Nan Chen dropped the documents in his hands heavily on the table.

That shocked Jiang Zhe and Luo Fei so much that they both went silent.

Nan Chen was very displeased at the fact that Luo Fei was still putting up an act of innocence.

But at the same time, this only served to prove his conclusion that Luo Fei had intentionally kept him in the dark about the children. That was why she refused to let the press release the photos.

He was not intending to speak to Luo Fei at all, but Luo Fei's pretense disgusted him so much that he had had enough of it.

He got up from the chair, took the photo from Jiang Zhe and held it to Luo Fei's face.

"Whose child is this?" Nan Chen said in his usual deep, magnetic voice.

Although Mr. Chen never talked much, he had a surprisingly nice voice. However, it also sounded cold at the same time.

Luo Fei panicked even more.

This was what she had feared the most. She was afraid that Nan Chen would find out about Ning Ran because of this child, and learns about what really happened back then.

But fear as she may, Nan Chen had still found out about the photos and had begun to search for the mother of the child.

Luo Fei went deathly pale. She tried to look calm as she said, "How would I know?" "It's just a child I happened to meet at the airport. I don't know whose child that is."

Nan Chen's eyes narrowed.

The temperature in the room seemed to drop a few degrees. Luo Fei took a step back.

"Alright." Nan Chen said.

Even Jiang Zhe couldn't figure out what his boss meant by "alright".

What's "alright"? What does he mean by "alright"?

He waved at Luo Fei, motioning her to leave.

Glad that it was finally over, Luo Fei let out a sigh in relief.

She glanced at her watch and asked, "Shall we have dinner together?" "We haven't had dinner together in quite a while."

Nan Chen did not respond. He just returned to his seat and looked at his documents.

Luo Fei stood there awkwardly for a few seconds, and reluctantly left when she was sure that Nan Chen would continue to ignore her.

She turned to look at Nan Chen once more before walking out the door, but he was still looking at the documents. It was as if he had completely forgotten about her existence.

"Ms. Fei, I'll see you out." Jiang Zhe said with a bow, motioning her to leave.

"Piss off!" Luo Fei who was still filled with rage, yelled at Jiang Zhe.

Jiang Zhe was taken aback. Did Luo Fei just tell him to piss off?

He was Nan Chen's assistant, a very high ranked position in the company's administration.

Furthermore, he was the one closest to the "king". Most people would try to get on his good side, but Luo Fei had the guts to tell him to "piss off"?

Jiang Zhe's eyes went cold, but he kept his composure. He smiled and said, "Have a nice day, Ms. Fei."

Jiang Zhe had intended to send her off to the parking lot at first, but decided not to after she was so rude to him.

"A low-quality star like you dreaming to be the lady boss of Nanshi Corporation?" "In your dreams!" Jiang Zhe cursed angrily under his breath after he saw Luo Fei enter the elevator.

But when he looked up, he saw his boss walking out of the office.

Jiang Zhe got scared as he didn't know if Nan Chen had overheard his rant.

"Get someone to follow her." Nan Chen said to Jiang Zhe.

Jiang Zhe understood what his boss meant after a giving it a brief thought.

Luo Fei clearly knew who that child belongs to. That's why she had tried to keep it a secret.

Now that they had startled her by confronting her about it, she would definitely make a move to clean up her mess.

If they sent someone to follow her, track her whereabouts and find out who she's been seeing, they might be able to find some clues.

It seemed the boss had taken an interest in the child. But you couldn't blame him for it, considering how they looked so alike.

Anyone else would be interested too if they found a child that looked just like them.

Luo Fei's car arrived at the Orchid Club parking lot.

Luo Fei did not get out of the car immediately. She took out a black bucket hat, a pair of big sunglasses and a big face mask from her bag.

She then put them on to ensure that no one could recognize her before entering the clubhouse from the side entrance.

The worker who had been waiting there led her into a reserved private room, where a young man was waiting for her.

He was dressed in ordinary looking clothes and had an obvious scar on the corner of his right eyebrow.

The young man let out a surprised look and was very excited when he saw Luo Fei enter.

"Sorry to keep you waiting. How are you?" Luo Fei asked.

"I'm doing alright. It's so good to see you! We haven't seen each other in 47 days!" The man stuttered from excitement.

Despite his stammering, he clearly remembered the amount of days that they hadn't seen each other for. This showed how much Luo Fei mattered to him.

Luo Fei said coldly, "Lu Yong, my current status makes it inconvenient for me to meet you often, but I always have a spot for you in my heart."

"Really?" Lu Yong got even more excited and wanted to hug Luo Fei, but he didn't dare to.

