will immigrate to Europe or the United States immediately."

"I don't take any of these people with me! One billion yuan is definitely enough for me to live my life in style and debauchery!"

At this point, Horiyah had already begun to fantasize about holding billions of dollars of wealth in her hands.

Living a life of spending money like water and enjoying money abroad.

At this time, she clicked on one of the tweets, wanting to see who was so unlucky to be exposed on the internet on such a large scale.

And the push she clicked on, after opening it, first played the video uploaded by Elaine.

Before she could recognize what the sneak shot was, her own voice came from the loudspeaker: "Dmn, this hood is too fcuking hot!"

## Chapter 5323

Suddenly hearing her own voice in the headlines of an internet celebrity's parking spot,

The impact on Horiyah is no different from that of a netizen,

Downloading a video from an unhealthy website and seeing her own face trembling after opening it.

Her inner defenses were breached almost instantly,

And she slid directly into the bathtub because of excessive nervousness,

Taking a sip of the milk-salt-smelling bath water.

Immediately, she sat up in a panic and looked at the phone again in shock.

This time, her eyes were as wide as a pair of copper bells,

And her heartbeat seemed to suddenly double as fast!

The self in the picture is bossing around and teaching the Willson family a lesson.

Isn't this what happened less than an hour ago?!

Looking at this angle, it was a sneak shot from a small gap in the balcony curtain. Who did it?!

What's more, what she couldn't understand was that the doors and windows,

The villa was all laminated and had hollow system doors and windows.

It is said that in order to ensure sound and heat insulation,

The glass interlayer should be filled with inert gas.

With the doors and windows closed, even if the fireworks are set off outside,

She can barely hear the sound of the explosion.

This video was clearly shot from outside, so why is the sound recorded so clearly?

It's as if people are talking right in front of her eyes.

Horiyah is indeed smarter than Elaine in general,

But in this kind of cleverness, she is not as good as Elaine.

Elaine lives in the same villa type as her,

And she already knew that candid shots from outside can only capture video,

Not sound, so she used Gina and others and gave them a reasonable division of labor,

And one person took a video outside.

And one tried to secretly record the sound inside.

Although the sound insulation of the doors and windows of the villa has been achieved to the extreme,

It is only for the outside,

And the interior doors are not particularly strengthened, so Elaine caught the loophole.

At this time, Horiyah knew very well that since these videos were exposed,

Her road to getting rich with live broadcasts and goods had come to an end!

Thinking that after this video was exposed,

It would affect her potential income of hundreds of millions or even billions!

Taking people's money is like killing their parents.

This old saying is an eternal truth at any time.

At this moment, Horiyah's heart was full of hatred,

Wishing to find the person who exposed her right away, and then tear her into pieces!

Immediately afterward, she swiped down on her phone,

Skipped the video, and started reading the text of the report.

In the content of the text, the script of her live broadcast was fully revealed,

As well as her approximate data and income since the live broadcast.

And when she saw one of the lines, she was even angrier and jumped out of the bathtub!

This line reads: "According to a short video platform user named 'Elaine, a counterfeit fighter'..."

## Chapter 5324

Horiyah was mad with hatred at this time, and immediately cursed:

“Elaine! You cut my fortune, I’ll fcking kill you!”

After she finished speaking, she rushed out of the bathroom like a madman,

Didn’t care to dry off the water droplets on her body,

Put on her clothes and ran out of the room like crazy,

And then drove the car desperately all the way to Tomson!

Along the way, she ran through countless red lights!

At this time, she didn’t have any traffic rules in her mind.

She only wanted one thing in her mind,

And that was to find Elaine and beat the sh!t out of her until she was alive.

And just as Horiyah was rushing towards Tomson, Claire also saw the push like a tide.

When she understood what was going on, she immediately handed the phone to Charlie,

And said to him: “Husband...Look quickly! It seems that mom exposed aunt...”

Charlie took a look at the video with his mobile phone, and said in amazement:

“This video looks like it was shot on the terrace outside Horiyah’s second floor.”

“Mom’s legs and feet are not good. How can there be the ability to climb up and down the window?”

Claire found Elaine’s short video account, pointed to the account name,

And said to him: “Look at this exposed account, it’s called Elaine, a counterfeit fighter, isn’t this her...”

Charlie was stunned and then smiled: “It seems that Mom has found an ally...”

“This video must have been recorded in collaboration...”

“Maybe it’s just a person shooting the video outside and a person secretly recording it inside,”

“Otherwise the sound is impossible to be so clear.”

As he spoke, he suddenly remembered something, and said, “Could it be the three people who live with Horiyah?”

Claire suddenly said in a panic: “Mom gave aunt such an exposure, aunt must hate her to death...”

“We said she did something wrong, why would you have to make enemies everywhere...” “

This...” Charlie laughed twice, and said: “Mom It’s not like you don’t know Horiyah’s character,”

“Horiyah is so terrified in front of her, she’s probably going to die of anger,”

“Maybe she’s been looking for opportunities to take revenge all this time.”  
“Hey...”

Claire sighed, and said helplessly: “Auntie really has no bottom line in doing this, but to be honest,”

“I don’t want mom to offend people everywhere...”

Charlie comforted: “Honey, it’s useless to say these things now,”

“After all, the video has already been posted by mom, if she goes out in such a situation it is going to be troublesome. But Horiyah won’t dare to come here and cause trouble.”

Charlie just finished speaking, a roaring engine sound, and a harsh brake sound, instantly broke the darkness of the neighborhood calm.

Horiyah stopped the Mercedes-Benz Big G in front of Charlie’s house, and then jumped out of the car, beating the door hysterically with both hands to make a loud bang,

And at the same time scolding: “Elaine! You b!tch, get out of here and see if I don’t kill you!”

Elaine opened a gap along the curtains, and couldn’t help laughing when she saw Horiyah slapping on the door frantically like a mental patient.

At this time, Elaine was not afraid at all. She turned on the video recording function on her mobile phone and pushed the door to the terrace coming out on crutches.

Coming to the terrace, Elaine looked down at Horiyah, and asked with a smile,

“Oh, Horiyah, what’s wrong with you? Instead of enjoying yourself in your hotel at night, you ran to my door and yelled.” What are you doing?”

Seeing Elaine’s embarrassed look, Horiyah was so angry that she almost vomited blood, and shouted hysterically,

“Elaine, are you still a fcuking human? You fcuking secretly took videos of me, and you fcuking exposed it on the internet!”

Elaine curled her lips and said disdainfully: “Oh, look at what you said, I am now a fighter against counterfeiting!”

“Any personal grievances, if you live broadcast with goods to fool the public,”

“I, as a fighter against counterfeiting, of course, have the unshirkable responsibility to expose you!”

Horiyah was so angry that she jumped to her feet and scolded: “Go to hell with your fight against counterfeiting!”

“What are you, others may don’t know, how can I not know?! You are the most disrespectful person in the whole world!”

“You are jealous and uncomfortable when you see me making money! So you try every means to bring me down! See if I don’t kill you, you b!tch!”

Elaine lay on the railing, secretly filming a video, and said solemnly:

“Horiyah, I have lived a life of integrity. I can’t rub the sand in my eyes!”

“Even if you put a knife on my neck, I will still be obliged to expose you without hesitation!”

## Chapter 5325

Seeing that Elaine had cheated herself to her demise,

But still kept flaunting herself, Horiyah was even trembling with anger!

Pointing at Elaine, she raised her head and cursed: “Dmn, if you don’t come down,”

“I will rush up and throw you off the balcony!”

“If I don’t kill you, I will swear not breath!”

Elaine gave a look of disdain: “Oh, you scare me to death, Horiyah, you are a black-hearted anchor who made some money,”

“And you are lawless now, aren’t you? Do you know that for trespassing on private houses you are going to jail?!”

“Come in and try if you have the ability, and I will call the police right now!”

When Horiyah heard this, her arrogance suddenly weakened a little unconsciously.

She is smarter than Elaine, knowing this situation,

She can’t do anything out of the ordinary except for using her temper to scold.

Not to mention that trespassing on a private house is a crime,

Charlie alone she can’t afford to offend.

She knows Charlie is a man with great hands and eyes.

Many rich and powerful people follow behind him, calling him Master Wade.

If she really rushes in and angers Charlie, it will be even worse. There is going to be no good fruit to eat!

However, at this time, she was full of anger and had nowhere to vent,

And her whole body was completely broken. She simply took off her shoes,

Slammed on the door frantically, and cursed angrily:

“Elaine! If you cut off my money, I will kill you sooner or later.”

“I’ll be a ghost and I won’t let you go! Come down for me!!!”

For a moment, the whole community was in a panic.

However, this is a high-end community after all, and no one yells here usually.

When they heard the quarrels and noises below,

Many people stuck their heads out to watch the excitement, and then they stopped asking.

Even Jemima, who lived on a high floor and was admiring the river view,

Was attracted by the commotion in the community.

Seeing someone swearing in the community, she went to the south window and frowned,

And vaguely saw a crazy woman in the villa area.

She yelled and cursed outside a door, so she simply closed all the windows on the south side.

At this time, Horiyah was desperate. Seeing the solid gate of Charlie’s house, she kept cursing hysterically.

Elaine was lying on the railing, although Horiyah's unbearable curses were all in her ears,

But she still laughed happily when she saw Horiyah's panic-stricken appearance.

So she was not angry, but stopped the video recording first,

Took out a handful of melon seeds from her trouser's pocket,

And threw the seeds from the terrace while nibbling, and at the same time looked at Horiyah with a playful face.

Shook her head and said, "Horiyah, to be honest, I just like to see you want to kill me but can't touch me,"

"Just like a vicious dog which barks but can't eat bones!"

Horiyah was so angry that she almost vomited blood, stomped her feet, and scolded:

"Elaine! I'm going to tear your fcuking mouth apart!"

Elaine said contemptuously: "Ouch! Horiyah, don't you usually speak politely?"

"Why is your quality so low now? This is not the way you usually talk to your family members in the live broadcast room!"

Saying that she imitated her tone from the live broadcast and she cried and said:

"My family! Come and help me! My husband and son are paralyzed!"

"The mother-in-law is starving to death without food!"

"I was pregnant with the supervisor's son in the black coal mine and I am about to give birth to the child,"

“And there is no money and no way to buy milk powder!”

“I also have a sexually transmitted disease and have no money to treat it,”

“And itches and scratches all over the place all day long,”

“And have no money to see a doctor!” Horiyah did not expect Elaine to expose her shortcomings,

## Chapter 5326

The more Horiyah listened, the angrier she became,

And finally, she was so angry that she threw the high-end leather shoes in her hand at Elaine.

Elaine reacted quickly, tilted her head to avoid it,

Turned to Horiyah with a smile and said, "Hey, you're a b!tch!"

Horiyah gritted her teeth, took off the other shoe, and smacked it.

Elaine tilted her head again to dodge perfectly, then looked at Horiyah,

And said with a smile, "You can't hit me?"

Horiyah was too angry, her breathing became short and her brain became dizzy.

Then she took a few steps back uncontrollably and sat down on the ground.

Then she looked at Elaine who was so mean that she threw melon seeds at her and cried:

"Elaine, you are too deceitful! Wooooooo... I finally turned over and it was only a few days,"

"Why did you do that to me? Woohoo! Huh... I've been bullied by the old woman for half my life,"

"And now I was finally able to stand up and call the shots,"

"And you killed me again, you're with her, aren't you?"

Elaine ate melon seeds, she said with a smile:

“Horiyah, your mistake is that you shouldn’t be so embarrassed in front of me, what’s wrong?”

“You are not the one who earns some money, and you come to me every day to show your presence,”

“Don’t forget, the money you make is dirty money, even if I didn’t expose you, someone would expose you sooner or later.”

Then, Elaine narrowed her eyes and smiled again: “Oh, You know the law too well, so I don’t know if this is a fraud?”

“If it is a fraud, the amount of money involved in your case is huge,”

“Maybe the police will come to arrest you!”

Horiyah was terrified when she heard this!

Driving all the way here, all she could think about was that her money was cut off,

And she hated Elaine in her heart, but she forgot that after she was exposed,

It seemed that it was not just that her money is cut off!

Making up stories to deceive the public, concealing income, and failing to declare taxes are all big crimes!

Just when Horiyah was at a loss, many law enforcement vehicles drove into the community one after another,

Including the police, taxation department, and industry and commerce department.

The blue and red lights on various law enforcement vehicles were constantly flashing,

Which was so dazzling that it frightened Horiyah and she trembled all over.

Among them, two police cars parked in front of Horiyah's Mercedes-Benz,

And several police officers got out of the car and walked toward her.

One of them looked at her and asked in a cold voice, "Are you, Horiyah Qian?"

Horiyah looked at the policeman in front of her, and asked with a pale face, "I'm...you...what's the matter?"

The police officer said with a blank expression: "According to the information exposed on the Internet,"

"We suspect that you are involved in fraud, and may also be involved in tax evasion."

"Please come with us and cooperate with the investigation!"

Upon hearing that she wanted to cooperate with the investigation,

Horiyah knew that he might really be doomed this time, and said in great horror:

"Officer...I...I didn't cheat...Did I make a mistake?!"

The policeman said lightly: "Did I make a mistake?"

"After the investigation is clear, we will naturally know, so hurry up and come with us!"

Then, the policeman pointed to the villa in front of him and asked,

"Is this your home? Your husband, your son, Does your mother-in-law live here?"

"They also have to cooperate with us in the investigation!"

Horiyah was so frightened that she couldn't speak,

Elaine pointed at the villa next door excitedly on the balcony and said:

“Officer, this is my house, not hers, hers is next door!”

“Her husband, her son, and her mother-in-law you are looking for all live there!”

## Chapter 5327

Hearing Elaine's reminder, the police officer nodded to her, and asked, "Who are you? Do you know Horiyah?"

Elaine said with a smile: "Yes! I exposed her on the Internet!"

After hearing this, the police officer asked in surprise,

"Are you that fighter Elaine the Counterfeit Fighter?"

He gave a thumbs up and praised: "Thank you, Elaine!"

"If you hadn't exposed it, this Horiyah would have deceived more people,"

"And our Aurous Hill city would lose all face because of her! I thank you on behalf of the people of Aurous Hill!"

Elaine was flattered and said, "Oh, you're flattering me, this is what I should do!"

The policeman then ordered the people around him: "You take Horiyah into the car first,"

"Then go to the villa next door and bring back those people who appeared in the video to cooperate with the investigation!"

"Okay!" Several police officers immediately responded, and then they helped Horiyah up and brought her into the police car.

Horiyah was already terrified, trembling uncontrollably, and asked: "Officer...how will I be punished for this? You won't send me to prison..."

The policeman said coldly said: "Whether you will be sent to prison depends on whether you have violated the criminal law. If so, we will not tolerate it. We will definitely hand you over to the procuratorate for prosecution!"

Horiyah burst into tears in fright. Although she had never been in prison, she had heard about the situation there, so she was naturally terrified.

At this time, Elaine saw her crying and being stuffed into the police car, and felt even more proud. Looking at Horiyah, she shouted loudly: "You must make a good change when you go in, don't let the live broadcast room down. Ten thousand injustices look forward to you!"

Horiyah was extremely annoyed, poked her head out of the police car, and cursed: "Elaine, wait for me! I'll kill you sooner or later!"

When the policeman heard this, he immediately reprimanded: "Horiyah! Be careful what you say! Threatening the personal safety of others, even if you don't take actual actions, you can still be charged with the crime of picking quarrels and provoking trouble!"

Horiyah froze in fright, so she could only look at Elaine bitterly, then lowered her head obediently.

Soon, several police officers came to the villa next door.

At this time, Mrs. Willson was already asleep. Noah and Harold could vaguely hear noises outside, but because they were paralyzed in bed, they couldn't go out to check, so they could only lie on the bed and discuss.

Noah said to Harold: "Harold, why do I feel that the noisy sounds outside are like your mother?"

Harold said awkwardly: "Dad, grandma didn't open a window for us when she left. It's so good, I really couldn't hear it clearly, but just now I vaguely heard someone laughing, it sounds like that stinky b!tch Elaine!"

"Elaine?" Noah said in surprise: "Could it be that your mother and she are fighting?"

"Impossible." Harold muttered: "Didn't Mom leave long ago? She must have gone to the hotel, it's impossible to still be arguing with Elaine at this time."

Noah nodded in agreement: “Also... your mother has been away for a long time, maybe she is lying in the hotel and enjoying!”

After speaking, Noah said with a depressed face: “I get angry when I think of your mother, it is not her who makes a little money and feels embarrassed. She is domineering at home every day, treating us like dogs...”

Harold was also extremely helpless and sighed: “Oh dad...you know the current situation of our family, mom can earn. It’s a blessing to turn over the live broadcast with goods. As for her current temper, to be honest. The main reason is that we hurt her too much a while ago, especially you and grandma, so I didn’t treat her like a mother too!”

Noah said angrily: “You can’t blame me! It’s not like you don’t know what your mother did! Not to mention being pregnant with someone else’s child, she even infected me with a whole body of diseases! Which man would be able to bear it?”

After finishing speaking, Noah resentfully said: “That’s fine, the key thing was that the incident broke out in the hospital at that time, and everyone knew about it, so I had no place to put my face!”

“Oh, that’s right. And Elaine, that b!tch who hung dozens of green hats on her balcony, this fcuking purposely disgusted me, you say that I am completely ashamed, how can I give your mother good looks?”

Harold sighed, and took a deep breath: “Hey... Dad, let me be fair. If you want to talk about this matter, I don’t think you can blame Mom entirely.”

“If you two didn’t work together to cheat Elaine, Charlie wouldn’t have been able to send Mom to the underworld Coal mine, both of you should have been sent to the black coal mine for this matter,”

“But you hid behind and let mom face Charlie alone. Didn’t mom suffer for you? After all, mom paid so much for you, you still despise her, can she not be angry with you?”

As he said, Harold continued depressedly: "I didn't want to understand this truth earlier, if I had figured it out earlier, I would never be like you and treat mom coldly."

Noah scolded angrily: "Harold, I know, you just see your mother's prosperity now, and you want to catch up with her."

Harold hurriedly said: "I am not!"

"Come on!" Noah snorted coldly: "I don't know you yet. You have always been like that! Don't talk about your mother, even if Elaine has money for you, you can also call her mother!"

Harold said angrily: "Dad, what you said is insulting! I said it objectively, and these things are not to be blamed on Mom. Reflect on the problem yourself!"

"Fck you!" Noah said angrily: "You are a fcuking white-eyed wolf!"

Harold quickly said: "Dad, this is completely a matter of mentality. Look at the problem from a different point of view, and you must have the same idea as mine."

"Same as your uncle!" Noah said contemptuously: "I know exactly what kind of ba5tard you are!"

"Oh, dad..."

"Don't call me dad, go away!"

Harold was also a little angry and sullen as he said: "You are really stubborn! It doesn't matter if you yell at me now,"

"But if you don't correct your mentality in the future, you will definitely not spend the money your mother earns in the future!"

Harold said again: "Don't forget, mom also said today that your script is to get pancreatic cancer. Pancreatic cancer is so fast, people will be gone in a month or so, that is to say, from now on, it will take a month or two at most.

You won't be needed in Mom's live broadcast room, and if you still don't satisfy Mom by then, then you will suffer a lot!"

Hearing these words, Noah became a little flustered.

Horiyah swears at him and even fights him, he is naturally very upset, but when he thinks that Horiyah is making money like water, he can't help thinking about what Harold said just now,

If Horiyah really doesn't want to let him spend her money, wouldn't the humiliation be in vain? Moreover, Horiyah will no longer need him very soon, if she kicks him out by then, it will be even worse!

