

## Chapter 5203

Hearing Maria say she wanted to see the old man,

The burly man who spoke, his brow instantly furrowed, and asked in a cold voice:

“Who exactly are you?!”

Maria said indifferently, “I said, I am Maria Lin, you don’t need to ask me so much here,”

“I know that you are heavily guarded, and there are an unknown number of guns aiming at me everywhere,”

“I am here today to pay a visit, you only need to send word,”

“Your family’s old gentleman will naturally come out to greet me personally.”

The strong man said angrily, “What a crazy thing for a little girl to say!”

“Do you know what kind of people live in here?!”

Maria couldn’t help but raise her eyebrows, but her tone was still as calm as water,

“You don’t need to bother talking in front of me,”

“You just need to give him a message on my behalf, the word Maria is not poison or a bomb,”

“It won’t have any effect on your duty to protect him,”

“But if Ethan Sun blames you for delaying the business because you refuse to deliver the message,”

“You are just a bodyguard, can you afford it? Can you?”

The strong man did not expect that, this little girl,

Would have such an unsubtle and unyielding spirit in front of him,

And even the confidence that everything was under control made him feel a little anxious.

Moreover, she even called the old man by his name,

Which made him even more frightened and afraid,

And could not help but speculate on the real origin of this girl.

He exchanged a glance with his colleague, who nodded at him with an extremely subtle margin,

And he immediately understood, turning around and walking a few meters backward.

Before saying into the microphone inside his collar,

“Please inform the master that there is a young girl named Maria Lin,  
Who wants to see Master, please decide.”

A voice came from the headset, “Are you crazy?”

“A little girl wants to see Master, how dare you ask me to deliver a message like  
this?”

The strong man urged: “Do not fuss,”

“This little girl seems to be not simple, you quickly go to inform the Master!”

Once the other party heard this, he did not delay any longer,

But only explained: “If the Master blames down,”

“You do not expect me to take the blame for you.”

A few minutes later.

The middle door of the five rooms was pushed open from the inside.

Immediately afterward, an elderly man, with the support of two people, came out.

## Chapter 5204

The two strong men outside the door were stunned to see their old Master come out in person.

After all, they had never seen a guest worthy of being greeted by the old man himself.

The moment he saw Maria, he was trembling with excitement.

He did his best to walk faster, so much so that the two people around him were a bit frazzled.

Maria just stood there, looking at him with a smile on her face, Until the old man came in front of her.

The old man stood in front of her, a little panting and a little excited,

And said, "Miss, it's really you! How did you come here?"

Maria smiled faintly, "Came to temporarily join you for a while, is it convenient?"

"Convenient, totally convenient!" The old man hurriedly nodded uncontrollably,

And then asked, "Miss, are you by yourself? Old Zhang didn't follow?"

"No." Maria faintly shook her head and said,

"He will arrive in China in a few days."

Saying that she looked around and spoke,

"It's better to go in and talk, there are some things that I want to ask you for help with."

The old man hurriedly made an invitation gesture and respectfully said, "Please, Miss!"

Maria nodded and stepped towards the imposing gate.

Only after entering the gate could she see that this courtyard was incredibly large.

The courtyard, which was neatly paved with green stones, was at least a few thousand square feet.

The old man took Maria all the way to his study,

And then ordered everyone to leave the study for 50 meters,

So all the family members and servants withdrew to the backyard.

In the study, the old man respectfully invited Maria to sit down on the seat before he opened his mouth and asked,

"Miss, where are you ..... coming from?"

“Why didn’t you notify me in advance so I could arrange for someone to pick you up!”

Maria said lightly: “I’ve had quite a tumultuous journey,”

“Starting from Northern Europe, then first taking a boat to Murmansk in Russia,”

“Then turning overland from Murmansk, taking cars and trains, tossing and turning to Moscow,”

“Then taking a plane from Moscow to Vietnam,”

“And finally taking a land route from Vietnam into China,”

“And taking a plane from the southwest to you.”