"I always have a special place for you in my heart. That has never changed." "When the time is right, I will consider being with you."

Lu Yong could barely contain his excitement at this point.

“But at the moment, I need you to help me with something. There is a certain risk to it, so if you are not willing, I will find someone else.” Luo Fei said.

“I’ll do it! As long as it is for you, I’m willing to do it!”

“Very well. Look for this person. She has a child with her. After you find out where she lives, I want you to make that child disappear.”

“Disappear?”

“Yes, disappear. I don’t care if you strangle him and dump the body in the trash, or just simply sell him off. I just want him gone from Jiangcheng.”

“Why would you want to get rid of a child?”

“Because he is an abomination and should not exist in this world! His existence is a threat to me!” Luo Fei got worked up all of a sudden.

“But still, to do that to a child...”

“Are you willing to do it or not?” “Like I said, I can look for someone else if you aren’t willing to.”

Lu Yong had a troubled look on his face, but made up his mind anyway, “Alright, I’ll do it.”

Luo Fei was delighted to hear that. She reached into her branded handbag, took out twenty thousand and gave it to Lu Yong.

“You’ve just been released from jail not long ago, so it would be hard for you to find a job. You can use this money to get by for now.”

“I didn’t do it for your money. I do it because I love you.” Lu Yong turned down the money.

“I know that, but you still need money to survive anyway, so just take it. After all, you know my identity. If anything goes wrong with this and word gets out about it, I’m afraid I won’t be able to look out for you.”

“Don’t worry. If anything does go wrong, I’ll take the fall by myself, just like how I did back then.”

“Good. Remember, her name is Ning Ran. She goes by the name Ding Mi now, and is in the same film crew with me. Every day, she will go home with her manager after we

finish filming. You'll know where she lives by following them. Find out more about the child, and... well, you know what to do next."

"Yes, I know." Lu Yong nodded.

"I know you love me, and would wish for me to be happy, right? Well, you can only ensure my happiness if you get this done for me." "Once I make enough money and can ensure a smooth life ahead, I will throw my status aside and be with you." Luo Fei said and gave Lu Yong a kiss.

Lu Yong trembled with happiness.

Just as he tried to throw himself on Luo Fei, she pushed him aside, "I've still got business to take care of. I need to get going now."

## Celebrity Girl Is My Wife Chapter 33

The second day of the filming was surprisingly smooth. Ning Ran was constantly on high alert against any tricks that Zhao Mingjie and Luo Fei might attempt to pull on her.

To her surprise, neither of them made any moves towards her. They just did their part in filming normally. What surprised her even more was when the director told her that more scenes have been added on top of her existing ones. That way, she had become the de facto female lead instead.

However, the director did not tell her that this was actually Nan Chen's decision. After she finished work, Cheng Xiangyun drove her home as usual. Neither of them realized that a man in a helmet had been tailing them on his bike the whole time.

When they got home, they saw that Erbao had turned the living room upside down, while Dabao was researching about computers alone in the study as always.

Ning Ran got a little angry, "Erbao, why did you mess up Aunt Xiang's house like this? Didn't you promise mommy to be a good girl?"

"Mommy, I did all this on purpose." Erbao said as she looked at Ning Ran with her shiny eyes.

Ning Ran got angrier, "Doing it on purpose? Why you little....."

Cheng Xiangyun quickly stopped her, "It's fine! It's just a little messy. I'll just tidy it up later, so don't be too hard on the kids."

"I was home with big brother, but he was doing research on computers all day. I got too bored, so I purposely made a mess to clean it up later. That way, I would have something to do."

“I just haven’t finished tidying up this time when mommy came home, so that’s why it looks messy.”

Ning Ran felt bad for leaving them at home like that. They must’ve been bored out of their minds.

“Aunt Xiang has contacted the school, so we should be hearing from them soon. Once that’s done, you can go to school! That way, you won’t be so bored anymore!”

As Ning Ran comforted Erbao, Dabao came out and dragged Erbao into the study.

The siblings have always kept many little secrets amongst themselves, and Ning Ran couldn’t be bothered to care about that.

Erbao was dragged into the study by Dabao who closed the door behind him.

They then climbed onto a chair and looked at the computer screen. There was a photo that Dabao had found on the Internet.

The man in the photo was sitting on a sofa, dressed in black and staring into the camera with a cold gaze. He gave off a dominant aura.

When Erbao saw the man, she subconsciously stroked her face. Then, she turned to look at her brother’s face.

“He looks just like us!” Erbao exclaimed in shock.

Dabao nodded his head.