Thinking of this, he also made up his mind, thinking to himself: "It seems that I still have to get along well with Horiyah in the future. As for the little bit of dignity of a man, it's already time, so let's do nothing..."

In his heart as soon as the words fell, there was a knock on the door, and someone outside asked, "Is it Noah Willson, Harold Willson's family?"

## Chapter 5328

Hearing someone knock on the door, Noah subconsciously asked: “Who is it?”

As soon as the words fell, the door was pushed open, and several police officers came in, one of them looked at Noah and Harold, and asked: “You guys are Horiyah Qian’s family?”

Noah subconsciously said: “I am... I am her husband.”

Harold also said: “I am her son...”

The police officer nodded and said: “Okay, get up come with us, and cooperate with us in our investigation.”

“Cooperate with the video investigation?” Noah asked subconsciously: “Officer, is it Horiyah? Are you sure?”

“Video?” Harold blurted out and asked: “What video? We don’t know what the situation of the video is...”

The policeman asked with disbelief: “Your video was exposed on the Internet. Haven’t you watched it yet?”

“Expose us?” Noah asked nervously: “What’s going on? I can’t even understand what you’re talking about.”

The police officer said lightly: “It’s okay if we don’t know, we’re here we will let you know there, get up and follow us.”

Noah hurriedly said: “Officer, my son and I are both paralyzed, and we haven’t recovered yet, so we can’t get up at all.”

The policeman frowned and asked: “Acting is addictive, right? Don’t think that I don’t know that you are all fake. Don’t you just act on purpose for those netizens on the Internet to see you,”

“So that they can place orders and buy things in your live broadcast room? In front of the police, you all dare to act in front of us, you are not like that.”

Noah hurriedly said: “Officer, this is a big misunderstanding. Our father and I had an accident some time ago and have been paralyzed in bed for a long time. If you don’t believe me, you can go to the hospital to check our files.”

The police officer frowned, recalling that the two of them had been lying on the bed since they entered the door, almost motionless, and believed Noah’s words a little bit.

So, he said, “If you really have mobility problems, then I’ll ask two people to help you into the car. First, go to the police station to cooperate with us in an investigation. After the investigation is over, we will send you two back.”

Noah asked nervously: “Officer, what is going on? You just said that someone exposed what we exposed? Did you expose my wife’s live streaming?” “Yes.” The police officer nodded, took out his mobile phone,

Opened the video, handed it to Noah, and said lightly: “Look for yourself, after all, you said it yourself, and there is no other person falsely accusing you or pouring dirty water on you.”

Noah stared at the video, watching it play automatically, and Horiyah’s first sentence in the video almost scared his soul away!

Although Harold, who was lying on the next bed, couldn’t see the picture, he knew what was going on from the sound, and he was so scared that he got goosebumps all over his body.

The police officer took back the phone before the video was finished, and asked in a cold voice: “Now, do you know why you were asked to go back to cooperate with the investigation?”

Noah’s forehead was already covered with cold sweat, and he stammered, “But... But my wife can’t be considered a liar when she was broadcasting the live broadcast, because we are indeed paralyzed, and we really don’t have much money for medical treatment...”

The policeman asked him: “Your wife already drives a Mercedes-Benz big G, you tell me you don’t have money for medical treatment, do you think I’ll believe it?”

Noah quickly explained: “Officer, you misunderstood, I’m not talking about now... I’m talking about when she just started live streaming... At that time we were really poor and can’t get rid of the pot,”

“So she thought of earning some rewards through live broadcasting. Unexpectedly, more and more people followed her, so she started live streaming to sell goods, and the money she earned was from live broadcasting.”

The police officer asked in a cold voice: “Since you have earned so much money, why are you still selling misery? Your wife’s Mercedes-Benz G should be enough for the living expenses and medical expenses of both of you, right?”

“Kind netizens helped you to solve the problem, after your problem was solved, why didn’t you hurry up and let it go, why did you continue to consume the sympathy of netizens for your family? You already have money that you can’t spend, but you still talk about how miserable your family is in front of the camera, do you think this is right?”

Noah was speechless for a moment. He knew that this matter was outrageous, and his family didn’t care about it. It was like a water drop chip. It was clear that 3,000 yuan was enough to cure the disease,

But he insisted on raising 3,000 yuan on the water drop chip, there must be something wrong with it. The police came to the door, which was also a situation he had imagined earlier.

In desperation, he and his son could only be carried out of the room with the assistance of several police officers.

The one who was taken out of the house with them was the old lady Willson who had just fallen asleep but was awakened by knocking on the door.

At this moment, the old lady didn't know what happened. Seeing that the police officers carried her son and grandson out, she hurriedly asked, "Noah, Harold, what's the matter with you two? What are the police arresting you for?"

The police officer quickly explained: "Grandma, please don't get me wrong. We are not going to arrest the three of you, but because the three of you are suspected of fraud, so we want the three of you to go to the police station to cooperate with us in our investigation."

Suddenly startled, she quickly waved her hands and said: "Officer, my daughter-in-law did all the deceitful things, I have never done it, you must not take my old bone into prison."

Old lady Willson, who has been in prison, has no nostalgia for that place but is full of fear.

She knew that what her daughter-in-law had done was disgraceful, and she might even be suspected of committing a crime, so she wanted to get rid of the relationship immediately, so as not to implicate herself.

However, the police officer said patiently: "Grandma, don't panic too much. We just ask you to assist in the investigation."

"If there is no problem, we will send you back." The old lady Willson had no choice but to follow the police car.

Soon, several police cars left Tomsons' and headed for the city bureau.

After arriving at the Municipal Bureau, the four members of Horiyah's family were interrogated in isolation.

Due to their poor psychological endurance, the four of them confessed the whole story within a short period of time.

What the police officers didn't expect was that Noah and Harold were actually paralyzed.

Originally, they thought that the paralysis of the two people should be fake, but now through the hospital's case and the visual judgment of the two of them, they can confirm that the two are indeed paralyzed.

This time, it made the police a little tricky.

If the cases of these two people were forged, then the family must have been convicted of fraud, but the cases of these two people are true, which proves that Horiyah did not forge documents to deceive the public.

Therefore, the crime of fraud is really not enough.

However, there is a precedent for this kind of live broadcast of selling miserable stories, and administrative punishment is generally imposed, depending on the severity of the circumstances, and administrative detention for seven to fifteen days.

So the police quickly made a decision to detain Horiyah for 10 days, and at the same time permanently ban her account on the short video platform.

Although Noah, Harold, and Mrs. Willson are accomplices, it seems that the father and son are indeed paralyzed in bed. Mrs. Willson is also old and has to take care of a pair of two people, so she will be lenient to the three to avoid punishment.

Ten days of administrative detention is already a blessing in misfortune for Horiyah.

She thought to herself: "It doesn't matter if you are detained for ten days, as long as they don't confiscate my money..."

But she just thought so, taxation the person approached her immediately and said,

"Horiyah, after our verification, your bank card account exceeded 10 million during this period, but you haven't paid a penny in tax. What's going on?"

"

## Chapter 5329

Users like Horiyah can directly apply for cash withdrawals from the platform for their income from live streaming,

But the money is pre-tax, and the anchor needs to declare taxes by themselves.

But Horiyah has never filed a tax return because she is reluctant to lose a large amount of income.

Now, the taxation department also came to her door, and she panicked all of a sudden,

So she could only lie quickly and said: "Officer, you have also seen the situation in my family."

"There are indeed two paralyzed patients who need to be taken care of."

"There is an old woman who needs to be taken care of,"

"And I was really busy, so I didn't take care of it for a while..."

As she spoke, she had a flash of inspiration, and quickly made up for herself:

"You see, it didn't take long for me to live broadcast the goods."

"The time, in total, is only a month or so. In fact,"

"I planned to file tax returns as soon as I finish my busy days..."

The staff of the tax department knew that she must be lying,

But just as she said, it has only been more than a month since the live broadcast begin.

If she said that she forgot, or was too busy to pay taxes for a while,

The tax department would have no way to prove that she was deliberately evading taxes.

So, the tax officer gave her a step up: “We have indeed understood your situation,”

“And there are indeed some objective factors, so we will not investigate whether there is tax evasion.”

“You only need to declare a tax return as soon as possible according to your actual income. That’s it.”

Horiyah asked subconsciously: “What’s the tax rate for our individual tax?”

The tax officer explained: “Your live delivery of goods belongs to labor service remuneration,”

“And labor service remuneration belongs to citizens’ comprehensive income.”

“After paying, the tax rate is applicable from 3% to 45%.”

“Since your amount has already reached the highest level, 45% is applicable.”

“Ah?” Horiyah immediately cried: “45%... This... this is too much...”

The tax officer said seriously: “Paying personal income tax according to the law is the obligation of every citizen,”

“And our personal tax is not high in the world.”

“The highest personal income tax in Japan is above 50%, and in the United States it is also 45%!”

Horiyah wanted to die, but she was able to get a clear picture of the situation at a critical moment.

She thought to herself: "Since my income has been exposed, paying taxes must be necessary."

"Those celebrities who evade taxes basically have no good end, and I am surely going to be the same..." "

"Besides, I am not so having bad luck. After all, I had a short time to make money,"

"So I can use it as an excuse that I forgot to pay taxes or have no time to pay taxes."

"Make up a reason for myself, otherwise, when the time comes,"

"I will pay taxes and fines, and the amount will only be even greater!"

At this point, Horiyah could only nod honestly and said:

"I am willing to pay taxes! I am willing to pay taxes!"

"Wait for me to get out, and I'll pay the taxes immediately!"

At this time, she thought to herself, even if she cut off her income and paid the income tax,

She still has at least several million cash in hand.

The fantasy of hundreds of millions and billions is much less, but a few million is enough for her to live by herself.

Seeing that her attitude was not bad, the tax officer gave her some advice and left.

At this time, Horiyah, as if she had just escaped a catastrophe,

Slumped on the interrogation chair and let out a sigh of relief.

Seeing this, the police officer said in a cold voice:

“Let me tell you something from the bottom of my heart.”

“You should thank Elaine who exposed you. Today,”

“By exposing you and letting you rein in the precipice, you will not make a big mistake!”

## Chapter 5330

After hearing this, Horiyah was naturally dissatisfied,

And she couldn't help but think to herself:

“Elaine, that stinky b!tch, she cut off my money, and still wants me to thank her?”

“I will be sorry if I don't find a chance to kill her myself!”

Seeing her depressed face, the policeman said,

“Do you think I'm joking with you? To tell you the truth, we've already seen the video she exposed you on,”

“And you said you were going to let your Husband pretend to have pancreatic cancer,”

“Your son pretended to have uremia, and your mother-in-law pretended to be blind from crying.”

“The reason why you can only be detained for ten days is that your husband and son are indeed paralyzed.”

“The law defines it as a crime of fraud for you,”

“If you really do what you just said, it will be a proper crime of fraud!”

“At that time, maybe the court will sentence you to ten years!”

“Ah?!” Horiyah said in horror, “Will I be sentenced for as long as ten years?”

The police officer said calmly, “Once it is determined as a crime of fraud,”

“The amount of money involved in your case is already huge.”

“The starting sentence is ten years, and all illegal gains will be confiscated.”

“If your money increases again during this period,”

“You will definitely be sentenced to more than ten years or even longer.”

Horiyah was stunned, she didn't expect, However, selling miserably in the live broadcast,

There will be such serious consequences, and it will even touch criminal law.

However, even though Elaine indirectly helped Horiyah rein in the precipice,

Horiyah could not forgive her at all.

She still secretly vowed in her heart that after she got out,

She must find a way to take revenge on Elaine.

At the same time.

Horiyah's video is still fermenting on the Internet.

More and more people who bought things in Horiyah's live broadcast room.

All were filled with righteous indignation when they saw the video exposing Horiyah.

They originally placed an order to buy goods in her live broadcast room out of sympathy,

And the poor quality of the goods had long made them very dissatisfied,

But out of sympathy for her and her family, they had never asked for a return.

But now, when they saw Horiyah's video, saw her ugly face,

And even see her treating her family as a wrong person, they are also very dissatisfied.

As a result, many people began to find Customer Service,

Hoping to return the things they bought from Horiyah's live broadcast room,

And also hoped that the platform would impose heavy fines on Horiyah.

The operation team of the short video platform held an emergency meeting at headquarters.

During the meeting, the executives agreed that the platform must give consumers a satisfactory answer as soon as possible,

Not only to effectively appease their anger but also to severely punish,

Horiyah's behavior so that other anchors can learn from it and never make the same mistake again.

Therefore, the group's chief lawyer made a suggestion.

He felt that the platform should pay these consumers in advance,

And return all the orders purchased in Horiyah's live broadcast room in full.

The total turnover of Horiyah's live broadcast room is about 60 million yuan,

Which is just a drop in the bucket for the platform.

In addition, the platform has to recover from Horiyah,

And those merchants who asked Horiyah to sell the goods after the first payment,

And ask them to bear this part of the cost.

If they refuse to bear it, they will be punished.

If they sue, once they win the case, they must make compensation.

If they still refuse, the platform can also apply to the court for enforcement.

In this way, Horiyah must pay out all the income from her live streaming.

If she refuses to pay, she will be punished by law.

This will also greatly deter other live-streaming anchors!

Horiyah, who had just been sent to the detention center,

Was still grateful that she could keep at least half of her income after going out to pay taxes.

But what she didn't know was that every penny she earned would have to be refunded!

## Chapter 5331

As the popularity of the video continues to increase,

And Horiyah was formally detained, the City Police also released the results of the incident to the public.

At first, when netizens heard that Horiyah was only sentenced to ten days of administrative detention, they were dissatisfied with the punishment.

However, the police also showed the public the diagnosis certificates of Horiyah's husband and son. The father and son were indeed paralyzed in bed for several months, and because of lack of money, they did not receive active and effective treatment.

However, when netizens first saw this article, many people were skeptical, because, in Elaine's follow-up exposure materials, it was said that this family actually lived in the famous Tomson Villa, and the unit price exceeded 100 million yuan, so everyone was questioning since Horiyah can live in Tomson, even if her husband and son are really paralyzed, how could she not treat them.

The police also immediately disclosed to the public the property rights of the villa where Horiyah's family lived, proving that the villa was not owned by her or her family, but owned by a business tycoon Regnar Wu.

Regnar was originally a well-known entrepreneur in the country, and some time ago his son was even more famous all over the country, so people learned that this villa is Regnar's property, after Regnar lent this villa to the family, It is no longer in vain to question.

People who learned the truth of the incident also accepted the decision of the City Police to detain Horiyah for ten days, and the City Police also joined forces with the video platform to permanently ban Horiyah's short video account, so that she will never be able to live broadcast, this processing method also made everyone applaud.

For a while, netizens all over the country praised the efficiency of the City Police. After all, it has only been two or three hours since the video was released, and the City Police have completed the processing in such a short period of time, which is indeed very fast.

And the official short video platform is not idle.

They also quickly released the punishment decision of the platform side.

Including the full refund of consumers' purchases, and at the same time formally launched the prosecution of Horiyah, demanding that she return all live broadcast income.

However, since Horiyah has squandered a lot of money earned, it is definitely impossible for her to make up for this hole. At that time, Horiyah will probably be listed by the court as a defendant because she cannot fully refund her income.

The executor of dishonesty, by that time, Horiyah will either find a way to make money to fill these holes, or she will have to live a hard life as a scammer.

Seeing these reports, Claire sighed helplessly and said to Charlie: "Mom offended aunt to death again this time... They are all relatives, and they live so close. Next time we meet how can I look up? How embarrassing it will be in the future..."

Charlie smiled, and said: "This is not something we need to consider, besides, with mom's personality, if she is not exposed, mom will probably be angry."

Claire nodded lightly. She knew her mother's character. If her aunt's live streaming was better and better, her mother's mentality would definitely become more and more unbalanced.

At this time, Elaine, after seeing these punishment decisions on her mobile phone, was ecstatic in her heart and danced excitedly.

She hugged her phone excitedly and yelled: “Hahaha, Horiyah, you see the day! Didn’t you drive a big G? Didn’t you buy Cullinan? Didn’t you buy a villa? I see how you pay back these after you came out!”

And in the WeChat group jointly formed with Gina and others voiced in the group: “Oh Elaine, you are too good! You brought Horiyah down in one fell swoop!”

There was this message from the next person: “Yes, Elaine! Your move is really good!”

The third one joined in as she laughed and said: “I have been seeing them unhappy since I lived with their family, and today I finally came out. You still have a way, Elaine!”

Elaine snorted triumphantly: “Of course! I’m not bragging, it’s like playing with Horiyah!”

Gina sighed: “I don’t know where I can buy firecrackers. If I can, I have to set them off to celebrate!”

Upon hearing this, Elaine’s eyes lit up, and then she came out of the room on crutches, moved to the door of Jacob’s room, knocked on the door, and shouted: “Jacob, open the door quickly!”

The somewhat decadent Jacob said impatiently inside: “What are you shooting for? I want to sleep!”

Elaine said impatiently: “If I tell you to open the door, you will open it, why so much nonsense! Hurry up open it for me now!”

After saying that, she began to slap vigorously again.

Jacob had no choice but to open the door, glanced at her, and said annoyed, “Tell me if you have anything to do.”

Elaine looked at Jacob, saw that he was only wearing a pair of briefs, frowned, and said, “Hurry up and put your pants on.” Put it on, and drive me out to buy two sets of firecrackers, I want to set off firecrackers to celebrate!”

“firecrackers?” Jacob muttered dissatisfiedly: “It’s just that the New Year is not around the corner, what kind of firecrackers are you setting off!”

Jacob waved his hands impatiently: “You can pull the ball down! The city is not allowed to shoot crackers during the Chinese New Year, you want to let it go now? Are you kidding me?”

Elaine said angrily: “I just want to do it now! Don’t talk so much nonsense, hurry up and drive me out to look for it, and see where I can buy it!”

Jacob snorted: “You can do that if you want, don’t blame me for not reminding you if you are detained at that time.”

When Elaine heard about the detention, she was startled and panicked.

It stands to reason that she, a ghost of Bedford Mountain Institute, has been detained in both China and the United States. She is already a veteran, and there is nothing to be afraid of.

But the key point is that Horiyah has just been detained, and now she hates Elaine to the bone,

So in Elaine’s view, if she really goes in and is locked up in the same detention center with her, then she will rip her alive?

So Elaine warned her in her heart: “I’d better be more honest during this time...”

Thinking of this, she had already decided to give up.

Seeing her gloomy expression, Jacob sighed deliberately, and said, “Oh, since you want to let go so much, I’ll take you to look for it.”

After that, he grabbed his trousers and picked up the car keys.

Putting on his pants, he said, “Let’s go, let’s go now.”

Elaine's mouth twitched twice, and she waved her hand and said, "Oh, forget it, let's not go."

Jacob asked with a funny face: "Don't forget! You said it yourself, it's such a great event that the whole world celebrates, it can't be justified without setting off some crackers?"

He continued: "I have a friend who seems to be a firecracker, and he has a black warehouse in the suburbs."

"He specially hides fireworks and firecrackers, let's go there directly, I'll give you a whole set of firecrackers with a sound of 100,000 rings, and I'll get you some firecrackers, so it's sure to be lively!"

Elaine was even more excited when she heard this. She shook her head and said, "Forget it, I really won't go, it's too late, I'm sleepy."

She waved her hand and said, "Then what, you go to bed quickly, I'm going back to the room too."

## Chapter 5332

Jacob said with a smile: “Oh, look at you, let’s go! My pants are all on!”

