

## Chapter 5197

Matthew just for self-preservation subconsciously dumped the pot on Emily,

But he did not expect, in a moment Emily will be completely angered.

He always thought that she obeyed him because he was a handsome,

And a successful forty-year-old man with extraordinary charm for women,

So that Emily was completely subservient to him,

And at the critical moment to take her out to cover his future,

She certainly will not have any dissatisfaction.

However, he completely overestimated his so-called charm.

For Emily, money is the real source of charm.

As long as there is enough money, even if she is allowed to face a ninety-year-old man,

She will also behave addicted to him, unable to extricate herself.

However, if there is no money, even if the other party is handsome as Tom Cruise, she will still not look at him.

Just now Stella said she will block her in the design industry,

This will already cut off her financial road,

Did not expect Matthew also fell into the well, and this instant let her anger.

Matthew also saw that Emily seemed to have lost her mind,

And hurriedly winked at Emily: “Emily, in front of Miss Fei, you’d better not talk nonsense!”

“I advise you to leave here now and go to the company tomorrow to see the human resources director,”

“Who will give you a certain amount of compensation for your dismissal according to the process.”

Matthew did not dare to say the words too frankly,

The reason why he winked at Emily,

And at the same time said that the company will follow the process to give dismissal compensation,

In fact, is to tell her and let her now honestly put the pot on the back, tomorrow he will not treat her badly.

However, Emily is full of anger at this time by Matthew,

Listening to Matthew talk about termination compensation,

She is even angrier, because according to the company's rules,

She is only three or four years into the staff,

The most compensation for leaving the job is half a year's salary.

Moreover, although Matthew had confirmed that she would be promoted to senior partner,

According to the company's regulations,

There was still a three-month inspection period for senior partners,

And only after the inspection period is over she can successfully pass the debriefing,

She could officially get all the benefits of a senior partner.

This means that if she is fired now, the company only needs to pay her half-year salary,

All according to her previous salary standard, which is only \$200,000 to \$300,000!

When she thought that Matthew was going to use \$200,000 to \$300,000 to send her off,

Emily was even more furious and trembling, she looked at Stella and said out of the blue:

“Miss Fei, the reason why all this happened today is that this son of a b!tch had his eyes on Claire!”

“He asked me to find a way to introduce Claire to him,”

“And to find an opportunity to attract Claire to join the company,”

“So that he could get hit on her!”

Emily’s words immediately made Matthew scared out of his mind,

And he couldn’t help but immediately raise his hand and slap her, cursing:

“Emily, what is your intention in slandering me here?”

“I met Ms. Willson for the first time today,”

“So how could I possibly have ill intentions towards her like you said?”

“You are clearly slandering!”

Emily covered her face and cursed angrily, holding back the pain:

“I’m slandering? You think I don’t have proof?”

Saying that she immediately took out her cell phone,

Fished out her chat records with Matthew, found many photos of Claire,

And said to Charlie and Stella: “Mr. Wade, Miss Fei, look at the time these photos were sent,”

“The earliest one is almost a month ago, at that time I just met Claire in the master class,”

“And Matthew also made a move on Claire at that time.”

“At that time, he had his heart set on Claire!”

Matthew said nervously, "You sent me all these photos,"

"How can you say that I had my heart set on Ms. Willson!"

Emily said coldly, "Don't admit it, right? Here are the chat records,"

"So you can show Mr. Wade and Ms. Fei how you replied to me!"

After that, she looked at Stella and angrily blurted out,

"Miss Fei, you must not let this beast go,"

"He just had an inappropriate sexual relationship with at least seven female employees,"

"Including me within the company, and that's not the most terrible thing!"

"What's scary is that this son of a bitch also preyed on his 13-year-old adopted daughter!"

"And he also took a lot of indecent videos on his phone!"

Matthew heard this, the whole person got terrified to the extreme,

He subconsciously questioned: "You ..... how do you know?!"

Emily sneered: “Your phone password I had quietly noted down long ago,”

“Every time you stayed overnight in my apartment,”

“I would add some sleeping pills to your red wine,”

“And then while you were asleep, secretly looked up at the various contents of your phone,”

“Including your chat records with others, email correspondence,”

“As well as your photos and videos are hidden in the phone!”

## Chapter 5198

Matthew furiously cursed: "You ..... you are really despicable and shameless!"

Emily's mouth wiped over a smile, sneering:

"What? You think I was played by you for these years,"

"Will I not leave some backhand for yourself?"

"Let me tell you, I not only have those nasty videos of you,"

"But also evidence of your collusion with others and embezzlement of corporate assets!"