“Who is he?” “Is he our daddy?” Dabao almost fell off the chair from excitement.

Dabao shook his head and pointed at the news headline that says, “The huge ambitions of Nan Chen, the king of Flower City”.

Erbao read the words one by one, “Flower City’s Wang Nan.....” (The headline could also be misinterpreted as “Wang Nanchen of Flower City and his huge ambitions”, hence Erbao’s misunderstanding.)

She stopped at “Chen” as she didn’t know how to read that word.

They had been living abroad up till now, and could speak Mandarin fairly well. However, there were still many words that they couldn’t read, as they were still young kids after all.

“Chen.” Dabao taught his sister the pronunciation.

“So his name is Wang Nanchen?” “But our surname is Ning, so he’s not our daddy.” Erbao said disappointedly.

“No, his name should be Nan Chen. The King Of Flower City is just a title they gave him.” Dabao frowned as he analyzed it.

“His surname still isn’t Ning though, so he still isn’t our daddy.”

Dabao frowned again. He felt that there was a problem with his sister’s analysis.

But he couldn’t quite put a finger on what it was, exactly.

After a brief moment of disappointment, Erbao’s eyes lit up again, “I’ve got an idea!”

Dabao looked at his sister, and gestured her to continue.

“He may not be our daddy, but we can introduce him to mommy to be her boyfriend!”  
“He looks like us, so mommy will like him for sure!”

Dabao’s frown deepened further, “You know the man?”

Erbao shook her head innocently.

“Then how do we introduce him to mommy?” Dabao asked.

Erbao was stumped too. That’s right, we don’t even know him, so how could we introduce him to mommy to be her boyfriend?

After dinner, Ning Ran was washing the dishes in the kitchen, while Cheng Xiangyun was dragged into the room by the kids for a “discussion”.

“Aunt Xiang, you made us two promises. You haven’t fulfilled the second one.” Erbao said sternly.

She looked too adorable when she did that. Cheng Xiangyun wanted to reach out and pinch her little cheek, but she moved off out the way.

“Aunt Xiang, we’re talking about some serious business here!” Erbao raised her tone.

Cheng Xiangyun quickly put on a straight face, “Right, serious business!”

“You promised us that you would find mommy a boyfriend, but there’s been no news so far.” Erbao said.

“Ah, so that’s what this is all about? Yes, I did promise you that, but this isn’t something I can rush.”

“Your mommy is very beautiful and talented, so I can’t just find her any average Joe. He wouldn’t be a good match for her.”

Erbao looked at Dabao with a puzzled look on her face, “What’s an average Joe?”

Dabao shook his head as he didn’t know what it meant either.

“Ahem, what I mean to say is... I must find her someone tall, rich and handsome.”  
“Wouldn’t you agree?” Cheng Xiangyun said.

The two nodded in unison.

“So, we need to take our time with this. We must first find a suitable candidate. And when we do, I’ll arrange for you two to check him out. After he gets your approval, we’ll set up a date for him and mommy, okay?”

The two nodded in unison again.

“Aunt Xiang, is a CEO rich?” Erbao asked suddenly.

“What?” Cheng Xiangyun didn’t understand what she said.

“Are CEOs rich people?” Erbao asked again.

“CEO?” “Generally speaking, they should be rich. But if the company isn’t a big one, then they aren’t that rich. However, if he is the CEO of a large company, then he should be quite rich. Why are you asking about this?”

“Then, is Nanshi Corporation a large company?” Erbao continued to ask.

“What?”

“Is Nanshi Corporation a large company? Is the CEO rich?” Erbao repeated with a serious look on her face.

Cheng Xiangyun was shocked. Just what are these two children up to? Asking such a weird question like that.

“Oh yes, very rich!” Cheng Xiangyun said earnestly as she nodded repeatedly.

If the CEO of the Nanshi Corporation couldn’t count as rich, then no one else could.

Dabao and Erbao looked at each other with a cheerful expression on their faces.

“Then let’s introduce Wang Nanchen to mommy to be her boyfriend!” Erbao said in a mysterious tone.

“Wang Nanchen?” Cheng Xiangyun was puzzled. She had never heard of this name before!

Dabao moved the computer over, and pointed at the screen for Cheng Xiangyun.

“The huge ambitions of Nan Chen, the king of Flower City”.

Cheng Xiangyun instantly understood what they meant. Goodness, these two actually have their eyes set on Nan Chen!

These kids sure have got some vision, targeting a godlike man like Nan Chen!

“His name is Nan Chen, not Wang Nanchen. And he’s very rich!”

“Then he’s our guy!” Erbao decided.