After Elaine gave up the idea of buying firecrackers to celebrate, Wendy rushed to the police station and brought Noah, Harold, and the old lady out of the police station.

Tonight, when Wendy was having a meeting at the company, she received news that her mother had an accident, so she drove a company car and hurried home, but before she got home, the police called her and asked her to go to the police station.

So she hurried to the police station again, and after going through the formalities, she picked up her father, brother, and grandma.

On the way back, Wendy was driving, the old lady was sitting in the co-driver, Noah and Harold were slumped in the back seat, bound by seat belts.

In the car, the old lady kept crying, muttering: “The Willson family is over...It’s completely over...”

Harold also had tears in his eyes and scolded through gritted teeth: “That stinky b!tch Elaine. Damn it! Our family has been ruined by her! The whole family’s chance to stand up has been ruined by her!”

Noah also gritted his teeth, and said coldly: “When I recover, I will definitely find a chance to abolish her! If I don’t take revenge, I, Noah Willson, will swear that I will not be a human being!”

Harold said without hesitation: “Dad! Count me in then! I want her life too!”

“Enough!” Wendy who was driving suddenly turned the car over. Stopped by the side of the road, shouted angrily, and reprimanded: “You don’t have a long memory, do you forgot how you were paralyzed? How dare you go to trouble her?”

When the father and son heard this, immediately withered down.

The reason why they were paralyzed was that they wanted to find an opportunity to take revenge on Elaine, but unexpectedly, Cynthia was also tied up in the beauty salon by mistake, and finally ended up with their hands and feet amputated.

Harold recalled back then, although he still had lingering fears in his heart, he still muttered a little dissatisfied: “Anyway, I can’t swallow this breath! Originally, our family could become billionaires! Maybe it will be worth billions in a few years! But Let Elaine do this, it’s all fcked up! How can you let me be reconciled!”

Wendy said very seriously: “Brother, don’t daydream here! I said long ago that the live streaming that mom made was a thunderbolt, and it would explode sooner or later! And the later it explodes, the more powerful it would have been.” Do you know why you and dad can come out today? It’s because the thunderstorm was early!”

“And you are really paralyzed in bed! If you follow up like what mom said in the video and pretend to be terminally ill. Then if mom had to be sentenced, you two had to go in too! At that time, when people go to prison, all the money they earn will be confiscated!”

Harold said indignantly: “There are too many people selling misery and live broadcasting goods. I didn’t see anyone was arrested.”

Wendy said angrily: “mom, isn’t she being arrested now?! Do you still want to wait for yourself to be caught too?”

Harold said angrily: “Wendy... I’m your Brother! Why are you trying so hard to hate me...”

Wendy said in a very dissatisfied tone: “Brother, if you are still so incompetent in the future, then I don’t care about you!”

After finishing speaking, she raised her volume again, and said: “If no one in the family is successful, then I will move out from home tomorrow, and no one will care about you in the future!”

Noah said quickly: “Wendy, don’t be angry, it’s not a day or two for your brother to be incompetent, don’t follow him like that...”

Wendy sighed, and said angrily: “Dad, I have already persuaded mom not to use such crooked brains for money! When you targeted Second Aunt back then, the end was already miserable enough Don’t make the same mistakes again, but she just won’t listen!”

“I told you at the time that my income is getting better and better. You and brother have not been able to get good treatment before, which has delayed a lot, but now that I have some money,”

“I can send you to the hospital for proper treatment and recovery, but mom just wants to keep you by her side to live broadcast the misfortune, and as a result, both of you have not recovered from your injuries, and she has tossed herself into this...”

Noah also sighed melancholy: “Wendy, you are right...”

Wendy was silent for a moment, as if she had made some decision, she suddenly restarted the car, turned right at the next intersection where she should go straight, and then said: “Forget it! I’ll send you two to the hospital now! You two should heal your injuries quickly, and after you recover, go out and find a serious job!”

Noah nodded and said dejectedly: “To be honest, I’ve been lying on the bed for half a year, and I’m going crazy. I’ll go find a job after I’m done...”

After finishing speaking, he looked at Harold again, and said: “Harold, you have been fooling around for half your life, it’s time to do something! When the time comes, both of us will look for a job together, and neither of us can sit idle at home and eat free food!”

Harold also knew that his dream of being a rich second generation had been shattered, so he could only nod his head, choked up, and said: “I know Dad... I will work hard when I recover from my injury...”

Mrs. Willson is a fine person. She knew that Horiyah could not stand up now, and she might have to rely on Wendy in the future.

In addition, seeing that her son and grandson had already expressed their opinions to Wendy, she hurriedly said to Wendy:

“Wendy, why don’t grandma go to the supermarket to find a job, even if I still pull plastic bags for others? At least I can share some income with the family...”

Wendy shook her head and said seriously: “Grandma, don’t go out to work anymore, you are so old, and my current income is enough to support you, so you stay at home and take care of yourself.”

The old lady breathed a sigh of relief when she heard this, and at the same time she was a little thankful, after all, she was old, and it would be difficult for her to adapt to work again.

No one at this age wants to run around for a living anymore, and the old lady is the same. And when she heard that her granddaughter was willing to provide for her, she was very satisfied.

However, Wendy’s tone suddenly became serious at this time, and she said seriously: “Grandma, I have something to say first. You must not engage in those petty thoughts about family politics when you are at home from now on!”

The old lady quickly argued: “Wendy, I don’t engage in any family politics...”

Wendy said seriously: “Grandma, when our grandfather was still there, we were quite united. He treated my father and second uncle like a bowl of water, grandpa won’t show a preference for me, my brother, or sister Claire, but after grandpa left, you took over the Willson family and immediately started to isolate the second uncle’s family with my parents and my brother and me.”

“Not only did one family become two families, but even the Willson family’s business plummeted. Later, the company went bankrupt and closed down, and even the house was gone, so now we can only rely on others!”

After speaking, Wendy immediately added: “Of course, this is not your responsibility alone. My father, mom, my brother and I are all responsible. I was young and ignorant at the time, and I targeted sister Claire and brother-in-law everywhere. I did a lot of wrong things and took a lot of detours.”

“Fortunately, I now know where my mistakes are, and I have changed my mind and started a new life.”

“Therefore, my career is now steadily improving. If our family can realize the mistakes we made back then, make good corrections in the future, and the days in the future will definitely be better.”

The old lady had an embarrassed expression, but she also said a little indignantly: “I targeted your second uncle’s family at the beginning, mainly because Claire was full of rebelliousness. I wanted her to divorce Charlie, but she just won’t listen...”

Wendy immediately said in a cold voice: “Fortunately, Sister Claire didn’t listen to you! If she had listened to you and divorced Charlie and married Wendell, then she would have been married to Wendell now.”

“I’m afraid they had nothing like us! Although the Zhang family was good at the beginning, they went bankrupt a long time ago. You don’t know this! And look at how happy Claire is now! The villa they live in is not a charity from others.”

“And my brother-in-law is also a prominent figure in the city, with him around, no one will dare to bully Claire’s family!”

Wendy choked with red eyes and said, “I used to listen to you for everything. Yes, but look at how many detours I have been led by you. At first, you asked me this and that man one after the other and ruined my reputation.”

“No one is chasing me now! mom managed to escape from the black coal mine, and it was you who took the lead in isolating her and insulting her,”

“So that our family has come to this end step by step! All these prove that you have no ability to be in charge of the Willson family at all!”

Mrs. Willson’s face flushed with embarrassment, she wished she could break through the cracks in the ground and get in.

Wendy wiped her tears at this time, and said very forcefully: “From today on, I will have the final say on everything in the Willson family!”

“I hope you put away those thoughts and stop making trouble! As long as you can live a calm and down-to-earth life,”

“I will definitely give you a pension, but if you still can't fix what you have, then I'm sorry, even if you go to court to sue me, I won't support you anymore!”

## Chapter 5333

Wendy's strength shocked Mrs. Willson, and at the same time, couldn't help but feel a chill down her back.

She was startled because she did not expect that Wendy, who has always been led by her own nose, has become more and more powerful since she became the manager of the etiquette company. She has even made it clear that the family will listen to her from now on;

As for the chills on her back, it is because she just realized today that Wendy has never forgiven what she did back then, and the reason why she doesn't care about her is that she doesn't want to think about not taking revenge on her, it is mainly because she is old.

Mrs. Willson is not a fool. She knows that in a family, whoever has the money has the right to speak for the whole family.

She is old and has no assets, and even supporting herself has become a problem. In this case, it is impossible for her to continue to run the Willson family.

And if she wanted to live without worrying about food and clothing, she naturally couldn't anger Wendy.

So, she could only honestly say, "Wendy... Don't worry, grandma is no longer the grandma she used to be... From now on, I will never do things that are good or bad again. From now on, everything in this family will be up to you.."

Wendy saw that the old lady's attitude was sincere, and the anger on her face dissipated a lot. She nodded and said, "Grandma, I'm going to send father and brother to the hospital first. Asking you to take care of them. It's unrealistic, you should rest at home for the next few days, and I will ask the nurses to take care of them at the hospital, and after mom comes out, I will ask mom to go to the hospital to help."

Mrs. Willson also knows that in her own situation, let alone going to the hospital to take care of her son and grandson, even if it is about cooking for them, she is a little powerless, so as long as she doesn't make any trouble, she is making a contribution to the family.

So she nodded without thinking and said, “Don’t worry, Wendy, there is still a lot of firewood, rice, oil, and salt at home. Ymom also bought a lot of chicken, fish, meat, and eggs earlier, which is enough for my temporary living needs.”

Harold thought of something and quickly said, “Wendy, you have to drive away mom’s Mercedes-Benz! That car is still parked in front of Charlie and Claire’s house!”

Wendy said blankly, “I want to drive you! I won’t go there now.”

Harold was in a hurry, and hurriedly said, “You drive that car to our house first, and when I recover later, I will naturally drive that car...”

Wendy turned her head and looked contemptuously at him, she said in a cold voice, “You may not have watched the news. The short video platform where Mom live broadcasted the goods has already issued a statement, asking Mom to return all the live broadcast income, and is ready to start legal proceedings.”

“In other words, every penny from Mom’s live broadcast must be returned. Including the Mercedes-Benz big g, the car is already second-hand, and there will definitely be a gap between the discounted amount and the purchase amount, and the money she wasted on time and the money she spent on ordering Rolls-Royce Cullinan will all be big holes that she will fill in in the future, and if she can’t make up for these holes, she will probably become a douchebag in the future.”

“Ah?! “Harold suddenly said in horror, “Mom has worked so hard for so long, can’t even keep the car?!”

Noah and Harold were sent to the hospital, and Horiyah’s dream of getting rich was officially broken.

...

The next day, August 5th.

Nanako, her father, and her aunt took the private jet of the Ito family and flew to Aurous Hill in the morning.

Arriving at Aurous Hill at random, there are maids carefully selected by Nanako from home, as well as a large number of high-end flowers purchased from all over Japan.

In the field of agriculture, the Americans are good at genetic modification, while the Japanese are good at breeding, and Japan is more proficient in high-end categories. Many high-end fruits that can be named are all cultivated in Japan, from the Fuji apples in the early years to the current sunny apples. Wang grapes, red-faced strawberries, and spring tangerines, the island country really has a set in this regard.

And the flowers Nanako brought are also the top varieties carefully cultivated in the local area, which are not only plump and beautiful but also very fresh.

Since Koichi Tanaka arrived in Aurous Hill a few days ahead of Ito's family, a team was specially arranged to pick him up today.

When the Ito family left the airport by car, the flowers that arrived at random were also transported away by multiple refrigerated trucks prepared in advance.

Although Charlie was the only thing in her heart, Nanako chose the Shangri-La Hotel as her first stop.

However, Ito Yuhiko did not go to Shangri-La but was taken by Hiroshi Tanaka to Tomson. Before the wedding, Ito Yuhiko did not plan to go to Shangri-La, because he is also a well-known figure in Japan after, and he is worried that his secret to rejuvenating his legs will be exposed to too many people.

When Nanako's convoy arrived at Shangri-La, Issac got the news.

Knowing that she was coming, he immediately called Charlie and reported the news to him.

When Charlie heard that Nanako was coming, the first reaction in his heart was naturally a very pleasant surprise. Just as Claire went to the company, his mother-in-law forced his father-in-law to drive and take her out to get some fresh air. He was the only one at home, so he simply drove to the Shangri-La Hotel.

And Ruoli has been preparing for her parents' wedding in the sky garden of Shangri-La since yesterday. She knows that her mother has not been easy these years, so she wants to do her best to create an unforgettable event for the wedding.

Because the sky garden of Shangri-La is usually not open to the public, this time it was especially used for the wedding of Zynn and Roma, so Ruoli also had enough time to make on-site preparations in the early stage, unlike many popular hotel banquet halls, which are only allowed the night before the wedding. Start to arrange, the time is particularly hasty.

At this time, she was discussing the plan of the set with the project leader of the wedding company, when she suddenly saw Nanako walking in with a group of maids, she went forward in surprise and said, “Miss Ito, came here so early? I thought you would arrive tomorrow or the day after tomorrow.”

Nanako smiled and said, “On the eighth is the wedding of uncle and aunt, how can I come too late.”

“I brought a lot of flowers, and the staff will bring them up one after another later, and I will show you how to match them on the spot, and see which feeling you prefer.”

Ruoli asked subconsciously, “If you arrange the flowers now, I’m afraid it won’t last three days. Oh, my god?”

Nanako said with a smile, “The flowers I brought this time are specially used to discuss the plan with you. I have already arranged the flowers for the wedding. I will carefully select and prune the branches on the morning of the 7th.”

“They will be transported to Aurous Hill by air, and I have already told the supplier that the flowers cut in the morning of the 7th should not be fully bloomed so that all arrangements will be made on the evening of the 7th, and the flowers will be given enough water. It only takes one night, and the flowers can be guaranteed to be in the best state for the wedding on the 8th!”

Ruoli said with a look of surprise, “This... prepare two batches of flowers in this way, and they are all airlifted the cost will be too high?”

Nanako patted her hand and smiled slightly, “This cost is not worth mentioning to the Ito family, so don’t worry too much about it. Our goal is to let uncles and aunts hold a perfect wedding, a few flowers are nothing.”

Ruoli was moved in her heart, and said very reverently, “Miss Ito, thank you so much...”

Nanako shook her head and said with a smile, “After what happened to my parents, We are friends now, why are you being so polite to me?”

Ruoli nodded lightly, she understood the meaning of Nanako’s words, her mother and Nanako’s father were disabled people with amputations until they got Charlie’s pill in the United States at the same time, and it was that experience that made the two of them quickly get acquainted.

So, Ruoli asked Nanako, “Excuse me, is Mr. Ito here?”

“He went to the residence to rest, and he asked me to convey that he will definitely come to congratulate on the wedding day.”

After that, she asked Ruoli again, “Is Aunt He here?”

“For the wedding dress, Ms. Song arranged for a designer to come here to tailor it for her, and Mr. Chen arranged for a presidential suite to facilitate preparations for the wedding in the next few days.” Nanako nodded and smiled, “That’s fine, let Aunt He take care of herself, The wedding scene will be arranged by us juniors.”

Ruoli nodded slightly, and then asked Nanako, “By the way, Ms. Ito, did you tell Mr. Wade in advance when you came here today?”

“No.” Nanako slightly said shyly, “He must be busy, so I didn’t tell him in advance.”

Ruoli smiled and said, ” Even if you don’t tell him, Mr. Chen will tell him as soon as possible. Mr. Wade values you so much, maybe he is on the way here now.”

Nanako said with a blushing face, “I don’t know... I think Mr. Charlie also attaches great importance to you...”

Ruoli said in a rare and shy way, “I... The situation is different from yours...I am Mr. Wade’s subordinate, and you are Mr. Wade’s confidante...”

Nanako looked at her and asked curiously, “Is it really just a subordinate?”

Ruoli For a while, said unnaturally, “It’s really just a subordinate...Mr. Wade has saved me many times and helped me so much. Naturally, I will always follow him to repay his kindness to me. So naturally, I am his subordinate...”

Nanako nodded slightly, and said with a smile, “Actually, I envy you more, as his subordinate, at least you can see him often, unlike me, it is not easy to see him.”

Ruoli was slightly taken aback when she heard this.

Originally, she was very envious of Nanako. After all, anyone with a discerning eye could see that although Charlie also had many confidantes, he had a special preference for her.

But if you think about it carefully, what Nanako said is not unreasonable.

She usually lives in Japan, and it is really not easy to meet Charlie. Unlike herself, she is in Aurous Hill, so there are naturally many opportunities to meet him.

Just when she was sighing in her heart, there was a sound of high heels, and Zhiyu, who was wearing a professional suit and looking very capable, walked in quickly.

Seeing her coming, Ruoli quickly said to Nanako, “Miss Ito, my sister is here, you should know her too, right?”

Nanako smiled and nodded, “I know, after all, we are both are shareholders of ISU.”

Zhiyu had already walked quickly in front of Ruoli at this time, and Ruoli said happily, “Sister, why are you here?”

Zhiyu said with a smile, “Dad is getting married. As his daughter, I must come here.”

Then, she looked at Nanako, smiled, and said, “Miss Ito is here, long time no see.”

Nanako nodded, and said with a smile, “Long time no see, Miss Su.”

Zhiyu Looked around, she asked Ruoli, “Ruoli, isn’t dad here?”

Ruoli said with some embarrassment, “Well... Dad is in the presidential suite... to accompany mom... to try on the wedding dress.”

Zhiyu nodded slightly, she asked again, “Is Mr. Wade there?”

She said in a low-key manner, “I asked Mr. Wade to give brother a chance to come back to attend the wedding...”

“Brother is still on his way to kowtow. Dad is getting married. As the eldest son, he should be there, but I don’t know Wade. Do you agree, sir...”

As soon as the words fell, she heard a familiar voice that often sounded repeatedly in her dreams,

“Since Ms. Su wants Zhifei to come to the wedding, then I will arrange for someone to pick him up!”

Hearing this voice, the three women followed the voice and saw that Charlie had already stepped into the sky garden.

The expressions of the three women were unconsciously excited at this moment.

But because they knew that Charlie was talking about Zhiyu’s brother, Ruoli and Nanako just smiled at Charlie and didn’t speak.

Zhiyu was overjoyed, and quickly confirmed with Charlie, “Mr. Wade, you mean, can you bring my brother back?”

“Yes.”

Charlie nodded, and said calmly, “But it can only be for the wedding, the wedding ends, and he will continue his unfinished punishment.”

Zhiyu asked subconsciously, “Then... Mr. Wade, if brother comes back to attend the wedding, after the wedding,”

“He will still return to the place where he was picked up before, or start everything from the beginning?”

Charlie smiled and said, “Of course, he will go back to where he came from, how could I let him start from the beginning.”

Zhiyu immediately breathed a sigh of relief, and said gratefully, “Thank you, Mr. Wade, for your generosity. Then I will arrange for someone to pick him up...”

Charlie waved his hand, “I’ll let Issac pick him up, your brother’s movements, Issac’s subordinates have been watching, and they can pick him up at any time,”

“Besides, he’s been away for so long, lives and sleeps all day long, and has no contact information on him, so it will be difficult for you to find him in a while.”

“Okay...” Zhiyu nodded, and said respectfully, “Then I will trouble Mr. Wade.”

Charlie said, “I’ll make arrangements now, and if it’s quick, he will be able to arrive in Aurous Hill tonight.”

Zhiyu mustered up her courage and asked, “That... Mr. Wade... can I ask you one more thing...”

Charlie nodded and said, “Say it to me.”