"You took the lead in acquiring an ai mapping company in the first half of the year,"

"Costing the company half a billion dollars, but that company is simply an empty shell,"

"And this ai mapping technology is also a completely immature product that is not commercially available at all,"

"And at least half of the half a billion dollars you spent on acquiring it went into your pocket through various means!"

“Don’t worry, I’ll take this evidence out today!”

“You’ll be stuck in jail for the rest of your life!”

When Matthew heard this, he shook like chaff and said,

“Emily, I can give you as much money as you want, but if you destroy me, you won’t get anything!”

Emily sneered, “Fine, give me \$100 million, as long as the money arrives,”

“From now on you go your way, we will never cross a bridge,”

“The big deal is that I will retire early, no longer staying in the design circle in this life!”

Matthew agreed almost without thinking and said,

“No problem! Just \$100 million!”

At the side, Stella smiled with a subtle expression at this time and spoke,

“Mr. Peterson, this hundred million dollars, I advise you not to give it out, there is no point.”

When Emily heard this, she blurted out,

“He has to give me this money no matter what he says!”

“If he doesn’t give it, then I’ll hand over all the evidence to the police!”

Stella looked at Emily and laughed lightly,

“Don’t daydream here, not to mention 100 million dollars, even if it’s one dollar, he can’t give it to you.”

Emily subconsciously questioned, “On what grounds?”

“If he doesn’t give it to me, I’ll put him in jail!”

Matthew looked at Stella in panic and explained palely,

“Don’t misunderstand, Miss Fei, I didn’t do any of the things Emily said,”

“I promised to give her the money, as I just don’t want her to ruin my reputation outside .....

Stella laughed at his pale defense and said lightly,

“Mr. Peterson you should not forget that the Fei family is the largest shareholder in your company,”

“You use the position of chairman to enrich yourself, this is embezzlement,”

“And also suspected of money laundering, the violation, is the interests of all shareholders of your company,”

“Including the Fei family! And I, as the head of the Fei family, have the right to ask the FBI,”

“To step in and conduct a thorough investigation into that takeover,”

“So whether Emily has evidence or not, it’s meaningless to you because,”

“The FBI will definitely find the person in charge of the acquired company as well and find out what’s going on!”

“In addition, there is the behavior of you and minors, whether Emily has no evidence,”

“I have the obligation to report to the FBI so that the investigation can clear it,”

“Even if the two of you now try to delete the information in the phone,”

“They also have a way to restore, once it is proven that the matter is true,”

“Then the rest of your life may really have to be in prison!”

Matthew heard these words, his eyes were black, and almost fainted,

Then he kneeled down in front of Stella without thinking, choked, and said:

“Miss Fei, I am the chairman of the company, if I am arrested by the FBI,”

“The company’s stock price will definitely plummet, then the Fei family’s investment will also be damaged,”

“Please, for this sake, please give me a chance,”

“You do not want to see the two or three billion dollars invested by the Fei family going in damages .....

Stella said coldly: “The chairman of the Board of Directors broke the scandal,”

“A short period of time will indeed affect the share price, but your company’s business roots,”

“Not in you alone, so as long as the impact of the scandal gradually disappear,”

“The company’s share price will certainly rise back.”

After a pause, Stella continued, “And the Fei family has plenty of money,”

“Also has plenty of time and patience, when the time comes,”

“It can completely take advantage of the plunge in share prices during this period,”

“So those shareholders who do not have so much time and patience,”

“We can try to acquire more shares, and when the Fei family gets the majority of the board of directors voting rights,”

“They can appoint a new chairman to take over your company, in that case,”

“When the share price rises back, the Fei family will not only achieve control of your company,”

“But also take the opportunity to make a big profit.”

“So, if you are arrested by the FBI, for the Fei family,”

“Not only is it not a loss, but it is a good opportunity to take a bottom!”

Speaking of which, Stella remembered something and continued, “Oh yes, although you have 10% of the company’s shares,”

“But due to your encroachment on the company’s assets, resulting in a direct loss of \$500 million,”

“Indirect losses may hit a billion dollars or more,”

“In this matter, the company will certainly sue for compensation;”

“And the court will definitely seize your illegal income of 200-300 million,”

“Providing all the compensation to the company, but even so, you will still owe the company a hole of several hundred million dollars,”

“This hole, the court will definitely require you to use your personal assets to make up for it,”

“So that you have to take out the illegal income, but also to pay at least several hundred million dollars in additional losses,”

“You have to believe the Fei family’s legal team, they will definitely do their best to get this amount to the maximum.”