“Such a lot of trouble?” The old man was surprised and asked,

“Miss, you suddenly used such a tortuous route to come to China, did you encounter any trouble?”

“Yes.” Maria didn’t hide it and said frankly,

“Something went terribly wrong in Northern Europe and I almost lost my life.”

“Ah?!” The old man asked in shock, “Why would that happen?!”

Maria laughed bitterly, “One of Zhang’s men somehow got in touch with the Warriors Den and exposed my whereabouts.”

“The Warriors Den sent people to Northern Europe overnight to hunt us down and killed everyone except me and Zhang.

The old man said with a face full of horror:

“The Warriors Den actually found you .....

“Yes.” Maria sighed and said, “I’ve been very low profile,”

“But I didn’t expect that something would go wrong internally,”

“Old Zhang’s men originally didn’t know my identity,”

“But the Warriors Den had been using special channels to hunt me down,”

“And in order to find me, they also gave a huge reward,”

“I guess it was Old Zhang’s men, because of some coincidence, who happened to get this information and then sold me out.”

Saying that Maria shrugged again and said,

“But this is all my speculation, after all, those men of old Zhang are dead,”

“And I don’t know exactly which one of them betrayed me.”

## Chapter 5205

Hearing this, the old man hurriedly said, "Miss, then you should take shelter with me during this period of time,"

"It is much safer than outside, besides, although I am now retired behind the scenes,"

"But the resources and contacts are still there, and will be able to protect you."

Maria smiled faintly and said, "I actually don't want to come to you to stay,"

"I just want you to help me investigate someone."

"Check someone out?" The old man hurriedly asked, "Miss,"

"I don't know what you want to check, what kind of person is it? What information do you have?"

Maria said, "I only know that his name is Charlie Wade, male, and he should be under thirty years old."

"You help me to transfer the population data, and the photos exported, I can compare myself."

Saying that, she asked again, "Transferring the population data, you should have no problem, right?"

The old man smiled, "No problem, any data can be transferred."

"That's good." Maria let out a slight sigh of relief and nodded,

"Then it will be hard for you to arrange someone to help me sort it out."

The old man was busy saying, "You're welcome,"

"Miss, it's an honor for our Sun family to work for you."

After saying that, he said respectfully, "Miss, wait a moment, I'll go and arrange it!"

Ten minutes later.

The old man knocked on the door, and only after receiving Maria's permission,

He pushed the door open and walked in somewhat sluggishly.

In his hand, he was holding a laptop.

He placed it in front of Maria and said, "Miss, the information you asked me to check has all been found out,"

"All the information of these Charlie Wade's are here, please look through them."

"Good." Maria nodded, her fingers on the arrow keys, quickly browsing up the information related to each.

In the past few days, she had long remembered Charlie's appearance clearly by repeatedly watching the surveillance video,

So the main way of comparison right now was to check whether the information she saw,

And the Charlie she saw, was the same person through the ID photo.

But the strange thing is, everyone's information all browse through,

But surprisingly did not find the one who saved her that night.

Maria frowned and couldn't help but ask the old man, "Is this all the information out there?"

"Yes." The old man nodded, "All that can be found are here."

Maria couldn't help but think in her heart, "Could it be that he lied to me at that time?"

Thinking of this, she couldn't help but shake her head again:

"It shouldn't be ..... he must have had full assurance that he could erase my memory at that time,"

"In this case, there was absolutely no need for him to lie, right?"

"Moreover, since he even dared to strike at the Warriors Den,"

"There is no way he would not dare to reveal his true name to me in that situation ....."

When the old man saw Maria frowning, he couldn't help but ask:

"Miss, what's the problem? If you have any other clues,"

"You can also tell me, one more clue, one more point of certainty."

Maria shook her head somewhat dejectedly and muttered,

"There are no other clues, I only know that his name is Charlie Wade."