Zhiyu pursed her lips, and said quietly, “You know, mom has been living in Aurous Hill since the divorce, and she missed her brother very much during this time, so I think brother will come back this time, You can let him meet mom too.”

## Chapter 5334

Charlie readily agreed and said, “No problem, I will ask Issac to bring him back before tonight. From today until August 10th, he can move freely within the jurisdiction of Aurous Hill City. At eight o’clock in the morning, let him come to Shangri-La on time and report to Issac.”

Zhiyu didn’t expect that although her father and Roma’s wedding date was on the eighth, Charlie gave an extra two days, and she felt complacent and very grateful, so she said without thinking,

“Okay, Mr. Wade, I will stay in Aurous Hill and keep an eye on him, and make sure that he will report to Shangri-La on time at eight o’clock in the morning on August 10!”

At this time, Issac learned that Charlie had come to the hotel, So when he heard the news, Charlie called him to the front and asked, “Old Chen, where is Zhifei?”

Issac was slightly taken aback, then glanced at Zhiyu, and said awkwardly “Master Su has gone for about a third of his time, and he has already arrived in Sanqin Province.”

Charlie nodded and said, “You can arrange for someone to bring Master Su back. Remember, mark the location where you picked him up, and send him back to the original place on August 10th.”

“Okay.” Issac said without thinking, “I’ll arrange for the local men to pick him up by helicopter. We have a plane at Chang’an Airport, and when Master Su arrives, the plane can take off and bring him back directly.”

“Okay.” Charlie instructed, “You make arrangements as soon as possible.”

...

Soon, a helicopter came from three The outskirts of Chang’an, the capital of Qin Province, took off and flew quickly all the way to the southeast.

The straight-line distance between here and Zhifei's location is only more than 40 kilometers, and the helicopter can reach him in only ten minutes at full power.

At this moment, Zhifei, who was walking on the land of Sanqin, continued his pilgrimage even though he had a scruffy beard and was covered in tatters.

Although his body was tattered, he wore thick protective gear on his hands and knees. For every three steps he took, he had to kneel on the ground, and then he kowtowed to the ground before getting up. After getting up, he took another three steps and continued to kneel down to continue the cycle.

When he first started on the road, Zhifei's body couldn't bear such high-intensity exercise at all, and his body was tortured. He had already reached his limit by walking three to four kilometers a day, which was much slower than the speed of ten kilometers a day for normal believers.

However, with the passage of time and the longer and longer distances, he gradually adapted to this rhythm, and gradually increased from three to four kilometers a day to the current seven or eight kilometers.

In more than five months, he has traveled more than a thousand kilometers.

Originally, he felt that he was a standard outlier when he kowtowed three times on the road during the day and slept in the open at night.

But as he walked farther and farther, he gradually discovered on the road that there were many people who, like himself, kowtowed their long heads and made pilgrimages to the southwest.

The difference between them is that these people are all people of faith, and Zhifei is an atheist himself.

Others do this for their faith, but he has to do this because Charlie ordered him to do it.

However, as the distance traveled got farther and farther, Zhifei's mentality became more and more relaxed.

In the process of progress, he almost replayed his life of more than 20 years several times.

During the review process, Zhifei also became more and more aware of his many mistakes and shortcomings in the past.

Over time, he felt that he was a guilty person.

Relying on the title of the young master of the Su family to be arrogant, domineering, and incompetent, is the first crime;

Being rescued by Charlie without gratitude is the second crime;

His father was taken away by his grandfather, his mother, and his sister were almost murdered by his grandfather, and their life and death were unknown At that time, for the sake of his future, he went to the culprit to compromise. This is the third deadly sin.

Over time, although Zhifei didn't have any religious beliefs, he was surprised to find that the punishment that Charlie gave him, which was similar to corporal punishment, could calm his heart down.

After the mind calmed down, the daily fatigue of the body was no longer a kind of torture to him.

He is like a person who has never exercised but became addicted to fitness because of his insistence on exercising. He gradually began to immerse himself in it, unable to extricate himself. As long as it is not a strong wind and rain, he will never stop moving.

Moreover, after he reflected on his mistakes and sins over the years, the hatred for Charlie gradually disappeared in his heart, and he finally understood Charlie's intention of making him make a pilgrimage all the way.

In the past, he was dazzled by interests and material desires, and his family and humanity were greatly affected by this. After such training, his material desires have already been reduced to the extreme. Luxury houses, luxury cars, yachts, and airplanes are all things to him. It's all a passing day, and now he only needs to fill his stomach every day, and he has already lived a very fulfilling life.

With the reduction of material desires, his humanity gradually recovered. He began to miss his relatives and sympathize with the poor people along the way. When he saw the poor areas, he silently remembered them in his heart, hoping that when he had the ability in the future, he would do what he can do for them.

In Zhifei's mental journey, he not only overcame the difficulties and obstacles on the road but more importantly, he was purified and sublimated on his own spiritual level.

Just as he continued to kowtow three steps at a time, there was a whistling sound of a helicopter in the sky, and a helicopter quickly flew in front of him from far and near, and then landed slowly in front of him.

After kowtowing, Zhifei stood up from the ground, looked at the helicopter, and wondered why the helicopter blocked his way.

At this moment, the hatch of the helicopter opened, and a middle-aged man jumped out of the plane, stepped in front of Zhifei, and said, "Master Su, please come with us to meet our Young Master."

"Your young master?!"

Zhifei asked in amazement, "Who is your young master?"

The middle-aged man said respectfully, "My young master is Aurous Hill, Charlie Wade!"

"Charlie Wade?!" When Zhifei learned that the middle-aged man in front of him was actually sent by Charlie, he was horrified in his heart!

He looked at the man and asked in surprise, "You say that Mr. Wade invited me back?"

"Yes." The middle-aged man nodded and said seriously, "The plane is already waiting to take off at the airport. You send me back to Aurous Hill."

Zhifei widened his eyes and said, "Hi, I want to know, I haven't reached the finish line yet, why did Mr. Wade let me go back now?"

The middle-aged man didn't hide anything, and said directly, "Young Master Su, your father, Mr. Zynn, is getting married soon, and the wedding will be held in Aurous Hill. What Mr. Wade means is, let me pick you up to attend the wedding, and come back to continue the pilgrimage after the wedding is over."

"Father is getting married?" Zhifei was dumbfounded for a while, but he quickly recovered and asked,

"Is my father going to marry Aunt He?" The middle-aged man shook his head and said apologetically,

"I'm sorry, Young Master Su, I don't know the specific situation, I'm the person in charge of the Wade family in Shanxi and Shanxi provinces, and I don't know much about the situation in Aurous Hill."

After that, he said again, "Master Su, young master hopes that you will arrive as soon as possible, He said that your sister is waiting for you in Aurous Hill, and your father and mother are also in Aurous Hill, get back earlier, and you can have more time to reunite with them."

Zhifei recovered, nodded quickly, and said "Okay! Thank you for your hard work!"

After finishing speaking, he looked at the surroundings and asked the middle-aged man, "Can you please record exactly where I am now?"

The middle-aged man said, "Don't worry, Young Master Su. I have recorded the GPS coordinates, and I will be responsible for sending you over when the time comes."

Only then did Zhifei felt relieved and was about to get on the plane. Seeing his dirty body, he said a little embarrassedly, "I might dirty the interior of your helicopter..." The middle-aged man smiled and said,

"It's okay, you don't need to worry about it, let's hurry up and set off!"

"Okay." Zhifei nodded and stepped onto the helicopter.

When the helicopter took off, Zhifei kept looking at the place where he got on the plane just now. He wanted to remember the geography and landforms here so that he could make sure that he would not mistake the place when he comes back.

And when the helicopter rose higher and higher, he looked at the continuous, majestic, and mighty Qinling Mountains in front of him, and he couldn't help feeling yearning and reverence in his heart.

What he didn't know was that from the time the helicopter hadn't landed just now, until he got on the helicopter after the conversation with the middle-aged man, the whole process was captured by the camera accurately.

The video at this time has already been sent to Issac's mobile phone.

Charlie was currently in the hanging garden, quietly watching Nanako carefully arrange a bouquet with the flowers she brought with her.

Nanako used her long and slender fingers to carefully match different flowers together. This bouquet already has a wonderful sense of beauty. This kind of beauty, to Charlie, Ruoli, and Zhiyu, All unprecedented.

And with every flower Nanako adds, this bouquet will give people a refreshing feeling as if every decision she makes is the finishing touch, which makes people constantly surprised.

Sisters Zhiyu and Ruoli have been completely impressed by her superb flower arrangement skills and her unique aesthetics, and Charlie is also shocked. Unexpectedly, Nanako has such talent.

At this time, the phone suddenly vibrated, and he opened it to find that it was a video sent by Issac. This was also the video he had specially told Issac to arrange for someone to take it quietly, in order to see Zhifei's real state now.

After seeing Zhifei's performance, Charlie's impression of him has also changed a lot.

The reason why he was asked to kowtow was not simply to punish him, but also to give him a chance to reflect on himself.

There are countless ways to punish him. In fact, the best way is to put him in a kennel like Kobayashi Jiro and let him be with dogs all day long.

However, in Charlie's view, Zhifei is Zhiyu's elder brother after all, and also Aunt Du's own son. If he can go back to the right path, it will be a big deal for Zhiyu and the entire Su family.

Charlie originally thought that he would at least have to wait until this experience was over before he could change from the bottom of his heart, but judging from Zhifei's current performance, it basically exceeded Charlie's expectations for him.

Putting down the phone, Nanako's first bouquet of flowers had already been inserted.

Ruoli and Zhiyu have been obsessed with watching it, and Zhiyu can't help but sigh, "I never thought that a bunch of flowers can be so beautiful, no matter from which angle you look at it, it is perfect..."

Ruoli on the side is also Eyes flushed with excitement.

She was still thinking about how to make her parents' wedding different from other people's weddings.

However, when she started preparing for this matter, she realized that in fact, so many rich people all over the country had already ruined her wedding ideas.

No matter what kind of plan it is, she thought it would be amazing at first, but if you really ask knowledgeable people, they will immediately come up with a lot of similar cases.

Although the hardware of the sky garden is very good, Aurous Hill is only a second-tier city after all, and such high-end banquet halls cannot be counted with two hands in a first-tier city.

What's more, they don't intend to be extravagant and wasteful, so it is even more difficult to make any truly innovative elements.

However, when she saw Nanako's flower arrangement skills, she immediately realized that this is the most precious and rare innovation.

If such stunning flower arrangements fill the venue on the wedding day, they will definitely amaze everyone.

After Nanako finished the bouquet, she looked at Ruoli at the side and asked her, “Miss Su, are you satisfied with this match?”

“Satisfied, very satisfied!” Ruoli said excitedly, “Ito Miss, I have never seen such a good flower arranger as you...”

“These flowers are no longer as simple as flowers in your hands, but more like works of art!” Nanako said with a smile, “artworks are not so much, It’s just some color, pattern, and space matching.”

“Before I came, I probably thought of seven or eight matching plans for uncle’s and aunt’s wedding. After I make them all, you can choose according to the site layout.”

“In addition, I’d better take a look at the style of the wedding dress that Auntie has already determined.”

“I can design the bouquets on both sides of the wedding walkway according to her wedding dress.”

Ruoli said quickly, “The style of the wedding dress has been determined, I’ll take you to have a look when it is ready!”

“Okay.” Nanako nodded, then looked at Charlie, and asked him with a smile, “Mr. Charlie, father is also here this time.”

“If it’s convenient for you at noon, wait until I finish my work here.”

Come with me to find father and have a cup of tea, what do you think?” Charlie asked with a smile, “Where is Mr. Ito? Why didn’t he come here?”

Charlie asked again, “Are you staying in a hotel?”

“No.” Nanako blinked and said with a smile, “I asked Tanaka-san to buy a house in Aurous Hill in advance, oh yes, it’s in Tomsons’!”

## Chapter 5335

Regarding buying a house in Tomson,

Nanako never planned to hide it from Charlie from the very beginning.

Her only thought was to come to Aurous Hill early to give Charlie a small surprise.

As for the matter of buying a house, she hoped to tell him frankly.

Charlie really didn't expect Nanako to buy a house in Tomson, so he asked her curiously:

"When did it happen? Which household did you buy?"

Nanako said with a smile: "I bought an apartment on the second last floor of a building."

As she said that, Nanako said again: "Actually, I wanted to buy a more classical villa,"

"But Tanaka-san has been here for a few days and has not found a suitable house,"

"So yesterday he just bought a high-rise temporarily."

Charlie nodded lightly, and said with a smile:

"We will be neighbors from now on, and you are welcome to settle in Aurous Hill."

For Nanako, although Charlie had always been very fond of her.

He has a good impression, and there is nothing wrong with it.

In his heart, he has always regarded her as a confidante,

Whose personality and conversation are the most suitable for his temper?

And since Nanako bought a house in Tomson,

It means that she will definitely come to Aurous Hill often in the future,

Which is naturally a happy thing for him.

Nanako said a little shyly: "I may not come to China too often for the time being,"

"And the family still has some things to deal with, but if the time is right in the future,"

"I can also consider gradually moving the company to China."

Charlie nodded, and said seriously: "If you really have such an idea,"

"It's okay. In the future, whether it is the Wade family or my own business,"

"There will be many places where I can cooperate with the Ito family."

For Nanako, Charlie naturally has some preferences.

This is why he also hopes that she can live in Aurous Hill forever.

Moreover, Nanako has always had no reservations about Charlie,

And Charlie integrated the shipping resources of the Su family to establish ISU Shipping.

Nanako not only took out all the shipping resources of the Ito family,

But even he took without hesitation the shares in this company for generations,

And Charlie also hopes to find a suitable opportunity to repay the Ito family in the business.

Nanako was worried that coming to Aurous Hill by herself would bring inconvenience to Charlie,

But unexpectedly, Charlie not only hoped that she would live in Aurous Hill for a long time,

But also hoped that she would transfer the enterprise center here,

Which made her very happy,

The plan to shift the focus of the enterprise to Aurous Hill can finally be officially put on the agenda.

So, she couldn't hide the joy in her heart and said:

"If Mr. Wade welcomes me, I will make good preparations when I go back this time."

Charlie smiled and said, "Of course I welcome you."

Nanako smiled sweetly, nodded, and said: "Then I Just make a good plan with Odoan,"

"It's just that the huge industry and team, I want to transfer them to Aurous Hill step by step,"

"I'm afraid it will take at least one or two years to complete,"

"The first task is to choose a site in Aurous Hill."

Charlie said indifferently: "This is simple. The Emgrand Group has many properties in Aurous Hill."

"When I held the pill auction, I also asked the Song Group to develop a lot of commercial real estate."

“At that time, the Ito family can choose from these properties.”

“If you don’t even like it, you can use it temporarily,”

“And at the same time cooperate with Aurous Hill officials to buy a piece of land and build your own slowly.”

Nanako knows that Charlie has made a lot of money through the Rejuvenation Pill auction,

And a large part of it is used in Aurous Hill for investment and development,

She subconsciously asked: “Mr. Wade, will the Rejuvenation Pill auction be held next year?”

“If Rejuvenation Pill continues to operate, Aurous Hill will definitely attract a large number of top foreign-funded enterprises to settle in.”

“Maybe it will at that time create a new financial center!”

Charlie sighed, shook his head, and said,

“Next year’s Rejuvenation Pill Auction is not going to be held for the time being.”

Then he said: “Actually, I still have a serious problem.”

“It hasn’t been resolved yet if we hold the Pill Auction again,”

“I’m afraid it will burn us if we continue,”

“We will have to wait to resolve this confidant’s trouble.”

Before going to the United States this year,

When the Rejuvenation Pill auction was held, Charlie didn’t know the existence of the Warriors Den.

Fortunately, this year's Rejuvenation Pill Auction was held for the first time,

And most of the people who got the news were those traditionally rich people,

Who were helped by the old Nordic queen to fool them, but the real top rich did not appear.

His uncle came to the auction at that time,

It's just his personal behavior, not the decision to settle down.

## Chapter 5336

But now, Charlie has already touched a little on the context of the Warriors Den,

Knowing that this organization is very powerful, and, in the United States and Northern Europe,

He has successively killed and captured many dead soldiers and knight guards,

So the current Warriors Den must be very vigilant.

If he holds the Auction again at this time,

Then he will not be able to keep a low profile if he wants to.

Therefore, what he planned in his mind was to let go of next year's auction first,

And restart the auction when he solved the Warriors Den,

Or when the Warriors Den is no longer a mortal enemy for him.

Although Nanako knew nothing about the Warriors Den,

She could also hear the caution in Charlie's words, so she said without thinking:

"Since there are still risks, it's better not to do it for the time being."

As she said that, Nanako thought of something, and said,

"However, since Mr. Wade is worried about being exposed,"

"I have an idea, I don't know if it is feasible..."

Charlie asked curiously: "What idea? Let's hear it."

Nanako said: "I think we can change the Rejuvenation Pill Auction to a new way of playing,"

"Such as temporarily not promoting it to the outside world, and not using the method of open registration."

"Instead, one or two months before the opening, the organizer will Come out and send invitations to those who participated in the Rejuvenation Pill auction this year in private,"

"Inviting these people to come to the auction in the new year."

"These people have witnessed the magic of the Rejuvenation Pill last year."

"What it can do is no longer a secrete to them,"

"So if you invite them over this year, there's no such thing as a leak."

Charlie thought for a moment, then said with a smile:

"Nanako, your method is very good! Although these people have already participated in the Rejuvenation Pill Auction,"

"But the vast majority of people returned empty-handed,"

"And they must be looking forward to the next auction."

"At that time, if they come to participate again, they will definitely not refuse."

Nanako nodded and said: "Also, these people all know the truth of getting rich silently,"

"And know that the greater the competition, the smaller their hopes,"

"So they will definitely not spread the news of Rejuvenation Pill everywhere,"

“And the auction will definitely be held smoothly.”

“Since everyone has the invitation system is controlled. If Mr. Wade has a big client that he particularly wants to invite,”

“He only needs to do a background check on him quietly to confirm that he has nothing to do with your confidant’s serious trouble,”

“And then you can send him an invitation letter to invite him to the scene, which can also avoid leaking of the news.”

“Good idea.” Charlie couldn’t help but praise, and couldn’t help but think of his uncle Marshall.

If he follows Nanako’s method, although he knows that his uncle is using a fake identity,

But next year the second Rejuvenation Pill Auction will be held,

And he will send an invitation letter to his uncle according to the rules.

It will appear at the rejuvenation pill auction site.

After all, he has already set the rules for the Rejuvenation Pill, all successful bidders must take the pill on the spot.

In this way, even if the uncle is invited to participate, he can only bid for himself.

Given how filial the An family is to the old man, he will probably give up this opportunity at that time.

Thinking of this, Charlie couldn’t help but wonder to himself,

“Should we open a back door to Grandpa and send an invitation letter to let him come to the auction?”

“In that case, he must have the strength to bid for the finale of the whole Rejuvenation Pill,”

“And his physical condition will also be greatly improved.”

However, in this way, he would have to earn at least 100 to 200 billion US dollars from his grandfather,

And Charlie felt that even if he held this money, it would be a bit hot.

So he simply stopped thinking about it, and decided to wait until next year,

When he really decided to launch the Rejuvenation Pill Auction, before thinking about this issue.

The sisters Zhiyu and Ruoli have been listening silently by the side.

At this time, Zhiyu has jealousy in her heart. She can see that Charlie has a preference for Nanako,

But she didn't expect that Nanako can also advise Charlie,

Seeing that the two of them felt like a natural match, she was very envious.