Matthew already felt that the sky was spinning, never thought that Stella would want to kill him like that.

Without giving him a respite she continued: "The court will force you to sell your shares to pay for the damages and penalties,"

"If you don't have enough cash to pay for them, and I don't think it will take longer to get to this point."

"In this way, the 10% of your shares will be auctioned off by the Fei family at the lowest price,"

"And the funds from the share auction, after paying the compensation and fines, I'm afraid not much will be left."

Saying that Stella added: "Oh yes, there is also the matter of you and minors,"

"Once this matter is confirmed, whether the other party is voluntary or not, you are legally responsible,"

"If the other party's lawyers seize this opportunity to knock you hard,"

"You have to come up with at least another tens of millions of dollars in compensation,"

"In this way, you may really have nothing left!"

## Chapter 5199

Matthew did not expect that the young, smiling nightmare Stella would want to totally exterminate him!

However, in the next second, he figured out the reason for it.

The misappropriation of office funds has always been the most disgusting thing for the shareholders of large corporate groups.

Even if the shareholders hold a lot of shares,

But generally do not directly intervene in the operation of the enterprise,

The operation of the enterprise is generally also handed over to the founder of the shares who have a small percentage to bear.

In this world, many well-known large enterprises are basically the same.

Originally, if the company has a net profit of \$500 million,

Then after setting aside next year's budget, the rest of the money if they want to take out,

Is given to all shareholders in the form of a dividend, according to the proportional share of the holder.

But Matthew, as the founder of the company, said it was in a developing phase.

So without dividing any dividend, he continued to finance it from the profits.

In this way, he was able to take the company to a market value of ten billion dollars.

However, Matthew himself is only left with 10% of the shares,

If the 500 million dollars are used for dividends,

He can only get 50 million of them, and out of these 50 million, he will have to give them out to the IRS, nearly half of it.

It is precisely because of this, he has done the rat race,

Five hundred million dollars is not divided, directly to engage in investment,

In this said investment, in fact, is money laundering,

Five hundred million dollars thrown out, at least three hundred million dollars back into his own pocket,

Compared to honestly giving all shareholders dividends, this way to get more money and faster.

For a generally large listed group, every year there are a large number of acquisitions,

Mergers and acquisitions cases, and who can guarantee that every acquisition can make money?

Some projects are also likely to hit the water.

Matthew, based on this point, only single-handedly planned the acquisitions.

But he never expected that Emily, who usually obeys his words and even has some taste of slavery,

Had so much evidence of him and uttered that in front of Stella without any break.

In this way, if you take away the 500 million dollars,

You are directly taking away the money that should have been distributed to the Fei family,

How can Stella, who has reached the position of the Fei family head, spare him?

And, what's worse, Emily also exposed the nasty things between himself and his adopted daughter,

Once this matter is reported to the FBI, he will certainly have to sit through the bottom of the jail!

A thought to this, Matthew almost immediately made up his mind,

No matter what he has to reconcile with Stella.

So he looked at her and begged: "Miss Fei, as long as you are willing to let me go,"

"I am willing to transfer all my shares to the Fei family at a 50% discount on the market price,"

"Which will not only allow the Fei family to profit hundreds of millions of dollars,"

"But also help the Fei family to strengthen their control over the entire company,"

"Which is already far beyond the damage I have done to the Fei family earnings,"

"This is an absolutely very sincere effort from my side....."

Stella smiled faintly: "Do you think your hundreds of millions of dollars have any value in my eyes?"

"To the Fei family, money is far less important than reputation,"

"If the Fei family harbors a beast of clothing like you for a few hundred million dollars,"

"Then would Randal Fei have died in vain?"

## Chapter 5200

Matthew's heart instantly thumped.

Only then did he remember Randal's incident which had been making a lot of noise before.

In order to compensate the families of the victims injured by Randal,]

The Fei family took out more than one billion dollars before and after.

Stella had only managed to save the day and help the Fei family regain its reputation,

So how could she let herself go for the sake of his shares?

Thinking about this, he already recognized the situation in his mind and thought:

"I have to run away, the sooner the better! The better to leave the United States tonight!"

After making up his mind, he slowly stood up, he said with a contrite face:

"Please don't worry, Miss Fei, I will go to the police tonight to turn myself in,"

"I should bear the responsibility, I will never escape!"

After saying that, he turned around and ran outside while Stella was not paying attention.

His driver was outside, his private plane was at the airport,

As long as he could get out of this auditorium door, he would be able to get to the airport in half an hour.