The old man smacked his lips: "All those named Charlie Wade, the information is here,"

"If he is not lying, then he could be an overseas Chinese?"

"Probably having nationality in other countries?"

Maria spoke: "He said he was Chinese, but it does not exclude the situation you said,"

"After all, many Chinese nationals living outside will also say they are Chinese,"

"But if that is the case, more than two hundred countries around the world,"

"I will have to find a needle in a haystack ..... "

## Chapter 5206

Speaking of which, Maria suddenly raised her head somewhat reluctantly and asked the old man,

“Is there a possibility that his identity has been encrypted within the system?”

“Encrypted?” The old man frowned and thought, and spoke,

“There are indeed cases of encryption, people with special identities,”

“The relevant information is encrypted, but in order to ensure that this encrypted information is not detected,”

“The system itself is unable to directly access the encrypted content.”

Maria asked him, “What is the general encryption logic?”

The old man said, “As far as I know, there are two kinds of encryption logic,”

“One is that his identity information is completely erased from the system,”

“Storing the information in another mutually isolated system,”

“The latter will not have any connection with the network,”

“That is, his real information only exists in that latter system, no one in the outside world can find out any clues;”

Saying that, the old man added: “The other kind is more complicated,”

“It is that this person himself has a set of real identity information,”

“But this set of information is encrypted within the system, somehow becomes a one-way identity.”

Maria asked, “What does one-way mean?”

The old man explained: “One-way means that his ID card, his passport, and driver’s license,”

“And even the family register, marriage certificate, and other identity documents are real,”

“The ID number is also real, but anyone in the system if you want to fuzzy query his information,”

“Can not be found, for example, I want to check who is called Charlie nationwide,”

“That the system returns the results, will not appear His information,”

“I want to check the information of all the people named Wade in the country,”

“The result will not have him, even if we pull out the information of hundreds of millions of men in the country, there will not be him in this;”

“If you want to query his information, there are two conditions,”

“First of all, you must know his name, as well as his accurate ID number,”

“Both of which are completely correct when it comes to finding out his information;”

“In this way, it basically put an end to other people’s wide search, because in this case,”

“You really need to use this system to find someone in a sea of people,”

“If you know his ID card number, it is the same as you have mastered his real information,”

“So you do not need to use this system to cast a wide net.”

Maria sighed: “In that case, this encryption method is still very clever,”

“People who don’t know him too well can’t find him in the system,”

“And those who know him are unlikely to come back to the system to check his information,”

“And even if those who know him come to check, inputting their names and ID numbers,”

“The results that come out will be true, and they won’t be able to find out anything.”

“Right.” The old man nodded and said, “Some people with very, very special identities will use such a method to hide,”

“So that people with ulterior motives for him have no way to check.”

Saying that, the old man added: “Such a person, using his own identity,”

“Not only does not have to worry about being found out by others but also his life will not be affected in any way.”

“Because in addition to what I just said, you must rely on the name plus ID number to find out his information,”

“All his documents, in fact, are one-way inquiry channels;”

“For example, if a police officer on the road inquires about his ID card,”

“As long as the police officer uses the device to read his ID card,”

“He will be able to check all his information within the system, in this way, the police will not find any abnormalities;”

“If he wants to fly, as long as he uses the correct name and ID card when he buys a ticket,”

“He will be able to board the plane smoothly with his ID card;”

“If he wants to go abroad, then he will book a ticket with his name and passport number,”

“And then he will be able to leave the country smoothly with his passport;”

“However, if anyone wants to check him through the information of the plane registration in turn,”

“It is not possible to find out at all if you want to search if there is anyone named Charlie Wade who has flown in the country,”

“But if you only know his name, then his information will not show up either.”

Maria’s two willow-leaf-like eyebrows were slightly clustered toward the middle, her expression was grave and fretful.

After a moment of hesitation, she asked the old man, “Whether the person I’m looking for is the first or the second,”

“With your status and connections, can you find out this hidden information?”