Ruoli on the side was slightly jealous, but her overall mentality was much better than that of Zhiyu.

In Zhiyu's heart, Charlie was a benefactor and even a sweetheart, while in Ruoli's heart,

Charlie in addition to being a benefactor and a sweetheart, he is also her master.

The reason why it is called “Master” is mainly because Ruoli has long decided to be loyal to Charlie,

So Charlie is like an ancient emperor to her, the object of her loyalty.

And precisely because of this level of cognition,

She didn't expect any development between herself and Charlie.

As the saying goes, without hope, there is no disappointment.

In this regard, she is much more open-minded than Zhiyu.

At noon.

Nanako put aside the flower arrangement for the time being, and while everyone was about to take a lunch break,

She said to Charlie: "Mr. Wade, Odo-san is already waiting for your visit at Tomson. Shall we go now?"

"Okay Ah." Charlie readily agreed, and said, "Let's take my car."

"Okay!" Nanako nodded, and told the maid she brought to rest in the hotel room first,

While she took off the apron she wore when arranging flowers,

And prepared to go to her new home with Charlie to meet her father.

At this time, Issac came over and said to Charlie: "Master, Master Su will land in Aurous Hill in about forty minutes."

Zhiyu, who hadn't spoken much, heard this and asked quickly: "Mr. Chen, my brother is coming soon."

"Yes." Issac nodded and said, "Landing in forty minutes."

Zhiyu looked at Charlie and asked expectantly, "Mr. Wade, can I pick him up at the airport?"

"Of course." Charlie readily agreed, and said: "You go to the airport now,"

“And after picking him up, go and see Aunt first. After noon, I will visit her house.”

## Chapter 5337

When Zhiyu heard Charlie say that he was going to visit home, a burst of joy finally surged in her heart, and she nodded gratefully and said, "Okay, Mr. Wade, then I will pick up brother first, and then wait for you at mom's house."

"Okay." Charlie nodded slightly and said to Issac: "Old Chen, make arrangements. After Young Master Su gets off the plane, bring him to meet Miss Su." Issac said without hesitation: "Don't worry, young master, I will arrange it right away."

Chen nodded, and then said to Zhiyu: "Miss Su, let's go to the airport first, let's see you in the afternoon."

"See Mr. Wade in the afternoon!"

After Zhiyu said goodbye to Charlie, she drove to the airport impatiently.

Although Zhifei chose to fall for his grandfather after his family was in danger, Zhiyu didn't blame him in her heart.

She is actually very aware of her brother's character. He is not a bad person, but he has been pampered and raised for too many years, so he really lacks a bit of responsibility.

In addition, grandpa had always been very strong before he gave up the position of head of the family.

If her brother did not show his loyalty to him, then he would definitely kick him out of the house and completely deprive him of his qualifications and opportunities to inherit the Su family in the future.

This was naturally unacceptable to the pampered Zhifei.

Although Zhiyu is young, she knows the truth that the country is easy to change but nature is hard to change. She can understand her brother's choice under such circumstances.

And her brother walked thousands of miles on his knees this time, no need to look at it to know that he must have experienced a lot of suffering, so she naturally feels distressed as a younger sister.

Today, Charlie extrajudicially allowed her brother to come back, and she couldn't wait to see him sooner.

When Zhiyu drove to the airport, Zhifei's plane had already landed.

Although Zhifei's clothes were already ragged and out of shape, because the incident happened suddenly when he was picked up today, and the Wade family didn't prepare decent clothes for him, so it was the only way to bring him back for now.

Moreover. Because of Issac's coordination, the Wade family's staff sent Zhifei out of the airport directly to meet Zhiyu.

At this time, Zhiyu parked the car on the side of the road and waited anxiously in the car.

When she saw several staff members walking out of the airport surrounded by a beggar-like man, she recognized him at a glance.

She didn't care about being sad for her brother's appalling image, so she hurriedly opened the car door to meet him, and shouted in a choked voice, "Brother!"

Zhifei followed the prestige and saw that it was Zhiyu, tears welled up in his eyes instantly.

At this time, Zhiyu had already rushed in front of him, ignoring his dirty appearance, hugged him, and cried, "Brother! You are finally back..."

Zhifei couldn't help it either. After crying, he said in a flustered and inferior manner, "Zhiyu, your brother is too dirty..."

"It's okay..." Zhiyu shook her head, and said in tears, "Brother, you have suffered for the past six months..."

Zhifei sighed, and said with a pious face: "I didn't suffer much, but whenever I think of you and mom, I feel very guilty in my heart, and I have never been able to forgive myself..."

Zhiyu quickly relieved him and said: "Those things are in the past, brother, don't mention it again, mom and I understand you very well, and mom is not angry with you, nor am I angry with you."

Then, she hurriedly wiped her face. Wiping away tears, she said, "Brother, mom is waiting for you at home, let's go back quickly!"

Zhifei said with a little embarrassment: "Zhiyu...I don't look very good in my current state...Why don't I find a place to take a bath first and then change my clothes..." "No need."

Zhiyu shook her head, she said, "Mom has already prepared a full set of clothes for you, including a razor, so hurry up and come back with me..."

Zhifei asked in surprise, "Mom knows that Mr. Wade would you let me come back? Could it be that Mom asked Mr. Wade?"

"No." Zhiyu shook her head and explained, "I told Mom yesterday that I wanted to ask Mr. Wade today. To check if he was willing to let you come back temporarily to attend Dad's wedding?"

"Mom said that as long as I ask, Mr. Wade will definitely agree, so I bought all these things for you in advance yesterday afternoon."

Zhifei was slightly taken aback, then clicked nodded, and sighed: "It seems that Mom guessed that Mr. Wade will be lenient to me..."

Zhiyu nodded, and hurriedly urged: "Brother, let's get in the car and talk, don't make Mom wait too anxiously."

With that said, Zhiyu thanked the Wade family subordinates who were traveling with him and brought her brother to his car.

Looking at Zhiyu's clean and tidy Volvo car, Zhifei said somewhat cautiously: "Zhiyu, brother is dirty and smelly, it will definitely stain your car..." Zhiyu pulled

away The car door pushed him in, and said seriously: "Brother, we are brothers and sisters, and no car is more important than you."

After that, she hurried back to the driver's seat and drove away from the airport.

On the way, Zhiyu asked him: "Brother, how was your journey? Are you tired?"

"Not tired." Zhifei shook his head, and said seriously: "I felt very tired at the beginning, and I wish I could not do it every day."

"It looked like I was going to die of exhaustion, but I quickly got used to it. To be honest, I was not used to the sudden interruption. The journey on the plane just now was quite torturous."

Zhiyu couldn't help being a little surprised, Unexpectedly, her elder brother, who has always been pampered, can adapt to such a difficult pilgrimage.

Zhifei went on to say: "I was not able to persist in doing anything in the past. Sometimes I felt that smoking really made my respiratory tract very uncomfortable."

"I wanted to quit smoking but it was difficult to persist for a whole morning; sometimes my mind was hot and I wanted to go to the gym, but I didn't persist."

"I retreated in two days; sometimes I want to calm down and learn something that was useful to me, but there was nothing I could really stick to after so many years..."

At this point, Zhifei sighed and sighed with emotion: "This pilgrimage made me understand a truth. In fact, it is not so difficult to persevere. The difficulty is only in the first few days. As long as you persist in the first few days, it will not be so difficult later."

“Every day Kneeling and prostrating while walking may sound unacceptable, but after the first few days,”

“I gradually got used to it, and I quit smoking. Everything has improved a lot, and I feel that I have never been so natural and thorough in my whole life,”

“So I have always been very grateful to Mr. Wade, to say something that sounds hypocritical, but it comes from the heart, he reshaped my soul.”

## Chapter 5338

Zhiyu was dumbfounded.

She never dreamed that her lazy and playful brother, after six months of tempering, would undergo a radical change.

The ignorant, arrogant, and domineering young man has quickly faded away, replaced by a humble and resolute man.

This made her heart, which was still a little sad, suddenly feel a little more relieved and joyful!

Aurous Hill Old Town.

The house where Charlie lived with his parents when he was young is now completely new.

Liona, put a lot of effort into renovating and rebuilding this old house bit by bit. Although everything looks the same as it did back then, it seems that the time has been pulled back 20 years ago. like that.

During her period of living here, she lived very relaxedly every day. She read books, drank tea, practiced calligraphy in this old house every day, and patiently took care of the flowers and trees in the yard in her free time. This way, she had a great time.

During this period of time, Zhifei has been on the pilgrimage, and Zhiyu often travels around for work, and rarely has time to come back to accompany her, but for Liona, such a solitary life makes her extremely satisfied.

Although she was also worried about Zhifei, she also knew that this was Charlie's punishment for him. Charlie would not spare him lightly, but he would definitely protect his safety.

This is not a judgment based on her understanding of Charlie but based on her understanding of Charlie's father, Changying.

Changying was such a person. Although he had thunderous means, he would definitely use both kindness and power. He would not leave room for real enemies, and would definitely spare him a chance for enemies who were not guilty of death.

It is a long way for her son to go to the Jokhang Temple, and it is inevitable that he will encounter dangers if he eats and sleeps in the open. But it is precisely because of her understanding of Changying that she firmly believes that Charlie will definitely bring her son back alive.

And she did not guess wrong, although Charlie made Zhifei go on a pilgrimage to the Jokhang Temple with bloody wrists and no mercy, but he still told the Wade family to protect him secretly.

And there was one thing she didn't guess wrong, that is, when she heard her daughter say that she wanted to ask Charlie to let her brother come back to attend her father's wedding, she firmly believed that Charlie would not refuse.

At this time, she was ready, with a change of clothes, a set of toiletries, a jar of warm water, and a table of meals, waiting for Zhifei's arrival at home.

Although she had always been calm in her heart, when she heard the sound of brakes outside the door, she pushed the door open and ran out with some difficulty concealing her excitement.

Outside the door, Zhiyu's car had just stopped, and the brother and sister got out of the car together.

Across the wrought iron gate, when Zhifei saw his mother, tears rolled down again.

Liona couldn't help but have red eyes.

Zhifei pushed open the door, stepped in front of his mother, suddenly knelt down on his knees, and cried, "Mom... I know I'm wrong!"

Liona was still distressed by her son's downcast appearance, but it can be seen that the son suddenly knelt down to admit his mistake, and was not

consciously startled, and then quickly pulled him up, choked up in his mouth and said: “Get up, you are right, mom never blamed you...”

Regarding Zhifei’s decision back then, Liona’s point of view is the same as that of her daughter Zhiyu.

A wealthy family is comparable to an ancient imperial palace, and Zhifei never murdered her mother and sister, but just stood against them for self-protection and the future. This is completely understandable and even tolerated.

In ancient and modern times, at home and abroad, many members of the royal family and heirs of wealthy families, because of their interests, they have long been familiar with each other.

At this time, Zhifei was still kneeling on the ground, with tears streaming down his face but said in a very firm voice: “I disregarded the life and death of my mother and younger sister, and only cared about my own future. This is inhumane and unrighteous. Unfaithful and unfilial!”

Liona said seriously: “Mom can understand what you said, and you can’t help yourself, so I don’t blame you.”

However, Zhifei continued to speak loudly: “Wrong is wrong! Anything involuntary is an excuse!”

“I could have chosen to stand with mom and sister, and I could have chosen to seek justice for you,”

“But I chose the wrong to disregard your life and death and only focus on pursuing my own interests!”

Liona was silent for a moment, sighed softly, and said seriously:

“Okay, you were wrong, but now you can realize that you were wrong. Well, Mom is already very relieved, knowing right and wrong, you are worthy of your name.”

After speaking, Liona said again: “Zhifei, you finally came back, time is limited, you can’t just kneel here all the time,”

“The bath water has been prepared for you, you go to take a bath first, and then accompany us to have a homely meal, the three of us have a good chat.”

Zhiyu on the side also stepped forward to persuade: “Yes Brother, it’s not easy for you to come back this time, and it’s better to spend more time with mom than to kneel here.”

Then Zhifei wiped away her tears, stood up, followed her mother, and entered the set of leaves. The old house where Charlie lived when he was young.

Liona took him directly to the bathroom, where the bathtub was already filled with water, and the toiletries and happy clothes were neatly placed aside.

Liona said to him: “Zhifei, Mom has prepared new clothes for you, as well as toiletries and a razor, but nothing to cut your hair.”

“I think your hair is quite long, why don’t you go out and find a hairdresser in the afternoon?”

Zhifei shook his head and said, “I want to grow hair for three years, but it’s only half a year now.”

“Three years?” Liona said in surprise: “Boys are still Don’t grow hair too long, not to mention the harsh conditions of your journey, and it’s not easy to take care of such long hair.”

Zhifei said seriously: “Mom, last month, I met a couple on the road. They, like me, also wanted to go on a pilgrimage to the Jokhang Temple,”

“But they were faster than me, so we were only traveling together for a short time. In two days, I couldn’t keep up with their speed.”

“The reason why the couple went on a pilgrimage was to pray for their son who died of leukemia to have a good pregnancy in the next life and not suffer from disease and suffering in his life.”

“I heard they talked about the suffering their son suffered before he died, and they felt very uncomfortable,”

“So they wanted to store their hair and shave it off after three years and donate it to make wigs for children who lost their hair due to chemotherapy. I want to do the same...”

Liona’s eyes were filled with tears in an instant, she really didn’t expect that her son would have such a big change,

She raised this son for more than 20 years, imagined that her son might achieve nothing in his life,

And also imagined that he might achieve a career in the world immediately, but she never thought that her son would be able to say such a thing in this life.

Zhiyu, who was standing at the door, was also in tears at this time.

So, she said, “Brother, why don’t I donate some money to set up a charity fund in your name to help those children with leukemia...”

Zhifei turned to look at her and said with a smile: “Zhiyu, of course, it’s okay for you to do good deeds, but don’t use my name, I can’t bear it.”

He sighed again: “After I arrive at the Jokhang Temple and complete my redemption, I will do my best. I can do something for them myself.”

Zhiyu couldn’t help asking: “Brother, it will take you a year to go to the Jokhang Temple, right?”

Zhifei said with a smile: “If I could go as faster as the day before, I might arrive in eight months!”

## Chapter 5339

“Eight months?”

Zhiyu exclaimed: “If you want to reach the Jokhang Temple in eight months, wouldn’t you have to travel at least eight or nine kilometers every day?!”

Zhifei nodded and said: “Eight months, Nine kilometers is a guaranteed minimum, and if the condition is good and the weather is good, you have to walk more so that you can leave time to stay for a while when passing by that majestic natural scenery.” Zhiyu couldn’t help feeling distressed again,

and Liona, who was on the side, turned to her and said, “Zhiyu, first let him take a good bath, so let’s not disturb him.”

Zhiyu nodded slightly, and said to Zhifei, “Brother, take a bath first. We’ll wait for you outside.”

Zhifei responded, and when Zhiyu closed the bathroom door, he took off his tattered clothes and prepared to take a good bath.

But standing in front of the bathtub, looking at the clear warm water inside, he hesitated for a moment and took his dirty clothes to the shower room beside him.

He put the dirty clothes on the ground first, then turned on the shower, rinsed the dirty clothes, and then began to wash off the dirt on his body little by little.

Zhiyu and Liona, had already arrived at the dining table at this time, and the mother and daughter looked at each other, and they could see the complicated look in each other’s eyes.

After a moment of silence, Zhiyu was the first to speak: “Mom... Brother has really changed a lot in the past six months... A lot of words came out of his mouth, I can’t believe that it is really him, as if someone It’s like another soul replaced his body...”

Liona smiled slightly and couldn't hide her gratification and said: "I told you before that everything in the world has its own definite number. Although your brother has been a playboy for more than 20 years. But now it seems that he is destined to change his mind."

After speaking, Liona said again: "When your brother returns from the Jokhang Temple in eight months, his life trajectory may undergo an earth-shaking change. Although I don't know exactly what this change will be, I believe this change must make him better."

Zhiyu nodded lightly and sighed: "It seems that brother's suffering along the way is not in vain. If he can walk on the right path from now on, it is really thanks to Mr. Wade's thunderous means..."

Liona agreed: "Sometimes people just need to break up and then stand up. It's just that some people have been pampered since they were young, and they are so well protected. The people around them are not willing to let them go through the process of breaking up, so I really want to thank Charlie."

Zhiyu said: "Oh, by the way, Mr. Wade said that he will come to visit after lunch."

Liona was slightly startled, and subconsciously asked her: "Charlie is coming here?"

"Yes." Zhiyu nodded.

"Okay." Liona said with a smile, "It's just a matter of time to thank him in person!"

...

On the other side.

Charlie drove the old man's BMW 530 and brought Nanako to Tomson.

Tomson's house is divided into villas and high-rise areas. In the villa area, cars can drive directly into the ground, but in the high-rise area, considering

the relatively dense population, the developer has divided people and vehicles. Charlie can only drive the car to the underground garage.

Just as he drove into the underground garage, Jemima just took the elevator and came out of the elevator hall of the underground garage.

At this time, outside the elevator hall, an imported seven-seater car was already waiting here.

Sitting in the driver's seat of the car was Miss Xian, the housekeeper of Zijin Villa, and sitting in the first-class seat on the left side of the second row was Maria.

The second and third rows of the nanny car are all pasted with extremely deep one-way privacy films, and the inside cannot be seen clearly from the outside.

The reason why the two of them came to Tomson was that they had just accompanied Jemima to the University to sign the contract in the morning, and originally planned to go back to Zijin Villa for lunch with her.

But because Jemima received a lot of contracts, materials, documents, badges, access control cards, and customized stationery from the University, she took a lot of them in a mess.

Moreover, these are all needed for Jemima's later work, and there is no need to bring so many things back to Hong Kong, which is not only troublesome but also easy to lose and forget, so she proposed to let sister Xian drive to Tomson first, and she put these things in the new house here.

Maria originally wanted to have a good relationship with Jemima, so she took the initiative to accompany her to the University to sign a contract, but she didn't expect Jemima to come to Tomson after signing the contract. This decision really shocked her.

Although Maria came to Aurous Hill to find Charlie, she was not ready to meet him yet, so she was absolutely unwilling to come to this locality.

Fortunately, the back row of the car was very private, so she sat in the car and waited for Jemima to get off, excusing that she was unwell.

Jemima stepped out of the elevator hall, and Sister Xian opened the electric sliding door on the right side of the back row. Jemima stepped into the car and said to the two with a smile, "Sorry, I kept you waiting, let's go."

Maria said with a smile in her own tone, "It's not too long, it's only five or six minutes."

Jemima nodded, and asked her with concern: "Didn't you just have a stomachache just now? How do you feel now?"

Maria hurriedly said: "I feel better already, and it should be fine."

Jemima said with a smile: "Maybe your period is coming soon, what date is your usual period?"

Maria said with a little embarrassment: "My... almost every month around these two days..."

"No wonder." Jemima said with a smile on her face, "Today, you must drink plenty of hot water to avoid catching a cold, and at the same time avoid strenuous exercise." "

Okay, okay. "Maria quickly agreed, and then said to Sister Xian: "Sister Xian, let's go back quickly, I'm already hungry."

Sister Xian nodded and said with a smile: "It only takes ten minutes for us to go back, and we can have dinner when we get home."

With that said, she started the car and was about to drive out of the basement.

At this time, Charlie had already parked the BMW he drove in an empty parking space not far in front of their car. Since Tanaka Koichi didn't bother to buy a property right parking space when he bought the house, Charlie could only park the car at the property. Specially designated temporary parking areas.

The biggest disadvantage of the temporary parking area is that it is generally far away from the elevator entrance.