As long as he could get on the plane, he would definitely be able to leave the U.S. tonight,

And as long as he could leave the U.S., he would be able to keep most of his assets while preserving his personal freedom.

If can't get on the plane, then his assets and freedom, both will be gone!

Matthew suddenly feet to escape, Stella also did not react for a while,

Just when Matthew thought he would be able to escape, he suddenly felt his body instantly get stagnant,

The whole person was instantly strangled neck, can not move.

He subconsciously looked back and found that it was Charlie who reached out and grabbed his collar.

Charlie said with a smile on his face: "Mr. Peterson, where are you going in such a hurry?"

Matthew hastily put on a strong calm and said,

"Mr. Wade, I just said, to go to the police to surrender ....."

Charlie nodded and said with a smile, "It's good that you are willing to turn yourself in,"

"But there is no need to go there in person, and this kind of crime by the elite class of society,"

"It's usually not the turn of the police to deal with it, it's the FBI itself,"

"So why not just let Miss Fei contact the FBI and let them come here to pick you up."

Once Matthew heard this, the whole person was suddenly paralyzed with fear, He struggled to break free from Charlie's hand, but naive Charlie's hand remained motionless.

Stella called Karl over at this time and instructed,

"Master Yuan, notify the head of the FBI and have them send the closest agent over."

"Okay, Miss." Karl immediately nodded, took out his cell phone, and made a call.

Matthew's body has been unable to support,

The whole person like mud spread on the ground, eyes full of desperation pleaded:

"Miss Fei, please let me live, do not drive to kill ....."

"I have worked so hard for so many years to get to today, you can not destroy me like that!"

Stella said in an icy tone: "Not I want to destroy you, it is you who destroyed yourself."

Matthew said, "Miss Fei if I can't, I will transfer all my shares to the Fei family unconditionally!"

Stella smiled blandly and said, "Did you forget what I said?"

"Your shares will have to wait for a low-price auction and be used to compensate for the company's losses."

"As for whether there will eventually be any surplus and how much will be left,"

"You will need to wait slowly in prison."

As he spoke, Karl had already walked back from outside.

He came in front of Stella and said respectfully,  
“Miss, the head of the FBI has been called, they take it very seriously,”  
“And have dispatched several senior agents from the FBI base in Providence,”  
“They are in a helicopter and will be here in ten minutes.”

## Chapter 5201

In the United States, the influence of the Fei family, although not talking about the highest,  
But is definitely one of the most influential few families, to such a family,  
The head of the FBI always has to ensure a 7×24 response, any situation will be fully resolved.

So, Karl made a phone call and the other party immediately responded.  
Matthew heard this, the whole person has completely collapsed,  
Sitting on the ground bawling, a time triggered a lot of people's curiosity and concern.

At this time, Matthew, inwardly felt like the end of the world,  
Thinking back to ten minutes ago their own vigorous look,  
But now immediately to be nothing or even go to jail, Matthew would like to die here.

Emily also sat down in despair to cover her face and cried,  
She knew that Stella let the FBI intervene in this matter, Matthew in their hands,  
They lost the value of cash, and they not only have to lose their jobs,  
But also lost the last trump card to get rich, and they will become completely useless.

Stella did not want to entangle with these two at this time, so he said to Charlie:  
"Master Wade, leave this to Master Yuan, let's go inside and find a quiet place to sit for a while what do you think?"

Charlie nodded slightly since Stella had already notified the FBI,  
With the FBI's ability, plus Stella's influence, Matthew would not be able to escape the law,

So he did not bother to look at these two people,  
So he looked at Karl and said politely, "Then it will be hard for Master Yuan."  
Karl bowed respectfully and said, "You're welcome, Master Wade, this is all my duty."

Stella explained to Karl: "Master Yuan, keep an eye on this Matthew and make sure to hand him over to the FBI yourself."

Claire at this time looked at that Emily, wanted to say something,

But hesitated for a while, and finally did not speak.

Charlie took Claire's performance in his eyes and knew that she seemed to have compassion for Emily.

However, he saw that Claire finally did not say anything, so he also pretended that he did not see it.

The three arrived at the banquet hall, Stella instantly attracted the attention of countless people,

So the three simply found a corner where no one was temporarily seated.

After sitting down beside Charlie and Claire, Stella can not help but feels somewhat ashamed to say:

"Claire ..... congratulations on the successful completion....."

"For the previous matter I am really sorry, I really had a lot of inconveniences to say I hope you can understand ....."

Claire's heart, although there are some bumps on the matter of Stella using a false identity to befriend her,

But she is actually able to understand her.

Although she did not know what Stella had actually gone through,

She knew that this kind of luxurious noble family must also have many hardships that could not be told to outsiders.