Cheng Xiangyun almost laughed at the thought of the ice-cold Nan Chen losing it if he found out that he’s being targeted by these two angels.

“How did you two discover this guy?” Cheng Xiangyun asked curiously.

“Lookalike.” Dabao explained with just one word.

Erbao added on in case Cheng Xiangyun didn’t understand, “He looks like us, so we think he would make a great boyfriend for mommy.”

“Well, he could, but.....”

Xiangyun wants to tell you that your mommy had a fight with that man on the set, and are not on good terms now.

To have that man become your mommy’s boyfriend might just prove too difficult.

But her words were stuck in her throat.

They would be disappointed if they heard that.

Anyway, I’ll just give them my word for now. Who knows? It might just come true, after all.

## **Celebrity Girl Is My Wife Chapter 35**

“Mr. Nan runs a very big company, so he has a lot of things to do. He is a very busy man, so it would be difficult to meet him.” Cheng Xiangyun explained to them how hard it would be to introduce Nan Chen to Ning Ran.

Dabao and Erbao went into deep thought at the same time. Dabao held his cheeks with both hands, and Erbao followed suit. Cheng Xiangyun nearly fainted from how adorable they looked.

“Telephone.” Dabao had an idea.

Cheng Xiangyun shook her head, “I don’t have Mr. Nan’s phone number. He’s a big shot, and ordinary people like us wouldn’t know his personal phone number.”

“Work telephone.” Dabao said again.

“You mean calling up his company phone number to arrange a meetup? That would probably be even harder to do. Even if they’re someone you know personally, you’d still have to make an appointment in advance to see them. Seeing as we don’t even know him personally, it’d be so much more difficult to get an appointment with him.”

Dabao frowned; Erbao scratched her head.

If none of that could work, what else could they do?

“Block him at the entrance.” Dabao came up with a new idea once again.

“That’s out of the question. He doesn’t go to work like how normal employees do. We don’t even know when he enters and leaves the office.” “And besides, the building security would chase us off.”

Dabao’s frown deepened. Erbao did the same as her brother to express her disappointment and sadness.

“There’s no need to rush this. Mr. Nan is also an investor in the film that mommy’s in, so he will occasionally come to the set. Tomorrow, I’ll try asking the director when his next visit would be. When the time comes, I’ll take you there and you can talk to him directly, okay?”

“With such pretty faces like yours, I’m sure that Mr. Nan would like you both. You two will definitely be able to do what others can’t.”

Dabao and Erbao both nodded their heads.

“What are you all chatting about?” Ning Ran entered the room.

Dabao and Erbao turned to look at Cheng Xiangyun, and hinted at her to keep it a secret.

“Nothing much, really. These angels were telling me all about their experiences living overseas. We had a really nice chat!”

“Is that so? Then why do they look so nervous?”

Naturally, Ning Ran saw right through her children’s unusual behavior. She was their mother, after all.

“They’re not nervous at all. We really did have a great chat! Dabao and Erbao are such mature children.”

“It’s time to memorize your vocabulary. After that, it’s bedtime.” Ning Ran said with a stern look on her face.

When Dabao and Erbao heard what mommy said, they went back to their rooms to memorize the vocabulary.

Cheng Xiangyun motioned for Ning Ran to sit down to have a little chat.

“Say, have you really not thought about finding a boyfriend?” “Do you really plan to be single forever?”

“Aren’t you single as well? Talk about the pot calling the kettle black!” Ning Ran shot back at her.

“It’s different for me. You see, I do have suitors. I just set the bar a bit high, so I haven’t agreed to date any of them.”

That made Ning Ran unhappy, “So you’re saying that I should throw myself at others because no one likes me?”

Cheng Xiangyun waved at her, “No, I didn’t mean it like that! I meant to say that it’s not easy for you to raise two children like that. So, why not find a man to help take care of them together? It’d be a lot easier that way.”

Ning Ran shook her head, “I don’t want to get my kids a stepfather that they wouldn’t like. These children are my life. To me, they are all that matters.”

“Then find one that they like and you’re good to go! Take Nan Chen for example.”

Ning Ran almost spat out the water she was drinking, “Who?” “Poker Face?” “He’s such a jerk! Why would I even like him?!”

“Do you know how many women in Flower City wish they could date Mr. Nan? And you call him Poker Face?”

“But he really does have a poker face! On top of that, he doesn’t talk much either. He’s always got that entitled look on his face, and it irritates me just looking at it. Besides, don’t you forget, he’s Luo Fei’s boyfriend!” “It’s impossible for me to be with him! Are you kidding me right now?”

Cheng Xiangyun too, found this plan to be too unrealistic.