So, after he parked the car, he and Nanako followed the signs in the garage to find the location of the elevator hall.

Charlie has lived in Tomson for such a long time, and today is the first time he came to the underground garage in the high-rise area. As for Nanako next to him, it is even the first time for Tomson to come, so neither of them is familiar with the route, can only be searched according to the address sent by Koichi Tanaka and the building number indicated.

When the two walked towards the elevator hall side by side, they happened to meet the car driven by Sister Xian.

Although the inside of the car was very dark, making it impossible to see what was going on inside, it was very clear from the inside out.

Jemima saw Charlie walking towards them and Nanako beside him at a glance because she never dreamed that she would run into Charlie, so she let out a cry of surprise.

## Chapter 5340

At this moment, Maria was relieved because Sister Xian was about to drive away, but Jemima who was at the side suddenly let out an exclamation, which shocked her who had been tense all the time.

She just wanted to ask Jemima what was wrong, but the next moment she looked in the direction of Jemima's gaze, and saw Charlie walking side by side with Nanako.

At this moment, Maria's expression was extremely horrified, she immediately closed her mouth, and then subconsciously covered her mouth and nose with her hands, for fear of being discovered by Charlie.

She subconsciously felt that no matter what, she couldn't let Charlie find her.

At this time, Sister Xian had already driven past Charlie, and Charlie outside the car subconsciously pulled Nanako to let her hide behind him so as not to be hit by the car.

This thoughtful little gesture of his made the two women in the nanny's car see it clearly.

At this time, Sister Xian asked subconsciously: "Miss Liu, are you okay?"

Jemima subconsciously shook her head, while uncontrollably turning her head to look at Charlie's back, she whispered unnaturally: "Sister Xian, drive quickly, I'm hungry too..."

At this time, Charlie, who was standing shoulder to shoulder with Nanako, suddenly felt another strong beating in his pocket. He subconsciously covered his trouser pocket with his hand, frowned slightly, and thought to himself: "Strange, why is this broken ring convulsing again?"

Nanako was originally following Charlie, but when she saw him suddenly stop and frown, she hurriedly asked him, "Mr. Charlie, what's wrong with you?"

Charlie said with a confused face, "I don't know..."

As he spoke, he subconsciously took out the ring.

When this thing was between his fingers, it was still shaking like a Parkinson's patient, but when Charlie took it out, it gradually returned to calm and became motionless again.

Charlie was even more puzzled, and couldn't help thinking to himself: "What the hell are you smoking? Are you hungry again? Are you trying to deceive me of my aura?"

Nanako saw him looking at the plain ring in his hand with a puzzled face. So she couldn't help but ask again: "Mr. Charlie, is there anything special about this ring?"

Charlie came back to his senses and said with a casual smile: "It's nothing special, it's just that I picked up such a broken thing in the aisle before, and now I've been wearing it all the time. And hesitant to throw it away."

Nanako pursed her lips and smiled, and said with a smile: "Then it's better to hand it over to the police maybe they can find its original owner."

He thought of Maria, smiled, and said casually: "Its owner probably doesn't remember it anymore."

After that, he put it back in his pocket and said to Nanako: "Leave it alone, let's go, the elevator hall in front is the building number issued by Mr. Tanaka."

At this time, Sister Xian drove out of the basement in the car.

When the car drove out of the basement and the sun shone into the car along the front windshield, the two women in the back row let out a sigh of relief at the same time, thinking to themselves that it was dangerous!

Both of them were nervous because they suddenly saw Charlie just now, but the difference was that Maria was completely relaxed at this moment, but Jemima felt a little sour in her heart.

She didn't know who the woman walking beside Charlie just now was, but she subconsciously believed that that woman should be Charlie's wife.

And Nanako's beauty and temperament are almost invincible among Asian women.

If it is said that Maria has the most authentic Chinese classical beauty, then Nanako fully embodies the special intellectual beauty and obedient beauty of Japan's Yamato Nadeko in every way.

Even though Jemima is already an absolute leader among the new generation of young women in Hong Kong, she still feels uncontrollably inferior in front of Nanako.

When she thought that Charlie's wife was so good, she naturally felt a little uncomfortable.

And Maria, who was at the side, could clearly see her performance and the subtle changes in her expression.

When the car didn't come out of the basement just now, she didn't dare to speak, because she knew that Charlie possessed aura and must have very strong senses, and she was afraid that Charlie would hear what she said.

However, now that the car has come out, she is completely relieved, so she deliberately teased Jemima and said, "Sister Jemima, what's the matter with you? You're still fine, why do you suddenly seem to have a bad face?"

Jemima said in a hurry:

"Is there any? Maybe... Maybe it's because I'm too hungry..."

Maria deliberately teased her: "I thought you were attracted by that handsome guy outside the car just now!"

"Ah?!" Jemima's heart beat so fast, she quickly said: "Where is it... how could it be... I didn't pay attention to see if there is a handsome guy..."

Maria said casually: "It's the handsome guy who walked past our car in the basement just now. He's quite tall and handsome."

“Is...is it...” Jemima said in a panic: “I didn’t see it, I was a little distracted just now...”

“Okay.” Maria said with a smile: “Next time a handsome guy passes by, I will be the first time I’ll tell you.”

“Okay...” Jemima thought she had been fooled, so she subconsciously responded.

This series of her performances made Maria more convinced of her previous judgment that Jemima came here for Charlie.

Maria didn’t speak anymore, but took out her mobile phone, and entered the name Nanako Ito on the search engine.

She had read all of Charlie’s files before, step by step, carefully deduced Charlie’s identity, experience, current business map, and power blueprint.

She guessed that ISU Shipping must be led by Charlie behind the scenes, so she paid special attention to the information about the Su family and the Ito family, and the information of Nanako. The appearance of a woman, so the moment she saw Nanako just now, she guessed her identity.

And on her mobile phone, the related introduction of Nanako soon appeared. She clicked on some public photos of Nanako and reconfirmed that the woman she saw just now was undoubtedly Nanako Ito.

At this time, she couldn’t help thinking to herself: “According to the information I checked before, Charlie and his wife’s family live in the villa area of Tomson, but why did he come to the high-rise area together with Nanako?” Could it be that he is on a secret date here?”

Thinking of this, Maria raised her eyebrows, and said to herself, “It seems that this Charlie is really merciful in every way. If he is allowed to become an emperor in ancient times, wouldn’t it be a matter of collecting money? Only the seventy-two concubines of the Sixth Court of the Three Palaces of Qi will not be enough for him to get satisfied?”

At this time, Sister Xian, who was driving, thought of something and said, "By the way, Miss Liu, you are going back on the plane at 3:30 p.m., right?"

"Yes." Jemima subconsciously replied.

Sister Xian nodded, and said, "Then I'll take you to the airport after dinner."

Jemima said casually, "That's hard work for Sister Xian!"

"It should." Sister Xian smiled slightly, and asked again: "Miss Liu, you probably won't be able to stay for too long when you return to Hong Kong this time, right? The university will start at the end of the month. As a new faculty member, you should report to the school early that's right?"

"Yes." Jemima explained: "The school requires faculty and staff to report for duty on August 20th, and then a unified arrangement will be made for the work content of the newly recruited lecturers, and then they will start to hurry up and prepare lessons

Sister Xian said with a smile: "Then you won't be able to stay for a few days this time, at most two weeks. Get ready, then you can report to school."

Sister Xian nodded, looked at Maria through the rearview mirror, and said with a smile:

"Miss, you should also prepare early, I heard that the military training in mainland universities is very hard."

Maria smiled and said: "I have heard about this, but to be honest, I am looking forward to it."

When Maria decided to enter the University, she had already learned about the admission process of mainland college students and the specific conditions of life and study in advance, so she also knew that freshmen have to participate in military training.

When other girls think of military training, they might be more nervous and apprehensive, but Maria is looking forward to it because she feels that if she

wants to have a good relationship with Claudia, military training is definitely the best opportunity!

## Chapter 5341

Charlie saw Ito Yuhiko again and found that he was in very good condition.

To Yuhiko Ito, regaining his legs is like a rebirth, and it also makes him cherish the present even more.

Seeing Charlie, Ito Yuhiko was enthusiastic and respectful, he came out to welcome Charlie in and poured tea and water for him himself. Although he was busy walking around, he couldn't hide his excitement all the time.

Tanaka Koichi on the side was so respectful that he wished he could always maintain a ninety-degree bending and bowing posture.

Charlie greeted the two of them, looked at the house curiously, and said with a smile: "I have lived in Tomson for so long, and this is the first time I have come to this high-rise."

The huge floor-to-ceiling windows in the living room, looking at the rolling river outside, sighed: "The scenery here is really good! Mr. Tanaka has a good eye." Tanaka Koichi on the side said respectfully:

"Mr. Wade, I originally wanted to buy the set upstairs. The one on the top floor, unfortunately, it was bought by a lady a few minutes earlier, if I could buy the top floor, the scenery should have been even better!"

Charlie nodded with a smile, and said: "This is already not bad, if I knew the scenery here is so good, I should have come here to buy a set."

Ito Nanako said: "Mr. Charlie can come here often in the future, and I will ask Tanaka-san to take a fingerprint for you later and treat this place as your own home. Well, if we're not here, you can come up at any time if you want to stay alone for a while."

Charlie was slightly taken aback, not knowing whether to refuse or accept for a while.

At this moment, seeing Charlie hesitate, Tanaka quickly said: “Mr. Wade, actually there is no need to troubleshoot fingerprints, the door password is Miss’s birthday.”

Charlie looked at Nanako, and he realized that he had known him for so long. Well, he doesn’t know Nanako’s birthday.

This is mainly due to the fact that during the time the two met, they didn’t meet much, and Charlie himself didn’t pay much attention to birthdays, sometimes he couldn’t remember to celebrate his own birthday, and had to be reminded.

And Nanako never told him when her birthday was, or when she celebrated her birthday.

Nanako on the side also knew that Charlie definitely didn’t know when her birthday was, so he shyly said: “Mr. Charlie, my birthday can only be celebrated once every four years...” Charlie suddenly realized, and blurted out:

“Then I know... ..February 29th...”

“Well...” Nanako nodded shyly, looked at him with big eyes affectionately, and asked, “Mr. Charlie should know what year I was born?”

Charlie hurriedly said: “I know, I know...I know...”

Hiroshi Tanaka said with a smile, “Mr. Wade already knows the password to the door!”

At this time, Ito Yuhiko’s younger sister, Emi, had prepared a table of sumptuous Japanese cuisine.

Emi, who was wearing a kimono, walked to Charlie’s side, put her hands in front of her body, bowed respectfully, and said: “Mr. Wade, I have prepared the best Japanese food for you.”

“It is the highest-end seafood, whether it is sea urchin, oyster, sea bream or bluefin tuna, is the best that can be found in the Japanese market at present. You will enjoy it!”

Ito Yuhiko said with a smile: “Mr. Wade, Emi is best at making all kinds of sashimi. Her sensitivity to ingredients is much stronger than those of the so-called Michelin three-star chefs.”

“The ingredients she comes into contact with on a daily basis I’m afraid those Michelin three-star chefs won’t have the chance to see it.”

After that, he pointed to the tuna sashimi on the exquisite plate and said to Charlie:

“Mr. Wade, these sashimi are the meat from the cheeks of the blue flag tuna. The auction price of this fish is three million U.S. dollars, but such a small amount of meat on the two gills costs hundreds of thousands of dollars.”

“After conversion, a piece of fish costs tens of thousands of U.S. dollars, and even the best Michelin restaurant will not have it.”

Ito Takehiko didn’t just talk nonsense, in Japan’s luxurious society, the price of truly top-notch high-end products can be outrageously expensive.

The highest auction record for bluefin tuna, one has been bought for a sky-high price of several million dollars

Most of the meat of such fish will flow into high-end restaurants. It seems that enough high-end restaurants can get this top-level ingredient.

As long as you spend hundreds of dollars, you can eat a slice of it in a restaurant.

But the real situation is that the two gills of tuna like this are impossible to flow into the back kitchen of any restaurant.

Most people can’t understand why those top rich people are extravagant to the extreme. It doesn’t matter to them if the ingredients of a meal are tens of thousands or hundreds of thousands.

In their eyes, the only value of a bottle of wine worth tens of thousands of dollars is only when it is opened.

This is mainly because they are so rich that they can spend a lot of money without racking their brains, and it is impossible to spend it all in a few lifetimes.

Ordinary people eat three to five hundred for a meal, and a meal can cost a day or two's salary, but for a top rich man like Takehiko Ito, even if he eats 100,000 US dollars for a meal, he may only eat the interest generated by his savings in the bank for a day.

In other words, if he spends 100,000 US dollars on a meal, the proportion of his expenditure in the total net worth is the same as that of an ordinary person who spends 10 yuan on a bowl of vegetarian noodle soup.

Although Charlie is also very rich, money doesn't mean much to him, and he has never had the habit of spending extravagantly, so after listening to Emi's introduction, he nodded slightly and said with a smile:

"Ms. Ito has worked hard. I don't have such a tricky mouth, just eat some home-cooked food, don't need to be so extravagant."

Ito Nanako smiled and said: "It is only prepared for Mr. Charlie alone. Even if you don't come to visit at home, my aunt will prepare these for him."

"It's just his own food cost, which costs millions of dollars. I don't understand what he eats at all, and this to be honest, in my opinion, it's more of a gimmick than a reality."

Ito Yuhiko laughed and said, "Nanako, everything in this world can be called Tao as long as you pursue it to the extreme."

"You like Ikebana, so you will do everything possible to buy the most expensive flowers, you can buy a rose from a roadside flower shop for three to five yuan, but those top-quality cultivars that are selected from thousands, One flower can even sell for tens of thousands."

"Using the best flowers, matching the best tools, and combining them in the most elegant way becomes the way of flowers. I will never have anything to do with Ikebana in my life; "

“There is also tea. Ordinary people make a cup of tea, or make a tea bag and mix it with milk.”

“These can only be regarded as drinking tea, only using top-quality tea leaves, top-quality tea sets, and the most sophisticated brewing methods can be called the way of tea!”

“Although I don’t know the way of flowers and tea, I know the way of food! That is to eat the best ingredients and drink the most expensive wine!”

Ito Nanako stuck out her tongue and deliberately teased him: “Greedy is the best way to eat!” You’re greedy, why bother to talk so much...”

Yuihiko Ito laughed a few times, then took a bottle of sake with “14 generations” written on it, and said to Charlie:

“Mr. Wade, this is not an ordinary Zhubai on the top of the pole, this is the top-level Long Xiao Jiu Tian, which is one in a million, and even the prime minister may not have the chance to smell it!”

Charlie looked at him and asked a question: “Mr. Ito, tell me what’s on your mind, is this wine good?” “

Yes... is it good?” Yuhiko Ito fell into deep thought for a while, thinking for a while, and said very seriously: “To be honest, Mr. Wade, this thing is far worse than Coke in terms of taste alone.”

After finishing speaking, he hurriedly added: “But this sake is the quintessence. The wine made from rotten grapes is not as delicious as grape juice, but it is quintessence!”

After finishing speaking, he took the initiative to pour a glass of sake for Charlie, smiled, and said: “But Mr. Wade, although the wine is not good,”

“The feeling of being slightly drunk is really something that other things can’t give. Let Tanaka also accompany us to drink less, so that we can have more fun while drinking and chatting!”

Charlie, Ito Yuhiko, and Tanaka Hiroshi exchanged glasses, while Nanako stood by and kept adding wine for him.

What's interesting is that Nanako only drinks for Charlie, Emi only drinks for Yuhiko Ito, and Koichi Tanaka can only drink for himself.

The so-called Long Xiao, in Charlie's opinion, is not good to drink. Except for the pure rice fragrance, this thing is really lackluster.

If you want to feel a little drunk, you have to have at least 40% alcohol. To him, drinking sake is no different from drinking tap water.

However, since it was brought by Ito Yuhiko all the way, Charlie naturally gave enough face.

Including the top seafood sashimi prepared by Emi, Charlie is still full of praise.

But in fact, what he thinks in his heart is that sashimi itself has no taste, and what he eats is just the taste of different fish.

After dipping in soy sauce and wasabi, the overall taste is not much different.

This is very similar to a hot pot. After eating, what you eat is just the taste of the bottom of the pot and the dipping sauce.

After having lunch at the Ito family's new residence, Charlie and Ito Yuhiko chatted for a while, then got up to say goodbye.

He told Zhiyu earlier that he would visit Liona's house, so naturally, he couldn't break his promise.

Although he drank a lot of sake with the two of them, fortunately, he had spiritual energy in him. Before setting off, he used spiritual energy to remove all the alcohol, and then drove to his old house.

## Chapter 5342

At this time, Liona, Zhifei, and Zhiyu had already had lunch. Zhifei changed into clean clothes, shaved his beard, and tied up his shoulder-length hair, and looked much quieter and sharper.

Zhiyu sat on the sofa, keeping an eye on the movement outside the yard, hoping to see Charlie as soon as he arrived.

And when the BMW that Charlie was driving slowly stopped at the gate of the courtyard, Zhiyu was overjoyed, and quickly said to her mother and brother: "Mr. Wade is here!" After finishing speaking, she had already stood up and ran towards the door.

Liona and Zhifei also got up quickly and followed behind to greet them.

When Charlie got off the car, the three of them had already walked to the door one after the other.

Zhiyu opened the retro iron grille door, a little shy, and said respectfully: "Mr. Wade, you are here!"

Zhifei also said very respectfully: "Mr. Wade..."

Liona said nothing. She is so cautious as if she saw a good friend's child, she said kindly: "Charlie is here, come in quickly!"

Charlie nodded slightly and said respectfully: "Hello, Auntie, I haven't come in a while. Seeing you, how are you recently?"

Liona said with a smile: "I'm fine, the environment in Aurous Hill is getting more and more comfortable for me, and I don't have as many troubles as before, so I am still very comfortable."

Charlie nodded: "That's good! I wasn't in Aurous Hill at that time, but I probably won't go out in the recent period. If you need help with anything in Aurous Hill, please feel free to contact me."

“Okay!” Liona was not too polite and agreed with a smile, and then invited Charlie into the house.

Entering this old house, Charlie couldn’t help feeling sad.

When his parents rented this old house, they also carefully restored it, just like now, although it still looks so simple, it can give people a new look.

After 20 years of idleness, this old house was once dilapidated, but after Liona’s careful restoration, all this seemed to have returned to the state it was 20 years ago.

For a moment, Charlie even felt that he was back to the way when he was seven or eight years old. His parents had just settled down in Aurous Hill, and the family of three was living an ordinary life full of happiness.

Liona saw that Charlie was looking around and was a little lost, so he deliberately didn’t say anything, but let Charlie take a good look and think about it.

After a long time, Charlie withdrew his thoughts before almost crying, held back the tears, and said to Liona with a smile:

“Auntie must have taken a lot of trouble to clean up this house...”

Liona nodded and smiled, and said, “It took a lot of thought, but I also enjoyed it.”

Then, Liona pointed to the group of rustic old-fashioned leather sofas, and said to Charlie: “Sit down and rest for a while!”

“Okay !” Charlie nodded, and after sitting down, he couldn’t help sighing: “Auntie, this sofa is basically the same as the sofa I used to have when I was a child... Can we still buy this style of sofa now?”

Liona said with a smile: ” When we were young, leather sofas basically looked like this, unless those sofas imported from Europe and the United States would look more exaggerated, but this kind of sofa is not available for purchase now, and I specially hired someone to make it by hand.”

Charlie nodded slightly, and couldn't help sighing in his heart: "Auntie you are really careful, and you really knew Dad very well. Your vision in many places is very similar to Dad..."