She felt that although Stella used a false name at that time,

She had not done anything to hurt her, on the contrary,

She gave her orders for decoration and even helped her to get a place in the master class,

In the end, she owed her a lot of favors.

Therefore, Claire also said very politely at this time:

"Miss Fei, we are friends, you say so is too foreign,"

"Many things I am not clear about the reasons, but I understand."

Hearing Claire say so, Stella's expression instantly relaxed, and said,

"You are right, Claire! If you have time someday,"

"I will definitely have a good chat with you and tell you how it really happened in the first place ....."

Claire said with a smile, "I have time, a little while after the closing ceremony,"

"We two go to the hotel bar for a chat, let Charlie go back to the room."

Stella nodded without thinking and smiled, "Okay! Then it's a deal!"  
Charlie saw that the two seemed to have cleared up their previous misunderstanding,  
And he couldn't help but feel a little relieved in his heart.

## Chapter 5202

Claire is not good at socializing much, has not had many sincere friends, And Stella went to China with an alias and Claire sincerely treated her as a good friend.

But then her best friend suddenly left without saying goodbye and evaporated, She has been apprehensive about it, fearing that Stella had some kind of accident. It was only later that Stella suddenly appeared on the world's media as the head of the Fei family,

Then Claire realized that the person she thought was her best friend hadn't even told herself her true identity.

Since that day, Charlie could tell that Claire was a bit lost.

However, right now, the two of them are considered to have signs of reconciliation, If giving them both a little time and let Stella tell Claire about her crisis situation at that time,

Then Claire will be able to completely eliminate all her negative emotions.

Moreover, Charlie was not worried that Stella would say the wrong thing or slip her mouth,

And subsequently, give away key information about him.

After all, he had hardly ever seen a smarter girl than Stella,

She must be able to explain this matter to Claire very truthfully,

And perfectly while limiting her role to the feng shui master to a dead end.

Now for Charlie, as long as in front of his wife, can still limit herself to the feng shui master,

Then he is not afraid of anything.

Even if the patriarch of a top family like Stella is respectful of him, he can explain it.

After all, when Stella was nearly chased by her uncle,

It was he who helped her adjust her feng shui and read her fortune to ask for directions,

Which helped her fight back and take back the Fei family's family headship.

With this premise, even if Stella is respectful to him, everything can have a reasonable explanation.

A few minutes later. The FBI helicopter landed in the square outside the auditorium,

And several FBI agents, wearing sunglasses, hurriedly ran into the scene and brought out Matthew, who was under Karl's guard.

Matthew had completely given up resistance and was paralyzed as he was put in the helicopter by two agents.

Countless people were shocked to see him taken away by the FBI and at the same time,

They couldn't help but whisper, trying to figure out why this bigwig of the design world was suddenly taken away by the FBI.

Karl watched the helicopter take off before returning to the venue to give his report to Stella.

Stella smiled faintly after hearing this and said to Claire,

"Claire, when I hold the holding of AECOM, if you are interested, I will ask you to be the president of AECOM."

Claire waved her hand in frightened practice,

"I don't have this level, I'd better run my small company back home properly ....."

Stella seriously said, "There is no hurry,"

"I will keep this position for you when the time comes, you can come over anytime if you are interested."

.....

Meanwhile.

On the other side of the earth, in Eastcliff.

A girl of seventeen or eighteen years old, slim and tall,

With a face as pure as water, was walking fast in a traditional Eastcliff alley.

At this moment, Eastcliff is in the early morning, and according to reason, should be the most lively, the most smoky time in the alley.

But this deep alley seems unusually cold, with no stores and vendors selling breakfast, not even a pedestrian.

The girl walked toward the deepest part of the alley,

And at the end of the alley was a very grand five-roomed, three-bay door

The so-called five rooms and three doors are the specifications of the Prince's residence in feudal society.

The innermost mansion was the residence of a prince in the Qing Dynasty.

These doors are about three or four meters high, the door is full of brass door nails, imposing and extraordinary.

And the door on both sides of the huge stone lion is also carved with awe-inspiring prominence.

When the girl walked to two-thirds, suddenly from nowhere, two middle-aged men in civilian clothes emerged.

These two middle-aged men are sturdy and resolute in expression,

And at a glance, they know that they are not ordinary people.

They stopped the girl, and one of them said, "Little girl, this is a private residence, don't go any further."

The girl was stopped by two strong men, but she was not afraid at all, she said lightly:

"Please tell Mr. Jia, just say that Maria Lin is here and needs to see him."