After feeling emotional, Charlie deliberately changed the topic, looking at Zhifei at the side and asked him, "Master Su, you must have had a hard time in the past six months, right?"

Zhifei stood up subconsciously, and said respectfully, "Mr. Wade I would also like to thank you for your advice, if it weren't for you, I might still be that ignorant dude..."

Charlie asked him: "I asked you to kneel and make a pilgrimage all the way, don't you hate me at all?"

Zhifei said truthfully: "Mr. Wade, for the first month, I hated you every moment to the bone. I even fantasized in my heart that if one day I can be stronger than you, I will definitely make you pay back ten times or a hundred times, but...after a month, I gradually started to understand your good intentions..."

Charlie asked curiously: "My good intentions? In the eyes of many people, I am a person full of evil tastes. I often come up with weird ways to punish others. I am afraid they would like to kill me. Why are you the only one who said I have Good intentions?"

Zhifei said sincerely: "In fact, you had a lot of ways to punish me, even if you took my life,"

"No one could do anything to you, not to mention that my this life itself is the result of the accident in Japan as I was rescued, but you still gave me another way out, and also gave me a chance to find my way back..."

As he spoke, Zhifei pursed his lips and remained silent for a moment, and then said:

"Besides, I know, in fact, you have sent people to protect me in secret. I have encountered danger to my life several times in the past six months, and I got out without any problem. You must be behind the scenes to help."

Charlie did not speak, but Zhiyu asked in surprise: “Brother, what is your life in danger? Why didn’t I hear you mention it?”

Zhifei said: “In the second month after departure, I began to treat this pilgrimage sincerely, so I dismissed Mr. Wade. My entourage plans to reach the finish line by myself...”

“I fell ill after being exposed to the rain, so I stayed overnight at a farmhouse. After all, many pilgrims would stay overnight along the way, so I didn’t think there was anything wrong...”

“As a result, the couple tried to sell me to the owner of a local black brick kiln when I was almost unconscious with a high fever;”

“I heard from the two of them that a healthy adult can sell for 20,000 yuan. Normally, it costs at least three or four thousand yuan a month to recruit a worker for a kiln. If the kiln owner buys the worker back, he can pay back the cost as long as he squeezes the worker for more than half a year, and the rest is pure profit;”

“At that time, the kiln Lord has already driven over, and because I looked unconscious, he bargained with the other party and pressed the price back to five thousand...”

Zhiyu’s eyes widened, and she quickly asked, “What happened later?”

Zhifei said, “The kiln owner and his three thugs moved me into an off-road vehicle. At that time, I wanted to call for help, but because of the high fever, I don’t even have the ability to fully open my eyes, let alone resist...”

“After getting in the car, I thought my life must be over, but I didn’t expect that the kiln owner’s off-road vehicle was driven by a car not too far away.”

“The car hit the rear, and he got out of the car with his thugs to argue with others, and the four were shot down by the other party...”

Zhiyu couldn’t wait to ask: “Then?!”

Zhifei said in a low voice: “The one who shot Those two people threw the bodies of the four of them into the ditch by the roadside, then lifted me out of the off-road vehicle, and sent me back to the farmhouse...”

“Ah?!” Zhiyu added. It was a puzzled look: “Why sent you back?”

Zhifei said: “They thought I had been in a coma and didn’t know anything, so they discussed in the car that they wanted to send me back to that farmhouse, and then gun forced the couple to take good care of me until I recovered, and then deal with the couple after I left, but they didn’t know, I heard all these conversations.”

Said, Zhifei looked at Charlie, grateful Said: “Mr. Wade, those two discussed in the car whether to report this matter to Mr. Chen of Shangri-La, but they also felt that I might encounter this trivial matter in the future.”

“As long as they can guarantee my safety It is safe, so there was no need to report again and again, so I knew at that time that you have been secretly arranging people to protect me...”

Immediately afterward, Zhifei suddenly knelt on the ground, kowtowed respectfully, and said gratefully: “Thank you Mr. Wade for saving my life time and time again, I will never forget it!”

Charlie stretched out his hand to help him up, and said calmly: “You don’t have to thank me for this matter, you are Auntie Du’s son and Miss Su’s brother,”

“And you didn’t commit a heinous crime, so I can’t take your life out of reason, because of this, I let you go on a pilgrimage, the original intention, in fact, was to let you go to penance;”

“Although I have never knelt down Pilgrimage, from the age of eight to the age of twenty-seven,”

“I have been experiencing all kinds of hardships for nearly twenty years, and these hardships are also a kind of penance in my opinion;”

“Penancery can beat a person’s heart, sharpen a person’s will, and reshape a person’s soul. No matter if you were rich and well-fed, arrogant and domineering before, or you were hungry and self-deprecating. During the penance, you can find a radical change; “

“If you can do this, it will be a good thing for you and your family;”

“If you can’t, at least it will be because of this journey. I have lingering fears about hard punishment, and I will definitely restrain myself in the future;”

Speaking of this, Charlie changed the subject and said firmly: “But I definitely can’t let you on the road of penance, because natural disasters and man-made disasters can endanger your life!”

“In that case, not only will all this deviate from my original intention, but I will also be unable to explain to Auntie and Miss Su.”

## Chapter 5343

Ever since he confirmed that the Su family had nothing to do with the death of his parents,

Charlie never thought of taking the life of anyone in the Su family.

Zynn could let him off and make it happen, let alone a mere Zhifei.

And he asked people to protect him in secret, because of the face of Liona and Zhiyu.

The pilgrimage to the Jokhang Temple is not like Kevin riding a bicycle to Aurous Hill.

The latter has a bicycle, and the way is the most economically developed in China.

In this area, as long as you don't blindly pedal your bicycle on the high speed line,

There is basically no danger to your life.

But Zhifei's case is different. All the way westward, the environment is getting worse and worse.

If he is not careful, he would be in danger everywhere.

If he didn't protect him secretly if he died on the way, what could he explain to Liona and Su?

Zhifei also knew that Charlie asked people to protect him,

Not because he was really kind to him, but because of the face of his mother and sister.

But even so, he was still grateful to Charlie for awakening himself from his former dandyism.

Therefore, he said to Charlie very piously: “Mr. Wade, no matter what your purpose is,”

“I still thank you for your kindness in reinventing me!”

Charlie looked at him and said lightly: “It seems that you have also awakened,”

“The prodigal son has turned back, this time, if you don’t want to continue this time, the pilgrimage can be terminated.”

When Charlie said this, Zhifei and Liona were all surprised.

Zhifei thought that there was something wrong with her ears, and never dreamed that Charlie would allow him to stop the pilgrimage.

He has just walked a third of the way, and it was the easiest third.

The remaining two-thirds are the most severe challenges.

As the altitude gets higher and higher, the road ahead will become more and more difficult.

It is no exaggeration to say that if they stop now, at least 80% of the hardships can be avoided.

What Charlie said was not entirely out of his sincerity.

He just wanted to see if Zhifei really changed his past.

If he can really change his past and decide to abandon everything before him,

Then he will definitely choose to continue this pilgrimage.

But if he is still lucky, then he will definitely seize this once-in-a-lifetime opportunity.

The reason why Charlie tested him in this way was to decide whether to allow, Zhifei to return to the decision-making level of the Su family in the future.

Although the current head of the Su family is Zhiyu, it is impossible for Zhiyu to be in charge of the entire Su family alone.

Zhiyu is like the chairperson of a group company with the highest decision-making power and veto power.

She cannot cover all the core things are do it all by herself,

So her subordinates still need a lot of core executive positions to help her run the entire Su family's industry.

In a huge group company, under the chairperson, there are at least several executive directors and an executive president,

And each company entity under the group also needs a set of management teams.

The power in the hands is very large, so there must be a trustworthy person in charge,

So as to avoid management failure to the greatest extent.

But right now, Zhiyu doesn't have many people of her own who she can use.

Her father has been under house arrest by the He family and cannot interfere in the affairs of the Su family.

The old man Chengfeng also went to Madagascar.

Liona also went through the divorce procedures with Zynn. It is also inconvenient to have any relationship with the Su Group.

Therefore, if Zhifei can completely change his past, Charlie still hopes that he can return to the Su family and be used by Zhiyu.

It was because of this idea that Charlie decided to give Zhifei a real test.

## Chapter 5344

If Zhifei passes this temptation, even if he becomes the number two member of the Su family in the future, he will not stop him.

But if Zhifei fails this temptation, from today onwards, although he can regain his freedom,

He will never be allowed to get his hands on the Su family's property.

Because he wants to find an absolutely trustworthy and loyal subordinate for Zhiyu,

So he must not bury any hidden dangers in this candidate,

But if Zhifei has the slightest idea of giving up on this pilgrimage, he will be excluded.

Liona and Zhiyu didn't know Charlie's real intentions.

When they heard that Charlie was willing to give Zhifei a lenient chance,

They couldn't hide their excitement. They hoped that Zhifei would agree to the situation.

But Zhifei hesitated for a moment, but then said:

"Mr. Wade, thank you for your kindness, but I still want to finish this pilgrimage."

"It will be more difficult. You will enter the mountains, enter the plateau, enter the no-man's land,"

"And even climb several mountains with an altitude of four to five kilometers."

"You will no longer be surrounded by modern cities."

“The carved primitive world, where the environment is dangerous and surrounded by wild beasts, is likely to kill you with an ordinary altitude sickness.”

Zhifei nodded and said sincerely: “I know the road ahead will be very difficult,”

“But I still want to finish this thing, don’t give up halfway...”

“To tell you the truth, I didn’t have faith or awe before, but through these months of experience,”

“I already have my own belief in my heart, this belief is not religion,”

“But perseverance to the goal. I hope I can have the character of never giving up,”

“And this pilgrimage is the first step to having this character.”

“If I give up now, I won’t have another chance in the future...”

Charlie couldn’t help but look at him with admiration.

Being able to say these words, Zhifei really did not waste the past six months.

So, he nodded and said, “Since you have made up your mind, I won’t say much.”

“There is still a long way to go. If you feel pressure and difficulties during this process,”

“You can feel free at any time to quit. I won’t blame you, and I won’t stop you.”

Zhifei cupped his hands and said, “Okay Mr. Wade, I understand!”

Charlie said again: “However if you don’t prepare for the next journey,”

“If you quit, then you won’t be given a chance to come back to rest halfway,”

“You can only walk to the end, and when you get to the Jokhang Temple, I will arrange a plane to pick you up.”

“Okay!” Zhifei said without hesitation:

“Please rest assured, Mr. Wade, I will definitely arrive at the Jokhang Temple!”

Charlie nodded, stood up, and said to Liona: “Auntie,”

“I won’t bother your family. And I will come to visit another day!”

Liona didn’t expect Charlie to leave so soon, and at this moment, she suddenly understood the purpose of Charlie’s visit,

And thought to herself: “Charlie is here today! Coming here should not be for visiting,”

“But to test Zhifei and see what choice he will make after getting the right to terminate.”

“Now that Zhifei has made his choice, Charlie is ready to leave... ..”

Thinking of this, she also roughly guessed Charlie’s deeper purpose, and couldn’t help feeling a little joyful.

She also stood up, and said to Charlie very politely: “Then I will see you off!”

Zhiyu who was on the side didn’t expect Charlie to leave suddenly,

So she asked subconsciously: “Mr. Wade, you just sat down a while ago.”

Charlie smiled slightly and said, “I won’t sit down anymore, let’s do it another day.”

After finishing speaking, he got up and walked out.

Liona took Charlie out with a pair of children.

After Charlie got into the car, she let out a sigh of relief,

Turned around and said to Zhifei, “Zhifei, it seems that you have passed the test Charlie gave you!”

## Chapter 5345

“Test?” Zhifei looked at his mother with some doubt, and asked in confusion: “Mom, what do you mean?”

Liona said seriously: “The main purpose of Charlie’s coming here today should be to ask you that question.”

“See if you will take this opportunity to end this pilgrimage.”

Zhifei asked her, “What is Mr. Wade planning to test me for? Is my sincerity tested?”

“Almost!” Liona nodded slightly. He nodded and explained:

“Charlie’s behavior style is very similar to his father’s.”

“Although I don’t know Charlie well, I knew Changying.”

“Changying was different from most leaders in that his first prerequisite for employing people,”

“Was not their background. But on one’s character.”

After a pause, Liona continued: “In his eyes, no matter how powerful a person was,”

“As long as the person’s conduct is not good, he will not be close friends,”

“Let alone won’t put it in a career blueprint.” “

“But many people don’t care about this now, and many bosses have malicious intentions.”

“They just want to squeeze out the ability and value of the other party and discard them at will,”

“So they employ people, first look at ability, not character,”

“But such a person is often a double-edged sword.”

“Even if a certain value can be created in a short period of time,”

“Two people who have bad intentions and think that the winner takes it all,”

“How can it be possible to create a win-win situation?”

“Therefore, in the long run, this situation must do more harm than good,”

“And it is precisely because of this that the first prerequisite for Changing,”

“To employ a person was to pass the test of character;”

Speaking of this, Liona said again: “Charlie must have some intentions to let Roma put your father under house arrest.”

“As long as Zynn can figure it out and meet Charlie’s test standards,”

“Charlie will give him freedom.”

“If you don’t believe me, just wait and see.”

“After the wedding on the 8th, he will definitely be able to regain his freedom.”

Zhifei asked in surprise: “Mom, you mean, Mr. Wade intends to use me?”

Liona said seriously: “It may not be that he used you, it may be your sister.”

Zhiyu nodded, and said: “Then when brother returns from the pilgrimage, he can return to work in the Su Group!”

“That’s right.” Liona sighed: “Charlie tested your brother,”

“Presumably because of you, his thoughts are the same as his father’s. Very careful.”

Zhifei was silent for a moment, and suddenly realized:

“Mom, I understand Mr. Wade’s meaning...he wants me to be down-to-earth,”

“And to share the burden for Zhiyu, but the premise is that he has to feel that my conduct has changed qualitatively from before.”

“He won’t let me get involved in the Su family’s business.”

Liona nodded and said: “Yes, that’s it, so you must not have any other thoughts,”

“If you let him down again, he may never give you any chance again now.”

Zhifei said without hesitation: “Mom, don’t worry, I am no longer the one who still wanted to inherit the Su family.”

“The pilgrimage during this period made me understand that in a lifetime,”

“One must not leave oneself and the relatives disappointed.”

“As long as Zhiyu needs me in the future, I will do my best.”

“If she does not need me, I will not fight for the assets of the Su family.”

“Even if it is only the money in my own account,”

“It is enough for me to worry about how to live a life without worry.”

Seeing that Zhifei said these words from the bottom of his heart,

Liona nodded in relief, and said to Zhiyu: “Zhiyu, as the head of the Su family,”

“Even if Charlie allows your brother returns to the Su Group,”

“And it is up to you to decide whether to let him go back.”

“You can consider this point completely independently,”

“And Mom will not interfere, but Mom has only one request for you.”

Zhiyu hurriedly said: “Mom! Just say it!”

Liona said seriously: “It’s normal in a family business to use your own family members for important positions,”

“But you must be objective and fair. Take special care, if he can go up,”

“If he can’t, then go down, don’t let them go down, making people feel that he is not capable.”

Zhiyu nodded heavily: “Mom, don’t worry, I will write it down!”

## Chapter 5346

Three o'clock in the afternoon.

A direct flight to Hong Kong took off at Aurous Hill Airport.

Jemima, who was full of thoughts, was sitting on the plane,

Looking at Aurous Hill which was getting farther and farther out of the window,

And couldn't help but think of the details of the acquaintance with Charlie in Hong Kong.

Today she happened to see Charlie and Nanako walking together,

Although it made her feel inferior for a while, it didn't affect her deep love for Charlie at all.

Right now, she just thinks that time will pass faster in the future.

She can't wait for the day when she starts working at Aurous Hill University.

She has even decided to call Charlie after school starts and tell him that she is coming to Aurous Hill University.

To do business, ask him out to meet, and tell him when they meet that she has joined Aurous Hill University.

And Jemima is also prepared for the worst.

Even if Charlie is not happy after knowing it, and even wants to leave Aurous Hill, she doesn't care.

This is the first time for her to experience life in this world. He is closer, and no one can persuade her otherwise.

Just as her plane was gradually leaving Aurous Hill, another plane slowly landed on the runway of the Airport.

The plane took off from Madagascar in Africa and flew 10,000 kilometers all the way to Aurous Hill.

The passenger on the plane was Chengfeng, the old man of the Su family who had become a big landlord in Madagascar.

He had received an invitation from his son and had come all the way from Madagascar to attend the wedding.

Knowing that his son was going to marry Roma, Chengfeng's first thought was a surprise, and his second thought was a sense of relief.

The relief is not because he is satisfied with Roma,

But mainly because he has not been used to his son licking like a dog in front of Liona for so many years.

Everyone knows that Liona agreed to marry Zynn because he begged Changing but he couldn't do it.

In the beginning, he also wanted to prevent his son from marrying Liona.

However, in the end, Zynn, who couldn't help but only want to marry Liona, could only acquiesce in their marriage.

Acquiescence is acquiescence, but the old man's knot has not been untied for so many years.

Now, his son finally ended his marriage with Liona for more than 20 years,

And married Roma who loved him wholeheartedly. In the eyes of the old man, this is Zynn's best destination right now.

After sharing the bed with a woman who doesn't love him for more than twenty years, it's time to change to someone who loves him.

But when you look into it, the old man also thinks that this matter is not perfect.

In his impression, Roma is a disabled person, which is really a bit unreliable.

The young mistress of the Su family is missing an arm, which is not the case even after thinking about it.

But he still doesn't know that Roma's severed arm has already been reborn.

After the plane landed, it taxied all the way to the hangar. At this time, Zynn and Roma had been waiting in the hangar for a long time.

After all, it was the old man who came here all the way, and the two of them attached great importance to it,

So they came to the airport half an hour early to wait.

When the plane slowly slid into the hangar, Roma's nervous hands trembled a little.

This was mainly because she was not sure whether Mr. Su, who had a strong temper and eyes above his head, would like his future daughter-in-law.

In case he was dissatisfied with her and would point to her nose and scold her for not being good enough for his son, what would she do then?

Zynn noticed Roma's nervousness, so he whispered in her ear:

"Don't worry, when I called the old man about this matter, the old man didn't express any dissatisfaction."

Roma said anxiously: "I know his character, his emotions are invisible, and he likes to attack suddenly, so I'm afraid he will hold his breath..."

"No." Zynn comforted with a smile: "The old man is no longer the all-powerful old man back then."

“Now, his mind is all about raising horses. I said we are going to get married and I invited him over.”

“His first reaction was to calculate the time. It is said that he bought a horse farm,”

“And there are a few mares in it that are about to give birth. He doesn’t want to miss the birth of the pony.”

Roma finally breathed a sigh of relief, but she still had no idea before getting the old man’s face-to-face affirmation.

At this time, the docking of the steps was completed, the cabin door opened,

And Chengfeng, who was wearing short sleeves and big pants, stepped out of the plane.

When he saw Zynn and Roma, he waved to them on the plane with a smile on his face, and his pace was a little faster.

Seeing him smiling and waving, Zynn said to Roma in a low voice: “Look, the old man seems to be in a good mood!”

After that, he took the initiative to greet him, and said respectfully: “Dad, you have worked hard all the way.”

Chengfeng waved his hands, and said with a smile, “It’s not hard work, it’s not hard work,”

“I’ve been eating and sleeping all the way, so what’s the hard work.”

Roma also walked up to Chengfeng anxiously at this time, bowed respectfully, and said, “Hi, sir!”

Chengfeng said with a smile: “You two are going to have a wedding soon, why do you call me a master, besides,”

“I am not the head of the Su family now, so I don’t need to be called that,”

“I am older than your father, you can call me Uncle, wait until the day of the wedding to call me Dad.”

Roma didn't expect the old man to be so approachable nowa, and she immediately relaxed a lot.

Zynn really felt relieved, pointed to the Rolls-Royce behind him, and said to the old man, “Dad, let's go to the hotel first.”

“Okay.” Chengfeng nodded slightly, and Roma who was on the side had already taken the first step.

He opened the car door for him, made a gesture of invitation, and said respectfully: “Uncle Su, please!”

Chengfeng subconsciously responded, and was about to get into the car.

When he suddenly realized that Roma was making a gesture of invitation with both hands.

He pointed at Roma's right hand in a daze, and murmured,

“Roma...you...you...what's the matter with your right hand...”

## Chapter 5347

Chengfeng, who had been a landlord in Madagascar for a period of time,  
Had no idea what Roma had experienced during this time.

He just remembered that she had an arm cut off in order to save his son,  
And the shoulder-length wound almost completely cut off her entire right arm.

However, Roma in front of him was wearing a half-sleeved long skirt,

And her two arms looked intact and flexible.

Chengfeng was also a person who had seen the world,

And he knew very well that even the best prosthetic limbs would not appear  
this much realistic and flexible.

Seeing his surprised expression, Roma was about to explain,

When Zynn at the side hurriedly said,

“Dad, it’s a long story, let’s talk about it in the car!”

Chengfeng knew that there might be something hidden about this matter, so  
he nodded and got into the car.

Roma immediately got into the attached car, while Zynn drove the car himself.

After the car started, Zynn said to Chengfeng who was sitting in the back row:

“Dad, to be honest, Roma’s right arm has recovered.”

“It means that Roma’s severed arm has regenerated?”

“Yes.” Zynn nodded, “It’s true, this incident is too shocking,”

“But fortunately Roma has not been in Aurous Hill these years,”

“So no one knows about her.”

“We don’t want the outside to know about it, so don’t tell others about it.”

Chengfeng asked in amazement: “How did this happen?”

“I haven’t heard that there is such a medical technology now... ..”

After that, without waiting for Zynn to answer, Chengfeng suddenly widened his eyes and exclaimed:

“Could it be... Could it be because of Charlie?”

When encountering such an extraordinary event,

The first thing that comes to mind is Charlie, besides Charlie,

He really can’t think of anyone else who can have such a skill.

Zynn didn’t hide it, nodded, and said: “You guessed it right, it’s Charlie,”

“Charlie has a kind of elixir that can regenerate people’s limbs,”

“And Roma took the elixir he gave to regenerate her limb.”

“The most exaggerated is Ito Takehiko of the Ito family in Japan.”

“He was hunted down by the Takahashi family before.”

“He jumped off the bridge and had both legs amputated.”

“After taking the elixir, the two legs also grew back intact...”

“No way...” Chengfeng murmured in shock, “What kind of supernatural power does this Charlie have?”

“Such an unbelievable thing, can become a reality in his hands,”

“Even in fairy tales, I have never heard of any pill that can regenerate a broken arm...”

Zynn sighed: “Charlie’s ability is no longer possible to imagine.”

“This kind of thing the ordinary people cannot understand it,”

“Let me tell you this, Ruoli has been supported by Charlie one matter after the another, and now she is a five-star warrior!”

“What?!” Chengfeng’s brain was dizzy, and he asked subconsciously:

“Ruoli is now a five-star martial artist!”

“Already a five-star warrior?!”

“I remember that the old man of the He family is only at the level of a three-star warrior?”

## Chapter 5348

Zynn nodded: "This is the benefit of being supported by Charlie."

He knew it at Waderest Mountain that day. Joseph was also devoted to Charlie.

With his strength and character, it is really thanks to Zhiyu and Ruoli that he can stay in the Su family until today.

Otherwise, the Su family may have been completely trampled on by now..."

Chengfeng shook his hands and let out a long sigh:

"It's my Su family's luck to have Zhiyu and Ruoli..."

After finishing speaking, he looked at Roma, who was sitting in the co-pilot,

And said with shame on his face: "Roma, I was really ashamed when I gave up Ruoli for the sake of the Su family,"

"And I hope you two don't hate me..."

Roma turned around, she said seriously: "Uncle, I know that you also had your own reasons for what happened to Ruoli back then."

"Besides, I can't just blame you for this matter. He is also responsible for keeping the way."

"If it wasn't for him to let Ruoli go to Japan for the killing ring,"

"Destroying the whole family of Matsumoto, it would not force Ruoli into such a passive situation..."

Chengfeng sighed, and asked her: "Roma, where is Ruoli now?"

“This time, I must apologize to her!”

Zynn answered first: “She is busy with the wedding preparations at the hotel, you can see her later.”

“Okay...” Chengfeng nodded, and asked again: “For your marriage, did Charlie let Zhifei come back?”

“He came back.” Zynn replied, “Zhifei just returned to Aurous Hill,”

“But I haven’t seen him yet, he and Zhiyu went to Liona first.”

“Oh yes.” Chengfeng said with emotion: “Almost forgot, Liona also settled in Aurous Hill...”

As he spoke, his expression became even more ashamed, and he said in a low voice:

“Back when I attempted the killing of Liona, I almost killed Zhiyu together with her,”

“I have always felt ashamed of the two of them in my heart.”

“I wonder if I will have the opportunity to visit Liona this time and apologize to her,”

“Or you can ask her for me.....”

Zynn was embarrassed. He said: “I have no contact with her anymore.”

“Let me ask Zhiyu later and ask her to say hello to Liona.”

“If Liona agrees to see you, let Zhiyu take you there.”

“Okay ...Okay...” Chengfeng nodded lightly, and said sincerely:

“During this period of time in Madagascar, I have completely thought about it.”

“I used to think too much about the wealth and power of the Su family.”

“As a result, it has become a lot weaker. Now that I am disarmed and returned to the field,”

“I realize how hateful I was at the beginning.”

“I hope that before I go back this time, I can get forgiveness from Ruoliu, Zhiyu, and Liona...”

When Chengfeng was in power, he was supercilious.

But when he was deprived of everything by Charlie, his state of mind also changed a lot.

As he gets older, what he did at the beginning has become a knot in his heart,

And he also sincerely hopes to be forgiven by his children and grandchildren.

Coming back to attend Zynn’s wedding, it is a good opportunity to untie these knots.

After a moment of silence, Chengfeng thought of something, and suddenly asked Zynn:

“Zynn, who is the witness for your wedding with Roma?”

“Except for me and Roma’s family, we didn’t invite any outsiders,”

“So we just wanted to keep a low profile and finish it.”

“Ruoli invited a well-known male host from Eastcliff to be the master of ceremonies, as the witness I didn’t think about it.”

Chengfeng nodded, and said seriously: “You two take time to invite Charlie and see if he is willing to be your witness.”

“Charlie?” Zynn said awkwardly: “Dad, I don’t have any opinion on him.”

“It’s just that people invite elders or leaders to be witnesses.”

“How can we invite a junior to be witness...”

“Junior?”

Chengfeng smiled and asked him: “Do you think we are still qualified to talk about seniority with Charlie in our current situation?”

## Chapter 5349

Chengfeng's change was indeed unexpected for many people.

In the eyes of many Su family members, he is the stone in the latrine, so smelly and hard that no one has ever dared to challenge his authority in the family, and he has never bowed to anyone in the family.

But this time, he did have the consciousness to change his past.

After he came to the hotel, accompanied by Zynn and Roma, he immediately found Ruoli, and sincerely apologized to her, begging for her forgiveness.

He bowed slightly, and said to her, "Ruoli, Grandpa used to treat you with a lot of debts, and even betrayed you many times for the benefit of the Su family. Now grandpa dare not ask for your forgiveness. I only hope that you can forgive me. Accept grandpa's sincere apology..."

Ruoli didn't expect that Chengfeng would take the initiative to apologize to himself. Thinking back to her illegitimate daughter, she had never been recognized by Chengfeng. Although she knew that he was her grandfather, she never dared to really treat him like a grandfather, let alone expect him to treat her like a granddaughter.

And when she thought about how she was abandoned by the Su family many times and even nearly died at the hands of the Self-Defense Forces in Japan, she was still indignant.

Thinking back to the few times when she almost died, Ruoli's tears rolled down uncontrollably.

But even though she was crying like rain, she said to Chengfeng very magnanimously: "You have already paid the price for what you did back then, and now I don't blame you anymore."

Chengfeng saw that she couldn't stop crying. He felt ashamed in his heart.

But fortunately, Ruoli was still willing to forgive him, which to him was his wish fulfilled.

Then, Zynn called Zhiyu and told her that the old man wanted to visit Liona.

After Liona learned about it, she also graciously welcomed it.

Zynn originally wanted to go with Chengfeng, but Chengfeng warned him in a low voice:

“Zynn, since you are going to marry Roma, you must keep a distance from Liona, and didn’t make Roma feel uncomfortable. By the way, I will let the driver take me there, you can find a chance to talk to Charlie and see if he is willing to be the witness of the two of you.”

Zynn thought for a moment, nodded slightly, and said: “Okay Dad, I’ll find a chance to ask him.”

When Chengfeng used his sincerity to get to Liona, Zynn took the initiative to call Charlie.

At this time, Charlie was shutting himself up in the Champs Elysees hot spring villa, thinking hard.

After coming out of Liona’s house in the afternoon, he couldn’t wait to come here, wanting to continue studying the ring that Maria gave him.

Today, the ring’s beating again made him feel a little confused.

Ever since he got this ring, it has been acting like a spiritual energy scammer. No matter how much spiritual energy he instilled in it, it wouldn’t respond at all.

However, since the last time, it was beating inexplicably at University, today it was the second time it was suddenly in the underground garage of Tomson.

In Charlie’s subconscious mind, he has always felt that this thing is definitely not simple, because the aura he has input into this ring is already a huge

amount. If he uses that aura to activate the Thunderbolt Talisman, the entire Aurous Hill might be thunderstormed for at least three to five days.

However, such powerful energy can disappear without a trace when it enters this small ring. Among other things, the bearing capacity of this ring is already extraordinary.

Charlie is also a person who has read books. He knows that everything in the world must obey a basic physical rule, and the law of energy conservation is one of them.

The basic principle of the law of conservation of energy is that energy will not be created out of thin air, but it will not disappear out of thin air either.

If you compare aura to electricity and this ring to a battery, then you can clearly see what is unusual about it.

Normally, a battery of the same volume is nothing more than an ordinary button battery, and the amount of power it can store is negligible, and a few hundred mAh has already reached the peak of battery technology at this stage.

But the current condition of this ring is like a button battery, which has been charged with thousands or even tens of thousands of kilowatt-hours of electricity!

So here is a question.

According to the law of energy conservation, such a huge amount of energy can never disappear in vain, so it must be stored or transformed by the ring in some way.

But how did it do it? Where does it store all this energy?

Although Charlie couldn't figure out these two problems for a while, he could figure out one thing, that is, this ring can swallow such a powerful aura, which proves that it is definitely not a mortal thing, and even surpassed his understanding of things.

With such a magical weapon, he has been unable to pry into its mysteries while holding it in his hand. Charlie naturally scratches his heart.

He also tried, sending a little spirit energy into it again, but its reaction was still the same as before, accepting all of his spirit energy, and nothing came of it, without any response.

The more so, the more Charlie was puzzled by this thing.

But the current him, no matter what he said, did not dare to pour spiritual energy into the ring unscrupulously, so he could only hold the ring and look at it repeatedly, trying to find out the mystery behind it.

However, this ring is completely a plain circle ring without any lines or inscriptions, and the surface is so smooth that there is not even a small pothole.

Just when Charlie was at a loss, Zynn called him.

On the phone, Zynn said to him after being respectful and polite: "Mr. Wade, actually I am calling you this time to make a request, and I hope you can agree."

He continued: "Mr. Wade, I would like to invite you to be the witness of our wedding...We couldn't get to this day without your help. For the two of us, you are our biggest benefactor,"

"It is very appropriate to invite you to be the witness of the wedding, and I hope will not reject us..." "

"Okay, I will do it."

Charlie only agreed to Zynn's request after a little hesitation.

He felt that since Zynn asked him for this matter, he would not look at the face of the monk but the face of the Buddha.

There were no outsiders at this wedding, nothing more than people from the Su family, the He family, and the Ito family.

Zynn, who originally thought that Charlie might not agree, immediately breathed a sigh of relief after hearing Charlie's affirmative answer, thanked him a thousand times, and then hung up the phone.

Charlie put the phone aside, looked back at the ring, and couldn't help muttering: "You have lied to me so much, and you didn't say thank you or give any response from the beginning to the end."

"I don't care about these things with you, but can you tell me, last time at University and this time at Tomson, why did you suddenly jump inexplicably? Could it be these two places that made you feel something wrong?"

After muttering, the ring naturally didn't move.

Charlie thought of something, and said again: "Then if I take you back to the old place, can you still give the same reaction?"

Thinking of this, his eyes lit up immediately, without saying a word, he put the ring into his pocket. Immediately drove to the University at the fastest speed.

This time, instead of driving in, he parked his car in a parking lot near the University and then walked into the campus.

He clearly remembered the last time the ring jumped at the University, on the way he drove away from here.

So he put the ring on his hand and walked unhurriedly all the way to the Academic Affairs Building.

## Chapter 5350

Along the way, every time he took a step, he felt the movement of the ring very carefully.

But to his great disappointment, the ring didn't respond in any way.

He murmured in his heart: "The last time it reacted was on the way out. Could it be that this thing still recognizes the direction?"

Thinking of this, he turned around again and walked the opposite way along the way he came the last time.

But until he walked outside the gate of the school, the ring still didn't respond.

Charlie couldn't help feeling a little annoyed, and thought to himself: "Didn't you dance here last time? Why didn't you dance this time?"

"Did you fall asleep or didn't feel it? Otherwise, I'll take you to Tomson's underground garage!"

The ring didn't give him any response, so in desperation, he could only go back to the parking lot, ready to get in the car and leave, and then return to the underground parking lot of Tomson high-rise to try his luck.

As soon as he drove the car out of the parking lot, his cell phone rang suddenly.

He picked it up and looked surprised, because the person who made the call turned out to be Tianqi's granddaughter, Zhovia.

Charlie has not seen this grandparent and grandson for a long time. He knows that Tianqi opened a medical clinic in Aurous Hill, where he and Zhovia hung pots to help the world, but because there are many things recently, he has not visited them over.

Moreover, the grandparents and grandchildren rarely disturbed themselves, presumably because the medical clinic was busy, and they didn't want to affect themselves too much, so they didn't take the initiative to contact them.

So now that Zhovia suddenly called him, Charlie's first thought was whether she and Grandpa Tianqi were in some trouble.

So, he immediately connected to the phone and said, "Zhovia, you haven't called me for a few days."

Zhovia said with a sad voice: "Master Wade... I am calling you to bid farewell..."

"Farewell?" Charlie frowned, and asked her: "What's the matter? Did you encounter any trouble with Doctor Shi?"

"Not like that..." Zhovia sighed and said quietly: "It's my grandfather who is going to close the clinic and go back to Eastcliff..."

"Back to Eastcliff?" Charlie asked her subconsciously: "I remember that Doctor Shi said that he will settle down in Aurous Hill from now on."

"You have only been here for more than a year, why do you want to leave suddenly?"

Zhovia said vaguely: "This... how should I put it, it is also Grandpa's own decision, and there is nothing I can do..."

"He has already put the hospital's signboard down, and he is thinking of leaving tomorrow."

"Originally, he didn't plan to tell you, because he felt ashamed to say goodbye to you, and wanted to call you to apologize after he left...but...but..."

As Zhovia was speaking, she suddenly sobbed softly, choked up, and said, "But I couldn't bear to leave Aurous Hill and Master Wade..."

"That's why I called, and I want you to persuade Grandpa again..."

Charlie said without hesitation “Don’t cry, Zhovia, tell me where you are now?”

“Still in the hospital...” Zhovia choked up and said, “Grandpa plans to tidy up everything tonight.”

“Okay!” Charlie immediately said: “You wait for me there, I’ll come there now!”

When Charlie drove to Tianqi’s clinic, the plaque of the clinic had already been taken off and was casually discarded aside.

At the same time, there was a plaque wrapped in red silk and satin at the door, and it was impossible to see what was written on the plaque for a moment.

When Charlie came to the clinic, Tianqi, Zhovia, and a boy were packing up all kinds of medicinal materials on the medicine cabinet.

Seeing Charlie come in, Zhovia shouted excitedly: “Master Wade!”

After finishing speaking, she ran towards him, threw herself into Charlie’s arms, and began to cry.

Charlie quickly asked her: “Zhovia, what’s the matter? Tell me all.”

Tianqi also saw Charlie’s expression at this time, he was startled, then staggered over with shame on his face, and sighed:

“Master Wade... why are you here? Did this girl tell you something?”

Zhovia cried and said, “Grandpa, I don’t want to leave Aurous Hill, so I wanted to ask Master Wade to persuade you...”

Tianqi With a long sigh: “Hey! I would like to gamble and admit defeat. Since I lost, how can I continue to stay here...”

Zhovia cried stubbornly: “But losing is only losing clinic! The big deal is that you gave the clinic to him, we don’t need to leave Aurous Hill because of this!”

Tianqi asked her back: “My bet with him is that if I lose, I will hand over the clinic to him. the clinic is gone, so what else do I have in Aurous Hill to stay back for?”

Zhovia cried and said, “But I just don’t want to leave Aurous Hill... I haven’t learned the real Sanyang acupuncture from Master Wade, so I don’t want to go...”

On that day, the old man of the Song family was seriously ill, and Tianqi took her with him. Zhovia came to the rescue but happened to meet Charlie on a narrow road.

At that time, she was dissatisfied with Charlie, but after seeing Charlie use the real “Sanyang Acupuncture”, he immediately cast his admiration on him.

Although the Sanyang acupuncture method is a medical skill handed down by the Shi family’s ancestors,

What the Shi family’s ancestors learned is only superficial.

The real Sanyang acupuncture method is much more powerful than the acupuncture method handed down by the Shi family.

Zhovia also knew that many of the top Chinese medical skills had been secrets that had not been handed down over the years,

So she never expected that Charlie could teach her. Today, she said so suddenly, but she just wanted to find an excuse to stay in Aurous Hill.

Charlie asked in surprise at this time: “Master Shi, what did you lose clinic?”

Tianqi said with a face of shame: “Master Wade... is really inferior to others in his skills. If you lose, you won’t have the face to mention it to you...”

Zhovia blurted out, “It’s an old man who came two days ago! He was going to have a medical competition with grandpa when he came, and he said that if he wins, he would ask grandpa to take off the plaque of the clinic,”

“Give him this place to run the medical center, and say that if he loses, he will give grandpa an ancestral medicine cauldron... Grandpa didn’t know what to think, so he promised him...”

Charlie said curiously: “Doctor Shi, it sounds like the other party is obviously setting up a trap for you. With your style of acting, you shouldn’t be fooled like this!”

Tianqi’s old face struggled awkwardly for a long while before lamenting:  
“Master Wade, I’m telling you the truth!”

“I was deluded by a ghost. Seeing his medicine cauldron as really a good thing.”

“I thought I usually refine a lot of medicine. If I could win that medicine cauldron it would have surely relieved some of the burden in refining medicine in the future,”

“But I never thought that I would mess it up, I am really ashamed!”
